The members of Congress are the employees of the people, and it's about time we remind both the Congressmen and the people of that fact. As the representative branch of government, it's the duty of Congress to represent the people and the states, not just their donors or advocacy groups.

Isn't it safe to assume that YOU think love for others is a Good Thing? Most of us would say YES! Then the next logical step is to reject totalitarian oligarchs of every stripe. Reject the lies and power plays of Xi Jinping, Vladimir Putin,

Yes, my friends. Hate can be a good thing. In fact, America would be a better place if the American Church started to hate some things. I'm coming out of the closet today. I AM A PROUD HATER. I hate what God hates...not carnal hatred...PERFECT HATRED. Hatred should motivate us to fight.

Artificial intelligence is intelligence—perceiving, synthesizing, and inferring information—demonstrated by machines, as opposed to intelligence displayed by humans or animals. Rivaling the European feudal lords of the Middle Ages, Panem's rulers used their armies of "peacekeepers" to maintain tight control over the people of the districts. Communication between districts was forbidden, and no one was allowed to leave the boundaries of their district unless granted permission.

Think about it. Almost everything you read/hear in mainstream and social media, in schoolbooks, even in “juried” scientific and medical papers is a lie. ## What Happened To America's Education?, Part 1

How can a public school allow these kinds of results? How are any of these kids going to even try to get into college? I firmly believe that the cost of a college education today is rarely worth it. ## Clueless People = Complicit People

If our young American soldiers could do it – against all odds – on the beaches of Normandy in WWII, 79 years ago, we can still do it today. The deck was stacked against us then, as it
