## **Stupid and devoid of knowledge**

# **Trilateral Commission Declares 2023 'Year One' of the New World Order**

In other words, the free enterprise capitalism you may have learned about in college is dead. It is being replaced by "industrial policy," i.e., global corporatism the primary method of which is technocracy: key decisions are made by so-called experts and imposed on populations in top-down fashion.

## **Warning Before You Fly on A Commercial Airplane**

Now the industry is faced with a growing problem stemming from the COVID hysteria and forcing their pilots and personnel to get those experimental gene editing technology injections. Knowing the density of the air at 60,000 feet and the dimensions of the balloon, it should have been a simple exercise to determine the approximate weight of the electronic equipment on board. # **Should American 2023 Taxpayers Pay for Reparations for Slavery in the 1800's?**

Since slavery has been around for thousands of years, can we go back and pay the ancestors of slaves in China, India, Rome, Persia, Egypt and elsewhere? Since slavery flourished in America until 1865, can we go back and pay African-Americans for the sins of the past?

# **The Antichrist's Kingdom... Will Be the “New Normal”**

The good old days are not coming back. However, Jesus IS. His return for His Church is imminent. We are now a bit past the

end of the sixth day, 6000 years since Adam was created. The rapture, and the seven year Tribulation period is imminently upon us. The New World Order's brief kingdom and lasting infamy has been thoroughly prepared and ready to descend upon this unsuspecting generation.

## **“Come Out of Her (The Apostate Churches) My People”**

I shouldn't be, but I'm still amazed at the number of professing Christians who have never heard some of the things I'll share with you today. Honestly, they have no clue and if Christians are so ignorant of the most important issues of the day, imagine how uninformed the “average Joe” on the street is.

---

## **Democrat Party Equals Totalitarian Dictatorship, Part 2**

Democrats have taken over the so-called ‘education’ system teaching that all the world's problems are because of America's capitalism. Freedom to work at what you want to work at is not in the Democrat's game plan. They have adopted the World Economic Forum's ideology of you work at what the government tells you to work at. You don't own a business

unless you're a member of the elite class.

## **Jesus Revolution or Jesus Delusion?**

The hippies of the Jesus Revolution, for the most part, never repented of many of the sinful activities that they were engaged in, nor learned how to live the way Yeshua (Jesus) commands us to live. Many of these hippies were sick and in need of a physician, but did not find one in the Christian churches. All they received was fluffy love from a Jesus Messiah figure who unconditionally loved them.

## **Banning TikTok Won't Save America**

Members of Congress from both major political parties were beating up the CEO of TikTok, Shou Chew, on Thursday, mostly over the firm's links to Communist China. But while TikTok may gather data from teenagers and make them into zombies (or worse), it does not create a generation of communists. That has been the job of colleges and universities...

# **Can We Arrest, Prosecute, and Jail Criminal Officials?**

One thing is certain. It is a rare occasion when either the media or government reports the truth about anything. This is why many of our people are brainwashed, apathetic, ignorant and believe in the fairy tale of Communism.

## **Living with Equity in a Free Society**

In reality, social equity is the re-creation of the ruling class over the peasants. If you've bought into any of this, thinking it will bring you hope and happiness then, you are already a sad and pathetic victim of a new monarchy of misery. Existing simply as a cog in a well-controlled wheel is little more than experiencing death during life. You still have time to say NO!

## **RIGHT, There's Nothing YOU Can Do!**

So, the only reason for American Citizens to fear this government is, they either do not know that "all governmental powers and authorities are derived from The People

# Arrest Communists, Not Trump

More than one thousand communists, socialists, and fellow travelers rallied on March 18 in Lafayette Square, next to the White House, and then marched across town in support of Russia, China, Cuba, and causes such as reparations for blacks and massive defense cuts. ## When ‘Dissent’ Was a Thing

The same people who kept clubbing you over the head with “dissent” in 1967 are now the gatekeepers who won’t let you in or out unless you know the magic words. ## Odds and Ends: Things You May Want To Follow-Up On

On Wednesday, March 22, 2023, CRN’s Talk radio show out of California, hosted by veteran radio personality Chuck Wilder, interviewed yours truly on my latest column: This Tangled Mess We’re In: America’s Drastically Dangerous Future. Mr. Wilder commands a national/international audience. He wondered why I thought America faces a dangerous future.

# **The Hate Hoax Heard Around the World**

In 2021, the entire nation of Canada fell for perhaps the most ginned-up and exaggerated hoax ever perpetuated against the terminally naïve and, frankly, stupid. ## **One State Makes a Plan for Nullification**

This bill takes its first jab at the federal government by pointing out the violations of the horizontal separation of powers. Article I, Section 1, Clause 1 of the Constitution of the United States says that all legislative (lawmaking) power is delegated to Congress. The President cannot make law via executive orders, and contrary to popular belief, neither can the federal courts, not even the Supreme Court, and Congress has no authority to delegate its lawmaking power to others.

## Tucker Carlson and the January 6 Narrative War

Trump's supporters believed the real coup against democracy had taken place on November 3-4, 2020, reflected in those mysterious early morning vote spikes, all representing votes for Biden, recorded on graphs that were scrubbed from the Internet days later, also in dozens of claims of eye-witnessed malfeasance, reported on affidavits signed under a penalty of perjury.

## DeSantis Had It Right

Under the Communists, things didn't change much, except that the nobility was replaced by the Communist Party of the Soviet Union. Only 5% of the population were party members and only they had limited access to decent food, clothing and housing

Late last year, I wrote a two piece article title The Eve of Destruction. I guess that '60s song has been on my mind, so I looked up the full lyrics and gulped. These lyrics fit way too well in today's world. Eve's become the "day of" too soon.

## Jesus Silences Your Accusers

Zechariah prophesied to the people of Judah around 520 BC, soon after they had returned from their 70-year exile in Babylon. About 14 years earlier, Cyrus the Great had conquered Babylon and its territory was merged into his empire. A year later he issued a decree permitting the people of Judah to return to their homeland and rebuild the temple.

# Conspiracy Theorists Rock

A few of the direct results include the enormously unconstitutional “Patriot Act”, a huge power grab by federal authorities. Let’s not forget that, fairly unique among the world’s nations, the US population is an armed population. Those who might be seeking absolute power would necessarily have to move slowly here.

## America: Off the Rails

A literal toxic cloud hangs over America today. Many cannot really see it, much less see through it! The fog of paralysis eliminates effective action while producing an inertia that, together with a lack of incisive analysis, will end in our nation’s death spiral. There has never been such an open show of contempt and hatred for normal Americans – a/k/a “the deplorables”...

## Tariffs are a Benefit Second Only to God

Regular readers know that I break down complex subjects into one or more articles. My primary purpose in writing is to give

## UNITY 101 – E Pluribus Unum

We now have whole generations that were never taught the official national motto of the United States, E Pluribus Unum. The Latin phrase means "Out of many, one". In other words, the USA is an immigrant nation, not to ever be confused with the illegal foreign invasion of our country we are witnessing today.

# **Dobbs versus Roe v. Wade**

There was no basis for Roe, and it took our Supreme Court fifty years to reverse itself. But it actually did not fully reverse itself, what it determined was that abortion was not a federal issue. Roe was overturned, but that did not eliminate the practice of abortion, nor make abortion illegal. What it did was to make abortion an issue for the states.

There's NO doubt in my mind our Navy shot down TWA Flight 800 by mistake. NO DOUBT and one of the "greatest" (in scope) cover-ups in our history. Does it concern you that drugs such as fentanyl have killed 100,000 of our youth annually...

## **The Great Pushback Conference**

The vast majority of pastors will never speak a word on any of these matters. They preach "cowardly Christianity." This is

courageous Christianity – learning to use the power, love and sound minds God's given us to accomplish His good work, while we still can.

---

## **America's Road to Socialism, Part 3**

This road that we're on has been a long time coming. Little by little, we have changed course so that now we are hell-bent on establishing the government that we fought against in WWII. We were a free nation many years ago but we have allowed many of our freedoms to be taken away from us.

## **In 2030 and in Every Year, We Must Be Free**

In 2030 and in every year, we must be free. We must not be owned by anyone. Whether we believe in God as the source of our sacred freedoms or not, do we not all agree that each of us must reject the chains of every type of slavery?

# **Economics 101 for 2023 Idiots**

As the first BIG U.S. BANK backed by the FDIC collapses, SVB (Silicon Valley Bank) known as a leading lender to tech start-up companies, it seems like a good time to write about Economics 101 for Idiots who were never taught any better growing up. Remember, never discuss money, religion, or politics. It might hurt someone's sensitive feelings.

## **Subversion of the West; Manifest Destiny betrayed**

The National Educational Association, the Teachers Federation, and Teachers Unions are essential to wrest control of the children from their parents. The Federal Government is on the verge of either outright

## **Wrong People Are in Jail, While the Guilty Walk Free**

## **Cancel Culture Coming to a Conclusion?**

All the components I am talking about are frauds, and not even well-disguised frauds. They don't need to be legitimate. Those promoting them lie all the time (and have been for decades). They know that, because most people have been “educated” in our national system and watch/read mainstream media, they have been brainwashed to believe the lies. And spread them.

# The Five Stooges on Capitol Hill

## Quitters Never Win

When I was a kid, most of us were raised to understand that “quitters never win, and winners never quit.” But for a few generations now, kids have been raised with no mention of such a blatantly obvious reality, instead raised on participation trophies for just showing up. Even worse, they were raised to see winning and losing as a negative concept.

## Lords of Misrule

Our government is coming to resemble a year-round Roman festival of Saturnalia—a holiday in which everything was turned upside-down—for fun. Slaves giving orders to masters, everybody making whoopee in the streets: it was the way they

let off steam. Ours is just corruption.

---

# What The American People Weren't Told About January 6th

We're being led by a president with severe dementia, forever Senators and House members who are so corrupt, they would shame Caligula, Al Capone, Charles Manson, John Wayne Gacy, Ted Bundy, and Jim Jones.

## Remember the Alamo

March 6th 2023 marks the 187th anniversary of the Siege of the Alamo. These courageous men who died that day were my childhood heroes. They were told by Santa Anna he would give no quarter, meaning no prisoners taken. Knowing this, every man there was given an opportunity to leave. Not a single man took that option.

# Hopefully, Americans Will Now Understand Why God Clearly Condemns Sodomy

Neither did Americans look to their said representatives, who were doing their best to tear down the laws that protected America's children from such vile criminals (Psalm 94:20). The politicians and the Mainstream Media advocate what our laws clearly condemn (Deuteronomy 25:1)!

## Parents' Bill of Rights

I'm loath to use the term "Bill of Rights" lightly, for two very good reasons. First, the overuse of any term tends to diminish its value. Second, just because something claims to be a "Bill of Rights" doesn't mean it actually is one. The bill may be very good, but that doesn't mean it's truly a Bill of Rights.

## The Population Controllers

Efforts to flush the U.S. Constitution down the toilet by convening an Article V Convention of the States has been around a long time. # **Is the American Experiment About Done?**

Hey Church in America – because you do not represent the law of God and the ways of God plus Church in America, you don't even have a moral compass for Americans. Every man does what seems right in his own eyes in church today. Hey Church in America, you allowed the Bible, prayer, and the Ten Commandments to be taken out of our schools...

# Can Our Country Be Put Back Together?

My question repeats itself: are we going to ever stitch this country back together? Are we ever going to enjoy racial peace? Are we going to fix our schools? Are we going to protect and defend our borders? Are we going to repair America's emotional and spiritual balance? Or, is this nation going straight to hell?

---

## Because 'Good' Men Continue to Do Nothing

This is what happens when a nation turns aside from Almighty God. God has simply given us what we've begged for: no more God. So this is our nation, without His hand of protection. The wicked rule, the people mourn, yet still cling to their sin.

---

## America's Road To Socialism, Part 2

Our Department of Justice is no longer a Department of Justice. Democrats are immune to the law but republicans/conservatives must obey. Reminds me of Hitler's

## **Jesus Redeems the Timeline**

Those who rest in Jesus' forgiveness, trusting solely in Him, can and should let the past go. Forsake and forget the chains that formerly held you captive. Live life under the full brightness of the Son, because He has entered your timeline and redeemed it so that you can experience newness of life (Romans 6:3-4, 8:1) and the amazing things He has in store for you (Ephesians 2:8-10).

## **We Can Return to Prosperity without Income Taxes**

Tax-Free Foundations are the most evil and harmful institutions in our country. They allow the PSRRC to park their assets tax-free forever. The foundations can then control the 'woke' corporations and the world. ## **A Massive Transfer of Power**

# Over Children, From Parents to Governments

## **Corrupting America**

There's no end to this. Have you noticed we're now expected to say "they" for "he" or "she," even though it's absurdly bad English? Libs the world over are diving head-first onto that bandwagon, and they'll give you what-for if you don't join them.

## **Our Completely Decrepit & Incompetent President**

In reality, everyone is waiting for him to keel over dead, or suffer a heart attack or a stroke. But in the meantime, he's taking this country apart by not serving the American people. Historians will write that this is America's dumbest hour, and this president is the worst in American history because he was incapable of serving the American people.

## Government Found Demanding Big Tech To Illegally Censor Opposition To COVID Narrative

## Nikki Haley and the Hegelian Dialectic Trick

Meanwhile, American "patriotism" continues to decline among progressives where it was never a strong point to begin with while many conservatives no longer identify with this country

## **The Sovereign Citizen Movement**

I understand the desire to find someone or something to blame. ## **Systematically Erasing America, Part 2**

## America's Road To Socialism, Part 1

America was founded by men who wanted the freedom to live and worship in the manner in which they choose. The first people to arrive here were escaping the tyranny of England and Europe where everything they did was dictated to them. Their Bible, the Geneva Bible, was illegal in many of the European countries and England didn't like it either.

## **Will Biden's Blundering Get Us Into World War III?**

I've no meaningful memories of the Cuban Missile Crisis. I was five years old. What I learned years later: the use of nuclear weapons was on the table as a live option. We avoided Armageddon because President John F. Kennedy, not perfect by any means but overall a man of lucidity and sanity, was able to negotiate with Nikita Khrushchev.

## **States Have More Constitutional Power than the Faux Federal Government**

This title is absolutely true in all respects. The States are our only hope; they are Sovereign with far-superior Constitutional powers than the Federal Establishment, which is a creature (creation!) of the states, and is limited to only a few Enumerated Powers in the Constitution, the Supreme Law of The Land.

## **To the Ends of the Earth: Lost White Migrations and**

# Civilizations, Part 4

Many myths are extant about past cultures of warrior women who created their own societies where males were either subservient or served as slaves and that operated in accordance with a military mythos similar to what obtained in ancient Sparta.

## Phonies on the World Stage

We have learned that Joe Biden's "unannounced" visit to Ukraine was actually announced to the Kremlin in advance. In other words, his "historic" visit was approved by Vladimir Putin. Meanwhile, playing the role of Christian statesman, Putin quoted scripture in his presidential address the other day.

## There is Something in the Water

A calamity of Biblical proportions has hit the small Ohio town of East Palestine. A train derailment on Feb. 3 and the subsequent burning off hazardous material sent a plume of poison spreading over the Eastern Half of the United States. The consequences of it may be catastrophic. I live in Ohio. So, this hits close to home.

## **Non-Presidents' Day**

When you recover from this exercise, then try to imagine all three getting in, one after the other. Talk about a fundamental transformation! The Union of Soviet Socialist Republics collapsed; make was for the USSA, United Soviet States of America.

---

## **Train Wreck In East Palestine, Ohio: A Living Nightmare**

When transporting such deadly chemicals by rail, why wasn't the train going slower? Why weren't the tracks checked for defects? Why hadn't Norfolk Southern maintained the utmost in maintenance for such a deadly cargo being transported on its tracks? Why weren't standards in place to make sure that such a tragedy never happened?

## **The Coming Storm: Elites**

# Carefully Laid Plan of Genocide

Why now? The New World Order Elite had everything else in place to do the final implementing of their plans for establishing their long planned New Feudal World Order by killing six billion people. It is no accident that virus mutations keep popping up. In my humble opinion, these are also carefully created and spread whenever they want more lockdowns.

## Municipal Theft

I often hear people say that we don't own our property, but merely rent it from government. If your property can be taken to pay a debt that is a fraction of what you owe, then that statement may be true. What is described in this lawsuit does not sound like a free people with the right to enjoy, defend, and protect their property.

## Stay In This Fight: Texas Law Prohibits Big Tech From Banning Free Speech

This is the very reason that George Washington stated, and

this for our admonition: "If freedom of speech is taken away, then dumb and silent we may be led, like sheep to the slaughter." This is exactly what just happened, and is happening, while the government continues its efforts to further illegally censor free speech in this and other countries.

## **Chemical and Biological Military Activities**

A good portion of Ohio may be ruined for decades. [Link](#) The people who lived in that town are most likely about to lose everything, including their health. Gov. DeWine told them it was safe to go home, but it obviously is not. DeWine should be forced to live out the remainder of his term in East Palestine, Ohio.

## **Is Washington DC Ruling For or Against Americans?**

Seymour Hersh has recently reported that it was the CIA which carried out the attack to blow up Russia's Nordstream Pipeline. Not surprising. After all, who believed the CIA's media when they suggested that it was Russia itself behind the attack? That was an out and out LOL! Russia had absolutely no motive for such an act and every reason to never consider such abject stupidity.

# **End the Insanity Immediately!**

The Book of Revelations isn't a book of how God destroys the world. It's a book that foretells how a "Godless" people will destroy the world, and we are on the brink! This time, the entire world will go the way of the Roman Empire!

## **What Are "They" Doing To Our Country? Will We Survive?**

While listening to NPR over the weekend, Scott Simon casually announced that the United States of America in the past 12 months, via Joe Biden and Congress, imported 100,000 Ukrainian refugees. He flew them 8,000 miles to our country, put them up in hotels, spread them across the nation and will be feeding them for the foreseeable future. Who paid for all of it? Answer: your tax dollars!

## **Fire Tucker Carlson and Don Lemon**

One of George Washington's famous quotes was that the new nation should avoid entangling alliances with other countries.

At the same time, he realized that without the support of other nations, America would not exist.

---

## **A World On The Edge, Part 3**

George Washington stated: “When any nation mistrusts its citizens with guns it sends a clear message. It no longer trusts its citizens because such a government has evil plans.”

---

## **Secret Codes and Signs**

As global elitists seek to hem in and enslave us through contrived dependence and pervasive surveillance technology, we may like believers of the past need to develop our own secret codes, signs, and connections to help one another and build community as the early Christians did in Acts 2 and elsewhere in history.

## **Calling Good Evil**

“Do not be deceived; God will not be mocked. Whatever you sow, that will you reap. If you sow to your flesh, from your flesh you’ll reap destruction. But, if you sow to the Spirit, from the Spirit you’ll reap eternal life (Galatians 6:7-8).”

# **How Patriots Can Effectively Resist Tyranny Without Direct Confrontation, Threats, or Danger**

Most people only have a vague idea of their true Enemy's identity. The Enemy of the people in the United States and indeed the world is the Parasitic Super-Rich Ruling Class (PSRRC), the wealthy families who control the 'woke' corporations that bribe our government officials in both parties.

---

## **The Collapse of Corporate Church Culture and Spiritual Warfare in America**

The current church culture in America is on life support. It is living off the work of the saints of old, money, and energy of previous generations from a time in America that has been destroyed by her enemies and a lack of Biblical knowledge and blatant disobedience.

# **Child Trafficking Documentary Some In Congress Did Not Want You to See**

DeCamp points out that similar tactics are taken by the government over many years to cover-up evidence of its high crimes and misdemeanors.

## **The GOP at the SOTU: A Class Act, or Just a Frustrated One?**

My present thinking: if Republicans blow it in 2024 – or if 2024 is also stolen and not reversed in time – they blow it for America. If they win in 2024, e.g., with someone such as DeSantis who will carry the anti-Woke and hopefully the anti-globalist torches, that person will have the same fight on his hands that Trump has had to contend with.

---

## **What—No Consequences?**

Why wasn't Garland impeached for this? Why wasn't he fired? Is it just because the FBI has become nothing but a bunch of henchmen doing the Democrats' dirty work for them? One hand washes the other?

---

# **We Are Teaching Our Kids Violence In America**

In a few words, I think our country is TOO big, TOO complicated, TOO fast, TOO multiculturalized, TOO crazy and going more insane by the day. And, as this system adds more human misery and humans without purpose or community connection...it can only worsen in the years ahead.

---

## **The Powers Not Delegated**

You don't need a state nullification bill for a thousand unconstitutional act of the federal government. Those acts have no force of law to begin with...there's nothing to nullify. Mass non-compliance is all that is necessary, and not a single U.S. citizen has any legal, moral, or ethical duty to comply with any unconstitutional act of the federal government...or their state or local government for that matter.

---

## **We Are in a State of War**

The only thing that will save us is a bigger and better and more ruthless military establishment than China and Russia combined. We need more nuclear weapons capable of obliterating

both of those nations, and we need a president who will use them, or at least threaten to use them, for the benefit of the American people.

---

## **Feb. 15, 1973: American POWs Come Home With Honor—A Day To Remember**

February 15, 2023 is the 50th anniversary of a shining moment in American history: It was on that day in 1973 that American prisoners of war began the repatriation process that would finally bring them home from Vietnam with their honor intact.

---

## **Constitutionality of Cabinet Level Departments**

That means the only branch of the federal government legally capable of enacting laws is Congress. When an executive branch department or agency writes “regulations” with the force of law, those acts are not made pursuant to the Constitution, so they are not the supreme law of the land and are void.

# Brain Fog at Foggy Bottom

And so, today reason and truth are passe and, as they say, we must do it their way. But this time they run risk of waking up the goyim and the sheeple to their plight and also the identity of the purveyors of these schemes and agendas because these perps are massively “overreaching” with their actions as they hope to fulfill the agenda of the Great Reset.
