

The World Economic Forum and the Great Reset, Part 1

The World Economic Forum (WEF) has taken on the role of overseer of the whole world believing that they need to be the ones who decide what you do when you do it, and how you do it if they even think you should be allowed to do it. They also believe that because of their high intelligence and wisdom they will be able to avoid world disasters and even pandemics.

Jesus Provides Certainty in an Uncertain World

The apostle John wrote this so that we may know in our hearts and minds that eternal life is ours now since we have accepted Jesus Christ by faith. Such an assurance supplies the basis for joyful prayer and fellowship with one another and provides us with the knowledge that God loves us – a knowledge that tells us we do not have to work so that God can save us.

Some Call it The Highway to Hell

But it's not just the young people and there was much more news this summer than I could mention here. Our country is

being destroyed from the inside out, and this is all an insidious, purposeful plan. The “self destruct” button has been pressed and cannot be undone... not without a true spiritual revival of every man, woman and child.

We Have Missed God!

Too many in America who claim Jesus is their Light are in darkness. Darkness is not stupidity but refers to one who is ignorance of a thing, has been lied to and believe the lie, has been taught the wrong thing, we ignore a thing such as the affairs of a nation, or those who assume they are right when, in fact, they are wrong.

Culture of Debt: How Marx and Keynes Made Us Numb & Dumb

The “culture of debt” we find ourselves in could be considered a spin-off from Economic Marxism. As we explain in a movie entitled CULTURAL MARXISM, a splinter group known as the Frankfurt School, engineered a methodology of advancing Marxist principles using Culture. By this means, Cultural Marxism has been advancing through Academia, the Mainstream Media, Corporate America and now Social Media...

Biden's Greater Depression

Every REAL American must have a single common goal at this point, to immediately regain control of our rogue government, local, state, and federal. Numerous things must be done to accomplish this goal. But every minute and penny spent on anything else at this point, is a total waste of precious time and resources.

It is Not Taiwan

Nevertheless, this is a very terrifying projection indeed. What would the Chinese do once they have gained total control of Taiwan. Will they open Taiwan's borders to a veritable invasion of illegal aliens from Latin America? Will they began bringing activists to Taiwan's schools to indoctrinate kindergarten children on the wonderful life of transgenders?

Steve Bannon: Narrative Warrior

Reiterating: Bannon knows that Election 2020 was stolen, that claims of this being a "big lie" based on "conspiracy theories" are themselves baseless, that a narrative of attempting to "overturn the election" has been constructed around January 6, and that although the Establishment got back in power two weeks later, its hold on power is precarious.

Remaking God's Creation

Crayola Crayons decides to market their product, which is intended mostly for use by children, by hiring a "trans man" as its model. (No, I won't show the photo; we're already way too close to needing a barf bag.)

Fiddle, Faddle, Fuddle: Mistakes, Apologizes, Understanding

So, there you have it—a bit of my personal history. During my lifespan, I've done my best to be a good man, to be an honest man, to be a good citizen, husband and friend. I own my mistakes and I apologize for my mistakes. Thank you for your kindness. God bless and keep you and yours, Frosty Wooldridge, Golden, CO

What Part of Agenda 21 Didn't You Get?

It is time to get to work, to get the silent majority speaking out, building freedom pods, organizing their neighbors to be a

bulwark against the aggression that will soon be upon them. Our civilization can only survive if we stand up en masse and in time.

Inactions of Franklin Graham Is Why the Enemies of Righteousness are So Encouraged

For years now, I have observed the Grahams, both Billy and his son Franklin and Billy's grandson, I have to say that there is no doubt in my mind that they are controlled opposition.

Honest Opinion of Recent GOP Primaries

I want to add a couple of things since I wrote the column below. The Democrat/Communist Party USA will stop at nothing to cheat in these on-going primaries and in November. While Republicans are winning their primaries, so many are RINOs and will do the same as they've been doing to cure the cancers: NOTHING.

Are You Going to Wait Too Long?

When I was five years old, I was the only one of my siblings that had not started school, we lived on a farm in central Texas. I had pretty much the run of the farm, so one day I decided to see what would happen if I got an oil can that had been discarded after being emptied.

The Right Place at the Right Time

Just as Jesus came into the world at the right place at the right time to save sinners doomed to eternal separation from God, so He has placed us here at the right place at the right time to work out all our circumstances for our good, for our salvation, for the blessing of others with whom we travel on the road of life, and for His glory.

World Economic Forum,

Totalitarian Enslavement

The Great Reset is caused by government manipulation, with the guidance of the World Economic Forum (WEF), the United Nations, and other elites, Rockefeller and Ford Foundations, etc., who believe they have the right to steer nations and economies into a new “totalitarian world order.” All of this is being fueled by green energy policy lies.

America in 2022: Leaderless, Rudderless, Confused, Muddled

When you see that the President of the United States must use a cue card to tell him where to sit, stand, speak and shake hands—you might deduce that this country lacks a competent leader. When you see him reading a teleprompter and repeating at the end of a quote, and he reads it, “...end of quote”, you might figure out that he doesn’t know what he’s doing or what he’s saying.

Showdown at the EPA Corral

Did you ever imagine that a question about air pollution could end up changing the way governments work? That may be exactly what happened with the Supreme Court’s opinion in *West Virginia v. Environmental Protection Agency*. What started as a question of whether or not the EPA’s plan to reduce carbon-

dioxide emissions from the electric grid...

Prosecute COVID Injections Conspirators Now – Number of Dead Staggering

As far back as December 2019, some of the finest scientific minds on this planet warned people NOT to take those mRNA experimental injections. If you don't die within the first week, millions will have severe reactions. Anywhere from four to eighteen months (could be as long as 3-5 years) those experimental injections will have been working on destroying your natural immune system.

Are Electric Vehicles The Saving Grace

The short answer is no. Not by a long shot. In a previous article, I covered the good and the bad of electric cars. The good thing is they don't use gas. That's where it stops. Liberals want electric cars because the internal combustion cars produce all this CO₂ that's baking the planet. Not true.

The Summer of Rage

In this world we will have tribulation. But take heart. Jesus Christ, our Lord, has overcome the world. For now, we remain in a spiritual battle against the forces of darkness as we endure a “Summer of Rage.” Yes, the heathen are raging. But God’s about to unleash His rage as well. Undoubtedly this battle will cost many of us our lives.

Charlatan Pastor Runs for State Representative in Kansas

There’s a charlatan running for State Representative in Kansas. By profession and testimony he is a “Christian pastor” of a “Christian Church” in Topeka, Kansas. Allegedly they use the same Bible as the Christian faith, and profess to be “Christians”, adherents of the teachings of Christ. In practice they endorse same sex marriage and abortion.

Americans Have Only Two Choices

If you have any idea what the global Marxists are leading the world into, then you know, doing nothing isn’t even an option.

Countries all over the globe are collapsing due to citizen uprisings. Economies are collapsing, as are many national currencies. Our own is teetering on the brink...

Men of Courage, Men of Love

With God as our ally and deepest soul mate, we can have confidence that our divinity will grow, fueled by our desire to give more and love more. As Emerson wrote, we can become “redeemers and benefactors.” We can become purveyors of joy and manifest the prayer, “The God in me greets the God in you.” The women in our lives will be overjoyed to watch us flower.

The Specter of White Genocide, Part 1

We know police departments, intelligence agencies, and the military have been severely compromised with an anti-white mindset, at least at the upper levels. The process started during the Obama Administration, accelerated while Trump was in office, and is being finalized under the Biden regime.

What is Happening To Us in America?

The America we grew up in the 40s, 50s, 60s, and 70s is gone. The only way we will get it back is a sovereign move of God and a Great Awakening among the people in America!!! Our Founding Fathers gave us a Republic where WE THE PEOPLE determine what kind of government we will have and warned us we cannot maintain a Republic without a moral and righteous people.

How Bad Will Election Fraud Be in 2022?

And of course, there is nothing new about global nation-wreckers like Nazi George Soros spending billions to manipulate elections from the top of the ballot to the bottom, coast to coast.

Crazier and Crazier

This is the work of “gender activists” calling themselves The Trans Doe Task Force. Every pack of nincompoops has to have a task force or the other ninnies won’t take them seriously.

Bloody Hill

Divide and conquer is the oldest trick in the book. They shut down the churches. They told you to stay at home. They destroyed small businesses while Big Box stores thrived. You took the jab. You gave it to your children. Now they are sick. Many are dying. Most are damaged. It is only the beginning.

What's This Non-American Demographic Going To Look Like In 30 Years?

Most Americans go about their daily lives by eating breakfast, going to work for eight to 10 hours per day, and driving home to dinner with their families. Most Americans don't really know what's going on in Washington DC, because the mainstream media hides pertinent information that affects us now, and into the future.

Marxist Instructions: Never

Talk About Politics & Religion, Don't Trust Your Parents and be the Silent Majority

To understand what's going on today we really have to go back and look at the 60s-70s. Most Americans pushing abortion are Boomers from that era. The boomers, myself included were the hippies, the flower children, the rock n rollers, anti-G-d, Anti-family and Anti-America.

Gun Owners, Are You Tired of Being Accused of Crimes of the Guilty?

If only the American people would take the time and see through the obvious when it comes to what it is that these politicians leave undone, enforcement of the law, in deterring the crimes rather than accusing and attempting to disarm the innocent (Proverbs 17:15).

The Global Food System and Totalitarian Control

As a youngster, my church and my family educated me as to what was coming in the future, Biblically and politically. I knew about communism, but back then I didn't know it had been around since the early 19th century. President Kennedy was shot and killed when I was a junior in high school. Then came the murders of...

Is the Biden Regime Going to War—Against the Veterans?

President Joseph Biden began his first days as Commander-in-Chief of America's armed forces by a disastrous surrender to the Taliban and a disgraceful withdrawal from Afghanistan. Now, the question must be raised: Is Commander-in-Chief Joseph Biden, who never served a day in defense of America, going to war—against Veterans serving now, and Veterans who have served?

Raping US Taxpayers to Fund Corrupt Ukraine

The American people, touched by the savagery of war between

Russia and Ukraine, Putin vs. Zelinsky, opened their hearts and wallets. But what do they really know about why Putin – who believe me – is a ruthless, authoritarian (it's his way or the cemetery) moved against Ukraine?

NYSRPA v. Bruen

What will the officials in these six states and the District of Columbia do? Will they recognize their mistake, that placing discretionary requirements on the exercise of a constitutionally protect right is both arbitrary and capricious? Will they learn from this opinion and begin to correct their infringements on the rights of the people they purport to serve?

We've Lost Our Moral Footing: Hang Them All In The Public Square

With my last column titled, "America's Ethicality, Morality and Decency Quotient Spiraling Into The Toilet" July 14, 2022, your responses dropped in like paratroopers landing in France during WWII. Many of you expressed your fury as to what's happening to our country. Others felt saddened.

‘Toxic Masculinity’ – The Lie

The Leftists have been incredibly successful over the past few years in pushing their crazy ideas. What was once UNTHINKABLE in America has now become the “norm.” Good has become “bad,” and BAD has become “good.” While most of these ideas are only accepted now by a small, but VOCAL minority, if things do not change, it won’t be long before this nonsense is embraced by an overwhelming majority.

America’s Fight To Stay Free, Part 4

When our Founders established our nation they set it on a foundation of integrity and honesty. Our government today is far from what they gave us. We have what is called the Deep State which is nothing but a bunch of power-hungry and greedy elites that believe they have the right to control everything you do.

Mother of all Famines on the

Horizon as World Food Production Falters From the Green New Fraud

Outside of China, India and Russia, there is essentially no attempt being made to guarantee an adequate food supply. Instead, with the blessing of world governments, the transnational food cartels will get to decide who can – and cannot – afford to eat.

The Intellectual Suicide of Academia and Corporate Media

This should not be rocket science, but this is where we are in 2022, when a national senator is no longer allowed to say that only women can get pregnant without getting “schooled” for it (interesting word, that!), and when intellectually suicidal law professors deny biological reality in order to use “inclusive language.”

The Emasculation of the American Male

We saw dramatic scenes of Uvalde police mistreating and harassing desperate mothers. Some of them were gassed, tased,

handcuffed and treated as criminals. It was a shameful day for America.

Oprah's Next Candidate for President

Indeed, Measure 110 (also known as Initiative Petition 44) passed in Oregon, with the support of George Soros, Mark Zuckerberg, and the Oregon Democratic Party, and decriminalized dangerous drugs like meth, cocaine, Oxycodone and heroin. As a result, to no one's surprise, substance abuse is rising.

Big Government, Small Liberty

Our Declaration of Independence, our country's founding document, states that we "are endowed by [our] Creator with certain inalienable rights." That means our rights are God-given and cannot and may not be sold or taken away from us. Not even by the government.

America's Ethicality, Morality and Decency Quotient Spiraling Into The Toilet

It means we're losing the basic tenants of bringing up our children to be responsible, honest and contributing adults in America. It means that we all pay for that \$52 billion in stolen goods annually. It means that anyone of us can get killed by felons let back onto the streets.

To the Ends of the Earth: Lost White Migrations and Civilizations, Part 2

Today, the Southwest continues to suffer from an extended drought and shrinking water reserves while nothing is being done about it. It can be properly asked is this a prelude to a scenario where the illegals and never-do-wells take over California despite the high tech Silicon Valley culture that rules it today?

If YOU Can't be Trusted to

Protect Your Own Child

If YOU can't be trusted to protect your own child, can you be trusted with anything else? If you have demonstrated no regard for human life at all, should any human anywhere trust you with their life? If you don't believe in the most foundational Right to Life, what other Rights could you possibly believe in?

Bloodguiltiness: It Isn't Over Yet- There Will Be Recompense On The Heads Of The Guilty

I, of course, responded that the wicked, as defined in Websters 1828 Dictionary, are those that have deviated from the divine law (Exodus 20), and you know who that is (Jeremiah 5:28).

Being BlackRocked = Being Cancelled by a Global Public

Private Partnership

While most of us thought that we had a government of the people, by the people and for the people, we do not and have not had one for many decades. The transformation has been in the works for over 100 years, but the final weapon to take us to a one-world government was the two-part President's Council on Sustainable Development/National Partnership for Reinventing Government.

The Great Reset is Communism's Final Solution

The communist state took the place of God. Under the rhetoric of liberation, Lenin's Red Terror plundered the rural middle class, known as Kulaks, and when they resisted, it slaughtered. The confiscation and redistribution of grains from Kulaks in Ukraine and Russia led to starvation on an epic scale.

It's Trump Versus Obama/Biden/Hogan in Maryland

Kelly Schulz is running commercials on Fox News claiming that she is a conservative candidate for Governor in Maryland. But on her website she touts her endorsement from the liberal

Washington Post. The paper, a long-time voice of the national Democratic Party and the Deep State...

Illegals Invasion: Sheriff Says Enough

Along came President Trump who had to fight RINO's as well as maggots in Congress, the Democrat/Communist Party USA and partisan judges who did everything they could to keep "the wall" from being built.

Dobbs v. Jackson Women's Health

After almost 50 years, a landmark decision of the Supreme Court has been overturned. Will it be remembered with other decisions like Dred Scott or Plessy v. Ferguson? Only time will tell. After all of the furor when a draft of the opinion was leaked, we finally get a chance to review that actual opinion in Dobbs v. Jackson Women's Health in its final form.

What's Happening To Our Country?

We see our baby boomers as the fattest, most obese generation ever on the face of the planet. We're seeing their kids following in their footsteps. We've got millions upon millions of kids tattooing their bodies into total "ink disfigurement." And, countless millions of kids addicted to cell phones, so much so, they can't operate without those phones.

There Is a New Country

This world with its oppression, war, disease, brutality, genocide, and death is not all there is, even though it may seem like it sometimes (2 Peter 3:9-12). But there is something much better and everlasting coming.

America's Fight To Stay Free, Part 3

If there are no borders a nation will not long stand as a sovereign nation. Under Trump, we were securing our borders which no previous president had done. Reagan tried but Senator Chuck Schumer has seen to it that they remain porous as a sieve. When Biden stole the office of the presidency he told

the world that our southern border would be open for all to come.

Can Repentance Save This Nation?

This nation has closed its door to God a long time ago, and we are sliding into the abyss. I can not understand why our people can not see this phenomenon. Our Republic was established with Godly principles and can only flourish in a nation that has a God lead moral culture. Our Republic will not work with any other system...

International Living, Part 2

If, on the other hand, Europe beckons, enjoying the warm coastal nation of Portugal should be a notion to seriously consider. It is the epitome of Old World charm. Centuries-old architecture and vineyards, cobblestone streets, omnipresent outdoor markets, and convivial cafes make your days charming and pleasing.

One Man's Crusade Against Voter Fraud

This is essentially what he has done with the voter fraud business in Florida. Using his expertise, he has jumped in to find out how it works (with little documentation from them, for sure!) and analyzed the operations.

Cultural Marxism Spawns Narco-Nation

The Highland Park shooter, who was under police surveillance at one time, is just the latest example of mass violence that escapes the attention of the Biden's Department of Justice. A letter to Attorney General Merrick Garland from a national coalition urging him to support enforcement of federal marijuana laws has been ignored.

Abortion and the Definition of Human Life

Therefore, let us call out to both pro-lifers and good-hearted pro-choice advocates to go back to the roots of the abortion debate and reexamine all of the premises upon which abortion has been made legal. If the founding assumptions are

incorrect, the end result will be deeply flawed and even horrific, as we have seen with the laws and proposals mentioned above.

Toward a World of Woke

How do you get the Climate Change legislation that you really want? I don't mean any half-baked toothless regulations for recycling your muesli cartons—no! I mean rock-hard, in-your-face, take-no-prisoners Climate Change laws. With jail time for anyone who dares to object.

This Ain't Norman Rockwell's America Anymore!

This country faces some really nasty events in the near future. We've got useless politicians who won't prosecute criminals, an absolutely senile president who lacks any understanding of what he is doing, and his "handlers" are as incompetent as he is, and, to tell you the truth from my position...nothing is going to change for the better.

Representative Decries The FBI For Acting Like The Gestapo

This is one of those topics that we cover quite a bit at The Sons of Liberty Media and that is the parallel to what is happening in America today and the Germans under Adolph Hitler in the 1930s, and here we go again (Hosea 4:6).

If Trump Plans to Run in 2024, Time to Announce His Candidacy Is Now!

By all the official measures the Trump economy was roaring! We were on track for energy independence. Gas prices were under \$2/gallon. Unemployment among Hispanics and African-Americans had fallen to record lows. The Dow was surpassing previous highs almost daily. Inflation was practically nonexistent. The situation on our Southern border was under control.

Alkaline vs. Acid, Life &

Death Hangs in the Balance

The time is right for a paradigm shift to intelligent self-care and learning the divine mechanisms behind God's magnificent, self-healing system – a process termed autogenic. We need a new level of understanding about the body's own inherent, innate ability to heal itself. It's time for a real wake-up call to the true causes of all disease and the direct enemies of self-healing.

Producing Paltry Prospects For an Educated Populace

A report from Northwestern University in an Associated Press article indicates that local newspapers in the US are dying at the rate of two per week. The report further says that there has been new growth in digital alternatives "but not enough to compensate for what has been lost".

America's Fight To Stay Free, Part 2

The only reason we need a reset is because the people who want total control don't have total control and they believe that this is the only way they can get it. America has to be taken down for them to be able to accomplish this. The only way

America can be taken down is for the American people to be disarmed.

Weather Modification, Another Way to Starve Americans

In 1962, President Lyndon Baines Johnson said, "He who controls the weather will control the world." The Great Reset, the New World Order, and ultimately United Nations Agenda 21/30 are one and the same thing, the godless control of humanity by Luciferian forces. Their goal is depopulation and the enslavement of remaining humanity.

July 4, 2022: Let Freedom Ring

It puts most of us in a reflective mood, particularly when we celebrate America's birthday. Freedom, individual liberty, the Declaration of Independence, and the Constitution. All prodigiously good reasons to celebrate on America's 246th birthday.

The America I Grew Up In

Before you start the barbecues and fireworks, watch this six-minute video, and ask the Lord for help in resurrecting the marvelous America we once had. Won't you take just a few minutes every day to bend your knees to the Lord and ask for Him to give us wisdom and guidance in saving our beloved country?

Congress Does NOT Care About Seniors

I turned 73 last week and am a widow. I can tell you stopping taxing my SS benefits would go a long way for my monthly budget. If you're a senior you know what I'm talking about and if you're not and God willing you live a long and happy life, one day you will also apply for your benefits you've already paid taxes on only to be taxed again.

July 4th 1776 and 2022—America Then and Now

On this July 4th 2022, 246th anniversary of our Declaration of Independence and the birth day of our United States of America, and on every day, we Americans ought to remember, honor, emulate and give thanks for the patriots of July 4th

1776 – from Gen. George Washington, the Father of Our Country, to the least ranked unknown soldier of the Revolutionary Army, whose service and sacrifice created our freedom.

Part 3: What Do We Do About The Homeless In America? Are There Any Answers?

If you look at cities like San Francisco, Los Angeles and Chicago...you're watching dying cities. It's amazing to me that we saw Detroit, Michigan "die" in the 80's and 90's from lawless tribalism by minorities, and now, we're seeing it repeat in our other big cities.

Redeclaring Independence in 2022

If We the People will pick up the Constitution, read it, and study it, we'll find that our subjection to Washington, D.C., is not the law, but a result of our own actions. Washington, D.C.'s power is as fake as the emperor's clothes in the Hans Christian Anderson story. Isn't it time others join me in pointing out just how naked the government in Washington, D.C. really is?

The Lord Turns the Heart Wherever He Wishes

When President Donald Trump nominated federal judge Amy Coney Barrett to the Supreme Court of the United States on September 26, 2020, to replace the late Justice Ruth Bader Ginsburg, many Christians and pro-life conservatives expressed hope that the new prospective Justice would be like a modern-day Esther...

We Are Living Through a Communist Revolution

As we take pride in America, we have to recognize what has America become – and what is it becoming. For that answer, read the Communist Manifesto and take note of the fact that literally dozens of communist groups operate on American soil, in open violation of the Communist Control Act, which is still on the books.

We Are Proud of THIS?

It's very much like the story of Sodom in Genesis, where the men of the city marched to Lot's house and surrounded it,

demanding they send out the two angels so they could have sex with them, and then attempted to break down the door. Violence against Christians at these “pride parades” has ramped up substantially with the complicity of the local police.

Act Before Time Runs Out

As Americans we must stand against this move to take over our country by the president. It is not too late: There is much that can be done on the local level, but time is running out. Now is the time for patriotic Americans to stand forth and encourage others to do right.

Roe v Wade May Be Gone, but the Death Culture Remains. This Is Why

A different article tried to draw an analogy between the unborn baby and a famous but unconscious violinist, to whom a woman who had been kidnapped was hooked up so that their blood-streams were shared. She was to be forced to continue sharing her blood to keep the unconscious violinist alive for nine months.

Proceed

A few months ago, the Spirit began moving me into an offensive position in a specific arena, and has been steadily giving me direction for how I am to proceed. Mine is not a unique position. God is doing that with His people all over our land. We are responsible not for “saving our nation”, but for obeying the direction of God for the realm He has given us authority in.

Cancel Culture is Cancelling itself

They, the Globalists, are telling us meat, milk, tuna fish (and anything else natural, except centipedes) are killing us. So, we need to eat bugs to be healthy. Uh huh. I laughed. Even many deeply duped Leftists are gagging on that. How many cockroaches does it take to supply one gram of protein? And will they expect us to eat termites?

Heading In the Wrong

Direction

It seems to me that most Americans are now realizing that America is heading in the wrong direction. While we may disagree on the reasons why we are heading in the wrong direction, the fact remains we are heading in the wrong direction. In this article today, I want to present four reasons why America is heading in the wrong direction.

The Time Is Now

However political parties may now and then answer popular ends, they are likely in the course of time and things, to become potent engines, by which cunning, ambitious, and unprincipled men will be enabled to subvert the power of the people and to usurp for themselves the reins of government, destroying the very engines which have lifted them to unjust dominion.
