

Just as the Flag Flew Boldly Sept 14, 1814, it Waves in Freedom for Trump and America Now

Georgia, Pennsylvania, Michigan, Wisconsin, are all far from over and election crimes are being exposed everywhere. Trump's landslide victory will be legally confirmed soon and the DEMOCRAT Anti American ships will sink deep into the Atlantic Ocean and become part of its sunken ship history.

Who Said Diversity and Multiculturalism Are So Wonderful?

Little known to most Americans, Bill Clinton, via "Executive Order 13166," made it mandatory that Americans pay for all document translations for over 100 languages of immigrants in America. It costs billions of taxpayer dollars. Further it allows immigrants to maintain their own languages to the detriment of everyone's wallet.

Those Who Follow Unlawful Orders

For years now, I have listened to “patriots” discuss whether or not the U.S. Military will “follow unlawful orders” when push comes to shove in the ongoing global effort to overthrow the USA via enemies inside the gate and in control of the U.S. Government. At no time in history, has this question been more important than at this moment

Senate Hopeful Raphael Warnock: This Pastor is NO Pastor at All: What is Wrong With Christians?

Raphael Warnock is a Democrat who also happens to be a pastor. First I cannot understand how anyone can possibly say they are a believer in Jesus – and be a Democrat. Does that sound a little too strong to you? A little “off” maybe? It’s not.

The Last Dance

I believe that we can tell that the fate of America is in the balance with this election because there is such a fight

coming from the left to ignore the obvious voter fraud that has occurred to give the left a win. Some people, like FOX News' Tucker Carlson, that have simply ignored all the evidence that has already been brought forth.

Much Has Been Revealed

What followed that weekend was unlike anything we could have ever imagined. On Sunday, as I drove one of our presenters back to the Minneapolis airport, things were growing more tense. On Monday morning, I thought it prudent to go to the store and bolster our emergency supplies. What I encountered there was panic, bordering on insanity.

Remaining Thankful in 2020

The tradition of Thanksgiving as a time to focus on God and His blessings dates back almost four centuries. While such celebrations occurred at Cape Henry, Virginia as early as 1607, it is from the Pilgrims that we derive the current tradition of Thanksgiving.

Maggie's Story

Our daughter Maggie just suffered a miscarriage. She wrote this to help those who have suffered the same tragedy of losing a child...a son...and those who still grieve over their purposeful aborting of a precious child. -Coach Dave Daubenmire

Veterans in UK Told to Stay Away From the Cenotaph

If the British public are still under any type of illusion that their government cares about their well-being or the sacrifices that they have made to protect this country during the year 2020, and all previous times in history, where men have lost their lives in honest physical and treacherous battles, all for the sake of others; then the populace well and truly have become friends with an enemy that hides behind a mask of deceit.

The Lies of the Left-Wing Media in Georgia Face-Off

The uncensored leftist media is so naked in their lies and tactics. This week I was used for click bait in a smear campaign designed to hurt Republican chances of winning the

two Georgia US Senate run-off that takes place on January 5th and will decide who controls the US Senate.

America and Trump are Fighting the Nazi Party and Hitler All Over Again

With evidence of a pre funded and pre planned election cue to steal the election from Trump, using Dominion and Smartmatic, it is clear the DEMOCRAT left and Biden clan have zero regard for law, the Constitution or truth. America must be stolen from Trump and her people, crushed and rebuilt in their evil image. That was the plan from the beginning.

Tucker Goes Megyn

When Tucker Carlson recently attacked attorney Sidney Powell, who was initially on the Trump legal team but is now independently pursuing justice for the president for the massive voter fraud that has put his reelection in question, We the People immediately suspected that Fox management had ordered Carlson to sing their leftist song.

Trump Must Release the Kraken

Klayman offered to do the job for Trump. All Trump has to do is appoint Klayman as an interim special counsel (who doesn't need Senate confirmation) and he can investigate and uncover wrongdoing. He's probably the most aggressive lawyer ever seen on the conservative side.

The Preponderance of Evidence

We are nothing more than sheep led to the slaughter by the government-controlled media conglomerates who have convinced the sheeple that the election of a President is determined by network television projections.

Teaching the Peasants Who's Boss

If COVID-19 is as deadly as they say it is, how come they're not afraid of it? How come their pet rioters aren't dying off like flies after crowding into the streets? But as long as you can dictate the outcome of a national election, it's What Me Worry for them and Shut Up and Pay Your Taxes for us. This is a shame to us, and it must not be allowed to stand.

These RINOs Are Democrats Who Want Trump Gone

Not so for President Trump. What's referred to as 'establishment' Republicans have turned on Trump like the junk yard dogs they are. No surprise from sore loser, Sen. Willard Romney or Sen. Ben Sasse who has been an obvious Trump hater for years. Former NJ governor, Chris Christie (who gave us do-thing Bill Barr) vomited Trump's legal team is a "national embarrassment."

Mass Immigration into America: The Impact of Biden's Open Border Policy, Part 2

Joe Biden promised amnesty for 25 million illegal aliens. He promised the tear down all of the Wall separating Mexico with America. He promised amnesty for 800,000 plus DACA illegal aliens. He promised thousands more work visas into the USA, which adds endless population surges. He promises to open the borders again to immigration from Muslim countries.

Your Conservative Vote Won't Save America From Socialism!

Socialism is the doctrine that man has no right to exist for his own sake, that his life and his work do not belong to him, but belong to society, that the only justification of his existence is his service to society, and that society may dispose of him in any way it pleases for the sake of whatever it deems to be its own tribal, collective good.

Another Governor Bites The Dust! Judge Says Wisconsin Governor Oversteps His Authority

The amendments are a list of specific prohibitions on governmental power, not ours. They work for us, we do not work for them. As a matter of fact, during its drafting and in response to calls from several states, the Bill of Rights was written for greater constitutional protection for individual liberties.

Cancel Culture, Part 3: Asymmetrical Warfare

I am not exaggerating. When I got into the Animal Rights (AR) battle, because my children were being brainwashed in their science classrooms by ARs from People for the ethical Treatment of Animals (PeTA) who were invited to indoctrinate the students, I was livid. I went on a crusade to counter their anti-human claptrap with truth.

President Trump: You Won the Election

On November 3rd, 2020, over seventy-four million (or many more) Americans cast their votes to re-elect you for your second term. They re-elected you because they trusted you. Promises made, promises kept. They believed in your simple yet powerful message of "Make America Great Again" and they were right.

Plutocrats Promote Perversity

Silicon Valley's elite are hosting meetings to hatch plans to escape the disasters they see coming; and when they come, they'll leave the rest of us behind. The techies naturally are relying on tech as their modus operandi. The buzzards bandy

about techie buzzwords to sound smart, sort of like stock ticker symbols for potential investments...

America's Turkey is the CIA

Disgusted with cable news, including Fox, I turned on "Pawn Stars," where people sell items, sometimes real and sometimes fake. The owners make sure the item is real before they bid on it. They would never buy into the "results" of the 2020 presidential election.

Using Propaganda and Pseudo-Science For New Lockdowns Must Be Stopped

Americans have been beaten into the ground for the past ten months over this virus by paid liars in the MSM which includes FOX News Network which now joins the roster of fake news outlets.

Lying News Media Fakes Trump Election Recount Results

We must trust all leaders, never waiving our obedience to them. Do as they all say and we will all prosper. After all, they are only doing all of this for our own good. That is what the Communist Party wants us to know.

America and Canada Drifting Toward A Loss of Identity

With recent events across America, whether it's a 50-50 split on the presidential election, prolific anarchy in our cities or a racial divide as wide as the Grand Canyon, we're facing tremendous riffs from our youth, our 45 million immigrants who were not born here, and our economy.

End of Life Care

Over the years, I've personally tried to minister to many people dealing with crippling addictions. It's sad to say, in almost every instance, my efforts were futile. Every effort was made to help, and my counsel was always spiritually focused, because drug addiction is not just physical – it's spiritual warfare taking place within the soul of the individual.

The Democrats Are America's Biggest Threat, Part 2

Notice that all six States that stopped counting on election night were Democrat. Why did they stop counting? They had to find out how many votes they needed to bring in to override Trump's massive lead. When everybody went to bed on November 3rd Trump has a 700,000 lead in Pennsylvania and he led in Wisconsin and Michigan but overnight Biden caught up and surpassed Trump.

If the Cultural Leftists and Their Media Think they Won, Then Why are They So Concerned and Uneasy?

Facts no longer matter if they interfere with official narratives and agendas. Thus the largest narrative war I think I've ever seen has unfolded, between those using the above demon words and phrases, and those who insist that documentation of how voting-machine technology was used to commit fraud is clear and factual, and backed with evidence that corporate media and Big Tech are censoring just as fast as they can

Why Joe Biden Cannot be President

Jobs are now being lost and reports indicate that 23 million Americans didn't have enough to eat last week. Trump has to use every executive measure he has to defeat the lockdowns being imposed by governors like Gretchen Whitmer of Michigan and keep the country open.

The War For True Liberty – Round One Thousand And Counting

An individual named Nimrod is credited with designing and building the first large city. Unfortunately, Nimrod was not satisfied with just designing the first urban environment. He came up with hair brained idea that beyond having people living in the city he designed, that he could control them and convince them to exist without the influence of God almighty.

The Media Cult

But I have also described our mainstream nooze media. Totally in the bag for Democrats, and the world's most practiced fear merchants—that's them. That's "journalism." And it's by no means unjust to call what they dish out "fear porn."

Change Our Country Toward the Good Rather Than the Ugly

Finally, why would Biden do that to us? Why did Obama do it? Why did they want to see America fragment into opposing groups? Some pundits say it's "The Kalgari Plan" being thrust upon our civilization to fragment all of us into opposing tribes. Others say there are some very powerful men in high places that want to see the United States of America implode.

Who still has Rights in America?

Democratic leaders live in admiration but also fear of the tantrum throwing, criminal monster – BLM, they have created. They do nothing as our cities continue to burn but wait for their evil handlers, BLM, China, Communists and others to give them orders. That is the plan should Joe Biden get in to the White House by illegally stealing this election. The illegal

attempt won't succeed.

Unity Joe? Hell No! – Obstruction, Defiance, Resistance, You Bet!

Donald Trump has a national view of America. All of his actions were designed to help America and the American people. Joe Biden has a global view for America. His actions will reflect that global view. He cannot be allowed to implement his socialist vision. Every time he appears on TV or in person, 72,000,000 Americans should turn him off, tune him out, change the channel, or walk out of the room.

If Trump Would Have Prosecuted Biden For Treason, Biden Would Not Have Become Your President Elect

Then, we have Barack Hussein Obama who transgressed the US Constitution over 1,163 times, and 330 million people in this country stood back and allowed him to do so. Do you remember the Iran scandal?

Many Spineless Pastors are Backpedaling Their 'Word From the Lord' Regarding a Trump Re-Election

How cowardly and lacking in faith can you get? Before election day, numerous Pastors and Christian leaders were getting prophetic words that Donald Trump would-be re-elected President. Today when searching for updates on their views during the election battle and lawsuit phase, many are apologizing and back paddling for their alleged 'missed' prophesy.

Do You Trust Our Voting Systems?

Now, all eyes are on the Georgia Senate runoff in early January. If the Democrats win both Senate seats, Democrats and Republicans will each have 50 seats in the U.S. Senate, meaning that a potential VP Harris would break any tie votes.

The fact that potential President Biden never said he would not pack the Supreme Court should have alarmed all Americans for 2 reasons.

Multiculturalizing America Into a Land of Strangers

Yesterday, my wife Sandi and I shopped at a Costco store in Denver, Colorado. It sounded and felt like shopping in different countries with so many languages being spoken and strange modes of dress. We encountered immigrants from Pakistan, India, Mexico, China, Vietnam, Somalia, China and another half dozen countries.

Our Last Chance at Survival

And for those of you who think Fox News is our “fair and balanced” “savior,” you need to open your eyes. Because this so-called “conservative” news network has been compromised for many years. You DO realize that it is now part of the Disney Corporation, don’t you? Yes, Disney, which has worked tirelessly for years to indoctrinate young children with subtle – and not-so-subtle – Leftist ideologies and propaganda.

Democrats Are The Biggest Threat to America, Part 1

I am sure that all of you have had your fill of the newscasts, articles, pundit's comments, and all the other turmoil concerning the 2020 Presidential Election. I am too, but this is not a subject that we can just sweep under the rug and ignore.

Joe Biden is a Sore Loser

In Venezuela, of course, the Marxists ran the regime. Here, the Marxists are trying to steal the government away from the legitimate president and election-winner Donald J. Trump.

Despite the Democrats sworn lapdogs saying the election was secure – the evidence says otherwise in a big way

The mainstream media these days is nothing but a collection of lying, worthless, good-for-nothing lapdogs that have no journalistic integrity and are incapable of reporting the truth. The media's bias – their slant if you will, in Joe Biden's favor is so glaringly obvious a child can see it.

It's Hard to Go Forward When You're Stuck in Reverse

The original Constitution was designed to select a president without a battle. Sadly, even many of the Founders and Framers took up party banners and were part of the trend to become partisan politicians instead of statesmen. Instead of following the non-partisan path to statesmanship designed in the Constitution, they pushed toward a democracy of party politics.

Remember Churchill's Words to "Never Surrender"

Trump is Churchill in the current struggle. God is on our side. But beyond faith, we have to fight for national and personal survival. Our lives are in danger. It's that serious.

Arrogant Partying of Joe Biden and Kamala Harris Will

Soon Stop

Trump has already clearly won this Presidential election and justice must prevail. A stolen election is not the American way and cannot stand. Joe Biden will be partying alone on his basement very soon.

The Democrat Party Platform Is A Reflection of The Evil Mission Of Democrats

The Democrat Party platform calls for the creation of a massive new federal agency of 100,00 thousand liberty abusers to trace every single American and nose around in their personal business, while allowing illegal border crossers to have free roaming privileges.

Joe Biden Officiates Same Sex “Marriage” In White House

And Joe Biden is the misfit who demands to become The President of The United States. There is no way that a fairly conscious voter would put him in the Oval Office. Amongst the peculiarities of Biden is the love of sniffing the hair of women, including those he had just met.

Will Riots Scare Us into Surrender?

The best thing this crime has going for it is its sheer enormity. Fixing an election makes fixing the World Series look like child's play. But they now have the technology, and the money, to do it—one accidentally-on-purpose “computer glitch” after another, just to name one of many tricks employed.

Mass Immigration into America: The Coming Impact of Biden's Open Borders, Part 1

Joe Biden promised amnesty for 25 million illegal aliens. He promised to tear down 400 miles of the Wall separating Mexico with America. He promised amnesty for 800,000 plus DACA illegal aliens. He promised thousands more work visas into the USA, which adds endless population surges.

Into The Abyss Of Hell With A Biden Presidency

Joe Biden, if elected, is going to take America into the depths of Hell and if anyone wants to get out of that Hell, they either better peacefully change the radical, insane mindset that has taken over ignorant Democrat Americans, or be prepared to enter the Hell this marine is talking about.

Germany In Defiance Toward Tyranny: In Case You Were Under The Delusion That Everyone Is Just Going Along

Why is the mainstream media so set on propping up that which does not exist, creating divisions and wars among the people, or just plainly withholding news of worthy topics such as the unity among the people who are, in fact, taking a stand against the very tyrants that they should be exposing?

Veterans Day 2020 –Will We

“Keep Faith” to Veterans?

On this Veterans Day 2020, may God bless all the veterans who have served in defense of our freedom in all the wars. And may the country whose freedom they preserved honor them on Veterans Day and on every day. They kept the faith with us; and, as expressed in the haunting words of “Flanders Field,” we must not “break faith” with them.

America Is Worse Than Communist Venezuela

It turns out that Christie is the Trump “adviser” who recommended Christopher Wray as Trump’s FBI director. It was Wray who failed to lift a finger to stop the anticipated vote fraud.

The Real Reason Regressives Are Pretending Biden Won

It goes without saying that those proprietors—who spent multi-thousands of dollars to protect the businesses that support their families, and that help them pay taxes to our government, boarded up their properties knowing that if President Trump won reelection, they would be the merciless targets of the bought-and-paid-for Democrat anarchists who

unfortunately symbolize today's Ugly Americans.

President Trump Has Been Re-Elected In 2020, the Media and Ilk Just Haven't Reported It

So no, Joe Biden has not won the 2020 election. This is far from over, and it's not because we're sore losers. It's because we represent the Constitutional Republic of the United States and we understand that criminality and injustice are destroying our nation. So we will not kow-tow to the bullying and criminal tactics of a people group intent on destroying our Republic.

Even If This Election Has Been Stolen, This Is What Donald Trump Should Do Next

Trump Media could report on the number of times President Biden lost his way back to the Oval Office from the nearest bathroom, for example. Both his and Kamala Harris's efforts to further the anti white racism, antimale sexism, and gender-fluidities of the Cult of Woke would be answered with real,

credible exposure and competition.

News Networks Don't Vote, Count or Certify Elections

Everything we have witnessed in the 2020 "Selections" so far, including the late Friday night or Saturday "projections" that Joe Biden won, we anticipated long ago. We expected the fraud to be unprecedented and it has been. We expected the "deep state" to be totally prepared to steal the 2020 "Selections" via numerous methods and we have witnessed ALL of those methods in play.

America's Venezuela-style Election Farce

Regarding the election, we already have enough evidence demonstrating that massive fraud took place. People saw it for themselves. The mysterious votes out of nowhere which arrived the early morning after the election and turned several states against Trump constitute the proof we need. This is the kind of thing that happens in Venezuela.

The Theft Of A Nation

The votes have been cast but more people are voting than can legally vote and MSM will NOT address it because they have become America's enemy along with the Democrat Party. If this election stands, I'm afraid we will have another Civil War on our hands. It will not be bloodless. Pray for America!

Future is Up to Us – But Maybe Not For Long

It's been quite some time now, since our colleges and universities could be called "institutes of higher learning." Indeed, for decades now, their primary purpose has been as liberal, Leftist indoctrination centers, molding each new emerging generation's minds to accept, support and demand the coming socialist New World Order.

Lies, Fraud, and Computer Glitches

What's more, he says, "The Democrats placed rather unusual looking 'police officers' to bar the door. I say unusual because their uniforms were not consistent. Some did not have badges and some were not well groomed."

Stop CIA Interference in Our Elections

Remember that former CIA officials Michael Morell, Michael Hayden and Philip Mudd all denounced Trump before he took office. Former CIA operations officer Evan McMullin even ran against him as an independent presidential candidate. Why are we the American people tolerating open CIA interference in our national elections?

Trump Must Go All the Way to the Supreme Court and Win For America

If Trump lost fair and square, that is one thing. If DEMS have defrauded and tried to steal this election away that is another thing. I ask those of you who are on the fence and afraid to stand with Trump, did the DEMS ever lie and commit crimes before against this President?

The Fake Conservatives aka RINOs Are Selling Out Trump

I saw an anchor on Newsmax declare on Friday morning that Biden will be an illegitimate president if he wins. But he can't win legitimately and should not be treated as president under any circumstances. Such a fate means America will have descended into the pit of being a banana republic. We will never recover.

Did Joe Biden Use THE HAMMER to Steal the Election?

Having personally monitored the election, I noted of course how well Trump was doing – despite the fact that Biden had more electoral votes. In fact, Donald Trump was on track, strongly I might add to win the election. Overnight, poof – just like that Biden is winning. How did this happen?

The Big Steal Is Underway but Trump Won't Surrender

Hemmer and most of the rest of the Fox News crew are wedded to the liberal media narrative that is designed to guarantee a Joe Biden “victory” through phony projections and vote counts.

But President Trump has already declared victory based on the reality of what he knows to be happening.

Letter to the New York Times

Below you will see a letter to the editor of The New York Times which I wrote a few days ago. I am sure it will not be printed. The letter is responding to an editorial by Nicholas Kristof, who is a Rhodes Scholar. As you know from my past articles, Cecil Rhodes in 1891 formed the secret Society of the Elect “to take the government of the whole world,” in Rhodes’ own words.

Appealing to Heaven

As you may be aware, I led a contingent of hearty patriots to Washington DC last weekend. Rather than sitting on our butts and complaining about the unequal justice that is running rampant in this nation we decided to take our complaints to the streets in an attempt to bring accountability to our elected officials.

Let's Take A Break From The Insanity Of This Election: Paradise of New Zealand

Therefore, I will return next Monday with a critical analysis of what happened and what's going to happen to our country. In the meantime, enjoy a heartwarming story of human kindness from New Zealand.

American Church: Taking Off The Robe Of Christ For Tyrants

Recently, while driving into Tennessee to minister, I was on the phone with a friend of mine who was sharing with me a bit of the message that he had received this last week from a local minister. He said that he had shared with his congregation how he wears a mask lest he should offend the weak ones in the Church. You heard me right.

What Is In The Muddled Mind

of the Democrat Voter?

At this point and possibly even several days after the election, no one really knows who is going to win the presidency in 2020, unless of course it is a landslide for one of the candidates. Like 2016, the race is too close to call. Election headquarters in several states could be counting ballots for many days, if not weeks, or even months because of several states changing over to mail-in ballots.

Cancel Culture, Part 2 The Coming of the Second Prehistoric Period

Shaming is encouraged, getting people to call out their neighbors, people they encounter in stores, schools, and at work. It isn't about correcting mistakes or behaviors, it is about taking revenge on those who are not woke, but often awake to what is going on. It is to erase those who are awake, and to condition those who are unaware of the collapse of their world to be good little Marxist soldiers.

This Election Day is the

Battle Between Good and Evil, Which Will You Choose?

Donald Trump has become the true freedom warrior, believer in all Americans, and man of God. He is hated because he truly has given his heart to Jesus and is a praying President and is not for sale for the usual political and power controllers on all sides of him.

The Choice is Ours, Trump and Freedom or Biden and Slavery

Thousands upon thousands show up to get a glimpse of this great historic president at every rally. Why? Because he is truly a man of the people, he is one of us and he loves America and her people. He is just and honest and decent in every endeavor and despite the attacks of the communist enemies of freedom within the Democrat Party, this man smiles, works long hours...

Social Media Terrorism: Jack Dorsey Admits That 'Mob Rule'

Drives Twitter's Decisions

Freedom of speech, the free and open exchanges of ideas, the ability for all to express their opinions – both liberal and conservative, is largely a thing of the past. This unconstitutional removal of our God-given rights will largely become cemented in stone should Joe Biden win the election.

None Dare Call It Sedition – I Am

Our governor here in Texas sent 1,000 National Guard to big cities like Austin, Dallas and Houston and San Antonio. When was the last time America braced for violence, rioting and sure to happen looting over an election? It sickens me. Oh, and make no mistake about it, there's going to be serious trouble – especially in big metro cities run by Democrat mayors.

Biden Versus Trump: Here's What You Will Get

Never have we seen such anarchy in our country as we've seen in the past six months with Antifa and Black Lives Matter. Never have we seen such disregard for Old Glory. Never have we seen looting, burning and mayhem on the level of 2020. And,

never have we seen governmental agencies breaking the law while creating bogus charges against a sitting president.

Pope Goes the Weasel

So who knew anything about Pope Francis before that night when he was crowned? Virtually nobody except for St. Malachy. That is with the exception of George Soros who has his fingers and money on the Vatican. He is the force behind the stupid actions the Vatican has taken, that has been more Communist than Christian.

The 'Dark Winter' is At the Door

I've been doing a lot of intense study and research, and much of what I've uncovered is startling. With the month of November just around the corner we find ourselves now at the point that we've dreaded all year. Police departments nationwide are on high alert; the Federal government is on high alert; our military is on high alert, and I dare say the majority of Americans who are awake to current world events are, right now, bracing themselves for impact.

The Danger of A Deceptive Press

As I grew up in America, I was taught that we were a free people. One of the things that made us a free nation was our 'free press'. The one thing that our founders believed in strongly is the right of the people to be informed as to what was really happening in our world and that included a transparent government.
