

Giving Thanks

On October 3, 1789, George Washington issued his Thanksgiving proclamation, designating for “the People of the United States a day of public thanks-giving” to be held on “Thursday the 26th day of November,” 1789, marking the first national celebration of a holiday that has become commonplace in today’s households.

I’m Grateful Today

I don’t want this to be a cheesy Thanksgiving-is-a-good-thing commentary, but, rather a genuine moment of reflection on how blessed we all are and don’t even realize it. The focus of soooo much of what we discuss deals with the negative...things that are wrong with our lives...that I hope to change your focus a bit. After all it IS THANKSgiving Day.

Is America Worth Saving?

We are beginning to see the FURY of the Left, as they realize that President Trump means BUSINESS. He is not fooling around. He intends to fulfill as many campaign promises as possible!

Turkey, Cobbler, And Gobblering

I always do turkey for our small church group's thanksgiving the Saturday or Sunday before thanksgiving. Potato, yams, parsnips, carrots??? ... The Pressure cooker is your friend! I get a five pound bag of medium spuds. Cutting spuds & parsnips in half lengthwise, then carefully stacking the pot a little more than half full with the soft/flat sides up, with a couple inches of water.

God Hated Esau But Loved Jacob – How So?

God loving Jacob and hating Esau has nothing to do with the human emotions of love and hate. It has everything to do with God choosing one man and his descendants and rejecting another man and his descendants.

Disastrous Choices Are Sabotaging Trump's Victory – Part 3

At this point in the transition of power, I am appalled at many of Trump's choices for his second term. Yet, the

conservative pundits and talking heads are lauding Trump's choices from Tulsi Gabbard and Kristi Noem to Mike Waltz and Pam Bondi. Telling the truth at this point would put a damper on the massive victory.

When is a Gun a Gun?

In the case *Garland v. VanDerStok*, the issue seems to come down not just to what the definition of a firearm is, but who gets to decide. What seemed to be forgotten in the oral arguments is the fact that an 'arm' by any other name, is still protected by the Second Amendment.

4B Movement: Latest Radical Feminist Caper Illustrates the Clash of Worldviews

It's often said that we live in a lonely society. While the digitization of everything and everyone is doubtless a factor, radical feminism preceded the Internet and social media. Equity feminism stressed equal pay for women for equal work and equal experience, something all of us who consider ourselves fair minded supported.

Live Life in Radical Amazement

During this season, when Christmas arrives, my church offers six candle- light services. It's an incredible sight to sit in the back when 1,500 people raise their candles to wish humankind peace, abundance and good will toward all. We wish the best for our loved ones who have passed. We wish our best to all faiths, all paths to God, and all spiritual energy toward the world.

Soros-Funded Agent Installed at Treasury Department

After telling us for years that Soros-funded prosecutors were a threat to our system of justice in America, Fox News is now touting the nomination of a Soros-funded financial operative, Scott Bessent, as Secretary of the Treasury, where he can do enormous damage by destabilizing the U.S. financial system.

Is The Federal Death Administration (FDA) at it

Again?

Thanksgiving is in four days. From all I've read, yes, some dog foods are turkey but not the same as you might be cooking: no spices, onions, etc. You might wish to look up feeding your furr baby turkey on Thanksgiving – especially not giving them turkey bones. While families across the nation give thanks for blessings, please pray for our fellow Americans who are suffering.

Slave of The Illusion

As you pick up the surface behavior, you also take on the more secret evil and its purpose. In turn, the conflict you feel inside makes the psychopath seem more attractive and compels you to look up to him even more—to the end that he will glorify you again.

Appalachia Needs Help – This Is Real

Meanwhile, the mud that now covers everything is highly toxic, contaminated with “forever chemicals” that have been stirred into the mix from chemical plants and factories that were destroyed. Some have called it “East Palestine, Ohio “times” a thousand.” Cadaver dogs, and horses used to reach those trapped in the mountains are dying from the poisonous mud.

The Heart and the Way We Think

So, most of the Body of Christ in America has totally missed God's purpose for the Kingdom. Life for the modern man in the East and West needs something to give total meaning to an otherwise fragmented life. He knows everything about life except how to live it!!!! But American religion offered the American way of life instead of God's way of life – the Kingdom of God.

Deep State Wins First Victory Over Trump

With the character assassination of Matt Gaetz and his replacement by lightweight candidate Pam Bondi, MAGA's only hope is that President Trump will himself take control of the Justice Department and order charges against former President Barack Hussein Obama and former presidential candidate Hillary Clinton for their roles in the Russia-gate scam.

Why We Need Freedom Pods NOW!

This election showed us very important information – that America is, for the most part, conservative, that Americans want the government our forefathers fought for and so diligently and wisely put together for us. Trump won both the electoral vote and the popular vote, something not done since George Bush in 2004.

Unverifiable Elections are Uncertifiable

The 2024 election victory isn't the finish line, it's the starting line of a New American Revolution to reinstate Constitutional government in D.C. and in every state and city across the country. No political leader has the power to accomplish this alone. But over 76-million Americans do, if they only will!

Who Will Vet the Veters?

Without doubt, globalist-aligned dissemblers will seek to burrow into his Cabinet and beyond, pretending to be MAGA supporters. And since we can't see into the human heart, rigorous vetting is the best tool we have to keep such quislings from gaining a foothold in Trump's administration. Remember, this may be our last chance. We can ill afford

mistakes.

Why the Deep State is Afraid of Matt Gaetz

I urge everyone to watch the video of Gaetz grilling the FBI director. Then watch the video of Gaetz grilling Attorney General Garland. Gaetz understands the problem and the solution. He can get the job done.

Kamala: If Elected, I Wouldn't do Anything Differently

Thus, for Kamala Harris to pretend that she deserves anything more than disdain from Laken Riley's family, and residents from all the cities and towns like Springfield, Ohio, and all the military families who lost loved ones—Kamala should examine herself, find incredible incompetence and escape back to Jamaica or India.

It is Impossible for Trump to Drain the Swamp Unless He Obeys the Constitution!

Let me also state that it will be impossible for Trump to drain the swamp or avoid devaluation and a great depression unless he follows the Constitution in all respects. I will support President Trump as long as he takes this unique and rare opportunity (first time in history) to return to a Constitutional government and economic stability.

San Francisco v. EPA – Oral Arguments

How California handles its water quality is their business. Placing a federal agency in the middle does nothing but add more bureaucracy to an already bureaucratic nightmare. Maybe that's why the framers limited Congress to only making laws necessary and proper for executing the powers vested by the Constitution in the government of the United States.

The Wrath Of God Abides Upon

The Children Of Disobedience

The music industry and the movie industry put up their fallen stars to promote lyrics and immoral agendas that promote murder, fornication, drug, and alcohol use. The people then emulate that to which they have affixed their eyes and ears, and then cannot understand why they are reaping a curse upon themselves and their country (Matthew 6:23).

How to Make AI Intelligent and Save America \$2 Trillion

Making AI intelligent and saving America \$2 trillion requires using the scientific method to reject climate fiction and to reject the false idea that consensus determines scientific truth. Consensus determines opinion, not truth.

Let Me Count the Ways Liberals

China's President Xi Jinping congratulated Donald Trump on his U.S. presidential win and urged both nations to find the "right way to get along," as looming U.S. tariffs threatened to return, as they did years ago.

Food Industrial Complex: Poisoning and Polluting Our Food Supply

The average cow and chicken are fed or injected with nine chemicals to make them fatter, grow faster and also withstand the chemical assaults on their bodies. If Americans witnessed a Montford cattle yard, and how horrible those animals live, they would puke. If they saw the inhumanity to chickens, pigs or turkeys, they would vomit emotionally and physically.

Detransitioned Teens: Regret for the Rest of Their Lives

Another horrible crime against humanity. Parents should find out exactly what their child's school teaches or promotes this butchery – mostly in secrecy so parents don't find out. Keep them away from social media (Tik Tok, etc) and the poison plastered all over about how wonderful it is to have your penis removed and a new vagina!

Mr. President, Who On Earth is Vetting Your MAGA Appointees? Part 2

Nesheiwat served on the World Economic Forum's Global Advisory Council on low-carbon energy transformation as well as an international affairs fellow with the Council on Foreign Relations. Nesheiwat is a visiting professor at the Naval Post Graduate School on Energy Security and has lectured at Stanford University and the University of California San Diego.

Something God Cannot Do

In the same statement made by Jesus of being the only way to God, He promises to prepare a place in His Father's house for all who trust in Him and come again to take them home to be with Him forever (John 14:1-3), where there will be fullness of joy and peace, and a permanent refuge from the father of lies, the devil, and all who practice his ways (Revelation 22:13-15).

God Gave America a Second

Chance, Don't Blow-it

Lastly, I do believe the next few months, and possibly years, will be times of violence, because the devil never sleeps, nor do his demons. Brush up on your spiritual warfare skills, because we're now entering a time like no other. Watch, pray and take action.

America Received A Second Chance

We failed to become that nation because we would not keep God's commandments. We have never turned to God; we have always turned away from God. But God loves His people and is still waiting for us to come to repentance. 2 Peter 3:9. How long will God wait until His wrath comes?

Be A Living Monument

Now, if others are similarly drifting through life, and similarly take up with the same newfangled foreign philosophy, that should give you the impetus to fight the newfound folly going on. These fools are fooled by the foolish notion that they are acting out their own "truths," free from the forces of history.

Trump's Victory, the "Educated," and the "Un- Educated"

Many American conservatives, he said, didn't vote for Trump because they thought he was a savior. They voted for Trump they despise his most visible enemy: the organized left. They see leftists as both dishonest and power-hungry, and think you'd have to be blind to miss it.

America, If We Can Keep It

President Trump spoke directly to the American people. He did not divide. He didn't care who they were, what jobs they had, what color, what ethnicity, what gender. To him they are Americans who have come together to Make America Great Again. Surprisingly the people feel the same.

Harris – Trump 2024, The Professor vs. the Prophet;

Lichtman's Prediction & Clement's Prophecy

When Kamala Harris ran for president in 2020, she garnered just 2 percent of the Democrat Party vote in the Democrat primaries. This indicates that even Democrat voters did not like her and were not inspired to vote for her. Thus, Democrat voters were primarily voting against Donald Trump and not so much for Kamala Harris.

Seismic Political Shift 2024

The global Marxist democrats in the USA are reeling from the seismic political shift underway in the 2024 elections, lashing out in all directions looking for who to blame for their massive loss, taking crazy to a new level, as they wrestle with a clear and compelling message from American electors that they just refuse to comprehend.

The Murder of the Mainstream Media

Today, Donald Trump has been re-elected as President of the United States and the Fake News National Media is on its death bed. That will go down in history as President Trump's most valuable service to America. The Murder, in broad daylight,

of the Government-Media Complex that JFK warned us about in 1963.

What Do You Think of D.I.E., C.R.T., W.O.K.E & Men Competing in Women's Sports?

It matters little what you think of President Trump as to his personality, but the one thing you can count on is the fact that he loves America, and he works for all Americans. God help him and his cabinet and top staff to guide this country back onto a successful path in the next four years.

A Constitution Catechism

This answer is only partially correct. No, the people themselves are not the arbiters of what is constitutional, but the justices of the Supreme Court have not been delegated that power either. Since that power is not prohibited by the Constitution to the states, they retain the power to determine if a law is contrary to the Constitution.

It Pleased The Lord To Bruise Him!

There's a statement in the Scriptures that is confounding to many, where it says, "It pleased the Lord to bruise Him." What can that possibly mean? On the one hand, God was heard audibly saying "This is My beloved Son in whom I am well pleased" (Matthew 3:17).

Heads Up, Mr. President – There are Saboteurs All Around You, Part 1

General Michael T. Flynn told Steve Bannon, he wants Trump to stay at Mar-a-Lago until inauguration, and not venture into DC. He also wants him to hire his own security people. Trump would be wise to do both.

Civil War in the Republican Party

The contenders are Minority Whip John Thune of South Dakota, John Cornyn of Texas, and Rick Scott of Florida. Scott is the more conservative candidate and is campaigning for the post as the voice of MAGA.

November 2024: Votes Still Being Counted Congress: Are Those Elections VOID?

While brainwashed Marxist voters wail and cry because Trump was able to keep from being cheated a second time and pollsters and blabber mouths on cable networks or political pundits on line – who also support the goals of the Communist Party International, a number of states/counties are still counting as I write this who have yet to finish counting votes long AFTER election DAY for federal offices.

Political Satire Mets Out the Hidden Truths

As we approach Veteran's Day, my hat's off to every American who served. My hats off to my grandfather Jesse Ward Johnson who served in WWI, to my father Marine M/Sgt Howard Wooldridge, my brother Scott Navy, my brother John Air Force and Army, and to all my old Army buddies who made it through Vietnam. God bless you, and God bless America.

The Systematic Killing of America, Part 5

Deception is a powerful word. One of the profound truths which most followers of Christ do not know is, “by definition, a person who is deceived does not know he or she is deceived.” Once deception is cast down, there is light and revelation that amazes the one who was deceived. A major deception among the followers of Christ in America is the work of Satan in the world and in the lives of believers.

Traitors, Haters and Demons

Friends, in the days ahead, understand that it is God who sets up and removes kings. As Christ-followers we have power, love and sound minds. Defend your family and neighbors, stand for righteousness, don't let any untruth go unchallenged – but don't let yourself get caught up into violent conflicts if there's any way you can avoid it.

Trump's Electrifying, World-Changing Victory—He Literally Took Out the Garbage

For the past four years, hard-working Americans resented

spending their 8-10-12-14-hour days—more if they have two jobs—working their butts off, only to have their taxes and food prices and gas prices and regulations raised, and crime off the charts, and for what?

The Amish: North America's Health Control Group

It's a problem for the elites if the rest of us human lab rats and sheeple can look outside our mental cages and see that another – a better – life is possible. Act now and follow the example of the Amish! Reclaim the wisdom of past generations and find that life outside the present dystopia is still possible.

The Danger to Trump is Greater Than Ever

In addition, the Democratic Party is a member of the global Progressive Alliance together with the British Labor Party, which now governs Britain and sent “volunteers” to America to help Kamala win.

Importance of Jury Duty

If We the People are not willing to sit in judgment of our fellow man, who will? Wouldn't it be the judge? The government employee acting as judge, jury, and possibly executioner? Would that be a free country? Not according to those 56 men who signed the Declaration of Independence. They recognized that freedom is not free.

Saving Our Republic from the Invasion

Whatever you want to call it, the mainstream media got their butts kicked. An enormous 98 percent of their cover of Trump ran to the negative. An enormous amount of reporting for Kamala ran positive. But in the end, the American people would not take the bait. They would not swallow the Kool Aid. They would not succumb to how "dumb" the power elites thought of them.

TRUMP WINS! But We Can't Rest On Our Laurels

Voters have solidly and soundly rejected the far left Democrats (Republicans have taken both the House and the Senate!), based both on the economy as they perceived it

during the past four years (an inflationary disaster!), and on the immigration mess that Kamala Harris is personally blamed for having worsened, and then some!

Socialism—No Big Deal?

The inimitable Dietrich Bonhoeffer reminds us, as Christians, that “silence in the face of evil is itself evil.” Fiddling while one’s nation burns is not biblically defensible. When informed Christians speak, stand and vote for issues (not personalities)—this, in alignment with God’s Word— “the lot is cast into the lap”; and “its every decision is from the LORD.” (Proverbs 16:33)

Radical Return to Reason Required to Rectify Economic Situation

The above are fundamental actions I think we can agree on without the excessive arguing and debating, something frequently – and often intentionally – leads to inaction. We must conceive of practical ways to accomplish these objectives. Once we Americans get the ball rolling, things will start turning around.

Bradlee Asks Alex Newman To Convince Americans That Trump Is Their Man

So, in response, I reached out to Alex about what was brought to me and asked him to jump on The Sons of Liberty (Matthew 18:15-20) to share with our audience how to convince Americans that Trump is their man, and I would reveal in the face of what Alex conveys as to what Donald Trump has done (Matthew 7:16-20).

Trump's War Against the Deep State

After his 2008 election, Obama spent eight years weaponizing the entire intelligence community (IC). His top soldiers, Jarrett, Brennan, Clapper and Holder, also weaponized the entire federal government including every alphabet-soup agency. Comey, Lynch, McCabe, Weissmann, Yates, Strzok, Page and Ohr were the high-ranking officials and major players in the agencies Obama oversaw.

Montana Republican Traitors

Sheehy's a Trojan horse who can't remember who he is. Zinke lies to Trump. It's insanity to give shady Sheehy six years and zombie Zinke two more years to destroy us. This is more important than who controls Congress. I'm voting for former President Donald Trump, Sen. Jon Tester and Monica Tranel.

Fixing this Tasteless Oregon Gruel

This election is an important and pertinent decision for every Oregonian. It is particularly relevant with regards to our understanding of our American heritage and ideals.

Is Trump Trying to Lose This Election?

This rally wasn't something he had to do. Yes, it proved he can fill the house and then some, in a notoriously left-leaning city. I don't know of any head count made that would indicate how many attendees were New Yorkers and how many were from outside the city, or even outside the state.

Alleged GOP Losers: Immediately File to Stop Certification of Vote

Candidates: If you allegedly lost your race, don't just walk away. Immediately file to stop certification of the vote which varies from 20-30 days depending on the state. Demand a FORENSIC ANALYSIS. I guarantee you the numbers won't match and I say that after pursuing this cheating of We the People for the past 31 years when few would listen or even look at the evidence.

Citizenry Participation in Times of Political Turmoil

The political landscape of America has grown more divisive and tense over the last couple of decades. Polarizing views on government policies, social issues, and the interpretation of the Constitution have led many citizens to question the direction in which the nation is heading.

What Can We Expect on Election Day from the Forces of Tyranny?

There is growing concern over possible violence if Trump wins the election. What will happen the day after election day? While I obviously can't know for sure, I can tell you from personal experience what can happen when an entrenched tyranny refuses to concede after a sound defeat.

When Democracy Dies in the Darkness

Anyone voting for Kamala Harris votes for the destruction of their own country on multiple levels. She simply does not know what she's doing or how to solve any of the Mt. Everest of problems facing America. But in reality, she's compounding them beyond solving. Finally, you and your family will be facing all these problems without any solutions.

The Systematic Killing of America, Part 4

Our government up to the early 1900s was not perfect by a long shot but it was about as Christian as a nation can get. After

that the demons and the power of darkness curses moved into our nation. Our strong American culture, not perfect, was fine from our Founding Fathers days through the 50s until the beginning of Saul Alinsky in the early sixties.

There's No Political Solution

In 2016, Donald Trump took the White House in a massive victory with his "Make America Great Again" campaign. Despite enormous popularity with his enormous rallies, he wasn't supposed to win, but Americans were fed up after eight years of the radical leftist and communist agendas of Barack Hussein Obama and the globalists that pull his strings.

Are You Better Off Now Than You Were Under Trump?

At a campaign rally in Latrobe, Pennsylvania, on October 19, 2024, presidential candidate Donald Trump posed a question to the American people, echoing another presidential candidate in 1980, Ronald Reagan, whose asking of the same question helped him win the first of two terms as president of the United States.

Kamala Sinking Like a Lead Balloon; Trump Taking Off Like Elon's Rocket

In fact, just last week, both Wayne Allyn Root and Paul Manafort compared this election to that of 1980 when Ronald Reagan trounced Jimmy Carter with a landslide victory. They predict Trump is about to have a similar landslide. American voters didn't like inflation under President Carter, and like it no better under Biden and Harris, among other things.

Great Again vs. 3rd World Destruction

Because Harris was never elected as the nominee, intelligent people can see who the real threat to democracy really is, the candidate not elected by anyone. And because democrats have promised to "raise people out of poverty" by using taxpayer revenue to do it, without ever lifting anyone out of poverty, smart people don't buy this lie anymore either.

The Enemy is Within

Decades ago, Communist defectors from the ranks of the KGB and GRU (top tier special forces) painstakingly laid out the

procedures and processes of the machine they served. They wrote documents, met with the CIA counter-espionage unit, were interviewed by serious journalists, and even wrote books.

What Can We Expect on Election Day from the Forces of Tyranny?

Will history repeat itself on November 5th? Are the Harris Dignity Battalions preparing to maintain their status quo? We must stand strong like the Panamanian people and refuse to leave, even if our polling place is threatened. We need poll watchers to oversee all aspects of the vote counting process.

It's Now Down To THEM or US; There is No middle ground in This War of Cancel Culture

We don't accept slavery. Our nation's Founding Fathers designed the nation to protect natural rights rather than dictate what our rights may be. The Founders also advocated private property rights as the most important right held by individuals that must be protected at all costs.

The True Science of Climate Change

Republicans deny climate truth and refuse to even discuss climate truth with climate experts. They are wimps who do not have the courage to learn and stand up for the truth that would make us free. Republicans are responsible for Montana's disastrous loss of the *Held v Montana* climate lawsuit in 2023.

Fluff, Stuff and Fraud in Oregon

Why did the governor go through the charade of having both the DMV and outside auditors wasting time and money trying to investigate data-entry errors when almost anything is valid? Why the pretense of a drivers' license or the final-four digits of a "valid" SSN? Why call for an outside audit? Because this is a "limited hang-out" part of a grand charade.

Civil Wrongs: 30 Years After!

Meanwhile, those supposedly dominant – straight white Christian men – are the only ones losing ground: culturally,

demographically, economically, healthwise, spiritually. We're group members for political purposes and atomized economically and psychologically, so that loneliness is epidemic as white men stay unmarried.

Importance of Voting

The republic for which our flag stands is crumbling under the weight of collectivism, tyranny, and elitism, in no small part because the people who believe in individual rights, in liberty and justice for all, cannot be bothered to go to the polls every couple of years to vote.

“Voters Compromised?!”

We can also learn that neither party has completely removed We the People from the United Nations, which is clearly a socialist based entity. If you study history, you know that under a true socialist system, voting is completely a farce. Is this what we are destined for? Is this what our students and children will be faced with?!

MIA – the People We Pay

The cookies were about to come out of the oven when I heard Congressman Brian Mast tell Dan Bongino that our soldiers were told they had run out of ballots and some would not be able to vote. Mind you, I didn't hear the whole conversation, but my ears perked up when Mast spoke. This was just yesterday, October 29, 2024. The election is a week away.

Garbage In Garbage Out: Who Is Taking Out the Trash?

So when pretend president Joe Biden calls half of America "GARBAGE", I take issue with such a rude, crude moniker. Why is that? Answer: most Americans love this country, love their families, pray to God, go to church, pay their taxes, and stand for Old Glory. Sure, we've got warts, callouses, wrongs, and dark rainbows of past mistakes.

2024 Back to the Basics

If the USA is no longer free and prosperous, no place on earth will be! It's not possible to plunder the assets of the USA to raise the world out of poverty, war and starvation. It's only possible to bring the USA down to the same unsustainable 3rd world status, by killing the goose that laid the golden egg. A lowering tide, grounds all ships...

Patriotism is Not Obedience to Government

Why can American's be called racist continually with no opposition? Answer: SCHOOL. Why are Patriots being called racists? Because this is what kids earn in school. Someone sent me this statement. Not sure of the author but how true is that. "Patriotism is not Obedience to Government. Patriotism is Obedience to the Principles for which Government is supposed to stand."

Preached Into Heaven After Being Found To Be Living In Sin

First off, I would like to say that what I am about to write makes me righteously indignant. I'm righteously indignant not so much against the one that willfully remains and then dies in their sins (He who claimed to be a Christian; John 8:24), but against those who are around such an individual, who also claim to be Christians.

Hurricane Helene and Potential Federal Land Grabs

Kings Mountain is sitting on a huge lithium deposit. The people are opposed. No people, no problem. Blackrock has invested in the area and has a multi hundred-million-dollar contract to mine. Will the government use eminent domain to get people off their land? Maybe they will declare the land useless and pay a fraction of the cost.

Potential Tragedies Brought to the Oregon Public's Doorstep

With only a handful of investigative journalists available to dig through the legislative dumpster, this item has remained buried and has not yet received prime-time notice. Today's example is a law, HB 4133 – passed in 2022, that created a fourth option for identifying oneself as a valid voter in the registration process.

The Political Landscape of

the Ted Cruz-Colin Allred Race

Cruz has also been instrumental in shaping Republican strategies on a national level, positioning himself as a critical player in the fight against big government and for individual liberties. His influence extends beyond Texas, as he is often called upon to provide insight into the Republican Party's direction.

The CIA Loses Faith in Kamala

As thousands of people lined up outside Madison Square Garden on Sunday morning, for a Trump rally that afternoon, the Washington Post published a story, "Voters prefer Harris's agenda to Trump's – they just don't realize it." This is desperation from an organ of the Democratic Party that refused to endorse Harris.

Nov. 5, 2024: Will a Winner Be Announced? Part 1

Let me start with the despicable and dangerous vomit out of the mouths of Trump haters in the prostitute media, members of Congress and the grand Dame of Lies and Deceit: Hillary Clinton.

In The Name of Common Sense, Who Would Vote for Kamala?

We, the American people, suffered under cognitively bankrupt Joe Biden for the past four years. His incompetence and/or that of his handlers has created an economic, racial, cultural and border nightmare never before seen in American history.

Nov. 5, 2024: Will a Winner Be Announced? Part 2

Now tell me election is going great. Clean and fair! We're told – again just like 2020 by the whores in the Mockingbird media, Secretaries of State, party honchos: There's no fraud, no vote flipping and more excuses than the massive fraud in countries like Venezuela to install dictators.

The Systematic Killing of America, Part 3

The shadow government is alive and well in America and has been since the early 1900s. "The Council on Foreign Relations (CFR) established six years after the Federal Reserve was

created, worked to promote an internationalist agenda on behalf of the international banking elite.

Kamala Wants You to Pay Tax on “Unrealized Capital Gains.”

How will people afford to pay these annual taxes so they can keep the homes they worked so hard for all their lives – and were responsible enough to pay off? The short answer is, they won't. “You'll own nothing and be happy.” Get it now? The chickens are coming home to roost, perhaps much sooner than anyone realizes.

The UN's Covenant With Many and Trump's Peace Plan

As Pastor JD Farag so well stated in his Sunday September 29th prophecy update, they just passed the final United Nations documents/ treaty to establish their empire. All they now need is a final Hegelian crisis. Hegel's infamous creed of creating chaos to create change is the final act to bring about their brief kingdom and everlasting infamy.

Lethal Politics: Deadly Thoughts and Deeds Are On The Ballot

I'm not going to go on. You get it. Get informed and go vote. Lady Liberty's torch is flickering, and will be extinguished in 2024 if another fraudulent election occurs in America. There is one choice that will have us living in darkness for long years. Please get informed and vote accordingly.

Nazis, Fascists, and Communists

When former KGB officer Vladimir Putin invaded Ukraine, he said it was to defeat Nazis and fascists, even though the Hitler-Stalin Pact started World War II. Now Comrade Kamala is using the same ploy against Trump, when her "joy" campaign is based on the Nazi program "Strength through Joy" that was designed to build Hitler's Third Reich. So would a Kamala regime become the Fourth Reich?

Why Would You Legalize 30 Million Illegal Aliens?

Kamala Harris in the past four years of her pretend Vice Presidency invited 15 million illegal aliens into America. That's on top of the 15 million already here. In a recent interview, she wants to give them a pathway to citizenship.

Bootstrapping or Malicious Prosecution

How far can law enforcement go when it comes to arresting someone? For example, if police have probable cause to charge you with a misdemeanor, how far can they "bootstrap" that charge into something more serious? That appears to be the question in the case *Chiaverini v. City Of Napoleon, Ohio*.

Is There Not a Cause?

Fiddling while one's nation burns is not biblically defensible. So, then, what are we to do? As Jesus addressed political discussions of His day "with a profound sense of clarity," so must we. The ekklesia has a voice, and she must use it. Perhaps now more than ever. The inimitable Dietrich Bonhoeffer reminds us that "silence in the face of evil is itself evil."

Election Fraud Cover-up Begins

Obama's Democrat Party has done everything possible to steal yet another election and prevent the legal American Electors from choosing their leadership. Since 2009, the Obama regime has been in control of the entire Federal government, even while Trump held the Presidency, which is why and how the Federal government worked around the clock to undermine, destroy and end the Trump administration.

What Happened to the Democrats?

I wrote up a series of interviews with local office-holders, all Republicans, to explore what they believed in and how they differed from the Democrats. I was a registered Democrat at the time, but I tried to keep that out of my reporting. "Let them speak for themselves" was my motto.

The Media are Simply Larry,

Curly, and Moe

In a bit of self-reflection, I dug into my archives this week to get a tempo of just how accurate I have been doing over the past 20 years in my evaluation of the evolution of the American culture. I was pleasantly surprised at how accurate my assessments have been...if you forgive me for patting myself on the back.

Why is the U.S. in the U.N?

Did the United States join in with the other world leaders to build a safe and altruistic organization? Only if your definition of safe and altruistic is akin to believing your mother is the tooth fairy.

For All Of You Willfully Blind People, Give Me One Example

“We now live in a nation where doctors destroy health, lawyers destroy justice, universities destroy knowledge, governments destroy freedom, the press destroys information, religion destroys morals, and our banks destroy the economy.”

The Immortal Man

Modernity's dark side is that it has concentrated power, leaving the many largely at the mercy of the few unless they wise up. It isn't just power that corrupts; utter powerlessness corrupts as well, as it turns the chronically weak to crime and drugs, the ambitious to depravity of various sorts up to and including killing for sport.

Listen to the Music

America has never been in a more destructive and dissolute arena as we are today. Was it forecast? Of course. Through movies, television and music, we have been forewarned of what is coming, not just through the Lord's Word, like John Rich's latest, number, "Revelation," but by current events shaping our future.

Hocus Pocus and Joy in the Democratic Party

The film "Hocus Pocus" is coming soon to your local theater, but there is a lot of hocus pocus already happening during the presidential campaign. Michigan Governor Gretchen Whitmer

mocked the sacrament of Holy Communion during a skit in which she placed a Doritos chip on the tongue of a kneeling fellow feminist, making it seem like she was dispensing the body of Christ.

News Flash: Trump is Uncle Sam!

A vote for Donald Trump is far more than a vote for a man. In the face of the myriad assaults against our people, our liberty and our sovereignty—seemingly courtesy of the Leftist globalist elites' final push for their totalitarian "One World Government"—it is a vote for America!

Voter Fraud—The ONLY Issue That Matters in 2024

Clearly, the only thing Democrats have cared about for the past hundred years is winning elections at any cost, the better to inflict their strangulating socialist/communist and now Islamist style of government on the American people.

No More Money for the BIG “Climate Change” Lie

I have written about this before: Why the Environmental Protection Agency must be abolished, Jan. 5, 2005: “The Environmental Protection Agency must be abolished because it is destroying the rights of Americans, it’s another monumental waste of money and America doesn’t need it.”

Denationalizing America Into A Nightmare Future

When millions of people migrated and are migrating into America in the 20th and 21st century, which they have now at over 140 million third world souls, they do not, will not and cannot relinquish their languages, their customs, their dress, their religions and their world views. In other words, the American people are being “denationalized” to a point that no one identifies as “American.”

The Systematic Killing of America, Part 2

By authorizing a central bank to control the country’s money supply and the value of the dollar, Congress enabled

government spending to skyrocket beyond all expectation. Politicians now could commit to projects that cost millions of dollars more than the existing revenue. The Federal Reserve in turn, could purchase the “excess” debt by printing more paper money, thereby inflating the economy.

No Happy Ending

Americans just want to be left alone. We want to be able to go about our daily lives, raise our families in peace, pay our bills and not be crushed to death by sadistic tax burdens. We want to raise our kids ourselves, not have their health, their hearts, minds and souls stolen by Big Brother. We don't want to be forced to agree that 2 plus 2 equals five or that evil is good and good is evil.

Unimprisonable

Though not using terror for tighter control over society in the same sense as Tarkin did in Star Wars with the Death Star, the global elites of the world are certainly seeking to build a superweapon of censorship to manage the attitudes and beliefs of people over a range of issues, such as so-called climate change, alleged global pandemics and “recommended” medical interventions, and mass migration.

“They” Will Do Anything to Keep Trump From Another Presidency

Biden's further deterioration was a minor set back for them, but as "insurance" they knew to install their newest Manchurian in the Veep slot, anticipating the demise or otherwise incapacitation of the figurehead (Biden). Biden didn't pick her, Jill hates her, but Maestro "O'Bama" and his Daddy Warbucks (Soros) and perhaps Schwab himself, demanded she be placed there.

Oregon State Has Purposefully Defrauded and Disenfranchised the Public

Over the next several newsletters I will highlight numerous instances where the majority party, in Oregon, has purposefully defrauded and disenfranchised the public by undermining the integrity of our elections.

It was the Best of Times: It

was the Worst of Times

Although this passage is from a Tale of Two Cities (London and Paris during the French Revolution), I think it accurately depicts what is happening in America, today. It tells a story of contrasts and comparisons, chaos, conflicts, and despair, as well as happiness. It, in fact, tells us about a time of extreme opposites, without any in-between.

DOJ Suing States For Removing Illegals From Voter Rolls

Several states, including AL and VA are being sued by the DOJ for removing illegal voters from their state rolls. Being sued for doing the right thing, that is. But this isn't news. The real news is about the states that have NOT earned a space in the hotlight of the desperate Left.

Real Men Would NEVER Vote for Kamala Harris

Let us get one thing straight before you read ANY FURTHER. This is an opinion commentary. It is about what I think. I don't write it to make you feel good, make you love me, or even agree with me. I write it because it is the Truth.

Who's Voting in America 2024?

In the leadup to the 2024 elections, an estimated 65% of Americans lack faith and trust in current election systems, across the political spectrum. Only 35% of Americans say they trust that our elections are free, fair, secure, lawful and transparent, proving that 35% don't pay attention at all, or lie to suit their undemocratic agenda.

Fighting on Two Fronts

I have been drafted into the battle against cancer. That means I have cancer. My doctors say they can cure it, but it'll take a while. Meanwhile, it's off to the hospital every weekday for radiation treatments. The chemotherapy pills I take at home.

Whose Stands At Fault For The Past Four Years?

Are you confused as to what's going on in Washington DC, in Ukraine or Israel? What kind of a dumpster fire blazes in a community near you? Are you a Chicago resident near 10,000 homeless illegal aliens? Are you working or living near the 175,000 homeless in Los Angeles? Do you live near the 180,000

homeless illegals in New York City?

Modern-Day Witches and the Harris Campaign

When Christian evangelist Lance Wallnau said that the Kamala Harris campaign was being driven by an occult spirit and witchcraft, he was denounced by the Big Media as a lunatic. What the media don't want you to know is that a "Witches for Harris 2024" group has actually been formed and that another movement is casting spells against President Trump.
