

Emulating Babylon: A Prescription for Failure

However, if any nation turns from its wicked ways, God will refrain from judging it (Jeremiah 18:7-8), as in the case of the Assyrians of Nineveh, who, at the preaching of the prophet Jonah, repented of their wickedness, sought the mercy of God, and avoided the calamity that the Lord was going to bring on them.

We Will Not Comply!

It is high time that Americans begin going on the offensive attack against the communist left in America. I, for one, have no intention of allowing my illegitimate Democrat-commie overlords to dictate to me when I can come out of my house, whether I can breathe air without a mask, and I certainly will not be allowing anyone on this planet to stick an artery-clogging vaccine shot in my veins.

Bribed Congress Enacts Unconstitutional Laws and Spends Trillions Unlawfully

Some writers estimate that for the last 100 years, 70% of

federal laws were unconstitutional. The bottom line is simply that most members of both parties in congress are whores and traitors who sold out the people. The courts are not much better.

Alien Deception vs Human Superiority and the Resurrected Superbeing

At the heart of many religious traditions, particularly Christianity lies the belief in a resurrected superbeing. In Christianity, this figure is Jesus Christ, whose resurrection signifies not only a historical event but also a profound theological cornerstone. The belief in Christ's resurrection holds immense significance for Christians worldwide, as it embodies the promise of redemption, eternal life, and divine guidance.

Shock Warning: History of Police Forces in America

Warning bells should be going off all around us, these days. If they aren't already, it's my hope that by the time you finish this article, you'll hear them distinctly! If you're not familiar with the history of the police forces in the US, please read this. If you're not sure where the boundaries of

police powers should be for America, read this article on how we can urge our States to go back to their Constitutional roots.

Most Powerful Information-Control Machine in Human History

We now live within the most powerful information distribution and control machine in human history, if only because communications technology is everywhere – all around us, day and night. Its influence begins in public grade schools, years ago designed to produce controlled children who would grow up into mostly controllable adults. This influence only grows, in an environment they will never think to question.

Impeachment for the Wrong Reasons

Will Biden be impeached for the right reasons? Or will the “impeachment inquiry” divert our attention from the issue of whether America can survive under Biden? We don’t have time to waste, and the issue goes far beyond several million dollars to Hunter and the Big Guy.

Are You Prepared?

As many of you know I host a daily podcast at www.CoachDaveLive.com. It is Christ-centered with a focus on how Christians should react to the craziness that is going on around us. Because I communicate DAILY with thousands of people it has become apparent that the Churches are not preparing the flock for the calamity that lies ahead.

Something Is Wrong With Our Leaders

Let's see how well we understand them. I will provide a sample of three nooze stories—one of which, or maybe two, will be untrue. I have provided no links, so you'll be on your own.

Joe Biden Deliberately Inviting Illegal Invasion of America

After 33 months in office, Joe Biden invited 8,000,000 illegal migrants to invade our southern border. He hired Cuban immigrant Alejandro Mayorkas to make sure our borders are

open, free to cross 24/7, and he rewards criminals, drug dealers, sex traffickers and terrorists with plane rides or bus tickets to any city in America.

Let Us Do It – Again

I come from a land called Persia
To the land of the free called America
Currently, under the credo of wokeness
A noble land dislodged by voter fraud.

The First Thing In Overthrowing Liberty Of A Nation Is Subduing Free Speech

As the borders are open to illegals that are being allured into this country by the federal and state governments on your tax dollars, one must stop and ask the question: What is it that they are bringing with them (Deuteronomy 28:43)? The First Thing In Overthrowing The Liberty Of A Nation Is Subduing Free Speech

The Betrayal

Because of our fools and our traitors, our destruction was achieved in a single human lifespan. Because of them, no one mourned our passing as a people, and no one was ever intended to mourn it. We did not find the path to utopia promised by our fools and traitors, but instead a path to what some of them intended and others did not: the path from which no steps can be retraced, the path to our extinction.

Upcoming Oregon Political Battles

Here in Oregon, we find ourselves in the midst of an enormous culture war. It's not unlike other parts of our nation where the far-left is propagating falsehood and purposefully misguiding public opinions. On an hourly basis mainstream media and mindless twitter-bots praise what is despicable and despise what is honorable.

The NSA and America's Enemies

On the anniversary of 9/11, we are forced to consider the sad state of our so-called "intelligence" agencies, unable or unwilling to protect America. Much of the conservative commentary emphasizes the political nature of the FBI and the CIA and their determination to keep Donald J. Trump out of the

White House and maintain the Obama/Biden Administration in power.

In Loco Parentis, Tyrannis!

The fact that a government school is teaching something that does not comport with your religious beliefs, doesn't prevent you from exercising your religion. It does not even prevent a parent from teaching their children that the instruction they receive from the government school is wrong because it's contrary to their belief. What we have here is not a violation of plaintiff's free exercise right, but an establishment of religion.

Illegals Invasion: What Are You Waiting for Governor Abbott?

Add a new section which sets a moratorium on LEGAL admission to the U.S. for 24 months while the new law is being enforced. Take away the welfare, free medical, free dental, in California free cash (that's a fact), free education from K – colleges and universities, no federal or state food stamps. Nothing. They will leave.

A DeSantis PAC Founder Promotes Trump

Whatever, his reason, he isn't looking good to the people right now – out on the campaign trail or here at home. Neither national nor state voters are feeling good about him, and it is obvious why. Wouldn't you think a career politician would care about this? Or, maybe he's indicating that he knows our votes don't count anymore, and that's OK with him. God bless and protect us all.

Allowing Foolishness & Senility to Rule Our Country

Our successful civilization, as we know it or used to know it, stands at the crossroads of insanity, senility, gender craziness and political chaos. We also stand at a critical intersection where our own citizens are being supplanted by illegal and legal invader-migrant(s) replacements. That's right! You and I are being replaced.

Case Against Texas AG Ken Paxton's State Senate Trial is Falling Apart

Amid this politically charged trial, one thing is evident: the case against Ken Paxton is falling apart, and the facts reveal a different story than the one painted by his detractors. As the legal battle rages on, we can only hope that justice will prevail and that the actual facts will lead to Paxton's acquittal.

Artificial Pacifiers for Grownups

In order to hang onto the feeling of being "saved," the user must give himself over to the drug increasingly. Soon he centers his whole existence around the drug, the source of his "salvation," and he will do anything to maintain his relationship with it.

When You See a Snake...Like Covid

Because many of those who would have campaigned against such crimes in the distant past are presently involved in the

commission of them, some hesitation on the part of the victims is understandable. However, to allow these snakes to go without accountability only guarantees the spawning of more snakes and our ultimate enslavement or worse. We must band together and act.

The United States of America Will Soon Go Through a Total RESET

The gaslighting by the global Marxists currently in control of all federal assets under the leadership of Barack Hussein Obama, has been entirely successful. In fact, it has been so successful that many Americans still send their children to equally anti-American school systems tearing families apart and destroying generations at breakneck speed.

Military Dead 108,866, Wealth Looted, Freedoms Denied By Parasitic Rulers

The military industrial complex of the PSRRC counts their blood money, we count our dead, and the decline in our purchasing power required to finance the wars for profit and care for the disabled. Of course our losses are the PSRRC's

gain.

It's Now Safe to Say That Home Ownership is Evil

Let's face it. The American dream is becoming a myth, but not because the middle class owns their own homes. It is because they are being taxed, regulated, and generally being driven out of their private property. It is past time to put a stop to this. The "shelter" those in power would like to see us in belongs on the gulag archipelago.

Will We See an Assassination Attempt Against Trump Before November 2024?

The former have vastly superior resources, but that doesn't mean they aren't absolutely terrified of the latter. Trump's ability to command those media he uses is vastly superior to anything the former possess. The former are therefore pulling out all the stops to shut Trump down, figuring that what he represents will fall apart without him. This assumption is very dubious.

On the Occasion of a Visit from our Governor

He was jeered Sunday night, as he spoke at a candlelight vigil for the dead in his hometown of Jacksonville, then returned to Tallahassee to tell people to listen to their local officials about the storm. Seems he could have done that from anywhere.

Pentagon Targets the Unborn Enemy

Rather than kill the enemy, the Pentagon is now in the business of killing the unborn. How much confidence should we have in these "leaders?" They are a disgrace to the uniform.

Where are the Republicans?

Conservatism is Pretend SALT...A watered down version of Biblical principles designed to curry the favor of voters without coming across as...well...too Christian. Jesus told us that "no man can serve two masters." I am a Christian who happens to vote Republican. I am not a Republican who just happens to be a Christian. I used to think they were one in

the same.

Sing Louder!

Maybe if enough of us sing loud enough, the government might back off—before millions of Christian, Jewish, and Muslim parents get up the courage to pull their children out of there. Far Left teachers' unions can't thrive in empty classrooms.

Political Cartoon Satire: Hitting Painfully Funny at the Truth

Picture of a massive wall to protect homeowners along an expressway. "Since 1972 the government has built over 3,000 miles of "sound walls" along our highways to "protect nearby homeowners from traffic sounds. If the government can spend \$6 billion on walls to protect the homeowners from traffic noise, why can't it spend \$5 billion on a southern border wall to protect our lives?"

Labor is Energy = POWER

Get your kids out of the indoctrination clinics masquerading as public schools. Everything is connected. Nothing is random, Everything has a plan. All plans are lies. All Globalists want is MONEY, POWER, CONTROL Don't give them yours. Challenge them with the truth. Is America worth saving? Doing Nothing is affirmation.

When It Comes to The Covid Narrative, Fox News is at it Again

As we all know, there is no left nor is there a right constitutionally for we are a Constitutional Republic (Exodus 18:25; Article IV, Section 4) whereby we are ruled by law, not by confused parrots driving a political narrative that is designed to make lies sound truthful. Yet, regardless of the lawful facts, they continue on in their purposed agenda of divide and conquer (Mark 3:25).

Artificial Intelligence (AI) – Help, Hindrance or Hell?

AI applications will soon cover all aspects of our lives such

as scheduling our appointments, improving our writing, remembering names for us, discovering distant relatives we didn't know we had, or rapidly sorting through records and files that it would otherwise take us a lifetime to do.

Do Artificial Intelligences Have Rights?

There's a lot of confusion out there about artificial intelligence. Some claim that AI's have the power of independent thought which will, one day, allow them to take over the world. Others write AI's off as nothing but a novelty. Based on my experience, the truth is somewhere in the middle.

We The People or We The Problem?

Do you suspect a 'trojan horse' in our midst here in America? I most certainly do. We partake of its grip daily, totally unaware that it is our foe. It comes to us as a matter of convenience and appears to make our lives better, easier, and convenient. To better understand why this element is a 'foe' and not our friend, let's take a stroll back in time for a moment for a historical perspective.

Feinstein, Fetterman, McConnell & 17th Amendment. Anyone Listening?

Life-long crook, Diane Feinstein (Democrat, age 90) should have been put into an Alzheimer facility years ago; it's no secret in DC. China's pimp, Mitch McConnell, another life-long crook (Republican, age 81) is now in trouble with his health.

Coach Tuberville Cries Foul to Politics as Usual

Consider a message from Harmeet Dillon, of the Center for American Liberty, about how Fulton County, Georgia's District Attorney isn't just going after President Trump – "she's going after his lawyers too." She points out, "The radical Left wants to send a loud, clear message to attorneys across the country that if they question the integrity of elections or provide legal services to conservative candidates, they could be held criminally responsible."

Margaritaville & I Left My Heart in San Francisco

In the end, American citizens of every color, religion, race and political persuasion have enjoyed the utmost finest opportunities in the last 58 years. Thank you, Jimmy Buffet and Tony Bennett and all the rest who entertained us. God bless America!

**Lahaina HI: officer
responded, “I’m just
following orders.”**

One man, who escaped on foot, begged the police officers to let people out, but officers responded, “I’m just following orders.” As the man continued on, he began to hear loud explosions and then people screaming, as they perished in the inferno. Despite no warning sirens, no help from firefighters and the water being turned off, they could have escaped certain death, but police were ordered to barricade them in.

Jesus Builds the Ekklesia Not

Man !

Jesus came to earth to give us a Kingdom Government not to start a religion called Christianity. He had a specific purpose for His assembly. Because we don't understand who we are in Christ and what He intended for us to do on this earth; evil, ungodly men have crept in unnoticed and have corrupted the assembly of Jesus into a man-made religious...

Direction Destination

Determines

Proverbs 29:25 says, "The fear of man brings a snare, but he who trusts in the LORD will be exalted." Like the pilot of the ill-fated KAL Flight 007 who, to save face, disregarded his true position and the need to turn around, we can be ensnared and taken off course by the desire for social acceptance that dissuades us from believing the gospel of Jesus Christ, leading to a permanent, terrible destination.

Ken Paxton Impeachment Bias: The Troubling Trio Blocking Justice in Texas

The battle for justice in the Paxton impeachment trial is not

just about one individual's fate but the integrity of the American justice system. Fairness, impartiality, and due process must be upheld at all costs. Senators Nathan Johnson, Roland Gutierrez, and José Menéndez must take a long, hard look in the mirror and consider whether they are truly fit to serve as jurors in this case.

A Soviet-styled Future in Oregon?

I need your help to mount a strategic challenge to the unconscionable assault on the rights of minorities everywhere – the right to protest government policy, to air grievances in public without persecution and the right to continue the fight for our respective liberties. This battle was brought into our front yards, now let's muster our courageous response!

We Have Been Given the Royal Communist Shaft With Barbwire Clusters

Remember, nullification is the original right of self defense; it is a natural right. Nullify all UNCONSTITUTIONAL LAWS by not obeying them and suing government. Find your balls and let the enemy hear from you before it is too late!

Republican Gov. Bill Lee Sells out Tennessee

If you think I'm kidding, you can check what Gov. Bill Lee (R), of the "red state" of Tennessee did during the last Scamdemic. Lee authorized the activation of internment camps and the construction of more, "to sufficiently confine all persons who refuse to be examined, treated, isolated, or quarantined" (TN Code ANN.S68-9-205).

Climate Emergency To Produce a Global Government aka New World Order

Before our YouTube channel was censored, we aired a program on how the New Age Movement could use Pope Francis as their "Messiah" for purposes of influence or control in what has been called a New World Order.

Lahaina (Maui) Destroyed by

Directed Energy Weapon – Round Two

At least 36 people confirmed dead in devastating wildfires: Maui County, Aug. 8, 2023, 1:11 am – (Emphasis mine) “Maui County says 36 people are now confirmed dead in the devastating wildfires that have decimated entire communities, including historic Lahaina... Meanwhile, at least three large fires on Maui – including the blaze in Lahaina – are still active and out of control, which means a full picture of the devastation hasn’t yet come into view.”

The Seed of Evil

The battle that is going on in America is not a political battle, it is Spiritual. The battle has been, and will remain, between God and Satan. It is a battle of good versus evil, light verses darkness, right verses wrong, the Truth against lies. Seeing it as something other than that will lead you to a lot of wasted energy.

Is It Still ‘Our’ Government?

Do you see? They think they can do to us, and to our families, anything they please. They might even try–again–to close the schools and demand that parents pledge themselves not to “interfere” in their children’s so-called education. That one

didn't fly in 2020, but they have nothing to lose in trying it again.

Travels With Charley II: What We Saw In Big Cities—Not Too Nice

You cannot help but travel in California to see 170,000 homeless people wandering the streets of the big cities. Los Angeles must be the new capital of human misery, followed by San Francisco. Ironically, both cities are governed by equity, inclusiveness and diversity. The minority leaders and police forces have turned those cities into human ghettos no better than Mumbai, India.

Oregonians are Waking Up That There are Elected Destructionists in Oregon Politics

Such is the state of Oregon and the ruling majority party. Although the destructionists appear to be winning, more and more hard working, common-sense Oregonians do not agree with their agenda. In my next newsletter I will look at steps we

can take to stop the socialist destruction of our American traditions.

The CIA-Controlled Mockingbird Media Is At It Again

In a nutshell, people in this country say that they want change yet, they fail to do what it takes to bring about the change. How do you help people that refuse to help themselves? (Jonah 2:8)

Iranian Mullahs' Death Wish is Finally Coming True

Unlike Obama, President Trump, some Cabinet members and U.S. lawmakers have resoundingly answered the opposition's call. The recent protests are just the beginning of the end for the Iranian rulers. It may take several months, but the main concern now is ensuring a smooth transition from Islamic radicalism to a secular democracy.

Biden Expands ObamaCare For Mental Health Services at Schools to Psychoanalyze Children 0 to 21

As for your future, do not be blinded by the sugar coating of social and emotional learning, Title I portability money, or choice in education. There is no choice but to remove your kids from public school and stop the federal money flow to private and religious schools. We are paying for brainwashing and data compliance.

When are Constitutional Amendments Unconstitutional?

Arizona for Abortion Access, a political action committee, has contacted Arizona Secretary of State, Adrian Fontes, in an attempt to get a constitutional amendment protecting abortion on the November 2024 ballot. Activists in Florida have been collecting signatures in an attempt to overturn recent state law to protect the right to abortion.

Morsels Mined From The Memory Hole

The French Government is restricting Internet access “in certain neighborhoods,” – and by that, the “government” means the burgeoning areas occupied and controlled almost exclusively by these criminally inclined troglodytes. Of course, this is done so that the depraved denizens therein cannot use social media and other platforms to organize and promote their violent activities.

Lahaina (Maui) Destroyed by Directed Energy Weapon – No Proof

Within 24 hours after the monster fire that destroyed the city of Lahaina on the island of Maui on Aug. 8, 2023, my email box started filling up. FACT: A DEW or Directed Energy Weapon is what started that fire. It looks exactly the same as the fire in Paradise, California on Nov. 8, 2018, which also destroyed that city!

Part 2: Open the Borders to

One and All: What's Coming

Wouldn't it be great if Joe Biden would import at least 5,000,000 additional illegal aliens annually, on top of the 1,000,000 legal immigrants annually? I'm certain all those "sanctuary cities" would love to host millions more in their hotels like in New York, Chicago, Denver, Atlanta and beyond. We could see those 70,000 homeless in Los Angeles jump to 170,000 homeless. Wouldn't that be ducky!

Video: Taiwan Is the Real China

Slavery is the dividing line. The CCP might say that they don't practice slavery, but enslaving an entire society under a totalitarian system of oppression fits the bill. It's not just China, of course. North Korea, Iran, Saudi Arabia, Cuba, Venezuela, and every other repressive regime in the world can be succinctly labeled as a country of "illegitimate slavers."

The Russians are Coming

Since Mike Pence did betray Trump with his failure to send the 2020 election results back to the states for reconsideration, it is difficult to say anything positive about Trump's former vice-president. But on the debate stage he made a lot more foreign policy sense than Ramaswamy, a favorite of the Fox

News Channel who has been rising in the polls.

“And Lead Us Not Into Temptation” – The Lord’s Prayer

This article will examine the Greek-to-English translation of the “lead us not into temptation” portion of the Lord’s Prayer (Matthew 6:13; Luke 11:4), whether this portion of the prayer is better stated by saying “do not let us fall into temptation,” or if there is a better translation that can be used.

Repent, Change Our Religious Ways

It is way past time we look at religion the way Jesus looked at religion. Exactly what Jesus said in Matthew 23 describes the religious condition of the American Church today. Jesus was talking to the religious leaders in Israel, the scribes and Pharisees, and we have become just like them in the American Church!

Republican Governor Using Stealth to Put Through Red Flag Gun Confiscation

My dear friend, Lucinda Sheth, who is politically active, but not a radical in any sense, has addressed the recent Tennessee issue of a “Special Session to push for an Extreme Risk Protection Order (ERPO)”, better known as Red Flag Law. This session was called by Governor Lee because his ERPO was shot down during the normal Legislature session. This is another sneaky way our governments (local, state, and federal) are making laws without going through the proper channels).

Climate Change in the United Kingdom

We should be in no doubt that we are in a final war with evil. It is cunning and sly and comes as an angel of light pretending to care about people’s health and the environment, but it can only use these issues together with those who align to it, for its own selfish advantage and agenda. There is an awful lot of cruelty and horror taking place in this beautiful world.

The Man Standing in the Gap

You know I'm speaking the truth here. Drop all pet agendas and stand together for the only agenda that matters now, Freedom, Liberty, the Rule of Law, real justice, and real opportunity for all. STOP THIS INSANE INVASION OF OUR BELOVED COUNTRY. The sand is all at the bottom of the hourglass.

Trump Loses the Debate

It doesn't matter who's up and who's down, who got views and who didn't. The issue is war and peace and the survival of the Republic. Trump had his chance to save the Republic and he failed. This former friend of Chris Christie took his advice and nominated Christopher Wray to run the FBI. Enough said.

We Have Been Sold a Lemon

Once again, prayer in school is legal. Bible reading is legal. The posting of the 10 Commandments is legal. Abortion is NOT legal. Every Christian statue, every copy of the 10 Commandments taken down from public buildings, should be returned! Christmas can be about Jesus again. Freedom OF religion...not freedom FROM religion.

Affluentza: The Main Mass American Malady

If the above describes yourself and your family, without realizing it you may be suffering from an insufferable, highly contagious American malady – affluentza! This particular virus has gone viral and infected nearly the entire world or at least those who are not in the process of dying of starvation or war.

Dispatches From a Disintegrating Society

The 1950s and 1960s were the heyday of the nuclear family. One breadwinner (usually Dad) could feed a family of four. Families were stable. Divorce was frowned upon, and the divorce rate was relatively low.

Let's Open America's Borders to One and All: Accelerate the Crisis

This column could give you another 100 really sobering if not frightening examples of what we face with “exponential population growth” brought to us by “exponential immigration

growth.” What do another 100 million people added to this country mean in real terms? It means we double the populations of our 35 most populated cities.

Who's Afraid of Bloomberg?

Bloomberg had twelve years as mayor of New York City, running as a Republican (LOL) because the Dems didn't want to make room on their slate for an outsider. By comparison with the Democrats who came after him, Bloomberg is the Father of His Country. Standing alone, he's a bully who wants to ban everything.

Treasonous Governor Arms Illegals By Giving Them Authority To Arrest Americans

Conclusion: Like it or not American,s this is judgment upon this nation. The illegals will be made the head and the Americans will be made the tail if they continuously stand by and watch the corrupt in the halls of government have their lawless ways (Deuteronomy 28:43).

Why Did Many Texas Republicans Betray Their Constituents

In the face of mounting challenges from the left, Texas Republicans must stand united and unwavering in their commitment to conservative values. The impeachment of Ken Paxton, seemingly founded on shaky grounds, threatens to weaken the conservative movement and hinder their ability to effectively oppose the left's policies.

The Next Phase of Obama's "Permanent Revolution"

When Trump supporters in effect endorse Obama's "Permanent Revolution" by smoking pot in front of the cameras, you know the legacy of our first Marxist president has had a lasting impact. It remains to be seen whether Obama's revolution can be stopped in its tracks now that acceptance of mind-altering drugs is affecting Trump supporters who should know better.

The Green Drive to Reorganize

Human Society

To stop them, freedom activists must bring the same passion and determination into fighting for our property, local business, and personal freedoms. We have made vital progress in Iowa, North Dakota and South Dakota. And I know the powerful corporations are worried. More people are starting to see the threat.

The Powers of Congress

I encourage people to ask questions. I believe there are only two “stupid” questions in the world: The one you don’t ask and the one you ask three times. Questions are important. We cannot truly learn unless we ask questions. Several weeks ago I posted the article The Role of Congress.

Can Donald Trump Sue the State of Georgia?

This fourth indictment is like something from an alternative universe. Can’t be real but it is and serious as a heart attack. The law means nothing to rotten, corrupt Democrats in public offices and too many Democrat voters. It is beyond obscene. The American people are seeing this pile-on as purely political.

First 24 GOP “Debate” 8/23/23

But I'll be watching this debate, for entertainment value. Never get in the way of your enemies while they are busy digging their own grave... Nothing is more entertaining than watching traitors dig their own hole!

The Life You Were Born To Live: Finding Your Way, By Choice

Just for a week, I want to leave my series on Travels With Charley II, to give you or members of your family, especially high school kids, a better understanding as to what they want in life and how to discover their life's path. Please send this column to any and all family members who have teenagers. Or, any family members who are floundering or are wondering what to do with their lives.

The Rainbow Flag Conquered

America Right Under the Noses of the Sleeping Churches

The sodomite demon has conquered America, and the dumb, sleeping churches, led by hireling, cowardly “pastors” have let it happen, for the love of popularity and money – the root of all evil. The Rainbow Flag is a symbol of conquest, and it’s everywhere you look now, especially wherever children may be found.

Detecting False Prophets

Some promoted climate scientists, political figures, billionaires, and elite global organizations used computer climate models to make predictions about the direction of the world’s climate. They used mass media outlets around the world to raise the alarm that the use of oil and gas, carbon dioxide, and methane needed to be drastically reduced or eliminated to save the earth from destruction.

Democrats & Their Partners Put Out Welcome Mat for Sex-Traffickers in Oregon

The Democrats and their Planned Parenthood partners have put

out the welcome mat for sex-traffickers in Oregon. Portland is already the number one city for trafficking on the West coast. Gender confusion will get promoted by advancing this formidable precedent for Oregon as a transgender tourist destination.

Want to Save America? Short of Revolt, We Have to Play Hardball!

The powerful truth is that if Patriots make their feelings effectively known to legislators, sue them and ignore their fake laws, it will then become impossible for the Criminal Enterprise masquerading as a legitimate Government to exist.

Open Letter to Texas State Senators

Impeaching Ken Paxton would not only be a disservice to him as an individual but also undermine the will of the people who elected him to serve as Attorney General. The consequences of such an action would extend far beyond his tenure, sending a message that party politics and personal agendas take precedence over the principles and ideals we hold dear.

Great Reset Menu: GMO Food, Bugs and Solar Panels

The OBiden administration with the help of the RINOs is subsidizing energy companies guaranteeing them a 10% profit while hamstringing them with regulations and insane permitting so they are forced to turn to inefficient, ineffective expensive renewables.

USA Death by Sheep

WE THE SHEEP are the real problem. Sheep are incapable of self-governance, freedom, and liberty. They must be governed by others. So it is, and so it shall be... Face it, if you are the type of person to go-along-to-get-along no matter the consequences, YOU ARE A SHEEP! If you are counting on anyone but yourself to save your country, YOU ARE A SHEEP!

The New Tower of Babel

And we're paying for it! That's the most unkindest cut of all. A college education, which befuddles those who receive it, costs a fortune. Graduates are saddled with a mountain of debt—and what do they have to show for it? A degree in Multi-

Travels With Charley II: American Cities Too Large, Too Sick, Too Unmanageable

India has already sealed its horrible present and worsening future. I've seen their mess firsthand. China, oh my God, what a 1.4 billion people mess they created. They can't breathe their air. Their rivers are sewers flowing into the ocean. They cannot feed their masses...that's why they are buying up the rest of the world for food.

Biden On the Beach, Trump in the Dock, Conservatives Out to Lunch

Let's start talking about the obvious solution, which is a Republican House of Representatives that defunds Jack Smith and the United Nations. This is the only power available to Speaker Kevin McCarthy.

Language Is Everything When There Are Official Narratives to Defend

What provoked it were numerous actions of the U.S./NATO axis as the latter crept eastward towards Russian territory since the collapse of the Soviet Union, despite pledges not to. The most recent major event was the 2014 coup in Kyiv, orchestrated by neocons such as Victoria Nuland and the CIA, replacing a Russia-friendly government with a Russia-hostile one.

The CIA-Controlled Mockingbird Media Is At It Again

What's worse is they have not come to the realization that the few options that are given to them by the Mockingbird media and their useful idiots are only those that are already a part of the establishment of which they complain.

Don't be an Ostrich Hiding

From Reality! It Can be Dangerous

The bottom line is to get involved, locally, where you can spend your precious time the most effectively. Regardless of political affiliation – today, it's either the "Constitution" or "Communism" because old party labels are dead and gone, and only serve to confuse – 99% of everybody really wants to live in freedom. Start there with those who might be stuck on those old labels, and their upstairs light may well turn on.

Gift of Freedom on Independence Day

We need to remember, this is only a preliminary injunction. While it will remain in effect until the case is decided, or the injunction is overturned by a higher court, there is still a long way to go before justice can be served. That said, this injunction, not to mention the details within, gives me hope that our judicial system isn't completely corrupt.

Think Democrat Machine Isn't Planning on Rigging the

Primaries & Election?

Religion, just like race, should not be a factor in electing someone to office. Allegedly 46% of CINO's (Catholics in name only) voted for Hillary Clinton in 2016 and 47% for dirty old man, Biden, in 2020. Presidential candidate Vivek Ramaswamy (net worth \$630 million) is a Hindu, same as Tulsi Gabbard. Vivek is working hard for the Evangelical vote by stating he's not a Christian but does believe in the "one god". Which one would that be?

Travels With Charley II: In Search of America's Future

Ironically, the Barbie Movie proves conclusively that Americans must tolerate more gender insanities, more "wokeness", more "transgender" senselessness, more racial conflict, more political absurdities and more of the people who are driving this country into the toilet.

The Wrath of God is At Our Door

Jesus spent 40 days speaking about the kingdom; not the cross, not the resurrection, and not His suffering. Those were not His message; His message was the kingdom and it should be ours

also! The cross, death, burial, and resurrections were very important but were a means to an end and is not the main message of Jesus.

The Fallacy of “Live and Let Live”

Now that we have laid the foundation on the “Christian’s” need to purge her/himself and the duty to live righteously, we can move forward in our duty to demand, with authority in Christ, that our nation’s laws uphold God’s moral standards in all spheres of life!

America: A Society in Crisis

But, today, we style ourselves as having reached Kantian (enlightened) maturity, no longer (completely) accepting such methods, if only because we think those methods are inhumane. Furthermore, our (U.S.) system of government not only permits disagreement, it has come to encourage it. It has created a (tacitly legal, at least) second category of citizen disagreeers who are not considered criminals.

Lazy Wimps & Freeloaders Want A Free Ride From Patriots

Common law is based upon the bible and precedents which are in turn God's Laws in the Bible. Communists detest religion as do their many acolytes in the inner-city plantations. Without exposure to God's Laws they don't know the Common law or right from wrong, or don't give a damn. This is why many people are writing off this generation of young people under Communist control.

The U.N. Lawyer Prosecuting Trump

As the "lawfare" against Trump proceeds, we can anticipate an International Criminal Tribunal targeting the United States, focusing on President Trump or any Republican president. One charge could be "contempt" of international law over the ICC, followed by charges of "racial terrorism" against America itself. Defunding the office of Special Counsel Jack Smith is one easy way for the House Republicans to stop these schemes.

Early Voting is Destroying

Our Nation

Most of the “ballot harvesting” happens in the larger cities because it is so much easier to fake names, addresses, and signatures. Some states allow up to 30 Days early voting with very little verification of the voter’s identification with ballots dropped in stand-alone boxes throughout the city.

Disney’s Debacle

What fascinates me the most is the way Disney Corp just keeps churning out box-office bombs, one after another. It’s as if they really don’t care if they lose money. Counting the latest fiasco, “The Haunted Mansion”—a movie based on a Disney theme park ride, for pete’s sake—they’ve had ten losers in a row, totaling not quite a billion dollars.

Learn How To Dribble A Football: Life Calls You

Can you dribble a basketball? Yes, very easy for just about every kid and adult in America! Can you dribble a football? Some things may be more challenging than others, so pick your opportunities. Start easy and work your way up.

Science, Agriculture, City Planning, and Global Control

Yet, some of the world's largest producers of meat signed on to this commitment – US, Brazil, Argentina, and Australia. Why? The National Cattlemen's Beef Association (NCBA), the organization many in the beef industry trusted to represent them, climbed into bed with the World Wildlife Fund, a UN non-government organization (NGO), a leader of UN Environmental Program (UNEP).

Capitol Building Quotes: Put This Up Against What You See Within The Halls of Government Today

How do those incumbents explain what it is that they have been responsible for illegally imposing on the people of the state of Minnesota in the face of what is graven on the walls of the Capitol? Take a look for yourselves.

Speak Out and Your Career is Over

What a sad difference in the movies today. I hardly watch anymore. Movies are packed with lies in order to change the culture. Lies have become so normalized that telling the truth becomes a punishable offence. The lies have a message of wokeness which means eventually I will be called a racist, domestic terrorist or someone trying to destroy the planet.

Bidenomics: Selling Bull Manure

But, that's only part of what's killing the economy. The cauldron has been boiling for years and it IS going to blow up. I want Americans to be warned so they aren't bulldozed like 2008 because this time it will make 2008 look like prosperity. My recent column, Can Banks Dump the Fed? has important information.

MAGA: Trump's Vision For America

In this article, it is, therefore, my striving to delve into the policies and actions taken by the Trump administration

that aimed to fulfill its commitment to “Make America Great Again.” Trump’s presidency marked a significant shift in American politics from tackling corruption and preserving American values to safeguarding electoral integrity and confronting global adversaries.

Cloud Talk—Sitting On a Cloud After You Passed Away

Did you accept the call while you spent your seven decades on planet Earth? Did you break out of a confining life or relationships? Like Noah’s struggle with the flood, ultimately, waters cleanse your body, mind and spirit during the journey.

A Thorn by Any Other Name is Still POISON!

Now that the masses have been conditioned to want what seems best for the immediate without regard to the long-term consequences, how can they even understand the price of Liberty? There is still hope. It requires a Third Great Awakening. It would mean massive repentance and a return to acceptance of the Principles of Liberty. Otherwise, beware of what you want.

Build Back Better

Meanwhile, banks are failing, businesses are shutting down, joblessness is rampant, the homeless population has exploded nationwide with people living on the streets or in “tent cities.” The US dollar is collapsing. Violent crime is rising, even in small towns. Cities have become no-go zones, with their streets littered with human feces and drug needles. This is where we’re at, folks.

Prevention is the Cure

“Prevention is the cure; keep the pressure from getting under your skin by remaining calm at the point of stress.”

AI Apotheosis

We do not need a “new Bible” written by AI and the counterfeit spirituality that it offers. The actual Bible is composed of 66 books by 40 different writers over approximately 1,500 years. One consistent theme, God’s plan to rescue human beings from the devastating results of Adam’s fall through His Son Jesus Christ, runs all the way through these books.

How to Spot A BS Artist

A couple of weeks back, a commencement speech at Northwestern University by Illinois governor J.B. Pritzker went viral. Pritzker is a Democrat, of course. No one in his right mind thinks a Republican would be invited to speak at such an event. Well, on second thought, a RINO like Liz Cheney might be. Few others would.

The Constitution and the Criminal Enterprise

Invaders speak no English, have no education or skills and only bring disease, dependence and crime. The cost to deport the invaders will be high, but less than allowing them to remain. Otherwise, we will end up like France and most of Europe. If invaders remain until the widely-predicted Great Depression, there will be blood in the streets and fighting over food.

The Real Agenda Behind Red-

Flag Laws: Confiscations and Gun Controls

Former US Secretary of State John Kerry wants to destroy the farming industry because “Agriculture contributes about 33% of all the emissions of the world. And we can’t get to net zero—we don’t get this job done—unless agriculture is front and center as part of the solution.”

The Role of the Federal Courts

The role of the courts is that of an umpire, making decision based on the law using the facts presented to them. Today, we have elevated their decisions beyond law into rulings, as if they were kings and queens on high. It would be one thing if their decisions were based in the law rather than the rantings of their predecessors.

Wayne Richard: Champion For Conservatism Takes a Stand for Collin County, Texas

Attorney General Ken Paxton’s figure in Texas politics shines brightly as a beacon of service and honor. His solid

commitment to the state and its people has left an indelible mark, earning him the respect and admiration of countless Texans—those who dare to go against such an esteemed figure risk the unyielding judgment of the electorate.

Survey Results ‘Shock’ The State Of Oregon

Out of 349 students surveyed, 50 submitted “mocking responses” that astonished the surveyors. Oh, the humanity... Students “identified” as attack helicopters, called the questions “stupid” and “pointless” (which they were), and generally displayed a deplorable lack of reverence toward the idol, LGBTQetc. “Slurs” and “hate speech” galore.
