

What Causes Kingdoms, Nations, Cities, and Houses to Fall?

Did Jesus say in Matthew 12:25, that any Kingdom divided against itself is laid to waste and any city or house divided against itself shall not stand? If Jesus did say that, then why are churches in America so divided into denominations and other groups?

Prisoners Of Past Traumas

A selfish man's weakness draws to him what sucks him to death, and that, he perceives in his deluded mind as loving and being loved. Man is born in sin, and sin is trauma, a failing of every father's, transmitted through every mother since Eve.

Is There a "Conspiracy" to Kill Trump?

Now that Biden is toast, the only avenue left for these agencies is to make Trump toast, too. That way, Biden and/or his replacement has a chance.

“YET I Will Rejoice”: Encouragement in Anxious Times

After David's example, we encourage ourselves in prayer, establishing right relationship with God, and meditating on His Word. In the face of impending distress, we overcome the tug of sensuality, take captive our wayward thoughts, and vigorously eschew demonic input. By thinking continually on things that are excellent

Geoengineering: A Primary Depopulation Program

As a result, our so-called scientists believe that they have all the answers and thus feel free to attempt to modify weather and climate, having confidence in the efficacy or correctness of their actions. One major element of the current geoengineering effort is the removal of carbon dioxide (CO₂) from the environment, especially as it exists in earth's atmosphere.

Never Mind the Bomb, Beware of Islamofascism

The handwriting is on the wall. Huge numbers of Muslims, overwhelmingly poor, under-educated, and deeply indoctrinated in the jihadist belief, are invading the world. It is this human bomb that must be diffused as well as keeping a vigilant eye on the other one that Iran's Mullahs are relentlessly pursuing.

One Debate, Three Movies

Tonight's the big "debate," if you want to call it that: President Donald Trump takes on Zombie Joe Biden on the official Trump-bashing nooze network, CNN. Major-league Trump-basher Jake Tapper will (it only hurts when I laugh) "moderate." The other moderator is actually named "Bash." Tonight she'll try to deserve it.

Choosing High Self-Esteem: Carrying The Mental Equivalent For Happiness

Finally, you write the next chapter of your life by your hand and by your choices. Engage your brain, heart and soul toward

your highest and best outcomes. Engage the power of brave thoughts. And, enjoy the ride!

DemocRats Are Once Again Reinstating A Military Draft

This may help you understand the very reason that the United States has been at war 93% of its existence. This, is in the hopes of policing and dominating the world at the expense of the blood of America's children (Amos 4:10).

Who's Protecting Our Children?

There has been a lot of controversy over parent's rights lately, especially related to public schools. From the teaching of Critical Race Theory to Drag Queen Story Hours, there has been situations where the relationship between parents and the school district have become outright hostile.

In God We Trust

When it comes to the matter of rulers over mankind, throughout human history, rulers over societies have in every case, proven to be the greatest threat to those societies, always in the end, abusing their power and turning on the very people they are sworn to protect. In fact, throughout human history, there has never been a government worthy of its people's trust.

Democrats Run “Gay Pride” Events

Rainbow flags were everywhere on June 22 when thousands of Democrats rallied in support of “gay pride,” abortion, condoms, transgenderism, and marijuana at the annual “Frederick Pride” festival in Frederick County, Maryland. So-called “pride” events like this one are barely disguised Democratic Party get-out-the-vote efforts to get Joe Biden back in the White House.

Will America Survive the Threat of Islam?

While former President Obama glorified Islam, the barbarians have made it inside our fortress. They have infiltrated our

system of government. This time around, the people of the sword have their collaborator, Useful Idiots, inside, busily doing all they can to dismantle our republic and replace it with worse death Islamic ideology by appeasing the enemy.

Stop Non-Citizens from Voting – Here's How

Thankfully, Willard “Mitt” Romney’s niece, Rona McDaniel, is gone from the RNC National Committee; she was head hen for four terms. One has to wonder why she wasn’t booted years ago because her record as a complete failure was there for all to see? Some changes have come about along with pledges: RNC co-chair Lara Trump promises to prosecute anyone who cheats in an election: ‘We will track you down’.

Exploring to the Edge of the Map

Since we’re heading into the summer of 2024, let’s turn toward some uplifting essays that instruct, inspire, and maybe, just maybe...assist you in your unique journey through this life. Whether you travel by bicycle, backpack, canoe, sailboard, kayak, skis, or other methods...this story may inspire you toward your highest and best adventure-seeking during your time on this planet.

It's Not Going to Church But Being the Church

Jesus said in Matthew 16:18 that He would build His Ekklesia and the gates of Hades will not prevail against it. The church in America has lost the way of Jesus Christ while using the Name of Jesus. Because we are not being obedient and we are not embracing the Ekklesia Jesus built, our religious systems in America are ineffective and will continue to implode.

There's No Excuse For Being Clueless

Given the work that I do, it grieves me to see so many professing Christians who are so ignorant of the days and times we're living in. Most don't know and don't want to know what's really going on in this world – or how Christ-followers are to respond to it all. Truly, those who are not Christians, or are “nominal Christians” at best, are much more well informed than those who claim to be “devout.”

Rigged for You, Not Against You

When Mr. Scratch comes to fulfill the contract, Stone, out of desperation, seeks the help of Webster to get him out of it. Though Stone's signature and the contract are clear, Webster demands a trial since this is the right of every American. Mr. Scratch agrees, as long as he can choose the judge and jury.

Why Did They Do It?

This is what Make America Great Again means. It means, as Jefferson added, that the vast majority of our country's inhabitants are too "enlightened, too well experienced in the blessings of freedom and undisturbed industry, to tolerate long a contrary state of things."

President Hillary Clinton 2025?

The entire democrat party is reeling from their freefall from popularity as their poll numbers nosedive to all-time record lows. The word panic isn't strong enough to describe the level of fear sweeping across the country throughout the failing democrat party.

An Open Letter to The CEO of Tractor Supply

As for me and my house, we will never shop at Tractor Supply again even if we have to go much further and pay more to purchase our needs. This letter, Mr. Lawson, is going to be posted nationwide in as many locations as possible. You have insulted the people who have patronized your business and made you a very successful entrepreneur.

The Real Matrix: New Normal Edition

I was once able to get through to a person at Hewlett-Packard, trying to troubleshoot a printer problem. Instead of helping me resolve my problem, the person tried to sell me a subscription to their technical support services! Only \$25/mo., for something I needed once, and might never need again! I turned them down flat! My wife's nephew is an engineer. He came in and fixed the problem for free!

Is Trump's "Too Big to Rig" Strategy in Trouble?

Setting the American people up for another communist "victory" at the polls, MSNBC and the liberal media are already warning of another January 6-style "assault on democracy" by those protesting vote fraud. Such a confrontation will certainly be another FBI set-up to capture, kill, and/or imprison Trump supporters.

Fraternal Twin Court Cases Point to the Death of Justice Worldwide

Trust in our institutions has been falling fast. Based on the reactions to the Trump conviction, it appears whatever faith people had is either completely gone or eroding at an astounding rate.

With Liberty and Justice for All

But somewhere along the way, a society distracted by daily life itself, forgot to remain "forever vigilant" in the defense thereof, and politicians who refuse to abide by their

Oaths to the same, allowed this most basic foundation for life in America to collapse under the weight of partisan agendas and purposeful deep and fatal divisions in the electorate.

It's Been a Hard Week

They're challenging each other to "name three drag queens" to "prove his/her/whatever's loyalty" to the LGBTQetc cause. So it seems the candidate who knows the most drag queens should run the city. Why didn't we think of that years ago? I mean, it seems so thumping obvious, doesn't it?

The Long Ride at Age 80: Trading Sofa for a Bicycle Seat

No big deal since hundreds of cyclists have ridden trans-Americas. Yes, I've done it too, but in my 30's. In your youth, the energy, strength and true grit come naturally. As you read this story, hundreds of cyclists around the world pedal into their own adventures. They're riding on six continents...trail blazers.

Why Are Americans Tolerating Injustice?

The price of freedom, in both the natural and in the spiritual, has been that of blood (1 Corinthians 2:14). First and foremost, the atonement of our souls was paid for through the blood and sacrifice of Christ that we might obtain spiritual liberty in Him (2 Corinthians 3:17).

Russia's KGB and Ours

Biden exchanged a Russian arms dealer in an American prison for an American pothead lesbian basketball player held in Russia for drug dealing. Now, according to published reports, he wants Wall Street Journal reporter Evan Gershkovich, held in Russia on phony espionage charges...

Legal Insurrection Through Lawfare, Part 2

The Department of Justice is the most heavily politicized of the U.S. government. In 2016, 91.6% gave to Democrats. Homeland Security employees came in at 75% Democrat, and the Department of Education was as high as 96% Democrat. The National Education Association has never donated to a Republican presidential candidate.

Love or Desire?

In an old episode of "My Three Sons," 18-year-old Chip Douglas elopes with a girl. Can the marriage work? Of course, it can. But it also might not. I knew a similar couple years ago and within two years they were divorced.

Vote Every Muslim Out of Office

I've said it before and I'll say it again: Muslims should never have been allowed into the U.S. Knowing their centuries of history, violence and one major goal: A world caliphate. It isn't because I hate Muslims (except the ones who want me, an infidel, dead), it's because of their goal and they will lie through their teeth to achieve world domination. The good news is a lot of American Muslims are throwing off the yoke of slavery and women being treated like chattel.

Armed Enemies Within Plot Trump's Murder

The Secret Service is a component of the Department of

Homeland Security, run by Open Borders architect Alejandro Mayorkas. That means that the federal official ultimately in charge of the Secret Service “protection” for Trump is at the same time turning a blind eye to hundreds of foreign terrorists entering the country, perhaps to assassinate Trump.

Grief Is Circular: On The Long Ride

For the millions of you who lost your father or mother at an early age, or any age, we share a circular grief that others don't know, cannot understand and won't be able to relate. I remember that the Spirit of St. Louis flyer Charles Lindbergh said, “Death is the last great adventure.”

Mosques and the Islamization of America

There is a glimmer of hope that the American people are finally waking up to the deceit and the menace of the creed called Islam. Their opposition to the building of the mosque shows that the creeping Islamization of America is indeed something to stand against and prevent before it is too late.

Religious System Man-Made by the Traditions of Men and Americans

What we have in this nation is a religious church system that is designed and operated by man, and for man and his pleasures and the gates of hell have overtaken this church religious system and also this nation. On the other hand, in Matthew 16:13-16, Jesus said He will build His ekklesia (church) and the gates of Hades will not prevail against it.

We Can't Do the Work For You

Well, it's better late than never, I suppose. After nearly 60 years of allowing the homosexual agenda to move forward, claiming they just wanted "equal rights," claiming this was a legitimate civil rights issue, people are just now starting to wake up to what's really happening, and I've been getting phone calls, emails and letters from people who are outraged and panicked.

Forget "Republican" and "Democrat"

In America today, we have only two choices of affiliation: our

Constitution or Communism. Know it, and live by it. This vivid dichotomy is hideously apparent, everywhere today. As we approach voting season – the most critical one in our nation's history – this is one fundamental that Americans must understand.

An Open Letter To The CEO Of Walmart

For you to support such obvious and evil, makes you completely guilty of every innocent individual, and especially children, whose innocence you have played a part in destroying! Shame on you! I would strongly urge and recommend that you read, and pay heed, to Christ's warning to you and others in Matthew 18:6!

Obama Seeks 4th Term

As everyone with an IQ above their shoe size already knows, the so-called "Biden Administration" is actually the 3rd Obama Administration. The entire Biden staff and cabinet is made up of all the Obama era Executive Branch officials and Obama has been in charge again since January 20, 2021.

Trump is a Marked Man

With right-wing parties making gains in European Union parliamentary elections, it is apparent that a global rejection of the status quo is paving the way for President Trump to win the U.S. presidency in a decisive manner. While some commentators are focused on whether Joe Biden can make it all the way to November's elections because of his senility and old age, the real question is whether the communists and globalists decide the time is right to take out Trump by any means necessary.

What Does It Mean to Be a Conservative?, Part 2

What conservatives need, therefore, is a rational Plan B to organize themselves and separate, if need be, forming self-sufficient communities built around solid family structures and sustainable small businesses, working from the bottom up instead of from the top down, able to sustain and defend themselves when the Global Wolf attacks, as he inevitably will.

Damnably Lies and Damnably

Liars

I do not know about you but I am getting pretty damn irritated by the liars who run the world. You do understand that liars run the world, don't you? Psalm 2 calls out the greatest conspiracy in world history...The kings of the earth set themselves, and the rulers take counsel together, against the Lord, and against his anointed...

They Never Saw It Coming

Nevertheless, three times on the last few weeks, these geniuses have been caught napping by events they should've foreseen a mile off. No one but a "progressive" would have been the least surprised by any of it. But then most of us aren't distracted by any need to build a pedestal and pose on top of it.

There's a Patience in the Wild: Dogged, Tireless, Persistent

Two of the guys on this journey proved themselves "day riders" for all their lives. But, at over 70, they enjoyed retirement with time to spare. All of us sported gray hair, or no hair, gray beards, high blood pressure, bad knees, sore hips, touch

of diabetes, and spare tires around our mid-sections.

The Second Great Colorado Land Grab

Right now, there is a battle going on in Colorado. One side wants President Biden to use the 1906 Antiquities Act to designate over 400,000 acres of land in Mesa and Montrose Counties as a national monument. This would, among other things, limit future oil and gas leases, mining claims, rights-of-way, and utility infrastructure.

Take Heed To Who & To What You Are Listening

The other day while listening to my intro feed on the radio broadcast, I was hearing another show host talking about what the bad guys were doing to the country. He was conveying to the American people the wicked deeds that are being committed against them by less than 1.7 percent of the population. He called them the elites, which he said, "ruled the world."

The Culmination of Marxist Infiltration, Part 1

A military coup is planned. Rosa Brooks claims that if Trump is elected in 2024, they must find a way to remove him. This is being planned through Georgetown University Law Center, the premier law school in DC. "It's a feeder school to the Justice Department, to Supreme Court clerks and to the entire intelligence community. Everything is planned there."

Rights After Conviction

According to federal law, if someone is convicted of a crime and punished with more than one year in jail, they lose their rights protected under the Second Amendment. A recent decision by the Ninth Circuit Court not only brought that federal law into question, but decided it was wrong. The court didn't find that this federal law violated the Constitution, rather they found it violated Supreme Court's Bruen decision.

The Epiphany of Zebediah Clump

"The Epiphany of Zebediah Clump" won best "Short Narrative" film, on Sunday, October 7, 2012, at the closing ceremonies of the 3rd Annual Portland Maine Film Festival. The film was

written, directed and edited by Peter Falkenberg Brown, a Portland native. The short was Brown's first film and his directorial and acting debut, starring as Zebediah Clump.

Ninth Circuit Court of Appeals Re COVID-19 Experimental Injections

"Paxton is also investigating whether the companies misrepresented the efficacy of their Covid-19 vaccines and the likelihood of transmitting Covid-19 after taking the vaccines in violation of the Texas Deceptive Trade Practices Act. The investigation will also look into the potential manipulation of vaccine trial data.

We're Doomed Buffalo Breath: That's That Smell?

Sandi and I cranked our way toward Alaska, laboring up mountain grades in the Sawtooth Range of Idaho on Route 75. Late in the day, we came to a river intersecting the highway.

Yearning For the Good Old COVID Years

Interesting that this is coming now...just in time for the most significant presidential election of our lifetimes. Just in time for them to release "Disease X" or whatever other depopulation protocol they're brewing up. Just in time for the next American civil war. Just in time for the coming mayhem and attacks by those who've invaded all Western nations. Just in time for World War 3.

One Day Every Follower of Jesus Will Influence the Culture & Nations

We know exactly what the thief is doing and because too many of us are cowards, ignorant, and apathetic, we continue to see no evil while allowing the thief and his followers to capture our nation, steal our freedoms, and degrade our culture without little to no resistance when it is our responsibility and, in our power, to do so!! This is in itself pure evil on the part of our pastors, churches, and citizens for allowing our enemies to steal our nation.

Truth Spoken Boldly Overcomes Censorship

Pro-Hamas and anti-Israel demonstrations taking place on many university campuses across the country during the 2024 graduation season have endangered the wellbeing and safety of their Jewish students. On the heels of this, the U.S. House of Representatives passed the Antisemitism Awareness Act of 2023 to prohibit “hate speech” specifically against Israel and Jewish people.

Political Brass-Knuckles

We have a lot of work ahead of us because today’s ideological battles are part of a modern war. The battles we face are much more than meaningless skirmishes. The far-left has crafted their one-sided story under a false narrative of oppression and victimhood. The vast majority of Oregonians, left, right, and center know something is wrong with this picture.

What Does It Mean to Be a Conservative? – Part 1

Import the Third World, become the Third World. That’s what we just saw. This won’t stop Trump. He’ll win the election if he’s not killed first. But it does mark the end of the fairest

justice system in the world. Anyone who defends this verdict is a danger to you and your family.

RFK Jr.: The Silver-Tongued Spoiler

Washington Times columnist Don Feder opines: “God knows Donald J. Trump isn’t perfect. But he’s all that stands between us and a totalitarian nightmare from which we may never wake up.”

Oil is Power, CO2 is Food. Globalists Want Control of Both

How often do I say everything is connected. Nothing is more evident than that. Just look at what we see going on in the world. Can you make the connection? Climate change is not about the climate it is about control. Oil is power. Cheap oil gives people power. Global elite will never give people power. That would cut into their wealth and create competition which is not acceptable.

Trump's Life is in Grave Danger

Eric Trump has told the cable channel Newsmax that his father's political enemies would like to see "real harm" done to his father because nothing else is working. Claims like this are quickly dismissed by the major media, and Special Counsel Jack Smith wants President Trump gagged in his federal documents case for saying that the Department of Justice wants to kill him.

Make Way for Utopia

Meanwhile, we have been trying to get the Washington Post to dig up the actual identity of the speaker, supposedly a major figure in the Biden White House (we don't believe his only job is to feed the goldfish). Unfortunately, the WaPo is in a bit of a shambles just now.

D-Day: June 6, 1944

Those who fought at Normandy on D-Day to preserve freedom from defeat by Hitler's national socialist fascists paid a terrible sacrifice. The beaches at Normandy, with NAZI artillery and machine guns established in cross-fire patterns, were, indeed, "killing fields," prepared for slaughter. The sea and sands ran red with blood.

Time To Capitalize On the Left's Blatant Attack On America

The Donald Trump "Guilty" verdict has turned into a gilded one. The lemons handed Trump have been sweetened by the massive show of both monetary and other support he has received in the single day since the verdict.

What Am I Doing Wrong? Absolutely Nothing, Scripturally

Most recently, I was speaking to one of my ministry friends and he had told me of someone that he knew in the ministry that he said was a great man, and had won awards and big prize money for his works. I thought out loud and said "Good for him", and then I thought, "What am I doing wrong?" "Of course," I said this knowing that it was an opportunity for me to preach the Biblical Christ to him.

Thinking Globally, Acting Locally: How Sustainable Rule Took Over Your City

Solar and wind farms to eliminate gas and oil; 15 Minute Cities; eliminating single-family homes; eliminating gas-powered cars; stop eating beef; no more warm water showers; ban ice cubes and electric stoves; Sustainable! How did these radical ideas become official policies in our once great American cities, now on the verge of collapse? Here's the story.

Your Life On The Ledger: Net Zero Is The Goal

And that score means everyone. A new system that monitors EVERYONE's BEHAVIOR will be instituted into the financial system even if you do not make a salary. Why? You are using natural resources every day. Your carbon footprint must be monitored. Net Zero is the goal.

Stopping Another Steal

November 2024 Elections

In my Jan. 24, 2024, column, Finally: RNC Files Bombshell Election Lawsuit, I covered a new lawsuit by the RNC regarding violation of federal election law (Foster v Love) and how Trump was cheated out of his second term in 2020. All candidates for federal office (House & Senate) were also cheated but that was the game plan and it hasn't changed four years later.

When Did the Federal Reserve become the National Treasury?

For over 220 years Congress had funded federal agencies through appropriations from the Treasury. Then, in 2011, Congress decides to fund a new agency in a different way. After this new agency promulgated rules that members of the CFSA objected to, the trade agency sued, making several claims of both statutory and constitutional violations.

How To Handle Anyone Who Drivers You Nuts

Did you hear of the older lady driving a Cadillac who aimed her automobile toward a slot in the parking lot near the store? Seconds before she pulled into the space, a young man

zipped into her spot in his shiny sports car.

Nothing, and I Mean Nothing, Can Stop Trump and His Love for America

Donald Trump has stood firm against the challenges thrown at him, refusing to be silenced or deterred from his mission to Make America Great Again. Now, it falls to us – the voters – to echo his call to action. On November 5th, let us send a resounding message to Washington: We will not be swayed by sham trials or manipulated by political games.

God's Intent for Creation and the Kingdom of God

And while we sat around and our flesh thinking of self and our inner experiences and dreaming of being raptured to the streets of gold, an alien demonic philosophy called the Chaldean spirit has moved into the soul of Christianity and America and we have a crippled Body of Christ that is stumbling across this nation leaving a crippled and destructive result.

Your Mind is Stressing You to Death

Strong emotions stir up vivid thoughts that can hold your attention so captive that you fail to see where you are going, and when you can't see where you are going, you have accidents.

America's Severe Storms of May 2024 are Following the Same Path as the April 8 Solar Eclipse

As the severe storms tear through the path of the April 8, 2024 solar eclipse, many mainstream media news outlets are attributing the cause of America's severe weather to global warming, as they fail to recognize that the severe storms of May 2024 in America have followed the same path as the April 8, 2024 solar eclipse indicating something different.

A Fanciful or Hopeful Scenario if Trump Succeeds in Gaining a Second Term

In the arena of culture and education, Trump will advocate a revamping of school curricula to reflect our true American identity and history as well as the achievements of the nation's founders as it used to be without undue reference to race, the elimination of CRT, and the restoration of cultural memory.

The Real Fight, Pt. 2

In ensuing material I hope to explore the nature of the Global Corporatocracy more, and this kind of response. I don't wish to focus on details of the upcoming election. Ask me who is going to win, and I'm going to echo Tucker Carlson's answer: I've no idea. I'm convinced that leftist agents of the Global Corporatocracy will pull out all stops to make sure it isn't Trump. The rest is details.
