For millions of Americans, he's our kind of conqueror, our "man in the arena" who fights for We the People against They the Globalists. The boldest, bravest, most remarkably heroic President of our lifetime: Donald J. Trump, our fearless Commander in Chief! We can breathe a collective sigh of relief: sanity is about to return to America.

## **What I'm About, Where I'm Going ... 2025 Edition**

Nor have I decided quite how I will present it to the world – or even if I'm the right person to do it and ought instead to hand off my idea to someone more extroverted and talented at marketing than I am. I'm not exactly sitting on the millions of dollars that would be very useful in getting the word out about such an endeavor.

## **America's Turncoat Courts**

Corruption in our courts by unwise and careless judges and lawyers has overtaken our lawful constitutional system. The system has been hijacked and morphed into something sinister. These treasonous 'insiders' are ignoring our foundational

principles, rules, laws, due process, and unalienable rights. American Citizens are shown bias and contempt by elected officials if they try defend their rights.

## **Will Soros State DA's Now Attack Freed J6'ers?!?**

It is up to US to save our nation. WE must be aware; enemies are still everywhere. The judiciary is our weakest link to real freedom, thanks to decades of Soros-funded DA's and judges infesting the nation.

## **The Laws of Nature and Nature's God**

If you think your Rights come from the Bill of Rights, you're still wrong. That document is a list of subjects which the Federal government is strictly prohibited from ever touching. Again, the document provided you with no Rights. The document only prohibits government from having any right or authority over those matters, because those matters involve your "Natural Rights" as a free people.

## **RFK Jr., Science, and the Golden Age**

The Associated Press is still a major source of lies and disinformation, with a recent front-page scare story referring to RFK Jr., Trump's nominee for Secretary of Health and Human Services (HHS) as an "anti-vaccine activist." The article falsely called RFK Jr. "one of the most prominent anti-vaccine activists in the world."

## **Stolen Valor, Tarnishing The Sacrifice**

Then I found myself, in the natural (1 Corinthians 2:14), looking to America's veterans, which are those who have fought, bled, and died in sacrificing themselves for the

freedoms we all enjoy today (1 John 15:13). In the process, I found the parallel between our genuine (war-torn) veterans and those that falsely claim to be veterans who are guilty of “stolen valor.”

Former Representative Tulsi Gabbard (D-HI), nominated for Director of National Intelligence (DNI), has a history with this country’s most influential Marxist group, the Democratic Socialists of America (DSA). She began moving to the left long ago and in 2017 and was a paid-up member of the openly socialist Bernie Sanders Congressional Progressive Caucus. Here is their list of members.

## **Librarians vs The People’s Representatives**

More disturbing is the fact that a District Court judge either cannot read plain English or doesn’t care about their oath of office. Which brings me to the next question: If the court got the question of standing so badly wrong, is the State of Arkansas required to abide by the order? Sure, Arkansas can appeal the judges decision to the Circuit Court, and that

might be the safer answer, but is it the most just answer?

## **The Dawn of a New Golden Age Under President Trump**

As President Donald Trump steps into his second term, he calls for a renaissance in America and proclaims the beginning of a “Golden Age.” This bold vision marks a significant shift in the nation’s political and economic landscape, promising revitalization, prosperity, and renewed national pride.

## **Errors in Trump “Birthright” Order**

Chief executives seldom have the time or opportunity to write or even read every policy document they sign, instead, relying upon alleged “experts” to take care of the details in a manner consistent with the stated goals of the executive, especially when involving legal documents establishing the legal foundations for the action.

# Secretary Rubio

First – and a BIG ISSUE for me, – last year, Marco Rubio voted in favor of the Police State legislation, the FISA 702 renewal, which permitted the FBI to attack private citizens in their homes for federally imagined offenses. That bill was then carried forward by the renewal of a Dept. of Defense (DOD) directive, 5240.01, which expands the use of lethal force against US citizens

## The Balderdash Charade In American Politics: The Biden Factor

For the past four years, January 20, 2021 to January 20, 2025, the American people have been lied to, cheated out of their taxpayer dollars, swindled out of their citizenship and roundly besieged with lies from Joe Biden, Jill Biden, Chuck Schumer, Nancy Pelosi, Maxine Waters, Ilhan Omar, Rashida Talaib, AOC, Mayorkas, Austen, NBC, CBS, ABC, NPR and just about every liberal-leaning newspaper in the country.

## “Anchor babies” and Ignorant

# Judges, Part 3

It wasn't just the ACLU, political whores, "non-profit" agenda driven organizations and "churches". The biggest profiteers have been NGO's (Non-Governmental Organizations). Like the rest of the above, they're part of the mob who deliberately ignore federal LAW to aid, abet and harbor ILLEGAL aliens for big money.

## A Time for Truth – War Footing

The corporate Body of Christ in America is still refusing to face reality and take responsibility for our actions. This is the message I am getting from God every day concerning the Body of Christ in America. We need to face our spiritual reality. Evil is overcoming our nation on our watch with church goes on every corner. What God is looking for is some responsible Christians.

## Either You're Serious, Or You're Not

Even more heartbreaking for these parents is when their children don't even allow them to see or have a relationship with their precious grandchildren. Perhaps you can't relate to

## **More News You Missed, Musings, Uncommon Commentary and More**

Within the government documents that relate to these supposed enemies of the state, members of the military and the police are specifically warned not to have anything to do with the castigated groups. # **Idaho's Legislature**

To oppose this pay raise, in my opinion, shows a blindness to the greater problem, which is the dominance of the Administrative State. How do legislators push back against a dominate Administrative State with so little fuel in the fuel tank; with no ammo in the ammo box; and with worn out troops who scramble everyday to do a full-time job on part-time pay? Idaho legislators need more resources to fulfill their constitutional responsibilities.

# **America Needs to Reestablish Its World-Leading Manifestation of Nuclear Generated Electricity**

Now, America seems to be fading into the wallpaper of greed and propaganda. It slinks to massive subsidies to support ancient power generated from breezes and sunshine, like wind and solar. America needs to reestablish its world-leading manifestation of this technology through our secret weapon called free enterprise.

---

# **Leftist Narratives Have Collapsed!**

Left wing Democrats – in government, in “legacy” media, in corporations – did everything in their power to try to stop Trump’s return to the Oval Office! They pursued four criminal cases and a civil case against him. They defamed him. They tried to invoke the Insurrection Clause in the Sixteenth Amendment to keep him off state ballots. They threw an enormous sum of money into his opponent’s war chest.

## **The 14th Amendment vs. Real Birthrights**

Regardless of any other priorities or personal pet agendas today, if we, Trump, fails to correct everything exposed in this piece, no one will be able to save the Constitutional Republic from total collapse via British Common Law undermining even our most basic foundational Rights, no one!

## **Biden's FAKE Pardons**

Yet another attempt by leaders of today's undemocratic party to con the American people with a "fake" action for mere publicity, that enjoys no force of law whatsoever. Legally and constitutionally speaking, there is no such thing as a "preemptive pardon."

## **What You Didn't Know About Biden's Engineered Invasion of America**

If the American people knew what Joe Biden did to this country with his engineered invasion of America, every citizen, whether liberal, independent or conservative, would be screaming for his head on a platter. In four years, the enormous damage he did to all 50 states, and to all 340

million American citizens, will go down in the history books as the biggest betrayal of public trust, EVER!

## **The Deep State Still has Trump in the Crosshairs**

To a user of X who asked, “Why [do] they want to kill Donald Trump?” Elon Musk had responded, “And no one is even trying to assassinate Biden/Kamala.” It’s much more sinister than Musk indicated. The issue is whether elements of the Biden/Harris administration were somehow involved in trying to kill Trump and whether they have been covering up the details of their failed attempts.

## **If Christ Is Your King, Why Are You Allowing The Wicked To Rule?**

The wicked advocate sodomy, homosexual ‘marriage’ (Never in the history of mankind has there been any such thing!), and now, they have even devised what they call ‘transgenderism’. All this your Lord calls an abomination. Again, the God that you claim to be submitted to condemns this. So, why is it happening?

# **Life Is Precious in All Stages**

Through the proclamation of the gospel message, those who take hold and embrace it will come to value human life as God does and seek to protect it in all its stages. As more people believe in Jesus Christ, the giver of eternal life to all who trust in Him, the church will fulfill its role of being salt and light in the world (Matthew 5:13-16), and society will turn around from its path to destruction.

# **Rats Are Running From Looming Traps**

In the waning days of the horror that was the 2020 Coup, it's quite possible that the death of Edgar Welch was the most recent sign that they are desperately trying to cover their filthy tracks. With the inauguration of an administration through which many turds will be dug up, it is quite possible that this young man's death at the hands of the "law" was more last-minute clean-up by the Luciferian Left.

---

# The Financial Rise and Moral Decline of Fox News

While I am hopeful that MAGA can play a role in turning America around morally, I am doubtful because of President Trump's decision to back away from his culturally conservative positions on issues like abortion that he proclaimed in 2016. He once believed in the right to life from conception to death. Now he says it's a state's rights issue.

---

## "I Am Sorry"

A few nights ago, Joe Biden gave his farewell speech to the nation. In it, he whined about America being taken over by rich oligarchs. He blamed "red states" for making mistakes with their economies. He gave a litany of his accomplishments from his teleprompter. His ashen face, his frail body and his dementia-plagued mind did not shine through to the dozen or so Americans watching the broadcast.

## Once Again, Having No Faith in the Smartest Guy in the Room

## **A Constitutional Representative Republic**

Sadly, there are whole generations in the USA who have zero connection to the foundations of freedom, liberty, and justice for all. Thanks to anti-American federal control over education in the USA, especially the college campuses, resulting in generational mass indoctrination instead of education, America is nearing a point in history when society itself will destroy those foundations for all posterity, by “democratic” process.

---

## **Living Between Two Opinions**

The American Culture Church is being challenged in the same way the Prophet Elijah confronted the nation of Israel, “How long will you halt between two opinions?” Will we continue to support and live out these modern-day church structures and practices driven by the traditions of men or will we finally submit to the simple Ekklesia pattern Christ has given to His followers? Jesus said, “I will build my Ekklesia.”

---

# No King But King Jesus

As I write this, Donald Trump is set to take office in less than a week. That's one job I definitely wouldn't want. Never, in the history of our nation, have we seen so much disaster, on so many levels and in every sector of society. I can't think of any incoming president in history that ever faced what Trump is facing going into this.

---

## Medical Censorship

I also think, since the power to regulate medical care is not delegated to the United States, any department or agency thereof should be prohibited from influencing their standard by criminal statute. It is not enough to simply say a department or agency cannot influence board standards, but there must be punishment for those who do.

## Trump's Solution to Border Problems?

Just thought I'd toss this out for thought. Whatever happens with this issue, I am SO glad we have elected a businessman who loves the Constitution instead of a dirty politician who

## **Globalists Never Go Away, They Just Go Underground**

America is getting a second chance. We still must understand no matter how much exposure communists get, they will never go away unless...We recognize it is up to We the People to take back our power. Donald Trump made a lot of campaign promises but he can't fix America on his own. It will take all of us to expose the corruption that the communist DNC will deny at all costs.

---

## **President Trump Must Keep a Clear Vision as the Globalists Use Subversive Tactics**

President Trump begins his new administration with promises of significant changes. His supporters are supercharged by his massive election victory that called for decisive action to cut the size and cost of government, eliminate corruption, and reduce the power of federal agencies. Above all, Trump's supporters believe we are on a course to restore the Republic of our Founders.

## **In Both California and Florida, Citizens Lose Rights At The Hand of State Government**

This law was already on the books when the fires hit. It was passed in 2024. Then, the fires took care of much of the rest. Those victims of their own government may find that developers are constructing multi-family residences where once there were beautiful homes . This may or may not be found to be unconstitutional but the bill seems to have become law nonetheless.

---

# **The Utter Malarkey, Balderdash, Nonsense and Stupidities from the Swamp in D.C.**

Is it possible that “common sense” could return to America? Answer: it’s doubtful. Heck, over 50 percent of our youth cannot name the first president of our country. Most never heard of Ben Franklin, Thomas Jefferson and/or Abigail Adams or Eleanor Roosevelt. Why do you think? George Patton said it, “Politicians are the lowest form of life on earth.”

## **Congressional Communists Take Center Stage**

# **Those Who Refused To Take Heed To The Warnings Are Now Somehow The Victims?**

I have to say that I am not trying to be insensitive, but how is it that this information was overlooked by these people? Or were they deceived into thinking that what they were doing was best?

---

## **What's Wrong with the Crucial Communism Teaching Act**

Again, I whole heartedly support the inclusion of civics in our educational systems. I simply wish Congress would educate itself about its legal powers beforehand. How can members of Congress claim to pull the spec out of the eye of our education system while a gigantic beam is wedged in theirs?

## **California Government's Role In The Destruction Is**

# Becoming Clear

Whether this would make you cheer or cry, is up to your own experiences with that beautiful state and its people. All I can really say is that theirs is a truly heartbreaking story about why is imperative that we stay involved in every step of our governance -from that in our Statehouses to our own back yards. If we don't demand a seat at the table, we're really not in the game, except to be used.

## **“Anchor babies” are NOT Automatically U.S. Citizens – Part 2**

In a recent podcast, a man I highly respect, Victor Davis Hanson, said, “D.E.I., Woke, and the Green New Deal are like a social hydrogen bomb hitting America. These new terms being practiced are de-civilizing California into a third world country. If other states follow California, they will end up in the same boat.”

## Understanding Sexuality: Prince Charming

Occasionally, a woman comes along who seems to have been left out of Eve’s secret, who is relatively guileless, and yet manages to attract a man by the sheer beauty of her body. Starry-eyed and romantic, she sees her own ego need as a large white canvas on which her man will paint a stunningly beautiful picture, warm and rich in exquisite detail.

## The Ultimate Pardon

Injustice has always been a part of life in this world, ever since the fall of man in the Garden, but in this nation, never so blatant and wicked as the injustice we’ve lived through these past four years. But God has seen it all, and He is not pleased. Those who have done evil in our land and have not repented will face His wrath – if not in this life, then

surely in the next. Have no doubt.

A nation can't get much worse off when their pastors and Christians sat idly by and refuse to resist the evil invading their land when God has given them the victory of the cross, the Name of Jesus, the authority of Jesus, the Word of God, the power of God, and the mighty weapons of God.

Such a committee wouldn't have to start from scratch. The report, "Un-American Activities in California," was published in 1970 by a California Senate Fact-finding Subcommittee and devotes almost 300 pages to analyzing the growth of communism and other Marxist groups in the state and how they organized protests on campuses and then manipulated the electoral process to achieve power.

## The Sickness That Infects CNN

I have a soft spot in my heart for CNN. When Pat Buchanan was in the Reagan White House serving as communications director, I filled in for him numerous times on the CNN “Crossfire” show, presenting the conservative opinion in response to the liberal opinion offered by figures like Tom Braden or Michael Kinsley. That balanced program went down the drain and CNN became an organ of the Democratic Party.

How do you help people who refuse to help themselves?

## **From Hostility to Reconciliation**

Anyone who trusts in Jesus alone (not Jesus plus something or someone else) receives as a gift from God forgiveness in place of condemnation, peace in place of hostility, and reconciliation in place of separation. Here is a simple, true historical fact to all who desire truth. America’s true founders first gathered on her shores in 1620. They were called Pilgrims and Puritans. They too were escaping from a king and “religious” system that hated them. They all were set up much as ancient Israel. They never formed legislators to pass man’s laws to harass and control the people.

What we can be sure of: human nature will be the same this year as it was last year. People will still try to get as much as they can, with the least possible effort. Such people might actually develop free minds.

## **Either You Own Property, or You Are Property**

That was done in 1969. Most people today think that we, who have been telling them about the global “elite” plan, have

## **Resolve to Know the Truth**

The New Year is upon us. Many have made resolutions that they will fail at and toss aside in about 10 minutes from now. I made a resolution too, but I doubt I will fail at it. I'm going to think differently and not succumb to the world's ignorant, destructive, perverse ways.
