The long and short of it is this: the Rittenhouse verdict did give the Establishment a bit of a bloody nose but that will simply intensify its own "bloody" crusade to destroy The Historic American Nation and we who are Americans.

## **USA, Inc.?**

One concept that I often see or hear people express is that the United States is now a private corporation. Those who make these claims often cite The District of Columbia Act of 1871 as proof. This "fact" is then used to support various positions or explain why or how certain acts of government take place. So let's look at The District of Columbia...

## **Biden: Full Delusion On Display**

You can't quite wrap your arms around what's happening in the United States today. One message one day, and a completely different action the next! Don't feel like the Lone Ranger, Joe Biden doesn't understand what's

going on, either.

Scientists from around the world have warned for a year now how dangerous those experimental gene editing technology COVID-19 injections are to the human body. During that time, Biden has airlifted, bussed, and Uber'ed those two million people into cities and communities across America.

## School Board Tyranny, Part 1

We are seeing something in America that we have never seen on such a scale before. Our leftist so-called 'educators have taken a page out of Lenin's playbook and decided that it is only the school board that has the right to decide what children in public schools are taught and that parents have no right to any input at all.

## I'm Here to Tell You the Truth

Many parents are waking up to all this and are rightfully outraged when they discover what their public schools are pushing as they brainwash their kids. They've shown up to school board meetings to express their outrage – and so now parents who attend school board meetings are being targeted as "domestic terrorists"...

We have to take a much closer look at the characters who are supposed to represent us, from Congress right on down to the smallest local board of education. As a people, we are out-gunned and triangulated by our enemies. Our enemies are not at the gates, they are inside the gates. You have disgraced your office, all of you. You have committed treason! You swore to protect the Constitution, then, by your silence, you helped destroy it. Many of you claim to be Christians.
