

When The Criminals Set The Precedent

I'm sure you have probably heard of Christ Watts, the monster that killed his pregnant wife and buried the two in a shallow grave, and then strangled each one of his two daughters before throwing them into separate oil bins in Colorado.

Larry Klayman's "Common Sense" Agenda

In an interview on November 11, just about a week after the election, Larry Klayman appeared on my television show to argue that Trump had a dead-end election fraud legal strategy. He didn't have much confidence in Trump's legal advisers.

Normal, Reasonable and Prudent People of America Will Eventually Win

Still, the politically insane are radical, insidious, intolerant and tenacious. Effectively pushing them back to the asylum is not going to be easy. Nor is it a job for the few or the timid. It is a job for the tens of millions of the normal, reasonable and prudent persons among us.

The Origin of Covid-19 –Updated

On March 2, 2020, I emailed ABC News regarding the origin of Covid-19, and I said at that time that the economic impact had only begun to be felt. In October 2013, NIH director Francis Collins said certain studies (gain-of-function) “entail biosafety and biosecurity risks.”

Overturning Election Fraud is the ONLY Agenda Now

Every true American knows without any doubts that if we fail to overturn the massive election fraud of 2020 and hold everyone responsible for it 100% accountable, the United States of America is FINISHED! Our Constitutional Republic exists no longer! Our Bill of Rights is DEAD! Our Declaration of Independence is CANCELLED!

Dividing America: The Racist

Plot of Communism, Part 3

Despite over half a century of aiding our black brothers and sisters with Affirmative Action, we are being divided once again by the communist desire to shred the cloth of freedom that binds us as Americans. Communism wants our division. We stand together, arm in arm, or we lose it all.

COVID-19's 800 Ton Elephant in the Room

Here in the U.S., the prostitute media continues to toss out numbers like rice at a wedding with zero science to back up their inflated numbers. 600,000+ Americans have died from COVID-19. A provable, bald faced lie. 26,000,000 "cases" is another bait and switch game full of holes like a spaghetti sieve.

We're Doomed Buffalo Breath: What is That Smell?

I camp in the wilds. It's peaceful, aesthetic and spiritual. It is a communion with nature. Whether it's the desert or mountains, I prefer the smell of the wilds. But wilderness camping has precarious moments.

Would You be the Better President?

Over the centuries, the patrons in barber shops and beauty salons across the nation have long discussed the presidency. "Why I could be a better president than the one we have," is one example and is still often heard.

Agenda Driven School Boards Ignore Parents, Part 1

I have for the last twenty years have been calling for the schools to be put back into the control of the states and the parents. We have seen the federal government take over control of the schools ever since Jimmy Carter established a full federal office for a Department of Education.

'As Long as We Both Shall Live'

Marriage is meant to be one of God's greatest blessings in this life. A husband and wife, together as one, with Christ at the center of their union, and a home filled with children...

and eventually grandchildren, brought up and raised in the fear and admonition of the Lord.

Hard to Convince, But Easy to Fool!

There is no pandemic. There is no reason to social distance. There is no need to wear a mask and there is no law that says you must. There is no catastrophic emergency.

Collapsing Narratives, Converging Catastrophes

Mike Lindell, the MyPillow guy, has been quoted several times as saying he believes Trump will be reinstated as president later this year (he mentioned August). I'm very doubtful of this, if for no other reason that, realistically, at this point it would take military action, and I don't think our "woke" military would do it.

Blackrock, GlaxoSmithKline and the Great Reset

In 2018, Soros Fund Management also dramatically boosted its shares in BlackRock Inc., overseeing \$6 trillion by nearly 60 percent to 12,983 total shares in the second quarter of 2018.

The Fake China Defector Story

In fact, as Nyquist points out, this story is “damage control” by the Chinese. They knew the bat soup story about the origin of the virus wasn’t going to last long. Their fallback position is that it came out of the Wuhan lab by accident. That’s where the “defector” story comes in.

Covid Triggered Mass Psychosis Grips America

A psychosis is defined as “a severe mental disorder in which thought, and emotions are so impaired that contact is lost with external reality,” be it temporary or permanent. There is no other way to explain the mass hysteria and ongoing fatal fear that grips a vast majority of Americans today...

Hey Leftists Maybe This Place Is Not For You

Throughout the United States today they accusers of everyone on earth of being bigoted are themselves the actual bigots. This is self evident to any objective observer of the current events and terribly bigoted control freak leftists, who have invaded and ruined almost every aspect of civilized society.

The Covid McGuffin

In a very real sense, they were the scriptwriters as well as the filmmakers of the Plandemic, bringing to mind the movie Wag the Dog about a deliberately faked “war” presented to the public as real—which, in retrospect, now seems like mere child’s play.

There’s a Patience in the Wild: Dogged, Tireless, Persistent

But when you overrun the age of 70, your life changes. Your perspectives change. Your understandings of the years, piled

up like silage in a silo, remind you that this life is a terminal disease. You've used up a good bit of it. You might enjoy a year or ten years, but you're not sure as you attend a lot of funerals.

Mocking the Left

Because they truly believe in their own superior mental powers, which is quite a serious delusion, Democrats say a lot of funny things that deserve to be mocked. We offer mockery as a service to the public, in hopes that the American people, once they realize what dimwits their self-anointed betters are, will just stop listening to them.

What Is The Threshold At Which Self-Government Won't Work?

There might be a glimmer of hope out there as more and more Americans wake up to the realities of a system gone mad and start to push back. We are seeing some signs of the push back across the country. Hopefully, it will prove to be enough.

Plandemic Warning: Pakistan Gov. Shut Off Phone Service To Those Who Refused Vaccines

Today, we see that the big tech companies are now operating as a law unto themselves as our representatives remain silent while they illegally censor free speech and attack their political opposition (Revelation 12:10).

For White Boys Who Think of Suicide

How sad, even to have been placed in the position to need to contemplate such thoughts. This is the corner into which our idiot leaders have now painted us, and most of us will no doubt live to see the fruits of their folly. I am aging fast, and I may be spared such a fate; even so, I know where my ghost will abide when its time comes.

Social Justice, Affordable Housing, and Government

Tyranny

Eventually – and very soon – the only source of housing will be from government. Take a good look at the destroyed neighborhoods now under government control and see your future. Property rights and personal ownership is an equal opportunity for everyone to build wealth and freedom.

The Communist Lies of “White Skin Privilege”, Part 2

The death of George Floyd had nothing to do with the protesting, rioting, vandalism, looting and anarchy that has swallowed this nation. Racism? It has nothing to do with ending racism...yet it has everything to do with promoting it.

COVID

Injectons: Whistleblowers & Horrific Number of Dead

The new June 11, 2021, data dump on VAERS is stale, by design, I believe. Personally, I’ve believed for months the CDC has been deliberately dragging their feet getting the data posted to VAERS for political reasons. Weeks behind but there’s more to what’s been going on than we knew.

Putin Is Impressed by the American Gestapo

CNN reports that the Biden administration is preparing to impose additional sanctions on Russia over the poisoning of imprisoned opposition leader Alexei Navalny. Who will impose sanctions on the Biden Administration for letting the killer of Ashli Babbitt go free?

Bear Scare, Or, Is My Hair Standing Up For No Reason?

Adventure is not always comfortable; however, it's still adventure. It's not always safe, either. Whatever it is, it beats a couch, remote control and the inane, indolent TV any day of the week.

No Godly Morals = No Liberty — Know Godly Morals = Know

Liberty

As a matter of fact, the men who have been in the White House for at “least” one hundred years have gradually and constantly “lead” our nation away from its moral foundation, God’s law system, into a moral abyss where God has mostly been forgotten and scorned.

Part 2, Is The Government Planning A Food Shortage?

If you are truly awake you would have seen that all of this was put on hold under the Trump administration. He created the best economy the world had ever seen. Lowest unemployment in history to the point where we had more jobs available than people to fill them.

A Noise-Some Existence

It would appear there is a conspiracy, as it were, against silence in the world—a movement to make irritating noise the norm—either for someone’s entertainment, for some unnecessarily noisy and obtrusive commercial purpose, or as a way to simply be annoying or be noticed.

The Whole “Pandemic” Is a Lie

The World Health Organization has recently confirmed that the Covid-19 PCR test is a flawed procedure. This means that all the estimates of “Positive Cases”, which you have been hearing about incessantly for more than a year, are totally meaningless.

American Government Promoting And Celebrating What It Should, By Law, Be Condemning

Here we are again, in the month of June, watching the mainstream media, working hand in glove with corrupt representatives, promoting that which not only God’s law condemns but also what American law condemns (Leviticus 18:22, 20:13; Romans 1:24; Jude 1:7).

Decertifying 2020 – Right the Wrong

Since the stolen elections on November 3, 2020, people have floated dozens of theories on what to do about it and how to

do it. All sorts of half-baked – hair-brain ideas have been circulating social media ever since. But the real answer is quite simple...

The Pope's Mixed Message

On Monday the Pope was asked to give Communion to Joe Biden, a self-described Catholic who supports and promotes abortion, sodomy, and “transgender” like his life depended on it. Normally the Pope would say yes. But on Tuesday he backed off.

America Needs a Tourniquet Generation

The battle in America is a very simple one. It is over Truth. Everything emanates from that key word. TRUTH. What IS the TRUTH? In fact, it is the same question Pontius Pilate asked before he sentenced Jesus Christ to death. What is THE Truth?

Hawk Fluttering in the Sky:

Snake Coiled on the Ground

Heading eastbound across southern California, the sun set low in the sky. MY cycling mate and I looked for a campsite in the rocky terrain east of Joshua Tree National Monument.

Murder Incorporated: Theirs and Ours

Responding to Biden's charge that he is a killer, Russian President Vladimir Putin responded, in an NBC News interview, that somebody murdered Ashli Babbitt, a U.S. military veteran, who was among a few Trump supporters that went into the Capitol on January 6.

Will the COVID Lawsuit Lead to Indictments?

Several lawsuits have been filed to stop employers from firing employees who refuse to take one of those experimental gene editing technology injections as well as the use of PCR tests.

Yòng bùliǎo duōjiǔ wǒmen dūhuì shuō

China, a nation of 1.4 billion people, can also produce weapons of war very rapidly. They have the natural resources and the manpower to do it, along with the technology they stole from America. Through admittance to the World Trade Organization and corporate greed, America handed over the keys to the kingdom to China as American corporations exploited cheap Chinese labor.

Oregon Counties Vote to Secede Into Idaho

If we are to preserve the sacred fire of liberty and this experiment in self-government, We the People must be worthy of the trust our Founding Fathers placed in us. I pray we figure that out soon. Because the last time this nation was so divided, we had a Civil War.

“Infrastructure” Spending

This was once all-purpose wasteful spending on useless public works that supposedly tied the country together via transportation, communications, and utilities-related foundational structures. Now it has been expanded

astronomically to embrace anything the politicians want to spend money on, especially on pie-in-the sky utopian schemes...

Press Censorship, Part 2

Re your May 8 editorial board opinion about the GOP advancing its election lie, why do you refuse to report that the November 3 election was over before the first vote was cast? Former Psychology Today editor. Dr. Robert Epstein said he is a liberal who was pleased that Biden won, but “horrified” at how it happened.

100% Vaccination is More Important Than Your Individual Freedom

Yes, Fauci most certainly has an agenda but he's now being thrown under the bus and potentially is looking at criminal charges. Not just for lying to Congress but for condemning the use of Hydroxychloroquine. Gregg Jarrett: Dr. Anthony Fauci should be criminally investigated. Jarrett is a skilled attorney and senior legal analyst for FOX News.

White Backlash and the New Tea Party Movement

Racism against whites has become official government policy. Not only is Joe Biden directing federal agencies to discriminate against whites, black-run cities like Baltimore (over 63 percent of Baltimore's population is black) are not protecting local businesses against violence and crime.

Good Global Citizens v. Marxist Globalism

The American Marxist media is doing all it can to prevent the American people from knowing the truth about a lot of things, from the facts about the 2020 fraudulent elections to the global scamdemic titled COVID19 and the continued assault on mankind by mad scientists like Fauci.

Part 4: These Questions Need To Be Asked Across America—But Aren't!

They refuse to dig into what's really happening across America. Let's face it, Biden's invitation to over 600,000 illegal migrants in the past six months proves to be an

“invited invasion.” Biden’s actions violate Article IV Section 4 of the U.S. Constitution.

Is The Government Planning A Food Shortage? Part 1

Henry Kissinger, whom I consider a traitor, stated: “If you control the food supply, you control the people.”[4] I believe that they felt they were not successful enough with the fake pandemic even though many will do whatever the government tells them to do so they have to kick it up a notch...

Chinese Communism is Here

First of all, do not harm any Asians you see in public. Not all of them agree with Communism and many are good people I remember a Chinese Laundry in walking distance of my apartment building in New York.

Trust God, Not Man Made

Experiments Pushed by Government

The latest “buzz word” from the Left is being used repeatedly in all forms of media propaganda now. It’s called “Vaccine Hesitancy.” The term is self-explanatory, defining those who are “hesitant” to get the experimental gene-altering, DNA-changing injections...

Why the Carrot and Stick?

They are so desperate about getting you to be a guinea pig, they are offering bribes, ranging from lottery tickets to free hunting licenses, to get you to submit to a human experiment that they call a “vaccine”.

Silly Sexexpectations and Transgender Travesties

Jumping at the invitation, 255 biological male inmates have requested to be transferred to women’s prisons. MA and CT have similar rules and results. CA is pushing the looniness to new lows—Democrats are pushing legislation (AB 2826) which would impose fines on department stores which separate clothing and toys by gender.

Canada's Leap From Socialism to Communism

We saw this coming for a long time. And it seemed to explode extemporaneously within this last month. It had already pushed off in the United States, using the Covid19 Virus, as the fuse to began shutting churches down.

Christian Bloggers, Unite!

I'm not the only Christian blogger who's seen his viewer numbers take a nosedive this year. It seems to have happened to most of us. Why should that be? There are many of us, we all have different things to say—we can't all have turned off our audience at the same time.

Left v. Right is Real

Just as both good and evil are quite real in this world, and they are always at war with each other, so is it true that Right and Left represent those two warring factions.

These Questions Need To Be Asked Across America, Part 3

As we stumble into 2021 with a conflicted Congress and a slothful president trying to figure out what to do next, countless Americans sit in coffee shops and/or bull sessions across America wondering why our leaders don't ask pertinent questions about what's happening to our country.

Rosa Koire, A Modern Day Warrior Deborah, Home In Heaven

Barak said he would only go if Deborah went with him. Deborah stepped forward with bravery in obedience to God to lead the Israelites in times of challenge and oppression, but told Barak the honor will not go to him, because the Lord will deliver Sisera into the hands of a woman.

When A Drag Queen Warns You

About Our Children, Maybe You Should Listen

No matter how many times I warned the American people concerning the history of the sodomite agenda (Leviticus 18:22, 20:13; Romans 1:24), they refused to listen in siding with, advertently or inadvertently, to that which the Lord clearly condemns.

Why Do Conservative Authors and Radio Hosts Waste Their Time?

How do you change a prevailing mindset where over half the population is deeply convinced that what they believe is the absolute truth? We have republished a colloquial response we received to one of our articles back during the Obama presidential race in 2008, from a person who holds those beliefs. He's not alone.

Next Comes the “National Security” Excuse

Soon, it will be proven to every sane person on earth that the 2020 elections were the most unlawful, fraudulent,

unconstitutional, and illegitimate elections in 245-years of American history. That proof will come from numerous states, and it will be entirely indisputable.

Pride for Thee but Not For Me

While former Rep. King is persona non grata in the GOP, the “transgender” by the name of Caitlyn Jenner is running as a Republican candidate for Governor of California and gets favorable publicity on Fox News.

Rallying Around Trump

What the Left is setting about doing now tells us what the Trump movement felt but perhaps didn't quite articulate: That we are being dissolved as a people and a nation through the relentless lying and propaganda, the Big Tech censorship and surveillance, and the importation of incompatibles.

BLM's Marxist White Hatred Dressed Up as Racial Justice,

Part One

The rise of the Black Lives Matter movement during the riots in Ferguson, Missouri, in 2014, brought increased scrutiny into the movement's leadership. Three gay Marxist trained women formed together to create BLM after the Trayvon Martin shooting in 2013. BLM is a terrorist organization

Does Biden Executive Order Announce All-Out Lockdown of Political Opposition?

In Congress, the Democrats are rushing to pass their election overhaul bill (SR1) in the Senate, which will legalize all of the voter fraud tactics used in the last election. It now seems obvious that the Biden EO is intended as a partner to that bill in a systematic drive to silence all opposition to their tyranny.

Death by Mass Deception

After all this time and effort, the overall picture is finally coming into focus. It all boils down to the never ending battle between good and evil...and a struggle by men seeking ultimate dominion over mankind, in a world that in the end, will be ruled by the Creator of all things.

Obama's Unconstitutional Infrastructure Bill – Cheater Joe is Just the Water Boy

Imposter president, Cheater China Joe, has been dutifully reading his 'here's what you say' index cards to promote yet another staggering spending bill. The proposed legislation being passed off as an infrastructure bill is just more socialist agendas drowning in "equality".

These Questions Need To Be Asked Across America, Part 2

If you look at the 535 Congressional critters leading America toward ruin, destruction and civil strife—you must ask questions as to why they are doing it to us. Let's ask another set of pertinent questions that need answers from your two U.S. Senators and House Member.

Will the Deep State Remove

Biden from Office?

The Deep State appears to be worried. Joe Biden is too old to be getting blood transfusions from young people, the current fad among the Silicon Valley elites, and may be on his way out. Bike rides to impress the media are not cutting it.

Peace That Passes All Understanding

After working in full time ministry for the past 22 years, I'm still amazed at the impact this work has had on so many people, and at how God has expanded this mission from what I had originally envisioned in ways I never imagined would be possible.

Fauci's Fraud

Ever since this fake pandemic began, we have been hearing from Dr. Fauci that this virus was very dangerous. First of all, this virus wasn't as dangerous as a typical flu season. Yes, there are certain segments of society where this virus was specifically dangerous; the elderly eighty and over, those that had underlying health issues such as heart conditions, diabetes, and other situations.

True Definition of Assault Weapon

Because today's Marxist Democrats are determined to disarm all American Citizens in order to protect themselves from a real constitutional insurgency by angry American Citizens someday, it's critical that American Citizens gain a complete understanding of what Democrats mean...

Stop Enslaving Yourself

The tactics are different. Rather than an invading army, we are assaulted and manipulated by disinformation and propaganda. Our liberties have been abused by the very officials whose sworn duty is to protect them.

From False Narrative Dr. Laurie Roth

Truthfully, I should yell thank you from the rooftops since all they did was add fuel to my fire. I will scream the truth all the more. Remember, I survived, national talk radio for 15 years and was called every name there is.

Father, The Rebellion Has Begun

The Marxist 'Critical Race Theory' propaganda is being met with forceful resistance by parents and lawmakers across the country regardless of their skin color. Americans who refuse to remain silent while their children are being taught hate in the government's indoctrination centers they call public schools.

How the Communists Outsmarted Us

Under no circumstances are we permitted to believe the Chinese Communist Party deliberately unleashed the coronavirus weapon on the world. We are supposed to believe it was an "accident." The House That I Hide In

If we can't stand up and defend what we know to be true, we

may as well be locked in our homes.

Three Abominations—Shall We Try for Four?

Aside from the millions of lives lost, have we not cheapened life itself? To say nothing of our constitutional system of checks and balances: suddenly our courts could do anything they pleased, with no accountability to the nation.

The Rise of the Ex-Vangelicals

The American Church is so compromised it has become good for nothing. Not Christianity. Christianity is alive and well. But the building where people gather on Sunday has become almost as useless as a rotary phone.

These Questions Need To Be

Asked Across America

If you look at the 535 Congressional critters leading America toward ruin, destruction and civil strife—you must ask questions as to why they are doing it to us. Let's ask a few pertinent questions that need answers from your two U.S. Senators and House Member.

The Joe Biden Tax Plan is Unsustainable, Unwarranted, and Economic Suicide

Wanting to see to the needs of the American people is great, I'm all for that. But, if the government is going to see to the needs of the people, we have a big problem – socialism anyone? Increasing spending by trillions of dollars is not going to fix anything.

Jezebellian Michigan Governor Is Only Sorry That She Got Caught

For those of you who have been paying attention, every single one of these said representatives of the people, not just in America but globally, have been a concerted effort (Isaiah

28:18) in an attempt to wield more control over the lives of their constituents and are, in fact, personally responsible.

When Are White Males Going To Walk Out Of CRT Training?

Anyone paying attention knows what Critical Race Theory (CRT) is. What is baffling is why isn't it rejected anywhere and everywhere it pops up, like in schools and colleges, corporations, boardrooms and the government bureaucracy? How did CRT get so embedded in all of our institutions?

Covid Cult, United Nations, the Nuremberg Codes and Murder

I am convinced that our government and its many stakeholders are determined to fulfill the directives of United Nations Agenda 21 in depopulating the world, and remaking America into a communist state. Far too many Americans have not just drunk the Kool-Aid...

China's Massacre of the Innocents
