

Common Sense in America: We Can't Keep Up With Growth

The container ship crashing into the Francis Scott Key Bridge in Baltimore offers a cautionary tale concerning America's future. What kind of future might we speak about? Answer: a complete lack of common sense, logical thinking and proactive plans in order to remain a viable, functioning and successful civilization.

Can Trump Deliver on His Campaign Promises? Part 1

We're all tired. I know Americans work full time or even part time, raising a family – we're all pressed for time every day. But, there's plenty of retired Americans who do care and need to step up to the plate. Sure, it requires we all sacrifice our time but our country is imploding from within right now and it's only going to get worse and dirtier.

Terrorist Attack in Baltimore

After an attack like we saw in Baltimore, which we have to assume to be terrorism, government officials typically are quick to rule out terrorism and then congratulate themselves on their "quick" response and express regrets for the loss of

life.

Historical Points Have Their Place, But That Is Not Where Your Faith Is To Stand!

Men need Christ, and Scripture is very clear in this matter. Those who have the Son have life, and those that have not the Son, have not life (1 John 5:12). This Scripture was given so that they might know what sort of men were among them.

The Toxic Fruit of Reformed Theology, Part 3 – Theological Butchers, Ambrose, Chrysostom and Augustine

The church has been led into error time and time again by letting the doctrines of men become the final authority of Scripture rather than allowing the Scripture to be the final authority of man's doctrine.

Islam is a Grand Delusion

Islam is rooted in the primitive tribal mentality of “We against Them,” “We the righteous against the heathens,” and “We the servants submissive of the Great Allah against the rebellious enemies of Allah.” Islam is a polarizer. Islam is an enemy-maker. To Islam, a non-Muslim is a combatant against Allah, and he is fair game to be subjugated and killed.

Why NOT Ballot Harvesting?

“Ballot Harvesting” is the collection and submission of voted paper ballots by a third party. Proponents say that the practice enables more people to vote. Critics rightfully point out the broken chain of custody (between the voter and the actual casting of his vote), without which NO true verification of vote is possible. Combined with Early Voting, it is the recipe for disaster.

“The World Out There” Grows Crazier by the Day

So, you sit here wondering how did our country spiral SO FAR INTO THE TOILET? Answer: we’ve elected power elites who have completely abandoned the American people for power and money. We’ve elected governors and mayors who created “Sanctuary Cities” which are totally in violation of our laws. We elected

Joe Biden...

Spiritual Warfare, Part 3

We must get organized and in one accord and say NO to Satan and YES to our LORD Jesus Christ. We must put ourselves and our own agendas to the side and get ourselves back together, and stop Satan from dividing us with names, titles, and positions so we can be united as one in Jesus Christ.

It Needs To Stop

It Needs To Stop

Rob Pue

Good is now called “evil” and evil is now called “good” and there can be no discussion or debate. That’s not allowed. Truth is censored and scrubbed from public view. News of Government-orchestrated disasters is put through the “spin cycle” of the mainstream media and then dispatched down the “memory hole” as if it never happened.

You Are Mistaken

American political rhetoric has never been more vitriolic. There has never been a more clearly defined divide between

political perspectives than there is right now. The Republican Party has become the party of compromise, acquiescence, and feigned allegiance to the rule of law, that is to say, the Constitution.

Disarming The Militia Act

I can see only one logical reason for this type of legislation. Similar to the orders to destroy the firearms and ammunition of the colonists, this legislation is meant to leave the American people unarmed, untrained, and unprepared to act as a free people. This leaves them dependent on government for their own safety, and makes them subject to the government's will.

YIMBYs, Workforce Housing, and Community Land Trusts: All Means to an End to Private Property

There is a drive on to invade the sanctity of your home by forcing you to share it with illegal aliens. For decades our housing rules and regulations have been thrust on us via federal grants from Housing and Urban Development (HUD), Department of Transportation, (DOT, and other departments – all set up to reinvent government.

The Battle for Oregon Begins Now

The failures of our state's executive offices have dominated the headlines, amplifying the urgency for comprehensive accountability, transparency, and ethics reform.

Cheap Labor and Tax Subsidies?

You will not hear this on MSM. More illegals have gotten jobs under the OBiden regime than at any other time. Those "great" job numbers you hear are jobs for illegals. Free speech is having its lights turned off. Although the Globalists yell constantly they are for free speech, they are only for the free speech that agrees with their vision.

The Enormous Amount of Poverty in America While

Biden Keeps Importing More of It

You cannot help but ask yourself, “How did America get so screwed up?” “How did we let our politicians’ endemic corruption continue to be re-elected?” “Why do we allow incompetent/corrupt politicians to be re-elected for decades when they’ve proven they are useless and corrupt?”

What If You Lost Everything?

As many of you know, Pass The Salt Ministries is always on the front lines in disaster relief. Hurricane Katrina was the first relief effort that we were active in where we kept a boots-on-the-ground team for 6 weeks. Since then, our efforts have taken us to Texas, Fla, Louisiana, Alabama, and Mississippi.

America 2.0

We have a chance, in this election, to put things right. For that to happen, the Democrat Party must suffer a defeat of biblical proportions—and a lot of deep state plotters and schemers will have to be fired, never to return to public office. Naturally, they’ll do everything they can to steer the vote their way; and no considerations of right or wrong, lawful or unlawful, will inhibit them.

“And So, It Begins...”

Globalism has advanced on multiple wars that didn't need to happen, often driven by false flag events and false narratives that drove nations apart. The financial titans were bankrolling both sides!

Child Trafficking Documentary Some In Congress Did Not Want You to See

Yes, it is the unthinkable! Why would the modern American Church stand down concerning the homosexual agenda? Why are politicians in Washington D.C. voting in favor of what God calls an abomination?

The Toxic Fruit of Reformed Theology, Part 2: Theological Butchers Origen and

Tertullian

The Lord is gathering the Jews to their ancient homeland; He is watching over their flourishing land; He sees Israel's enemies rising on every side; He hears the Christian Palestinian lies; and He bears witness to the injustice of the anti-Israel boycotts. The stage is being set for the end of this era, and when it comes, there will be hard times, but our Lord God will set everything righteous for His people.

Artificial Intelligence in Political Campaigns: Benefits, Risks, and Ethical Considerations

So, the next time you follow a political campaign, remember that behind the scenes, AI might be at work, shaping the discourse, analyzing voter sentiment, and, in some cases, creating an illusion of reality. How AI and politics interact is a complex and evolving story, and it's up to all of us to stay informed, vigilant, and engaged in this digital age of politics.

How the 16th Amendment Destroyed the Republic

In 1913 our states began the process of reducing us from free citizens to the miserable state of tributary slaves. I hope now you see why I am so in favor of the repeal of this amendment of tyranny we call the Sixteenth Amendment.

He Should Be Trump's #1 Choice for U.S. Attorney General

President-elect Donald Trump is the presumptive GOP nominee. I use President-elect because contrary to the conspiracy theories by the prostitute media, Trump won the 2020 election. No question the massive and documented fraud cheated him out of his second term.

American Governors and Mayors Need to Recalibrate Their Priorities

In 2024, we need to get back to the basics that made this country function at the highest level for everyone: personal

responsibility, personal accountability, personal educational excellence, personal work excellence, loyalty to our flag, honesty, ethics, critical thinking, our communities, our states, our nation and our way of life.

The New Intense Gambling Addiction

Studies show that 16% of gambling addicts attempt suicide, which is over 20 times the rate in the general population, and the highest of any addiction. Having the necessary apps on their phones makes it easy for those hooked on hi-tech to place bets at any time at any place.

Preserved for Us

No other book in history has been so attacked or attempts made to extinguish it as the Bible, yet like a mighty anvil, it has worn out the many hammers wielded against it by devils and men, despotic rulers and governments, false prophets and religions, natural and manmade cataclysms, and civilizational collapse.

The International Court of Justice – A Perversion of True Justice

In the current climate of identity politics, gender dysphoria, and Marxian and Critical Theories run amok, these requirements for justice appear to be out of reach. That leaves us with a bare-naked power grab by certain people, or cast in Darwinian terms, a fight for the survival of the strongest, where might makes right.

There's No Excuse For Being Clueless

Given the work that I do, it grieves me to see so many professing Christians who are so ignorant of the days and times we're living in. Most don't know and don't want to know what's really going on in this world – or how Christ-followers are to respond to it all.

Spiritual Warfare, Part 2

The greatest trick the devil ever pulled was to convince the world he didn't exist. This philosophy has worked so well among pastors and churchgoers in America!!! The first thing

you need to know about the spiritual being called Satan, or the devil, is that you won't find him running around in a red suit, with horns and a pitchfork.

Eligible vs. Ineligible Voters

According to long-standing US Election Laws under the US Constitution, voting rights are not based upon ones presence in the USA at election time. There's a distinct and critical difference between those who are eligible to vote in US elections, and those who are not.

Weathering the Coming Storm(s)

On April 8, a solar eclipse will make its way across America six years, six months, six weeks and six days from the date of the last solar eclipse that swathed a path across America. The place the eclipses' paths intersect is called "Little Egypt" in southern Illinois.

A Tale of Two Texas Senators

Moreover, Cruz's approach resonates with a broader base of Texans, as evidenced by his higher approval ratings and continued support. In a political landscape where leadership and integrity are paramount, Senator Ted Cruz stands out over John Cornyn for representing the values and interests of Texas. Texans overwhelmingly favor Cornyn to retire.

Nikki Haley Had a Chance at Greatness

Nikki could have been important to the future of the USA. But she chose to hate and to do the bidding of democrats instead, and unless Biden wins and throws her a bone for her help, her political future just ended.

Biden's Bloody Revolution for America

Netanyahu wants to win the war. But Biden wants Israel to fail, in part because the Muslims that are members of the base of the Democratic Party base are upset at Israel's success and realize that a nuclear-capable Iran is the next logical target for Israeli leaders anxious to save the Jewish state.

Higher Education: The Case for New, Parallel Institutions

Higher education in Western civilization is broken. As the saying goes, it has lost its way. This happened gradually, but now the process is pretty much complete. Based on my own experiences as well as those of others, I am skeptical that anything can be salvaged.

What if You Are Wrong?

The Bible says a lot of things which, when taken out of context, can be made to sound true. But sounding like Truth and BEING the Truth are not the same thing. Context is everything.

How Would You Sell the USA?

Political Corruption. As reported by The Federalist, our current administration has been laundering tax dollars, paid by everyone regardless of party, to recruit college students for a massive “get out the vote” project—in reality, a scheme

to get out the vote for Democrats, Republicans need not apply.

Weaponized Immigration as a Form of Asymmetrical Warfare Against America

As Biden 2.0 continues on his current path, all of us are at risk whether our tax dollars or our lives--as these illegal aliens overwhelm and destroy the foundation of our country. Can't you see it coming? Do you understand if you are a democrat, independent or republican--you and your kids are in the cross hairs of Balkanization of America?

Sovereign Immunity

Saddest of all, neither the judges, justices, attorneys, nor parties to this case, seem aware of the fundamental coup d'etat this represents. It's the destruction of our Constitution and a fundamental alteration of our form of government.

The Hunters Have Now Become The Hunted: Their Cruelties Are Swelling the Ranks of The People Worldwide

Anyone and everyone that paid attention to the repeat criminals such as Anthony Fauci, Bill Gates, CEO of CDC Rochelle P. Walensky, etc. already knew what the whole plandemic was all about, a planned crisis (Jeremiah 11:9).

The Toxic Fruit of Reformed Theology, Part 1: Replacement Theology

As a youngster, I was raised in a Jewish neighborhood, grew up with Jewish friends, dated Jewish men, and always had an affinity for both Israel and her people. It was no surprise then, that a Jewish man led me to the doctrinal truth of scripture so many decades ago. Yes, Jewish folks can lead gentiles to truth.

Let's Shout the Truth for a Change

But Biden was clearly in command of his faculties when he was caught after the speech in an anti-Semitic outburst on a “hot mic,” saying the Jewish Prime Minister of Israel, Benjamin Netanyahu, needed a “come to Jesus moment” because of the war against terrorism in Gaza. This was Biden’s effort to pander to the pro-Hamas wing of his party.

The 2020 Steal: Part of God's Plan?

Yellow journalism rules big newspaper conglomerates either for their fat paychecks or because of blind loyalty to the Democrat/Communist Party USA and for which it stands: The total destruction of these united States of America; nullifying the Bill of Rights through unconstitutional bills signed into “law” upheld by partisan black robes who think they’re gods on the bench.

Two Visions, Two Agendas, No Middle Ground

For the next eight months, we will be flooded with an endless

stream of outright lies, half-truths, and globalist propaganda. Mainstream Media, Social Media, Hollywood elites, talk shows, friends, family, education, lecture halls, you name it...we will be bombarded by the worst political garbage slinging we have ever seen in this country.

How Much More Damage To America Can Joe Biden Do? Answer: Much More!

Biden will go down in history as the most inept, corrupt or totally incompetent president in United States history. Just like that University of Georgia coed Laken Riley, our country faces a deadly future. This invasion will not end well for any of us whether we're Independents, Democrats or Republicans.

It's Our Turn Now

Friends, I'm afraid the "professional" Christians, the pastors and religious leaders have become a lost cause now. And thus, the point of this message. It's our turn now. It's time for the least of us, it's time for God's remnant people, His chosen ones, those who are true humble servants, saved by grace, to step up and take their position as courageous shepherds.

Spiritual Warfare From the Bible

There is a spiritual war going on in America and everywhere else on this earth and in the heavenlies!!! YOU are in a spiritual war whether you know it or acknowledge it. Many Christians and non-Christians are being destroyed today because they are not engaged or know of this spiritual war.

Is Critical Theory Now Driving US Foreign Policy?

When the entire world aligns itself against Israel, Bible believing Christians know the time is drawing near to the return of Jesus. But that doesn't mean that we are to sit around and do nothing. Now more than ever, it is time for the true church of Jesus Christ to speak boldly for Israel and against the raging Antisemitism, hatred, and violence being perpetrated and cheered by Israel's enemies.

Implementation of Oregon's

Measure 110's Failed Policies

It hasn't taken long for death, addiction and cultural destruction to hit our streets after the implementation of Measure 110's failed policies. The writing has been on the wall and everyone has realized that the policies aimed at decriminalizing drugs and defunding police, parole and probation are disastrous ideas.

Organized Theft in the Name of Government

Most Americans today tend to think of private property simply as a home – the place where the family resides, stores their belongings, and finds shelter and safety from the elements. It's where you live. It's yours because you pay the mortgage and the taxes. Most people don't give property ownership much more thought than that.

The Scattered Forces of Freedom and the Monolithic Left

The forces of freedom are scattered and disorganized. They are attacked across the globe by a foe that seems unstoppable. For

more than a hundred years, the Marxist Left has planned and schemed for the downfall of Western civilization and has created armies of devotees that move in lockstep, fueled by the passions of anti-love.

Electing a U.S. President

While many people say “Knowledge is Power”, that is not actually true. Knowledge only has power if it’s used for some action. Now that you have the knowledge and a better understanding of how the United States elects a President, I hope you will use it to exercise your power as a United States citizen.

The Eagle is Provoking the Bear

Russia invaded Ukraine on February 24, 2022, and since that time the United States, through NATO, has been funding Ukraine’s war against Russia, having given Ukraine a reported 75 billion dollars in foreign aid since the war began. American politicians say that they need to fund the war against Russia to prevent Russian foreign aggression and expansion.

“Days of Rage” Planned for Democratic Convention

Protests that are sure to turn violent are being planned by communist factions in the Democratic Party and worldwide to replace Joe Biden at the top of the ticket. Vice President Kamala Harris’s demand for a “ceasefire” between Israel and Hamas was clearly designed to save Biden from the gathering storm. In the speech, she condemned Israel for allowing a “humanitarian catastrophe” in Gaza.

Weaponized Immigration and the Cult of Diversity, Inclusion and Equity

Do you understand that over 11 million illegal aliens under Biden in the past 38 months constitute a “Weaponization” against the American people? Do you see them organizing in our big cities? Do you realize that you’re paying for them to create terror in your city and/or our country?

Whatever Happened to Justice?

But there is no EQUAL justice in America today. Sadly, our JUST-US system is being used to “get even” with political

opponents. “Justice” has come to mean “punishment.” It has created a system called LAWfare...a tactic of WARfare. The courts are now being used as weapons of war against those who hold different political views.

Have We Dodged a Bullet?

The first thing that happens is that various Blue states hop on board to erase Trump from the ballot. With each state that does so, pressure mounts on other states to do the same. Sooner or later the Red states retaliate by kicking Jobyidin off their presidential ballots—say, for refusing to enforce our immigration laws and using his office for his family’s corrupt financial gain.

Illegal Aliens: Can Trump’s Deportation Plan Work? – Part 1

The plan to flood America with millions of freeloaders, terrorists and criminals has worked perfectly. Crime is soaring and those “newcomers” are bleeding taxpayers dry thanks to rotten, corrupt politicians and gutless cowards in Congress and state legislatures.

Remember the Alamo

Do kids have heroes today? If so, are they real people or are they animated fictitious action figures of some sort? Who were your heroes growing up? As a youngster growing up in the late fifties and early sixties in Detroit I vividly remember cowboy singer Marty Robbins singing "Ballad of the Alamo" in 1960.

**The Safest Place To Be
Regardless Of The
Circumstances Is Where The
Lord Will Have Us To Be**

So, in understanding the lesson here, all of the wicked and their counsels and devices that are aimed at the Lord and His children merely ends in self destruction. In life, or in death.

Illegal Aliens: Can Trump's

Deportation Plan Work? – Part 2

If only Republicans had passed Dirty Harry Reid's bill in 2017, this on-going invasion would NOT be happening. No doubt open border cockroaches like the ACLU and others would have sued but I believe the bill will be declared constitutional.

Who is Speaker Mike Johnson Really?

My intuition aside, Mike Johnson is only one man. He has to deal with the Stalinist Party and the neo-con Trotskyites in his own party. With the Senate and the White House in the hands of the Democrats, his opportunities are few. However, he can and should completely terminate corrupt and unconstitutional legislation that would be catastrophic to America.

Now Is the Time for Texas to Seek a Writ of Prohibition

Whatever the Supreme Court might or might not do, it would behoove Texas to follow this course of action in order to bring to the public's attention, in the sharpest focus

possible, exactly how extremely serious constitutionally (as well as politically, economically, and socially) the invasion of this country by illegal aliens actually is.

Free Will and the Symphony of Being

Free will is a gift, and it is a responsibility, too. It demands courage, resilience, and an unwavering commitment to shaping our individual lives and the collective song of humanity. It is a journey, not a destination, a continuous pursuit of becoming, not merely being.

The Transportation Highway to Dystopia

But this plan is not just for Tennessee, it is for every state. Multiple departments of the federal government have put this plan together, and they certainly aren't about to write a different one for other states. Look into your local general plan, and you might just see these edicts spelled out there.

The Tragic Silence From Our Pulpits

Examples abound, from Catholicism (with their Marxist Pope), to Episcopalian, Methodist, and even Southern Baptist, as they have turned and bowed toward darkness. Here's one from 2019 and the Southern Baptist Conference annual meeting, the "fundamentalists" whom folks often suspect least/trust the most.

Will America Survive Multiculturalism and Diversity?

Will our culture survive? Will our way of life survive? Will our country survive? What's your take? My take? I don't think we stand a snowball's chance in hell of surviving this invasion, both legal and illegal refugees. Whether you're a liberal, independent or conservative, how can you disagree with what we face?

The Storm Is Here – Don't

Panic, Get Involved

You cannot sit it out. It is here and it will touch every community large or small. There will be no standing on the sidelines observing this war. If America is to survive every man and woman who loves America in spite of its blemishes, must invest themselves in this struggle. I hope one day I will be able to say to my grandchildren, I did all I could and left everything on the field of battle so that you might enjoy the freedom and liberty you now have.

We Must Change Our Ways!!!

There is a war going on against the Body of Christ and God whose absolute goal is to destroy our faith in Jesus Christ and America. These demonic globalists elites started out using the Frankfurt School to systemically change America but in these last days, it is being carried out by Klaus Schwab and the World Economic Forum and various demonic New World Order Occult Elites.

We Won't Back Down

But the miracle took place on their way home, which is what she wrote to tell me about. The six-hour drive home was completely different from the drive there. Instead of the kids immersed in their phones and tablets, the family talked together in a way they had never done before. In fact, they

talked all the way home.

Diligence in the Little Things Leads to Big Results

An investor is a person who allocates financial capital with the expectation of a future return or profit. In the Parable of the Talents, Jesus tells the story of a man who, before leaving his house for a distant country, entrusts his servants with varying sums of money with which to do business until he returns (Matthew 25:14-30; Luke 19:11-27).

Could April 8 Be a Day of Terror and the Start of Financial Endgame?

What are we sure of? That the Bidenistas want open borders. They threw open the southern border after ousting Trump back in 2020-21. Migrants began massing on our southern border not by the thousands but by the hundreds of thousands. Discovering they could cross the border without consequence, they came in even larger numbers.

Travail Will Tail the Chemtrail Assail

These are strange days with strange skies and this situation is leading to Florida's losing its allure as the Sunshine State. All across that state Florida's "winter people" are noticing that their skies have been unusually cloudy and overcast, the cloudiest in 84 years in fact. Florida is in the subtropical zone where you usually have either bright blue skies or stormy, showery weather with little or nothing in-between.

Cards To Start The War

Do whatever you can to stop their legislative attempts to control you, your health, your children, your possessions, your relationship with your God. Guess this is another of my "off the couch and out the door" pleas, with a different more urgent slant. Fend them off, and keep your powder dry. For now.

It's My Own Damn Fault

Life is about choices. Some good. Some bad. But at the end of the day, WE are all responsible for the choices we make. Until you accept the fact that it is your own damn fault nothing will ever change. Sorry Flip Wilson, the Devil didn't

make you do it.

Nero Fiddled While Rome Burned: Joe Biden Eats Ice Cream While Americans Get Killed

Congress needs to wake up. They need to institute the 25th Amendment. We cannot keep fooling ourselves with a senile, decrepit, old man who no longer knows what's going on in the world. Joe Biden is the "Nero" of the 21st century, and we're the ones who are watching our own country being burned to the ground.

The Great Reversal...

I was a pretty damaged person in my early adulthood, (from some painful childhood experiences). As I became an adult, the damage I carried prevented me from wholeness and health. I knew it; I could feel it, but I couldn't seem to get out of it. I didn't know how. Damaged people damage people, and I knew that my reactions were damaging to those around me.

You Are What You Tweet?

Just last week Google had to “pause” its AI Image Generation program—“pause” means “take it off-line”—while they tried to correct a wee “mistake” in the program. What mistake was that? Oh, nothing major. All they did was erase white people from history and make ‘em all black.

Is Refusing to Wear a Mask Unconstitutional?

I’ve spoken repeatedly about the unconstitutionality of most mask mandates. Recently, the Third Circuit Court of Appeals was asked to review two cases where people were punished for attending school board meetings while refusing to wear masks. Sadly, the cases, as described in the Circuit Court opinion, seem poorly founded, thus leading to decisions against the plaintiffs.

Everyone Knows That The NFL Is RIGGED, How Are There Christians On The Football

Field?

Do not deceive yourselves into believing the Mahomes does not know what he is doing. He just signed a 450 million dollar deal with the NFL. This is where his heart is and it is who he serves (Matthew 6:21), so much so that he is willing to deceive others into believing what he clearly is not.

The Cloak of Grief and Despair

If we believe the promises of God, we must wait upon Him, long for Him daily, listen to Him in our quiet times, look to Him for our every need, and truly live for Him throughout our lives no matter what trials come. He hears every cry of those who belong to Him.

Winning Arguments in the Narrative Wars (Hint: You Can't)

The presenter focused on the difference between intellect and basic beliefs. Intellect is how smart you are, sometimes reflected in strings of university-gained credentials. In my experience, people who are unquestionably smart – some of them

light years ahead of me in their specialties – can still believe some incredibly stupid things outside those specialties.

I Demand Biden Forgive My Home Mortgage Loan

No question for those who fully understand the game being played, dirty Marxist traitor and yet another constitutionally ineligible individual to hold the office of president, can see Hussein Obama and his underlings are running the show. Of course, Obama takes his marching orders from the shadow government kingpins.

University of Georgia Coed Laken Riley's Death on You Joe Biden

Ironically, 38 percent of brainless Democrats want him to add another four years onto his presidency--when he can't put four coherent sentences together without a teleprompter. That same 38 percent want Biden's handlers to continue directing America over a cliff.

Preserving Freedom in the Face of Challenges

Defending America against all enemies is not just a slogan but a solemn duty that falls on everyone. We must be willing to stand up for what is right, defend our freedoms, and ensure that America remains a shining beacon of liberty for the world to see.

Obama's Third Term – Going For Four

The United States of America has become the laughingstock of the world, with Joe Biden playing the role of our “president” in this macabre stage production put on by the Luciferian Globalists. Indeed, one foreign news agency recently ran a headline referring to Biden as “President Mumblebub.”

Rise of the Controligarchs: Implications for the Nearness

of Christ's Return

Many of the names are now familiar to most Americans – Bill Gates, Mark Zuckerberg, Jeff Bezos, George Soros, and Klaus Schwab to name just a few. Why would these men be considered Controligarchs? They are defined as such because they are using their extreme wealth to change our world.

God Has a Part and We Have a Part

Since the early 1900s to today, America has been falling away from the faith of Jesus Christ. Today you are going to learn in plain English just how destructive, foolish, and dangerous that is to you, your family, and our nation. In America, we have no idea how serious and deadly it is to form denominations and religious systems that divide the Body of Christ.

Symbolism Will Be Their Downfall

Our nation and indeed our world are being led by Godless adherents to foreign gods intent on doing the bidding of their gods, which is a dark and destructive place. We are and will further be deemed the enemy because our allegiance is to the

true and supreme God. God is able to protect us, but we cannot afford to be found with one foot in allegiance to God and the other in the cesspools of idolatry.

Don't be a Slave to Narrow Narratives on Slavery

Post Scriptum: a fairly recently published book, *Dying For Freedom* by Jim Downs addressed the fate of former slaves both during and after the Civil War. The book pointed to the failure of the "Union" States to care for newly freed slaves especially in an impoverished post-war South, causing more death and suffering than had happened when those same people were in fact enslaved.

Oregon Government is Costly

Was social distancing was effective? Is there scientific evidence that face masks can stop a respiratory virus? Were Randomized Controlled Trials (RCT) performed to confirm asymptomatic transmission claims? Did plexiglass barriers, the constant washing of grocery counters, or disinfecting shopping carts handles provide any documentable benefits?

The TRUTH About Trump Voters

Thanks to decades of anti-American false propaganda flooding the airwaves from pretty much every form of mass media in the country, today's leftist echo chamber has taught millions of American voters a laundry list of gaslighting lies that simply are not true, including their misguided misperception of Trump voters.

The Big Sucker Known as Tucker

"Let's be clear about Vladimir Putin," says conservative columnist Kurt Schlichter. "He's a murderous scumbag ex-KGB colonel. He's not a good guy. He's not a hero. He's a Russian nationalist and a massive thief." But then, this columnist for the website Townhall says that poor Tucker Carlson was "set up" by Putin when the Russian dictator gave him an interview. ..."

Change the Words, Change the World

America can be saved if Americans will wake up. Stop using their words. Words have power. Let us call a Marxist a Marxist. Stand up and speak up. Our kids are depending on us.

No Main Character Energy: Boring, Incompetent, Useless Joe Biden

Whether you're one of the 38 percent of Americans who approve of Joe Biden, which means you must be suffering from Alzheimer's, too...because no one in his or her right mind would support such incompetence. Or, you're part of the rest of the majority of the country that wants him to drop out...he's already done the damage that won't be solved unless every one of those people faces deportation.

Headed for the Rocks?

We all really do have to work harder if we don't want our country going belly-up. All we have to do to save it is overcome the Democrat Party, the deep state, teachers' unions, Hollywood, The Global Elite, a zillion illegal aliens, a running-dog nooze media that never tells the truth, and the kind of mind-set that gets seduced by Powerball.

Feb. 22: Reinstate Washington's Birthday as a National Holiday – On His Real Birthday

By observing Washington's Birthday as a National Holiday on his actual birth date, Feb. 22, the focus of the nation was on Washington. However, all that changed in 1971. Congress – pressured by federal government bureaucrats and other employees and their unions desiring another paid three-day holiday – abolished "Washington's Birthday" as a National Holiday.

Abuse of the No Fly List

This should be an interesting opinion to read. I wonder how many U.S. citizens have been captured by the No Fly List without any probable cause or due process? This is also not the first time a government has attempted to get away with illegal acts by changing things after the fact and calling the claims against them moot. All in all, it could be a very interesting opinion indeed.

Whom The World Calls Prideful, Arrogant & Divisive, Are Always Called So By Cowards

I was being accused of being such things by those who should have known better, namely, the do-nothing hypocrites found within the four walls of the American church (Matthew 23:3). I had also noticed that simultaneously these hypocrites were going in the same direction that the prideful, arrogant, divisive, defamatory, lying, and malicious mainstream media were going in when doing the attacking (Revelation 12:10).

Idaho Considers More Mandatory Minimums for Fentanyl

I believe this new law, with its expanded definition of what constitutes trafficking, will add hundreds of additional inmates to Idaho's prisons. Because our prisons are already full and we are storing prisoners in other states, it will also add to the cost of transporting our inmates around the country.

SDGs: Local Chokeholds

As many of you may know, I make it a point to speak up in my local government as much as I can. Currently, the town of Mooresville, NC is conducting a series of town meetings to invite citizens to weigh in on the latest comprehensive planning efforts. Now, if you've followed my blog for a while, you know that I've reported Mooresville is in the thick of becoming a UN (United Nations) hub.

Primary: Will Texans Vote to Clean Out Corrupt RINO's in the Legislature?

Our governor, Greg Abbott, should have used the power and authority given to him by statute here in Texas to call up the State Militia (which is NOT the National Guard) to "repel an invasion" the day impostor president Biden was sworn into office. No, instead he seems to want to keep relying other states to send their National Guard. I'm done writing him on that issue.

Give Me Your Poor,

Illiterate, Criminals, Drug Cartels, Anti-Western Masses Yearning to Change America

What does that mean? As to welfare for millions, what happens when their numbers that do not contribute exceed the rest of us who do contribute? As to illiteracy, do you understand that people with very low IQ's lack any "educational thrust or interest" toward personal intellectual betterment? They become our endemic poor.

Civil War in America?

This case is unprecedented. We've never seen a clash of narratives like this. Those on opposite sides literally do not see the world the same way. They aren't making the same assumptions about what kind of political system we're living under. Small wonder some are ready to divide the country – peacefully, if possible; forcibly if necessary. This is where the narrative wars have brought us.

What Will History Record of this Generation of Lukewarm

Christians?

What will history record about our generation as we have sat by and allowed evil to capture our nation. Will we be remembered for our sexual revolution, that government is our provider and not God, that a man can have a baby, that some boys are girls and some girls are boys, that marriage is not only between a man and a woman but could be between two men and two women...

Putin Entertains Tucker in Russia

Professor Renato Cristin (University of Trieste, Italy) and I are among the signatories of the Appeal for Nuremberg Trials for Communism. We agree that Vladimir Putin should be put on trial for communist crimes against humanity.

Calling Things As They Are

Stowe's faith in Jesus Christ, her increasing understanding of the evils of slavery from the testimony of escaped slaves, and the compelling arguments of abolitionist apologists strongly influenced her to become a passionate abolitionist and supporter of the Underground Railroad, which helped many fugitives from slavery escape to freedom in Canada.

Trump, Insurrection, and Disqualification

One is easily overwhelmed by the fatuity and even imbecility of the politically motivated drivel which has inundated, and continues to flood, the Internet concerning Mr. Trump's supposed disqualification for the office of President of the United States under the Fourteenth Amendment to the Constitution of the United States because of his alleged participation in the so-called "January Sixth Insurrection".

Florida, You Have A Big Problem

The proposed legislation enables an election worker to decide what might constitute "harassment". The proposed penalties for violation of HB721, include imprisonment. This bill has now been fast-tracked to the state Senate for approval.

The Battle of the Gods

It's a really, really old story that only changes in nuances as the centuries turn into millennia. The Supreme God created

other gods to co-reign with Him, and then He created man. His co-reigning entities rebelled and altered the created order. I know it's popular to blame the perpetual failures of humanity on Adam and Eve, but they had help.

Democrat Beats Democrat in New York Election

With a narrow majority, House Republicans voted to expel one of their own members and then lost a special election for that vacant seat in New York on Tuesday to a Biden-supporting Democrat. But it turns out the "Republican opponent" was also a Democrat.

Tucker & Vladimir: The Interview of the Decade, if Not the Century!

Though summarily booted off Fox News only ten months ago, Tucker Carlson has singlehandedly pulled off the journalistic coup of the century. He's now the envy of the myriad sycophants in mainstream media newsrooms, who do nothing more than read the scripts given them by their handlers, all of whom are in the pay of their globalist masters. Predictably, they're attacking Carlson on cue, meaning he's over the target.

Foreign Occupation of Our White House

At a time when our beloved country is being systematically flooded with foreign invaders from all over the globe, South America, China, the Middle East, most of them military age males unaccompanied by women and children, it seems more important than ever to establish a means to prevent “illegal aliens” from voting in our elections...

Life Is Tough; It's Even Tougher If You're Stupid: John Wayne

Notice that Nancy Pelosi has LIVED in Congress for three decades, uses military private jets to go home on weekends, and is worth over \$100 million from insider trading on defense contracts. Ever wonder why she voted to keep Afghanistan and Iraq Wars going for 20 years?

Dems to Gullible Citizens: Open your Homes to Illegals

First we have a member of the Boston City Council suggesting that suburban residents “open their homes” to illegal aliens, now called “Migrants”. It seems the sanctuary city is running out of sanctuary; so you folks out there—“the wealthy,” as she calls you—ought to find it in your hearts to provide it.

Are We Cleaning up the Wrong House?

Do you lead family devotions with your children? Do you regularly pray and read the Bible with your spouse? Have you discussed spiritual issues with your children or do you leave that to the “youth leader?” Have you removed the influence of TV from your impressionable children? Have you checked their i-pods to see what they are listening to?

Feb. 15, 1973: American POWs Come Home With Honor—A Day To Remember

It was a day of great importance in 1973, in an America divided by the war in Vietnam. And, it is a day to remember

all these years later in an even more divided America. It is important for what it teaches about duty, honor, sacrifice and country. It is about who we are and what we can be.

Primaries, What Are They Good For?

Imagine walking into a voting booth, and the ballot listing all the names of the people who have qualified to run for office? There still needs to be some vetting process for candidates, some paperwork to request access to the ballot, and probably some process to insure there is enough support to warrant being included. Beyond that, let all comers be on the ballot and let the people decide.

The Idolatry Of Sports

Somehow or another, the children of the apostate have mistakenly made entertainers and professional athletes people of importance so much so that they have put their idols, players, and teams in the place of Christ (Exodus 20:13; Acts 4:12).
