

On the Occasion of a Visit from our Governor

He was jeered Sunday night, as he spoke at a candlelight vigil for the dead in his hometown of Jacksonville, then returned to Tallahassee to tell people to listen to their local officials about the storm. Seems he could have done that from anywhere.

Pentagon Targets the Unborn Enemy

Rather than kill the enemy, the Pentagon is now in the business of killing the unborn. How much confidence should we have in these “leaders?” They are a disgrace to the uniform.

Where are the Republicans?

Conservatism is Pretend SALT...A watered down version of Biblical principles designed to curry the favor of voters without coming across as...well...too Christian. Jesus told us that “no man can serve two masters.” I am a Christian who happens to vote Republican. I am not a Republican who just happens to be a Christian. I used to think they were one in the same.

Sing Louder!

Maybe if enough of us sing loud enough, the government might back off—before millions of Christian, Jewish, and Muslim parents get up the courage to pull their children out of there. Far Left teachers' unions can't thrive in empty classrooms.

Political Cartoon Satire: Hitting Painfully Funny at the Truth

Picture of a massive wall to protect homeowners along an expressway. "Since 1972 the government has built over 3,000 miles of "sound walls" along our highways to "protect nearby homeowners from traffic sounds. If the government can spend \$6 billion on walls to protect the homeowners from traffic noise, why can't it spend \$5 billion on a southern border wall to protect our lives?"

Labor is Energy = POWER

Get your kids out of the indoctrination clinics masquerading

as public schools. Everything is connected. Nothing is random, Everything has a plan. All plans are lies. All Globalists want is MONEY, POWER, CONTROL Don't give them yours. Challenge them with the truth. Is America worth saving? Doing Nothing is affirmation.

When It Comes to The Covid Narrative, Fox News is at it Again

As we all know, there is no left nor is there a right constitutionally for we are a Constitutional Republic (Exodus 18:25; Article IV, Section 4) whereby we are ruled by law, not by confused parrots driving a political narrative that is designed to make lies sound truthful. Yet, regardless of the lawful facts, they continue on in their purposed agenda of divide and conquer (Mark 3:25).

Artificial Intelligence (AI) – Help, Hindrance or Hell?

AI applications will soon cover all aspects of our lives such as scheduling our appointments, improving our writing, remembering names for us, discovering distant relatives we didn't know we had, or rapidly sorting through records and files that it would otherwise take us a lifetime to do.

Do Artificial Intelligences Have Rights?

There's a lot of confusion out there about artificial intelligence. Some claim that AI's have the power of independent thought which will, one day, allow them to take over the world. Others write AI's off as nothing but a novelty. Based on my experience, the truth is somewhere in the middle.

We The People or We The Problem?

Do you suspect a 'trojan horse' in our midst here in America? I most certainly do. We partake of its grip daily, totally unaware that it is our foe. It comes to us as a matter of convenience and appears to make our lives better, easier, and convenient. To better understand why this element is a 'foe' and not our friend, let's take a stroll back in time for a moment for a historical perspective.

Feinstein, Fetterman, McConnell & 17th Amendment. Anyone Listening?

Life-long crook, Diane Feinstein (Democrat, age 90) should have been put into an Alzheimer facility years ago; it's no secret in DC. China's pimp, Mitch McConnell, another life-long crook (Republican, age 81) is now in trouble with his health.

Coach Tuberville Cries Foul to Politics as Usual

Consider a message from Harmeet Dillon, of the Center for American Liberty, about how Fulton County, Georgia's District Attorney isn't just going after President Trump – "she's going after his lawyers too." She points out, "The radical Left wants to send a loud, clear message to attorneys across the country that if they question the integrity of elections or provide legal services to conservative candidates, they could be held criminally responsible."

Margaritaville & I Left My

Heart in San Francisco

In the end, American citizens of every color, religion, race and political persuasion have enjoyed the utmost finest opportunities in the last 58 years. Thank you, Jimmy Buffet and Tony Bennett and all the rest who entertained us. God bless America!

**Lahaina HI: officer
responded, “I’m just
following orders.”**

One man, who escaped on foot, begged the police officers to let people out, but officers responded, “I’m just following orders.” As the man continued on, he began to hear loud explosions and then people screaming, as they perished in the inferno. Despite no warning sirens, no help from firefighters and the water being turned off, they could have escaped certain death, but police were ordered to barricade them in.

Jesus Builds the Ekkelesia Not Man!

Jesus came to earth to give us a Kingdom Government not to start a religion called Christianity. He had a specific

purpose for His assembly. Because we don't understand who we are in Christ and what He intended for us to do on this earth; evil, ungodly men have crept in unnoticed and have corrupted the assembly of Jesus into a man-made religious...

Direction Destination

Determines

Proverbs 29:25 says, "The fear of man brings a snare, but he who trusts in the LORD will be exalted." Like the pilot of the ill-fated KAL Flight 007 who, to save face, disregarded his true position and the need to turn around, we can be ensnared and taken off course by the desire for social acceptance that dissuades us from believing the gospel of Jesus Christ, leading to a permanent, terrible destination.

Ken Paxton Impeachment Bias: The Troubling Trio Blocking Justice in Texas

The battle for justice in the Paxton impeachment trial is not just about one individual's fate but the integrity of the American justice system. Fairness, impartiality, and due process must be upheld at all costs. Senators Nathan Johnson, Roland Gutierrez, and José Menéndez must take a long, hard look in the mirror and consider whether they are truly fit to

serve as jurors in this case.

A Soviet-styled Future in Oregon?

I need your help to mount a strategic challenge to the unconscionable assault on the rights of minorities everywhere – the right to protest government policy, to air grievances in public without persecution and the right to continue the fight for our respective liberties. This battle was brought into our front yards, now let's muster our courageous response!

We Have Been Given the Royal Communist Shaft With Barbwire Clusters

Remember, nullification is the original right of self defense; it is a natural right. Nullify all UNCONSTITUTIONAL LAWS by not obeying them and suing government. Find your balls and let the enemy hear from you before it is too late!

Republican Gov. Bill Lee Sells out Tennessee

If you think I'm kidding, you can check what Gov. Bill Lee (R), of the "red state" of Tennessee did during the last Scamdemic. Lee authorized the activation of internment camps and the construction of more, "to sufficiently confine all persons who refuse to be examined, treated, isolated, or quarantined" (TN Code ANN.S68-9-205).

Climate Emergency To Produce a Global Government aka New World Order

Before our YouTube channel was censored, we aired a program on how the New Age Movement could use Pope Francis as their "Messiah" for purposes of influence or control in what has been called a New World Order.

Lahaina (Maui) Destroyed by Directed Energy Weapon —

Round Two

At least 36 people confirmed dead in devastating wildfires: Maui County, Aug. 8, 2023, 1:11 am – (Emphasis mine) “Maui County says 36 people are now confirmed dead in the devastating wildfires that have decimated entire communities, including historic Lahaina... Meanwhile, at least three large fires on Maui – including the blaze in Lahaina – are still active and out of control, which means a full picture of the devastation hasn’t yet come into view.”

The Seed of Evil

The battle that is going on in America is not a political battle, it is Spiritual. The battle has been, and will remain, between God and Satan. It is a battle of good versus evil, light verses darkness, right verses wrong, the Truth against lies. Seeing it as something other than that will lead you to a lot of wasted energy.

Is It Still ‘Our’ Government?

Do you see? They think they can do to us, and to our families, anything they please. They might even try–again–to close the schools and demand that parents pledge themselves not to “interfere” in their children’s so-called education. That one didn’t fly in 2020, but they have nothing to lose in trying it again.

Travels With Charley II: What We Saw In Big Cities—Not Too Nice

You cannot help but travel in California to see 170,000 homeless people wandering the streets of the big cities. Los Angeles must be the new capital of human misery, followed by San Francisco. Ironically, both cities are governed by equity, inclusiveness and diversity. The minority leaders and police forces have turned those cities into human ghettos no better than Mumbai, India.

Oregonians are Waking Up That There are Elected Destructionists in Oregon Politics

Such is the state of Oregon and the ruling majority party. Although the destructionists appear to be winning, more and more hard working, common-sense Oregonians do not agree with their agenda. In my next newsletter I will look at steps we can take to stop the socialist destruction of our American traditions.

The CIA-Controlled Mockingbird Media Is At It Again

In a nutshell, people in this country say that they want change yet, they fail to do what it takes to bring about the change. How do you help people that refuse to help themselves? (Jonah 2:8)

Iranian Mullahs' Death Wish is Finally Coming True

Unlike Obama, President Trump, some Cabinet members and U.S. lawmakers have resoundingly answered the opposition's call. The recent protests are just the beginning of the end for the Iranian rulers. It may take several months, but the main concern now is ensuring a smooth transition from Islamic radicalism to a secular democracy.

Biden Expands ObamaCare For

Mental Health Services at Schools to Psychoanalyze Children 0 to 21

As for your future, do not be blinded by the sugar coating of social and emotional learning, Title I portability money, or choice in education. There is no choice but to remove your kids from public school and stop the federal money flow to private and religious schools. We are paying for brainwashing and data compliance.

When are Constitutional Amendments Unconstitutional?

Arizona for Abortion Access, a political action committee, has contacted Arizona Secretary of State, Adrian Fontes, in an attempt to get a constitutional amendment protecting abortion on the November 2024 ballot. Activists in Florida have been collecting signatures in an attempt to overturn recent state law to protect the right to abortion.

Morsels Mined From The Memory

Hole

The French Government is restricting Internet access “in certain neighborhoods,” – and by that, the “government” means the burgeoning areas occupied and controlled almost exclusively by these criminally inclined troglodytes. Of course, this is done so that the depraved denizens therein cannot use social media and other platforms to organize and promote their violent activities.

Lahaina (Maui) Destroyed by Directed Energy Weapon – No Proof

Within 24 hours after the monster fire that destroyed the city of Lahaina on the island of Maui on Aug. 8, 2023, my email box started filling up. FACT: A DEW or Directed Energy Weapon is what started that fire. It looks exactly the same as the fire in Paradise, California on Nov. 8, 2018, which also destroyed that city!

Part 2: Open the Borders to One and All: What's Coming

Wouldn't it be great if Joe Biden would import at least

5,000,000 additional illegal aliens annually, on top of the 1,000,000 legal immigrants annually? I'm certain all those "sanctuary cities" would love to host millions more in their hotels like in New York, Chicago, Denver, Atlanta and beyond. We could see those 70,000 homeless in Los Angeles jump to 170,000 homeless. Wouldn't that be ducky!

Video: Taiwan Is the Real China

Slavery is the dividing line. The CCP might say that they don't practice slavery, but enslaving an entire society under a totalitarian system of oppression fits the bill. It's not just China, of course. North Korea, Iran, Saudi Arabia, Cuba, Venezuela, and every other repressive regime in the world can be succinctly labeled as a country of "illegitimate slavers."

The Russians are Coming

Since Mike Pence did betray Trump with his failure to send the 2020 election results back to the states for reconsideration, it is difficult to say anything positive about Trump's former vice-president. But on the debate stage he made a lot more foreign policy sense than Ramaswamy, a favorite of the Fox News Channel who has been rising in the polls.

“And Lead Us Not Into Temptation” – The Lord’s Prayer

This article will examine the Greek-to-English translation of the “lead us not into temptation” portion of the Lord’s Prayer (Matthew 6:13; Luke 11:4), whether this portion of the prayer is better stated by saying “do not let us fall into temptation,” or if there is a better translation that can be used.

Repent, Change Our Religious Ways

It is way past time we look at religion the way Jesus looked at religion. Exactly what Jesus said in Matthew 23 describes the religious condition of the American Church today. Jesus was talking to the religious leaders in Israel, the scribes and Pharisees, and we have become just like them in the American Church!

Republican Governor Using Stealth to Put Through Red Flag Gun Confiscation

My dear friend, Lucinda Sheth, who is politically active, but not a radical in any sense, has addressed the recent Tennessee issue of a “Special Session to push for an Extreme Risk Protection Order (ERPO)”, better known as Red Flag Law. This session was called by Governor Lee because his ERPO was shot down during the normal Legislature session. This is another sneaky way our governments (local, state, and federal) are making laws without going through the proper channels).

Climate Change in the United Kingdom

We should be in no doubt that we are in a final war with evil. It is cunning and sly and comes as an angel of light pretending to care about people’s health and the environment, but it can only use these issues together with those who align to it, for its own selfish advantage and agenda. There is an awful lot of cruelty and horror taking place in this beautiful world.

The Man Standing in the Gap

You know I'm speaking the truth here. Drop all pet agendas and stand together for the only agenda that matters now, Freedom, Liberty, the Rule of Law, real justice, and real opportunity for all. STOP THIS INSANE INVASION OF OUR BELOVED COUNTRY. The sand is all at the bottom of the hourglass.

Trump Loses the Debate

It doesn't matter who's up and who's down, who got views and who didn't. The issue is war and peace and the survival of the Republic. Trump had his chance to save the Republic and he failed. This former friend of Chris Christie took his advice and nominated Christopher Wray to run the FBI. Enough said.

We Have Been Sold a Lemon

Once again, prayer in school is legal. Bible reading is legal. The posting of the 10 Commandments is legal. Abortion is NOT legal. Every Christian statue, every copy of the 10 Commandments taken down from public buildings, should be returned! Christmas can be about Jesus again. Freedom OF religion...not freedom FROM religion.

Affluentza: The Main Mass American Malady

If the above describes yourself and your family, without realizing it you may be suffering from an insufferable, highly contagious American malady – affluentza! This particular virus has gone viral and infected nearly the entire world or at least those who are not in the process of dying of starvation or war.

Dispatches From a Disintegrating Society

The 1950s and 1960s were the heyday of the nuclear family. One breadwinner (usually Dad) could feed a family of four. Families were stable. Divorce was frowned upon, and the divorce rate was relatively low.

Let's Open America's Borders to One and All: Accelerate the Crisis

This column could give you another 100 really sobering if not frightening examples of what we face with “exponential population growth” brought to us by “exponential immigration

growth.” What do another 100 million people added to this country mean in real terms? It means we double the populations of our 35 most populated cities.

Who's Afraid of Bloomberg?

Bloomberg had twelve years as mayor of New York City, running as a Republican (LOL) because the Dems didn't want to make room on their slate for an outsider. By comparison with the Democrats who came after him, Bloomberg is the Father of His Country. Standing alone, he's a bully who wants to ban everything.

Treasonous Governor Arms Illegals By Giving Them Authority To Arrest Americans

Conclusion: Like it or not American,s this is judgment upon this nation. The illegals will be made the head and the Americans will be made the tail if they continuously stand by and watch the corrupt in the halls of government have their lawless ways (Deuteronomy 28:43).

Why Did Many Texas Republicans Betray Their Constituents

In the face of mounting challenges from the left, Texas Republicans must stand united and unwavering in their commitment to conservative values. The impeachment of Ken Paxton, seemingly founded on shaky grounds, threatens to weaken the conservative movement and hinder their ability to effectively oppose the left's policies.

The Next Phase of Obama's "Permanent Revolution"

When Trump supporters in effect endorse Obama's "Permanent Revolution" by smoking pot in front of the cameras, you know the legacy of our first Marxist president has had a lasting impact. It remains to be seen whether Obama's revolution can be stopped in its tracks now that acceptance of mind-altering drugs is affecting Trump supporters who should know better.

The Green Drive to Reorganize

Human Society

To stop them, freedom activists must bring the same passion and determination into fighting for our property, local business, and personal freedoms. We have made vital progress in Iowa, North Dakota and South Dakota. And I know the powerful corporations are worried. More people are starting to see the threat.

The Powers of Congress

I encourage people to ask questions. I believe there are only two “stupid” questions in the world: The one you don’t ask and the one you ask three times. Questions are important. We cannot truly learn unless we ask questions. Several weeks ago I posted the article The Role of Congress.

Can Donald Trump Sue the State of Georgia?

This fourth indictment is like something from an alternative universe. Can’t be real but it is and serious as a heart attack. The law means nothing to rotten, corrupt Democrats in public offices and too many Democrat voters. It is beyond obscene. The American people are seeing this pile-on as purely political.

First 24 GOP “Debate” 8/23/23

But I'll be watching this debate, for entertainment value. Never get in the way of your enemies while they are busy digging their own grave... Nothing is more entertaining than watching traitors dig their own hole!

The Life You Were Born To Live: Finding Your Way, By Choice

Just for a week, I want to leave my series on Travels With Charley II, to give you or members of your family, especially high school kids, a better understanding as to what they want in life and how to discover their life's path. Please send this column to any and all family members who have teenagers. Or, any family members who are floundering or are wondering what to do with their lives.

The Rainbow Flag Conquered

America Right Under the Noses of the Sleeping Churches

The sodomite demon has conquered America, and the dumb, sleeping churches, led by hireling, cowardly “pastors” have let it happen, for the love of popularity and money – the root of all evil. The Rainbow Flag is a symbol of conquest, and it’s everywhere you look now, especially wherever children may be found.

Detecting False Prophets

Some promoted climate scientists, political figures, billionaires, and elite global organizations used computer climate models to make predictions about the direction of the world’s climate. They used mass media outlets around the world to raise the alarm that the use of oil and gas, carbon dioxide, and methane needed to be drastically reduced or eliminated to save the earth from destruction.

Democrats & Their Partners Put Out Welcome Mat for Sex-Traffickers in Oregon

The Democrats and their Planned Parenthood partners have put

out the welcome mat for sex-traffickers in Oregon. Portland is already the number one city for trafficking on the West coast. Gender confusion will get promoted by advancing this formidable precedent for Oregon as a transgender tourist destination.

Want to Save America? Short of Revolt, We Have to Play Hardball!

The powerful truth is that if Patriots make their feelings effectively known to legislators, sue them and ignore their fake laws, it will then become impossible for the Criminal Enterprise masquerading as a legitimate Government to exist.

Open Letter to Texas State Senators

Impeaching Ken Paxton would not only be a disservice to him as an individual but also undermine the will of the people who elected him to serve as Attorney General. The consequences of such an action would extend far beyond his tenure, sending a message that party politics and personal agendas take precedence over the principles and ideals we hold dear.

Great Reset Menu: GMO Food, Bugs and Solar Panels

The OBiden administration with the help of the RINOs is subsidizing energy companies guaranteeing them a 10% profit while hamstringing them with regulations and insane permitting so they are forced to turn to inefficient, ineffective expensive renewables.

USA Death by Sheep

WE THE SHEEP are the real problem. Sheep are incapable of self-governance, freedom, and liberty. They must be governed by others. So it is, and so it shall be... Face it, if you are the type of person to go-along-to-get-along no matter the consequences, YOU ARE A SHEEP! If you are counting on anyone but yourself to save your country, YOU ARE A SHEEP!

The New Tower of Babel

And we're paying for it! That's the most unkindest cut of all. A college education, which befuddles those who receive it, costs a fortune. Graduates are saddled with a mountain of debt—and what do they have to show for it? A degree in Multi-

Travels With Charley II: American Cities Too Large, Too Sick, Too Unmanageable

India has already sealed its horrible present and worsening future. I've seen their mess firsthand. China, oh my God, what a 1.4 billion people mess they created. They can't breathe their air. Their rivers are sewers flowing into the ocean. They cannot feed their masses...that's why they are buying up the rest of the world for food.

Biden On the Beach, Trump in the Dock, Conservatives Out to Lunch

Let's start talking about the obvious solution, which is a Republican House of Representatives that defunds Jack Smith and the United Nations. This is the only power available to Speaker Kevin McCarthy.

Language Is Everything When There Are Official Narratives to Defend

What provoked it were numerous actions of the U.S./NATO axis as the latter crept eastward towards Russian territory since the collapse of the Soviet Union, despite pledges not to. The most recent major event was the 2014 coup in Kyiv, orchestrated by neocons such as Victoria Nuland and the CIA, replacing a Russia-friendly government with a Russia-hostile one.

The CIA-Controlled Mockingbird Media Is At It Again

What's worse is they have not come to the realization that the few options that are given to them by the Mockingbird media and their useful idiots are only those that are already a part of the establishment of which they complain.

Don't be an Ostrich Hiding

From Reality! It Can be Dangerous

The bottom line is to get involved, locally, where you can spend your precious time the most effectively. Regardless of political affiliation – today, it's either the "Constitution" or "Communism" because old party labels are dead and gone, and only serve to confuse – 99% of everybody really wants to live in freedom. Start there with those who might be stuck on those old labels, and their upstairs light may well turn on.

Gift of Freedom on Independence Day

We need to remember, this is only a preliminary injunction. While it will remain in effect until the case is decided, or the injunction is overturned by a higher court, there is still a long way to go before justice can be served. That said, this injunction, not to mention the details within, gives me hope that our judicial system isn't completely corrupt.

Think Democrat Machine Isn't Planning on Rigging the

Primaries & Election?

Religion, just like race, should not be a factor in electing someone to office. Allegedly 46% of CINO's (Catholics in name only) voted for Hillary Clinton in 2016 and 47% for dirty old man, Biden, in 2020. Presidential candidate Vivek Ramaswamy (net worth \$630 million) is a Hindu, same as Tulsi Gabbard. Vivek is working hard for the Evangelical vote by stating he's not a Christian but does believe in the "one god". Which one would that be?

Travels With Charley II: In Search of America's Future

Ironically, the Barbie Movie proves conclusively that Americans must tolerate more gender insanities, more "wokeness", more "transgender" senselessness, more racial conflict, more political absurdities and more of the people who are driving this country into the toilet.

The Wrath of God is At Our Door

Jesus spent 40 days speaking about the kingdom; not the cross, not the resurrection, and not His suffering. Those were not His message; His message was the kingdom and it should be ours

also! The cross, death, burial, and resurrections were very important but were a means to an end and is not the main message of Jesus.

The Fallacy of “Live and Let Live”

Now that we have laid the foundation on the “Christian’s” need to purge her/himself and the duty to live righteously, we can move forward in our duty to demand, with authority in Christ, that our nation’s laws uphold God’s moral standards in all spheres of life!

America: A Society in Crisis

But, today, we style ourselves as having reached Kantian (enlightened) maturity, no longer (completely) accepting such methods, if only because we think those methods are inhumane. Furthermore, our (U.S.) system of government not only permits disagreement, it has come to encourage it. It has created a (tacitly legal, at least) second category of citizen disagreeers who are not considered criminals.

Lazy Wimps & Freeloaders Want A Free Ride From Patriots

Common law is based upon the bible and precedents which are in turn God's Laws in the Bible. Communists detest religion as do their many acolytes in the inner-city plantations. Without exposure to God's Laws they don't know the Common law or right from wrong, or don't give a damn. This is why many people are writing off this generation of young people under Communist control.

The U.N. Lawyer Prosecuting Trump

As the "lawfare" against Trump proceeds, we can anticipate an International Criminal Tribunal targeting the United States, focusing on President Trump or any Republican president. One charge could be "contempt" of international law over the ICC, followed by charges of "racial terrorism" against America itself. Defunding the office of Special Counsel Jack Smith is one easy way for the House Republicans to stop these schemes.

Early Voting is Destroying

Our Nation

Most of the “ballot harvesting” happens in the larger cities because it is so much easier to fake names, addresses, and signatures. Some states allow up to 30 Days early voting with very little verification of the voter’s identification with ballots dropped in stand-alone boxes throughout the city.

Disney’s Debacle

What fascinates me the most is the way Disney Corp just keeps churning out box-office bombs, one after another. It’s as if they really don’t care if they lose money. Counting the latest fiasco, “The Haunted Mansion”—a movie based on a Disney theme park ride, for pete’s sake—they’ve had ten losers in a row, totaling not quite a billion dollars.

Learn How To Dribble A Football: Life Calls You

Can you dribble a basketball? Yes, very easy for just about every kid and adult in America! Can you dribble a football? Some things may be more challenging than others, so pick your opportunities. Start easy and work your way up.

Science, Agriculture, City Planning, and Global Control

Yet, some of the world's largest producers of meat signed on to this commitment – US, Brazil, Argentina, and Australia. Why? The National Cattlemen's Beef Association (NCBA), the organization many in the beef industry trusted to represent them, climbed into bed with the World Wildlife Fund, a UN non-government organization (NGO), a leader of UN Environmental Program (UNEP).

Capitol Building Quotes: Put This Up Against What You See Within The Halls of Government Today

How do those incumbents explain what it is that they have been responsible for illegally imposing on the people of the state of Minnesota in the face of what is graven on the walls of the Capitol? Take a look for yourselves.

Speak Out and Your Career is Over

What a sad difference in the movies today. I hardly watch anymore. Movies are packed with lies in order to change the culture. Lies have become so normalized that telling the truth becomes a punishable offence. The lies have a message of wokeness which means eventually I will be called a racist, domestic terrorist or someone trying to destroy the planet.

Bidenomics: Selling Bull Manure

But, that's only part of what's killing the economy. The cauldron has been boiling for years and it IS going to blow up. I want Americans to be warned so they aren't bulldozed like 2008 because this time it will make 2008 look like prosperity. My recent column, Can Banks Dump the Fed? has important information.

MAGA: Trump's Vision For America

In this article, it is, therefore, my striving to delve into the policies and actions taken by the Trump administration

that aimed to fulfill its commitment to “Make America Great Again.” Trump’s presidency marked a significant shift in American politics from tackling corruption and preserving American values to safeguarding electoral integrity and confronting global adversaries.

Cloud Talk—Sitting On a Cloud After You Passed Away

Did you accept the call while you spent your seven decades on planet Earth? Did you break out of a confining life or relationships? Like Noah’s struggle with the flood, ultimately, waters cleanse your body, mind and spirit during the journey.

A Thorn by Any Other Name is Still POISON!

Now that the masses have been conditioned to want what seems best for the immediate without regard to the long-term consequences, how can they even understand the price of Liberty? There is still hope. It requires a Third Great Awakening. It would mean massive repentance and a return to acceptance of the Principles of Liberty. Otherwise, beware of what you want.

Build Back Better

Meanwhile, banks are failing, businesses are shutting down, joblessness is rampant, the homeless population has exploded nationwide with people living on the streets or in “tent cities.” The US dollar is collapsing. Violent crime is rising, even in small towns. Cities have become no-go zones, with their streets littered with human feces and drug needles. This is where we’re at, folks.

Prevention is the Cure

“Prevention is the cure; keep the pressure from getting under your skin by remaining calm at the point of stress.”

AI Apotheosis

We do not need a “new Bible” written by AI and the counterfeit spirituality that it offers. The actual Bible is composed of 66 books by 40 different writers over approximately 1,500 years. One consistent theme, God’s plan to rescue human beings from the devastating results of Adam’s fall through His Son Jesus Christ, runs all the way through these books.

How to Spot A BS Artist

A couple of weeks back, a commencement speech at Northwestern University by Illinois governor J.B. Pritzker went viral. Pritzker is a Democrat, of course. No one in his right mind thinks a Republican would be invited to speak at such an event. Well, on second thought, a RINO like Liz Cheney might be. Few others would.

The Constitution and the Criminal Enterprise

Invaders speak no English, have no education or skills and only bring disease, dependence and crime. The cost to deport the invaders will be high, but less than allowing them to remain. Otherwise, we will end up like France and most of Europe. If invaders remain until the widely-predicted Great Depression, there will be blood in the streets and fighting over food.

The Real Agenda Behind Red-

Flag Laws: Confiscations and Gun Controls

Former US Secretary of State John Kerry wants to destroy the farming industry because “Agriculture contributes about 33% of all the emissions of the world. And we can’t get to net zero—we don’t get this job done—unless agriculture is front and center as part of the solution.”

The Role of the Federal Courts

The role of the courts is that of an umpire, making decision based on the law using the facts presented to them. Today, we have elevated their decisions beyond law into rulings, as if they were kings and queens on high. It would be one thing if their decisions were based in the law rather than the rantings of their predecessors.

Wayne Richard: Champion For Conservatism Takes a Stand for Collin County, Texas

Attorney General Ken Paxton’s figure in Texas politics shines brightly as a beacon of service and honor. His solid

commitment to the state and its people has left an indelible mark, earning him the respect and admiration of countless Texans—those who dare to go against such an esteemed figure risk the unyielding judgment of the electorate.

Survey Results ‘Shock’ The State Of Oregon

Out of 349 students surveyed, 50 submitted “mocking responses” that astonished the surveyors. Oh, the humanity... Students “identified” as attack helicopters, called the questions “stupid” and “pointless” (which they were), and generally displayed a deplorable lack of reverence toward the idol, LGBTQetc. “Slurs” and “hate speech” galore.

Creating Solitude for Your Spiritual Bliss

In my own hiking times through the woods in acceptance of solitude, I feel the “sweet spot” of temperature playing upon my skin. I feel the essence of light shining through my eyes. I accept my quiet essence pulsing into the energies of life. Once I reconnect with every blood cell charging through my body, I churn with delight.

Choice: A Euphemism for Slavery

A Euphemism is a nice word that stands in place of a less-appealing or desirable word. Choice seems to be irresistible. Who doesn't want more choice? Sometimes we have to be willing to consider the only choices presented are 50 shades of tyranny. Liberty is not on the menu and hopefully you won't have the presence of mind to notice.

It Cost the Lord Everything

Think of this, when we were dead in our trespasses and sins, God sent His Son, Jesus Christ, to die on the cross for us. We were hopeless without Him. Yet, He then sent His Son Jesus to intervene on our behalf, that is to those who receive Him, so that life becomes "no longer I that lives but Christ that lives through me".

Zero Hunger (SDG 2) Means Starvation for All?!

We must DEMAND those participating in these unAmerican

parameters that Constitutional violations will not be ignored by We the People! To continue down this corrupt path is equivalent to that of treason. Why? Collusion with the foreign enemy, the United Nations!

A Declaration on God and Freedom

When humans are enslaved or dominated by others, darkness spreads from heart to heart. Yet nothing—nothing at all—can extinguish the light of God that dwells in every human. It is the permanence of the presence of God that offers humanity real and substantial hope in a world that would otherwise descend into tyranny and hell.

UFO Second-Hand Hearing: Another Distraction?

I've been to Roswell, NM; made a relax time stop during one of my many road trips. Visited the Roswell UFO Museum and Research Center out of curiosity as I am, by nature, a curious person. Really nice people, true believers. I learned nothing new at the museum nor did it change my mind.

Compounding Errors in Favor of Religious Liberty

Our judicial system today works like a bad case of the game “telephone”. You probably remember that game from grammar school. The teacher would whisper something into one child’s ear, who would then whisper it into the next child’s ear, and on and on until the message got all the way around the room.

Live Life On Your Own Terms

Exercise daily to blow off excess energy in the body to release your mind to express itself. Eat healthy foods to maintain a lean frame. That, in turn, allows you emotional balance that originates with your relationship with friends, families and co-workers. For your mental well-being, read books, take classes and express yourself through journaling, painting, sculpting or other art forms.

1972 & The Club of Rome; the Beginning of the Climate Change Agenda

Some fifty years ago now, in 1972 a number of compulsive do-gooders of the financial / intellectual elite met in a

gathering of their self styled “The Club of Rome.” This was an annual event, a pre-cursor to today’s Davos Switzerland meetings of the word’s elite.

Religion? Jesus Is the Only Way; Not Religion!

When people who are in these institutional churches in America under these false pastors and have shut down their belief systems and have a demonic stronghold, they will in the last days when the antichrist speaks, their corrupted belief system will link up with the ideas of the antichrist and in their deception, they will take the mark of the beast.

Count It All Joy

I pray that God’s will is done on earth as it is in heaven. He accomplishes His will through people – but the souls of His children must be tested, our characters cleansed and it’s through hardship and persecution that we grow closer to Him in sanctification.

Another Look at ERIC: What Ever happened to Becker's Bad Boy?

ERIC was designed by an avowed "conservative hater" named David Becker, in 2012, after Obama had lost both houses of Congress in the 2010 midterm. It had long been the goal of the feds to control our elections, and they thought they had been closing in, with the 1993 "motor voter act", and the 2001 National Voter Registration Act.

Prism of America's Education

Globalists only care about MONEY, POWER and CONTROL. Don't give them yours. Boycotts work. Stop using their services and products. Vote the RINO'S out. Vote with your fingers and with your wallet. There is a lot you can do. Doing nothing is complying.

Could Globalists Fake an Alien Invasion?

Nevertheless, the restlessness continues. The "plandemic" has receded, and people are asking questions. MAGA Republicans, meanwhile, are unimpressed by the allegations against Trump,

which they consider the work of a politicized Justice Department driven by abject terror of a second Trump presidency.

Scaring the Myth right out of you

The Global Elite are going to use this tool, scaremongering, to the max now that they have seen how effective it is and how many people had been dumbed-down enough in our educational system to make them easy targets. Scare the 'you-know-what' out of them and they will do anything; anything except stand up and fight back. The ideal communist citizens.

Iran's Intentional Destruction of Cultural Heritage

The intentional destruction of cultural heritage is a global issue that has persisted throughout history. Iran's regime, like ISIS and the Taliban, has contributed to this destruction by deliberately targeting historical antiquities. The severe impacts of such actions on communities, particularly minority groups, cannot be overstated.

Lions and Tigers and Bears, Oh My!

Republicans will not save this nation. Democrats will not save us either. As long as we are content with telling and teaching lies, we will never escape out of “the snare of the Devil” Here is the good news. Millions are awakening every day.

Chicoms to Rewrite the Bible

The Chinese Communist Party has a ten-year-plan to completely rewrite the Bible. We are unable to confirm or refute reports that “devout Catholics” Joe Biden and Nancy Pelosi have already signed up to receive their copies.

The Voluptuousness of Living

You face multiple challenges in your life. Thank goodness for that opportunity. Utopian worlds only exist in novels by the likes of Aldous Huxley in Brave New World. If you recall that brilliant story, a couple enjoyed unlimited physical and emotional perfection. They worked faultless jobs for their intellectual inclinations. Did they love it?

IRS Whistleblower Hearings: Scabs on Full Display

The campfire is becoming a bon fire and the next week or so will be quite telling. Nixon fell on his sword proclaiming his purity to the end. Joe Biden has no connection with reality and you can be sure, the puppet masters are busy plotting right now how to remove him that will cause the least hurt to their agenda.

Wretched Way Out Weirdness and A Woke Color Agenda

Generally speaking, much of the unhappiness, dysfunction, retarded development and discontent is the result of forcibly mixing groups in carefully created toxic situations. There is nothing wrong with small amounts of such “mixing” when the conditions allow but what is happening here is neither benign nor accidental. It is an intentional strategy to bring about the breakdown of the social order.

A Lesson From Tbilisi As How To Stop The Criminal Sodomite Agenda

In Tbilisi Georgia (Georgia is a country in the Caucasus region, on the coast of the Black Sea. Sometimes considered a transcontinental country, it is located at the intersection of Eastern Europe and Western Asia, and is today generally regarded as part of Europe), the Orthodox Church rose up in opposition by protesting these sodomites.

Vaccines, SV40 and the Cancer Epidemic

There is abundant evidence of a variety of simian viruses found in the human blood supply. The DNA from SV-40 is repeatedly extracted from several types of tumors. Former virologist, John Martin, M.D., Ph.D., said, "SV-40 infection is now widespread within the human population almost certainly as a result of the polio vaccine." This vaccine was given to millions of American and European children.

Critical Theory: Sowing

Hatred and Division in the Name of Unity

The apostles were told to stop speaking in politically incorrect, unapproved, and disruptive ways. They answered that they feared God rather than man and faced the human consequences. Where are the people today who allow God to govern their thoughts and are willing to call evil evil and good good? Where are the preachers who still believe God's Word defines good and evil?

Racism, By Any Other Name, is Just as Perverse

Racism, both systemic and societal, has been a problem in this country for centuries. In many ways it was societal racism, the general belief in the inferiority of certain races, that led to many of the racist laws or systemic racism. To me, this leads to a Catch-22. How do you get rid of one without getting rid of the other? While we have gotten rid of many of the racist laws in our country, racist ideas are still around, and they have led to other racist laws.

Can Banks Dump the Fed?

Changing banks is always a hassle – especially if your mortgage and vehicle payment is auto deduct like mine. But, I would never have any account at JP Morgan Chase, B of A, Wells Fargo or any of those big names who think nothing of canceling out someone's account for purely political bias. Not to mention globalists at the highest levels who really don't give a damn about you.
