

The Cornucopia of Deceit, Lies and Ultimate Evil, Part 2

Why are these doctors and professionals being censored if the new COVID vaccines are in fact, safe and effective? The answer is simple, they are not safe nor effective, and the inoculations are NOT vaccines, yet they are called vaccines to protect the pharmaceutical manufacturers from liability for damages.

Thank You for Giving To Save Our Daughter-In-Law's Life

Your giving and compassionate hearts have been amazing and it has touched us deeply. We will be forever grateful to you. Thank you from the bottom of our hearts. May God bless you.

Is it Legalism or Is It Holiness?

One of the most common statements I have had said to me when I preach or teach on holiness and obedience is that we are saved by grace through faith and that our holiness and righteousness isn't sufficient for salvation. Usually, this comment comes

from the once saved, always saved crowd.

Democrats Attempt To Reset America, Part 2

The Democrat's blatant push to establish a Marxist/socialist form of government will not sit well with the American people. I understand that our places of higher indoctrination have been painting a picture of sunshine, lollipops, and rainbows concerning socialism/communism for the last forty years or more

Our Redemption Draweth Nigh

We don't watch much television in our house. Hardly any, really. The television is probably the least-used appliance we have. But sometimes we turn it on to watch an educational program, a documentary, one of the "old" classic TV shows or even an occasional movie. What I've noticed over the past year is the constant, never-ending barrage of Leftist propaganda

Truth of Covid 19 and the Wuhan Lab

China is a totally Communist country. The Communist goal is to forcibly compel the world to serve Communism. That has been their goal throughout the centuries. China is the focus today rather than the old Soviet Union which was the cradle of Communism.

Memorial Day 2021: Will We Keep America Free?

But Memorial Day 2021 differs from past Memorial Day observances. Our nation is more divided on this Memorial Day than perhaps any time since the Civil War. Indeed, the country has been transformed from “one nation under God” into a divided nation without God, resulting in seething, increasingly violent, animus and mutual distrust.

Are the Military and Trump in control?

I just got off the phone with a high up and trusted, military source I know. He confirmed a few things for me.

The Trump Plan

Throughout the 2020 election cycle and every moment since, we have read literally dozens of theories about what President Trump may have planned, everything from running a “sting” with watermarked ballots to trap corrupt democrats and republicans, to “military tribunals” responsible for allegedly “hanging” Hillary Clinton and Barack Obama at Club Gitmo.

Here Comes the China Virus Whitewash

The “pro” wrestler John Cena has issued an apology to China’s communist rulers for recognizing the existence of Free China on Taiwan. “I’m really sorry. You have to understand that I love and respect China,” said Cena. The same obsequious attitude characterizes China Joe and the U.S. Intelligence Community. They are as “professional” as the wrestlers who stage fake blood and gore matches for ratings.

It’s Pushback Time

This week parents in Scottsdale, Arizona, held their own public meeting outside Coronado High School. They did it

because that's where their Unified School District board meeting was supposed to be held, but the board members never showed up. To avoid answering to the public, they held a "virtual meeting" online.

How To End Alzheimer's and Dementia

Today in America, we eat fast foods, junk foods, chemicalized foods, GMO foods, preserved foods, Coke, Pepsi, Mt. Dew and a host of artificially sweetened sodas along with chips, beer, hard liquor, pizza, very little fiber, TV dinners, and endless "white sugar injected" foods from ketchup to salsa to salad dressing.

Sean Hannity Pretends With Bruce Jenner – This Is Why You Have A Left

Though this took place last week, I had to digest it a bit more before doing this piece on Sean Hannity sitting down to interview Bruce Jenner, who now wants you to believe that he is a woman. Sean played along with this man that wants you to believe that he is a woman.

An RPG, EMP, Or Hacker Could Turn Our Lights Off

Your lights, refrigerator, your electric stove, your television, your radio, your furnace or air conditioner, your garage door opener, or your charger that charges up your Iphone or computer would cease to operate. Tens of thousands of cell phone towers all over America that relay tens of millions of phone calls would cease to function after their back up batteries were depleted.

The Psychopaths in Beijing, Moscow, and Washington

I look forward to the Netflix documentary, "Chinese Mass Murder," on how the Red Chinese regime released a biological weapon on the world, as part of a plan to destroy the United States and other Western nations, in order to achieve global domination.

Press Censorship

In addition to writing articles, I also write letters to the

editors of major daily newspapers. Of course, they are almost always censored/rejected, but I thought the information contained in a few of them might be of interest to NewsWithViews readers. The first letter was sent to THE WASHINGTON POST on January 19 of this year.

The Federal Government Violates Education Code

Is America Worth Saving? It is not enough to pass a BILL without oversight from the people. Freedom requires work. Will you be a watchdog and look for the subliminal messaging your school?

Only Three Days Left To Help My Mommy

And I'm so excited, I just want to jump up and down! It looks like my mommy will be able to have special treatment in Mexico to treat her breast cancer without chemotherapy and surgery!

What “Conservative” Incumbents Don’t Want You to Know

My column last week, TX Gov. Abbott Doesn’t Want to Stop Chemical Castration & Mutilation of Children, covered the obscene efforts by Texas Gov. Gregg Abbott, Speaker of the House Dade Phelan and Rep. Dustin Burrows to kill bills that would protect children in our state from predators looking to make big bucks off mutilating children through surgery and hormone treatments.

Treason, Blackmail, and the Wars to Come

The development comes as billionaire Bill Gates, a close friend of Epstein, is divorcing his wife, with reports emerging of a more substantial Bill Gates relationship with Epstein. Gates, a big backer of the United Nations and personal friend of Barack Hussein Obama, had issued a statement trying to excuse his Epstein association.

Critical IQ Theory Versus

Critical Race Theory

For all of 2020 and now, 2021, racial tensions flare at the slightest tribal confrontation between White police officers, government officials, academics and Black Americans. Black Lives Matter stands to burn and loot any city where it deems police as racists or murderers or biased.

Get Ready For: Severe Shortages, Layoffs, Increasing Prices, Empty Shelves, and Economic Chaos

The Left would have us believe that the economy is skyrocketing and everything is going gangbusters – except that the evidence says otherwise. All over the U.S. there are shortages, as well as around the world. If you need a reason, can you say Plandemic? I wrote back in October of 2020 that the purpose of COVID and all the related nonsense was and is power and control, and nothing has changed.

Democrats Attempt To Reset

America, Part 1

Everybody is talking about America needing a reset and I agree. We need to go back to what made America great not shift over to what has proven through all six thousand years of man's history as a total failure . . . socialism/communism. All we have to do is look at Greece, Venezuela, Cuba, the old USSR to understand that that political ideology is nothing but an excuse for the self-proclaimed elite to lord it over the average person.

Is Covid-19 a Bio Weapon to Thin the Herd?

Several Whistle Blower and courageous Medical Doctors have come forward exposing the real danger of vaccines and the deadly agenda behind them and their release. Dr. Rima Laibow who was a long-time physician to many Royals, has uncovered a stated depopulation agenda by the U.N.

A Requiem for QAnon

A sign that we're still in the proverbial fog of war is that theories of all manner of plots and plans abound, giving people hope that even though things look bleak, we're headed toward that happy ending. And much of the encouraging news online comes from the mysterious, still anonymous "Q" and his

cadre of analysts who unpack his cryptic messages for the trusting Q followers.

Dead or Alive, Communist Super Rich Dictators will Lose

The manner of their defeat is totally in the hands of the Cabal of Communist Super Rich dictators and their minions. These evil criminal traitors control everything and a faux government by insurrection. What this Communist Cabal of Traitors is doing to our country makes King George look like a piker and a genius by comparison.

UFOs Are the Least of Our Problems

Tucker Carlson is demanding that the Pentagon protect America from Unidentified Flying Objects, or UFOs. I think the only “aliens” we should be concerned about are the illegal kind coming across the border. We have pictures of them, and they are not little green men who say “Take me to your leader.”

The Significance of the Scroll

In the right hand of the One who sat on the throne was a sealed scroll. This scroll was a legal document, as is made clear by the seven seals. The seven seals are from the seven witnesses as to the document.

America's Medical Mafia: Biopharmaceutical Companies

The US has had a patent on SARS and COVID, in general, since 2003. Huh? And there hasn't been much in animal testing. These inoculations are not normal vaccines. Vaccines contain proteins, this is mRNA, which changes a person's genetic makeup.

Multiculturalism: Splitting Our Country At The Seams

This past Tuesday night, over a dozen Palestinian-Americans, driving cars around Los Angeles with large Palestinian flags, attacked patrons at restaurants as they dined on the sidewalk. They yelled, "Are you a Jew?"

Cuomo's 'Leadership Lessons'

I can't make up my mind what to write about today—Andrew Cuomo getting a \$5.1 million book deal, or the IRS and the Postal Service teaming up to frustrate our efforts to pay our taxes. Let's see if I can find space for both.

Are America's Pastors the Real Thieves?

Look. I am not itching for a fight, but I refuse to play along with the religious establishment as they continue to bow their cowardly knees to the idol of government. Don't you find it ironic that brave men across the world are being chastised by their Christian brethren for pushing back against the forces of our Demonically controlled government?

Hi-Jacking Government: FDA Authorizes Emergency Use For Pfizer's mRNA Injections On

12-15-Year-Olds

Despite all the statistics coming out on the deaths of young and old people dying from these experimental vaccines, what do they do? Do they stop? No, they do not stop. They push forward while they rely on the mainstream media and the big tech companies to censor any information that is in contrast to their set narrative (John 8:44).

**Ah 'Tis Treason That Fills
the Air Nearly
Everywhere!**

We conclude with a message to the current generation. As you go about your daily lives and do nothing to reverse the degradation and treasonable actions perpetrated by evil actors upon Americans, you have condemned your children and grandchildren to ever-increasing slavery until at one point they will be so controlled and regulated that they might as well be in chains or behind bars.

No Evidence of Election Fraud 2020?

Nostradamus was famous for predicting the future, even though

he was wrong far more often than right. But we live in a period when most can't even see the past or present, even though it's all around them all day, every day.

When Tyranny Becomes Law, Rebellion Becomes Duty

Medical tyranny in America meant lockdowns, quarantines, masks, and constant temperature taking. Gone are our God given first amendment rights of free speech, free exercise of religion, right of assembly, petitioning the government; all nullified by despotic dictators. Big Pharma's injections, and massive depopulation are the ultimate goals of the totalitarians.

Help Save My Mommy's Life

This is my mommy, Tiffany and me. My mommy has stage 3 Invasive Ductal Carcinoma breast cancer. While I'm too young to understand, my dad, Sten, does know the right treatment is a matter of life and death.

TX Gov. Abbott Doesn't Want to Stop Chemical Castration & Mutilation of Children

I've lived in W. Texas since June 2006, having escaped the wasteland of my home state, California. Texas has a reputation for being tough: Don't Mess With Texas. But, too many conservatives in this state believe just because Republicans continue to hold the majority in both chambers in Austin at the state capitol, the Democrat Communist Party USA and their sick, dangerous ideologies won't advance.

We Are in the Third World War

The West has been fooled and our survival is at stake. The "Red Jihad" in the Middle East, the worst violence in years, signals the onset of what Nyquist calls the Third World War. In order for the United states to survive, Israel must not only survive but win its war against Hamas.

**We're Riding on the U.S.S.
Titanic: Few People**

Understand Our Dilemma

Last Thursday's column, May 13, 2021, America Not Prepared for the Future, should have been the highest read column in the United States. It exposed Biden's "U.S. Citizenship Act" that would add, at the minimum, another 37 million immigrants to the USA, the highest number of people added to our or any country in 10 years, in the history of the world.

Is Trump Betraying Conservatism?

Former President Trump is using his clout in the Republican Party to make it more liberal. He backed a social liberal and tool of the gay lobby, Rep. Elise Stefanik, as House GOP Conference chairman. A quickie election behind closed doors guaranteed her victory on Friday.

America's Lack Of Judicial Integrity, Part 4

We have lost our confidence in our elected officials over the last couple of decades on both State and federal levels. They have proven corrupt beyond anything that we could imagine. Democrats attempt to shame Republicans while ignoring the blatant corruption in their own party.

Inviting Folks to Church Now a Crime?

Pastor Arrested for, now get this, inviting people to come to church! WHAT???? And the exact charge? "Inciting people to worship." That is what is on the books. So it is now against the law to invite someone to come to church? Even though this specific case took place in Canada, it is goose stepping its way across the border to the U.S. Indeed the U.S. authorities have been working overtime to close all churches here.

Rep. Ilhan Omar Slams Israel for Defending Itself While Ignoring Hamas Rocket Attacks

Where is the rightful outrage over the atrocities of Hamas and others committed against Israel? The above tweeted video is just more of the same, justification for Hamas and others to do as they please against Israel without consequence, while Israel is soundly condemned for defending themselves against terrorist attacks.

Trump Is Gone And Oh What A Mess

The Democrats have historically thrived on either creating a mess wherever they acquire any political authority or provoking others to attack Trump supporters, as did congresswoman Maxine Waters. Even worse, they convince others through indoctrination that it is better to be a foul hate filled bigot like droopy CNN big mouth Joy Reid.

Election Fraud Arrests Begin

The people must have free, fair, transparent, and honest election systems they can have confidence in, or everything will collapse, and street justice will reign. Evidence of election fraud must result in holding people accountable for their actions, or fraud is the new norm for as far as the eye can see.

A Tale of Two Vaccines

The headline, "COVID-19 deaths in US fall to lowest level in 10 months," means an average of 600 deaths per day. That's too many, and Communist China bears responsibility for this mass murder. But thanks to former President Trump's Operation Warp Speed vaccines, the death toll is declining and life may be returning to some sense of normalcy in many areas of the

country.

They Came For Our Kids and We Did Nothing

Americans must stop drinking the Kool-Aid. Do you think that just because your governor writes an executive order, people will comply? Do you think that just because you believe in America, Family, and God, everyone else does? Do you think that just because President Reagan took down the wall, that communism would just disappear? Think again, because Communists never sleep.

Dr. Anthony S Fauci: America's Angel of Death

Hollywood celebrities recently honored Dr. Fauci with an award for "courage" during a virtual gala for the AIDS Foundation. The glitterati heaped praises on the doctor, best summed up by actor Morgan Freeman who thanked him "for all of his efforts to keep as many of us alive as possible."

War of the Worlds

This past weekend was our annual National Day of Prayer, kicked off, as usual, by a presidential proclamation. But the patzer currently inhabiting the White House left God out of his proclamation. True, he forgets a lot; maybe he forgot God, although he never forgets to promote abortion or transgender.

America Is NOT Prepared for the Future; Nor What's Coming

If you are worried about the future of your kids, this latest development will really cook your emotions, your sense of right and wrong, and ultimately, this 90 second video will show you the most distressing, if not incomprehensible future for our country.

We're In A Battle For Freedom. Where's The War?

Many experiments have been done with animals to determine their behavior in certain situations, or for some nefarious reasons to modify their behavior. The primates are the behavioral scientist's or social psychologist's favorite subjects because they more closely represent their nearest human cousins. The usual process is for the researchers to

provide a stimulus to the subject animal and record the response.

Political Theatre – They Do Not Even Believe Their Own Propaganda

This time around, it has been called an “invisible enemy,” and this invisible enemy that has been attacking Americans and their God given rights is in plain sight (Jeremiah 5:21).

Sheriff: Help Me! My Park and Rec Department is Mask Bullying

So I am calling on my sheriff for simple protection from this unlawful harassment of city workers. I am asking him to make good on the following statement that we at the Institute on the Constitution will be releasing in full version very soon as a template for others to use as an appeal to their local sheriffs.

The COVID Jab, a Genocidal Weapon of Mass Destruction

The Rockefeller Foundation helped found the German eugenics program years before Hitler and even funded the program that Josef Mengele worked in before he went to Auschwitz. Eugenics would have been so much bizarre parlor talk had it not been for extensive financing by corporate philanthropies, specifically the Carnegie Institution, the Rockefeller Foundation and the Harriman railroad fortune.

The Stupid Party Gets Stupider

Just when you thought the Republicans were getting their act together, by dumping Liz Cheney, we find out they are replacing her with a tool of the gay lobby. Tony Perkins of the Family Research Council says the Cheney replacement, Rep. Elise Stefanik “has supported legislation like the Equality Act, which normalizes a radical sexual ideology at the detriment of families, children, and people of faith.”

What About the Confusion of

Our Leadership in Washington DC?

Our country suffers from so many problems, it's beyond difficult to find a path leading toward solutions. In the past three weeks, Sandi and I traveled through four states—Colorado, New Mexico, Arizona and Utah. At each tourist spot, we engaged people from all over the country. Most of them were retired “baby boomers” getting a jump on the summer crowds.

PCR Lawsuits – Should Hospitals Be Included?

There is so much scientific information exposing those COVID shots the ‘gods of the universe’ (Google, facebook, Twitter, Instagram) are in overdrive censoring all of it in an effort to continue selling the big lies about COVID-19 and those “safe” shots being passed off as vaccines.

CDC/ATSDR

Attn: FOIA Officer, MS-054

1600 Clifton Road, N.E.

Atlanta, GA 30333

Dear Sir,

This is a request made pursuant to the Freedom of Information Act, 5 U.S.C. § 552, and the regulations of your agency implementing such. See 45 C.F.R. § 3.1, et seq. The request is:

Please provide the following items related to the COVID 19 disease and related pandemic:

1. All tangible evidence, documents (whether printed or electronic), notes, computer data or any other form of memorialization, showing how a scientifically correct isolation and purification of the suspected coronavirus was conducted by CDC scientists (or parties acting on your agency's behalf).

2. All tangible evidence, documents (whether printed or electronic), notes, computer data or any other form of memorialization, confirming CDC scientists (or parties acting on your agency's behalf) used Koch's Postulates in detecting this new coronavirus.

I further seek a limitation or waiver of processing (search and review) fees, pursuant to 5 U.S.C. § 552(a)(4)(A)(ii)(II): ("fees shall be limited to reasonable standard charges for document duplication when records are not sought for commercial use and the request is made by ... a representative of the news media ..."). 5 U.S.C. § 552(a)(4)(A)(ii) ("Documents shall be furnished without any charge or at a charge reduced below the fees established under clause (ii) if disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester."). See also 45 C.F.R. § 3.54(a).

The records requested will contribute significantly to public understanding of the government's operations or activities. Under 45 C.F.R. § 3.54(b)(1)-(2), the following factors are to be considered in determining whether a disclosure is in the public interest: (1) whether disclosure of records concerns "identifiable operations or activities of the Federal Government" and (2) whether disclosure of records would "likely to contribute significantly to public understanding of [government] operations or activities." THIS evaluates two factors

to determine whether the latter requirement is met: (i) disclosure "must be meaningfully informative about government operations or activities," and (ii) "disclosure must contribute to the understanding of a reasonably broad audience of persons interested in the subject." 45 C.F.R. §§ 5.54(b)(2)(i)-(ii). I am seeking the requested documents on behalf of a media organization that wishes to learn more about this matter in its efforts to educate the American public about the activities of your agency and its response to the current pandemic.

In the alternative if fees are not waived, this is my firm promise to pay fees and costs for locating and duplicating the records requested, but please inform me if costs for this request exceed \$100.

Sincerely,

Lowell H. Decraft, Jr.

PS: This request has also been filed via email.

READ: Can experimental mRNA vaccines act as bio-weapons and transmit coronavirus spike proteins to the unvaccinated? By Lance D. Johnson, May 6, 2021

"After Pfizer skipped animal trials for their new mRNA coronavirus vaccine, they began using various doses of foreign mRNA to experiment on human test subjects. This foreign vaccine mRNA stops the innate transcription process in human cells, providing new instructions for protein synthesis which basically overwrites the innate genetic expression from the body's own DNA.

"The foreign vaccine mRNA halts the natural protein synthesis

in human cells, blocking cells from producing the amino acid sequences that they typically build for the proteins that are needed in the body. The foreign vaccine mRNA circumvents the innate intelligence of the human body, instructing the ribosomes of the cells to instead churn out spike proteins (properties from the coronavirus bio-weapon).

“In the [study design documents furnished by Pfizer](#), scientists warn of “occupational exposure” to the vaccinated in a 24-hour monitoring period. What might be transmitted by the vaccinated, if occupational exposure is of concern? Why did Pfizer keep this limited occupational exposure data separate from the clinical study?

Pfizer documents warn of potential adverse events from occupational exposure to the vaccinated

“According to [Pfizer’s own study design documents](#), scientists were concerned about “occupational exposure” to the recently vaccinated test subjects. Under section “8.3.5.3. Occupational Exposure” Pfizer warns that caretakers and close contacts of the recently vaccinated could be exposed to the spike proteins that are translated and synthesized in the cells of the vaccinated. During the clinical trials, Pfizer instructed researchers to monitor for severe adverse events in the vaccinated and in the unvaccinated people who were exposed to the vaccinated. What does “occupational exposure” entail? The mRNA vaccines do not shed live viruses, so what exactly is being transmitted from the vaccinated to the unvaccinated?”

EXPOSED: Facebook’s Independent COVID Fact-checker Site FactCheck.org Funded By \$1.9 Billion Vaccine Lobby, April 29, 2021

“A so-called independent fact-checker website FactCheck.org is

exposed to be funded by the same \$1.9 billion vaccine lobby group that it is supposed to check. The site is a Facebook partner whose articles are used to censor critical voices on the social media platform. It is headed by the former CDC director, which is again a conflict of interest.

“A U.S. congressman *Thomas Massie* has pointed out a fact that a COVID-19 vaccination “fact-checking” project conducted by Facebook-partnered website is actually funded by a group that holds \$1.9 billion in Johnson & Johnson stock. The group is headed by the former CDC director.

“U.S. Rep. Thomas Massie of Kentucky tweeted Saturday, “NOTHING TO SEE HERE ... Former director of CDC is now CEO of the foundation that funds FACTCHECK.org’s vaccine fact checking program. Roughly 15% of said foundation’s assets are J&J stock. “Bless your heart if you think factcheck.org is an unbiased source of vaccine information,” he continued.”

Another Covid Myth Dies the Death by Jeffrey A. Tucker, April 10, 2021

An Unaware and Compliant Citizenry, Part 3

I was talking with a young man named “AJ” at a mailing place I go to about Part 2 of this series, and he recounted something that happened to him. He said that one day he was wondering about whether someone, Google or the government or someone else was monitoring him. So he decided to conduct an experiment.

America's Lack Of Judicial Integrity, Part 2

As we all know the police officer in the George Floyd case was convicted of three counts of murder. Since Floyd took a lethal amount of drugs that day, how can it be murder? Asking for a friend. How can that be justice? He was a violent criminal, on several illegal drugs, passing a counterfeit \$20 bill and resisting arrest, but the cop is at fault.

Guinea Pigs in a World-Wide Experiment

It's often hard to know what's true and what's not true. Even sources we would like to think we could trust often run with stories prior to doing any sort of independent fact checking. We must all work harder than ever to get the real truth because real truth is now censored by the internet conglomerates and social media platforms.

Mothers A Gift Or Not A Gift?

Working as a chaplain I have spoken to many young and older people about their mothers. Some were in a violent world they had created for themselves, while some were in prison or in juvenile detention. Others were executives with families who

were well respected in their communities.

Misleading Students May Kill Our Onetime Republic

If one objectively looks at the political, academic, and religious landscape throughout the United States, they are probably very concerned about the future of our nation. The United States was literally founded and built upon a collection of solid principles. If they were more closely adhered to, individuals like Nancy Pelosi,

The New Face of the GOP is Trans

Just when the Republicans are poised to dump Rep. Liz Cheney from House GOP leadership, they are embracing ex-masculine man Caitlyn Jenner as candidate for Governor of California. Caitlyn, once known as Bruce, immediately went on Sean Hannity's Fox News show in high heels to be crowned as the new conservative white trans hope.

Democrats Erasing History – DC Cannot Become a State!

The Dem Communists are determined to make Washington, D.C. a separate state in order to add two more representatives for the House in order to swing all political actions to the left. They also intend to pull in Puerto Rico for the very same reason which would give them double advantage in making certain that only the left can make and pass laws.

COVID Police Fail Again – Mask Mandate and Lockdown Narrative Coming Apart

This has all been a game, a game of power and control. There is no worry about your health as you don't even matter. This is all about controlling the Sheeple. Mask mandates came about, and most people were only too eager to obey. If you don't wear one, you are scum, a criminal, a Nazi. One problem, masks don't work.

'Public Education' as a Car:

A Parable

Suppose the government decided you had to buy a new car every year, whether you want to or not. If you already have a car, you can keep it. You don't have to take possession of the government car, but you'll still have to pay for it. They suck the money out of your taxes, so you're stuck.

The Seven Principalities of Hell

I have never used my column to discuss something that another author had written but I am going to break that tradition. On my daily show we talk about all things spiritual and how the dark forces are having their way with the American church. We are warned in Scripture that "my people are destroyed for a lack of knowledge"

The Big Business Buffoons Who Run Berkshire Hathaway

An objective history of World War II exposes the failure of the West, except for Winston Churchill, to foresee the aggression of Hitler's Third Reich. Today, some of the smartest businessmen in the world still do not understand the menace posed by Communist China, even as its China virus

To Prop Up The Black Race We're Dumbing Down the White

Perhaps the dismal performance of American students over the last several decades explains why America is in so much trouble today and how socialist Democrats have become the party of choice of a majority of the purposely dumbed down American voter. Perhaps that is why socialist-in-chief President Biden has a 53.9% approval rating after only 100 days in office.

Do You Remember The 60 Minutes Vaccine Fallout From 1976? Fraud Then, Fraud Now

Democrats, Media, and Big Tech Attack Senator Tim Scott – For Speaking the Truth

Democrats and their staunch allies the media and Big Tech don't want We the People to understand, they don't want the truth to come out. Finally Joe Biden's handlers let him out of the closet they keep him locked up in.

Dysgenic Islamic Inbreeding

During the KV-197 band C-130 pilot transition program run by Lockheed Corp. in Saudi Arabia, American instructors found that most Saudi trainees had very limited night vision, even on the brightest of moonlit nights. Also, the trainees had very poor retention rates from their training, including the mechanics and maintenance personnel as well.

Communist Media Attack Western Vaccine Successes

With my pro-vaccine columns getting censored and dozens of people dropping off my subscriber list because of them, a friend wrote to me, saying, "I'd move on. Biden/Harris are doing plenty of other things wrong to write about." There are

a couple things wrong with this approach.

Joe's Joint Session of Socialists

Pseudo-President Biden gave his first teleprompter reading to a joint session of socialists on April 28th – which drew about as much audience and support as the average Biden or Harris campaign rally last year. Nearly none...just a handful of socialists, most of whom are his handlers

I'm So Old

I guess it's official. I'm officially old. It's not just the multiple mailings I get every month from AARP or the fact that the grocery store checkout clerk routinely asks me if I qualify for the "senior discount." Lately, I've been thinking about the way things used to be and feeling a little like a dinosaur.

America's Lack Of Judicial

Integrity, Part 1

Some people have said that America is heading for a reset. In many cases, I agree that we are in desperate need of a reset when you look at what is happening in our country. Cities are burning, violence is off the charts, though all this is only happening in Democrat-controlled states, it is still happening.

No Tears, Only Cheers by The People for Demise of Communists

The purpose of this article is to report the real feelings of The People toward the Communist rulers who usurped our Constitutional Republic and are rapidly destroying our country.
