

Congressmen Who Vote For Unconstitutional Laws Are Traitors!

Congress continues to operate as a CRIMINAL ENTERPRISE by ignoring the Constitution and financing invaders, which is also Constitutional Treason. Congress continues to fund countless unconstitutional departments and functions of the federal government to centralize power and impoverish the people.

Donald Trump's Resilience Amidst Deep-State Targeting

While media perception continues to attempt to deeply divide, Trump's narrative of resilience continues to resonate with his supporters, reflecting a broader struggle for power and representation in American politics.

The Experts, Science, Medicine—All Amazing, All

Fallible

For thousands of years, going back to the Bible, women have wept and grieved and pleaded to God over their miscarriages. Indeed, it took all these millennia for modern-day pharmaceutical companies to develop solutions to this ongoing nightmare. In the 1940s, they were happy to offer doctors the ability to...

Exploring To The Edge Of The Map

During this Thanksgiving week, let's take a rest from the grief and tribulations of the world. Let's plan on exploring to somewhere new, somewhere else, somewhere to the edge of the map. Someone once said, "The best road is the one that leads to the horizon." Some pedal for emotional peace.

Why the "Red Wave" Never Crested in 2022

He has also toured the country holding townhall meetings to support the Dems. At these events, he was looking to recruit more influencers who are well-known personalities in the areas of beauty, fitness, lifestyle models, and even comedians to reach young people online and urge them to vote for leftists.

Another Russia-gate Scandal for Trump

As Senator Kyl indicated, Snowden has been embraced by some on the right because he poses as an enemy of the same “Deep State” targeting Trump but he is today living in Russia, after having traveled through Chinese Hong Kong.

Giving Thanks

On October 3, 1789, George Washington issued his Thanksgiving proclamation, designating for “the People of the United States a day of public thanks-giving” to be held on “Thursday the 26th day of November,” 1789, marking the first national celebration of a holiday that has become commonplace in today’s households.

I’m Grateful Today

I don’t want this to be a cheesy Thanksgiving-is-a-good-thing commentary, but, rather a genuine moment of reflection on how blessed we all are and don’t even realize it. The focus of soooo much of what we discuss deals with the negative...things that are wrong with our lives...that I hope to change your focus

a bit. After all it IS THANKSgiving Day.

Is America Worth Saving?

We are beginning to see the FURY of the Left, as they realize that President Trump means BUSINESS. He is not fooling around. He intends to fulfill as many campaign promises as possible!

Turkey, Cobbler, And Gobblering

I always do turkey for our small church group's thanksgiving the Saturday or Sunday before thanksgiving. Potato, yams, parsnips, carrots??? ... The Pressure cooker is your friend! I get a five pound bag of medium spuds. Cutting spuds & parsnips in half lengthwise, then carefully stacking the pot a little more than half full with the soft/flat sides up, with a couple inches of water.

God Hated Esau But Loved

Jacob – How So?

God loving Jacob and hating Esau has nothing to do with the human emotions of love and hate. It has everything to do with God choosing one man and his descendants and rejecting another man and his descendants.

Disastrous Choices Are Sabotaging Trump's Victory – Part 3

At this point in the transition of power, I am appalled at many of Trump's choices for his second term. Yet, the conservative pundits and talking heads are lauding Trump's choices from Tulsi Gabbard and Kristi Noem to Mike Waltz and Pam Bondi. Telling the truth at this point would put a damper on the massive victory.

When is a Gun a Gun?

In the case *Garland v. VanDerStok*, the issue seems to come down not just to what the definition of a firearm is, but who gets to decide. What seemed to be forgotten in the oral arguments is the fact that an 'arm' by any other name, is still protected by the Second Amendment.

4B Movement: Latest Radical Feminist Caper Illustrates the Clash of Worldviews

It's often said that we live in a lonely society. While the digitization of everything and everyone is doubtless a factor, radical feminism preceded the Internet and social media. Equity feminism stressed equal pay for women for equal work and equal experience, something all of us who consider ourselves fair minded supported.

Live Life in Radical Amazement

During this season, when Christmas arrives, my church offers six candle- light services. It's an incredible sight to sit in the back when 1,500 people raise their candles to wish humankind peace, abundance and good will toward all. We wish the best for our loved ones who have passed. We wish our best to all faiths, all paths to God, and all spiritual energy toward the world.

Soros-Funded Agent Installed at Treasury Department

After telling us for years that Soros-funded prosecutors were a threat to our system of justice in America, Fox News is now touting the nomination of a Soros-funded financial operative, Scott Bessent, as Secretary of the Treasury, where he can do enormous damage by destabilizing the U.S. financial system.

Is The Federal Death Administration (FDA) at it Again?

Thanksgiving is in four days. From all I've read, yes, some dog foods are turkey but not the same as you might be cooking: no spices, onions, etc. You might wish to look up feeding your furr baby turkey on Thanksgiving – especially not giving them turkey bones. While families across the nation give thanks for blessings, please pray for our fellow Americans who are suffering.

Slave of The Illusion

As you pick up the surface behavior, you also take on the more secret evil and its purpose. In turn, the conflict you feel

inside makes the psychopath seem more attractive and compels you to look up to him even more—to the end that he will glorify you again.

Appalachia Needs Help – This Is Real

Meanwhile, the mud that now covers everything is highly toxic, contaminated with “forever chemicals” that have been stirred into the mix from chemical plants and factories that were destroyed. Some have called it “East Palestine, Ohio “times” a thousand.” Cadaver dogs, and horses used to reach those trapped in the mountains are dying from the poisonous mud.

The Heart and the Way We Think

So, most of the Body of Christ in America has totally missed God’s purpose for the Kingdom. Life for the modern man in the East and West needs something to give total meaning to an otherwise fragmented life. He knows everything about life except how to live it!!!! But American religion offered the American way of life instead of God’s way of life – the Kingdom of God.

Deep State Wins First Victory Over Trump

With the character assassination of Matt Gaetz and his replacement by lightweight candidate Pam Bondi, MAGA's only hope is that President Trump will himself take control of the Justice Department and order charges against former President Barack Hussein Obama and former presidential candidate Hillary Clinton for their roles in the Russia-gate scam.

Why We Need Freedom Pods NOW!

This election showed us very important information – that America is, for the most part, conservative, that Americans want the government our forefathers fought for and so diligently and wisely put together for us. Trump won both the electoral vote and the popular vote, something not done since George Bush in 2004.

Unverifiable Elections are Uncertifiable

The 2024 election victory isn't the finish line, it's the

starting line of a New American Revolution to reinstate Constitutional government in D.C. and in every state and city across the country. No political leader has the power to accomplish this alone. But over 76-million Americans do, if they only will!

Who Will Vet the Vettters?

Without doubt, globalist-aligned dissemblers will seek to burrow into his Cabinet and beyond, pretending to be MAGA supporters. And since we can't see into the human heart, rigorous vetting is the best tool we have to keep such quislings from gaining a foothold in Trump's administration. Remember, this may be our last chance. We can ill afford mistakes.

Why the Deep State is Afraid of Matt Gaetz

I urge everyone to watch the video of Gaetz grilling the FBI director. Then watch the video of Gaetz grilling Attorney General Garland. Gaetz understands the problem and the solution. He can get the job done.

Kamala: If Elected, I Wouldn't do Anything Differently

Thus, for Kamala Harris to pretend that she deserves anything more than disdain from Laken Riley's family, and residents from all the cities and towns like Springfield, Ohio, and all the military families who lost loved ones—Kamala should examine herself, find incredible incompetence and escape back to Jamaica or India.

It is Impossible for Trump to Drain the Swamp Unless He Obeys the Constitution!

Let me also state that it will be impossible for Trump to drain the swamp or avoid devaluation and a great depression unless he follows the Constitution in all respects. I will support President Trump as long as he takes this unique and rare opportunity (first time in history) to return to a Constitutional government and economic stability.

San Francisco v. EPA – Oral Arguments

How California handles its water quality is their business. Placing a federal agency in the middle does nothing but add more bureaucracy to an already bureaucratic nightmare. Maybe that's why the framers limited Congress to only making laws necessary and proper for executing the powers vested by the Constitution in the government of the United States.

The Wrath Of God Abides Upon The Children Of Disobedience

The music industry and the movie industry put up their fallen stars to promote lyrics and immoral agendas that promote murder, fornication, drug, and alcohol use. The people then emulate that to which they have affixed their eyes and ears, and then cannot understand why they are reaping a curse upon themselves and their country (Matthew 6:23).

How to Make AI Intelligent and Save America \$2 Trillion

Making AI intelligent and saving America \$2 trillion requires using the scientific method to reject climate fiction and to

reject the false idea that consensus determines scientific truth. Consensus determines opinion, not truth.

Let Me Count the Ways Liberals

China's President Xi Jinping congratulated Donald Trump on his U.S. presidential win and urged both nations to find the "right way to get along," as looming U.S. tariffs threatened to return, as they did years ago.

Food Industrial Complex: Poisoning and Polluting Our Food Supply

The average cow and chicken are fed or injected with nine chemicals to make them fatter, grow faster and also withstand the chemical assaults on their bodies. If Americans witnessed a Montford cattle yard, and how horrible those animals live, they would puke. If they saw the inhumanity to chickens, pigs or turkeys, they would vomit emotionally and physically.

Detransitioned Teens: Regret for the Rest of Their Lives

Another horrible crime against humanity. Parents should find out exactly what their child's school teaches or promotes this butchery – mostly in secrecy so parents don't find out. Keep them away from social media (Tik Tok, etc) and the poison plastered all over about how wonderful it is to have your penis removed and a new vagina!

Mr. President, Who On Earth is Vetting Your MAGA Appointees? Part 2

Nesheiwat served on the World Economic Forum's Global Advisory Council on low-carbon energy transformation as well as an international affairs fellow with the Council on Foreign Relations. Nesheiwat is a visiting professor at the Naval Post Graduate School on Energy Security and has lectured at Stanford University and the University of California San Diego.

Something God Cannot Do

In the same statement made by Jesus of being the only way to

God, He promises to prepare a place in His Father's house for all who trust in Him and come again to take them home to be with Him forever (John 14:1-3), where there will be fullness of joy and peace, and a permanent refuge from the father of lies, the devil, and all who practice his ways (Revelation 22:13-15).

God Gave America a Second Chance, Don't Blow-it

Lastly, I do believe the next few months, and possibly years, will be times of violence, because the devil never sleeps, nor do his demons. Brush up on your spiritual warfare skills, because we're now entering a time like no other. Watch, pray and take action.

America Received A Second Chance

We failed to become that nation because we would not keep God's commandments. We have never turned to God; we have always turned away from God. But God loves His people and is still waiting for us to come to repentance. 2 Peter 3:9. How long will God wait until His wrath comes?

Be A Living Monument

Now, if others are similarly drifting through life, and similarly take up with the same newfangled foreign philosophy, that should give you the impetus to fight the newfound folly going on. These fools are fooled by the foolish notion that they are acting out their own “truths,” free from the forces of history.

Trump’s Victory, the “Educated,” and the “Un-Educated”

Many American conservatives, he said, didn’t vote for Trump because they thought he was a savior. They voted for Trump they despise his most visible enemy: the organized left. They see leftists as both dishonest and power-hungry, and think you’d have to be blind to miss it.

America, If We Can Keep It

President Trump spoke directly to the American people. He did not divide. He didn’t care who they were, what jobs they had,

what color, what ethnicity, what gender. To him they are Americans who have come together to Make America Great Again. Surprisingly the people feel the same.

Harris – Trump 2024, The Professor vs. the Prophet; Lichtman's Prediction & Clement's Prophecy

When Kamala Harris ran for president in 2020, she garnered just 2 percent of the Democrat Party vote in the Democrat primaries. This indicates that even Democrat voters did not like her and were not inspired to vote for her. Thus, Democrat voters were primarily voting against Donald Trump and not so much for Kamala Harris.

The Murder of the Mainstream Media

Today, Donald Trump has been re-elected as President of the United States and the Fake News National Media is on its death bed. That will go down in history as President Trump's most valuable service to America. The Murder, in broad daylight, of the Government-Media Complex that JFK warned us about in 1963.

What Do You Think of D.I.E., C.R.T., W.O.K.E & Men Competing in Women's Sports?

It matters little what you think of President Trump as to his personality, but the one thing you can count on is the fact that he loves America, and he works for all Americans. God help him and his cabinet and top staff to guide this country back onto a successful path in the next four years.

A Constitution Catechism

This answer is only partially correct. No, the people themselves are not the arbiters of what is constitutional, but the justices of the Supreme Court have not been delegated that power either. Since that power is not prohibited by the Constitution to the states, they retain the power to determine if a law is contrary to the Constitution.

It Pleased The Lord To Bruise

Him!

There's a statement in the Scriptures that is confounding to many, where it says, "It pleased the Lord to bruise Him." What can that possibly mean? On the one hand, God was heard audibly saying "This is My beloved Son in whom I am well pleased" (Matthew 3:17).

Heads Up, Mr. President – There are Saboteurs All Around You, Part 1

General Michael T. Flynn told Steve Bannon, he wants Trump to stay at Mar-a-Lago until inauguration, and not venture into DC. He also wants him to hire his own security people. Trump would be wise to do both.

Civil War in the Republican Party

The contenders are Minority Whip John Thune of South Dakota, John Cornyn of Texas, and Rick Scott of Florida. Scott is the more conservative candidate and is campaigning for the post as the voice of MAGA.

November 2024: Votes Still Being Counted Congress: Are Those Elections VOID?

While brainwashed Marxist voters wail and cry because Trump was able to keep from being cheated a second time and pollsters and blabber mouths on cable networks or political pundits on line – who also support the goals of the Communist Party International, a number of states/counties are still counting as I write this who have yet to finish counting votes long AFTER election DAY for federal offices.

Political Satire Mets Out the Hidden Truths

As we approach Veteran's Day, my hat's off to every American who served. My hats off to my grandfather Jesse Ward Johnson who served in WWI, to my father Marine M/Sgt Howard Wooldridge, my brother Scott Navy, my brother John Air Force and Army, and to all my old Army buddies who made it through Vietnam. God bless you, and God bless America.

The Systematic Killing of America, Part 5

Deception is a powerful word. One of the profound truths which most followers of Christ do not know is, “by definition, a person who is deceived does not know he or she is deceived.” Once deception is cast down, there is light and revelation that amazes the one who was deceived. A major deception among the followers of Christ in America is the work of Satan in the world and in the lives of believers.

Traitors, Haters and Demons

Friends, in the days ahead, understand that it is God who sets up and removes kings. As Christ-followers we have power, love and sound minds. Defend your family and neighbors, stand for righteousness, don't let any untruth go unchallenged – but don't let yourself get caught up into violent conflicts if there's any way you can avoid it.

Trump's Electrifying, World-Changing Victory—He Literally Took Out the Garbage

For the past four years, hard-working Americans resented

spending their 8-10-12-14-hour days—more if they have two jobs—working their butts off, only to have their taxes and food prices and gas prices and regulations raised, and crime off the charts, and for what?

The Danger to Trump is Greater Than Ever

In addition, the Democratic Party is a member of the global Progressive Alliance together with the British Labor Party, which now governs Britain and sent “volunteers” to America to help Kamala win.

Importance of Jury Duty

If We the People are not willing to sit in judgment of our fellow man, who will? Wouldn't it be the judge? The government employee acting as judge, jury, and possibly executioner? Would that be a free country? Not according to those 56 men who signed the Declaration of Independence. They recognized that freedom is not free.

Saving Our Republic from the Invasion

Whatever you want to call it, the mainstream media got their butts kicked. An enormous 98 percent of their cover of Trump ran to the negative. An enormous amount of reporting for Kamala ran positive. But in the end, the American people would not take the bait. They would not swallow the Kool Aid. They would not succumb to how “dumb” the power elites thought of them.

TRUMP WINS! But We Can't Rest On Our Laurels

Voters have solidly and soundly rejected the far left Democrats (Republicans have taken both the House and the Senate!), based both on the economy as they perceived it during the past four years (an inflationary disaster!), and on the immigration mess that Kamala Harris is personally blamed for having worsened, and then some!

Socialism—No Big Deal?

The inimitable Dietrich Bonhoeffer reminds us, as Christians, that “silence in the face of evil is itself evil.” Fiddling while one's nation burns is not biblically defensible. When

informed Christians speak, stand and vote for issues (not personalities)–this, in alignment with God’s Word– “the lot is cast into the lap”; and “its every decision is from the LORD.” (Proverbs 16:33)

Radical Return to Reason Required to Rectify Economic Situation

The above are fundamental actions I think we can agree on without the excessive arguing and debating, something frequently – and often intentionally – leads to inaction. We must conceive of practical ways to accomplish these objectives. Once we Americans get the ball rolling, things will start turning around.

Bradlee Asks Alex Newman To Convince Americans That Trump Is Their Man

So, in response, I reached out to Alex about what was brought to me and asked him to jump on The Sons of Liberty (Matthew 18:15-20) to share with our audience how to convince Americans that Trump is their man, and I would reveal in the face of what Alex conveys as to what Donald Trump has done (Matthew

7:16-20).

Trump's War Against the Deep State

After his 2008 election, Obama spent eight years weaponizing the entire intelligence community (IC). His top soldiers, Jarrett, Brennan, Clapper and Holder, also weaponized the entire federal government including every alphabet-soup agency. Comey, Lynch, McCabe, Weissmann, Yates, Strzok, Page and Ohr were the high-ranking officials and major players in the agencies Obama oversaw.

Montana Republican Traitors

Sheehy's a Trojan horse who can't remember who he is. Zinke lies to Trump. It's insanity to give shady Sheehy six years and zombie Zinke two more years to destroy us. This is more important than who controls Congress. I'm voting for former President Donald Trump, Sen. Jon Tester and Monica Tranel.

Fixing this Tasteless Oregon Gruel

This election is an important and pertinent decision for every Oregonian. It is particularly relevant with regards to our understanding of our American heritage and ideals.

Is Trump Trying to Lose This Election?

This rally wasn't something he had to do. Yes, it proved he can fill the house and then some, in a notoriously left-leaning city. I don't know of any head count made that would indicate how many attendees were New Yorkers and how many were from outside the city, or even outside the state.

Alleged GOP Losers: Immediately File to Stop Certification of Vote

Candidates: If you allegedly lost your race, don't just walk away. Immediately file to stop certification of the vote which varies from 20-30 days depending on the state. Demand a FORENSIC ANALYSIS. I guarantee you the numbers won't match and I say that after pursuing this cheating of We the People for

the past 31 years when few would listen or even look at the evidence.

Citizenry Participation in Times of Political Turmoil

The political landscape of America has grown more divisive and tense over the last couple of decades. Polarizing views on government policies, social issues, and the interpretation of the Constitution have led many citizens to question the direction in which the nation is heading.

What Can We Expect on Election Day from the Forces of Tyranny?

There is growing concern over possible violence if Trump wins the election. What will happen the day after election day? While I obviously can't know for sure, I can tell you from personal experience what can happen when an entrenched tyranny refuses to concede after a sound defeat.

When Democracy Dies in the Darkness

Anyone voting for Kamala Harris votes for the destruction of their own country on multiple levels. She simply does not know what she's doing or how to solve any of the Mt. Everest of problems facing America. But in reality, she's compounding them beyond solving. Finally, you and your family will be facing all these problems without any solutions.

The Systematic Killing of America, Part 4

Our government up to the early 1900s was not perfect by a long shot but it was about as Christian as a nation can get. After that the demons and the power of darkness curses moved into our nation. Our strong American culture, not perfect, was fine from our Founding Fathers days through the 50s until the beginning of Saul Alinsky in the early sixties.

There's No Political Solution

In 2016, Donald Trump took the White House in a massive victory with his "Make America Great Again" campaign. Despite enormous popularity with his enormous rallies, he wasn't supposed to win, but Americans were fed up after eight years

of the radical leftist and communist agendas of Barack Hussein Obama and the globalists that pull his strings.

Are You Better Off Now Than You Were Under Trump?

At a campaign rally in Latrobe, Pennsylvania, on October 19, 2024, presidential candidate Donald Trump posed a question to the American people, echoing another presidential candidate in 1980, Ronald Reagan, whose asking of the same question helped him win the first of two terms as president of the United States.

Kamala Sinking Like a Lead Balloon; Trump Taking Off Like Elon's Rocket

In fact, just last week, both Wayne Allyn Root and Paul Manafort compared this election to that of 1980 when Ronald Reagan trounced Jimmy Carter with a landslide victory. They predict Trump is about to have a similar landslide. American voters didn't like inflation under President Carter, and like it no better under Biden and Harris, among other things.

Great Again vs. 3rd World Destruction

Because Harris was never elected as the nominee, intelligent people can see who the real threat to democracy really is, the candidate not elected by anyone. And because democrats have promised to “raise people out of poverty” by using taxpayer revenue to do it, without ever lifting anyone out of poverty, smart people don’t buy this lie anymore either.

The Enemy is Within

Decades ago, Communist defectors from the ranks of the KGB and GRU (top tier special forces) painstakingly laid out the procedures and processes of the machine they served. They wrote documents, met with the CIA counter-espionage unit, were interviewed by serious journalists, and even wrote books.

What Can We Expect on Election Day from the Forces

of Tyranny?

Will history repeat itself on November 5th? Are the Harris Dignity Battalions preparing to maintain their status quo? We must stand strong like the Panamanian people and refuse to leave, even if our polling place is threatened. We need poll watchers to oversee all aspects of the vote counting process.

It's Now Down To THEM or US; There is No middle ground in This War of Cancel Culture

We don't accept slavery. Our nation's Founding Fathers designed the nation to protect natural rights rather than dictate what our rights may be. The Founders also advocated private property rights as the most important right held by individuals that must be protected at all costs.

The True Science of Climate Change

Republicans deny climate truth and refuse to even discuss climate truth with climate experts. They are wimps who do not have the courage to learn and stand up for the truth that would make us free. Republicans are responsible for Montana's

disastrous loss of the Held v Montana climate lawsuit in 2023.

Fluff, Stuff and Fraud in Oregon

Why did the governor go through the charade of having both the DMV and outside auditors wasting time and money trying to investigate data-entry errors when almost anything is valid? Why the pretense of a drivers' license or the final-four digits of a "valid" SSN? Why call for an outside audit? Because this is a "limited hang-out" part of a grand charade.

Civil Wrongs: 30 Years After!

Meanwhile, those supposedly dominant – straight white Christian men – are the only ones losing ground: culturally, demographically, economically, healthwise, spiritually. We're group members for political purposes and atomized economically and psychologically, so that loneliness is epidemic as white men stay unmarried.
