

World-Wide Protests: History Does Teach Us That You Can Oppress A People Only For So Long

I am here to tell you that the only people that are controlling your lives, as you are about to read and to see here, are the ones to which you are submitting yourself, period.

Conservatives Are Splintered, Fractured, Divided and Ineffective

The enemy that conservatives are up against is powerful, intractable, uncompromising, vicious and mean. Worse than that, they have the majority of the votes, mostly from government-dependent big cities. That enemy owns the news and most of the journalists. They are aided and abetted by academia and social media.

Cesar Chavez Holiday—Honoring An American Hero

March 31 is an official State holiday in California, Arizona, New Mexico, and Texas, and is observed in several other States (including Colorado, Michigan, Nevada, Utah, Washington, and Wisconsin) in honor of the birth on March 31, 1927, of an extraordinary American – Cesar Estrada Chavez, the late co-founder and president of the United Farm Workers of America who became a legend in his own time in the civil rights era.

Death by a Thousand Executive Orders and Court Opinions

Anyone who has read the U.S. Constitution, or their own State Constitution, knows that in the USA, lawmaking is the exclusive power of the lawmaking branch of government, the State legislatures, or in D.C., Congress. Anything hoisted on the people that was not passed constitutionally by the lawmaking branch is NOT “law,” it’s an “unlawful and unconstitutional order.”

How Woke Conservatives Cancel

Their Own Culture

While Dr. Martin Luther King, Jr. was a fighter for civil rights and showed unique courage in opposing racism, he had his own serious flaws, one of which was failing to understand the dangers of Marxism. That Marxist movement has hijacked the black cause and today has made it into one of reparations.

The Demonic Carnage of Vaccines, Part Three

The government has used Americans as guinea pigs for decades. Bill Gates and his buddy, Dr. Anthony Fauci are UN Agenda 21 proponents of depopulation wherein the earth accommodates only 500 million people. They have strong monetary ties to the untested mRNA vaccines as well as the vaccines that are grown via aborted baby cells. Gates says we can eliminate population through vaccines.

Marijuana Madness in the White House

Perhaps the stench of marijuana was getting too heavy around the Oval Office. Or perhaps there is a growing awareness at the highest levels of the government of the damage the drug is doing to people.

Ship Illegal Alien Minors Back to Their Parents Now

The disaster on our southern border since the illegitimate lying, cheating “president” Joe Biden was installed in OUR house at 1600 Pennsylvania Ave was as predictable as a two-year old throwing a temper tantrum. No question open borders have always been the goal of the shadow government because it will ultimately destroy the middle class. The game plan underway for decades. Without a healthy middle class, the economy will collapse.

Let's Blame All The White People In America For Everyone's Problems

Now, Congress wants to ban guns. They fail to mention that cars kill around 40,000 Americans annually. Also, 80,000 drug overdose deaths via drugs coming over our borders! And, 114,000 total military suicide deaths from Congresses' 20 year wars in Iraq and Afghanistan.

Ignorant Church = Destruction

You are about to expose yourself to some very important knowledge. Please know this; once you have been exposed to truth and knowledge, you can never go back to the bliss of ignorance. As Thomas Paine said, "Ignorance is of a peculiar nature, once it is dispelled, it is impossible to reestablish."

Cancel Culture, Part 2

As a nation we cannot allow the few that are upset about either opposing opinions or a history that they just don't agree with to just censor or otherwise silence their opposition. The big tech corporations have done just that even censoring the president of the United States! Remember, if they can get away with censoring him, they will be able to censor you with ease.

The 'White Hats' Are in Exile

This world changed drastically in just one year. It's been unbelievable. There's no telling what the COMING year is going to bring. Let us put on the full armor of God and understand we're here to do battle with the enemies of God, to defeat the works of the devil, just as Jesus did.

The Biden Disaster That is Destroying America

Today was another Joe Biden Day. A mass shooting in Colorado killed 10 Americans. The leftist run newspapers failed to inform us that the murderous shooter is a Muslim. Why did the press fail to tell us that fact? If one remembers, President Donald Trump closed our borders to Muslims and it was with good reason.

Cancel Culture: We Have Met the Enemy – Our Own Government

I'm often quoting Sun Tzu's "know your enemy". Great advice, but when you realize the enemy is your government, it can make you wonder if you are crazy. Especially when said government is being hailed as the savior of both the world and western culture, and, at the same time, is handing over everything to our supposed archenemy, Soviet Russia.

Are Civil War or Fair Elections the Only Options?

I don't advocate a civil war, but the only alternative is fair Constitutional elections which now look impossible. You can't have proper elections when the entire power structure is corrupt and compromised. From recent experience, we know absolutely, without question, that our election was a blatant unconstitutional and criminal insurrection.

Eight Year Old Social Media Star Reveals She is 'Dating' 13-Year-Old Boy

How far the world has fallen. Nothing is any longer off limits or taboo so it would seem. An 8-year-old revealed on social media that she is dating a 13-year-old – with her mom's blessing. Both are so-called influencers on social media.

The China Virus Deception Campaign

But with so many conservatives questioning the life-saving vaccines, and Democratic Party "progressives" refusing to confront China over the origin of the virus, we are still at

the mercy of this deadly killer. The Chinese are sitting on top of the world and laughing as they destroy us.

It Is Not About Left Or Right But Rather What is Right

There is a right or wrong way to do every single thing in life. Children are to be raised properly in the way they should go, so that they do not permanently drift off from the good moral path through life. The United States was founded upon the hallowed principles listed in the Holy Bible.

Death by Fear

Courage is no longer a characteristic emblematic of Christianity. Compromise and capitulation have replaced it. In fact, courageous Christians have become the exception rather than the rule. Finding a man who will not bend to the wind of the cancel culture is a rare quality these days.

It Just Plain Stinks

We pay for public schooling. "Public money" is our money, which we worked for, paid out in local, state, and federal

taxes. You'd think we'd have some kind of a say as to what gets taught in those schools, and by whom. And yet we don't. They take our money and do as they please.

Why Property Rights Matter: The Growing Attack on Property Rights, Part 3

The increasing encroachment of government regulations, pontificating politicians and the enforcement of Social Justice schemes have led to a loss of understanding of the terms private property and property rights.

The Boulder, Colorado Muslim Shooter

Eleven American citizens, dead! From 21 to 65, dead. A 51-year-old police officer and father of seven kids, dead. Families devastated. Lives ruined. A community sickened at the deadly rampage of a religion not able to comprehend or engage with 21st century civilized society.

The Israeli Vaccine Holocaust Just Got Worse

The hot topic today is, of course, vaccinations. And once again, you are not being told the truth of the matter by the mainstream media when they tell you that 25% of the Israelis refuse the vaccinations. The real numbers are 75%, as are they calling it the vaccine holocaust. This, of course, is happening under that of Prime Minister Benjamin Netanyahu.

Why On Earth Do Americans Put Up With It?

Out-of-his-head Joe then goes on an Executive Order rampage undoing most of the good things that were accomplished by the last administration. The doors to our southern border were opened wide so that anyone who wanted to come to America could (all 7 billion of them) illegally we might add, and the American taxpayer would pick up the massive tab...

Trump's Fair-Weather Friends

It's a sad commentary that Trump's greatest achievement is now being doubted or dismissed by people who once claimed to be his biggest supporters. They are playing into the hands of Trump's mortal enemy – Communist China. They could lose their

lives because of misguided opposition to life-saving vaccines.

How Many Covid-19 Vaccine Deaths Are Acceptable?

There are a number of doctors and scientists outside of the Big Pharma tent, with no vested monetary interest in this issue, who predict millions of deaths from these mRNA vaccines—magnitudes higher than anything ever seen from the Covid virus. We may call this speculation, but why use our entire population as guinea pigs in the first place?

Where Do We Go From Here? From Tyranny to Collapse, Part 5

What does GloboCorp want? Control, through fear and technocracy. If we've learned anything over the past year, it's how easily those with the know-how can create and use fear. One of the best means of inducing fear is mass media repeating ghastly images or sequences over and over incessantly.

Fear the Virus or the Vaccine?

Take the vaccine or not and then accept the consequences. But don't lose sight of the fact that the fingerprints of the Communist regime are all over this virus and the corpses around the world that are piling up because of it.

Pro-Pothead "Climate Warrior" Confirmed as Interior Secretary

In a major blow to the legendary "pale-faced" settlers who conquered America, "indigenous Congresswoman" Deb Haaland has been confirmed as Secretary of the Interior. Writers for Politico hailed her confirmation, which came with some Republican votes, as a rebuke to "white settlers" accommodated by a government that put Indians into reservations decades ago.

Dear Chairwoman Klick and Chairwoman Kolkhorst:

As you may be aware by now, close to 19 countries have stopped using the Astrazeneca experimental drug being passed off as a vaccine. Last week in Italy, prosecutors launched a manslaughter investigation following the death of a music teacher, Sandro Tognatti, 57, who died a few hours after taking the Astrazeneca experimental drug.

Their government also seized 400,000 shots from that same batch that killed poor Mr. Tognatti, a beloved clarinet teacher. Ignorant, but well-meaning doctors in this country continue pushing Americans to get vaccinated. I say ignorant because their claim those COVID **experimental drugs** aka vaccines are safe is absolutely false.

In my previous two letters I provided you with a lot of information. Our Howard County GOP has respectfully asked you open an investigation regarding proof the "new & novel" coronavirus exists which I won't go into again as you have all the exhibits. In the March 15th letter, I provided you with the latest VAERS numbers listing the number of deaths, adverse reactions, etc.

This letter is a plea to stop those COVID experimental

vaccinations in this state until your committee can do a proper investigation because more Americans will continue to die from those experimental “vaccines”. Here are the latest numbers from VAERS as of March 11, 2021:

1,739 deaths, 38,444 recorded adverse events, 6,716 visits to Emergency Room doctors, 734 permanent disabilities, 3,976 hospitalizations. **Every category up since the March 5th postings by VAERS.**

J. Bart Classen, M.D. had his peer-reviewed research paper, COVID-19 RNA Based Vaccines and the Risk of Prion Disease, published on January 18, 2021 gives yet another warning. “SCIVISION’s publication “Microbiology & Infectious Diseases (ISSN 2639-9458) is considered the gold standard for open access, peer-reviewed articles on everything relating to infectious diseases, epidemiology, control as well as prevention and more.”

As Dr. Classen writes in his Abstract: “Development of new vaccine technology has been plagued with problems in the past. The current RNA based SARS-CoV-2 vaccines were approved in the US *using an emergency order without extensive long- term safety testing.*”

In a NY second, he was attacked. As I wrote in my March 15th letter, these approved for “emergency use” vaccines rushed beyond any sane scientific approach are using a completely new, novel approach using mRNA instead of conventional antibodies. **The question is why?** With a 98.7% survival rate of this alleged COVID-19 virus, *where’s the emergency?*

The worst is coming. Classen’s research paper is found here:

<https://scivisionpub.com/pdfs/covid19-rna-based-vaccines-and-the-risk-of-prion-disease-1503.pdf>

And, if you’re not aware of this grissly truth, I’m providing it now. Just use a search engine: The Unborn Babies Used for

Vaccine Development Were Alive at Tissue Extraction, Jan. 12, 2021

<https://www.lifesitenews.com/blogs/the-unborn-babies-used-for-vaccine-development-were-alive-at-tissue-extraction>

“Pamela Acker is a biologist and author of a recently released book on vaccinations. The most revealing aspect of our conversation, I think, was when we discussed the various fetal cell lines being used in vaccines, specifically.

“This is where things get very disturbing, because in most cases it’s not a “simple abortion,” but rather, Acker says:

“They will actually deliver these babies via cesarean section. The babies are still alive when the researchers start extracting the tissue; to the point where their heart is still beating, and they’re generally not given any anesthetic, because that would disrupt the cells that the researchers are trying to extract. So, they’re removing this tissue, all the while the baby is alive and in extreme amounts of pain. So, this makes it even more sadistic.”

“While our discussion is broad, we do highlight the Moderna and Pfizer COVID vaccines specifically.”

Inject that into your body. The interview (1 hr) is well worth your time to watch . Do share with friends and family as well as your colleagues in our legislature, Gov. Abbott and AG Paxton. Credible information is badly needed to allow Americans to make the right choices for their health and their children.

Let me return quickly to the subject of testing which I covered in the March 3rd letter. The numbers blasted by the CDC and media are nothing but lies. **Lies manufactured by using the PCR test that does NOT test for viruses.** The PCR is a manufacturing technique and research tool. It is not a diagnostic tool.

Alleged number of cases in America. Remember, many Americans were double or triple tested for false 'readings' or because of employer demand. Each time they were tested counted as a "new" case. The alleged number of cases today: 29,549,554 – one of the biggest whoppers ever told. Completely bogus as 90% of the testing was done using PCR.

The inventor of the PCR test, Kary Mullins, who won a Nobel Prize for his brilliant discovery passed away in August of 2019. Mullins was very much aware of Dr. Anthony "Bernie Madoff" Fauci. This is a short video you might wish to watch. Fauci belongs in a federal prison along with some key players over at the CDC.

"He Doesn't Know Anything – And I'd Say it to His Face" – Nobel Prize Winning Inventor of PCR Test UNLOADS on Dr. Fauci in Earlier Video

[*"He Doesn't Know Anything – And I'd Say it to His Face" – Nobel Prize Winning Inventor of PCR Test UNLOADS on Dr. Fauci in Earlier Video*](#)

Kary Mullis said this in his previous video interview:

Kary Mullis: "Guys like Fauci get up there and start talking, you know, he doesn't know anything really about anything and I'd say that to his face. Nothing. The man thinks you can take a blood sample and stick it in an electron microscope and if it's got a virus in there you'll know it. He doesn't understand electron microscopy and he doesn't understand medicine and he should not be in a position like he's in. Most of those guys up there on the top are just total administrative people and they don't know anything about what's going on in the body.

"You know, those guys have got an agenda, which is not what we would like them to have being that we pay for them to take

care of our health in some way. They've got a personal kind of agenda. They make up their own rules as they go. They change them when they want to. And they smugly, like Tony Fauci does not mind going on television in front of the people who pay his salary and lie directly into the camera."

"Mullis went on to say Fauci refuses to debate experts because he doesn't know anything."

41 MILLION Americans – a great number of them the 'useless eaters' globalists hate, that would be the elderly – have now received one of those experimental drugs. **Without being told they are experimental.** People scared into believing this nightmare will be over if they just take the jab and make more billions for vaccine manufacturers.

These COVID vaccines do not even meet the CDC's definition of a vaccine which can be found on their web site. For pharmaceutical companies to call them a vaccine is in essence a deceptive trade practice, see: Federal Trade Commission Act, Section 5: Unfair or Deceptive Acts or Practices.

I expect we will see many lawsuits if not class action lawsuits such as what happened with "safe" drugs like VIOXX that killed tens of thousands before pulled from the market.

Your committee needs to haul the honchos of those corporations in for sworn testimony about their COVID vaccines.

Your committee must investigate the actual existence of the "new, novel" coronavirus 19 and the manipulation of death certificates. The number of alleged deaths plastered all over the media and Internet as of today is: 536,922. Another whopping lie.

Your committees need to haul in Fauci as well as the Director of the CDC, Dr. Robert Redfield and grill them. If you need a list of some of the most eminently qualified doctors and scientists to testify regarding all the requests on these

three letters I've sent, please have your staff contact me.

It is unconscionable Americans have been deceived into believing the vaccines now being used are safe when time is proving *they are not*. It's criminal every person vaccinated was NOT told they were getting an experimental drug.

I do encourage you to watch a six-minute video by Dr. McClosky because she understands the bigger picture:

'A Message To The World' by Dr. Anne McCloskey, March 18, 2021

<https://nofacemask.blogspot.com/2021/03/a-message-to-world-by-dr-anne-mccloskey.html>

Your committees are responsible for public health and safety policies. Once again, I respectfully urge you to act because I guarantee you this coming Friday, March 26th, the new numbers from VAERS will have increased with more deaths, more suffering, more permanent disabilities and hospitalizations.

Cordially,

Devy Kidd

Researchers fast-track coronavirus vaccine by skipping key animal testing first

This attachment is separate, just staple to your letter:

The Question is why? That was in early March before anyone really knew what was going on except what they were told by the liars at the CDC and Fauci.

Researchers fast-track coronavirus vaccine by skipping key animal testing first, March 13, 2020

<https://www.livescience.com/coronavirus-vaccine-trial-no-animal-testing.html>

“A clinical trial for an experimental coronavirus vaccine has begun recruiting participants in Seattle, but researchers did not first show that the vaccine triggered an immune response in animals, as is normally required.

“Now, biomedical ethicists are calling the shortcut into question, according to Stat News.

“Outbreaks and national emergencies often create pressure to suspend rights, standards and/or normal rules of ethical conduct,” Jonathan Kimmelman, director of McGill University’s biomedical ethics unit, wrote in an email to Stat News. “Often our decision to do so seems unwise in retrospect.”

“Typically, vaccine development can take 15 to 20 years, start to finish, Mark Feinberg, president and CEO of the International AIDS Vaccine Initiative, told Stat News. The lengthy process requires that scientists first give the vaccine to animals to determine whether it’s safe and effective at preventing the disease in question. Only after passing through iterative tests in animal models, and being adjusted along the way, can a formulation be tested in human trials.

“When you hear predictions about it taking at best a year or a year and a half to have a vaccine available ... there’s no way to come close to those timelines unless we take new approaches,” Feinberg said.”

That ‘new approach’ was the entirely novel approach using mRNA instead of conventional antibodies. Why? Why this new “novel approach” for this particular (alleged) coronavirus when coronaviruses are nothing new?

Remember this one? **Dr. Fauci Warned In 2017 Of ‘Surprise Outbreak’ During Trump Administration** – “There is no question that there will be a challenge to the coming administration in the arena of infectious diseases,” he said.” Who knew Fauci was a prophet?

I hope it's not removed before everyone can see this "coincidence":

Crimson Contagion – Wikipedia

https://en.wikipedia.org/wiki/Crimson_Contagion

"Crimson Contagion was a joint exercise conducted from January to August 2019, in which numerous national, state and local, private and public organizations in the US participated, in order to test the capacity of the federal government and twelve states to respond to a severe pandemic of influenza originating in China.

The simulation, which was conducted months prior to the start of the COVID-19 pandemic, involves a scenario in which tourists returning from China spread a respiratory virus in the United States, beginning in Chicago. In less than two months the virus had infected 110 million Americans, killing more than half a million. The report issued at the conclusion of the exercise outlines the government's limited capacity to respond to a pandemic, with federal agencies lacking the funds, coordination, and resources to facilitate an effective response to the virus.[\[1\]\[2\]](#)"

Well, it allegedly got started in Seattle, not Chicago. Their numbers aren't too far off even though theirs and the CDCs are fabricated lies.

Gee, what a coincidence.

More Deaths: States Must Stop

Their Vaccine Programs

What the herds are told is these are just reports and “we don’t know if there’s any connection between all those dead or suffering now with permanent disabilities after taking the shot(s)”. They always say that until a drug is finally pulled from the market due to number of deaths or adverse effects.

Joe Biden WAY Past the Threshold of Senility & Fragility

Last week, Joe Biden tripped not once, not twice, but three times while ascending the staircase to Air Force One. He might have suffered from mini-strokes. It might have been from exhaustion from his harsh schedule as President of the United States. His handlers said, “It was the wind.”

Legit Impeachment With Merit!

President Trump had only one ambition and that was To Make America Great Again and during his time in office, he did. Biden, who stole the election (yes he did with Communist help) had his own ambition, to turn America into a socialist-Communist cesspool.

Learning to Trust and Obey

In closing, let me tell you that when you grow into the realization that when you “belong’ to God through Christ’s sacrifice that all things truly do work to our good that most people will not understand. Even many believers are not able to comprehend this beautiful blessing simply because they are unlearned, or are still carnally minded.

Cancel Culture, Part 1

I was born five years after the end of WWII and most of my generation subscribed to the theory that we have to stay away from the ideologies that brought WWII on. Most of the generation before us is gone. They handed us a world-class nation above any nation that had ever existed before. We are seeing it fade into history because we won’t stand for what this country was founded on.

Battle Scars

As we endure life in this world, walking by faith and not by sight, walking in the Spirit of God and not in the flesh, seeking to serve the Lord and His Kingdom, doing that which He has commanded us – and entrusted us to do – it can get very

lonely sometimes.

The Army, the CIA and the Human Consciousness

Fascinating facets of quantum mechanics are explained in layman's terms in this report, making an excellent summary of how human consciousness is physics in its purest form. He uses three examples to illustrate how this is not necessarily new information in that hypnosis, transcendental meditation and biofeedback have been achieving altered states of consciousness for centuries, even millennia.

What Is Wrong With Jill Biden?

Inducting Jill Biden into a National Hall of Shame for the elder abuse of her failing husband may seem to pale in light of the above problems, but there are prison cells all over our country holding those convicted of this crime. What she is doing is cruel and inhuman, plain and simple.

Leftist Greenwald Auditions for Fox News Gig

Fox News now has an entire article devoted to Greenwald's critique of liberal journalists on matters like the Hunter Biden affair. It's good Greenwald parts ways with the official Democratic Party line and sees the light on these issues. But that doesn't erase his history of service to anti-American causes. Viewers of Fox deserve the truth.

When the feds violate the Constitution, should we blame the Constitution?

At the outset, we should note that the title of Natelson's paper incorporates a stratagem which creates the false belief that the States control the convention. The belief is false because the convention provided for by Art. V of the Constitution is a federal convention called by the federal government to perform the federal function of addressing our federal Constitution.

Evangelical Rednecks are the most generous people on the face of the earth. We slog our way to work everyday in support of our families only to watch the Government Beast steal the fruits of our labors and give to those who we feel have no right to take it, like those who come across our border illegally for all the free stuff at taxpayer expense.

ADDENDUM D – For Texas only

ADDENDUM D – For Texas only.

March 3, 2021

Rep. Stephanie Klick Sen. Lois W. Kolchhorst

House Committee on Public Health Senate Committee on Health &
Human Services

P.O. Box 2910 P.O. Box 12068, Capitol Station
Austin, TX 78768 Austin, TX 78711

Dear Chairwoman Klick and Chairwoman Kolchhorst:

As the Texas State Legislature does not have a science committee, I am directing this to you and your fellow committee members regarding COVID-19.

I've been in the trenches going on 31 years as a constitutional activist and investigative journalist with several published books on constitutional issues and solutions. I am a serious researcher.

Enclosed are exhibits regarding my research and COVID-19. Since all this science was new to me, it's been a lot of work learning about viruses. In order to identify a virus, strict scientific protocols *must* be used, which I will get into in a moment.

Wildly over-inflated number of cases and deaths

Factually proven since last March, COVID-19 was being listed as cause of death even when the deceased did not have a coronavirus. Deceased individuals who died from strokes, heart

attacks, gun shot wounds, car accidents and the list goes on – death certificates show cause of death as COVID-19. It's fraud at its worst perpetrated by the liars at the CDC. We have to remember: The CDC only "estimates" cases and deaths. Unprecedented: The CDC announced at the end of 2020 they would not be 'estimating' cases of the annual influenza flu season. Why not?

PCR tests do NOT test for viruses.

A PCR test, scientifically does not test for COVID-19. A PCR test is a manufacturing tool and was never meant to be used as a diagnostic tool. This is why there are so many false-positives. The PCR test has been the gold standard from the CDC. All the "cases" are nothing but smoke and mirrors, period. There isn't anything close to a factual case or death count.

Using a PCR test is like a doctor telling his patient he's going to give him a test for diabetes but the doctor wants his patient to know the test doesn't actually test for diabetes. This whole COVID-19 has been a mess since day one and a cash cow for hospitals, Chinese manufactured masks and PCR test manufacturers.

Why is it elected officials, governors, mayors and health experts in every state relied only on what Dr. Anthony Fauci says? How many know Fauci was under investigation by the FBI throughout 2014 for swiping scientific research, covering up tainted vaccines, doling out lucrative federal grants to feckless cronies and a lot more. Guess who killed the investigation? Dirty cop, James Comey. Fauci is known as the Bernie Madoff of Science. But for his powerful connections like Bill Gates and others, Fauci would have been in a federal prison long ago.

Why is it elected officials, governors, mayors and health experts in each state from early last year ignored

epidemiologists, virologists and scientists in this country and around the world regarding that alleged virus? Why were epidemiologists with decades of experience in infectious diseases and viruses calling SARS CoV-2 a bad flu?

His and so many others interviewed back in March were censored except for alternative media and are still being censored. Dr. Knut Witthowski's credentials are below in footnotes: "I'm not paid by the government, so I'm entitled to actually do science. There are no indications *that this flu is fundamentally different from any other flu*. The virus could be eliminated in weeks and herd immunity developed quickly if most people were allowed to lead normal lives."

Hysteria was deliberately created by the DNC's MSM pumping out lies by the truckload on an hourly basis for political reasons. Monopoly big-tech giants immediately began censoring *any* scientific articles or interviews by the aforementioned while America was brought to her knees. If it wasn't Fauci/CDC approved, their decades of highly specialized expertise were labeled "conspiracy theories" and of no importance.

Here we are a year later and people are still being forced to destroy their health by wearing face diapers that *scientifically* do nothing to stop the spread of viruses.

Science and viruses

Neither the CDC or health experts or foreign governments (40 of them) have been able to produce purified isolated particles to prove SARS-CoV-2 exists. That is not a conspiracy theory, it is based on the evidence provided in the exhibits enclosed with this letter. What does that mean? None of them have been able to prove that virus exists. Without a purified isolate particle sample it simply does not exist.

How can that be? That's what we the undersigned are urgently requesting your committees do a complete investigation into this because you, me, the American people demand the truth.

Ten days ago I watched a video that absolutely caused my jaw to drop. This interview on Jan. 23, 2021, was between an NBC reporter in Wuhan, China and Dr. Wu Zunyou, Chinese Center for Disease Control. In response to the reporter's question about why they haven't shared data, Zunyou said, "They didn't isolate the virus." **And, there you have it.**

I know, the first question you'll have is what are all these people dying from? Jon Rappoport[1], an investigative journalist and reporter well over 30 years explains it quite succinctly in his column: COVID: If There Is No Virus, Why Are People Dying?

[Covid: If There Is No Virus, Why Are People Dying?](#)

Let me also quote from his October 8, 2020 column, The Smoking Gun: Where is the Coronavirus? "The CDC says it isn't available. The key phrase there is: "Since no *quantified* virus isolates of the 2019-nCoV are currently available..."

"Every object that exists can be quantified, which is to say, measured. The use of the term "quantified" in that phrase means: the CDC has no measurable amount of the virus, because it is unavailable. The CDC has no virus.

"A further tip-off is the use of the word 'isolates.' This means no isolated virus is available. Another way to put it, no one has an isolated specimen of the COVID-19 virus. Therefore, no one has proved that it exists." (Remember what the Dr. from the Chinese CDC said: "They didn't isolate the virus.")

"As if this were not enough of a revelation to shock the world, the CDC goes on to say they are presenting a diagnostic PCR test to detect the virus-that-hasn't-been-isolated...and the test is looking for RNA which is PRESUMED to come from the virus that hasn't been proved to exist."

And there is the problem. Doctors, hospitals, politicians and health experts around the world have ***assumed*** proper protocol was used to identify this “new novel coronavirus”. A purified isolates particle sample is NOT *purified* when mixed with monkey kidney cells, fetal bovine serum, antibiotics, and antifungals.

Purified: To make pure; free from anything that debases, pollutes, adulterates, or contaminates: to purify metals. Free from foreign, extraneous, or objectionable element.

The CDC has stated on their web site they do not have a quantified isolates sample of the alleged virus. In order to identify any new virus a purified isolates particle specimen must be produced using science tested protocols.

Request proof from the CDC they actually have a purified isolates sample available. *If not, why not?*

We know that Koch’s postulates are the decisive criteria for the scientific detection of a virus. *Was Koch’s used by the CDC to detect the SARS-Co-V-2?*

Second, a forensic analysis must be done to determine exactly how many people died in Texas from this alleged virus alone – no comorbidities – and cross checked against death certificates.

Cross check death certificates for accuracy, i.e., in Colorado, one small town’s coroner discovered that 40% of COVID death certificates were issued where the actual cause of death was gun shots!

All of this has been very upsetting to me and countless humans around the world who have been researching this very basic question. I wrote a column about this last week and let my readers know I was going to send this letter with the exhibits and encouraged them to do the same in their states. I said I welcome an investigation from your committees because we have

to get to the bottom of this now.

Your committee can send this information to any university that does studies on viruses or any other infectious disease experts. I welcome it.

CoV-2 PCR tests definitely into a worthless venture.

“In a request for a study which shows complete isolation and purification of the particles claimed to be SARS-CoV-2, Michael Laue from one of the world’s most important representatives of the COVID-19 “panicdemic,” the German Robert Koch Institute (RKI), answered that[[1](#)]:I am not aware of a paper which purified isolated SARS-CoV-2.

“This is a more than remarkable statement, it is admitting a complete failure. This concession is in line with the statements we presented in our article “COVID-19 PCR Tests Are Scientifically Meaningless” which Off Guardian published on June 27th, 2020 – a piece that was the first one worldwide outlining in detail why SARS-CoV-2 PCR tests are worthless for the diagnosis of a viral infection.

“One of the crucial points in this analysis was that the studies contending to have shown that SARS-CoV-2 is a new and potentially deadly virus have no right to claim this, particularly because the studies claiming “isolation” of so-called SARS-CoV-2 in fact failed to isolate (purify) the particles said to be the new virus.

“This is confirmed by the answers of the respective studies’ scientists to our inquiry, which are shown in a table in our piece – among them the world’s most important paper when it comes to the claim of having detected SARS-CoV-2 (by Zhu et al.), published in the New England Journal of Medicine on February 20, 2020, and now even the RKI. Incidentally, we are in possession of a further confirmatory answer from authors [[2](#)] of an Australian study.

“What you will read in this article is the scientific evidence

that it has never been proven that the “deadly” COVID-19 virus exists. In fact, all of the leading scientists on COVID-19 (SARS-CoV-2) have admitted that the scientific rules to prove COVID-19 have not been established. The global corona pandemic is simply based on assumptions and on agreed consensus and not science at all. This may sound unbelievable at first, but please read for yourself and see the facts that prove this irrevocably. Only after you have read this article will you be able to make a good judgement about the current COVID-19 Plandemic. *End*

Re: COVID Shot: Rising Deaths, Serious Injury, Spontaneous Miscarriages and Stillbirths

Dear Chairwoman Klick and Chairwoman Kolkhorst:

I sent you and the other Reps and Senators a certified letter and package on March 3, 2021. The purpose was two-fold: Respectfully requesting your committees investigate why neither the CDC nor any research labs or government health agencies for 40 foreign governments have been able provide a purified isolates particle specimen proving the existence of this COVID-19 and a forensic audit of actual deaths.

This letter is a plea to stop all vaccine distribution in the State of Texas. Due to the despicable and heavy censorship of any factual data, research or injuries reported by Google, Twitter, Facebook and the disgraced MSM, most Americans have no idea what's been happening since those COVID-19 **experimental** vaccines – have been unleashed on an unsuspecting public.

No, I'm not an "anti-vaxxer", the favorite smear label vomited up by those with an agenda. I had three by age five and not another one since nor do I need any of them or flu or pneumonia shots. If people want to get a vaccine, that's fine but they should also understand that in this instance, the COVID-19 shot is NOT a vaccine. Americans have the legal right to know they are getting an experimental drug. Hasn't happened and that is a crime.

As you are aware, vaccine manufacturers have been buying the favors of both parties in Congress for decades giving them immunity regardless of the carnage they leave behind. Let me give you the most current numbers according to VAERS (Vaccine Adverse Event Reporting System), a government data base:

"Between Dec. 14 and Feb. 19, 19,769 reports were made to the Vaccine Adverse Events Reporting System (VAERS) following immunizations with either the Moderna or Pfizer BioNTech mRNA

vaccines (the only two vaccines given during the time period assessed). The 966 deaths represent 5 percent of the total number of adverse events reports. Of those who died, 86, (8.9 percent) died on the same day they got the shot. An additional 129, (13.4 percent) died within one day. An additional 97 died within 2 days, and 61 within 3 days.

“A total of 514 (53.2 percent) died within a week. 173 died within 7-13 days. 106 within 14-20 days. 85 percent of deaths occurred in individuals over 60; below 60 there were five deaths among those aged 20-29; 8 aged 30-39; 20 aged 40-49; and 57 aged 50-59.” *Epoch Times*

February 26, 2021: **Experimental** COVID mRNA shots by Pfizer & Moderna: 1,265 deaths, 25,212 recorded adverse events

March 5, 2021: **Experimental** COVID mRNA shots by Moderna & Pfizer: 1,524 deaths, 31,079 adverse “events”

Increase of 259 deaths in eight days and an additional 5,867 adverse “events”. By March 5th, 630 permanent disabilities, 3,477 hospitalizations and 5,806 visits to ER’s.

VAERS Vaccine Expose – Huge List Of Deaths Within A Day Of Injection, March 10, 2021

March 7th after new data dump: 1,637 Deaths. It will grow exponentially. Dr. Sherri Tenpenny is one among so many warning people deaths would begin 3-6 months after getting the experimental shot. You can see the dates above and see the progression.

COVID Vaccine Injury Reports Grow in Number, But Trends Remain Consistent- 20% of deaths were cardiac-related, March 5, 2021: Data released today by the CDC confirm several ongoing trends, including that 47% of deaths occurred in people who reported becoming sick within 48 hours of receiving a COVID vaccine, and 20% of deaths were cardiac-related.” [Ussanews.com](https://ussanews.com)

Large Numbers Of Health Care And Frontline Workers Are Refusing Covid-19 Vaccine, Forbes:“Roughly 55 percent of surveyed New York Fire Department firefighters said they would not get the coronavirus vaccine. Hospital and public officials in Riverside, Calif., have been forced to figure out how best to allocate unused doses after an estimated 50% of frontline workers in the county refused the vaccine.

“Fewer than half of the hospital workers at St. Elizabeth Community Hospital in Tehama County, Calif., were willing to be vaccinated, and around 20% to 40% of L.A. County’s frontline workers have reportedly declined an opportunity to take the vaccine.”

As you must know, those experimental drugs are not FDA approved nor licensed. The U.S. isn’t the only country showing the beginning of a mass tragedy.

The numbers are derived from the U.K. Yellow Card vaccine reporting scheme, which is the British equivalent to the American Centers for Disease Control and Prevention’s (CDC) Vaccine Adverse Event Reporting System (VAERS).”

March 4, 2021: **3 Dozen Cases of Spontaneous Miscarriages, Stillbirths Occurring After COVID-19 Vaccination Reported to VAERS**: "Many cases of spontaneous miscarriages occurred in the first trimester, or the first 12 weeks of the pregnancy, with 25 occurrences after being *immunized* with a Pfizer-

BioNTech vaccine. While the four cases of stillborns occurred in either the second (weeks 13-27) or third trimester (weeks 28-40).

“In one case, a physician in Tennessee, at five weeks pregnant, suffered a miscarriage 13 days after being immunized with a Pfizer vaccine. The 31-year-old woman had no known allergies or medical history.

“While a 33-year-old Indiana nurse in her third week of pregnancy had a miscarriage five days after receiving her second Pfizer vaccine. She also reported that the adverse event caused a birth defect.

“And a 32-year-old woman in Virginia who was eight weeks pregnant reported having a miscarriage five days after being injected with the first dose of a Moderna vaccine in January. She had consulted with two obstetrics and gynecologists (OB-GYN) prior to receiving the vaccine on Jan. 14. She experienced abdominal cramping and vaginal bleeding two days later and had a miscarriage on Jan. 19. She had only been taking prenatal vitamins.

“In Michigan, a 35-year-old woman who was 28 weeks and five days pregnant said that the baby’s movements decreased two days after her first Pfizer vaccine in December 2020.” Both Pfizer and Moderna did not respond to a request by The Epoch Times for comment.

“Dr. Shelley Cole, MD, an OB-GYN and a member of America’s Frontline Doctors, says it’s concerning that a vaccine still in an experimental phase is being recommended to pregnant and lactating women and that science is no longer protecting them.

“As an obstetrician-gynecologist, it is a concern,” Cole told The Epoch Times. “We’re [now] throwing science and the scientific medicine method out the window and jeopardizing pregnancies and future pregnancies.”

“It concerns me that the CDC says that there are no studies, but it’s okay to get it and you don’t even need to discuss it with your doctor,” Cole added. “I mean this is the opposite of everything that the scientific models and methods, and standard of care has been for a century.” –*Epoch Times*

“According to the National Vaccine Information Center, as of February 18, 2021, there have been an **additional 46 complications** reported of pregnant women who have received a COVID 19 vaccine. These complications range from stillbirth, premature delivery due to spontaneous rupture of amniotic fluid, abnormal fetal heart rate and more. Complications are occurring both early and late in the pregnancies.”

That’s just a small sample. Medical examiners, pro-vaccine doctors and pharma companies who manufacture the current experimental drugs passed off as a COVID-19 vaccine all deny the deaths had anything to do with the shot. **They always do.**

Let me enlighten all of you about these deadly cocktails and

experimenting on infants and children. There is a video documentary of REAL people telling their horror stories titled: **The Greater Good – Real Stories of Vaccine Injury**. Do look it up and watch. You'll see a mom, a psychiatrist, *who trusted her pediatrician and the vaccine*. Her two-month old baby died shortly after being given the jabs. I wanted to cry watching her pain. Looking at that beautiful baby now dead. Heart wrenching. Vaccine manufacturers consider the dead "acceptable collateral damage" for "the good of all".

While Congress has given immunity against lawsuits against vaccine manufacturers, you, me and the rest of the taxpayers are stuck with the payouts via a slush fund called the National Vaccine Injury Compensation Program which compensates victims of vaccines. It's similar to a 'no-fault' divorce. Without admitting a vaccine caused death or horrific medical damage turning your loved one into a vegetative state, settlements are quietly made.

The last figures available through 2018 for payouts: A whopping \$4.5 BILLION dollars for "safe" vaccines.

Let me sum this up based on my year-long research:

This country was locked down based on a theory originating from a 16-year old high school student (Laura Glass) doing a science project based on ZERO science. It has been a MASSIVE failure; 100% unnecessary if only governors and health officials had listened to non-Fauci/CDC approved scientists and doctors by the thousands both here and around the world.

Americans forced to 'practice social distancing' – Nonsense backed up by NO science – has been nothing but a control tool causing terrible psychological problems for Americans – especially children.

Forced wearing of face masks that over time has proven to be *extremely damaging* to a person's health – especially children and has made little to no difference in people getting sick.

The CDC issued their diagnostic recommendation for testing using the PCR test we know does NOT test for viruses **which is why the number of cases used to justify lockdowns and destroying the lives of tens of millions of Americans is bogus.** I provided information on this in my last letter.

This is Fraud: 10% of Reported COVID-19 Deaths for Those Under 35 as Reported by the CDC Are Due to Poisoning, Trauma and Unintentional Injuries

Number of deaths from COVID-19 is a lie because to date, no one and I'm repeating myself here – no one has a purified isolates particle specimen – not even the most highly respected German Robert Koch Institute (RKI) who responded to inquiry with: "I am not aware of a paper which purified isolated SARS-CoV-2." "Founded in 1891, the Robert Koch Institute is one of the oldest biomedical research institutes in the world."

Ex-Medical Examiner: The "500,000 COVID Deaths" Number Is a Lie – "Now it's "500,000 Americans have died of COVID-19!" which certainly is an attention-getter. It's also profound COVIDiocy, writes an ex-medical examiner with more than 30 years-experience in death investigation. The number isn't even remotely accurate. After outlining his impressive résumé, that man, Dennis McGowan, explains why he calls the way SARS-CoV-2 deaths are recorded "the big lie."

This pandemic was forced upon America based on *assumptions and consensus* by doctors, scientists, health officials and politicians **that there was in fact an identified virus detected using written in stone scientific protocols.** They ALL assumed the CDC was making available a quantified, purified isolates particle specimen which has not happened to date.

Now that desperate Americans – scared to the point they can't think rationally – are blindly lined up for one of the COVID

experimental vaccines are we starting to see the results as months begin to go by. This, to me, is beyond distressing which is why I am asking you, each of you, to take this seriously. I would ask how many coffins will it take before – like so many times in the past – those experimental vaccines are suddenly *stopped because the number of deaths becomes what you cannot ignore?*

Once again, I ask: **Are all these experts in infectious diseases, vaccines and scientists from around the world – are they all ‘right-wing’ conspiracy nuts or “anti-vaxxers”?** I would also encourage you to watch a video by Prof. Dolores Cahill (bio separate page) as she warns that in the coming months and year or twodown the road, we’re going to see tragedy. Just because she’s not Fauci/CDC/Google/Facebook/Bill Gates/Twitter and MSM approved does that mean she doesn’t know what she’s talking about?

And, let me tell you something else we’re seeing in this toxic ‘cancel culture’ if you tell the truth or give your qualified scientific opinion:

Professor Dolores Cahill: People Will Start Dying After COVID Vaccine, Jan. 5, 2021: “Dolores Cahill Dolores Cahill, a professor at University College Dublin and recognised international expert in this field, predicts deaths will occur around the world as a direct consequence of taking the COVID-19 vaccines.

“In her latest video interview, the influential professor, Dolores Cahill, makes this grim prediction based on what is known already about the vaccines, their rushed development and the entirely novel approach using mRNA instead of conventional antibodies.

“As with almost every leading expert who speaks out against the official pandemic narrative Professor Cahill has suffered professional and personal retaliation. In her case Professor

Cahill was forced to resign her position as vice chair of the Scientific Committee of the Innovative Medicines Initiative (IMI), a partnership between the European Commission and the drugs industry to promote new drugs.”

These “COVID” vaccines are worth tens of billions in profits for the manufacturers and they will do everything in their power to herd the masses into getting a jab. However, latest polls thankfully show 42% of Americans will refuse and one third of our military.

Texas needs to stop all vaccinations until your committee can investigate our request in my March 3rd letter and this one.

Cordially. *End*

This “Racism” and “Woke” Thing is Getting WAY Out of Hand

Dr. Seuss' "Cat in the Hat" is now a racist book! That's like saying if you drink white milk instead of chocolate, you're a racist. If you like daytime more than nighttime, you're a racist. That's like saying the reason that Tom Brady won the Superbowl stems from the fact that he enjoys "White Privilege."

With No Apologies

Yes! America was settled as a solidly “Christian” nation! By Caucasian Europeans who built both their personal lives and civil government on the solid foundation and cornerstone of Jesus Christ! The following proofs are quoted directly from the writings and official documents of the original Founders of America, the Pilgrims and Puritans!

Dodging the Biden Bullet, Part 5

This is taking America down a path I assure you the vast majority of Americans don't want to go. But here we are. I can not see God allowing this to continue too long. We did not vote for this. The election was stolen and the White House literally has the demons of hell residing there. Expect God to do something He's never done before.

Noticeably Different

I do believe, whether America is destined to suffer the horrors of the Babylon of Revelation 18 or not, this nation WILL be justly judged and WILL be destroyed, for our sins have

definitely piled up to heaven now. And the world will be amazed that such a nation could perish so quickly, yes, even in a day.

Power by Insurrection has No Constitutional Authority

Patriots know we have a faux government put into power by an insurrection, which means it has no Constitutional authority to govern. The Constitutional requirements for voting were not followed, and every conceivable method of cheating was employed, resulting in an insurrection and a faux government.

Why Private Property Matters: Part 1

Locke warned that human civilization would be reduced to the level of a pack of wolves and cease to exist because lack of control over your own actions caused fear and insecurity. Private property ownership, Locke argued, brought stability and wealth to individuals, leading to a prosperous society of man.

Created Reality, Part 1

There are six major media outlets owned by the same cabal of elite billionaires who possess 40 percent of the world's wealth. In meetings such as those held at Davos, Bilderberg, and the World Economic Forum, these billionaires, in collusion with technocrats and the media, have created an adverse form of reality to establish policies and situations to augment only them.

How We Got Where We Are

Recently, I have received a lot of emails from people concerned that under President Biden we seem once again to be moving toward Socialism as when Biden was vice-president under President Obama. Of course, for the U.S. to move toward Socialism, the people would have had to be conditioned beginning a long time ago to accept it, and that began with our educational system.

The Serial Killer Known as the China Virus

Good riddance to those shallow and gutless "conservatives" who fail to grasp and describe the enormity of the threat. Shame on those who fail to hold China responsible and accountable for a virus that has become so deadly it has taken the form of

being a state-sponsored serial killer of our fellow Americans.

Christianity, Savior of Western Culture or Casualty of Cancel Culture? Part 6

And all this time, the Right, conservatives, and libertarians were either asleep at the wheel or already succumbing to the siren lure of the Left. Even after having been told the truth, in the Dodd Report to the Reece Commission, for one, as well as the Interviews of Yuri Bezmenov, an ex-KGB officer and Soviet defector. Many books have exposed the cultural Marxist goal...

Show Me the Law

If we do not get an understanding of how America was designed to operate, we have no chance of restoring this nation. Basic civics is no longer taught in America's government schools because those who are in control of The Government do not want you to understand how we have been snookered.

With Republican Help, Steady Marxist “Progress” Under Biden

The Senate Republicans got a scalp. The mean Tweets of Neera Tanden got her nomination as Office of Management and Budget (OMB) director pulled by the Biden Administration. Wow. Has the GOP demonstrated it's a serious opposition party? But some Republicans seem eager to confirm Communist Party-backed candidate Rep. Deb Haaland in a far more important position – that of Secretary of the Interior...

It's All About Control

In Canada the Peel Regional schools, covering three suburbs of Toronto, have hatched a scheme that has even a lot of the “experts” on the warpath. Here's what they want to do. If one child in your child's class tests positive for COVID, school officials want you to take your child home and “self-isolate” him in one room for 14 days. During that time, he must stay in the room and not come out...

Write a Letter to Your

Congressional Representatives in DC

For some reason, American voters continue voting Senators and House Members into office with huge paychecks term after term, but those elected officials fail to accomplish anything from year to year and in many cases, from decade to decade. I personally write my Golden City Council, governor of Colorado, state senators, two U.S. Senators and my House member...regularly.

America, Do You Like Being Lied To? Kamala Harris Returns Home, Only 2 People Welcome Her

No matter how many times or how many ways you say it or share it, the people in this country blindly rally behind those who are setting the narratives. By following them, Americans are day by day adding strength to tyranny...

Welcome To The Final End Of

The Green New Deal

Government-manufactured racism, Climate Change and the Coronavirus, disrupted society so bad as to change it forever for the worse. Government seized upon the Coronavirus to expand its powers well beyond the 17 enumerated powers contained in the Constitution. Once the precedent was set, once the extra power was grabbed, there was no going back.

Lying, Cheating and Stealing, Elected Joe Biden

Joe isn't running anything, and neither is Harris, who wasn't even in the loop on Obama's recent unprovoked bombing of Syria. She's upset that Joe never mentioned it to her in advance, but even dementia Joe didn't know, until he stumbled through the teleprompter announcement after the fact. Why do you think House Democrats are trying to strip mindless Joe of his nuke keys?

Rabid Marxists Dominate America's Judiciary

Communists and socialists are evil proponents of big government who would willingly sacrifice human liberty and freedom to advance their concept of "social justice." From the

beginning of time, this evil has paved the way and devolved into what we're seeing today. The hatred of God and the elevation of man is the very core of communism.

Why the Communists Are Winning

As I note in *The Sword of Revolution* and *The Communist Apocalypse*, the Marxists see the U.S. as a society based on slavery which has since become the leading capitalist nation and must therefore be "transformed" into socialism on the road to communism.

The Coming 'Great Reset'

We've already seen substantial spikes in the gas prices at the pumps, and it's only been a month so far. But the price of gas at your local convenience store will be the least of your problems this year. It's doubtful many will be traveling much of anywhere anyway, given the coming federally-mandated lockdowns, mask and vaccine mandates.

“Useful Idiot” Is a Technical Term

Nothing offends people more than the cold hard truth these days. That's why it's fatally dangerous to shut down any and all voices of dissent and only allow the echo chamber in your life. Truth is not really in the eye of the beholder. Most truths are self-evident, you know it's true the minute you hear it or see it, even when you don't like it.

Renewable Energy IS Causing an Environmental Wasteland

Not for the weak hearted...There is so much snow in Dagestan right now that animals are buried alive, Feb. 25, 2021: “Now after Texas, the Middle East, Asia and Europe, the ‘Big Freeze is now coming back to Russia, where parts of the Ourals and Dagestan are experiencing so intense blizzards, leaving weather scientists baffled.”

Killing the Keystone Pipeline: Are We Being Led by

Fools or Idiots in Washington DC?

Do you realize we suffer a lot of stupid people in Congress and in the White House that are taking our country for a 'ride'? I mean, Joe Dementia closes down the oil pipeline only to open up our borders for the human invasion violating our laws. He celebrates BLM, but won't honor our borders or our U.S. Constitution.
