

The Totalitarian Schemes of Global Genocidal Maniacs, Part 1

The history of the Nazi Party can be told in terms of new formations within the movement, each becoming more vicious and cruel. Think about the New World Order, which became United Nations Agenda 21/30 and now has become the Great Reset.

The World War is Already Here

In regard to Ukraine, however, there is some good news – the U.S., Germany, Britain, Poland, Norway, Finland, the Netherlands, Spain and Portugal have now agreed to send tanks to destroy Russia's forces in eastern Ukraine. But is it too little too late?

February 3rd is “National Four Chaplains Day” – Why?

On Four Chaplains Day, Feb. 3, 2023– the 80th anniversary of the day in which the Four Chaplains sacrificed their lives “so that others may live.” –will the media again fail to report on it, and the schools fail to teach it, and Americans, in the

main, fail to observe it?

Rebuttal: Nullification Is A Fake Solution

As someone who believes in free speech – even if I find something offensive – a free people have the right to their opinion or position on an issue. It is our God given right we must always fight to keep. We can civilly agree to disagree – unless you're one of the deranged maniacs out there who are adamant you must believe what they believe.

The Ukraine War Will End With a Big Bang – and Soon

The West's drive to conquer Russia will not end until the fools of the New World Order exhaust themselves and eventually get beat down in the process. The slovenly media will increasingly slobber over the prospect of subduing the Russian bear, but will remain silent when they have been silenced by events which will have turned against them although, it is secretly believed that...

Americans Not Aware of China's Onslaught of the USA

One writer who asked to remain anonymous said, "The Smithfield Foods acquisition is a good example. Smithfield Foods is the largest pork producer and processor in the world. It has facilities in 26 US states, and it employs tens of thousands of Americans. It directly owns 460 farms and has contracts with about 2,100 others."

America is Abandoning God

There is only one way to save America from a Globalists takeover and certain destruction. Repent, lead others to repent and the Remnant has to set the example of returning to Christ, radical obedience and submission to Christ, and to live righteous and holy lives by living by every word that proceeds from the mouth of God.

Controlling Forces Determined To Rule America, Part 3

In my opinion, I believe that the World Economic Forum is as big a threat to America as China is. China appears to have used the Biden crime family to infiltrate our education system, steal our technologies, buying our farmland, allowing

Chinese police stations to operate, selling them our...

The Great Pushback Conference

Yes, the Lord's will WILL be done on earth, as it is in heaven. And I do believe terrible times will come, just as the Bible tells us. Don't you want to be equipped and ready? Many have asked, "What can we DO?" Come to our Conference, and find out.

A Look Behind the GOP's "Dark Path" – It's Just Anti-Globalism, Absent Good Messaging

The eighteenth century Scottish philosopher David Hume believed that only emotions – or passions, he called them – could motivate action. If Hume were alive today, he'd invoke his analysis to explain the sweeping cultural changes of the past 30 – 40 years as well as the intractability of the culture wars.

Time For The Pundits to Explain the Big Ruse

Day in and day out, we are inundated with articles and video about what is “wrong” in our country. Ground breaker in talk radio, Rush Limbaugh made millions telling us about it, why and how. Presumably so do people like Hannity and Levin – not to mention so many others. Is it just for the money? Are they really “patriots”?

Domestic Genocide in Iran

In short, we have an excellent opportunity to topple these parasitic terrorists once and for all. History will judge us all. At Munich, Chamberlain got an international agreement that Hitler should have the Sudetenland in exchange for Germany making no further demands for land in Europe. Chamberlain said it was ‘Peace for our time’.

Governed by Idiots

How did we wind up in Stupid World? And more to the point, how do we get out of it? When they’re not physically assaulting us, they’re assaulting our wallets. How many stores have had to close because prosecutors won’t prosecute rampant shoplifting?

Transgender Woke Balderdash: I Am A Cat

What astounds this journalist stems from the fact that guys pretending to be girls weren't allowed to compete against real women at the U.S. Open, Wimbledon, Australian Open, French Open or any other big tennis venues. Why? The crowds would have "Booed" the DNA male tennis players right out of the stadium.

Crowning the Good?

Because in their hearts, most American parents wish their son had turned out like Tim Tebow, and they long for their daughter to marry a man like him. They have had enough of the Lindsay Lohans, the Charlie Sheens, and the decadence of America's pop culture icons. The dirty little secret is that fly-over country wants a return to a crowning of the good.

Qualified Immunity

Imagine you have immunity for any bad actions you take. You've probably heard of diplomatic immunity, where officials of other countries are shielded from prosecution. Then there's

sovereign immunity, when the head of government cannot be charged. In America though, our legal system has come up with the idea of qualified immunity.

Wife Of Congressional Candidate Charged With 52 Counts Of Voter Fraud

It is amazing that there are so many shameless “useful idiots” among us who are working for those who mean to destroy us all as a nation, and yes, that includes the destruction of the useful idiots as well (Jeremiah 6:15).

The Failure of the Church and Her Shepherds

In the Book of Ephesians 6:12, St. Paul tells us, “For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of darkness of this world, against spiritual wickedness in high places.”

Real Solutions Undermined from Within

A State cannot secede from the union other than by withdrawing from the U.S. Constitution, including the Bill of Rights. The very things people are trying to enforce upon the federal government, found in the Constitution and Bill of Rights, will no longer protect any state that withdraws from that compact. Secession defeats the purpose it's intended to achieve.

Joe Biden's Great Replacement

When anti-communist analysts and security experts examined Barack Hussein Obama's history of associations with unsavory characters and communist figures, they had to wonder if Obama is a Marxist mole or a communist collaborator. In one sense, it didn't matter. As a candidate, Obama didn't have to undergo a background security check.

Two New State Nullification Bills – Will They Pass?

Time is short for our legislative session. We must get these bills passed: Texas Sovereignty Act, HB 384 & SB 313. I voted for our new state senator, Kevin Sparks, and have already written him on a half dozen issues. I had the

opportunity to meet and speak with him on the phone a couple of times before the primary and Nov. election.

The Making of and Dealing With Jihadists

Bewildered by what fanatic Muslims do, some conclude that Muslims are brainwashed. Otherwise, how can their totally illogical belief system and barbaric behavior be explained? But the notion of “brainwashing” that is bandied about is the stuff of science fiction and Hollywood movies such as the Manchurian Candidate.

251,400 Border Jumpers in December: This Is An Invasion Of America

According to the Associated Press, the U.S. Border Patrol reported that it processed 250,400 illegal alien border jumpers last month, December of 2022. All of them were placed on airplanes, busses and trains to be distributed all over America. All of them were invited by Joe Biden...

We Are Without Excuse

I really can't understand how people can live without God. Our American culture has grown increasingly Godless, and as people no longer have a relationship with their Creator, as they once did in this country, our nation is becoming more violent, more perverse, and more evil and wicked.

Controlling Forces Determined To Rule America, Part 2

We have forces inside America that want control over every person living here but we have forces outside America that are pushing for the infamous New World Order. The most prominent one is Klaus Schwab with the World Economic Forum. He's like the fool Carl Marx who never held a job...

“There is No Shortage of Cruelty”

Russian dictator Vladimir Putin hides behind the spiritual. Divorced and said to have a mistress, he has presented himself as a defender of the Christian faith and Christian values. He counts on conservatives in the United States to ignore the fact that he was a Soviet KGB officer and ran its successor, the FSB.

What I'm Doing Here: Another Boomer's Journey

A year ago I adopted the practice of penning a piece on what I'm trying to accomplish with my writing, whether here or generally. This is in the interest of transparency, given that people are supporting my work with small donations. They deserve to know what they are getting.

Women, Life, Freedom

The brave women of Iran will shine forever as beacons of hope and a source of inspiration to those across the world who struggle for justice, equality, and liberty. This is the final scene. This is do-or-die. Nothing less than a subversion of this regime and recapture of Iran will stop these warriors.

White Plight Whitewashed by GOP

The whites who recognize their plight are understandably frustrated since they have no real outlet wherein they can effect a difference, and therefore they remain gripped by

their gripes. The largely dull, deceived and dumbed down general mass of whites, bereft of racial consciousness will grasp at any straw that seems to address their unease within their dismaying situation.

Is The Fix In For Vice President Hillary Clinton?

At any rate, the media has been full of “go away Joe” stories now for months. That’s no accident, redolent of the Cold War days when, if one wanted an idea of what was happening behind the scenes in Moscow, one read Pravda. Those falling out of favor would usually first be scolded in that paper or on Vremya, the Soviet TV news station.

When Will ‘Woke’ Come Crashing Down?

There’s always some tyrant, some cabal, who wants to rule the world: it’s a dynamic of history. Some get farther than others, but none has ever reached the finish line. Every form of crime and cruelty has been enlisted for that purpose. It’s no different now. The technology changes, new crimes are invented, but the dynamic is the same.

Anti-American Media Terrorists: Reid, Lemon, Sheila Jackson Lee, Whoopi Goldberg, Al Sharpton, Maxine Waters

As you enter 2023 with your hopes held high for a good year for you and your family, you can't help but wonder how we're going to survive the continuous attacks on the "character" of the United States by what might be termed, "media terrorists."

Dear Dr. Trump – NOW is Your Moment

THEN, immediately call for a real House investigation into who is responsible for the mass "vaccine" genocide that has taken place for more than three years now, from Klaus Schwab and Bill Gates to Dr. Fauci, the NIH, CDC, WHO and UN, and thousands of WEF Partners, including every big pharma company involved in making billions via mass murder.

How Important is Freedom of Speech?

You may think the forceful suppression of hate speech is necessary for the public. I beg to differ, and I believe history shows me to be correct. Have you thought about what would happen should your views be deemed “hate speech”? To paraphrase Jesus in the Gospel of Matthew, “He who lives by tyranny shall die by oppression.”

Comprehensive List of Companies that Use Senomyx (Aborted babies) in Food and Drink Products

In starting this article off, the first thing that the American people need to understand is that for every injustice that is not lawfully dealt with, it will stand as the new normal, and it will fall to ourselves and to our posterity because it further adds strength to tyranny by leaving off justice (Jeremiah 9:24).

Refuse to Comply With Unconstitutional Laws

I have never advocated the use of force to overthrow a government, even this one, which is neither legitimate nor Constitutional. I have nothing but contempt for most Legislators and “officials”, as they have sold out The People and destroyed our Republic.

Support the Iranian Protesters to Dislodge the Mullahs

The ruthless mullahs of Iran are plenty evil without the bomb. With the bomb, the end is truly at hand. Some influential pundits pontificate that we can live with nuclear Islamists in Iran if it comes to that. They argue that the Islamists would never use the bomb.

Who Planted the Biden Documents?

The question of discovery, or timing, is more important than who planted them, since they were discovered as Biden was about to launch a 2024 election bid and was already the

subject of a “progressive” push to step down from the race. This is just too coincidental.

GOP Bill Abolish IRS /End Income Tax – Another Trap

They all lied about the safety of those experimental injections and among the biggest liars are Twitter, Google and Fakebook, er, Facebook by censoring the truth and unleashing their phony “fact checkers.” The deaths and life-long injuries will continue at a rapid pace. Those who choose to call it conspiracy are the ones who’ve taken the injections and are scared to death about what’s really going on inside their body.

Importing Barbarians Into America: Animal Sacrifices In Hamtramckistan, Michiganistan

As a first world country in the 21st century, how much further can we degrade our society back to the 6th century? How can we allow “animal sacrifices”? How can we tolerate Halal suffering of animals? How can we tolerate female genital mutilation? How can we accept honor killings...

2022 Year in Review

There were a great many more very important things that happened in 2022, but space doesn't allow to remind you of them all here. Suffice to say, America and the World is on a "woke," downward spiral toward a totalitarian One World Government Beast System. There is no political solution.

Controlling Forces Determined To Rule America, Part 1

Our soldiers in Viet Nam died from exposure to this product, my brother included. Yet the FDA seems to ignore all the testing that proves that it is a very dangerous carcinogen. Notice that exposure to this chemical 'appear to correlate with shortened pregnancies and below-average birth weights. When the UN and the WHO want to...

Where Will You Spend Eternity?

None of us can guarantee our next breath, never mind whether we will make it to the end of the day. We should keep in mind

the frailties of life and how they can change suddenly without warning and consider what we do in the light of eternity. Where you spend eternity is answered by whether you believe on the Lord Jesus Christ (John 3:16) or not.

RINO: What Does It Mean?

Did the GOP candidates all campaign on more massive spending and expanding the size and scope of the federal government? Did they campaign on promising to concentrate even more power in Washington and in fewer hands?

ESG = Environment, Social, Governance, NO Entering Slavery Gladly

For over 100 years, the PE have been working on every front to destroy those values, to brainwash us into believe we are greedy and evil to hold to those values, and to instill in us values they would never put up with themselves but are determined to force on us – if we don't willingly accede to them. I do not exaggerate.

The Emergence of the New World Order (NW0)

Total domination of the world may sound like an impossible feat but it's plain to see that it is well on its way to fulfillment. The bulk of all the money and property in the world is passing into the hands of a small band of super rich billionaires and trillionaires and Mega Corporations that now mastermind the fate of the people.

Biden is Toast: The Lies of Obama-Biden

Everybody knows that Biden, like Santos, had a tendency to exaggerate or embellish but Biden's career flourished since those incidents. It's because he served the interests of the elites devoted to what Biden in a Wall Street Journal called the "New World Order."

Yielding to Your Time of Preparation

Today operating in America is the influence of the threefold cord of demonic occult of Babylon – financial Babylon, political Babylon, and religious Babylon. America has been

moved from a Republic to an oligarchy. That means a small number of people rule or command the power structure within our nation.

Are We ‘Terrorists’?

Democrats do the darnedest things with words. You think you know what a word means, because you’ve used it all your life; but then they use it, and its meaning either changes drastically or simply disappears, leaving the word with no meaning at all.

Depraved Indifference

Permit me to put it in regular language. It used to be a CRIME to look the other way when potential harm was inflicted upon an innocent victim. If a person was aware of the crime, AND DID NOTHING ABOUT IT, the witness was just as guilty as the person who actually performed the criminal act. Looking the other way...not getting involved...ignoring the danger to others was a crime.

The Exponential Growth Factor: What It Means To Your Future in America

The United Nations stated that India expects to become the most populated country in the world this year, 2023. In other words, India will exceed China's 1.45 billion people on India's way to 1.55 billion within three decades. Which, as you can imagine, equates to a "blink in time."

A Republican Church Committee?

I attempted to put the pieces of the puzzle together in two books, Comrade Obama Unmasked, and Red Star Rising. They tell the story of how Obama came to power and was protected in office by Deep State or communist operatives in the U.S. intelligence community who were then enlisted in a campaign against President Donald J. Trump.

Will Lenin's "Useful Idiots" Be Ignorant Forever?

You can't say that people living in Democratic Inner-City "Plantations" are stupid, but they certainly are ignorant of

the facts. One must pity the people that are so thoroughly brainwashed by schools and media to love the Democrats who enslaved them, and continue to put them down while blaming others.

Americans Slowly Waking-Up: Half Believe Covid-19 “Vaccines” Are To Blame For Unexplained Deaths

The latest Rasmussen Reports national telephone and online survey finds that (49%) of American Adults believe it is likely that side effects of COVID-19 vaccines have caused a significant number of unexplained deaths, including 28% who think it's Very Likely.

The Intelligence Revenue Service

There are few things more universally feared and hatred than the IRS. When I'm asked about unconstitutional government agencies and point out that the IRS does exercise a power delegated to the United States, most people are gravely disappointed. Of course, while the IRS may legally exist, that does not mean that everything they do is constitutional.

What's the Point of the GOP?

GOP voters are seeing their legislative and policy wants and needs totally rejected. In the mid-1800's there were two political parties. They were the Democrat and Whig parties. Whig voters were disgusted with slavery and wanted it abolished. However, the Whig leadership opposed abolition.

Kevin McCarthy: New Benedict Arnold Speaker of U.S. House

The McCarthy Speaker of the House show down is over and once again we have a lying globalist puppet who will continue betraying America. The voters in his district are either willfully blind or stupid to reelect McCarthy but they did this past November after winning his primary last June.

The Right and Duty of The People?

For the past two years, global Marxists in control of the federal government and national news media have worked around the clock to redefine the term "insurrection" in order to

label the J6 Trump rallygoers in a manner which paints all Trump supporters or conservatives' "insurrectionists," with a clear purpose.

A Pretend President Pretending To Protect America's Borders

If you had visited America's southern border in the past 24 months, you would have discovered yourself facing 6.6 million illegal refugee border jumpers. That's more than many of our states' populations. You would have witnessed millions of fentanyl pills, heroin, meth, ecstasy and other deadly drugs pouring over the borders.

Fight To Save America, Part 2

America cannot lock arms with the world and remain a sovereign and free nation. Democrats are pushing us towards the one world government ignoring the fact that our Constitution does not allow for foreign powers to govern us. But then Democrats usually ignore the Constitution anyway.

Wake Up, Strengthen the Things That Remain

So stop wasting time. Occupy until He returns. Refuse to accept any falsehood, any lie, and call out the lies and wickedness – stop ignoring it for fear of being called names. For goodness' sake, how weak is your faith? How wimpy are you? Stand up for God's Word and truth. Do your job, Christian, or else stop calling yourself one, because that's just using the Lord's name in vain.

The Sad State of Conservative Journalism

Putin was raised a communist and became a spy for the communist regime in Moscow. He never disavowed communism and in fact lamented the demise of the old USSR. His modern mission is to reassemble it, making him a junior partner of Red Chinese dictator Xi.

What's the Point of the GOP?

It begins with our expectations. When we cast a vote for a representative of some office, we vote with an expectation that the person, if elected, will follow through with what they told us they would do if elected. However, as often as

not, we've been disappointed in that regard.

American Renaissance “AmRen” Conference (November 18-20, 2022)

AmRen conferences have become the most important mainstay of discussions on American white interests and survival, sometimes intentionally misinterpreted as white nationalism and/or white supremacy. Begun in 1994, and initially held biannually, they are now annual events that attract about 250 to 300 people, many of whom are repeat attendees.

The DC District Of Corruption

McCarthy wants the Speakership again. He claims he is owed it, but a few conservatives are refusing the neo-con Trotskyite continuum. The Congressman threatens endless war against conservatives over speakership failure. Now the folks who are holding back voting for him, have made McCarthy put in writing his verbal promises.

Cancel Culture Cures

While many tried to wake people up over the past 75 or so years, the power elite and Deep State had, from early on, been able to control the narrative by using the media to spread lies as truth and truth as evil, and having the governing bodies quash any exposure of unconstitutional behavior in Congress or the Executive.

There is No Hope for Lazy, Cowardly People

It's simple. If the usurped government can't get citizen compliance with unconstitutional orders, they can't govern. This is your responsibility! Act now and suffer in the short run, or do nothing and suffer forever.

Today's Special Offer Will Not Last

Once upon a time, we caught a favorite program or two just to be entertained. They were family oriented, funny and harmless, or educational, adventuresome or enriching. If a cowboy show had too much violence, Mom or Dad or Grandma would just turn to another channel or turn it off and grab a book to read.

Land of the Sheep, Home of the Defeated

Unlike the Americans of 1776, who voluntarily pledged to each other their Lives, Fortunes, and sacred Honor for the cause of freedom and liberty, today's Americans are of the go-along to get-along sort.

Some Snippets of Nooze

That \$1.7 trillion deluxe fun-pack includes a provision to equip all new cars with a “kill switch” so that unspecified “authorities” can remotely shut off your car whenever they feel the urge for it. This is supposed to happen sometime within the next five years.

Educational Equity, Racist Mathematics, Lowest Common Denominator

The farther a society goes down the “dumb” rabbit hole, the sooner it ends up in chaos, mayhem and breakdown. You can see examples all over the world in places like India, Mexico,

Africa, and South America. Nothing works because most of their citizens lack educational excellence to repair electrical outlets in buildings.

Federal Wolves – State Rights, an Update

Idaho's wolf emergency is a state issue. And in this situation, the state of Idaho has both a duty and the authority to protect its people and their property. House Bill 343 lays out the facts, the argument and the authority to do so. And the governor can devise a process, outlined in an executive order, that is dignified and methodical in confronting this emergency.

Happening Now: History Of Man – You Can Only Oppress Him For So Long

Apparently, the bad guys are now getting caught up on the history lessons that they have failed to learn from the past (Isaiah 26:9).

Put Events Into Context

In terms of Great Reset, Schwab himself said that the government shutdowns in response to the virus aided the Reset in ways they hadn't imagined, by killing off so many small businesses. What about all the deaths? What about the phony "cures" with the government bureaus denying the effective low-cost cures while mandating the deadly, kidney-destroying Remdesivir/respirator regimen?

President or King?

There are many today that claim that the President is the most powerful man in the world and has vast powers, but legally that is not true. We declared independence from a man with just such powers. That is why we not only delegated to the United States a limited and enumerated list of powers, but why we delegated most of those powers to Congress, not the President.

Pope Benedict's World Government Disaster

If they love their country, Catholics in particular need to understand the message of "Our Lady of Fatma" has relevance today, as America faces a coordinated Russian-Chinese axis of military power that spreads suffering on a global basis and is

preparing to deliver a death blow that is described in the Bible as Armageddon.

Deceived, Divided, Distracted, Demoralized & Defeated

The only difference between winners and losers is, winners believe they can win, and the odds are not even part of the equation! So, they take ACTION. Losers never take action simply because they don't believe they can win, so they don't.

The Brunson Brothers' Longshot

We the People have been wronged and there must be some redress of our grievances, which is what the Brunson brothers—and I suspect the majority of sane Americans—long for, and what patriots must stand for. And no matter when and how it comes about, I for one will hail it as Divine Intervention!

2023: Abolish the Standing “Requirement” in Federal Courts

Americans, well those of us paying attention to the rot and tyranny in Washington, DC and our federal judicial system, hear a case is thrown out because some federal judge decides the plaintiff(s) do not have “standing” to bring the case. I see it as an escape for gutless judges who are either too afraid of a particular case or are in the closet partisan puppets.

Charles Manson Was Right In His Madness: Helter Skelter In America

If you look across America in 2020, 2021, 2022 and heading into 2023, you’re watching Charles Manson’s Helter Skelter mayhem playing out in big cities across the land. Mass shootings, school shootings, individual mass murders like the one in Moscow, Idaho...

Big Lies Are Defeated by the Truth

“Enter through the narrow gate; for the gate is wide and the way is broad that leads to destruction, and there are many who enter through it. For the gate is small and the way is narrow that leads to life, and there are few who find it.”

Fight To Save America, Part 1

We must wake up to what the elites are attempting to do. If they succeed, America loses. That is why they were so desperate to remove Trump and keep him out. As long as the church is still here, we will prevail but we have to stand against their efforts. We have to stay informed to stay free. And stay free we must.

Not As Smart As We Think We Are

I have no doubt that God's Word gives us all the information we need to know, and nothing is hidden from us that we, as Christ followers, must understand. But the Bible is also filled with information that is not YET for us all to understand. This is especially true when it comes to Bible prophecy.
