

# The Coming of the Mahdi

The world is a laboratory where the experiment with Islam shows irrefutable results. To the extent that Islam rules any society, that society is stagnant, backward thinking, repressive and violent. The Islamic Republic of Iran represents the cutting edge for the newly petrodollar-invigorated Islam.

## Enforcing Constitutional “Enumerated Powers” Will End Major Government Crimes!

You need only look at the major Democrat cities to observe the rapid decline in public safety and quality of life to determine that the end is near. The cost of millions of illegal invaders to the cities is the final straw for the cities.

## Martin Guitars and Gender

Dear friends at Martin Guitar, While I usually don't take the time to answer online surveys, my admiration and loyalty to Martin Guitar prompted me to pause to answer the one you recently sent me by email.

# **Arizona-Mexico Border Crisis**

A couple of weeks ago I visited the Arizona/Mexico border at Seabee Arizona. I had been there before, in 2008 and 2013. The purpose of my visit was to see firsthand the circumstances surrounding the wave of illegal immigration flowing north across our southern border. I agree that today it is a wave and that it is out of control. As I write this, Title 42 is expiring, and predictions are that it will get worse.

## **Why Do We Talk About Communists?**

Marx, Lenin, Mao and others at the forefront of that inhuman and anti-human ideology anticipated the communal (hence “commune” or “communist”) ownership of all property and the means of production. All power was reserved for the state. The idea was “to each according to his needs, from each according to his ability”.

## **A German Tells It Like It Is,**

# **Listen!**

The enemy today no longer shows himself. The enemy today is already in your house – and you didn't even notice it. Not only that, the enemy is already in your mind. And you didn't notice that either. You are still intoxicated by the illusion of being a free person. In reality you have already surrendered. you are a slave.

## **Memorial Day 2023: Will American's Still Die for Freedom?**

Finally, may we have the courage, the integrity, the love of God, family, comrades, and country, to make the choice they did if we are called upon to make the ultimate sacrifice for freedom.

---

## **Let's Celebrate Natural Family Month**

This is our initial launch of what we believe can be a NATIONAL movement. All we are asking is for our place at the table...recognition that the NATURAL FAMILY is the foundation of American society. Gay Pride MONTH? OK. But we would like

OUR FAMILY represented as well. Shouldn't we HONOR the family done God's way?

---

## **When White America Becomes the New Minority**

This destruction of America accelerates at our southern border where 100 U.S. Senators do nothing to stop it and another 435 House Members follow through by doing nothing.

---

## **Materialism Is Choking the Life Out Of Us All**

What of Daniel Penny? He's an ex-marine sergeant from Long Island. He had no previous criminal record. Now he stands charged with second-degree manslaughter. If convicted, he could face up to 15 years in prison. During the incident he appears to have had the support of those around him. A couple even assisted him in restraining Neely.

---

# **'Emergency!' for the Woke**

As Bud Lite sales continue to bottom out, thanks to the company's decision to be the transgender beer of choice, you'd think the woke crowd would at least suspect they might have gone a bridge too far. Assorted polls report that most Americans, by a landslide, oppose the woke agenda.

---

# **Corruptly or Not Corruptly, That is the Question**

While I cannot condone the obstructive acts committed by Mr. Fischer and others inside the capitol that day, there is plenty of evidence that their entry was sanctioned by the Capitol Police, that most of them were not violent or disruptive, and they did not get near enough to the House chambers to be considered obstructive.

---

# **The Next Phase of Communist Revolution**

Self-defense, even vigilante justice, is a natural consequence of releasing criminals and terrorists on the streets of the major cities. Americans have no alternative but to defend their families and loved ones. But a long hot summer is being planned.

---

# **The Lord Fought For David Too, But He Still Had To Show Up On The Battlefield**

Now, I ask that you observe that there are so many issues that take place in the American Church that have taken precedent over the mandate that Christ has given. Men get caught up in debates over things that have nothing to do with what it is that we are called to do, which is seeking and saving that which is lost (Luke 19:10).

---

# **Consolidation of Power, the Great Reset Goal, Part 1 – The Fourth Reich**

These evil godless creatures aim to destroy the majority of humanity along with the rest of creation. Already our meats are tainted, our vegetables are next and will be grown in vertical farms of the future, to ensure mRNA is continually fed to the masses.

---

# **The Late Great USA: The End Of The American Age**

The corporate-controlled mainstream media, other propaganda, and cancel-culture promoters have become so prevalent in America that it would make Joseph Goebbels and the Ministry of Propaganda of Nazi Germany envious. The American Justice system has been weaponized to attack political opponents, both large and small, of America's Deep State globalists.

---

## **Things That Need to be Said**

Judgment is here and we can't see it. What is coming to us is unspeakable if we don't repent and forsake our religious ways. We have very little time left to change our ways. War and destruction are ahead of us as well as an economic meltdown, with suffering the likes the world has never seen!

---

## **Debt Ceiling Battle – Same Old Band Aid**

If the debt ceiling isn't raised then the CONS in Congress – both parties – won't be able to continue borrowing \$6 BILLION DOLLARS A DAY to pay for their reckless and out-of-control spending. A chunk comes from the Godless, brutal savages known as the Chinese Communist Party. That's right. China.

---

# **Manhood: What It Means in 21st Century America**

With all the hoopla about transgenderism, LGTQB+ and drag queens making the headlines in recent years, I felt called to try to bring a bit of common sense and rational thinking as to what it's like to be a man in 21st century America.

---

# **Ukraine Deserves the Right to Live**

Amidst the witty banter on the Fox & Friends Weekend show, this nice lady with a pro-life reputation did her best Tucker Carlson impression and made it clear that she wants the U.S. to abandon Ukraine to the Russians in the name of "peace." Kucinich, once a proponent of a Department of Peace, eagerly agreed.

# **Surefooted Guidance in Tight Places**

More than 23 million viewers in the United States, and millions more worldwide, watched as Wallenda did his nearly

23-minute skywalk without a harness, net, or safety tether while facing sudden wind gusts of up to 20 mph. Throughout the walk, he could be heard praising and thanking God.

---

## **America Will Survive, Part 3**

Some may scoff at these prophecies but the majority of them were given years before they happened and they have already been fulfilled. I have stated many times in my column that I did not believe that God was done with America and these prophecies confirm that. Liberals have done all they can to bring America down but they are fighting God. They will lose.

---

## **Show Them What A Natural Family Is**

What was once considered hard core pornography is now being welcomed into our public schools. Even some of our so-called “Christian” schools, under the banner of “diversity, equity and inclusion.” Like our education system, our public library system is also beyond saving now, having gone “woke” under the leadership of a lesbian activist president of the American Library Association.

---

# **Armed Forces Day—the Third Saturday of May**

May God bless and keep all those more than 1.3-million patriotic Americans who by their service and sacrifice on active duty in the armed forces protect and defend the freedom of all 340-million of the rest of us Americans.

---

## **Taking Down Trump, Taking Out Fox News, With Lawfare**

With this legacy of misleading information, open lies, general deceit, and an utter lack of empathy – all from government and legacy media – is it any wonder that an outsider like Donald Trump was able to win the Republican nomination in 2016 and then the presidency despite never having held public office before?

---

## **The Devil's in the Details**

Moreover, people's choices are very often made without full awareness of the potential consequences or access to accurate information. There can be complex social, economic, and historical factors that shape the choices available to individuals and influence their decision-making processes.

---

# Hard To “(E)Scape” Being The Scapegoat

As we scrape along in our newfound hostile environment led by jackbooted tyrannical extremists while trying to hold onto scraps of the freedoms we once enjoyed, we are forced to plan for survival both personal and of some semblance of our Western-style society. President Trump seems to have been the catalyst setting off the mass insanity that had long latently lay beneath the skulls of the psychotic, the mindless, and the brain-addled.

---

## The Russians in Russia-gate

The observations made by Durham and his staff indicate the FBI's corruption goes far beyond political bias against former President Trump. But Durham didn't draw the conclusion that the FBI has been infiltrated by Russian agents and that the agency cannot be reformed until they are exposed and rooted out.

---

# **The 2020 Presidential Election**

The story of Trump's stolen election serves as a stark reminder that our democratic processes are not impervious to manipulation and subversion. The actions of the Deep State have shaken the very foundations of our democracy, casting doubt on the fairness of our electoral process.

---

## **'The Evidence of Things Not Seen'**

This being so, what we have is not a debate but a clash of faith. There won't be any adding-up of points to find the winner. Either God and His enscriptured word are the ultimate authority, or He is not and something else is. "Science." The majority. The enlightened minority. The Party. Or some guy with a gun.

---

## **This Is What The Great Replacement Looks Like**

If you think what's going on in America today is off the charts "crazy", just hang around for another 10 years to see our country coming off the rails like in East Palestine, Ohio.

China or Russia won't have to conquer us. We're being conquered by our own president and Congressional critters.

---

## **The Communist Moles in the U.S. Government**

If Congress fails to act in the face of the overwhelming evidence of communist penetration of the intelligence agencies, we will have to conclude they fear the power of the State, including its ability to persecute and even assassinate its political enemies.

---

## **Monopoly Money**

With all the fingers pointing back and forth between the houses of Congress, the Presidency, and the Department of Treasury, the ones truly responsible for this mess is We the People. Yes, we have hired representatives that have spent more than they collected in taxes for decades.

---

## **Democide: When A Government**

# **Kills Without Remorse – Remember Germany...**

If the people fail in this obligation, they will then fall to those with which they have failed to lawfully bring to justice. This is where we are at today in America.

---

# **Both Parties in Congress are Hopelessly Corrupt, Unlawfully Spending Our Money**

President Trump is far from perfect. But he is certainly not the man falsely-portrayed by left-wing media, vilified, lied about, framed and constantly persecuted with bogus charges. Is it any wonder that the ignorant masses have been brainwashed to hate him?

---

# **Israel Has a Right to Defend Itself**

Self-defense is the right of every individual, group, or nation. The inveterate belligerent Hamas cannot expect Israel to refrain from retaliation when it lobs barrage after barrage of rockets at Israeli populations. Hamas and Islamic Jihad thrive on violence.

---

# **More News You Missed, Musings, Uncommon Commentary and More**

North Korea is testing a new solid fuel ICBM that is pushing the envelope in state of the art weapons technology with assistance from China. These two terrors are not paper tigers anymore and you can't paper over it. Without going into the techy details, the new system needs testing and fine tuning to be sure, but it sure is scaring the bejeebers out of the US and its Asian allies.

---

# **Why This Amendment to the Constitution MUST Be Repealed**

James Madison wrote in The Federalist Papers #45: "The Senate will be elected absolutely and exclusively by the State legislatures." (Madison was considered the 'Father of the Constitution' so there's no misconstruing what he meant.)

---

# The “Very Stupid People” Are Communists

As he noted during the CNN Townhall, Trump was betrayed by many people, from Mike Pence on down. But his comment that “very stupid people” are destroying America was not quite accurate. These people are communists. Other than this omission, his performance on CNN was masterful.

---

# White Supremacy Vs White Privilege Vs White Western Culture

We’re facing a mega-problem in America if we continue to import third world people who cannot grasp or participate in First World Western Culture. If they lack the intellectual ability to learn how to be a carpenter, bricklayer, electrician, plumber, home builder, doctor, teacher or any other job that requires minimal intellectual levels--at some point our society will implode.

---

# Manufacturing Mental Illness

I’ve described before my experiences doing street ministry at one of the country’s largest “pride” parades, with a half-

million people in attendance. I can tell you that mental illness and the worst perversion you can imagine reigns supreme at these events.

---

## **Emotional Time Bombs**

When we blow off steam, we pass our emotional problems on to our children. And if we implode, instead of exploding, we make a mess of our own psyches. Soon we may find ourselves spending so much time and money on our efforts to repair the damage, that we cannot relate properly to the members of our family.

---

## **America Will Survive, Part 2**

All of this is not good news but America has survived a lot worse and we will survive this as well. We are fighters and when someone tries to take away what is ours, we take a stand. Just like during the Revolutionary War, not all stood for our freedom. Only about 15% of the population supported the effort and we won anyway because we were on God's side.

---

## **Broken Into Smithereens**

CBDCs represent an unprecedented level of surveillance and control over the financial holdings and transactions of all

people. Tied to a social credit score similar to what is done in communist China, the ability to conduct financial transactions privately would be eliminated.

---

## **We Have Lost Our God Given Liberty and Freedom in America – Who's to Blame?**

“My people are destroyed for lack of knowledge (of the truth).....” (Hosea 4:6a American citizens are being destroyed today because we do not know our Founding Documents (The Declaration of Independence, the Constitution, the Bill of Rights) and the Word of God!!! We do not even know the bare facts about our liberty – where it came from and how it was asserted and defended.

---

## **Your Life Will Be Destroyed When Government Can't Borrow or Print Money With Value!**

'Woke' corporations bribe our officials, promote wars for profit, pay Antifa and BLM to burn our cities and their competitors, destroyed our middle-class by outsourcing, opened borders for cheap labor, promoted anti-God and anti-American propaganda with transgenderism, and manipulated fiat money to

impoverish the people.

---

## **The Coronation in the UK**

I believe that the overwhelming feeling of oppression which was reported by many people on the 6th May was the opposite of what this simple message of Hope conveyed. In one space and in this one moment of time there was a collective gathering, many of whom have pledged an allegiance to a One World Order...

---

## **How Communists Are Programmed to Kill**

Former President Trump says, "They will continue to viciously attack me, smear me, and even ARREST me despite not having committed a single crime." He left out one thing – they tried to kill him. A ricin-laced letter was sent to Trump by an anti-Trump activist from Canada by the name of Pascale Cecile Veronique Ferrier.

---

## **Is Islam Misunderstood**

Acts of horrors committed in Islamic lands aside, it is disturbing to see Muslims dissimulate, sweet-talk, and use any

and all means in free non-Islamic societies to convert people to their cult. Yet, if a Muslim, on his own free will decides to leave Islam he is condemned as apostate and automatically sentenced to death.

---

## **God Used Natural Forces in His Creation and Judgments**

Once again it appears that from Ezekiel and Joel that Israel's hemisphere will be struck by a comet's debris that will rain down on the nations from Russia South to Iran. Joel ch2 says that All of Russia will be burned by fire during the Magog war! God's vengeance upon a barbarous people constantly bring terror upon the whole Earth throughout its history.

---

## **America Is Becoming Nuttier Than a Fruitcake**

Looking out across the American landscape in 2023, you cannot help but appreciate that it's getting to be nuttier than a fruitcake party. You've got men pretending to be women. Drag queens! You've got women trying to grow a beard.

---

# Is the CIA For Us or Against Us?

The American people need to wake up. Serious opposition to our way of life is waging a winning conflict today in the United States. We need to create our own issues and cease to allow them to be defined by the media and by corrupt, entrenched politicians and bureaucrats.

## When the News Is 'Hate Speech'

## **Mind Control: Conversion by Technological Means**

In this era dominated by advanced technology and rapid information flow, our minds are constantly bombarded with various stimuli, leading to a state of perpetual distraction and susceptibility to external influences. Modern mind control techniques have evolved, leveraging our deep reliance on technology, to subtly shape our thoughts, behaviors, and even our beliefs.

---

## **The American Dream, in Many Ways, Stands in Contrast to the Word of God!**

If we reach what we call success here, then we have, in essence, created a world with no need of the Living God. For those that might not yet fully understand, it would be little to do with the Lord and a whole lot to do with the world.

---

# **Immigration: The New Warfare**

Now many books have been written about the New World Order and its “makers and shakers.” That is not the purpose of this article. The purpose here is to point out that it is futile to argue this matter under the heading of “immigration” just as it would be futile to argue any invasion of a country by outsiders armed or otherwise, under that particular heading.

---

## **Are Geofence Warrants Constitutional**

I hope anyone who is aware of a case where someone has been caught up in an overly broad and insufficient warrant, will share this information with the individual and their legal team. This case may be an early step in reigning in government collusion with big tech to spy on the American people.

---

## **RFK Jr. Rejects the Kennedy Anti-Communist Legacy**

Former Biden mouthpiece Jen Psaki explains, “Kennedy’s early numbers probably have a lot more to do with name recognition than policy. His family is still beloved by many in the Democratic electorate, even though most people would never recognize him on the street.” True or not, the critical fact

is that RFK Jr. does not seem to have the same anti-communist credentials as his uncle and father.

---

## **#Boycott Everything Mexico**

The hordes are gathering to storm the border as Title 42 expires this Thursday. THIS and more are waiting to storm across OUR border. As of today, about 350,000 of them. Back packs and that's it. YOU and I are being raped to pay for all their new clothes, phones, free medical, dental, illegal minors overloading our schools from dozens of countries who speak no English bringing diseases into this county.

---

## **Full-Scale Invasion of America: The Serious Ramifications to All of Us**

If another 6.6 million illegals or more enter, along with 2.0 million more immigrants legally entering our country within the next 20 months of Biden's term, we are looking at a financial disaster, housing disaster, educational disaster, sociological disaster, cultural disaster, linguistic disaster, and economic disaster--beyond our ability to comprehend, let alone survive it.

# **They Hanged Her for Teaching Love**

# **Sinking In Your Thinking**

People without true identity think without reason and control. What they feel like doing seems right, and what they do not feel like doing seems wrong. All of us are driven by self-made fear, anxiety and excuses for their actions.

---

# **The Greatest Reset**

The great reset has been thoroughly defeated by the Greatest Reset of Jesus rising from the dead. Because He is risen, the redemption of our bodies from mortality to immortality is certain, and along with creation we will experience the culmination of our longing to be with Jesus, our Redeemer, forever.

---

# **America Will Survive, Part 1**

The push to stop climate change is insanity on steroids. In 2008 when the market crashed the consumption of fossil fuels dropped significantly but CO2 still increased. Again, in 2020 when the nation was shut down the use of fossil fuels dropped exponentially yet CO2 still continued to rise. The reason for that is man does not make a significant impact on the CO2 levels.

---

## **The Threat of a Super-EMP**

A Super-EMP attack or a cyber-attack that removes the grid is extremely serious. It's made all the more so because the North Koreans are about to test-launch another missile. They could very easily be launching a new satellite, this one carrying a Super-EMP device, in which case, if it is detonated over the center of the country, it could leave us in the dark...

## **Cities are Incubators for the Ignorant and Violent**

# Communists

It has been reported that San Francisco lost 49% of its small businesses. Permanently. All of this is part of the plan to impoverish everyone and concentrate control with the Parasitic Super-Rich Ruling Class (PSRRC), wealthy families, their minions in 'woke' corporations, and government.

---

## **News You May Have Missed; Media Miscreant Machinations; Musings and Uncommon Vommentary**

The fastest growing states with the best economies and lowest unemployment are the red states. Incomes, assets, and businesses need to move to friendlier locales. Some blue Yankee bummers will follow suit but those states and their citizens need to consciously be sure that they don't allow the liberal migrants to take over and start dominating the scene as is their wont.

## **Propaganda, Censorship and**

# Mind Control, We Have it all

## Legislative Proxy Voting

If proxy voting in the House, as established by H. Res. 965 of the 116th Congress, is found to be unconstitutional, that means every piece of legislation voted on in the house where a majority of members were not physically present, is null and void, since it did not legally pass the House.

---

## The Transgender Follies—More Madness from the Left

There was not one case of a surgeon cutting off the breasts of 13-year-old and 14-year-old girls because these far-from-fully-developed females claimed they were “born into the wrong gender.” Nor were there medical doctors prescribing hormone blockers to teenage boys to stem the tide of their surging testosterone.

---

# Looking Forward to the New 'New World Order' Tomorrow

Looking forward to the new tomorrow... in the coming NOW World Order the survival of the FINEST (the moral and most authentically virtuous) will determine and guide the destiny of humanity. I want all of you in this equation to deeply grasp that you are superior in every respect for holding and continuing to embrace your connection to God.

---

## Good News—About Science

I was amazed when I read that “a thousand scientists” signed a petition warning the public against the “zealotry” of radical “veganism” and reminding their audience that meat is “crucial to human health”. I mean, gee, scientists? Aren't they all lined up for a totally plant-based diet—to Save The Planet from Man-Made Climate Change?

---

## Part 2: It's a Full-Scale Invasion by Design and Fully

# **Orchestrated by Biden and Congress**

My final questions to you as an American: What do we do when our entire culture, language and ethos fragments into foreign enclaves? Have you seen France or Sweden lately? How do we pull ourselves back from the suicide-brink as spoken by historian Arnold Toynbee?

---

## **We Need Another Lincoln**

Interestingly, Karl Marx was a cheerleader for the northern states in the American civil war, since he saw slavery as just one phase in history that had to be surpassed on the way to world communism. But Lincoln was not a Marxist. However, he did use extraordinary means to keep the nation together.

## **The Web of Dystopian Tyranny, Part 3 – Medical and Societal Perversion**

The infamous Bill and Melinda Gates organization donated millions into a radical nongovernmental organization (NGO) promoting education of “commercial sex work” and “sexual rights, regardless of age.” The U.S. abortion advocacy nonprofit is listed as one of International Planned Parenthood Federation member associates.

---

# **Tucker Carlson's War on Official Narratives – Fired from Fox News**

Maybe this is why they are fundamentally afraid of us, afraid of people making their own choices, especially when those choices are circumscribed by a morality that does not position them and their institutions at the center, and refuses to regard human lives as expendable and disposable.

---

# **Only Fools, Cowards, and Duped Obey the Blood-Sucking Fake Government**

Those who do nothing are de facto supporters of the Machine (fake government). There is no free lunch. History indicates that their situation could be similar to the tens of thousands who remained loyal to King George during and after the Revolutionary war; it was not pretty.

---

# **Does the Republican Party**

# Stand For Anything?

It seems that whenever I see a news article about a Republican member of congress, it ends up being about that person's attack on some Democrat or other personality. And when there are plenty among their own ranks deserving of condemnation, their silence in that regard makes the attack on the Democrat or other figure more unseemly.

---

## Debt Ceiling Battle – More of the Same

I know Americans are very worried about the economy as well they should be because between Congress, the WH and the "Fed", it's going to get very, very ugly. 2008 will look like prosperity when so many still haven't recovered from the destructive and unnecessary COVID lockdowns.

---

## It's A Full-Scale Invasion: Joe Biden's Immigrant Mob

In April, I visited the border in Nogales, Arizona, as well as other locations, to witness a full-scale invasion of the United States of America. What did I learn by witnessing it firsthand? What did I learn from the U.S. Border Patrol? What did I learn about Joe Biden and/or his handlers? What did I

learn about the future of America?

## **Trump's Attacks on DeSantis Are Insane**

Attempting to define our problem as a nation, President Trump was right on target, telling Greg Kelly of Newsmax, "There's a little group, a small group of people that are very smart, very radical left, probably Marxists, and they're running our country into the ground..."

## **My Forty-Fifth Anniversary**

Although the Islamic Revolution forced the removal of the Shah of Iran and the war with Iraq was imposed on our motherland, I was still determined to go back home. What deterred me from returning was my family.

## **Communism In America, Part 5**

There has been talk about the nationalization of all our industries. That is what Hugo Chavez did in Venezuela when he took power. All industry under government control. The USSR operated that way up until the USSR fell in 1989. What most

people do not realize is that JFK set in motion the plan to do just that, in the case of a 'national' emergency.

## **Bedtime Prayer: The Cure for Insomnia**

Insomnia is a common sleep disorder that can make it hard to fall asleep, hard to stay asleep, or cause you to wake up too early and not be able to get back to sleep. You may still feel tired when you wake up. Insomnia can sap not only your energy level and mood, but also your health, work performance, and quality of life.

## **'Casting Down Imaginations'**

## **Woke and Communist Kissing**

# **Cousins!**

It is generally not in the interest of any group or individual to seek an economic collapse, as it would result in widespread suffering and chaos. However, some extreme anarchist or anti-capitalist groups do seek to destabilize or overthrow the current economic and political system, which they view as exploitative and oppressive.

---

## **How the Politician Criminals Fleece Americans**

A non-governmental organization (NGO) founded by former Presidents Bill Clinton, George W. Bush, Barack Obama and backed by a litany of multinational corporations are teaming up with American Express to fly migrants into the United States. This is the same group that managed the \$3 Billion collected by taxpayers to help the people of Haiti.

---

## **Political Correctness is the Incubator of Islamofascism**

We, in the United States, further need to embark on a comprehensive legal, educational, and social campaign to eradicate the deadly plague of Islam. By effective action, we even save those peaceful Muslims from their own affliction. I

am not hate mongering. I would love to see all Muslims become ex-Muslims and full-fledged members of a diverse tolerant democratic society.

---

## **Why Not RFK Jr.? Just in Case You Were Curious...**

This is just a reminder that, as DeSantis continues to soil himself and his reputation, voting for the latest Kennedy is not the answer. RFK, Jr. still belongs to the hard left of the new definition of our political choices: Communism vs. our Constitution. And, he is a member in good standing, of the swamp. After all, he was the first to remind us all “: “I AM still a Democrat”.

---

## **The Aftermath when “The Machine” (Fake Government) is Gone**

One of the major causes of the economic collapse are the financial conglomerates that produce nothing and have destroyed the American Dream (home ownership and equity) for average Americans. They caused a housing bubble by buying homes and apartments, then leaving them empty for the appreciation they generated.

---

# **Why Did Tucker Carlson, the Most Watched Journalist in America, Get Fired?**

The Military Industrial Complex corporate heads engineered the Vietnam War. It cost us 58,479 young American lives. It killed 2.3 million Vietnamese. For what? Answer: money. The same corporate heads orchestrated the 20-year wars in Afghanistan and Iraq. It cost us 7,100 kids killed and in excess of 30,000 soldier suicides. Those fraudulent wars cost us \$6 trillion.

---

# **Why Do They Want These Things?**

Okay—let's bring drag queens into public schools, libraries, YMCAs, and everywhere else we can get into, and have them interact with, oh, five and six-year-old kiddies. We are talking about men who feel compelled to pose as bizarre caricatures of women. And we're holding them up to children as... role models?

---

# **The Real Tucker Carlson Scandal**

Glenn Beck says Tucker's firing is "a dark day for the conservative movement," adding, "We're looking at the death of Fox News." Beck knows better than this. Once a host on the channel, he was fired by Fox after exposing George Soros. If Fox died, it died years ago.

## **Time For The Pundits to Explain the Big Ruse**

What are conservative pundits really about? Are they really about solutions? When one has a plumbing problem, does one merely say "Oh, looks like the toilet is overflowing. Yes, it certainly is overflowing. Look! Now there's water on the floor. Um, and it's getting deep. Looks like it could go into the living room."

## **The Unthinkable Has Happened**

What has happened in our nation since the late 1800s is exactly what our Founding Fathers feared the most – a big, intrusive totalitarian government! How this happened is not hard to understand if you have been paying attention to what has been going on in our nation. Over the years many

progressive Marxists have published books explaining in detail how they would accomplish such a feat.

## **This Is ALL Government Sponsored, & So Are The Death Threats...**

If you have not yet understood who is behind all of this immorality, debauchery and abominable activity being pushed upon the people in this country, you need look no further than the government that the people have allowed (Psalm 94:20; Amos 3:3).

## **The Web of Dystopian Tyranny, Part 2 – The Medical Industrial Complex**

The world is divided into two parts, the Communist world and the non-Communist world. The non-Communist world is the target. Communist ideologies are completely contrary to those of our Judeo-Christian civilization. It is by their motto, “the end justifies the means” that Communists rationalize, without any qualms of conscience, every inhumane and perverse act of cruelty imaginable.

## **Really, What More to Say?**

God forgive us for the hell we have doomed all future generations to! God bless all who tried in vain. The sleeping giant is on life support! Remember, friends won't just tell you what you want to hear, they will tell you the truth that you need to hear!

## **An Example of Why the United States is Not a Democracy**

America is in no less a crisis today. Are you a summer soldier or sunshine patriot? Will you shrink from the service to your state and your country? Or will you stand with me and earn the love and thanks of all Tennesseans and, in fact, all Americans? The choice is yours.

## **Urgent Warning: Livestock mRNA "Vaccines" Status**

"But this doesn't necessarily mean there is no mRNA product in the beef, or there won't be in the future. Attorney Thomas Renz warned that since Congress removed country of origin

labeling on beef imports, the U.S. beef supply could already be tainted with mRNA product from the likes of China and other countries.”

## **Why Islamists Persecute the Baha'is**

It is imperative for the free people of the world to defend freedom of conscience, including freedom of religion, irrespective of one's own personal belief. It is for this reason that as a person who is not a Baha'i, I find it my solemn duty to speak up on behalf of a peaceful people, severely-persecuted by the savage Islamists.

## **The Farcical Reality of Earth Day April 22, 2023**

Simple question: why is everyone avoiding, suppressing and stopping any mention that mass immigration is destroying America's ability to live sustainably? Why are we not thinking of our children? Why are we so collectively senseless as a people?

# Communism In America, Part 4

The World Economic Forum should have no say or control over what we do as individuals or as a nation. The United Nations is no better and has historically proven to fail at most of what it does. The time has come for us as a nation to take a stand for what America was intended to be. Free!

## 'Imagine'

Friends, if you are confused today, if you have believed in your heart the things the world has presented as beautiful and lovely, only to find they are an illusion, thank the Lord for your confusion! It is the first step toward looking now at the real, honest truth of God.

## What's More Important Than Power?

Along with the Council for Foreign Relations, the UN, the Trilateral Commission and global financial elites, Schwab's WEF are behind this destruction. People like Biden, Obama, Bush family and their acolytes are their tools.

---

# **No Pain, No Gain**

I recently spoke with several brilliant doctors and scientists about the facts concerning the deadly “vaccines” and they are all growing increasingly frustrated with the reality that despite how much evil they uncover and present to The People, no one ever reacts to the information with appropriate ACTION.

# **Mind Control...Better Than Bullets**

For years I have been saying that America is repeating the Roman Empire. Instead of sending the masses to the arena, we are sending them to the movies, video games or social media. Instead of clapping for the gladiators, we clap for the best performance.

# **The Social Insecurity System Continues to Systemically Fall Short**

Commingling the Social Security funds with the general federal budget was obviously foolish – or would have been foolish if it had not been a criminal (and successful) attempt to permit the politicians to raid the SSI lockbox. LBJ was responsible

for that move and of course, a great deal more monkeying around.

## **Looking For Answers to the Autism Epidemic in All the Wrong Places**

As Caroline Rodgers said, there is an elephant in the room when it comes to the subject of autism —and that elephant is the worldwide blitzkrieg of ultrasound exams on pregnant women, exams that have bombarded the babies they're carrying with the brain-warping sound waves and heat that will continue to affect them every second of their autistic lives.

## **Fox News Loses \$787 Million and its Credibility**

There is no way to spin it: Fox News has suffered a major embarrassment, with its \$787 million settlement in the Dominion voting case. Dominion lawyers now promise to pursue other cases, such as collecting \$1.6 billion from Mike Lindell of My Pillow, a major advertiser on Fox and other conservative outlets.

## **I Will Not Comply**

Like many of you I have read, and repeated, this Scripture hundreds of times in my life but I don't know if there is a more miss-understood verse than this in the entire Bible.

---

## **Look Who Wants to Run the World**

Defund the police and fund the After-school Satan Club. How did we ever wind up here? With the people we were taught to run away from now running the store. It happened right before our eyes and no one stopped it. Now we don't know if it can be stopped.

## **Ascending The Spiraling Staircase of Your Life**

While sitting next to a nearly exhausted campfire on our Northern Tier coast-to-coast ride, I learned a lot from my companions Frank Cauthorn, Robert Case, Don Lindahl and Gerry Mulroy. Like all friends, each teaches a few lessons for a day, week or a lifetime. Each one of those thoughtful men

brought stories, wisdom, music and their life-energy.

## **The Real Fantasyland**

Real Fantasyland is the belief that men can turn themselves into women and women can become men through “transitioning”; and that such options should be made available to children.

---

## **The RESTRICTing Liberty Act**

Just like after 9/11, we have government actors stoking the fears of the American people with calls of “We have to do something!” And now, just as then, they are taking what are legitimate concerns and stoking the flames of fear in order to pass legislation that can easily and predictably be used to deprive you of your rights.

---

## **Mass Murderers Are Telling Us That They Are Looking For Gun-Free Zones**

What’s worse, most of these mass shootings take place in gun-free zones, which the politicians are guilty of unlawfully

creating (Psalm 94:20). It is time to hold them accountable for the crimes committed against the innocent!

# **The Web of Dystopian Tyranny – Part 1, The Hunger Games**

The slow destruction of a once beautiful and thriving people has been in the works since the first socialists arrived in America in 1824. Robert Owen created the Utopian Socialist Society of New Harmony, Indiana in 1825. He tested some of his writings and speeches in both Scotland and Indiana and his experiments were very influential on Marx, Engels, and other socialists and communists at the time and later on.
