

The Life You Were Born To Live: Finding Your Way, By Choice

Just for a week, I want to leave my series on Travels With Charley II, to give you or members of your family, especially high school kids, a better understanding as to what they want in life and how to discover their life's path. Please send this column to any and all family members who have teenagers. Or, any family members who are floundering or are wondering what to do with their lives.

The Rainbow Flag Conquered America Right Under the Noses of the Sleeping Churches

The sodomite demon has conquered America, and the dumb, sleeping churches, led by hireling, cowardly "pastors" have let it happen, for the love of popularity and money – the root of all evil. The Rainbow Flag is a symbol of conquest, and it's everywhere you look now, especially wherever children may be found.

Detecting False Prophets

Some promoted climate scientists, political figures, billionaires, and elite global organizations used computer climate models to make predictions about the direction of the world's climate. They used mass media outlets around the world to raise the alarm that the use of oil and gas, carbon dioxide, and methane needed to be drastically reduced or eliminated to save the earth from destruction.

Democrats & Their Partners Put Out Welcome Mat for Sex-Traffickers in Oregon

The Democrats and their Planned Parenthood partners have put out the welcome mat for sex-traffickers in Oregon. Portland is already the number one city for trafficking on the West coast. Gender confusion will get promoted by advancing this formidable precedent for Oregon as a transgender tourist destination.

Want to Save America? Short of Revolt, We Have to Play

Hardball!

The powerful truth is that if Patriots make their feelings effectively known to legislators, sue them and ignore their fake laws, it will then become impossible for the Criminal Enterprise masquerading as a legitimate Government to exist.

Open Letter to Texas State Senators

Impeaching Ken Paxton would not only be a disservice to him as an individual but also undermine the will of the people who elected him to serve as Attorney General. The consequences of such an action would extend far beyond his tenure, sending a message that party politics and personal agendas take precedence over the principles and ideals we hold dear.

Great Reset Menu: GMO Food, Bugs and Solar Panels

The OBiden administration with the help of the RINOs is subsidizing energy companies guaranteeing them a 10% profit while hamstringing them with regulations and insane permitting so they are forced to turn to inefficient, ineffective expensive renewables.

USA Death by Sheep

WE THE SHEEP are the real problem. Sheep are incapable of self-governance, freedom, and liberty. They must be governed by others. So it is, and so it shall be... Face it, if you are the type of person to go-along-to-get-along no matter the consequences, YOU ARE A SHEEP! If you are counting on anyone but yourself to save your country, YOU ARE A SHEEP!

The New Tower of Babel

And we're paying for it! That's the most unkindest cut of all. A college education, which befuddles those who receive it, costs a fortune. Graduates are saddled with a mountain of debt—and what do they have to show for it? A degree in Multi-
intersectional Gender Studies?

Travels With Charley II: American Cities Too Large, Too Sick, Too Unmanageable

India has already sealed its horrible present and worsening future. I've seen their mess firsthand. China, oh my God,

what a 1.4 billion people mess they created. They can't breathe their air. Their rivers are sewers flowing into the ocean. They cannot feed their masses...that's why they are buying up the rest of the world for food.

Biden On the Beach, Trump in the Dock, Conservatives Out to Lunch

Let's start talking about the obvious solution, which is a Republican House of Representatives that defunds Jack Smith and the United Nations. This is the only power available to Speaker Kevin McCarthy.

Language Is Everything When There Are Official Narratives to Defend

What provoked it were numerous actions of the U.S./NATO axis as the latter crept eastward towards Russian territory since the collapse of the Soviet Union, despite pledges not to. The most recent major event was the 2014 coup in Kyiv, orchestrated by neocons such as Victoria Nuland and the CIA, replacing a Russia-friendly government with a Russia-hostile one.

The CIA-Controlled Mockingbird Media Is At It Again

What's worse is they have not come to the realization that the few options that are given to them by the Mockingbird media and their useful idiots are only those that are already a part of the establishment of which they complain.

Don't be an Ostrich Hiding From Reality! It Can be Dangerous

The bottom line is to get involved, locally, where you can spend your precious time the most effectively. Regardless of political affiliation – today, it's either the "Constitution" or "Communism" because old party labels are dead and gone, and only serve to confuse – 99% of everybody really wants to live in freedom. Start there with those who might be stuck on those old labels, and their upstairs light may well turn on.

Gift of Freedom on Independence Day

We need to remember, this is only a preliminary injunction. While it will remain in effect until the case is decided, or the injunction is overturned by a higher court, there is still a long way to go before justice can be served. That said, this injunction, not to mention the details within, gives me hope that our judicial system isn't completely corrupt.

Think Democrat Machine Isn't Planning on Rigging the Primaries & Election?

Religion, just like race, should not be a factor in electing someone to office. Allegedly 46% of CINO's (Catholics in name only) voted for Hillary Clinton in 2016 and 47% for dirty old man, Biden, in 2020. Presidential candidate Vivek Ramaswamy (net worth \$630 million) is a Hindu, same as Tulsi Gabbard. Vivek is working hard for the Evangelical vote by stating he's not a Christian but does believe in the "one god". Which one would that be?

Travels With Charley II: In Search of America's Future

Ironically, the Barbie Movie proves conclusively that Americans must tolerate more gender insanities, more "wokeness", more "transgender" senselessness, more racial conflict, more political absurdities and more of the people who are driving this country into the toilet.

The Wrath of God is At Our Door

Jesus spent 40 days speaking about the kingdom; not the cross, not the resurrection, and not His suffering. Those were not His message; His message was the kingdom and it should be ours also! The cross, death, burial, and resurrections were very important but were a means to an end and is not the main message of Jesus.

The Fallacy of "Live and Let Live"

Now that we have laid the foundation on the "Christian's" need to purge her/himself and the duty to live righteously, we can move forward in our duty to demand, with authority in Christ,

that our nation's laws uphold God's moral standards in all spheres of life!

America: A Society in Crisis

But, today, we style ourselves as having reached Kantian (enlightened) maturity, no longer (completely) accepting such methods, if only because we think those methods are inhumane. Furthermore, our (U.S.) system of government not only permits disagreement, it has come to encourage it. It has created a (tacitly legal, at least) second category of citizen disagreeers who are not considered criminals.

Lazy Wimps & Freeloaders Want A Free Ride From Patriots

Common law is based upon the bible and precedents which are in turn God's Laws in the Bible. Communists detest religion as do their many acolytes in the inner-city plantations. Without exposure to God's Laws they don't know the Common law or right from wrong, or don't give a damn. This is why many people are writing off this generation of young people under Communist control.

The U.N. Lawyer Prosecuting Trump

As the “lawfare” against Trump proceeds, we can anticipate an International Criminal Tribunal targeting the United States, focusing on President Trump or any Republican president. One charge could be “contempt” of international law over the ICC, followed by charges of “racial terrorism” against America itself. Defunding the office of Special Counsel Jack Smith is one easy way for the House Republicans to stop these schemes.

Early Voting is Destroying Our Nation

Most of the “ballot harvesting” happens in the larger cities because it is so much easier to fake names, addresses, and signatures. Some states allow up to 30 Days early voting with very little verification of the voter’s identification with ballots dropped in stand-alone boxes throughout the city.

Disney’s Debacle

What fascinates me the most is the way Disney Corp just keeps churning out box-office bombs, one after another. It’s as if they really don’t care if they lose money. Counting the latest fiasco, “The Haunted Mansion”—a movie based on a Disney theme

park ride, for pete's sake—they've had ten losers in a row, totaling not quite a billion dollars.

Learn How To Dribble A Football: Life Calls You

Can you dribble a basketball? Yes, very easy for just about every kid and adult in America! Can you dribble a football? Some things may be more challenging than others, so pick your opportunities. Start easy and work your way up.

Science, Agriculture, City Planning, and Global Control

Yet, some of the world's largest producers of meat signed on to this commitment – US, Brazil, Argentina, and Australia. Why? The National Cattlemen's Beef Association (NCBA), the organization many in the beef industry trusted to represent them, climbed into bed with the World Wildlife Fund, a UN non-government organization (NGO), a leader of UN Environmental Program (UNEP).

Capitol Building Quotes: Put This Up Against What You See Within The Halls of Government Today

How do those incumbents explain what it is that they have been responsible for illegally imposing on the people of the state of Minnesota in the face of what is graven on the walls of the Capitol? Take a look for yourselves.

Speak Out and Your Career is Over

What a sad difference in the movies today. I hardly watch anymore. Movies are packed with lies in order to change the culture. Lies have become so normalized that telling the truth becomes a punishable offence. The lies have a message of wokeness which means eventually I will be called a racist, domestic terrorist or someone trying to destroy the planet.

Bidenomics: Selling Bull

Manure

But, that's only part of what's killing the economy. The cauldron has been boiling for years and it IS going to blow up. I want Americans to be warned so they aren't bulldozed like 2008 because this time it will make 2008 look like prosperity. My recent column, Can Banks Dump the Fed? has important information.

MAGA: Trump's Vision For America

In this article, it is, therefore, my striving to delve into the policies and actions taken by the Trump administration that aimed to fulfill its commitment to "Make America Great Again." Trump's presidency marked a significant shift in American politics from tackling corruption and preserving American values to safeguarding electoral integrity and confronting global adversaries.

Cloud Talk—Sitting On a Cloud After You Passed Away

Did you accept the call while you spent your seven decades on planet Earth? Did you break out of a confining life or relationships? Like Noah's struggle with the flood,

ultimately, waters cleanse your body, mind and spirit during the journey.

A Thorn by Any Other Name is Still POISON!

Now that the masses have been conditioned to want what seems best for the immediate without regard to the long-term consequences, how can they even understand the price of Liberty? There is still hope. It requires a Third Great Awakening. It would mean massive repentance and a return to acceptance of the Principles of Liberty. Otherwise, beware of what you want.

Build Back Better

Meanwhile, banks are failing, businesses are shutting down, joblessness is rampant, the homeless population has exploded nationwide with people living on the streets or in “tent cities.” The US dollar is collapsing. Violent crime is rising, even in small towns. Cities have become no-go zones, with their streets littered with human feces and drug needles. This is where we’re at, folks.

Prevention is the Cure

“Prevention is the cure; keep the pressure from getting under your skin by remaining calm at the point of stress.”

AI Apotheosis

We do not need a “new Bible” written by AI and the counterfeit spirituality that it offers. The actual Bible is composed of 66 books by 40 different writers over approximately 1,500 years. One consistent theme, God’s plan to rescue human beings from the devastating results of Adam’s fall through His Son Jesus Christ, runs all the way through these books.

How to Spot A BS Artist

A couple of weeks back, a commencement speech at Northwestern University by Illinois governor J.B. Pritzker went viral. Pritzker is a Democrat, of course. No one in his right mind thinks a Republican would be invited to speak at such an event. Well, on second thought, a RINO like Liz Cheney might be. Few others would.

The Constitution and the Criminal Enterprise

Invaders speak no English, have no education or skills and only bring disease, dependence and crime. The cost to deport the invaders will be high, but less than allowing them to remain. Otherwise, we will end up like France and most of Europe. If invaders remain until the widely-predicted Great Depression, there will be blood in the streets and fighting over food.

The Real Agenda Behind Red-Flag Laws: Confiscations and Gun Controls

Former US Secretary of State John Kerry wants to destroy the farming industry because “Agriculture contributes about 33% of all the emissions of the world. And we can’t get to net zero—we don’t get this job done—unless agriculture is front and center as part of the solution.”

The Role of the Federal

Courts

The role of the courts is that of an umpire, making decision based on the law using the facts presented to them. Today, we have elevated their decisions beyond law into rulings, as if they were kings and queens on high. It would be one thing if their decisions were based in the law rather than the rantings of their predecessors.

Wayne Richard: Champion For Conservatism Takes a Stand for Collin County, Texas

Attorney General Ken Paxton's figure in Texas politics shines brightly as a beacon of service and honor. His solid commitment to the state and its people has left an indelible mark, earning him the respect and admiration of countless Texans—those who dare to go against such an esteemed figure risk the unyielding judgment of the electorate.

Survey Results 'Shock' The State Of Oregon

Out of 349 students surveyed, 50 submitted "mocking responses" that astonished the surveyors. Oh, the humanity... Students

“identified” as attack helicopters, called the questions “stupid” and “pointless” (which they were), and generally displayed a deplorable lack of reverence toward the idol, LGBTQetc. “Slurs” and “hate speech” galore.

Creating Solitude for Your Spiritual Bliss

In my own hiking times through the woods in acceptance of solitude, I feel the “sweet spot” of temperature playing upon my skin. I feel the essence of light shining through my eyes. I accept my quiet essence pulsing into the energies of life. Once I reconnect with every blood cell charging through my body, I churn with delight.

Choice: A Euphemism for Slavery

A Euphemism is a nice word that stands in place of a less-appealing or desirable word. Choice seems to be irresistible. Who doesn't want more choice? Sometimes we have to be willing to consider the only choices presented are 50 shades of tyranny. Liberty is not on the menu and hopefully you won't have the presence of mind to notice.

It Cost the Lord Everything

Think of this, when we were dead in our trespasses and sins, God sent His Son, Jesus Christ, to die on the cross for us. We were hopeless without Him. Yet, He then sent His Son Jesus to intervene on our behalf, that is to those who receive Him, so that life becomes “no longer I that lives but Christ that lives through me”.

Zero Hunger (SDG 2) Means Starvation for All?!

We must DEMAND those participating in these unAmerican parameters that Constitutional violations will not be ignored by We the People! To continue down this corrupt path is equivalent to that of treason. Why? Collusion with the foreign enemy, the United Nations!

A Declaration on God and Freedom

When humans are enslaved or dominated by others, darkness spreads from heart to heart. Yet nothing—nothing at all—can

extinguish the light of God that dwells in every human. It is the permanence of the presence of God that offers humanity real and substantial hope in a world that would otherwise descend into tyranny and hell.

UFO Second-Hand Hearing: Another Distraction?

I've been to Roswell, NM; made a relax time stop during one of my many road trips. Visited the Roswell UFO Museum and Research Center out of curiosity as I am, by nature, a curious person. Really nice people, true believers. I learned nothing new at the museum nor did it change my mind.

Compounding Errors in Favor of Religious Liberty

Our judicial system today works like a bad case of the game "telephone". You probably remember that game from grammar school. The teacher would whisper something into one child's ear, who would then whisper it into the next child's ear, and on and on until the message got all the way around the room.

Live Life On Your Own Terms

Exercise daily to blow off excess energy in the body to release your mind to express itself. Eat healthy foods to maintain a lean frame. That, in turn, allows you emotional balance that originates with your relationship with friends, families and co-workers. For your mental well-being, read books, take classes and express yourself through journaling, painting, sculpting or other art forms.

1972 & The Club of Rome; the Beginning of the Climate Change Agenda

Some fifty years ago now, in 1972 a number of compulsive do-gooders of the financial / intellectual elite met in a gathering of their self styled "The Club of Rome." This was an annual event, a pre-cursor to today's Davos Switzerland meetings of the word's elite.

Religion? Jesus Is the Only Way; Not Religion!

When people who are in these institutional churches in America under these false pastors and have shut down their belief

systems and have a demonic stronghold, they will in the last days when the antichrist speaks, their corrupted belief system will link up with the ideas of the antichrist and in their deception, they will take the mark of the beast.

Count It All Joy

I pray that God's will is done on earth as it is in heaven. He accomplishes His will through people – but the souls of His children must be tested, our characters cleansed and it's through hardship and persecution that we grow closer to Him in sanctification.

Another Look at ERIC: What Ever happened to Becker's Bad Boy?

ERIC was designed by an avowed "conservative hater" named David Becker, in 2012, after Obama had lost both houses of Congress in the 2010 midterm. It had long been the goal of the feds to control our elections, and they thought they had been closing in, with the 1993 "motor voter act", and the 2001 National Voter Registration Act.

Prism of America's Education

Globalists only care about MONEY, POWER and CONTROL. Don't give them yours. Boycotts work. Stop using their services and products. Vote the RINO'S out. Vote with your fingers and with your wallet. There is a lot you can do. Doing nothing is complying.

Could Globalists Fake an Alien Invasion?

Nevertheless, the restlessness continues. The "plandemic" has receded, and people are asking questions. MAGA Republicans, meanwhile, are unimpressed by the allegations against Trump, which they consider the work of a politicized Justice Department driven by abject terror of a second Trump presidency.

Scaring the Myth right out of you

The Global Elite are going to use this tool, scaremongering, to the max now that they have seen how effective it is and how many people had been dumbed-down enough in our educational system to make them easy targets. Scare the 'you-know-what' out of them and they will do anything; anything except stand

up and fight back. The ideal communist citizens.

Iran's Intentional Destruction of Cultural Heritage

The intentional destruction of cultural heritage is a global issue that has persisted throughout history. Iran's regime, like ISIS and the Taliban, has contributed to this destruction by deliberately targeting historical antiquities. The severe impacts of such actions on communities, particularly minority groups, cannot be overstated.

Lions and Tigers and Bears, Oh My!

Republicans will not save this nation. Democrats will not save us either. As long as we are content with telling and teaching lies, we will never escape out of "the snare of the Devil" Here is the good news. Millions are awakening every day.

Chicoms to Rewrite the Bible

The Chinese Communist Party has a ten-year-plan to completely rewrite the Bible. We are unable to confirm or refute reports that “devout Catholics” Joe Biden and Nancy Pelosi have already signed up to receive their copies.

The Voluptuousness of Living

You face multiple challenges in your life. Thank goodness for that opportunity. Utopian worlds only exist in novels by the likes of Aldous Huxley in Brave New World. If you recall that brilliant story, a couple enjoyed unlimited physical and emotional perfection. They worked faultless jobs for their intellectual inclinations. Did they love it?

IRS Whistleblower Hearings: Scabs on Full Display

The campfire is becoming a bon fire and the next week or so will be quite telling. Nixon fell on his sword proclaiming his purity to the end. Joe Biden has no connection with reality and you can be sure, the puppet masters are busy plotting right now how to remove him that will cause the least hurt to their agenda.

Wretched Way Out Weirdness and A Woke Color Agenda

Generally speaking, much of the unhappiness, dysfunction, retarded development and discontent is the result of forcibly mixing groups in carefully created toxic situations. There is nothing wrong with small amounts of such “mixing” when the conditions allow but what is happening here is neither benign nor accidental. It is an intentional strategy to bring about the breakdown of the social order.

A Lesson From Tbilisi As How To Stop The Criminal Sodomite Agenda

In Tbilisi Georgia (Georgia is a country in the Caucasus region, on the coast of the Black Sea. Sometimes considered a transcontinental country, it is located at the intersection of Eastern Europe and Western Asia, and is today generally regarded as part of Europe), the Orthodox Church rose up in opposition by protesting these sodomites.

Vaccines, SV40 and the Cancer Epidemic

There is abundant evidence of a variety of simian viruses found in the human blood supply. The DNA from SV-40 is repeatedly extracted from several types of tumors. Former virologist, John Martin, M.D., Ph.D., said, "SV-40 infection is now widespread within the human population almost certainly as a result of the polio vaccine." This vaccine was given to millions of American and European children.

Critical Theory: Sowing Hatred and Division in the Name of Unity

The apostles were told to stop speaking in politically incorrect, unapproved, and disruptive ways. They answered that they feared God rather than man and faced the human consequences. Where are the people today who allow God to govern their thoughts and are willing to call evil evil and good good? Where are the preachers who still believe God's Word defines good and evil?

Racism, By Any Other Name, is Just as Perverse

Racism, both systemic and societal, has been a problem in this country for centuries. In many ways it was societal racism, the general belief in the inferiority of certain races, that led to many of the racist laws or systemic racism. To me, this leads to a Catch-22. How do you get rid of one without getting rid of the other? While we have gotten rid of many of the racist laws in our country, racist ideas are still around, and they have led to other racist laws.

Can Banks Dump the Fed?

Changing banks is always a hassle – especially if your mortgage and vehicle payment is auto deduct like mine. But, I would never have any account at JP Morgan Chase, B of A, Wells Fargo or any of those big names who think nothing of canceling out someone's account for purely political bias. Not to mention globalists at the highest levels who really don't give a damn about you.

The Ongoing Iranian

Revolution

The brave Iranian women and men are not stopping, nor will they soon. They are taking to the streets to cut their hair and burn their hijabs, indicating to the Islamic government that they will no longer stand for this totalitarian regime—time for the mullahs to pack up and leave. It is not a matter of if but when this regime falls.

Ascending The Spiraling Staircase of Your Life

One of the things I discovered as I traveled through my 20's, 30's, 40's and 50's—once you engage fully with life, you live an eternity with each event whether work or play, good times or otherwise. Your eternity equals your lifespan. It's endless as long as you continue breathing and ambulating.

Emotionally Entangled

The real you reading this should be grasping the fact that you no longer need to function from the malevolent spirit implanted in language; the silent cognition of what you are reading here is sufficient to begin lifting the burden.

The New World Will Be Good and Stay Good

Joshua, whom God used to victoriously lead Israel into their inheritance in the Promised Land, was careful all his days to encourage Israel to be faithful to God. As long as the people of Israel were obedient to God they experienced victory on the battlefield, freedom, prosperity, and protection from their enemies.

America's Education System Is Under Attack

America used to have a stellar education that was 2nd to none in the world. Today we have 3rd World countries that have better education systems than we have. The 3rd world nation concentrates on math, literature, writing, and all the other important thing in life whereas our system concentrates on pro-nouns and political correctness, and gender studies.

What is it Going to Take?

These hell holes we call public school and universities have

but one purpose – to redirect, mold, and nurture our children – replacing the moral framework that families may be instilling in their children. I hate to be so blunt, parents, but sending your children to the public schools and universities today is like, as in the days of Israel in the Old Testament of sacrificing your children to the god Moleck.

There Prescient Novels Predicted Our Cowardly “Brave New World”

The technical gulag of the Brave New World will have encompassed the entire world. We have reached an era in which total tyranny is possible simply because we have created the means and technology to run it. And with the addition of AI (Artificial Intelligence) we just might have “thought” ourselves into enslavement not by men, but by man’s creations.

The Ongoing Iranian Revolution

The brave Iranian women and men are not stopping, nor will they soon. They are taking to the streets to cut their hair and burn their hijabs, indicating to the Islamic government that they will no longer stand for this totalitarian regime—time for the mullahs to pack up and leave. It is not a

matter of if but when this regime falls.

Heroes Among Us

We will always face agenda-driven activists, socialists, Marxists, progressives and irresponsible pleasure-seekers who incessantly complain while believing more government is the answer. However, history coupled with reality provides a clearer warning. Therefore, our Liberty requires our involvement, boldness and diligence.

Solar Flares, Blowing Out Satellites, Massive Infrastructure Damage

Not just from a terrorist attack which a lot of people are very concerned about right now. Top of the list would be a false flag event to blame MAGA supporters and all of us conservative constitutionalists working to stop the forces of evil. At this point in time, nothing is off the table for these madmen determined to destroy this country and all she's stood for since the Revolutionary War.

The Church, Inc. Has Become a Business

Here is a suggestion. Find a ministry that is fighting in the culture war. Support them financially. Street fighters need our support. They have no congregation and they certainly are not getting rich. Stop funding million-dollar ministries.

DeGovernor vs. The Mouse: Mickey Seems to be Winning in a TKO!

Most Floridians are familiar with the ongoing sparring match between Ron DeSantis and Disney. What most don't know is where it stands and how it got there. As has been publicized with much fanfare, DeSantis introduced what became known as the...

Millenials: 'Misgendering' Is a Crime

Getting back to the poll, we cannot help but wonder whom they polled, and where. I'm guessing the faculty lounge at Che Guevara Community College. It would be distressing to believe our education establishment has succeeded so brilliantly in turning half a generation into a pack of Red Guards.

God Laughs in Flowers

The night before, we slept in the pines along the road on the Lewis & Clark Trail in Montana. We left the main highway on a dirt road that looked very little traveled. Gorgeous scenery everywhere we looked! The night sky featured millions of stars, a full moon, and meteors slashing across the ink-black of space.

The Role of the Presidency

Rather than a king, like so many people seem to treat him, we see that the President is supposed to be a servant to the states. Executing the laws and powers of the United States, working with the representatives of the states in Congress to make treaties and appoint officers, and accepting foreign dignitaries is all done in service to the union of states. Does that sound like the most powerful man in the world?

Modern Day Hirelings In Contrast To That Of The

Disciples Of Martyrdom

Today's hirelings (John 10:12) have been set up as a judgment upon the people that have put them in their positions, tickling their ears. They are preaching a message in stark contrast to "Repent for the kingdom of Heaven is at hand" (Matthew 3:2), thus, making a people to war against the Living God (Micah 3:5).

The Overwhelming Evil of the Global Slave Market

The latest Jim Caviezel movie, Sound of Freedom, is absolutely riveting. Everyone should see it. Brilliantly done. Stay thru the credits as Jim then speaks to the audience. He tells us, once you know it is happening, you must work to stop the evil. Jim asks the audience, "Can we love God's children more than we fear evil?"

The Sound of Freedom and Islam's Approval of Pedophilia and Rape

The 2021 Global Estimates indicate a total of 6.3 million people are in situations of forced commercial sexual

exploitation on any given day. This number includes 1.7 million children in commercial sexual exploitation, about a quarter of the total. Gender is a critical determining factor – nearly four out of every five of those trapped in forced commercial exploitation are girls or women.

Evil in the White House

The Roman Catholic Church had a role – and still has a major role – in facilitating the foreign invasion of the U.S. Indeed, in the face of declining membership, new immigrants arriving in the United States, including many Catholics from Latin America, provide new members and priests. Catholic Charities is among the NGO's which facilitate the migration of illegal aliens into the interior of the country.

Critical Theory: Bringing Forth the Revolution

Critical Theory is a linguistic structure of destruction. It has created a vocabulary around victimhood and redefined the rules of life. The problem is when unreality has a collision with reality, reality always wins. Equality can be labeled freedom, but the people in Cuba are still slaves – they have equal wages, fair housing, free healthcare, etc., but they are slaves, with travel outside their borders restricted.

Central Bank Digital Currency Fight Heats Up

Central Bank Digital Currency (CBDC) remains a hot topic as the push for CBDC is accelerating. I'm speculating way more than half the adult population in America have zero knowledge of what CBDC is other than "bank business". Or, they've heard it's a new, wonderful way to instantly make your transactions. Hooray! With CBDC one doesn't even need a bank!

What Dream Has Your Name on It?

As a veteran touring rider, and also a day rider—when I travel on my bike, I may stop at an overlook, sit by a river...or simply rest on a patch of grass. I may lay on my back in the grass and look up to the clouds skidding across the sky. They make me dream!

What Qualifies Islam as a

Religion?

Warning to free men and women: remain a spectator at your peril. It is imperative that you take a stand and do your part in denouncing the fraud of Islam and do all you can to prevent the Islamic fire from devouring our civilized democratic system.

Alternative Energy Is Not The Answer, Part 3

This is how liberals set the basis for control. Create the problem, then claim to have a solution to the problem. More proof as to why democrats should never be allowed to be in charge of anything. This is the path they want us on. Our votes must reverse this trend.

Declaration of Independence; Massachusetts Bay Colony year 1636

Yes I have this massive 2 volume history of Massachusetts Bay colony in my library... My primary interest was that both my mothers Crocker and fathers Brackett families were 1630s settlers. My Mothers ancestor is actually briefly mentioned in

the record! Reading on that era, I came across this Declaration of independence and codification of laws declared by the inhabitants.

A Patriot's View of Root Causes of Tyranny and How to Defeat Them

There are only a few root causes for the replacement of our Constitutional Republic by an Unlawful Criminal Enterprise comprising most of the three branches of federal government, which has no legal standing whatsoever.

Authoritarian, Totalitarian, Tyrannical, Dictator – What's the Difference?

We are allowing America to be dismantled before our eyes. Are we to do nothing? In the name of the greater good we have allowed the Authoritarian, Totalitarian, Tyrannical, Dictator, Globalists ... It doesn't matter what we call them, they are all the same... to abuse us and put America into deep debt which will take years to correct.

Farmland Lost is Farmland Lost Forever

Small, independent farmers are facing extinction. Their replacement will be powerful corporations that will no longer cater to consumers. Instead consumers will have to accept what the big corporations decide to provide – fake meat and all. Americans must stand up to save and protect farmland because American Farmland lost, is America lost forever.

Freedom of Speech in Colorado

Freedom of speech has been under attack in this country, and Colorado has been a big part of it. First, Jack Phillips of Masterpiece Cakeshop has spent ten years trying to defend his right to not be compelled to create custom cakes with messages which violate his beliefs.

The Silly Season

A group in Oregon wants to set up segregated hiking trails in the state forests so that Cherished Minority hikers won't have to face the risk of running into "prejudiced" people while shambling around in the deep woods.

Bicycling Through the Avenue of the Giants

For every bicycle touring rider that pedals the magnificent wonders of the West Coast, perhaps the most stunning, if not peaceful moment occurs when you enter into the Prairie Creek Redwoods...and later, into the magnificent "Avenue of the Giants" of Northern California on Route 101.

Why Did This True Story "Sound of Freedom" Hit Every Obstacle In The Making & Releasing?

Furthermore, no one is supporting the sodomite agenda more than the government that so many of you tolerate (Leviticus 18:22). This runs against our laws in every state of our union. They are rightly called "crimes against nature."
