

‘Educating’ Ourselves to Death

But now it’s a thing that’s literally true, and dangerous. You can’t spend billions and billions of dollars, year after year after year, pumping children’s heads full of garbage—can’t do that without winding up with a garbage country.

America’s Downward Spiral: It’s The Little Things That Add UP

If you have traveled to America’s southern border with Mexico—like I have six times in the past 20 years—you would be appalled at the sheer numbers of 25 million migrants who have jumped them illegally. You would be witness to endless thousands of tons of trash along that 1,952-mile border.

Cesar Chavez Holiday—Honoring An American Hero

I am greatly indebted to Cesar Chavez, especially for the example of his humble, selfless life in service for others. I will always walk in his shadow. May the God he so faithfully served bless and keep him. May the country he so faithfully

served, always remember and honor him.

Ponder Prepperism, Part 2

There are massive amounts of free videos, blogs, and other resources on the subject of indoor gardening available to a beginner. Start by performing an internet search on “indoor gardening” before the Deep State realizes that such information is a danger to their complete control of We the People! Start your indoor gardening projects now – the subject will grow on you.

Media Cover-up Continues as US Soldiers Die In Their Bunks

One thing I have said to my radio listeners, year after year, is that if the American people roll over in the face of a government that advocates the murders of innocent babies, how long do you suppose it will be before it is you for whom they will be coming (Galatians 6:7)?

Please Slap Me in the Face

Despite disasters at home and abroad, including a foreign war, record debt levels, soaring shipping costs, rising crime, surging inflation, and an educated idiot Supreme Court nominee, at least 40 percent of the American people support Brain Dead Biden. No wonder books for dummies are so popular with Americans.

The Genesis of Our Divisions

It would be unreasonable and unrealistic for me to expect people to drop their many programmed divisions entirely today. So instead, I will suggest that we all lay them aside for the time being, long enough to unite on freedom and liberty alone, until we resecure both for our future generations. In the end, we won't have any choice but to do so.

What Can YOU Do for Your Country? – Part II

Some of the most active people I know are in their early 80's doing what they can. I will be 73 in June with not many years left. But, when I take my last breath I will know I did everything I could to help save a country birthed with the blessings of Almighty God. Please, don't let all the blood that was spilled be for nothing.

America's Downward Spiral: Why Is Congress Doing It To Us?

At the same time, in excess of 100,000 homeless Californians she represents, live with drugs, poverty, alcohol, and futility. She hasn't, won't and refuses to help them. They constitute the wretched masses that can eat dirt while she shows off her \$20.00 pints of ice cream at her mansion.

Organized Crime Controls The Votes In NH

President Trump and I have forced the election fraudsters to show their teeth. Me in 2008, 2009 and 2010. (See my website) Because of my success at exposing voter fraud I was told to shut up or get shot. The left ALWAYS resorts to violence when they can't win in the courts. In court, under oath, I am undefeated.

Our Lying Corporate Media II: Demonizing Putin

Needless to say this went unreported in Western media, as Putin goes on to note. Zelenskyy has been portrayed as a saint, and his government depicted as under siege. This last might be true, but for entirely different reasons than are reported.

Why Are The Biolabs Important

Note that these labs were initiated by the Democrats, funded by the Democrats, then denied by the Democrats, but are now fully exposed as Democrat operations. There aren't the six or eight that Nuland suggested but forty-six. Just what are the Democrats working on?

YOU are Non-Essential and Unsustainable

This is exactly how Marxism, Socialism and Communism work. No one has any human or natural Rights. It's all about the "greater common good." Of course, it's always about the greater common good of the ruling class elites, not you. Guess who gets to decide if YOU are essential and sustainable...and on what basis?

Educated Idiots All Around Us

The communists, apparently, are calling in their chips on Ukraine because they are about to capture a seat on the Supreme Court and don't want a foreign war as a distraction. Cultural Marxism, which includes DNA denial, is now front and center. Biden's Supreme Court nominee, picked because she is a black woman, refused to define the word "woman" on the grounds that "I'm not a biologist."

America First Political Action Committee (afpac) 2022 Conference

Although not featured in the presentations, important literature from the group, "Republicans For National Renewal" was available. This is the group that could wrest control of the Republican Party from the RINOs and neo-cons. Please contact me for information on this organization.

Living in a Dystopian Reality

Castro abandoned his men and managed to escape, but soon after

was apprehended. During the trial for the failed coup, he assumed his own defense and, after accusing the government in the strongest terms, he ended his speech with the phrase: "Condemn me, never mind. History will absolve me." His defense speech has been...

A New Low: A Substitute Teacher Masturbating in Front of Class

The first bomb came from Nutley, New Jersey, a high-end town—or so we thought. A substitute teacher was arrested for masturbating in front of a high school class. Hard to imagine, isn't it? But actually it gets harder. This was his second offense!

Where are the Papa Bears?

How did Christianity become so passive in the face of the onslaught of evil? Who taught us to blend in...not make waves...go along to get along...submit to the rule of the "unfruitful works of darkness?" The Scriptures actually teach us just the opposite.

Church Leadership & U.S. Congress: 100 Percent Responsible for America's Downward Spiral

But along with that, Biden invited billions of dollars in drugs that are being distributed all over America to your kids. Over 100,000 opioid deaths last year! Do you think one single Senator or House member has or will stop the flood of barbiturates, ecstasy, fentanyl, and heroin? Answer: NO! Who suffers? You and your kids.

Want to “Throw the Bums Out”??

America has gone from super power to laughingstock. We can't wait one more election cycle to get a real grip on the situation. WE are going to have to BE THE CHANGE. The same old “pol's” with the same ol' pals have nearly destroyed us, and only WE can put a stop to it. I submit that, if we are lucky enough to be able to vote in secure elections in Nov., 2022, we must choose new leaders, who are not owing to anyone but their electorate.

Actor, Comedian: Meet The Man That The Mainstream Media Failed To Introduce

If it is happening in America, one must come to terms with the fact that it is happening all over the world. After all, the powers that are tolerated are trying to create a new world order (Revelation 17:17).

The True Tragedy of Biden's Border Treason

The demented Biden's disastrous border treason is ballooning to the point at which it is nearly boundless. This moronic, psychopathic mental midget is completely transforming the Historic American Nation into a nation of illegal invaders, Third World troglodytes and political "sickophants."

Biden's Bay of Pigs

It's fitting that Putin's Russia backs Iran and makes possible its nuclear weapons program. Biden will sacrifice Ukraine on the altar of the 2015 Iran nuclear deal, brokered by Russia. Russia is using the revival of the Iran Deal to evade economic sanctions for its invasion of Ukraine.

The Homicidal Killing Fields of America's Medical System

All of this was accelerated with the improper FDA, CDC and NIH protocols given to hospitals and physician groups for COVID-19 and daily spewed via our propaganda media by Dr. Anthony Fauci. Millions died needlessly and alone. VP Pence and the people he hired...Fauci, Birx and Redfield, ran the Deep State show. Had Trump listened to Dr. Scott Atlas and Peter Navarro, perhaps the outcome would have been different.

How Much History of Russia, Ukraine & NATO Do Americans Really Understand?

There is so much deliberate lying out there about what's going on right now but thanks to so many intrepid writers who actually do in-depth research, the truth about Russia & Ukraine both past and present, is getting to the people of the world. Ukraine is one of the most corrupt countries on the planet. I didn't say the average everyday Ukrainian Joe, but the oligarchs and their ever-changing governments.

Greatest Practical Joke In America: Will “Lia” Thomas—A Guy In a Girl’s Swimsuit

How a DNA male swimmer can put on a girl’s one-piece bathing suit and compete with girls must be senseless, most misogynistic, and REALLY creepy, if not emotionally warped choice in this day in age.

Are We Witnessing a Southern Invasion?

So if you’re looking for someone to blame for the current state of our border, look no farther than your mirror. Rather than blaming the alien who broke the law, take responsibility for your choices that led to the fact that those laws aren’t being enforced in the first place.

Democrats Itching To Control Your Income

There has to come a time when We the People stand up and say enough. Our Constitution is no longer followed by either party and we are heading down the path towards socialism.

Resisting Suggestions

Negative

Inasmuch as we all enter the world as products of original sin, we tend to put our faith in the people we find around us, and as a result, we wind up misled, betrayed, and disillusioned.

Never Compromise With Evil

When we compromise with evil, when we go along to get along, when we are politically correct, biting our tongues in order to be “non-offensive” to those who are ignorant, dumb, deceived or part of the wicked world system, we cease to be salt and light and until we gather the courage to “love not our own lives, even unto death,” we will always remain utterly useless to God.

Cold War II – Part 1

The last State of the Union Address featured a crooked senile thief, standing in front of a dimwitted whore, and a bat-shit crazed woman. With immoral, incompetent leaders such as this, as well as the aforementioned homosexual transportation

secretary and many other immoral leaders, America will not remain a blessed nation for very much longer.

Putin's Peace Offer in Ukraine

Before I discuss Putin's current offer for peace to Ukraine, you need to know that I am not at all interested in convincing you that Putin is a "good guy." I have no interest in convincing you that the Ukraine government is any better than the Russian government either, because they may in fact be worse.

Has Russia Won the War?

Ukraine loses more and more territory to Russia and is now engaged in "negotiations" to end the war on Russia's terms. This means Ukraine will be neutralized and Russia will dominate Europe. Pope Francis has stepped forward, to provide religious cover for Putin's victory. That's what the "negotiations" are all about.

Arms Rights Round-Up

“Backdoor” Gun Registry: The Bureau of Alcohol, Tobacco, Firearms and Explosives (BATF) is in the process of creating a massive database via digitization of Form 4473 people fill out when purchasing a firearm. In 2021 alone, ATF processed at least 54 million of these forms, a process that began during the Obama Reign of Error.

What Impacts the Price of Gas?

Vladimir Putin has nothing to do with the current prices at the pump. Joe Biden and his Green New Deal is 100% responsible for what you are paying at the pump today, and what it will cost you tomorrow. Follow crude prices and they will track entirely to what you pay at the pump.

My ‘Bell Mountain’ Books

What would happen if a piece of highly advanced technology, still intact, were to fall into the hands of people living a thousand years after the civilization that produced that technology was utterly destroyed? That’s the question posed in my book, “The Witch Box,” No. 15 in my “Bell Mountain” series...

Ethnic Conflict, Racial Conflict, Religious Conflict: Humans Are Deadly

Every day in America, men kill three women in domestic violence incidents. In Muslim lands, annually, men kill 20,000 of their wives or daughters known as “honor killings” because the women said or did something that displeased the savages of that peaceful and delicate religion.

The Origin of Covid-19—Updated, Part 14

Currently, there is a growing concern about a new subvariant, BA.2, which is being increasingly detected in New York and in American wastewater plants in general. Danish scientists believe it is 1.5 times more transmissible than 6 previous variants. A professor of molecular biology at Warwick University, Lawrence Young, recently told CNBC.

“Fake News” Media Outlets Are Never Censored, Just Those That Tell The Truth Are

Corruption is censoring the speech that exposes them for who they are and for what crimes they are responsible for committing (Luke 12:2). The mainstream media has a long history in covering for them that are responsible and it must stop.

Putin Has No Soul, Biden Has No Brain

To make matters worse, Biden Supreme Court nominee Ketanji Brown Jackson worked on behalf of suspected al Qaeda and Taliban members imprisoned at Guantanamo Bay. Putin has no soul. It turns out that Biden has no brain and no soul. And that's why Putin is winning.

What's YOUR Freedom Really Worth?

So, I suggest you give some very serious thought to what your freedom is worth to you, because in the end, you're not just deciding for yourself. You are deciding for the entire world

and all future generations!

Thoughts on Russia, Ukraine and Our Lying Corporate Media

My money is on something like this. He goes on to observe how the Internet is now so integrated into economic activity in advanced nation at every level, that if it went down for just two weeks the result would be an unprecedented shock wave that took down markets and disrupted supply chains everywhere. Rolling blackouts would likely ensue and air travel would cease...

Can States Rein in the Federal Government?

Since We the People formed those state governments and elected those who hold office, then we are derelict in our duty as well. If freedom and liberty fall in America, if despotism and tyranny are allowed to continue, if this experiment in self government has failed and the sacred fire of liberty should go out, it's because We the People have been derelict in our duties.

Non-Assimilating Soup Of Ethnic Diversity

All I know stems from the fact that children, mothers and old people face death daily from an invasion of Ukraine. Additionally, those young conscripted Russian boys die like flies. Those young and old Ukrainian men die by the thousands. Over 2,000,000 refugees flee to surrounding countries. What's to become of them? Who is right? Who is wrong? Is Putin a hero? Is he a monster?

People's Retirement Accounts Are Under Attack

How long before the Socialist Democrats devise new retirement laws allowing them to end up with more of your retirement than you. They are working on this legislation as we speak. Midterms are around the corner. Who we put in office from here on out is more important than ever.

To Pray to God – or Whoever

As our modern American Church continues to descend into apostasy, we are now reaping what we have sown as we can see in the hearts and lives of our young people. Please understand, I'm not talking about ALL of our young people;

I know many who have been raised by Godly parents in the fear and admonition of the Lord, and their lives reflect that. But these are most definitely the minority today.

How and Why Our Wonderful Nation Came About and How Do We Keep It

I Have been reading NewsWithView's articles for a long time. I think NWV's got my attention back in 2008 ~ 2009 when I began to think we were at the end of this age. I still think we may be at the end of this age, but I have come to believe that it may depend more on us, the people, than I had originally thought.

Land of the Ignorant, Home of the Cowards?

Those who gave birth to the greatest free people ever known to mankind some 246-years ago were fearless in the face of overwhelming odds. God help us if there are no such men alive today!

Is America is Scared of Russia?

My column about this event at the time noted that although Putin created his own “United Russia” political party, Komov admitted that the Communist Party of Russia is still a significant force in the country and is the second most powerful political party in the Russian Duma.

New Names for Old S***

The Oregon legislature, for instance, is about to enact into law a bill that recasts blatant racism as a “public health crisis”. It would be just plain ugly “racism” if we did anything like this; but when they do it, it’s “public health.”

I Almost Died and Went Bankrupt from Stage 4 Metastatic Melanoma

When I explained what I was going through with brain cancer, they told me there was a great chance they could help me. I filled out the application and sent them my health documents. Within a few weeks, they told me they had a buyer. I received over a six-figure amount that saved me from going bankrupt and

losing everything. I'm still not out of the woods with cancer.

Jamming The Mainstream Media: People Are Starting To Catch On

You see, the state-run media during this time controlled the masses by allowing the people to only feed on the narrative that was contrived by the corrupt in government (Psalm 94:20). In fact, much of what you see today in and around the world is very similar to that of Romania before its overthrow.

The Night Watchman: How Biden Drove Up Our Gas Prices

While all of the above is quite true, the summation of the DOE leaves out the important fact that during the Trump administration, we were completely independent of foreign oil. And now we once again rely on the Arabs, Russia, Venezuela, Mexico and others, and import a huge percent of our energy needs.

The Errors of Russia, the Dupes of Putin, and Another Holocaust

As we battle socialism and communism here at home, even recognizing the spiritual dimensions of this crisis, we also have to recognize its advance abroad, though such regimes as China, Russia, Iran, North Korea, and Cuba.

Military Medical Evisceration of America's Finest

Some who have received the injections can no longer function in the military, others may have negative effects down the road, but one thing remains clear, our soldiers are being experimented on, injured and sometimes killed by injections that long ago should have been pulled in disgrace from the market for all humanity.

Vladimir Putin: Russia's Trump?

The two leaders, Trump and Putin, could not be more different in myriad ways. But they are alike in one important regard: both are nationalists at a time when the international

globalist cabal is busily endeavoring to checkmate nation states to bring about its vaunted One World Dystopia—I mean One World Government.

War: Death, Destruction, And Human Misery On The Little Guy

Every veteran reading this column knows that there are no heroes in wars. If you lucked out, a bullet didn't have your name on it. For every guy on the Vietnam Memorial Wall, a bullet, bomb, napalm or shrapnel carried that kid's name on it. If that bullet missed you, you've enjoyed a long and hopefully, fulfilling life.

State of the First Amendment Survey

I got the idea for the Constitution Study while listening to a podcast reporting on the 2013 State of the First Amendment Survey. While the First Amendment Center has not issued a survey since 2019, based on what I've been seeing lately it's still worth investigating. Let's roll back the clock a few years, look at the state of the First Amendment...

Our Only and Last Hope

As we saw the video coverage by citizen reporters on the scene, we were shocked at the brutality that police were inflicting on the people who were assembled there – peacefully seeking a redress of grievances with the politicians that supposedly represent them. But we've now learned that many of those "police" were not Canadians at all – they were...

What Happened To The Integrity Of Our Elected Officials, Part 3

I have not seen a democrat since JFK worthy of a vote from the American people. Lyndon Baines Johnson was a racist POC and escalated the Viet Nam war for, I believe, his personal benefit. Jimmy Carter hated Israel and was not capable of understanding how an economy works, not that any democrat that I have seen does. Clinton was and is a

Another War, Another Buck,

Part 2

Nevertheless, despite all efforts and pressures upon the people and a couple of years of scare tactics and lies, most people began losing their fear of the virus and tried to go back to some sense of normality. Obviously, this was a source of great concern to the globalist conspirators. But, with his war against the Ukraine, Vladimir Putin, has become their best ally in the production of a new terror...

Marilyn MacGruder Barnewall: Feb. 2, 1937 – Feb. 25, 2022

Known internationally, Barnewall was affectionately dubbed “the Mother of private banking” by Rick Scammel of Washington Trust Bank in Spokane. Forbes Magazine named her “the Dean of American private banking knowledge” and Town and Country called her the personal banking industry’s “guru”.

Distractions

Let them understand that if they do not protect our property rights, we will vote them out of office. As Tom DeWeese put it so well, we awake and patriotic Americans are “dedicated to the ideals of limited government, free enterprise, and individual liberty.

How Did Biden Give His State Of The Union With A Straight Face?

The miracle is, how did he do it with a straight face? How could he stand in front of all the members of Congress and a dwindling American audience of only 30 percent approval rating—and tell us what a wonderful job he's done?

“Viva Yo!”

There's a Spanish expression, “Viva yo!”, which means, literally, “Long live me!” But it means a little more than that. “I come first! I'm the king. The rest of you, out of the way!” There's a lot of “Viva yo” going around these days.

Ukraine Burns But Resists

To repeat, here's how we got to this point: The Russian regime fooled the West – making itself seem like a new and modern and democratic state – in order to attract Western capital and underwrite subversion and aggression against the West. The Chinese communists conducted the same kind of pretense but

kept the Communist Party officially in power...

Double-Vaccinated 20-Year-Old Model Suffers Heart Attack And Both Legs Amputated

While all of this was going on, pressure was building in her legs, not allowing blood to flow. Ultimately, it was decided the damage to her legs was too severe and irreversible – they needed to be amputated. Both her legs were surgically removed on Friday.

Response to Sen. Rick Scott 11-Point Plan

As democratic socialists in power continue to burn the entire free world to the ground by way of the “COVID19 GREAT RESET,” and we enter yet another election year wherein Republicans hope to gain political power against the most unpopular federal administration since Jimmy Carter, Senator Rick Scott issues his “plan to save America.”

America's Descent Into Darkness

Up next...are digital health cards for a virus with a 99.8% recovery. The goal is total control despite Pravda's porn fear that it's, "for your protection." Remember, "we're all in this together." Yeah, like hell we are. Nursing home residents were exterminated for lack of proper care and their families weren't even allowed to be with them when they were dying.
