

America: Off the Rails

A literal toxic cloud hangs over America today. Many cannot really see it, much less see through it! The fog of paralysis eliminates effective action while producing an inertia that, together with a lack of incisive analysis, will end in our nation's death spiral. There has never been such an open show of contempt and hatred for normal Americans – a/k/a “the deplorables”...

Tariffs are a Benefit Second Only to God

Regular readers know that I break down complex subjects into one or more articles. My primary purpose in writing is to give Patriots information they can use. I make no attempt to inform Lenin's “Useful Idiots” of anything, because they will not be receptive to such insights until they are starving.

Global Agenda for World Domination

What we are truly facing is what every one of these quotes is advocating: regulation of every aspect of our lives to enforce their agenda to inventory and control everything on earth. Their words – not mine! Either we stand up to stop it, or

suffer the consequences.

DeSantis is Finished as a Presidential Candidate

Mexican President Andrés Manuel López Obrador recently made a reference to “our fellow Mexicans that live in the US.” He is apparently referring to the “territorial dispute” with the United States over who owns the Southwest United States. Mexicans claim that region for themselves.

The United States' Bald Eagle In The Coal Mine

As we break down the animal kingdom, as well as the insects, and the entire web of life, I can't help but wonder when our species will take its turn in the “Sixth Extinction Session?” Will the Bald Eagle survive? Can you and I ignore reality until it won't ignore us?

Far Left Monument: 'Mount Blushmore'

Hi-Times Amusements Inc. has landed a \$300 billion contract to create a "Mount Rushmore-type" monument to America's progressive movement. Disgruntled plebs are already calling it "Mount Blushmore."

UNITY 101 – E Pluribus Unum

We now have whole generations that were never taught the official national motto of the United States, E Pluribus Unum. The Latin phrase means "Out of many, one". In other words, the USA is an immigrant nation, not to ever be confused with the illegal foreign invasion of our country we are witnessing today.

Dobbs versus Roe v. Wade

There was no basis for Roe, and it took our Supreme Court fifty years to reverse itself. But it actually did not fully reverse itself, what it determined was that abortion was not a federal issue. Roe was overturned, but that did not eliminate the practice of abortion, nor make abortion illegal. What it did was to make abortion an issue for the states.

Subversive Facebook Now Admits What We Already Knew

Americans, what Big Tech companies, along with the mainstream media, are doing by censoring through propagandizing goes against everything that we are according to law and common sense (Psalm 94:20).

Therapeutic Nihilism by the Lords of Healthcare, Part 1

I believe the entire hospital protocols were purposely murderous. Remember, five governors put C-19 patients in nursing homes and killed off hundreds of thousands of elderly Medicare/Medicaid and Social Security residents. Governors Newsom (D-CA), Whitmer (D-MI), Cuomo (D-NY), Wolf (D-PA), and Murphy (D-NJ) all stated that hospitals were running out of room, but what were their real motives?

Comrade Joe Blames Trump for

Banking Collapse

If Comrade Joe succeeds in getting or federal control and regulation of the banks, he will accomplish what Obama/Biden never succeeded in doing – moving the United States into socialism on the road to full-blown communism.

Jan. 6th Judges Should Be Impeached by Congress

There's NO doubt in my mind our Navy shot down TWA Flight 800 by mistake. NO DOUBT and one of the "greatest" (in scope) cover-ups in our history. My dear friend who went to Heaven in December 2019, Brigadier General (Ret.) Ben Partin (bio) designed missiles like the one accidentally fired bringing down that commercial air liner.

The City of Dreaming Spires, 15-minute Cities and Life in your Open Prison

In Oxford, in the UK which is known for its prestigious Universities, and is labelled the City of Dreaming Spires, there has been much anguish over the implementation of something called 15 minutes cities and the impact this will

have upon residents and the businesses who pay local council taxes to the City Council.

By Definition: We Live In Bewildering Times

Are you confused about life in 2023 America? Are you confused about the meaning of a boy or a girl? Are you stymied as to why we have borders to protect our country, but our president has invited the largest invasion of criminals over those borders for the past 26 months? Does it concern you that drugs such as fentanyl have killed 100,000 of our youth annually...

The Great Pushback Conference

The vast majority of pastors will never speak a word on any of these matters. They preach “cowardly Christianity.” This is courageous Christianity – learning to use the power, love and sound minds God’s given us to accomplish His good work, while we still can.

America's Road to Socialism, Part 3

This road that we're on has been a long time coming. Little by little, we have changed course so that now we are hell-bent on establishing the government that we fought against in WWII. We were a free nation many years ago but we have allowed many of our freedoms to be taken away from us.

In 2030 and in Every Year, We Must Be Free

In 2030 and in every year, we must be free. We must not be owned by anyone. Whether we believe in God as the source of our sacred freedoms or not, do we not all agree that each of us must reject the chains of every type of slavery?

Economics 101 for 2023 Idiots

As the first BIG U.S. BANK backed by the FDIC collapses, SVB (Silicon Valley Bank) known as a leading lender to tech start-up companies, it seems like a good time to write about Economics 101 for Idiots who were never taught any better growing up. Remember, never discuss money, religion, or politics. It might hurt someone's sensitive feelings.

Subversion of the West; Manifest Destiny betrayed

The National Educational Association, the Teachers Federation, and Teachers Unions are essential to wrest control of the children from their parents. The local school boards rubber stamp the choices made by the state and local regulatory agencies. School board member candidates are almost universally chosen for their ideology by the state teacher assn's.

Are the "Parasitic Super-Rich Ruling Class" the Terminal Enemies of the People?

The Federal Government is on the verge of either outright default or inflating away the debt which has the same result: loss of all government benefits, Social Security, Medicare, Retirement, savings, et al. To put off the inevitable and to ENSLAVE everyone, government will attempt the use of another unconstitutional "money" known as digital currency.

Wrong People Are in Jail, While the Guilty Walk Free

Chuck Schumer wants to hide exculpatory evidence. Watch this. A sitting US Senator wants exculpatory evidence purposely withheld from those charged. So does REPUBLICAN Mitch McConnell. Watch. Is it just me or do Schumer and McConnell appear to be playing on the same team?

Cancel Culture Coming to a Conclusion?

All the components I am talking about are frauds, and not even well-disguised frauds. They don't need to be legitimate. Those promoting them lie all the time (and have been for decades). They know that, because most people have been "educated" in our national system and watch/read mainstream media, they have been brainwashed to believe the lies. And spread them.

The Five Stooges on Capitol Hill

Thanks to billionaires George Soros and Mark Zuckerberg, Oregon has decriminalized LSD, cocaine and heroin. Perhaps Wyden wants the use of psychedelics to be permitted by

intelligence analysts. Perhaps the intelligence product will then improve.

Quitters Never Win

When I was a kid, most of us were raised to understand that “quitters never win, and winners never quit.” But for a few generations now, kids have been raised with no mention of such a blatantly obvious reality, instead raised on participation trophies for just showing up. Even worse, they were raised to see winning and losing as a negative concept.

Lords of Misrule

Our government is coming to resemble a year-round Roman festival of Saturnalia—a holiday in which everything was turned upside-down—for fun. Slaves giving orders to masters, everybody making whoopee in the streets: it was the way they let off steam. Ours is just corruption.

What The American People

Weren't Told About January 6th

We're being led by a president with severe dementia, forever Senators and House members who are so corrupt, they would shame Caligula, Al Capone, Charles Manson, John Wayne Gacy, Ted Bundy, and Jim Jones.

Remember the Alamo

March 6th 2023 marks the 187th anniversary of the Siege of the Alamo. These courageous men who died that day were my childhood heroes. They were told by Santa Anna he would give no quarter, meaning no prisoners taken. Knowing this, every man there was given an opportunity to leave. Not a single man took that option.

Hopefully, Americans Will Now Understand Why God Clearly Condemns Sodomy

Neither did Americans look to their said representatives, who were doing their best to tear down the laws that protected America's children from such vile criminals (Psalm 94:20). The politicians and the Mainstream Media advocate what our laws

clearly condemn (Deuteronomy 25:1)!

Parents' Bill of Rights

I'm loath to use the term "Bill of Rights" lightly, for two very good reasons. First, the overuse of any term tends to diminish its value. Second, just because something claims to be a "Bill of Rights" doesn't mean it actually is one. The bill may be very good, but that doesn't mean it's truly a Bill of Rights.

The Population Controllers

In the past, I have written about the Carnegie Institution in 1904 founding a eugenics experimental station at Cold Spring Harbor, New York. In 1912, elitists like Winston Churchill and Harvard University president Charles Eliot attended the first International Congress of Eugenics.

Article V Convention: Beware Treacherous RINO's

Efforts to flush the U.S. Constitution down the toilet by convening an Article V Convention of the States has been

around a long time. Back in 1993 (could have been '94), I became acquainted with a constitutional warrior, Jackie Patru. Boy, did she enlighten me on what was going on regarding the push for a 'Con-Con' out in Philadelphia. I had no idea as I was only a few years into my journey of seeking the truth.

Is the American Experiment About Done?

Hey Church in America – because you do not represent the law of God and the ways of God plus Church in America, you don't even have a moral compass for Americans. Every man does what seems right in his own eyes in church today. Hey Church in America, you allowed the Bible, prayer, and the Ten Commandments to be taken out of our schools...

Can Our Country Be Put Back Together?

My question repeats itself: are we going to ever stitch this country back together? Are we ever going to enjoy racial peace? Are we going to fix our schools? Are we going to protect and defend our borders? Are we going to repair America's emotional and spiritual balance? Or, is this nation going straight to hell?

Because 'Good' Men Continue to Do Nothing

This is what happens when a nation turns aside from Almighty God. God has simply given us what we've begged for: no more God. So this is our nation, without His hand of protection. The wicked rule, the people mourn, yet still cling to their sin.

America's Road To Socialism, Part 2

Our Department of Justice is no longer a Department of Justice. Democrats are immune to the law but republicans/conservatives must obey. Reminds me of Hitler's administration. When the protestors over the Roe v Wade decision protested around the conservative justices' homes, which was illegal, there was not one single arrest.

Jesus Redeems the Timeline

Those who rest in Jesus' forgiveness, trusting solely in Him, can and should let the past go. Forsake and forget the chains

that formerly held you captive. Live life under the full brightness of the Son, because He has entered your timeline and redeemed it so that you can experience newness of life (Romans 6:3-4, 8:1) and the amazing things He has in store for you (Ephesians 2:8-10).

The Ashbury Revival: Another Planned February Event

Thing is, many in the Bible Believing Baptist KJV churches have this question. Where is the preaching here? Are great men of God expounding the Word of God to those at this revival? this was how all previous great awakenings happened.

Official Narratives Are Falling Like Dominoes; Corporate Media in a State of Panic

Maybe even liberals are picking up on the fact that something terrible was unleashed on the world late in 2019, serving as justification for shutting it down in March, 2020, in what was clearly a globally-coordinated effort.

We Can Return to Prosperity without Income Taxes

Tax-Free Foundations are the most evil and harmful institutions in our country. They allow the PSRRC to park their assets tax-free forever. The foundations can then control the 'woke' corporations and the world. They can and do fund crazy schemes such as depopulation, etc. Collectively, they are independent of any government and more powerful than most. Tax-Free Foundations must be terminated!

A Massive Transfer of Power Over Children, From Parents to Governments

"We are fast approaching the stage of the ultimate inversion: the stage where the government is free to do anything it pleases, while the citizens may act only by permission; which is the stage of the darkest periods of human history, the stage of rule by brute force." –Ayn Rand

O' Biden Regime World War

Going-along to get-along brought us all here. Americans will soon learn the hard way, that you will never be able to go-along enough to ever get-along with the evil miscreants we are dealing with today.

A Tale Of Two Cities—Kiev, Ukraine and Palestine, OH

Among other things, the Zelensky government in the Ukraine has now outlawed all other political parties. Zelensky has shut down all media the government does not control. Zelensky has outlawed the ancient Russian Orthodox Church— and Zelensky, who is Jewish, is actually arresting Christian Priests and Nuns.

Corrupting America

There's no end to this. Have you noticed we're now expected to say "they" for "he" or "she," even though it's absurdly bad English? Libs the world over are diving head-first onto that bandwagon, and they'll give you what-for if you don't join them.

Our Completely Decrepit & Incompetent President

In reality, everyone is waiting for him to keel over dead, or suffer a heart attack or a stroke. But in the meantime, he's taking this country apart by not serving the American people. Historians will write that this is America's dumbest hour, and this president is the worst in American history because he was incapable of serving the American people.

Resist Tyranny Effectively, Legally, and Safely...Which I Did

My purpose in writing is to give patriots the knowledge and ability they need to LEGALLY RESIST the unlawful usurpers of our Republic who rule by the barrel of a gun and not by the Constitution. I have long since learned that it is impossible to inform Lenin's "Useful Idiots"; they can only learn by starving, and history reports that they will soon get that opportunity.

Government Found Demanding Big Tech To Illegally Censor Opposition To COVID Narrative

People worldwide are demanding justice upon the heads of the guilty (Isaiah 26:9) and are beginning to move in this direction by holding the guilty party accountable for their crimes against humanity (Isaiah 51:4, 26:9).

Nikki Haley and the Hegelian Dialectic Trick

Meanwhile, American “patriotism” continues to decline among progressives where it was never a strong point to begin with while many conservatives no longer identify with this country or recognize it as part of the First World. Yet Haley seems oblivious to this, carrying on with her newfound and increasingly baseless “American Pride” program.

The Sovereign Citizen Movement

I understand the desire to find someone or something to blame. With all of the corruption in governments at all levels, we all would like to find some thing we can do to get our rights

and liberties back. Let's face it, the "Sovereign Citizen Movement", along with so many other conspiracy theories, are just another distraction.

Systematically Erasing America, Part 2

As of today, our Constitution and Bill of Rights are NO LONGER in force or effect! Let that sink in! Our country has been carefully prepared to become a member of the "Great Reset" global commune, while Americans were asleep at the helm.

COVID Experimental Injections: Prosecute Now

Yes, there's been hearings here in Texas with health and safety committee members headed up by Sen. Bob Hall but those injections are still being given in the state. Sen. Ron Johnson [R-WI] brought together those injured and maimed in front of the public and media to tell their gut-wrenching, heart-breaking stories...

Affirmative Action, Equity, Diversity, Inclusion, Transgenderism: Recipe For Disaster

That's how a society thrives. It's how America succeeded. It's how all of us benefit from the truck driver to the first-grade teacher to the carpenter to the dentist to the waitperson. Whatever you're doing from the janitor to the CEO of a corporation, you're benefiting this society by your actions, your responsibilities, and your personal gifts.

Not Aliens, Demons

Recently, I had a lady call me from the East Coast. She's one of the readers of our Wisconsin Christian News newspaper. She was alarmed at having seen a triangular UFO the night before. Prior to calling me, she called another alternative media researcher, who told her that these things have been in US airspace for weeks...

America's Road To Socialism,

Part 1

America was founded by men who wanted the freedom to live and worship in the manner in which they choose. The first people to arrive here were escaping the tyranny of England and Europe where everything they did was dictated to them. Their Bible, the Geneva Bible, was illegal in many of the European countries and England didn't like it either.

Is DeSantis Ready for Prime Time?

Potential 2024 presidential candidate Ron DeSantis has been a good governor, but with global conflict on the rise, what experience does he have on foreign policy? Since the answer is none, how can he be a viable 2024 Republican presidential candidate?

Will Biden's Blundering Get Us Into World War III?

I've no meaningful memories of the Cuban Missile Crisis. I was five years old. What I learned years later: the use of nuclear weapons was on the table as a live option. We avoided Armageddon because President John F. Kennedy, not perfect by any means but overall a man of lucidity and sanity, was able

to negotiate with Nikita Khrushchev.

States Have More Constitutional Power than the Faux Federal Government

This title is absolutely true in all respects. The States are our only hope; they are Sovereign with far-superior Constitutional powers than the Federal Establishment, which is a creature (creation!) of the states, and is limited to only a few Enumerated Powers in the Constitution, the Supreme Law of The Land.

Systematically Erasing America

In keeping with my tradition of telling you truths you may not want to know, we have to discuss the fact that leftist democrats and their Marxist “scholars” have been systematically erasing America for decades now and unless we stop them, there won’t be a USA soon.

Might Our Storm Clouds Be Parting? A child shall lead...

Last week, students at small Christian college in Kentucky gathered for their regular Wednesday chapel service. Ten days later, it has not ended. People from around the country and the world continue to join in. No matter your religion or lack thereof, THIS is an exceptional happening. More exceptional even, is that this spirit has spread to other colleges and universities.

To the Ends of the Earth: Lost White Migrations and Civilizations, Part 4

Many myths are extant about past cultures of warrior women who created their own societies where males were either subservient or served as slaves and that operated in accordance with a military mythos similar to what obtained in ancient Sparta.

Phonies on the World Stage

We have learned that Joe Biden's "unannounced" visit to Ukraine was actually announced to the Kremlin in advance. In

other words, his “historic” visit was approved by Vladimir Putin. Meanwhile, playing the role of Christian statesman, Putin quoted scripture in his presidential address the other day.

There is Something in the Water

A calamity of Biblical proportions has hit the small Ohio town of East Palestine. A train derailment on Feb. 3 and the subsequent burning off hazardous material sent a plume of poison spreading over the Eastern Half of the United States. The consequences of it may be catastrophic. I live in Ohio. So, this hits close to home.

Non-Presidents’ Day

When you recover from this exercise, then try to imagine all three getting in, one after the other. Talk about a fundamental transformation! The Union of Soviet Socialist Republics collapsed; make was for the USSA, United Soviet States of America.

Train Wreck In East Palestine, Ohio: A Living Nightmare

When transporting such deadly chemicals by rail, why wasn't the train going slower? Why weren't the tracks checked for defects? Why hadn't Norfolk Southern maintained the utmost in maintenance for such a deadly cargo being transported on its tracks? Why weren't standards in place to make sure that such a tragedy never happened?

The Coming Storm: Elites Carefully Laid Plan of Genocide

Why now? The New World Order Elite had everything else in place to do the final implementing of their plans for establishing their long planned New Feudal World Order by killing six billion people. It is no accident that virus mutations keep popping up. In my humble opinion, these are also carefully created and spread whenever they want more lockdowns.

Municipal Theft

I often hear people say that we don't own our property, but merely rent it from government. If your property can be taken to pay a debt that is a fraction of what you owe, then that statement may be true. What is described in this lawsuit does not sound like a free people with the right to enjoy, defend, and protect their property.

Stay In This Fight: Texas Law Prohibits Big Tech From Banning Free Speech

This is the very reason that George Washington stated, and this for our admonition: "If freedom of speech is taken away, then dumb and silent we may be led, like sheep to the slaughter." This is exactly what just happened, and is happening, while the government continues its efforts to further illegally censor free speech in this and other countries.

Chemical and Biological Military Activities

A good portion of Ohio may be ruined for decades. [Link](#) The

people who lived in that town are most likely about to lose everything, including their health. Gov. DeWine told them it was safe to go home, but it obviously is not. DeWine should be forced to live out the remainder of his term in East Palestine, Ohio.

Is Washington DC Ruling For or Against Americans?

Seymour Hersh has recently reported that it was the CIA which carried out the attack to blow up Russia's Nordstream Pipeline. Not surprising. After all, who believed the CIA's media when they suggested that it was Russia itself behind the attack? That was an out and out LOL! Russia had absolutely no motive for such an act and every reason to never consider such abject stupidity.

End the Insanity Immediately!

The Book of Revelations isn't a book of how God destroys the world. It's a book that foretells how a "Godless" people will destroy the world, and we are on the brink! This time, the entire world will go the way of the Roman Empire!

What Are “They” Doing To Our Country? Will We Survive?

While listening to NPR over the weekend, Scott Simon casually announced that the United States of America in the past 12 months, via Joe Biden and Congress, imported 100,000 Ukrainian refugees. He flew them 8,000 miles to our country, put them up in hotels, spread them across the nation and will be feeding them for the foreseeable future. Who paid for all of it? Answer: your tax dollars!

Fire Tucker Carlson and Don Lemon

One of George Washington’s famous quotes was that the new nation should avoid entangling alliances with other countries. At the same time, he realized that without the support of other nations, America would not exist.

A World On The Edge, Part 3

George Washington stated: “When any nation mistrusts its citizens with guns it sends a clear message. It no longer trusts its citizens because such a government has evil plans.”

Secret Codes and Signs

As global elitists seek to hem in and enslave us through contrived dependence and pervasive surveillance technology, we may like believers of the past need to develop our own secret codes, signs, and connections to help one another and build community as the early Christians did in Acts 2 and elsewhere in history.

Calling Good Evil

“Do not be deceived; God will not be mocked. Whatever you sow, that will you reap. If you sow to your flesh, from your flesh you’ll reap destruction. But, if you sow to the Spirit, from the Spirit you’ll reap eternal life (Galatians 6:7-8).”

How Patriots Can Effectively Resist Tyranny Without Direct Confrontation, Threats, or Danger

Most people only have a vague idea of their true Enemy’s identity. The Enemy of the people in the United States and

indeed the world is the Parasitic Super-Rich Ruling Class (PSRRC), the wealthy families who control the 'woke' corporations that bribe our government officials in both parties.

The Collapse of Corporate Church Culture and Spiritual Warfare in America

The current church culture in America is on life support. It is living off the work of the saints of old, money, and energy of previous generations from a time in America that has been destroyed by her enemies and a lack of Biblical knowledge and blatant disobedience.

Child Trafficking Documentary Some In Congress Did Not Want You to See

DeCamp points out that similar tactics are taken by the government over many years to cover-up evidence of its high crimes and misdemeanors.

The GOP at the SOTU: A Class Act, or Just a Frustrated One?

My present thinking: if Republicans blow it in 2024 – or if 2024 is also stolen and not reversed in time – they blow it for America. If they win in 2024, e.g., with someone such as DeSantis who will carry the anti-Woke and hopefully the anti-globalist torches, that person will have the same fight on his hands that Trump has had to contend with.

What—No Consequences?

Why wasn't Garland impeached for this? Why wasn't he fired? Is it just because the FBI has become nothing but a bunch of henchmen doing the Democrats' dirty work for them? One hand washes the other?

We Are Teaching Our Kids Violence In America

In a few words, I think our country is T00 big, T00 complicated, T00 fast, T00 multiculturalized, T00 crazy and

going more insane by the day. And, as this system adds more human misery and humans without purpose or community connection...it can only worsen in the years ahead.

The Powers Not Delegated

You don't need a state nullification bill for a thousand unconstitutional act of the federal government. Those acts have no force of law to begin with...there's nothing to nullify. Mass non-compliance is all that is necessary, and not a single U.S. citizen has any legal, moral, or ethical duty to comply with any unconstitutional act of the federal government...or their state or local government for that matter.

We Are in a State of War

The only thing that will save us is a bigger and better and more ruthless military establishment than China and Russia combined. We need more nuclear weapons capable of obliterating both of those nations, and we need a president who will use them, or at least threaten to use them, for the benefit of the American people.

Feb. 15, 1973: American POWs Come Home With Honor—A Day To Remember

February 15, 2023 is the 50th anniversary of a shining moment in American history: It was on that day in 1973 that American prisoners of war began the repatriation process that would finally bring them home from Vietnam with their honor intact.

Constitutionality of Cabinet Level Departments

That means the only branch of the federal government legally capable of enacting laws is Congress. When an executive branch department or agency writes “regulations” with the force of law, those acts are not made pursuant to the Constitution, so they are not the supreme law of the land and are void.

Brain Fog at Foggy Bottom

And so, today reason and truth are passe and, as they say, we must do it their way. But this time they run risk of waking up the goyim and the sheeple to their plight and also the identity of the purveyors of these schemes and agendas because these perps are massively “overreaching” with their actions as

they hope to fulfill the agenda of the Great Reset.

Republicans Must Denounce Climate Change Scam

We'll all be forced to drive those disasters called electric vehicles. Yes, auto makers are pledging to do away with all gas powered cars, SUV's and trucks. I have a ton of disasters regarding EV's and buyer's remorse. Mark my words: Republicans WILL get massive support not only from Republican voters but independents who know the truth.

Our American Ecological Footprint Is Three Times Larger Than Our Country

As you know, Biden and Congress have invited over 6.6 million refugees into our country within the past 25 months. The next 24 months with Biden's push to leave our borders open to anyone and everybody will result in another 6.6 million people. That's over 13.2 million added people and another 4.0 million of their babies.

A World On The Edge, Part 2

In case you didn't notice they are intending on starving people to death to achieve their goal of lower populations: to drastically reduce the world's population via orchestrated food shortages across the globe. Stalin did that after WWII. About ten million died because he destroyed their crops and would not let them buy any food.

One Life Leads To Life, The Other To Death

If you love what is good, you will champion this cause—fearlessly, and regardless of consequences. Your love of Truth will create unpleasant, often dangerous conditions; but fortunately, you will find the growing strength with which to meet those problems successfully.

Stuck on 'Stop': Don't Remain Between Two Positions

Stuck on 'stop.' Andrew is stuck on 'stop;' he's got a hitch in his giddyup stranding him in this purgatory of in-betweenness that's bearing limited fruit – except for the fruit of identifying, cutting out, and leaving behind whatever thorns in his side hinder his walk (which is commendable fruit

indeed).

Only The Cabal Matters

Two things are very clear. One, we have no credible fighting force for the retention of US sovereignty and a return to our founding principles of limited government, individual responsibility, equality under the law and freedom. The second thing which is totally clear is that...

A Red State That Loves ERIC – Election Fraud

As you know, if you have been following this story, election integrity activists led by the Florida Republican Assembly and The People's Audit, had already discovered thousands of bad addresses and fraudulently voted ballots, before the 2022 midterms, and had proven how this happened. Their findings were reported to Tallahassee.

Fortifying and Arming

Unconstitutional Agencies Against the People That They Swore To Serve

Friends, if it is not the Department of Homeland Security defining law-abiding Americans as domestic terrorists, while overlooking subversives such as themselves, then they are orchestrating events such as Jan 6 (The day of insurrection say they), only to blame Christians, patriots, and/or conservatives for the crimes that they are guilty of committing (Revelation 12:10).

Let's Storm the Gates of Hell

Here is the plan. We are going to gather online to pray against the Principalities and Powers and their Diabolical plan. Instead of offering our time and attention to the Halftime Orgy we invite you and those you are watching the game with to join us for 30 minutes of prayer and intercession as their Satanic ritual is streaming.

**Communists
Conservatives**

**Target
With**

Disinformation

In the first place, the Russians originated the idea that Trump was a Russian agent. The Steele dossier which drove the FBI investigation contained Russian disinformation from Russian sources about Trump. All of this has been firmly established.

The Modern New World Order Conspiracy

The modern New World Order conspiracy began with the American and European robber barons of the nineteenth century. The Rockefeller family seems to be at the center of this effort. For simplicity, I will mention this conspiracy through their name. However all the 30 or so American and European elite families were and are neck deep in this effort.

The Mannequin President: Stilted Walk, Not Quite Alive, Shaking Hands With The Air

Let's face it, Joe Biden has been blowing hot air and shaking hands with other politicians for over 50 years in that den of

thieves, liars and cheats called Washington DC. Notice how they promise to solve America's problems during their stump speeches, but when it comes down to brass tacks, they fail the American people on all fronts.

Have the Bad Guys Won?

And then along comes the Grammy Awards, this week, and racks up 12.4 million viewers. Joy Reid exults: "The culture wars are over, and the Left won!". Yessireebob, "total defeat" for conservatism. For America. What a rebound from last year's Grammy debacle, a lousy 8.8 million views.

Will Hardcore Felons be Voting in Oregon?

The Senate Judiciary Committee held its first public meeting for SB 579 last Thursday and the bill was scheduled for a Committee vote on February 2, 2023, but that vote has been cancelled for the time being. Because this Bill may come back onto the schedule, it is still worth discussing.

The Corporate News Networks Survive Off the Ignorance of the People

If there is an attempt to pass a bill running contrary to the Constitution and the laws of our Republic, and you see these useful idiots on both sides of the aisle on television or radio debating it, remember they are only being used to further the global agenda.

The Deadly Dystopian Designs for Humanity's Future, Part 2

The cost has been estimated at \$3 to \$5 billion for upgrading and securing the grid, which will protect the nation, but not one president in our recent past, nor any congress critter has even suggested spending \$5 billion to protect the nation from a catastrophe. Yep, \$5 billion was way too much money to build the southern border wall, but \$150 billion isn't too much to hand over to the corrupt fascist nation of Ukraine.

What Does It Mean to Be

“Woke”?

Awkwardly expressed, but essentially the right idea. Differential treatment under the law can be justified so that (for example) the book can be thrown at white Jan-6rs while the blacks who rioted following George Floyd’s death can be handled with kid gloves even though the latter were far more violent and did far more actual damage.

How Congress Destroyed Health Care

While the Democrat/Communist Party USA members of Congress spend all their time screaming on the House and Senate floor about racism and other BS, Americans are going to suffer greatly because of this mess created by Congress that should never have happened. Real solutions are being ignored for politics and votes.

Your Anguish May Be My Anguish: Climate Change, Open Borders, Unlimited Criminals

You may be wondering what kind and how many incompetent elected officials continue running our country over a cliff.

Whether it's the president or his handlers, who must be as senile as he is, or it's the woke crowd—or it's simply all too much to grasp. Whatever is going on in America, you can't quite intellectually grapple with the insanity of it all.

A World On The Edge, Part 1

We are facing the most critical period in our history as mankind. It isn't just the United States that is being threatened it is every sovereign nation in the world. What amazes me is that the people that are the threat are not elected to any position of power in any of the nations of the world. They have just decided that...

The Pandemic of Doubting God

Satan and his minions can only do what God allows. His will WILL be done here on earth as it is in heaven – with or without us. My final bit of advice is, focus on that. And more than that, put your own personal needs and comforts aside and become one of His remnant faithful believers, pushing back against the lies, deception and tyranny of the enemy, and do your utmost to see that God's will IS done on earth.

Do Not Be Misled by Mr. MacGuffin!

Sir Alfred Hitchcock (1899-1980) is widely regarded as one of the most influential filmmakers in the history of cinema. Dubbed the “Master of Suspense,” he directed more than 50 films that showcased his talent as a visual storyteller who skillfully incorporated unexpected circumstances, many which are still watched and studied today.

COVID Injections, Toxic by Design

If our Congress and Senators cared about the people they supposedly serve, there would be many of them speaking out against the COVID injections the way Senator Rennick is doing in Australia. At present, US Senator Ron Johnson (R-MN) stands out as a lone warrior and advocate for the COVID vaccine-injured in the US.

The Biden Doctrine of Demoralization and Defeat

Reagan, who fought communists in Hollywood and understood their strategy and tactics, had a Reagan Doctrine as president

to overthrow communist and enemy regimes. But with his declaration that the U.S. will not send advanced F-16s to Ukraine, despite repeated requests, we have a new “Biden Doctrine” of demoralization and defeat.

The Silver Bullet For Victory

Write this down and keep it in front of you at all times: “The right of the individual to own and control private property is the foundation of liberty.” And now write this: “Precinct Captain is the root to victory.” That’s the silver bullet that leads to sustained liberty. Put the two together and restore and preserve this Republic.

Is Governor Bill Lee’s Examples For Tennesseans or the Globalists?

When did promoting the drive to communism become the flagship of the Right? Governor Bill Lee of Tennessee may not be driving that train, but he’s on it and giving directions.

Will the Government Stop Income and Medical Care for Half the Population?

The most important thing for you to learn from this paper is that your support by government and all economic activity is rapidly declining to next to nothing (maybe overnight). You have only two choices. Sit on your ass and starve forever as a slave, or get a backbone and resist these usurping traitors in a lawful and Constitutional manner! That is the only way to return to real prosperity and justice.

Tell Me Exactly What Is The Meaning White Supremacy, Again?

Worst of all, the American people sit by and watch it happen...and do nothing to stop it. They continue voting in the same corrupt Congressional critters...so they get the same results. In the end, the inner cities will continue with crime, murders, mayhem, misery, suffering and anarchy.

‘Who You Are’ Trumps ‘What You Can Do’

Because “Diversity and Inclusion” is now The Most Important Thing, Finland’s national figure skating tournament recently trotted out a 59-year-old man who says he’s a woman and let him compete for the women’s championship. And because stupid stuff doesn’t work, this guy took a prat fall in the first 45 seconds of his show.

A Government That Murders Its Own – Minnesota Passes A Bill

Now these murderers, and murders they are, are making the murder of children in the womb their campaign slogans to get reelected, and they’re doing it with a smile on their faces. They then use the mainstream media, overlooking massive voter fraud (John 8:44), in hopes of...

Is the Die Cast for DEI? and Are We to Die Because of It?

The burgeoning Diversity, Equity, and Inclusion (DEI) movement is casting a miasmatic, suffocating cloud upon the body politic and all Americans are suffering from it. Academia is the

breeding ground for this strain of nonsense and its tentacles lead academic effort away from true academic pursuits.

Inspector Government

Since We the People have turned responsibility for our own safety to various governments, we have no one to blame for these intrusive inspections and overbearing licensing requirements but ourselves. As James Madison warned, we enabled government to control the governed, but forgot that we needed to control government as well.

The Totalitarian Schemes of Global Genocidal Maniacs, Part 1

The history of the Nazi Party can be told in terms of new formations within the movement, each becoming more vicious and cruel. Think about the New World Order, which became United Nations Agenda 21/30 and now has become the Great Reset.

The World War is Already Here

In regard to Ukraine, however, there is some good news – the U.S., Germany, Britain, Poland, Norway, Finland, the Netherlands, Spain and Portugal have now agreed to send tanks to destroy Russia's forces in eastern Ukraine. But is it too little too late?

February 3rd is “National Four Chaplains Day” – Why?

On Four Chaplains Day, Feb. 3, 2023– the 80th anniversary of the day in which the Four Chaplains sacrificed their lives “so that others may live.” –will the media again fail to report on it, and the schools fail to teach it, and Americans, in the main, fail to observe it?
