

USA Point of NO Return

The only thing that separates “patriot” from “pretender” is ACTION. Without ACTION in “our” group, including the financial resources to move mountains instead of propping up politicians, there are absolutely no solutions to anything.

China’s Mass Murder Experiment, Phase Two

Dictator Xi knows better than that. He has something else up the sleeve of his Mao jacket and he’s probably let his junior partner, former KGB colonel Putin, in on the secret. The worst is yet to come, either through the release of another virus or an actual invasion of the Republic of China on Taiwan.

The Strawman Does Not Exist! No One To Blame But...

The two party system exists no more than having 98 other parties that man has unconstitutionally added to the Constitution. We are a constitutional republic. We are ruled by law, under God, which unites if it is heeded (Psalm 33:12).

How Trump Saved the World

As part of its drive to prevent Trump from running in 2024, the New York Post has run a Bill Barr column under the headline, "Trump threatens to burn down the GOP, it's time to move on." The real issue is why the GOP should be saved, with people like Bill Barr in it. Barr was an Attorney General under Trump who failed to do his job.

The Real Charlie Kirk and TPUSA

No one really cares what consenting adults do in their own bedrooms, but now it's brandished via tranny-led library stories. Underage children are now indoctrinated and propagandized regarding changing their gender and "sex-ed" is taught to kindergarten children.

The Respect for Marriage Act Should be Called Respect For

Gay Marriage Act

I fear this newfound 'respect' for what anyone wants to call marriage means the further destruction of the family with all of the associated societal issues. It's important that we remember though, the Respect for Marriage Act is not the cause of these issues, but the symptom of the damage that marriage and the family has already suffered.

Died Suddenly Documentary – An Honest Review

Before I cover that documentary, denial regarding those COVID experimental injections and safety is being driven by fear. Over the decades Americans have been conditioned to trust their doctors, mother government out in DC and the rotten, corrupted MSM. When COVID hit, scumbag former VP president, Mike Pence,[1] brought us Dr. Death Fauci and liar Deborah Birx.

I'm Just Sad At What's Happening In Our Country

This Christmas, with love and respect for God and our fellow Americans, we need a Renaissance of Thought and Action in our country. I say my prayers every night...hoping for a better

tomorrow. What are you doing to bring such a Renaissance to your family and community?

Democrats' 'Respect for Marriage Act' Scam

On November 28th the Senate will do a full chamber vote on what the Democrats call Respect for Marriage Act which, as is typical of most democrat bills, is the exact opposite of what this bill will do. It does NOT respect marriage; it attacks everyone that supports traditional marriage (between one man and one woman). What this bill does is to shove the radical leftist same-sex ideology...

What Are You Worried About?

Yes, our actions do create consequences that we must deal with. Many now, are dealing with health concerns – some potentially life-threatening. Many have been forever injured or already killed by the COVID jabs – whether they were coerced into taking them against their will or they did so willingly. Either way, the warnings I, and many others, shouted from the rooftops all along went unheeded and ignored...

Bible Based Prayers to Help Strengthen Christian Believers

There are so many obstacles and troubles that we all deal with. Just because you've accepted Christ doesn't mean all your problems in life come to an end. The only answer to confront the battles we face is to focus on the scriptures that deal with the issues you are going through and use them to say prayers and stand in faith.

Two Plus Two Still Equals Four

The story is told from the perspective of Winston Smith, a diligent mid-level worker at the Ministry of Truth whose job is to revise news and historical accounts to make them conform to the Party's propaganda of the day. Eventually he secretly comes to hate his job, the Party, and Big Brother, and dreams of thinking and living as a free man.

Communists Are Now in Charge,

Can We Win Back This Republic?

I am a Patriot and an 88 year old, legally-blind disabled veteran with a modicum of education and experience. My writing is based upon this, and my knowledge of History, Economics and The Constitution. At my age, I don't have time for BS, so I call a spade a spade.

Responsible Freedom Vs Globalist Techno-Feudalism, Part 1

How do we reconcile Florida's red wave with the absence of one elsewhere? The answer is that Florida doesn't permit all the voting ways that make it easy to steal. I voted in Florida on a paper ballot that was counted immediately prior to my departing the site, and I was given a confirmation of my counted vote.

Father of The Bill of Rights

While writing my last two articles about the Virginia Bill of Rights, I became more and more impressed by the person who had written them. I decided to do some research on this little

known, but extremely important Founding Father, and what I found did not diminish my opinion of him. So today..

Life Will Never Be the Same

There are still a few things we can do. We can understand the one-party state that America has become. We can pursue various forms of resistance. And who knows? Perhaps divine intervention will cause a collapse of this evil system being imposed on us by evil people. That would lead to a real Thanksgiving.

Why Is Retirement So Hard?

We are thankful to the Lord our God for His love, for each other, for our memories, for our food, for our great country and its tradition of liberty and the multitude of blessings showered on it. We are thankful for the work He gives us to do, and pray it may be fruitful in His service.

This Thanksgiving: Forgive

Them Anyhow

During Thanksgiving, let us do our best to lighten our emotional loads by appreciating our friends, thanking our parents, enjoying our neighbors and forgiving those who have hurt us. Let us all work as Americans toward a more peaceful, united and stable society.

Bury the Dead and Move On

There are some who blame the election results on vote fraud. I say it's mostly because of the dopes in the population who are now smoking dope and have lost awareness of what freedom really means. They are herded to the polls or else their votes are harvested. These are the people who think abortion is health care.

Author of "Common Sense" Thomas Paine in Lighting the Fuse that Brought About the Separation

To suggest that Thomas Paine was the least religious (Christian) forefather that we have, I have only one question to ask: What must have been the level of dedication to Christ

the other forefathers must have exhibited (Hebrews 13:7)?

We Are No Longer A Republic

If we had any fear of God or understood the fear of God, we would as a Body of Christ, come into obedience to our King and LORD!!! Jesus said in Mathew 7:21, "Not everyone who says to Me, 'Lord, Lord, shall enter the Kingdom of Heaven but he who does the will of My Father in heaven."

America's Silence in the Face of Tyranny

No one complained when communists from Antifa and BLM torched and destroyed cities and federal buildings to the tune of billions in damages. And the Insurrection Act was never used because you, President Trump, listened to your Deep State advisors.

The Coming of the World

Dictator

Today, Republicans are at a crossroads. Trump is attempting to save the GOP from itself while others want to “save” the party from Trump. Can the party under these circumstances be transformed into a home for constitutional conservatives? One thing we know for sure – the “conservative” media have been terribly compromised...

Something Fundamentally Going Wrong With Our Country

Our founders based the success of the U.S. Constitution and the Bill of Rights on the premise that most if not all of our citizens contribute to their country via educated, moral, ethical, personal accountability and personal responsibility as the mainstay of our laws. Obviously, that ain't happening!

Were You Expecting a “Red Wave” With the Same, Easily Manipulated Electronic Voting Machines?

Were you expecting a “Red Wave” on November 8th? Why would you think that? Did you forget about the presidential

election of 2020? We were still using the same, easily manipulated electronic voting machines.

Thanking God for Jesus in Stressful Times

In 605 BC, King Nebuchadnezzar besieged Jerusalem and captured it. Among the captives he took with him back to Babylon was Daniel, part of the nobility of the Kingdom of Judah. Daniel was a young man when he was taken captive to Babylon.

The Fate of America Lies In The Balance

The one thing that we need to be aware of is the devil will not peaceably give up any ground he has taken. The United States was founded by men and women of God, and I believe that God was on our side during the Revolutionary War.

The Red Wave Reduced to a

Ripple

Americans no longer value freedom although they talk about it constantly. Indeed, the concept of “freedom” held by many of today’s “Americans” is the freedom everybody has to do what they want done and to believe as they do! The only people who truly appreciate what freedom actually is come from Eastern Europe!

**No Governor Honors his
Constitutional Oath; DeSantis
may be Best But He’s NOT
Ready for Presidency!**

I am a Patriot Writer from Flyover Country Florida, as such my words are primitive and direct, lacking the polish and obfuscation of the Ivy League. I pity the brainwashed Communists among us, for they know not what they believe, and will starve and die at the hands of their own.

**Overton Window: How
Politicians Define the**

Spectrum of Acceptability

Not so long ago, maybe a decade, the Overton Window was a relevant measure of what was acceptable in America. Not today. Today it is just another tool in the arsenal of Cancel Culture.

Red Faces After Red Wave Propaganda

The Republicans blew an opportunity to reverse the damage done by China Joe. They were assisted by conservative media and MAGA commentators who ended up with egg on their faces after deceiving tens of millions of conservatives about what was really happening.

Humanity Just Hit Eight Billion On This Planet: What Does It Mean For America, Canada and Europe?

Canada has seen over 2,000,000 refugee migrants cross its border to the invitation of Justin Trudeau. Those middle eastern and African refugees are changing the entire culture of Canada into a mixture of racial conflict, welfare burden

for Canadians and outright overpopulation of that once sane country.

The Bible Belt is Broken

As a football coach I have often heard experts say that you can tell a lot about a coach by watching the way his team plays. Watching the way most “churches” play tells me volumes about the weenie in the pulpit.

Teachers Caught Making Dirty Movies In Their Classroom

Yo, Congress! We have teachers making dirty movies in their classroom, and the FBI intimidating parents, and \$5-a-gallon gasoline—and you had freakin’ well better do something about it! Don’t let our House of Representatives be just a house of cards.

Our Constitution, Rule of Law

and GOD are Supreme

The former chairman of the Federal Reserve said in a speech that they caused the great Depression. This means that if you had hard working relatives in this country around 1913 they should have left you some money if not for the Federal Reserve. Of course the great depression was a big benefit to the Establishment who took advantage of the people.

Facebook Proves Once Again That They Are Subversive To American Law & Government

Last week, subversive Facebook paid special attention to my social media platform page, as they have over the last 10 years and decided to pull a post highlighting American law against those who are guilty of the act of treason (Luke 22:48).

No Red Wave? What's Next?

Trump, in the meantime, is not helping himself any, with his verbal assaults on DeSantis, especially as the two seem to agree on most essentials. For a while I thought this was being orchestrated by corporate media, but now I am not so sure. Trump comes across as a bully with labels like "Ron

DeSanctimonious," which serve no one's interests including his.

On the Eve of Destruction, Part 1

Today, we are under enormous pressures to replace our political, educational, and religious (social) structures that were set up to protect the individual, to educate our children with the necessary knowledge, and give them the ability to understand and contribute to the continuation of our way of a life of liberty.

America Votes for Obama's Brand of Marxism

In Pennsylvania, the brain-damaged Democrat Fetterman (endorsed by Oprah) beat the Muslim doctor (a creation of Oprah) accused of quackery but backed by Donald J. Trump and Sean Hannity. Nothing more needs to be said about America's descent into oblivion and catastrophe, otherwise known as communism.

“Biden Inflation” Misses the Real Target

Putting all the blame for the nightmare inflation we are experiencing on the walking corpse in the WH was a very effective political tool during this mid-term selection/election. In no way am I defending the life-long crook and usurper president, Joe Biden.

Our Enormous, Insane, Crippling National Debt: \$31 Trillion

What's the worst part of all this nightmare? From what this journalist can tell...it's only going to get worse. And, since our own leaders fail us at every juncture, there's nothing we citizens can do about it. And, from the elections last week, we voted most of the same idiots that have done nothing to secure our borders...back into office.

The Rainbow Is The Miracle Sign of God That He Wants Us

To See

Satan is trying to lock mankind into his 666 system of darkness. The true light of heaven is Jesus Christ. His light will be put into everyone he resurrects or transfers to his kingdom. The deep mystery of God is that once that light gets put into those that are linked to heaven, they will never be able to die.

America Has Lost Its Moral Compass

In trying to evaluate the 2022 Midterm Elections there is only one conclusion that a sane person can come to. America has lost its moral compass. We, conservatives, anticipated a red wave. It never manifested. If the church had come out in mass and voted biblical values most Democrats would be out of office today.

Keep the Bigger Picture in Mind

What we see now will not and cannot last. The suffering, pain, disappointments, and tragedies we face are all temporary. Keep the bigger picture in mind. The Kingdom of the Lord Jesus Christ is forever. Let us invite as many as we can into that

eternal reality, where it will be good and stay good.

On the Eve of Destruction

Today, we are under enormous pressures to replace our political, educational, and religious (social) structures that were set up to protect the individual, to educate our children with the necessary knowledge, and give them the ability to understand and contribute to the continuation of our way of a life of liberty.

No Denial, Just Proof

We are finding proof of already established fraud, all over the place, in action for 2022. Proof which cannot be denied. Forget the “deniers” thing; forget 2020. Take a look at what is going on, right now.

**Gout Patient Experiences
Complete Relief With MSM**

Mineral Formula

The biggest problem with the modern medical world is that virtually nothing is ever done to investigate mineral deficiencies that are linked to a wide range of health problems. It's easier to sell prescriptions to relieve symptoms, but don't fix underlying problems. Gout is a very serious condition.

A True American Seer

We live in an eternal present. We cannot modify the past and only guess about the future. Nevertheless, since immemorial times, humans have tried to predict what will happen. The ancient Greek were very interested in the future.

Veterans Day 2022—Will We “Keep Faith” To Veterans?

On Veterans Day 2022, may God bless all the veterans who have served in defense of our freedom in all the wars. And may the country whose freedom they preserved honor them on Veterans Day and on every day. They kept the faith with us; and, as expressed in the haunting words of “Flanders Field,” we must not “break faith” with them.

The Marxist General in the American Civil War

We can expect more of this kind of propaganda in the months ahead, as we anticipate the 2024 presidential race. The MAGA movement needs to understand how communists overthrow non-communist majorities and make democracies into dictatorships.

Now What?

Just 24 hours before I sat down to write this, the Internet was buzzing with predictions and prognostications, all of them foretelling a Great Red Wave, a red tsunami, that would sweep the Evil Party out of office and save the country from their insane and wicked policies.

You Really Expected A Red Wave?

Thanks to the failure of the Republican Party to do anything about the 2018 and 2020 voter fraud, the “Red Wave” most pundits forecast was not forthcoming. Those of us who look at reality, and tell the truth to the people, knew it was highly

unlikely the Stalinist Democrats would relinquish their control. And yes, it was fine to pray, but one also needs to work to stop the criminal theft. Name me one Republican who has done anything to stop the gigantic fraud in America's elections.

A Few Post-Election Thoughts: Our Tumultuous Future

You gotta' ask, how much worse does the crime have to become? How many millions more refugees do we have to import before our society breaks down? How many more drug overdose deaths will it take to close our borders? How much more in debt do we have to fall before our entire system fails? When are we going to solve our problems rather than import more of them?

Prepperism, Part 4. "The Alpha Strategy"

We all have to buy food for as long as we live – and lots of it. Food is an alternative store of value whose purchase in these days of supermarkets and the internet is often casually overlooked. Concern for its provision should be a mainstay in considering a rainy day.

This Isn't Government, It's A Death Cult

I have to say that when this information was first brought up that my response to it was that it is nothing short of a provocation to war by attacking the life of the innocent and usurping parental rights.

The Premeditated Murder of the American Family

The enemies of America thought long and hard about how to destroy this fledgling experiment. It was clear to them that America's strength was a function of three phenomena...

Prayer for America

Father have mercy on our nation, for our rulers are wicked and have partnered with the works of darkness. They have deceived the simple-minded and weak-willed; they have pacified and distracted even the strong and mindful.

2022 – This ONE is It

Although the fake media does its best to make every election look like a beauty contest, all about personalities, pretty faces, and smooth talkers, it's about far more than that! The best we can do is the best we can do. All we can do, is what we have to do tomorrow! Shame on anyone who doesn't do what we all have to do tomorrow!

Post-Midterm Elections: When the Real Work Begins

Anticipation for the midterm elections tomorrow is running at fever pitch. Socialists (liberals) and progressives (communists) are in absolute meltdown to the point of madness. Republicans are likely to regain control of the House and hopefully, the Senate.

Their Hate Runneth Over and It's In Play for the November

Elections

Yes, it is up to us. Complacency kills countries and ours has nearly killed the free republic of America. Inconvenience yourself to vote in person on November 8. Make it a group effort. Give rides to others, and take folding chairs to the polls. The longer the line, the better the chance that OUR votes will be recorded for what they are. Be thrilled to wait. Plan on it.

Our Great Constitution Is Used As A Front For Traitors?

None of this would be possible without corrupt government agencies like the FBI and DOJ. Of course the Supreme court is in the tank along with all the other traitors. There is a consensus among patriots that the FBI must be terminated and its employees should never be allowed to work for government again.

Democracy Is On The Ballot: Actually, Viable Candidates Are On The Ballot

If you're sick and tired of the nightmare Joe Biden and his

supporters have created, vote for anyone but the people who support and allowed 6.1 million illegal refugees to violate our borders, endless drugs killing 100,000 Americans annually, inflation, waste, racial conflict, rampant crime, no answers to our problems, and a continuation of incompetence.

God Has the Plan; Let's Use His Plan!

Christians, we have a mandate from Jesus to be on a mission to represent God on earth. If you do not know your mission and purpose, you will do all kind of things but not the right things. Satan will give us good things so we will not do the right things. Present the Kingdom of God which is the rule of God!!! Today, most Christians in America are ruled by Doctrine of Demons and not God.

Which Would You Rather Have?

Is this really what we want for the future of our children and grandchildren? The future of our country? Compare what you see in these seeds of the satanic agenda with those who stand for God, righteousness and justice. Which would you rather have for the future of our country?

The Rebuilding of America, Part 2

Every election is important but if we don't begin to put responsible people who will follow the Constitution instead of a political ideology our way of life will be gone. Klaus Schwab has declared that by 2030 we will own nothing and be happy.

Stronger Together in Jesus

The motley fleet of "just people" utterly defeated Palpatine's armada, which led to a general revolt against his rule across the galaxy that resulted in the restoration of freedom.

Appointed Boards Are NOT Lawmakers!

To those elected representatives I ask, DO YOU ENJOY BEING THE DOORMATS OF HIRED BUREAUCRATS WITH AN AGENDA? The belief of elected representatives that they are powerless to oppose the dictates of appointed boards – that is the root of the problem. Such an attitude is leading to the destruction of representative government.

Printers Involved in Florida Voter Fraud?

You can choose to check the “coincidence” box in every one of these areas of information. But you cannot ignore the stink. Something smells rotten in the state of Florida, and the Florida Republican Association is asking our officials to take a whiff and explain.

Obama is Never Going Away

It’s true that Congress has the power of the purse, but you and I know that a Republican Congress under the control of Senator Mitch McConnell and Rep. Kevin McCarthy lack the expertise, knowledge, and will to “take America back” and dismantle the major elements of the so-called administrative state. The CIA, FBI, and the IRS will survive, and you and I know it.

Did You Know That Sick Ballots Can be “Cured”?

Now that others are finally – at long last – out and talking

about the trouble with ERIC, the Electronic Registration Information Center, as we at the American Policy Center have been doing for so many months, I thought it a great time to take a look at another piece of the formula for fraud, ballot curing.

Teachers, Preachers and Greens... The Unholy Alliance Transforming America

Parents were virtually eliminated from the education process, kept from visiting classrooms, participating in homework assignments and banned from seeing copies of tests and evaluation exams. In time, Americans began to notice that their children changed after entering school. Children were not learning to read and write.

We Need to Repudiate Political Violence

If we do not do these things, in the spirit of control over our emotions, countering lies with truth, and engaging others with the love Christ showed for us – and who suffered far worse than any of us ever will – regardless of what they do, then we risk becoming no better than those we oppose.

Affirmative Action: The Most Racist Program In America

Affirmative action is a policy in which an individual's color, race, sex, religion or national origin are taken into account to increase opportunities provided to an underrepresented part of society. What affirmative action isn't: it's not based on achievement, effort or intellectual abilities.

“We The People” Are Mostly Sheep, Ruled By Unconstitutional Officials

Putin may be a dictator, but he is ruthless in defense of Russia, The Ukraine war was caused by our government and fake media. Period! “We The People”, here and in Europe are being rapidly impoverished by the war. Millions are dying and the PSRRC is laughing all the way to the bank.

You Have a Right to Be Wrong

“Misinformation” is a lively buzzword, these days. Our so-called government is trying to stamp it out. For our own good,

of course. Otherwise we might actually listen to someone who is spreading “misinformation” about our beloved COVID-19 vaccines, Climate Change, or that pure-as-the-driven snow election that we had in 2020.

Federal Elections End at Midnight ON Election Day

President Elect Donald Trump won the 2020 election. I watched every hearing and watched every credible video following the steal. Massive ballot dumps in the middle of the night – hundreds of thousands between Georgia and Pennsylvania alone.

Where Have All the Flowers Gone? Long Time Passing

What was our crime? What did we do to sic all the major environmental groups on us and that the world’s major corporations needed to fund them? Supposedly, we were trashing the planet – killing birds and animals, tearing up the Earth, tearing down all the trees, despoiling the rivers, and polluting the skies.

In Contrast to Mere Words, Christian Love Does!

Last week, I did a show asking the listeners and viewers the question to 157 cities, where did Jesus ever preach “God loves you,” or where did He ever say that He loved His disciples, or anyone else for that matter? Of course, no one could answer that question because it is not in Scripture.

The Serial Killers in Our Midst

A new Netflix film, “The Good Nurse,” is based on the actual case of a serial killer operating in a series of hospitals who killed dozens if not hundreds of patients. At the end, we are told that the hospitals which employed Charles Cullen as a nurse were never prosecuted. He was shuffled around like the pedophile priests who were caught in one parish and then sent to other churches.

Rattlesnakes and Americans...Be Like

Though the world doesn't like our politicians any better than we do, or than they like their own, respect for the American

people themselves, remains high. For more than 245 years, Americans have given of themselves for the cause of freedom and liberty all over the globe, asking only peace in return.

Anthony Fauci's Sociopathic Murder of the Masses

Do not be deluded; the unvaccinated are not the enemy. The first step on the slippery slope to genocide is the stigmatization of a minority. Silence invites ever-increasing repressive restrictions. If we are to survive as free human beings, we must speak out against discrimination. We must not ever be silent again not today, not tomorrow, not ever.
