

# Trumpamania in Pennsylvania

During this chaos and controversy, much of it stemming from the attack on Trump's life and continuing threats, Trump has found a winning issue that will attract millions of people and many new voters – an alternative monetary system that bypasses the Federal Reserve through crypto currencies based on new technology, such as Bitcoin.

## Lost, Bought or Stolen in Oregon

So, I encourage you, rather than being disheartened by the current dismal state of affairs, let us draw courage and resolve like our forebears who overcame their conflicts. We too can be victorious and change the course of our government. It has fallen to us to be the generation that turns Oregon and America back to its foundational first principles.

## The Only Family I Knew... Bradlee Meets The Cast From "Little House on the Prairie"

The Lord used Micheal Landon, aka "Pa," to convey to me what the family unit is all about (Psalm 68:6). Not only that but

also what a father is to be to his children. I bet these actors and actresses all have heard this a million times over. The fact is, the Lord used him to be a “Pa” unto me, no doubt.

## **The Authoritarian Tyranny of the DMV**

My driver license expires on September 12, 2024. So, this morning I got up at 5 a.m. and dressed and drove to the Department of Motor Vehicles. I had received a notice in the mail that if I wanted a “Real ID,” I had to bring my Social Security card, my birth certificate, proof of residence, i.e. the deed to my home, electric bill, etc., my voter’s card and my driver’s license.

## **Chevron is Dead! Long Live Loper!**

I do have a concern. Now that the courts are expected to infer what Congress meant when it was silent or ambiguous, we have a similar problem, just with another branch of government. What is to keep the courts from “interpreting” the law to mean something exactly the opposite of what Congress wrote? After all, that is exactly what they did in Chevron in the first place.

# **Speaker Johnson's Phony Task Force**

President Trump was almost murdered after a coordinated effort to jail and bankrupt him, which is still ongoing, and when that stalled, they tried to kill him. Johnson's response is to ask House Democrat Leader Hakim Jeffries to join a bipartisan effort to get to the bottom of the incident, when the Democrats' attacks on Trump as a dictator and Hitler inspired the attack.

There are many tentacles to this international cabal of bankers and billionaires. It's not just the CFR or Trilateral Commission, but – and I thank a deep-diver researcher, Robert, for providing me with some of them, despite the amount of research I have been doing the past 31 years.

# **How Do we Make the World a Better Place: Gossip–The Devil’s Radio**

Gossip may be called “The devil’s radio” for lack of a better metaphor. You’ve heard, “The devil is in the details...the devil made me do it.” We somehow use the “devil” to sidestep our own culpability. Aristotle, Socrates and Kant realized that the “devil” in all of human foibles remains our own choices.

---

## **Nine Congressmen Want Trump Dead**

A vast majority of Americans REGARDLESS OF RACE, CREED, PARTY AFFILIATION OR MEDIA-LABELLED “PREFERENCE” were shocked and horrified at the attempt on Donald Trump’s life. Many have switched their support to him for the upcoming election. Many had already abandoned the Left. The upcoming election will show that in spades, as they say, if we are allowed to get there.

## **It’s Now Decision Time in Our**

# Nation

Our Founding Fathers valued freedom and liberty. Freedom is not the right to do what you wish to do – it is the capacity to do what you ought to do without someone pointing a gun at your head and making you do it or making a law to prevent you from doing it.

## Well, That Was Fast

In my message from last week, titled “So Predictable,” I predicted that although Joe Biden repeatedly vowed, he would never drop out of the presidential race, that he definitely would, eventually. And almost immediately after my message was published or broadcast by all the media outlets that carry it, he did. I knew it was coming, but I didn’t expect it to happen as quickly as it did.

## You Must Know Your Enemy – Most Don’t

Your enemy is the Parasitic Super-Rich Ruling Class (PSRRC), consisting of wealthy families and individuals. They rule the world through their control of corporations, media, Congress and bureaucrats in the administrative state. The PSRRC is also supported by the judiciary who think they are the law, and do not honor their Oath to the Constitution.

# **Are Women Destroying the USA?**

Before I explain, let me just say that I love women, real women. I'm married to one and I'm the father of another, brother of two and brother-in-law to three more, and they are all amazing human beings, real women. They are smart, loving, caring and tolerant people, and ferocious protectors of those they love, especially children.

## **Two Shooters, One Location**

Like many others, I've considered a number of possibilities of a second shooter, primarily because Crooks seems the unlikeliest of assassins, and because the Dems and Deep State allies long to be rid of Trump.

---

## **We May Never Know What Really Happened on July 13, 2024**

How much do you know about the assassination attempt against Donald Trump the weekend before last? Including anything gleaned from my piece, or sent out by online "influencers." Was there a second shooter? Did Secret Service simply screw up, or was there major malfeasance (i.e., was this an

attempted Deep State hit)? Given that Thomas Crooks, 20, was a Gen Z digital native, where's his digital footprint? Are we really supposed to believe he didn't have one?

## **Natural Born Citizen Clause Still Ignored**

Yet, on any given day, the people could decide the time has come for them to enforce the Charters of Freedom. ## Blood On Their Hands

The article, “It’s Biden’s Fault,” is the best analysis I have seen about the fact that Joe Biden (and Kamala Harris) bear responsibility for the attempted assassination of their political opponent, President Trump. These are basic facts about the chain of command.

## Truth Has no Role for Dictators – All Opposition Must be Eliminated

It is up to us to get everyone we know to vote. Recognize that they lie all the time. Charlie Kirk said this and I agree. “Every time you hear ‘democracy’ replace it with ‘our regime.’” If you do you will understand their actions. ## **Were America's Founding Forefathers Occultists?**

Oh, how the revisionists of the day would have us all believe that our forefathers were a bunch of Satanists and occultists who were used to establish this country. Read Matthew 7:16-20. I am here today to tell you that nothing could be further from the truth.

## **How "Undemocratic" of Democrats**

After years spent painting themselves into this fatal corner, with the democrat party on the brink of extinction, party leaders work around the clock to terminate 14,465,519 2024 DNC primary voters and pick their own puppet candidates for President and Vice President at the upcoming convention.

## **The Boot of J6 Tyranny**

# Crushed Veterans in 1932

Underneath it all, a silent evil was growing and we've come to see our people change. Proper attire is gone, profanity has become common, respect for elders has been extinguished and revolutions in psychiatry, popular culture and jurisprudence have removed nearly all sense of immoral and illegal from the notion of perversion.

## So Predictable What Americans Want

I didn't watch the presidential debate in June. I knew it was just another act in this macabre theater play that the government and media wants us to believe is real. By now, I would hope that most Americans understand that nothing they show us is real. Unfortunately, that's not the case. Most still believe what they're told by the mainstream press, and what is put forth by politicians, political parties, special interest groups and social media.

## **How the Deep State Arranged the Hit on Trump**

In this case, as we saw in the Hunter Biden laptop coverup, there are honest people in the bureaucracy, such as those IRS whistleblowers. We must hear from the insiders, not the paid stooges running the Secret Service and the FBI. As for the Trump campaign, bring in a private security service as soon as possible to protect him.

## **A Time for Truth and Warning to the American People**

As I am finishing this article, I just heard about the attempted assassination of former President Trump. This looks like God intervened and saved his life. Surely someone close to him will present the gospel to former President Trump!! A lot of questions need to be answered and as in times past, they will slow walk this and we may never know the real motive behind this shooting.

# **A Rallying Call and Trump is**

# Targeted

Donald Trump remains undeterred by this attempt on his life, standing as a beacon of hope and resilience. His commitment to saving this nation from the clutches of the deep state and fulfilling his vision of greatness is stronger than ever. This incident, far from weakening his resolve, has only solidified his determination to fight for the American people and restore the country to its former glory.

## Requiem Mass for the Masses

The vast majority of the masses are barely making it and our children's standard of living – something that has always been a point of pride with Americans – is demonstrably lower than that of their parents for perhaps the first time in history. It's time for the people to get something in return for all those taxes. Consider it a “piece dividend” to get a decent piece of the pie.

## Cowering Christianity

Tough times are coming. But tough times produce tough people. Maybe a little bit of persecution will be good for Christianity. But we must face up to the reality that we are entering into a time of FIGHT or FLIGHT. How the church responds to the difficult times will determine the outcome. The tide is beginning to turn in America.

When the sage left, the king tossed the fruit into a hole in a pillar where it fell to the basement, untouched.

# **The Plot to Kill Trump Goes**

# to the Top

John Roberts of Fox News appears to be getting sick and tired of Secret Service stonewalling on the matter of its multiple “security failures” in the attempted assassination of President Trump. On Wednesday, he noted that the federal agency has not held a public briefing on what happened and he said the response is “approaching the level of scandal.”

## 2024 Elections and the Tytler Cycle

I have written numerous times now that the 2024 U.S. Elections will represent a final opportunity for the American people to turn our country away from evil and bondage before the clock runs out on our Constitutional Representative Republic. It will be one of two things when the smoke clears and the dust settles this fall, and the American people will decide. It will be reformed, or it will be gone!

# **Shot Heard ‘Round the World: Donald Trump miraculously survives                      assassination attempt**

Yet Trump’s rousing “Fight! Fight! Fight” message to the crowd was not only an inspiring battle cry—coming at such a moment, it was also a poignant one. This was a beloved President and Commander-in-Chief, essentially saying to the MAGA millions: “Even if they take me down, keep fighting! Fight for your country! Fight for liberty! Fight for your families! Fight so good triumphs against evil! Fight!”

## **We’ve Just Gone to the Next Level**

One version of the inside job theory requires that Crooks have previous contact with the FBI, which, twenty years ago, gained an underground reputation for pulling unhappy or unstable individuals into its clutches, presenting them with illegal activities often involving explosives, effectively entrapping them and then arresting them, as “evidence” of the “terrorist threat” (foreign or domestic).

## **The Deep State's Next Assassination Attempt**

If Trump is correct that God saved his life, and it sure looks that way, he understands there is something else at work in America. This is not secular politics. This is something more sinister. As such, his enemies won't stop at one attempt. I believe, based on my research, other assassination plots are already underway.

# What's Next?

I think we're being given the bread and circuses version of the latest ploy of the NWO, to distract us with the glittery, shiny object of an abysmally failed Biden performance of the most RIDICULOUS debate I have ever had the great misfortune to suffer through, while the more venomous snake slithers into the room and opens its mouth to devour, once and for all, the Republic of the United States.

Satan, the dragon, the serpent, is raging. Meanwhile, our pastors are silent, like dumb dogs, and rarely, if ever, train their people for the any type of significant kingdom work. # Who Builds the Church?

These similarities between the days of Noah and Lot and the present day indicate that humanity is moving away from God's divine order and that judgment may be imminent. ## **Was the 4th July 2024 – The UK's Independence Day?**

I'm not quite sure why former UK Prime Minister, Rushi Sunak decided to hold the General Election on the 4th July this year. He must have surely known that his party, the so-called Conservatives, didn't stand for liberation, and they certainly didn't stand any chance this time around of winning. ## **Is Trump Campaign Embracing Abortion and Homosexuality?**

Trump is an obvious target of many of these same forces but has decided, for reasons of political expediency, to make a deal with them. He has warned Republicans that opposition to abortion has “cost” the GOP politically. So he endorses abortion drugs and “state’s rights” on abortion, a formula that led to the first American Civil War when some states wanted to keep slaves and others wanted them to be free of bondage.

## **Bump Stocks – Bumping Into the Law**

When does a rifle become a machine gun? That is the question asked in the Supreme Court case *Garland v. Cargill*. When the Bureau of Alcohol, Tobacco, Firearms, and Explosives suddenly decided to redefine bump stocks as machine guns, many

Americans simply complied. However, when Michael Cargill surrendered his bump stocks to the ATF, he did so under protest, filing suit to challenge the rule under the Administrative Procedure Act.

## **Team Biden Lies are Off the Charts**

In truth, the Clintons, Obamas and Bidens have gotten away with years of national and international crimes and the walls are closing in on them politically at this moment. The SCOTUS ruling makes certain that none of them are free from investigation or prosecution, in the event that the Department of Justice is ever returned to a constitutional agency engaged in enforcing real laws, not political persecutions.

## **The Collapse of the Bidenista Regime**

I'm not ridiculing the man. However much I disagree with his politics and what his handlers have done to the U.S. over the past three and a half years, I can't find it in me to wish Joe Biden harm. ## Who Are the Players in America Today and What are Their Roles?

As we seek to acquire beneficial food for ourselves and our families, it is difficult to catch everything that may be harmful to our health. We do not need to fear them because God has given His word and prayer as a means of help.

## **Fluorides: A Long Term Depopulation Program**

When it comes to causing disease, fluorides break up the bonds that are found in our DNA, destabilizing the DNA, and this inhibits the effectiveness of the immune system anywhere from 30% to 70%. The amount of fluoride in drinking water is sufficient to lower thyroid activity. Fluorides cause the breakdown of collagen which results in the wrinkling of the skin and the weakening of ligaments and muscles.

# **The Conspiracy to Save Joe Biden**

Dropping feces seems to be a new low, even for a communist dictatorship. They don't do that kind of thing here, in the great United States. Biden stands exposed as a corpse, a cadaver, masquerading as president.

Many women competing in “women’s” sports today have found themselves facing a new type of opponent: transgendered biologically-born men. # Psycho Joe Turns on Dementia Joe

I am not “obsessed” with Joe Scarborough. But I am curious about his change of heart, the death of his former staffer, and his demonstrable lies about Biden’s health. This is a person with contempt for his audience and a desire to deceive them for political purposes. He went from one end of the political spectrum to the other.

---

## A Quick Look at the “Debate”

Trump was brilliant, never overstepping his narrow bounds thrown down by the CNN gauntlet. Instead of bursting out and trying to talk over anyone, he stuck to the rules and USED FACIAL EXPRESSIONS TO REPLACE WORDS. Genius. His face said all that needed to be said.

I don't understand what it is that the people in this country do not recognize. The Constitution marks out the form, but it is up to us to provide the substance and do the business. # **History Being Written and It Isn't Going to be Pretty**

Well, last week was a doozy to say the least. The whole world knows the Biden Audition (aka Trump/Biden debate) was a sorry spectacle. In reality, all of those junkyard dogs really don't give a tinker's damn about Joe Biden.

# The Deep State Threatens a Five-Year-Old Girl

Conservatives and Trump supporters must understand that Bannon is not a political prisoner. Yes, the J6 committee was biased, slanted, and illegitimate. They knew it was a kangaroo court but decided to go ahead with the confrontation with the witch hunters anyway.

# Biden to be Replaced on the Ticket

Under the DNC convention rules, Biden must “voluntarily withdraw” from the race to open up a “brokered convention.” Biden would have to release his delegates to open up a “brokered convention” and he’s pretty much already out of time to do that, even if he could be convinced by Obama to do so.
