## **Are Tax-Free Foundations Parasitic Whores in Sheep's Clothing?**

Communists and the Parasitic Super Rich Ruling Class (PSRRC) are attacking us with Deceit, Deception and Destruction using

the Income Tax (TAX), Private Federal Reserve Bank (FRB), and Tax-Free Foundations (TFF). Due to the failure of our Communist schools and media to teach the truth, I must put all of this into proper context...which will be a surprise to most people.

## **Hell Hath No Fury**

As everyone now knows, there has been a massive eruption of nationwide protests as tens, no hundreds, no thousands of mostly Muslim women (and a few of their husbands) have descended on School Board meetings across the country to protest the fact that Critical Race Theory (CRT) is now being inflicted on their children, starting in kindergarten.

# **Fauci Isn't the Only Sadistic Bastard**

I could have added a hundred more photos that would break your heart, but I hope you will make your voice heard on this and if you're running for city council, county commissioner, your state legislature or Congress, make a promise you will work to stop such unnecessary and horribly cruel torture on helpless creatures.

# **Loudon County Schools... Melting Down**

The Loudon County school district, in Virginia, is where the action is these days. Or to put it more simply, it's a mess. This week a juvenile court judge found a 14-year-old high school boy—who was wearing a skirt at the time, and claiming

to be “transgender”—guilty of raping a female student in a high school rest room.

## **Covid Pandemic Creating An Equally Dangerous Obesity Pandemic**

All those fast-food joints sell non-nutritious, unhealthy, chemicalized and over-caloried food stuffs. Those “foods” do more damage to one’s body over the years because it’s a slow-motion process. The average American eats 140 pounds of white sugar annually. The amount of Coke, Pepsi and Mt. Dew screams off the charts.

## **The Blood On The Hands Of Propagandist And Warmonger Colin Powell**

When you have treasonous and disgraceful Joe Biden, George W. Bush and Barack Obama singing your praises on and through the mainstream media, you know as well as I do that he was just as corrupt as the ones praising him (Luke 16:15), and in the case of Colin Powell, nothing could be truer.

# **There Are NO Blue States**

Most Americans think we are headed into some form of “civil war” between BLUE and RED states, as the nation is divided, angry, and motivated to fight, more than at any point in our history. But the simple truth is, there are no BLUE states in the USA. There are only a handful of BLUE cities...

## **2020 US Election: A Déjà Vu**

The insidious similarity between the 2020 rigged US presidential election and the 2009 Islamic Republic of Iran sham election, is striking and quite mindboggling. ## **At The Town Hall Meeting: Biden Clearly Not In Touch With Reality**

Joe Biden is a product of 47 years in Washington DC. Clearly, as a U.S. Senator, he accomplished not much more than endless, meaningless speeches. Even more clearly, as you witnessed in

last week's nationally televised Townhall meeting with Anderson Cooper, Joe Biden lacks a grasp of what's happening in America.

## **The Systematic Extermination of Traditional American Values, the Expendables, & the Replacements**

The Left is no longer interested in intellectual discussion and fair play. They are interested in total conquest. They are seeking victory by means of taking total control of every institution in America, as conservative Americans are either fired or forced to resign over conscience, eliminated, or otherwise taken out of the way.

## **COVID-19 Vaccine Facts Media Ignores, Part 4**

With all the information that I have presented in this series, it is impossible to believe that what the government is doing is in 'the best interest of the people'. It is for one thing only and that is to gain as much control over the American people as they can.

---

# **Too Many Governors are Corrupt, Incompetent and Cowardly**

# **Donald J. Trump Can Still Save America**

We are still in a war with China over COVID and many other issues. Here, again, Trump has the credibility to stand tall, as he recognized the China threat early on and started the process of challenging the communist behemoth in such areas as trade and 5G communications networks.

## **NO ONE is “Forcing” YOU to Do Anything!**

How cheap will the average American sell their soul, their lives and freedom, and that of their children? Well, the average USA income today is \$36,000 per year, down over 25% from 2019, due to ongoing governmental destruction of our economy. Anyone who has been “forced” (coerced) to take a fatal injection to keep their job, sold out themselves, their kids, freedom, liberty, and life itself...

## **America’s Hitlerian Henchmen**

Ironically, American doctors are not only prevented from using life-saving therapeutics, they can’t even talk about them without risking their licenses! So the powers-that-be have co-opted both free speech and the American medical profession in

---

## **Press Censorship, Part 3**

Then at the very time Covid-19 seemed to be coming under control, the Delta variants suspiciously appeared as the product of a rare double mutation. One increasing the transmissibility of the virus, and the other “just happening” to decrease the efficacy of vaccines! After that, 50% of the vaccinated people in Israel became infected anyway.

## **Our Military Goes Downright Silly**

Imagine it as a scene in a movie. General George Patton is up late at night, laboring to plan the relief of Bastogne. Can he get there in time, before the Germans overrun the town? It's the Battle of the Bulge, and the situation is critical. How about the weather? Will his combat aircraft be able to fly support missions?

# **Today's American Church is Spiritually Impotent**

But the American Church is the 98-pound weakling that Charles Atlas used to talk about. At some point Christians are going to have to hit the weight room and fight back against the Luciferian bullies. Getting one's ass kicked does not make one more Holy. Fighting pressure does. In fact, it is often called "resistance training." At the heart of resistance training is the act of pushing back.

Have you wondered why so many companies were so quick to go WOKE and destroy America? Could it be that as companies became GLOBAL, America became irrelevant? Global Corporate CEO's and VP's took money, tax rebates, grants, subsidies etc. from the American Taxpayer and many purchased multiple residents all over the world.

# Vaccine Tyranny Ignites Brushfires of Freedom

US Treasury deputy secretary warns unvaxxed Americans that shortages will continue until everyone is jabbed. # **Tyranny in Shelby County, Tennessee**

I beg of my fellow Americans to wake up and smell the decay of our Republic...we are dying. ## **Since it's ALL about the Money and Power**

Those who cannot resist the demonic urge to seize dominion over all people, must be stripped of any and all power. We can no longer act as though we have any choice in this matter...

## **What Can YOU Do for Your Country?**

In college sports stadiums across this country and even car racing events, crowds are roaring F-Joe Biden. Some partisan

brain-dead reporter at one of those events said, oh, no, you didn't hear F\*ck Joe Biden, it was "Let's go Brandon". That set this new meme off on every social media flat form and it's all over the country and Internet.

## **Is It Time to End the Two-Party Charade?**

Currently, Republicans are pushing the Kool-aid that everything will be solved in the next election when they put Trump in the White House again. But you have to be very gullible to believe that the party in power who allowed the presidential election to be stolen will have the power and the will to win the next election.

## **Phony, Pandering, Condescending, and False**

Is there anything about this so-called presidential administration that isn't phony, pandering, condescending, and false? # **Is America's Culture, Language and Ethos Being Changed On Purpose?**

## **Preaching Beyond the Choir**

Those of us who write for NewsWithViews and assorted Conservative and Libertarian journals are essentially preaching to the choir, which, by the way, I believe is absolutely necessary, as the choir doesn't leave the church during the sermon, but is inspired by it. Yet sometimes we need to reach out to the heathen as well.

## **The Origin of Covid-19 – Updated, Part 6**

While the government is pushing vaccines even to the extent of saying businesses should mandate them, precious little time is being spent on developing and promoting treatments for

Covid-19. For example, a physician friend of mine in Michigan got Covid-19, treated himself with hydroxychloroquine, and easily got well.

## **What we NOW Know About COVID-19**

Americans are dying, but not from COVID19. They are dying at the hands of the mad scientists, corrupt politicians and go-along-to-get-along “experts” who will kill you by mandate, before giving up their Mercedes and private country club membership. These things we know... but what we don't know, is when will Americans fight back?

# Is Transgenderism Contagious?

## **A        Biblical        Christian Worldview Lost**

The answer is actually very simple and easily understood for those who will recognize and accept the truth! Here it is, most who say they love God do not obey His laws! Most will respond with a loud protest denying this factual statement! My reply is, "If we truly were following His law system, why did we get so far away from the righteous Christian worldview?"

---

## **COVID-19 Vaccine Facts Media Ignores, Part 2**

The American people have gotten to the point where they seem to pay no attention to the rights and freedoms our Founders gave us. The right to determine what we put in our bodies, specifically medicines, is a right that we have and if we don't take a stand now and refuse this massive overreach by the federal government we'll be forced to do whatever they say from here on out. Hitler forced the people of Germany to take drugs with no recourse.

It is my duty, obligation and right to exercise my freedom of speech to report my honest appraisal of circumstances. I pray that Donald Trump was not our last President.
