

Why Haven't They Been Arrested and Indicted?

'Sanctuary Church' Helped Illegal Alien Evade Deportation Before He Allegedly Killed Father of Five, Aug. 9, 2019 – "As Breitbart News reported, 40-year-old illegal alien Miguel Ramirez Valiente from El Salvador is accused of hitting and killing Sean Buchanan, a father of five children, on August 2. Valiente has a criminal record dating back to 2011, including a drunk driving charge in 2017."

Israel's Swift Response to the Hamas Attack: A Closer Look

The capture of Israeli civilians and soldiers, including festival goers, children, women, the elderly, and people with disabilities, raised grave concerns and heightened the urgency of securing their release. Hamas's claim of capturing senior Israeli officers, including Maj Gen Nimrod Aloni, added complexity to the situation. The hostages' safety and well-being were paramount, making their release a top priority for Israel.

Be Prepared for Sudden Unexpected Changes

An invasion force may be coming into the United States, and like Hamas and the infiltrators in Red Dawn, one day without warning, many of the military-aged men who have entered and been scattered throughout the country may receive their own activation signal to attack and cause chaos, making us vulnerable to sudden destruction from hostile nations.

I Smell a Great Reset Coming

I smell a “Great Reset” coming – America’s been bankrupt for a long time, so Central Bank Digital Currencies will be necessary, resetting our entire economy, and moreover, our entire way of life. When that happens, the last of our few remaining freedoms will be stolen from us once and for all, and we will truly, as Klaus Schwab has told us, own nothing.

The Dark Power of Doubt

If there was indeed a first being, Adam, who began to live backwards by responding, it must have been because he doubted God and believed Satan. Only doubt could have separated him from his maker. Our response to demands and pressures is all the evidence we need that the doubt principle is still alive and well in us today.

Jim Jordan Is the Best Conservative Choice as Speaker of the House

It is now clear where the hearts of true conservatives lie. They lie with Jim Jordan, a man they perceive as representing their values and ideals. Their support for Jordan is his political stance and their desire for transparency, accountability, and a government that genuinely represents the people it serves.

Definition of Congress: Venal Traitors, Second only to Judas Iscariot

You really have no choice, if you have a brain and like to eat and live. I do a lot of reading, and I have learned that every major Economist that I know believes that, unless changes are made soon, the government and all their programs will collapse. This would cause a Civil War.

The Cost of Not Supporting Ukraine

It is time for the opponents of aid to Ukraine to reverse course, admit the error of their ways, and urge the House under new leadership to pass a budget with higher defense spending, more aid to Israel and Ukraine, and a plan to secure our southern border based on the identification and deportation of all suspected terrorists immediately.

Civil Asset Forfeiture, Policing for Profit

The more things change, the more they stay the same. Several years ago I wrote an article about the Battle of Athens, TN. In the article I showed the corruption in the McMinn County Sheriff's Department, where the Sheriff and his deputies did not receive a salary, but were paid for everyone they booked, incarcerated, and released.

The Moral Voter: Calling All Judaeo-Christian Soldiers

The enemy today isn't "Biden" or "Obama", or "Globalists", or "RINOS"; it is Lucifer, the patron saint of the Left, as

always. This battle to save our nation and our God-given freedom is between good and evil. America is being purposely destroyed, our Constitution, shredded, and we all know it. In order to win this battle, we need every moral human being in this once-glorious nation to help.

Italian Mafia vs. Hamas

Before anyone gets upset, my mom's parents came over on the boat to Ellis Island from Palermo (Sicily), Italy. My grandparents waited three years and entered this country legally. My father's parents came from Munich, Germany; they waited one year and came here legally. The Italian Mafia in Italy was greatly feared and my Sicilian grandparents did not want their future children raised living in fear.

If There's Violence on the World Stage: It's From Followers of Islam

"Islam isn't in America to be equal to any faith, but to become dominant. The Qur'an should be the highest authority in America, and Islam the only accepted religion on Earth." Omar Ahmed, director of Council on American Islamic Relations. Let that quote sink into your mind, emotions and feelings for a minute.

“Whoa! You Missed a Step!”

The scientific study of our remote past began in Europe and for a long time stayed there. Not surprisingly, European and American artists depicted prehistoric people as having white skins like themselves. Again, there was no evidence for it or against it. To that extent, the illustrations in the books were art, not science.

The October 7 Hamas Attack Upon Israel

Hitler did not die in the bunker at the end of WWII as everyone has been told. Hitler's supposed skull fragments were actually those of a woman in her 30s according to DNA samples taken by Connecticut archeologist and bone specialist Nick Ballantoni in 2009—see *The Guardian*, September 27, 2009.

Palestinians: Victims of Islamic Delusion

Israel's die-hard enemy, Islam, has been hard at work for over 1,400 years to complete the work of finishing off the Jews

that the Prophet Muhammad himself had started. Waves of Muslim ill-wishers have, over the centuries, unleashed their unjustified wrath upon the Jews. Despite suffering huge losses at the hands of their enemies, the Jewish people remained resilient and outlived their tormentors.

Elected Democrats Openly and Unafraid Usurping Parental Rights

San Francisco's Scott Wiener Introduces Bill To Decriminalize Men With Boys Sex! Pedophile In New Jersey Says He Wants His Right To Sexual Contact With Children, Appeal Granted!

Is Dr. Robert Malone Friend or Foe of the Health Freedom Movement?

I'd go so far as to say that if Malone were to win his \$25 million defamation suit against the Breggins—heaven forbid—that would signal the end the freedom movement. None of its leaders would likely feel safe from such ruinous lawsuits. The Deep State and globalist cabal would have triumphed, and one must then assume that was the plan all along.

Knowledge of the Truth is Essential

Those on the Left seem to be so concerned about the welfare of children, that they're willing to pump opposite-sex hormones into 12-year-old girls and expose preschoolers to filthy pornography. Yet they turn a blind eye to the epidemic of missing children. On September 26, it was reported that in Cleveland, Ohio fifty children have mysteriously gone missing in one month alone – and over a thousand are missing from that one city alone, this year alone.

First Ukraine, Now Israel, and Then America

Israeli Prime Minister Benjamin Netanyahu was someone who was supposed to understand all of this. Yet, just last month, in New York, Ukraine President Volodymyr Zelensky, the Jewish president of Ukraine, was forced to plead in person for Netanyahu to provide “more assistance and a more coordinated front against Iranian weapons transfers to Russian forces in Ukraine,” as Time magazine noted.

Russia and Iran are the Real Enemies

President Trump had a different approach. He ordered the assassination of Iranian general and top terrorist leader Qassem Suleimani. Suleimani headed the Islamic Revolutionary Guard Corps-Quds (IRGC) Force, a U.S.-designated Foreign Terrorist Organization responsible for producing many of our wounded warriors from Middle East conflicts. More than 600 American soldiers died at his direction.

Russia, China, WEF: New World Order Chaos

Putin is no choir boy and I'm not defending him. But, his justification for going after Ukraine has everything to do with NATO expansion encroaching too close to his country's border. The divide in this country over Putin vs Ukraine is unbelievable. The American people have been sold nothing but lies.

America's Eventual Suicide: Joe Biden's Legacy to Future

Generations

Make no mistake...the Muslims have a long range plan to be the dominate religion in the world. There is not one case in Europe or the US where their society has assimilated. This is their religious mission. Europe has all but lost to the invasion of Muslims...they now represent 5-10% of the population in every country in Europe...with no assimilation.

Lawlessness In America

How then has the Body of Christ in America allowed a defeated Satan to capture this nation, we are ruled by Satan and not God, and we have become a dwelling place of demons and you ignore what Satan is doing as he is stealing this nation, corrupting our culture and destroying our seed and you are silent and do not stand against this evil?

Hannah Nixon Raised the President Who Saved Israel

In October of 1973, President Nixon was awakened in the middle of the night by a call on his private line from Israel's Prime Minister Golda Meir. She made an anguished plea for American support in the form of armaments. But Nixon knew acceding to this request would be ignoring the request of the cabinet and the Secretary of State, Henry Kissinger.

Good News Delivers Hope

The organized system of transporting and delivering postcards, letters, and packages has been a cornerstone of civilization going back to ancient times. It is generally one of the few government services people appreciate and on which they greatly depend. It is sorely missed when delays in service take place due to inclement weather or natural or man-made disasters, and people usually welcome the return to a feeling of normalcy when service is resumed.

The Fall of Ukraine and the Coming Refugee Disaster

The open borders of the United States have created a “man-made disaster” of millions flowing in. In rectifying this problem, the House Republicans should avoid creating another flow of refugees in Europe, many of whom will want to escape to the United States.

Politicians that Take Big

Donor Money Will Not Get Our Vote, It's A Matter of Loyalty

We must all stand up to be counted and vociferously demand that Congress follow the Constitution. If you don't effectively and vehemently convince Congress to do right, you will be supporting a dictatorship and/or a Civil War, similar to the French Reign of Terror, and it will be your fault, simple as that.

Have the Entrepreneurial and Cooperative Spirits Been Spirited Away by the "Newcomers?"

The buck\$ are passing to the non-white migrants and newcomers. Why? Because either we whites are passing the buck – that is, losing the initiative and letting it happen – or the powers-that-be are destroying small mostly-white businesses using faux crises such as pandemics and exaggerated claims that climate changes are about to do us in.

Bind Legislators Not the People

Our representative system was designed around maximum liberty, where you are supposed to be concerned about your own life and your own choices. It's supposed to be about you minding your own business and caring for yourself. It protects your life, liberty, and your life's just pursuits by preventing unwarranted interference from others.

The China Threat

The international community must remain vigilant and address these issues collectively. Nations must hold China accountable for its actions, demand transparency, and uphold human rights, environmental preservation, fair trade practices, and territorial integrity. Cooperation among nations is vital to counterbalance China's influence.

Science (with Government!) Marches On

You knew it all along, didn't you? What is the answer to every woe that flesh is heir to? Put 'em together, Science and Government, and what have you got? You've got Policy! Mandates! Rules and regulations, new ones every day. And this

is such an easy one—abolish, through cunningly crafted Policy, all forms of Discrimination against excessive corpulence.

What's Happening to America is NOT Fun to Watch

We've lost our youth to "hating" America more than loving our country. We find they respond to their cell phones rather than sit down to dinner with their families. If they have a family! Fact: 7 out of 10 black kids lack a father in the home, live with a single mother and leach off your welfare tax dollars. Total irresponsible behavior by the millions!

Is Mark Levin a Big Phony?

Whether you like him or not, Trump is the candidate who temporarily derailed Barack Hussein's Obama's "Permanent Revolution," which was supposed to go forward under "President" Hillary Clinton. He is clearly seen as the one candidate in the future who can stop the Democrats from consolidating their power.

We Must Fight Back at the Local Level

Recently I addressed the Stop 30x30 Summit in Dallas, Texas, sponsored by the American Stewards of Liberty and CFACT. Here is what I had to say to help encourage local activists to fight the seemingly endless number of attacks on our freedoms now coming from the powerful global forces and the Federal Biden Cabal.

The CIA-Controlled Mockingbird Media Is At It Again: Why Are Other Presidential Candidates Being Ignored

The Mockingbird media kept people eager to watch the propaganda outlets which continued to promote the fight by filling the seats between two illegitimate candidates! Why were the other presidential contenders ignored, censored and or suppressed? These are questions that you are going to have to answer, and the answers are as plain as the nose on your face.

Deniers of Undeniable Truths

Since no one can do anything alone, we have no choice but to work together. To work together, we must join, and support groups heading in the right direction and fully engage in the correct doable things. Together, there is nothing we cannot do. Alone, a house divided against itself will fall.

Fearless Courage

I love the Golden Age of Hollywood and the actors and actresses of that era. Those were the days where the entire family could enjoy the film. Yet, this year I found myself weeping as I watched films representing America and her people. I longed for the past to replace the malevolence of today, and my heart breaks for what we've allowed our nation to become.

Is Your State Committing Fraud in Presidential Elections?

I was having a discussion with someone online about how we elect the President and Vice President of the United States. I was doing some research to reinforce my point when I discovered something interesting: A state which had a

fraudulent ballot in 2020. Thinking this was probably an individual mistake, I started looking at the sample ballots from each state in the 2020 election.

Making Russia Great Again

In effect, Biden is making Russia, an oil-rich country, even more powerful. That policy, combined with his “green energy” approach to cars and trucks, makes the United States weaker by comparison. All of this makes sense when you consider the fact that it has been documented that the Bidens received millions of dollars from oligarchs in Russia, Kazakhstan, and Ukraine.

TX AG Ken Paxton: PLYLER v. DOE, 457 U.S. 202 Must be Overturned

AG Ken Paxton is very intelligent. He’s also a fearless fighter. I believe he would be on solid legal ground. That obscene 1982 SCOTUS decision needs to be overturned. Illegal aliens (K-college) have no right to get a free education while sticking the bill on the backs of hard-working Texans.

Texas Republicans Call for Speaker Dade Phelan's Resignation

The Republican Party of Texas has spoken with a resounding voice! Voting 52-2 in favor of a resolution that calls for the resignation of Texas House Speaker Dade Phelan is genuinely massive. The resolution itself has a robust set of reasons. One of the primary concerns voiced is Speaker Phelan's controversial appointment of Democrats to chair crucial legislative committees.

Climate Change: Our Absolute Stupidity and Absurdity of Trying to Save Ourselves

At some point, we Americans will not be able to dodge, deny or escape reality. This "climate thing" will be the final curtain for our civilization. If not the "climate thing", it will be the "water thing" or "resource thing" or "energy thing." What's ridiculous about it? We could have changed course.

Either You're Serious, Or You're Not

Then they spend 40 hours a week in the public schools, where all the "fairy tale" stories they've heard in Childrens' Church are dispelled as nonsense and superstition and what little they heard about God is replaced with things like evolution, sex education, "social justice" and atheism.

The Light Of Reality

A drink often has a clearing effect on the mind, but the person who is dependent on a drink for this effect is not able to handle what he sees, so he only becomes more upset than he was before.

Doctrine of Imminence

The Coming Storm, The Digital Currency, the Great Reset, the Mark of the Beast Is coming AFTER the Rapture of the Church. These coming events are clouds on horizon we are seeing just before the storm breaks. We do not need to be fearful of the imminently coming time where no man can access his digital dollar bank account without the chip in his right hand or forehead.

The Acquittal, Motives, and Retribution of Texas Attorney General Ken Paxton

Paxton's relentless pursuit of truth emerges as a beacon that vividly describes a political landscape marred by turbulence of agendas and the resulting polarization. His unwavering stance against powerful entities such as Big Pharma, Big Tech, and election fraud concerns demonstrates a commitment deeply rooted in the hearts of Texan voters.

Are UAW and Auto Companies Ignorant or Corrupt for Refusing Tariff Protection?

The average citizen can't afford an EV, even with government subsidies. The only purpose for EVs is to impoverish the people and ultimately to force them to use public transportation and public housing, like the poor slobs in the Communist Democrat Cities.

Reparations: A Repugnant, Malignant Rip-Off and a Crazy, Catastrophic Capitulation

The only practical check on this oncoming avalanche of cascading financial claims has to be California's \$32 billion budget deficit and the state's present \$520 billion debt, which puts it in first place in the race toward financial ruin.

Cancel Culture Using the Pseudo-Ailment, to Cure Non-Existence of Manmade Global Warming/Climate Change

The American Psychology Association (APA) describes eco-anxiety as "the chronic fear of environmental cataclysm that comes from observing the seemingly irrevocable impact of climate change and the associated concern for one's future and that of the next generations".

Going Silent (for Just a Little While)

Due to recent circumstances, including a health issue requiring my immediate attention (what I think of as a major wake-up call!), and events – items just come my way, learning materials just encountered which I'm still processing – I've decided to take a short hiatus from article writing. Another way of putting it: I need to go silent for a short time.

You Ain't Gonna' Like What's Coming To America

And there you have it fellow American. The majority of Americans keep sitting on their Barker Loungers sipping beer and devouring pizzas as this nation-destroying nightmare continues. Brought to you by Biden and Congress! We are in deep doodoo.

Why Are These Kindergarten Children Still in Diapers?

And we have a U.S. Secretary of Education who says–yes, he said this–that he doesn't "respect" parents "thinking they know what's right for kids". Hear that, plebs? You don't know

how to raise your own children, and the head honcho of public education admits he doesn't respect you.

Has The American Church Taken a Knee?

We are in the final drive to win the game. It is time for the defense to blitz and for the offense to put together a long, sustained drive for the endzone. I promise you this. Jesus Christ, the King of the Kings ain't bowing to Lucifer. Jesus is Champion of the World! Fasten your chin strap, tighten your belt, and lock on the Full Armor of God. This will be our finest hour!

GAO: "Deplorable" Living Conditions in Military Barracks

In Democrat run states and cities illegal's that break our laws, sneak across the border are put up in the best fancy hotels in NYC, LA, etc. with 3 meals a day, free cell phones, \$2,500 a month, all at taxpayers expense. No wonder they're coming by the millions, while our veterans who sacrificed everything for our country live in deplorable conditions.

900% Increase Of Chinese Nationals Crossing Over American Border

Yesterday's article highlighted the fact that the federal government is using both the Department of Homeland Security and Border Patrol buses to illegally import immigrants from across the southern border (Deuteronomy 28:43). This is treason. At least now, the American people can clearly see who are the real terrorists.

Executive Orders are NOT Laws

Most Americans have been gaslighted to believe that White House Executive Orders are laws that every American must follow, or else. But Executive Orders only apply to Executive Branch employees. The U.S. government formed by the U.S. Constitution is a Republic, not a dictatorship. It's not a pure "democracy" either, nor should it ever be.

Executive Orders or Edicts?

When did Executive Orders become edicts from a monarch? Like

so many things, it happened slowly, then very rapidly. It started with Congress not wanting to write laws, so they started writing “frameworks” and turned over the details to the executive agencies. We didn’t think too much about Congress abdicating their lawmaking power to the executive branch, so we said nothing.

Little Guys, Us, Vs. The Big Guys, Them

Everything that is happening in this crazy world can be sorted out to be a matter of “Big Guys” vs. “Little Guys”. For clarification, WE, the American citizen, are the Little Guys. Some may argue that it has been thus throughout history. All the more reason to pay attention.

De-Nazification and De-Communization in Russia

The Hitler-Stalin Pact, which started World War II, has been carefully “forgotten” by the Russian government in its war against Ukraine, a former Soviet republic. In a major on-going Russian propaganda operation, former KGB operative and Russian President Vladimir Putin insists that it is Ukraine which must be de-Nazified.

Yawn: Governor Greg Abbott Officially Declares INVASION at Southern Border

Texas mayor calls for resources as thousands of migrants await entry, Sept. 21, 2023: "At one point, the line of migrants stretched 5 miles long and into Mexico." (BOYCOTT EVERYTHING MEXICO AND THAT INCLUDES VACATION SPOTS. Use the power of our wallets.)

Vote for Who We Say, or Else?

Clearly, neither party wanted Donald J. Trump to ever be President of the United States. Both parties have worked together to destroy Trump since the day he came down the escalator to announce his bid for the Oval Office in 2015. Both parties are behind the myriad of false accusations and failed prosecutions of Trump, simply designed to prevent him from occupying the Oval Office again.

In 10 to 20 Years, You/We

Won't Recognize America

You can bet on this prediction: your children will not be living in the America where you grew up. There will be NO American Dream. It's going to be a dog-eat-dog, fight for food, fight for water, fight for energy, fight for clean air, fight for jobs, and fight for existence like no one in America has ever experienced.

Prepare For the Coming Storm

And we know the wiles of the enemy, the Globalists, bent on our destruction. We've already been named as the most dangerous threat to America. A prudent Christ-follower would prepare for the storm before it hits and overtakes us. Jesus told us to be ready. Let us not be "ensnared" like the rest of the world.

The Learning Trap

Resentment traps us into a bleak and depressing existence that nothing can cure except this simple truth that will set you free—repent and no longer resent. Knowing what cruel impatience has done to you, and lest you pass it on to the next generation, you must drop your frustrations toward your own broken teachers and parents.

Surviving the Digital Garden of Eden

In the dawn of creation, as whispered in the sacred verses of Genesis 2:9, the divine hand of the LORD God fashioned the Garden of Eden—a realm of unparalleled beauty and profound significance. Within its hallowed grounds, every tree that was pleasing to the eye and nourishing to the body flourished, offering sustenance and delight.

Millions Died From Shots, Blood Clots, Masks That Didn't Work, Now They're Doing It Again?

Among those 80 problems are Myocarditis, Blood clots, Autoimmune Disorders, Fertility problems, Female Disorders, Reduction of the Immune system, and accelerated Cancer. This paper does not purport to cover even most of damage done by this vaccine. At my age, I would be dead if I got the shot because it would harm my immune system.

Decoding Destiny: Who Controls Your Future, You or the Globalists?

What is Destiny? According to the Merriam-Webster Dictionary: the events that will necessarily happen to a particular person or thing in the future. Throughout your life, you always have choices to reach your goal, your success. The problem with success. Success can be good or bad. Whether the outcome is good or bad depends on? Who? That is the ultimate question. Who will control your life?

Refuse Accepting the Refuse

The left always acknowledges plausible grounds for asylum for anyone and everyone – as long as they're not white European Christians. The "reason" may be presented as climate change or political persecution or economic hardship or all three. Everything is considered a qualification to open the borders and the wallets of the good ol' USA and its people; no substantiation of causes is required.

Time to Resist the Evil

Before Us

In America today, we are just about where the Germans were in World War 2. The churches were ignoring evil and refusing to resist the evil before them. A Lutheran pastor, Dietrich Bonhoeffer and God's Remnant, took a stand against Nazism and proclaimed these words to the nation, "Silence in the face of evil is itself evil; not to speak is to speak; not to act is to act".

Honoring Constitution Day

I believe most Americans have never read the Constitution of their country, and of those who have they seem to lack the confidence and understanding to use it. Part of the reason for this seems to be the fact that the Constitution is not taught in schools anymore.

The "New Paganism."

There was a god for every occasion. A god for the harvest, for love, for hate, for the sea and in the clouds for rain. Proper worship was required for rain and sun in equal measure to provide the harvest.

Democrats to Abolish Meat, Dairy Products and Private Car Ownership

I know someone who, fearing the onset of old age, sold her house and moved into an assisted living facility. The deal is, they take care of you for the rest of your life; and in return, you give them... everything.

The Firebombing of Maui: Part 2

Thus in a corner of Maui, repository of much Hawaiian history and sacred cultural artifacts, where indigenous Hawaiians have lived for generations, they simply razed it with fire, incinerating properties along with many of their owners. Now they're having the ashes swept up and thrown in the trash out of sight of the people.

The Rapid Decline of America in the 21st Century

If you look across the American landscape, everywhere liberals dominate, America deteriorates and declines into "jungle" behavior. You have to wonder whether or not we've gone so far

down that rabbit hole that there is no chance to climb out.
What do you think?

The Firebombing of Maui: Part 1

History may not exactly repeat, but it often rhymes. The above description sounds eerily similar to the effects of the inferno in Lahaina. Of course, Dresden was a major European cultural center in the midst of a world war, while Lahaina is a small town in Hawaii, so there the comparison ends.

Sheriffs and The People Say No to Tyrannical Governor's Attack On 2nd Amendment

Governors and mayors from across America are alluring illegals to come into their states, giving them welfare checks off the backs of the American workers, handing them driver's licenses with verification, and when the illegals take the bait, they bring in their crimes and culture along with them.

Get Off Your Butt and Demand Your Rights Before Your Family Starves

I am aware that many people, like 'woke' college-educated women, don't like President Trump because of how he talks, his many foibles, and the PSRRC's continuous vilification, framing and smearing by the media and the corrupt justice department.

Trump, His Enemies, and the 14th Amendment Gambit

Trump's enemies, which include Establishment Republicans as well as Democrats, will say they are "safeguarding our fragile democracy" or something equivalent, even though Trump remains far and away the leading candidate for the GOP nomination next year.

Trump Exposed the Rot and Fraud of the Elites

During and after the Trump administration, some individuals and groups could be labeled as "enemies within" of the President. They represented political opponents and potential threats to President Trump's vision for America.

D.C. Churches “Love the Stranger” But Lock Their Doors

In a calculated putdown, the Washington Post once highlighted conservative Christian voters as “poor, uneducated, and easy to command.” But that seems to be a more accurate description of the residents of Washington D.C., who will vote to convict former President Trump of anything presented to them by a partisan prosecutor and grand jury.

Paxton Impeachment Trial: Proven Facts & Evidence Didn't Matter to Democrats

GOP Speaker of the House, Dade Phelan, is worse than a RINO. He and his co-conspirators, mostly Democrats, should ALL be thrown out in the March primaries. Paxton called out Phelan for being drunk on the House floor while conducting business. Paxton beat George P. Bush, son of former Florida Governor Jeb Bush and nephew of Bush, Jr., in 2022 by a whopping 39%.

When TREASON is No Longer a Crime

In 247 years, not even one President or Vice President has ever been removed from office via impeachment, even when convicted of their crimes in a Senate trial. Impeachment is a political stunt designed to convince unwitting People that politicians are “doing something” about crime and corruption in the government, when in fact, nothing is being done.

We Are Watching the Disintegration of Our Country & Society

With that \$100 billion in shoplifting, that means millions of our citizens are criminals. A Constitutional Republic demands a moral, ethical and personally responsible citizenry. What happens when the thefts reach \$100, \$200 or \$500 billion annually? At some point, our big cities will fall into anarchy beyond solving.

The Feasts of God

The false pastors and the religious in America are in darkness, deceived, and blind because they cannot see the evil

overtaking this nation. They tolerate evil and refuse to resist it. Jesus will come to the false pastors and the religious in America as a thief in the night!!!! What an awful day that will be for the religious of our day!!! Now you know why it is so important to know the times and season of the Feasts of God!!!

Out Of the Seats and Into the Streets

That's how you get "out of the seats and into the streets." Just DO SOMETHING! For far too long we've been brainwashed into believing we can just go vote Republican, and let them take care of everything. For too long, we've been brainwashed into believing we can just drop our kids off at youth group, and let them raise our children to be proper Christians...because we're too lazy to get out of the seats.

Emulating Babylon: A Prescription for Failure

However, if any nation turns from its wicked ways, God will refrain from judging it (Jeremiah 18:7-8), as in the case of the Assyrians of Nineveh, who, at the preaching of the prophet Jonah, repented of their wickedness, sought the mercy of God, and avoided the calamity that the Lord was going to bring on them.

We Will Not Comply!

It is high time that Americans begin going on the offensive attack against the communist left in America. I, for one, have no intention of allowing my illegitimate Democrat-commie overlords to dictate to me when I can come out of my house, whether I can breathe air without a mask, and I certainly will not be allowing anyone on this planet to stick an artery-clogging vaccine shot in my veins.

Bribed Congress Enacts Unconstitutional Laws and Spends Trillions Unlawfully

Some writers estimate that for the last 100 years, 70% of federal laws were unconstitutional. The bottom line is simply that most members of both parties in congress are whores and traitors who sold out the people. The courts are not much better.

Alien Deception vs Human

Superiority and the Resurrected Superbeing

At the heart of many religious traditions, particularly Christianity lies the belief in a resurrected superbeing. In Christianity, this figure is Jesus Christ, whose resurrection signifies not only a historical event but also a profound theological cornerstone. The belief in Christ's resurrection holds immense significance for Christians worldwide, as it embodies the promise of redemption, eternal life, and divine guidance.

Shock Warning: History of Police Forces in America

Warning bells should be going off all around us, these days. If they aren't already, it's my hope that by the time you finish this article, you'll hear them distinctly! If you're not familiar with the history of the police forces in the US, please read this. If you're not sure where the boundaries of police powers should be for America, read this article on how we can urge our States to go back to their Constitutional roots.

Most Powerful Information-Control Machine in Human History

We now live within the most powerful information distribution and control machine in human history, if only because communications technology is everywhere – all around us, day and night. Its influence begins in public grade schools, years ago designed to produce controlled children who would grow up into mostly controllable adults. This influence only grows, in an environment they will never think to question.

Impeachment for the Wrong Reasons

Will Biden be impeached for the right reasons? Or will the “impeachment inquiry” divert our attention from the issue of whether America can survive under Biden? We don’t have time to waste, and the issue goes far beyond several million dollars to Hunter and the Big Guy.

Are You Prepared?

As many of you know I host a daily podcast at www.CoachDaveLive.com It is Christ-centered with a focus on

how Christians should react to the craziness that is going on around us. Because I communicate DAILY with thousands of people it has become apparent that the Churches are not preparing the flock for the calamity that lies ahead.

Something Is Wrong With Our Leaders

Let's see how well we understand them. I will provide a sample of three nooze stories—one of which, or maybe two, will be untrue. I have provided no links, so you'll be on your own.

Joe Biden Deliberately Inviting Illegal Invasion of America

After 33 months in office, Joe Biden invited 8,000,000 illegal migrants to invade our southern border. He hired Cuban immigrant Alejandro Mayorkas to make sure our borders are open, free to cross 24/7, and he rewards criminals, drug dealers, sex traffickers and terrorists with plane rides or bus tickets to any city in America.

Let Us Do It – Again

I come from a land called Persia
To the land of the free called America
Currently, under the credo of wokeness
A noble land dislodged by voter fraud.

The First Thing In Overthrowing Liberty Of A Nation Is Subduing Free Speech

As the borders are open to illegals that are being allured into this country by the federal and state governments on your tax dollars, one must stop and ask the question: What is it that they are bringing with them (Deuteronomy 28:43)? The First Thing In Overthrowing The Liberty Of A Nation Is Subduing Free Speech

The Betrayal

Because of our fools and our traitors, our destruction was achieved in a single human lifespan. Because of them, no one mourned our passing as a people, and no one was ever intended to mourn it. We did not find the path to utopia promised by

our fools and traitors, but instead a path to what some of them intended and others did not: the path from which no steps can be retraced, the path to our extinction.

Upcoming Oregon Political Battles

Here in Oregon, we find ourselves in the midst of an enormous culture war. It's not unlike other parts of our nation where the far-left is propagating falsehood and purposefully misguiding public opinions. On an hourly basis mainstream media and mindless twitter-bots praise what is despicable and despise what is honorable.

The NSA and America's Enemies

On the anniversary of 9/11, we are forced to consider the sad state of our so-called "intelligence" agencies, unable or unwilling to protect America. Much of the conservative commentary emphasizes the political nature of the FBI and the CIA and their determination to keep Donald J. Trump out of the White House and maintain the Obama/Biden Administration in power.

In Loco Parentis, Tyrannis!

The fact that a government school is teaching something that does not comport with your religious beliefs, doesn't prevent you from exercising your religion. It does not even prevent a parent from teaching their children that the instruction they receive from the government school is wrong because it's contrary to their belief. What we have here is not a violation of plaintiff's free exercise right, but an establishment of religion.

Illegals Invasion: What Are You Waiting for Governor Abbott?

Add a new section which sets a moratorium on LEGAL admission to the U.S. for 24 months while the new law is being enforced. Take away the welfare, free medical, free dental, in California free cash (that's a fact), free education from K – colleges and universities, no federal or state food stamps. Nothing. They will leave.

A DeSantis PAC Founder

Promotes Trump

Whatever, his reason, he isn't looking good to the people right now – out on the campaign trail or here at home. Neither national nor state voters are feeling good about him, and it is obvious why. Wouldn't you think a career politician would care about this? Or, maybe he's indicating that he knows our votes don't count anymore, and that's OK with him. God bless and protect us all.

Allowing Foolishness & Senility to Rule Our Country

Our successful civilization, as we know it or used to know it, stands at the crossroads of insanity, senility, gender craziness and political chaos. We also stand at a critical intersection where our own citizens are being supplanted by illegal and legal invader-migrant(s) replacements. That's right! You and I are being replaced.

Case Against Texas AG Ken Paxton's State Senate Trial is Falling Apart

Amid this politically charged trial, one thing is evident: the

case against Ken Paxton is falling apart, and the facts reveal a different story than the one painted by his detractors. As the legal battle rages on, we can only hope that justice will prevail and that the actual facts will lead to Paxton's acquittal.

Artificial Pacifiers for Grownups

In order to hang onto the feeling of being "saved," the user must give himself over to the drug increasingly. Soon he centers his whole existence around the drug, the source of his "salvation," and he will do anything to maintain his relationship with it.

When You See a Snake...LIke Covid

Because many of those who would have campaigned against such crimes in the distant past are presently involved in the commission of them, some hesitation on the part of the victims is understandable. However, to allow these snakes to go without accountability only guarantees the spawning of more snakes and our ultimate enslavement or worse. We must band together and act.

The United States of America Will Soon Go Through a Total RESET

The gaslighting by the global Marxists currently in control of all federal assets under the leadership of Barack Hussein Obama, has been entirely successful. In fact, it has been so successful that many Americans still send their children to equally anti-American school systems tearing families apart and destroying generations at breakneck speed.

Military Dead 108,866, Wealth Looted, Freedoms Denied By Parasitic Rulers

The military industrial complex of the PSRRC counts their blood money, we count our dead, and the decline in our purchasing power required to finance the wars for profit and care for the disabled. Of course our losses are the PSRRC's gain.

It's Now Safe to Say That Home Ownership is Evil

Let's face it. The American dream is becoming a myth, but not because the middle class owns their own homes. It is because they are being taxed, regulated, and generally being driven out of their private property. It is past time to put a stop to this. The "shelter" those in power would like to see us in belongs on the gulag archipelago.

Will We See an Assassination Attempt Against Trump Before November 2024?

The former have vastly superior resources, but that doesn't mean they aren't absolutely terrified of the latter. Trump's ability to command those media he uses is vastly superior to anything the former possess. The former are therefore pulling out all the stops to shut Trump down, figuring that what he represents will fall apart without him. This assumption is very dubious.

On the Occasion of a Visit

from our Governor

He was jeered Sunday night, as he spoke at a candlelight vigil for the dead in his hometown of Jacksonville, then returned to Tallahassee to tell people to listen to their local officials about the storm. Seems he could have done that from anywhere.

Pentagon Targets the Unborn Enemy

Rather than kill the enemy, the Pentagon is now in the business of killing the unborn. How much confidence should we have in these "leaders?" They are a disgrace to the uniform.

Where are the Republicans?

Conservatism is Pretend SALT...A watered down version of Biblical principles designed to curry the favor of voters without coming across as...well...too Christian. Jesus told us that "no man can serve two masters." I am a Christian who happens to vote Republican. I am not a Republican who just happens to be a Christian. I used to think they were one in the same.

Sing Louder!

Maybe if enough of us sing loud enough, the government might back off—before millions of Christian, Jewish, and Muslim parents get up the courage to pull their children out of there. Far Left teachers' unions can't thrive in empty classrooms.

Political Cartoon Satire: Hitting Painfully Funny at the Truth

Picture of a massive wall to protect homeowners along an expressway. "Since 1972 the government has built over 3,000 miles of "sound walls" along our highways to "protect nearby homeowners from traffic sounds. If the government can spend \$6 billion on walls to protect the homeowners from traffic noise, why can't it spend \$5 billion on a southern border wall to protect our lives?"

Labor is Energy = POWER

Get your kids out of the indoctrination clinics masquerading as public schools. Everything is connected. Nothing is random, Everything has a plan. All plans are lies. All Globalists want is MONEY, POWER, CONTROL Don't give them yours. Challenge them

with the truth. Is America worth saving? Doing Nothing is affirmation.

When It Comes to The Covid Narrative, Fox News is at it Again

As we all know, there is no left nor is there a right constitutionally for we are a Constitutional Republic (Exodus 18:25; Article IV, Section 4) whereby we are ruled by law, not by confused parrots driving a political narrative that is designed to make lies sound truthful. Yet, regardless of the lawful facts, they continue on in their purposed agenda of divide and conquer (Mark 3:25).

Artificial Intelligence (AI) – Help, Hindrance or Hell?

AI applications will soon cover all aspects of our lives such as scheduling our appointments, improving our writing, remembering names for us, discovering distant relatives we didn't know we had, or rapidly sorting through records and files that it would otherwise take us a lifetime to do.

Do Artificial Intelligences Have Rights?

There's a lot of confusion out there about artificial intelligence. Some claim that AI's have the power of independent thought which will, one day, allow them to take over the world. Others write AI's off as nothing but a novelty. Based on my experience, the truth is somewhere in the middle.
