

# Importance of Voting

The republic for which our flag stands is crumbling under the weight of collectivism, tyranny, and elitism, in no small part because the people who believe in individual rights, in liberty and justice for all, cannot be bothered to go to the polls every couple of years to vote.

---

## “Voters Compromised?!”

We can also learn that neither party has completely removed We the People from the United Nations, which is clearly a socialist based entity. If you study history, you know that under a true socialist system, voting is completely a farce. Is this what we are destined for? Is this what our students and children will be faced with?!

## MIA – the People We Pay

The cookies were about to come out of the oven when I heard Congressman Brian Mast tell Dan Bongino that our soldiers were told they had run out of ballots and some would not be able to vote. Mind you, I didn't hear the whole conversation, but my ears perked up when Mast spoke. This was just yesterday, October 29, 2024. The election is a week away.

# **Garbage In Garbage Out: Who Is Taking Out the Trash?**

So when pretend president Joe Biden calls half of America "GARBAGE", I take issue with such a rude, crude moniker. Why is that? Answer: most Americans love this country, love their families, pray to God, go to church, pay their taxes, and stand for Old Glory. Sure, we've got warts, callouses, wrongs, and dark rainbows of past mistakes.

## **2024 Back to the Basics**

If the USA is no longer free and prosperous, no place on earth will be! It's not possible to plunder the assets of the USA to raise the world out of poverty, war and starvation. It's only possible to bring the USA down to the same unsustainable 3rd world status, by killing the goose that laid the golden egg. A lowering tide, grounds all ships...

## **Patriotism is Not Obedience to Government**

Why can American's be called racist continually with no

opposition? Answer: SCHOOL. Why are Patriots being called racists? Because this is what kids learn in school. Someone sent me this statement. Not sure of the author but how true is that. "Patriotism is not Obedience to Government. Patriotism is Obedience to the Principles for which Government is supposed to stand."

## **Preached Into Heaven After Being Found To Be Living In Sin**

First off, I would like to say that what I am about to write makes me righteously indignant. I'm righteously indignant not so much against the one that willfully remains and then dies in their sins (He who claimed to be a Christian; John 8:24), but against those who are around such an individual, who also claim to be Christians.

## **Hurricane Helene and Potential Federal Land Grabs**

Kings Mountain is sitting on a huge lithium deposit. The people are opposed. No people, no problem. Blackrock has invested in the area and has a multi hundred-million-dollar contract to mine. Will the government use eminent domain to get people off their land? Maybe they will declare the land

useless and pay a fraction of the cost.

## **Potential Tragedies Brought to the Oregon Public's Doorstep**

With only a handful of investigative journalists available to dig through the legislative dumpster, this item has remained buried and has not yet received prime-time notice. Today's example is a law, HB 4133 – passed in 2022, that created a fourth option for identifying oneself as a valid voter in the registration process.

## **The Political Landscape of the Ted Cruz-Colin Allred Race**

Cruz has also been instrumental in shaping Republican strategies on a national level, positioning himself as a critical player in the fight against big government and for individual liberties. His influence extends beyond Texas, as he is often called upon to provide insight into the Republican Party's direction.

# **The CIA Loses Faith in Kamala**

As thousands of people lined up outside Madison Square Garden on Sunday morning, for a Trump rally that afternoon, the Washington Post published a story, "Voters prefer Harris's agenda to Trump's – they just don't realize it." This is desperation from an organ of the Democratic Party that refused to endorse Harris.

## **In The Name of Common Sense, Who Would Vote for Kamala?**

We, the American people, suffered under cognitively bankrupt Joe Biden for the past four years. His incompetence and/or that of his handlers has created an economic, racial, cultural

and border nightmare never before seen in American history.

---

## **Nov. 5, 2024: Will a Winner Be Announced? Part 2**

Now tell me election is going great. Clean and fair! We're told – again just like 2020 by the whores in the Mockingbird media, Secretaries of State, party honchos: There's no fraud, no vote flipping and more excuses than the massive fraud in countries like Venezuela to install dictators.

## **Kamala Wants You to Pay Tax on “Unrealized Capital Gains.”**

How will people afford to pay these annual taxes so they can keep the homes they worked so hard for all their lives – and were responsible enough to pay off? The short answer is, they won't. “You'll own nothing and be happy.” Get it now? The chickens are coming home to roost, perhaps much sooner than anyone realizes.

# **The UN's Covenant With Many and Trump's Peace Plan**

As Pastor JD Farag so well stated in his Sunday September 29th prophecy update, they just passed the final United Nations documents/ treaty to establish their empire. All they now need is a final Hegelian crisis. Hegel's infamous creed of creating chaos to create change is the final act to bring about their brief kingdom and everlasting infamy.

## **Lethal Politics: Deadly Thoughts and Deeds Are On The Ballot**

I'm not going to go on. You get it. Get informed and go vote. Lady Liberty's torch is flickering, and will be extinguished in 2024 if another fraudulent election occurs in America. There is one choice that will have us living in darkness for long years. Please get informed and vote accordingly.

---

## **Nazis, Fascists, and Communists**

When former KGB officer Vladimir Putin invaded Ukraine, he said it was to defeat Nazis and fascists, even though the

Hitler-Stalin Pact started World War II. Now Comrade Kamala is using the same ploy against Trump, when her “joy” campaign is based on the Nazi program “Strength through Joy” that was designed to build Hitler’s Third Reich. So would a Kamala regime become the Fourth Reich?

---

## **Why Would You Legalize 30 Million Illegal Aliens?**

Kamala Harris in the past four years of her pretend Vice Presidency invited 15 million illegal aliens into America. That’s on top of the 15 million already here. In a recent interview, she wants to give them a pathway to citizenship.

---

## **Bootstrapping or Malicious Prosecution**

How far can law enforcement go when it comes to arresting someone? For example, if police have probable cause to charge you with a misdemeanor, how far can they “bootstrap” that charge into something more serious? That appears to be the question in the case *Chiaverini v. City Of Napoleon, Ohio*.

---

# Is There Not a Cause?

Fiddling while one's nation burns is not biblically defensible. So, then, what are we to do? As Jesus addressed political discussions of His day "with a profound sense of clarity," so must we. The ekklesia has a voice, and she must use it. Perhaps now more than ever. The inimitable Dietrich Bonhoeffer reminds us that "silence in the face of evil is itself evil."

## Election Fraud Cover-up Begins

Obama's Democrat Party has done everything possible to steal yet another election and prevent the legal American Electors from choosing their leadership. Since 2009, the Obama regime has been in control of the entire Federal government, even while Trump held the Presidency, which is why and how the Federal government worked around the clock to undermine, destroy and end the Trump administration.

---

## What Happened to the Democrats?

I wrote up a series of interviews with local office-holders, all Republicans, to explore what they believed in and how they

differed from the Democrats. I was a registered Democrat at the time, but I tried to keep that out of my reporting. "Let them speak for themselves" was my motto.

## **The Media are Simply Larry, Curly, and Moe**

In a bit of self-reflection, I dug into my archives this week to get a tempo of just how accurate I have been doing over the past 20 years in my evaluation of the evolution of the American culture. I was pleasantly surprised at how accurate my assessments have been...if you forgive me for patting myself on the back.

## **Why is the U.S. in the U.N?**

# For All Of You Willfully Blind People, Give Me One Example

“We now live in a nation where doctors destroy health, lawyers destroy justice, universities destroy knowledge, governments destroy freedom, the press destroys information, religion destroys morals, and our banks destroy the economy.”

## The Immortal Man

Modernity's dark side is that it has concentrated power, leaving the many largely at the mercy of the few unless they wise up. It isn't just power that corrupts; utter powerlessness corrupts as well, as it turns the chronically weak to crime and drugs, the ambitious to depravity of various sorts up to and including killing for sport.

## Listen to the Music

America has never been in a more destructive and dissolute arena as we are today. Was it forecast? Of course. Through movies, television and music, we have been forewarned of what is coming, not just through the Lord's Word, like John Rich's latest, number, “Revelation,” but by current events shaping our future.

---

# **Hocus Pocus and Joy in the Democratic Party**

The film “Hocus Pocus” is coming soon to your local theater, but there is a lot of hocus pocus already happening during the presidential campaign. Michigan Governor Gretchen Whitmer mocked the sacrament of Holy Communion during a skit in which she placed a Doritos chip on the tongue of a kneeling fellow feminist, making it seem like she was dispensing the body of Christ.

---

## **News Flash: Trump is Uncle Sam!**

A vote for Donald Trump is far more than a vote for a man. In the face of the myriad assaults against our people, our liberty and our sovereignty—seemingly courtesy of the Leftist globalist elites’ final push for their totalitarian “One World Government”—it is a vote for America!

---

## **Voter Fraud—The ONLY Issue**

# **That Matters in 2024**

Clearly, the only thing Democrats have cared about for the past hundred years is winning elections at any cost, the better to inflict their strangulating socialist/communist and now Islamist style of government on the American people.

---

## **No More Money for the BIG “Climate Change” Lie**

I have written about this before: Why the Environmental Protection Agency must be abolished, Jan. 5, 2005: “The Environmental Protection Agency must be abolished because it is destroying the rights of Americans, it’s another monumental waste of money and America doesn’t need it.”

---

## **Denationalizing America Into A Nightmare Future**

When millions of people migrated and are migrating into America in the 20th and 21st century, which they have now at over 140 million third world souls, they do not, will not and cannot relinquish their languages, their customs, their dress, their religions and their world views. In other words, the American people are being “denationalized” to a point that no one identifies as “American.”

---

# The Systematic Killing of America, Part 2

By authorizing a central bank to control the country's money supply and the value of the dollar, Congress enabled government spending to skyrocket beyond all expectation. Politicians now could commit to projects that cost millions of dollars more than the existing revenue. The Federal Reserve in turn, could purchase the "excess" debt by printing more paper money, thereby inflating the economy.

---

## No Happy Ending

Americans just want to be left alone. We want to be able to go about our daily lives, raise our families in peace, pay our bills and not be crushed to death by sadistic tax burdens. We want to raise our kids ourselves, not have their health, their hearts, minds and souls stolen by Big Brother. We don't want to be forced to agree that 2 plus 2 equals five or that evil is good and good is evil.

---

# Unimprisonable

Though not using terror for tighter control over society in the same sense as Tarkin did in Star Wars with the Death Star, the global elites of the world are certainly seeking to build a superweapon of censorship to manage the attitudes and beliefs of people over a range of issues, such as so-called climate change, alleged global pandemics and “recommended” medical interventions, and mass migration.

---

## “They” Will Do Anything to Keep Trump From Another Presidency

Biden’s further deterioration was a minor set back for them, but as “insurance” they knew to install their newest Manchurian in the Veep slot, anticipating the demise or otherwise incapacitation of the figurehead (Biden). Biden didn’t pick her, Jill hates her, but Maestro “O’Bama” and his Daddy Warbucks (Soros) and perhaps Schwab himself, demanded she be placed there.

## It was the Best of Times: It was the Worst of Times

Although this passage is from a Tale of Two Cities (London and Paris during the French Revolution), I think it accurately depicts what is happening in America, today. It tells a story of contrasts and comparisons, chaos, conflicts, and despair, as well as happiness. It, in fact, tells us about a time of extreme opposites, without any in-between.

## DOJ Suing States For Removing Illegals From Voter Rolls

Several states, including AL and VA are being sued by the DOJ for removing illegal voters from their state rolls. Being sued for doing the right thing, that is. But this isn't news. The real news is about the states that have NOT earned a space in

the hotlight of the desperate Left.

## **Real Men Would NEVER Vote for Kamala Harris**

## **Who's Voting in America 2024?**

In the leadup to the 2024 elections, an estimated 65% of Americans lack faith and trust in current election systems, across the political spectrum. Only 35% of Americans say they trust that our elections are free, fair, secure, lawful and transparent, proving that 35% don't pay attention at all, or lie to suit their undemocratic agenda.

## **Modern-Day Witches and the Harris Campaign**

When Christian evangelist Lance Wallnau said that the Kamala Harris campaign was being driven by an occult spirit and witchcraft, he was denounced by the Big Media as a lunatic. What the media don't want you to know is that a "Witches for Harris 2024" group has actually been formed and that another movement is casting spells against President Trump.

# Hearing The Voice Of God In The Midst Of The World

The message that is popular today contradicts these words. They are not using the Lord's words to turn men from their evil way, they are turning them to do evil that the Lord condemns. They promote the spirit of antichrist; "the lust of the flesh, the lust of the eyes, and the pride of life, this is not of the Father but is of the world" (1 John 2:16).

## Donald J. Trump Makes Americans Happy

Great men of letters, who had just fought an eight-year War for Independence from the overbearing United Kingdom, recorded our God-given freedoms in our Declaration of Independence and U.S. Constitution. The term, "Taxation without representation is tyranny," has its origin from the American colonials against their British rulers.

## Blowing Holes in the Fifth Amendment

Everyone knows we have a right to remain silent, correct? What if I told you that in 2013 the Supreme Court upheld a decision

basically stating that is not true. You only have the right to remain silent if you verbally claim the right in the first place, otherwise, according to SCOTUS, your silence can be used against you. Let's take a look at this case and some of the history behind this violation of your rights.

## **Next Month's Election, "Bubble-nauts" and the Real Economy**

Richard Nixon killed the gold standard in 1971. This put us on course for a financialized world of rising debt and took us into an economy fueled by debt instead of production. The result was the progression of bubbles in the economic sense of that term: the tech bubble of the 1990s, the housing bubble of the 2000s, and finally the Everything Bubble of the present.

## **Not Voting? I Say This to You** **—**

I've been disgusted by the articles and interviews of "Americans" who are going to "sit out the election" and not vote. Let me quote the "Father" of YOUR freedom speak better than I can. Samuel Adams[1] is known as the Father of the Revolutionary War. Historically, if it wasn't for his tenacity and sacrifices, the colonials would still be licking

the boot straps of the British

## **A CIA Plot to Kill Trump?**

On Tuesday, October 8, the Justice Department announced that an “Afghan man” was arrested and charged with an Election Day terrorist attack. One day later, it was leaked that the “Afghan man” was a CIA employee allowed into the United States by the Biden/Harris Administration in 2021 on a “special immigrant visa.” His co-conspirator was a legal permanent resident in the United States.

# **The Systematic Killing of America, Part 1**

I do not enjoy writing articles like this but my LORD has commissioned me and I shall obey Him. Christians had better awake from their religious coma and hear what God is saying to the church in America. This article was written with the help of a new book, the "Killing of Uncle Sam" by Pastor Rodney Howard-Browne and Paul L. Williams.

## **The Eve Of Destruction**

As I write this message, I feel obligated to put a "time stamp" on it because things are happening so quickly now. So, for your reference, this is being written in early October, 2024. The presidential election is just a little more than a month away now. By the time you read or hear this, it will be less than a month away.

## **SDG Ground Zero?**

It's been my goal to show you just how stealthily the United Nations has compromised one of our most sacred parts of our being: our faith and worship. To them, it's a mockery that must be homogenized into walking away from our faith and worship of God and express our faith and worship of their leadership as they supposedly have our best interests at

heart.

## **You Don't Hate Your Government Enough**

As far as America, the US Constitution is about the ONLY thing standing in the way for the full implementation of Agenda 21 renamed Agenda 2030. The essence is the leaders of the WEF (World Economic Forum) and the UN (United Nations) have determined the course for humanity and the world, and that course is moving the people of the world into cities and allocating the land for their personal agenda.

## **Absolutely Unsustainable**

I’m sick to death of hearing the word, because nothing the government does is “sustainable.” And our so-called “representatives” in Congress exempt themselves from every insane new rule they mandate for the rest of us. ## Then & Now: Hidden Saboteurs Surrounding Trump?

Now it's up to We the People to make sure the man who stands for "Nationalism, not globalism," Donald J. ## An Uncertifiable Election 2024

So, to defeat the extreme left in this election, it will require a vast number of past democrat voters to defect from

It's nice to see a judge that not only recognizes they are bound to the supreme law of the land, but willing to act on it. Remarkably, she's been able to grin, cackle and cheat her way up to the top, laughing at We the Suckers who could possibly be stuck with her wanton destruction of what's left of our country during the next four years if the Dems' world-renowned cheating machine can steal enough votes from Trump's landslide.
