

Georgia On Our Minds: The Devil Went Down to Georgia

It's somewhat incomprehensible that Governor Kemp just won the Republican primary handily. This comes after former President Trump has continuously excoriated him over his general RINO behavior and his acquiescence in the vote fraud associated with the 2020 elections.

Mass Shootings: Manifesting the Nihilism of the West?

I'd planned an article on Peyton Gendron, the shooter who killed ten people in a Buffalo and injured three others in a Buffalo, N.Y. supermarket on May 14. Then I woke up this morning – it is May 25 as I write this – to learn that Salvador Ramos, also 18, shot and killed 21 in a Texas elementary school, 19 of them children.

What We All Must Do to Save our Republic

In May 2008, I visited the homestead of Nathan Hale in CT. Nathan Hale was hanged by the British at the age of 21. Before he was hanged, young master Hale said, "I only regret that I

have but one life to lose for my country.” Just a kid he gave his life for future Americans to be free.

Decoration Day, A Solemn Day of Remembrance

Decoration Day was officially changed to Memorial Day by Federal law in 1967. On June 28, 1968, the Congress passed the Uniform Holidays Bill, which moved four holidays, including Memorial Day, from their traditional dates to a specified Monday in order to create a convenient three-day weekend.

At What Age Do You Have Rights?

Since the district court found that infringing on the right of certain people to keep and bear arms somehow did not burden the Second Amendment, they figured they were done. However, in an effort to cover their backside, the court determined that this question should receive intermediate scrutiny. But what is this “scrutiny”?

Why Are The American People Ignoring This Phenomenon?

Ever since 1965, this national phenomenon has been working on changing the entire demographic of America from a successful European-dominated Republic to a country racked with violence, racial strife and ultimately, disintegration.

How Did Christ Fulfill the Law?

Voting cannot save you; the politicians cannot save you. How has that been working for you? Nothing on this earth can save you now. The dark powers have gone too far to be turned back by man. They have a spirit being leading them! Shouldn't you have the most powerful Spirit Beings in the universe leading you? Only God the Father and Jesus Christ can save us! Get rid of your stubborn pride and your superiority complex.

The Dangers of American Education, Part 1

We have seen the massive pushback from the school boards now that parents are demanding accountability. Some cities are worse than others but they are all bad. I have called for the

schools to be put back into the hands of the state and the parents with heavy parental involvement. The time to act is now!

Seven Things God Hates

God doesn't hate America, but He most certainly does hate what our nation has become, under cowardly "Christian" leadership, and ignorant, apathetic sheep – who are supposed to be the salt and light of this dark world.

How I Came to Trust God for Healing

I'd just encourage believers today to trust God for the thing before them. Whatever the mountain, you can speak to it. But first, take your eyes off the obstacle and reach the unseen hand of God. Tell Him you trust Him. Seek His wisdom and direction for the thing you're dealing with.

Memorial Day 2022: Will We

Keep America Free?

Memorial Day is a day to remember what should be remembered every day—the service and sacrifice of the more than 1.3-million American veterans who have given their their lives in war so that we, their posterity, might live as free Americans.

I For One Refuse To Comply With Federal Laws That Are Blatantly Unconstitutional!

It is my opinion based on observation, study and history that the PSRRC, politicians, bureaucrats, judges, academics and large corporations are destroying this country and its people. History teaches us that when you take everything away from people and they have nothing to lose, that the people will revolt until only ashes remain.

Flags Over Boston

When is flying a flag government speech? That was the question before the Supreme Court in the case of *Shurtleff, et al. V. City Of Boston et al.* Could the City of Boston refuse to fly a Christian flag? Was the city required to do so? Or did Harold Shurtleff have the right to fly the flag of his choice on public property?

Is Socialism a Liberal Idea?

The answer to that question depends on who you ask. If you ask a young public school or college indoctrinated kid, they will likely tell you yes. But if you ask anyone old enough or properly educated enough to know the truth, the answer is no. However, I'll present the facts on the matter, and you can decide for yourself.

Trump's Endorsements Are Inflating the Swamp

Former news anchor for Fox 10 in Phoenix, Kari Lake was endorsed by President Trump for the Arizona gubernatorial race. She is a registered republican, but was a democrat voter in 2008 for Barack Hussein Obama. She has also been registered as an independent. She is a constant guest on Fox News, and will likely be the next governor of Arizona.

Part 2: Absurdities of Our Times In America—Just

Irritating

How absurd were 107,000 opioid overdose deaths last year in the USA? But then, how absurd is it that Biden invites all the drug cartels to invade our open borders with all their drugs. Biden is a one man drug cartel himself! And, your kids are paying a severe price. Absurd? It's off the wall absurd.

Big Shots with Lame Excuses

Public schools have emerged as the most convenient venue for groomers. School boards used to be staffed by normal people, insurance companies used to sell insurance, and no one was required to go along with and "affirm and celebrate" anyone else's absurd delusion.

Developing a Data-Driven "Dysphorian" Digital Dystopia

Throughout the rapid passage through transitory states, no prospect has inspired as much mystique, critique, and wild speculation as what has now been "christened" artificial intelligence (AI). Theoretically, sensation and complex thought – the reasoning faculties that once defined the human mind – can now be enacted in silicon-based processors...

God Will Never, Ever Abandon Us

We may not know what challenges we will face tomorrow, or the details of how end times events will unfold, but we know based on His infallible word that Jesus is coming back for His children. Whether He takes us home through death or catches us up when He returns, Jesus will always be with us through our journey on earth.

Unbiblical and Unconstitutional Welfare State Now Has 59 Million Dependents

We must be aware of what it is that the government is illegally doing, along with what those are doing that are pulling on the heart strings of the people that work. Yes, it is more blessed to give than receive (Acts 20:35), but just make sure that to whom you are blessing really needs it.

Pandemic Monkeyshines

It seems the WHO is planning for ten solid years of pandemics, from 2020 to 2030. How does WHO know what, why and when? Unless, of course, Gates' minions—the WHO included—are feverishly planning and executing these pandemics. What better way to accurately predict the future than by controlling it?

Our Fault, Our Fix!

This is a lot of work, as I've set it out here. But WE are a lot of very upset frogs who must get the heat under the pot turned down or off. Our precious freedoms are worth every bit of effort we can put in. There won't be a next try. The enemy is trying to affix the lid to the kettle so we can never fight again.

The Root of ALL Evil

Contrary to modern indoctrination institutions that are responsible for making sure that the average American isn't even smart enough to tie their own shoes by High School graduation much less vote for their own future, to include many global one world churches today, money itself is NOT the root of all evil.

Absurdities Of Our Times In America

What stands as our most absurd moment in American history? Answer: a purported 51 percent of Americans voted for a senile, old man who has accomplished nothing in his entire life in Congress other than give blow-hard speeches. And, now, he's running America into the ground faster than a bullet train.

Tax Cuts, Fair Tax Schemes Keep People Herded in the Wrong Direction

For forty years the tax and spend Democrats ruled Washington, DC, looting the people's treasury for social programs that are clearly outside their authority under the Constitution. LBJ's great society jump started this insanity and sadly, my parent's generation bought into their chains of dependency and have passed this mess to my generation.

They Are Coming After Us!

For years now God has been warning the Body of Christ in America that we were to resist the evil overtaking our nation. Time and time again He has sent warnings to us but His Body has blatantly ignored His warnings.

Is The Coming Food Shortage Government Engineered?, Part 2

We are seeing a very large number of food processing plants, fertilizer plants, and related facilities experience devastating fires, planes flying into them, explosions, and a whole series of other disasters that have hit the food processing industry. There have been, at the time this article was written, 22 plants have been affected. Some have been completely destroyed.

The Biggest Con the World Has Ever Seen

We are at a crucial point right now. I want to say we are at a turning point, but instead, we are approaching the point of no return. For over a century we have been going down the "Fabian

Freeway"[i]. The Great Reset, with its concomitant tools of pandemics, scheme of turning over sovereignty to the genuinely evil World Health Organization...

Where's the Peacemaker?

In 1904 Russia and Japan went to war to decide which of them would dominate Manchuria and Korea. It was a punishing conflict, with high casualties on both sides. A Russian fleet sailed virtually around the world, only to be wiped out by the Japanese in the battle of Tsushima Strait.

Can We Take Back Our Election Process?

But all of that depends on the voters. Do you want to take back control, or are you satisfied to have your choices made for you behind closed doors? Because that's what we have now. How's that working for you?

Our Unconstitutional Federal

Government

Our Declaration of Independence established the USA as an independent sovereign nation under the Laws of Nature and Nature's God on July 4, 1776. The US Constitution drafted by the Continental Congress in 1787 and adopted in 1789 created and guaranteed the people a republican form of self-governance of, by and for the people of the USA...

Wanna Light a Fire Under Your Pastor?

Here is a stern warning to pastors. Write it off if you like. The folks in the pew are greatly dissatisfied. I hear it when I speak in churches and I hear it every time I write a commentary. Churches are hemorrhaging members and sadly, the leadership wants to blame the sheep. A good coach never blames the players. The sheep are a reflection of the shepherd.

Why Is Everyone In America Avoiding This Topic?

In April, I spent most of my time in Arizona. It's hot, dry, suffering from severe drought, with spontaneous wildfires, and temperatures in the summer at 120 degrees. To walk outside equates to jumping from your air-conditioned house into a

frying pan.

Toward a World Government Run by Lunatics

They want a world government, with themselves in charge. Now they think we'll give them that in return for, um, "health." And "safety." As defined by themselves. The pot is boiling, the brew is being stirred. Probably by witches.

Where Is the Prosecution For Those Corrupt Politicians That Are Guilty?

In close pursuit are those who do not take the time to know the difference when it comes to our laws and how they have been violated by the repeat criminals that we have had in front of us for the last 20, 30 and, in some cases, 40 years. Where is the justice that guards our liberties...

America is Becoming the Monster it Claimed to Fight

Currently, we are beginning to repeat again the process of electing new politicians to office with the hope that they are going to change our fast course into the abyss. Allegedly, Albert Einstein once said that doing the same thing over and over again and expecting a different result is a clear sign of insanity.

The Real War

The choice is ours. Wake up, or get in line for the New Normal global prison.

Never Say “Never”: The Sad Saga of “The Washington Football Team”

The real question is this: is the new name for the Redskins – the Commanders – a political and cultural Freudian slip that acknowledges the triumph of political and military power over Native Americans? Or is it just another liberal bad choice! What do you think?

Habeas Corpus

All this leaves us with the question of what the District Court for the District of Columbia will do? Will they recognize Mr. Quaglin's right to have his detention reviewed by the court or will they look at the opinions of previous Supreme Courts and waffle? Time will tell.

Help for the Obscene, Unnecessary Baby Formula Disaster

I spend a lot of time researching on the Internet (and books) and when I saw the headlines start popping up about this, I thought why? I half expected to see it is because of the Russia/Ukraine disaster. But, it appears baby formula manufacturers is pretty much controlled – just like the parasites who call themselves “mainstream media” by a small number of manufacturers...

Roe vs Wade: Ironies,

Dichotomies, Human Tragedies

I want to make this very clear: I do not support abortion. It's the taking of an innocent life in the womb. By any other name, it's murder. As a matter of fact, we are the only animal on the planet that aborts its young. So, what I'm going to try to do in this column is mark the ironies and the pitfalls of humanity's current problems in the 21st century.

What If There Is No God?

Our histories have always been written by the victors of the wars and there have always been wars! So, we have never gotten the stories from those who lost! That means that we only have one side of every story! And could that side be bias and maybe slanted to put the victors in a favorable light? Have we been lied to?

Is The Coming Food Shortage Government Engineered?, Part 1

Remember that Henry Kissinger, another traitor in my book, made this comment: "Control oil and you control nations; control food and you control the people."

We Were Warned. We Didn't Listen.

This is all part of the plan for a New World Order. Next up: the death of the US dollar and the “need” for a One-World digital currency, embedded under the skin. Those who refuse will be outcasts, or forced to live in captivity, if they're allowed to live at all. Regardless, the coming Great Reset and New World Order will have to be Communist in nature.

The American Pre-Tribulation Rapture (Isaiah 18)

A recently posted NewsWithViews article titled, “The Rapture is Created as an Exit Strategy for Those Who Have Refused to Obey the Lord?,” compelled me to respond and refute that author's contention that there will be no rapture(s).

Humanizing the Most Vulnerable Promotes Life for

All

More than a decade ago, I was doing IT support work at a local Jewish Community Center. The Jewish librarian, knowing I was a Christian, asked me a question regarding what I thought of the abortion issue. She was in favor of keeping this practice legal. I think I gave her an answer that she did not expect, because it was not really a political one.

American Veteran in Defense of Liberty and Freedom

This president has taken steps heretofore unheard of to restrict not only travel, but also the beliefs and values of the American people. If Americans wish to volunteer to defend freedom and liberty of and in another country – it is not up to the president to deny them that opportunity.

Umbrella Tree

Hello everyone. I have been looking into worldwide corruption for 45 years. Why do we keep choosing corruption over liberty? Especially with all the evil going on today. As it gets worse and worse, I was brought to remember something I read years ago in “Occult Theocracy” by Lady Queenborough.

Can We Take Back Our Election Process?

The real power comes from rejecting the candidates at every level. But all of that depends on the voters. Do you want to take back control, or are you satisfied to have your choices made for you behind closed doors? Because that's what we have now. How's that working for you?

How Much More 'Sex Ed' Can We Stand?

We've been warning you for years and years that public education's not your friend, it undermines your family, and it's poison for your children. Most people didn't listen. It was always so convenient just to pack Johnny off to school every weekday and forget about it. That's what too many of us did.

What's Happening in Africa,

China, India, Mexico?

In March, 221,000 illegally jumped our borders to be distributed throughout our entire country by Joe Biden. The same numbers will continue to flood into our country in April, and every month for the rest of this year. They will add up to 2,000,000 illegals within our country.

The Rapture is Created as an Exit Strategy for Those Who Have Refused to Obey the Lord?

It is not a doctrine affirmed historically by any of the great confessions of the Christian faith. It is based upon a misinterpretation of certain passages found within Scripture.

International Living, Part 1

Although some aspects of globalism are hard to escape, there are many places in the world very little affected by the trend and where the local charm and allure remain largely intact. For your reading pleasure, we will not get into the mechanics of such a transition. There are experts and resources available to facilitate that process.

The Narrative and Culture Wars Just Got Hotter

As if in counterpoint, the Bidenistas announced their real, live Ministry of Truth. They don't call it that, of course. They call it the Disinformation Governance Board, and it will operate through the Department of Homeland Security (DHS). I don't think there is much doubt about what this outfit will do, despite the aura of mystery some have tried to create around it.

Enemies on the Left False Friends on the Right, Part 1

A nation can survive its fools, and even the ambitious. But it cannot survive treason from within. An enemy at the gates is less formidable, for he is known and carries his banner openly. But the traitor moves amongst those within the gate freely, his sly whispers rustling through all the alleys, heard in the very halls of government itself.

The Mask Mandate That Was NOT Found Unconstitutional

The CDC, the states and cities that run the airports, the airlines, and everyone else were following a law that did not legally exist. That makes it just like all those who were afraid to say anything when the emperor walked around with no clothes. It's worse than that though, because they also committed a federal crime.

Honest Opinion of Recent GOP Primaries

I've analyzed more elections than I can count as well as hammering on vote fraud since 1993. Like so many millions of Americans I've read countless books, watched videos and have been active at both the state and federal level. Worked to get candidates elected, voted for Trump twice.

Alzheimer's Disease Rampaging Across America: It Just Hit Our Home

This is a very painful column for me to write. It's painful because my wife Sandi, the love of my life, my dance partner,

my camping partner, my funny partner, my bicycle partner, and movie partner—has contracted Alzheimer's Disease. We've already cried buckets of tears, suffered from futility, depression and anger at what has happened to us.

Anger Is A Lack of Love

When a situation is not met with the delicate timing of Truth, then you are seen as unjust. When you lack the understanding to meet a situation, you will excite the animal nature of others to rise up and give you greater pain – that you are powerless to meet.

Who Are America's Enemies? – Part 3

CIA Director David Petraeus says that web-connected gadgets will 'transform' the art of spying – allowing spies to monitor people automatically without planting bugs, breaking and entering or even donning a tuxedo to infiltrate a dinner party.

The Wilderness Experience

I think I was about 8 years old when I wrote my first “Bible commentary” for a school assignment. I received an “F” on that assignment, by the way, because the teacher said the subject matter was “inappropriate” for school.” When I was ten years old, I developed – seemingly out of nowhere – an interest in writing and publishing.

Dark Money—Not the Grassroots—Is Behind the Convention of States Organizations

Patriots are rightly concerned that Mark Meckler, lobbyist and President of the Convention of States organizations (COS), has spent tens of millions of dollars spreading misinformation and cajoling State Legislatures into passing applications asking Congress to call a convention under Article V of the U.S. Constitution.

Guilty Secrets and the Fall

of the National Health Service in the UK

Because of this, many have distanced themselves. They have jumped ship from the National Health Service. It is my personal belief it was that they have been unable to take the injustice and no longer feel motivated by the system they have been loyally serving.

2022 GOP Primaries Got TRUMPED

Whether you love President Donald J. Trump or hate him, there's no denying the fact that he remains the most popular and powerful figure in American politics today. Firebrands like Trump always ignite a firestorm of controversy. We could say the same of every Founding Father!

Biden Announces Food Shortages Then Makes it Happen

On March 24, 2022, after the G7 meeting in Brussels, Biden announced that the food shortages around the world would be "real" – of course, because of the Ukraine war, which he so

desperately wanted, and those dastardly Russians. Now, he is making it happen.

Faith Over FEAR (Step One)

In fact, it's been written for centuries that FEAR is merely the absence of FAITH, just as darkness is merely the absence of light. Where one exists, the other cannot. Yet today, even many Americans of proclaimed faith have allowed their fears to win over their faith.

To the Ends of the Earth: Lost White Migrations and Civilizations, Part 1

Ancient White influence was, however, not restricted to western China. A genetic study published in the journal, "Molecular Biology and Evolution" (Vol.17, pages 1396-1400, in the year 2000) found that in the far eastern seaboard Chinese province of Shandong, the population of former times showed greater genetic similarity to present-day Europeans than to present day Asians.

The Evolutionary Fallacy

The Evolutionary Fallacy teaches that sometimes evolution is slower than we'd like it to be. When that happens, Really Smart People can hurry it along with a violent revolution followed by a reign of terror. Honk if you've seen that before.

Abortion is Murder, Period!

For nearly 50 years Americans have played hide and seek with the truth in a diabolical lie that a woman has the right to take the life of her pre-born child. None of their science works. The only weapon remaining in the arsenal of the pro-aborts is the lie that an unborn child is not a human being.

The Non-Equity of the “Equity” Movement to Bring Everyone up to Equity

First of all, Black America enjoys more advantages than any and all Africans or other people of color anywhere around the world. Blacks enjoy the highest standard of living, billionaires, housing, jobs, sports, entertainment dominance and SO many other areas. It's a privilege to be Black in America.

The Greatest Reset

The great reset has been thoroughly defeated by the Greatest Reset of Jesus rising from the dead. Because He is risen, the redemption of our bodies from mortality to immortality is certain, and along with creation we will experience the culmination of our longing to be with Jesus, our Redeemer, forever.

Disney Employees Being Exposed for Crimes Against Children?

It wasn't long ago that, while speaking at high school assemblies across America (Still doing them), I was accused of everything from that of being a bigot, to a hater and a liar only to now turn around and see that what I warned about is exactly what we knew that they were, in fact, guilty of doing (Isaiah 5:20).

Personal Use of Logs and

Timber in Idaho State

So my conclusion is that neither Lewis and Clark, nor those who might re-enact their trek through Idaho today need get a permit nor enter into a contract with the state of Idaho if they want to cut down a large and marketable Ponderosa Pine on state land and carve it into a canoe for their own personal use.

Prosecuting Prosecution

Malicious

What can you do when government actors abuse their powers? I've talked before about the right to petition the government for a redress of grievance and how the judicial precedent of sovereign immunity violates that right. But what happens when law enforcement or the justice department abuses their prosecutorial powers? How do you seek redress for a malicious prosecution?

The International Treaty That Will End the Great American Dream – If We Allow It

And while we are doing all of these things, we must continue

to clean out the Swamp, get this country back to a civilized (non-moral relativity) state, and bring our constitutional republic back to following the Constitution and acting as a Republic.

I Hate This Country

Why I hate this country? In the first place, because today's America is quite different from the country I moved to 35 years ago. This country America has turned into has nothing to do with the America I knew. Secondly, because what this country has turned to reminds me more and more the totalitarian country I had to escape from.

Cognitive Dissonance: The Ministry of Biden's Truth

And this from GOP congressional candidate Errol Webber: "Adolf Hitler had a Ministry of Truth...Joseph Stalin had a Ministry of Truth along with Mao Zedong. All of them were dictators. The Biden regime now has a Ministry of Truth." If you haven't read George Orwell's book 1984, please pick up a copy...

Who Are America's Enemies?, Part 2

Going back to the Obama administration and looking at the trash he had in his cabinet and as his advisors, we can see where a lot of this 1984 mindset came from. His Senior Advisor was Valerie Jarret who was a major communist sympathizer. She was shoulder deep in the corrupt politics of Chicago.

What A Small Price to Pay

If you do this, you can expect ridicule, mocking, disdain and in some cases, outright hatred from those who choose to remain in the world, practicing worthless religion. As Paul warned Timothy, "Everyone who wants to live a godly life in Christ Jesus will be persecuted." Oftentimes, the worst persecution comes from religious people and false Christians; the love of God is not in them.

The Devilish Draw of Tech Devices

It's odd to think of these digital devices as robots. But these advanced phone tablets, laptops, smart watches, PCs, "health indicators" and connected home devices are, in fact, conduits for some of the most advanced forms of artificial

intelligence ever created. Companies like Meta (Facebook), Alphabet (Google) and Twitter have built ultra-sophisticated machine-learning algorithms whose main purposes are to...
