

Looming Doom on the Horizon

How do you think things are going so far with the “Build Back Better” plan of the Great Reset? Are you better off today than you were four years ago? Are you more optimistic about the USA and the world than you were four years ago? Or are you seeing looming doom on the horizon?

Help Wanted, “Candidate Must Carry a Firearm and be Willing to Use Deadly Force”

Globalist believe that humans are nothing more than animals and should be corralled into cities where they will be easier to control. Electricity, energy, food, healthcare mobility, housing, employment, education will be controlled by the government. They do not care about the damage they do to the people, because the people are the enemy.

The Death of Queen Elizabeth II

The last two and a half years should have revealed to everyone how we are disrespected and hated. Children and Adults died completely alone. Dedicated nurses were threatened and

persecuted with the loss of a job for not being vaccinated. People were blackmailed and bribed into medical interventions which have now been proven to not be at all safe.

The Cult of Kalergi: The Planned Replacement of the European Peoples

The great majority of Europe's elites, both Christian and secular, are committed to Coudenhove-Kalergi's goal of replacing European man. It will be left to populists and right-wingers like Victor Orban of Hungary, Marine LePen of France and hopefully many more patriots that will arise to save White Europeans and Christians from the invasion and extermination that has been planned and enabled by the elites and is already well underway.

My Message to the Traitors – I Will Not Comply

We must resist this unconstitutional occupation by a private, foreign corporate entity pretending to be our National Government in every LAWFUL way! The following is what I am doing. I pray that American Citizens have the courage to emulate me.

Governed by People Who Hate Us

Who to blame? Well, of course the Democrat Party itself, big-time. And public schools and colleges and teachers' unions. Hollywood. Our Free & Independent In-the-Bag-for Democrats nooze media. They've all worked very hard to drag us to this point.

War On Western Culture: Why Continue Along Our Current Path?

Joe Biden said, "We want an unrelenting stream of immigration. Non-stop. Non-stop. Folks like me who were Caucasian, of European descent, for the first time, we'll be an absolute minority in the United States of America. Absolute minority."

What Are Christians Supposed

to DO?

No one can earn or work their way into Heaven. Salvation is by grace alone...through faith alone...in Christ alone. But works are evidence of belief. The idea of WORKS has gotten a bad rap in the church. Works are the evidence of the living out of the Christian Faith.

Bombshell: Sars-Cov2, Those Responsible by Name and How it Was Done

There will be another development very soon so stay tuned. The day of reckoning is here for the guilty and that includes unnamed individuals in the alphabet soup agencies. They all need to be indicted, tried, convicted and sent to a federal SuperMax prison locked down for 23 hours a day until they all die.

Department of Homeland Security Demonizes Americans Again!

Friends, those who were originally accused for the Twin Towers coming down could have never dreamed of what it is that the

American government has done to its own people to date (Leviticus 26:15-16). Therefore, America will never be destroyed from the outside. If we falter and lose our freedoms it will be because we destroyed ourselves (Numbers 32:23).

The Animating Contest of Freedom

Are you willing to suit up for Freedom? Are you willing to risk it all in this noble cause? Are you willing to be called an “extremist” and do the revolutionary thing of defending Freedom? We don’t need a majority, but we need an active and vigilant core that appeals to Heaven, refuses to submit to slavery, and values dangerous Liberty more than tyrannical security.

The Laws of Nature and of Nature’s God

Natural Rights are different than Civil Rights. In the USA, Civil Rights have been established by government via Civil Rights Acts, a legislative process. Civil Rights are guarantees of equal social opportunities and equal protection under the law, regardless of race, religion, or other personal characteristics.

America on the Precipice

We also discussed the influence of Harry Hay, a Communist Party member who started the modern gay rights movement in America. He divorced his wife, after contracting a venereal disease, became a “radical fairy” with an interest in the occult, and marched for the cause of adults having sex with children.

The Feasts of God

The false pastors and religious in America are in darkness, deceived, and blind because they cannot see the evil overtaking this nation. So they tolerate evil and refuse to resist it. Jesus will come to the false pastors and religious in America as a thief in the night!!!! What an awful day that will be for the religious leaders of our day

FACTS: Experimental COVID Injections and SADS

The mass sucking sound started with NAFTA then GATT/WTO and all these other “free” trade treaties. “Free” trade killed our manufacturing, industrial and agriculture sectors which

made America the wealthiest industrial nation in the world. Once robots replace humans, where will they go for work?

The Three Es of Agenda21/2030 or Eugenics, Eviction, Enslavement

What we are seeing in social justice is being made into slaves by our fellow citizens who are going right down that road with us – they just don't realize it. Don't pity them, they deserve it. We don't.

War On Western Culture: Will We Survive What's Coming?

The harsh reality we face: if we keep allowing endless refugee immigration into America, at some point, whether it's in Detroit or Minneapolis where a virulent religion prevails, we'll hear something like what's happening in Sweden...an imam will proclaim, "Michigan is America's first Islamic State and Sharia Law dominates...long live Allah."

America's Fight With Corruption, Part 3

Most of the corruption I've brought forth has been from the Democrat Party simply because they are the most corrupt political entity in America today but the corruption is not limited to them. The Republicans have shown that they believe that we need to do what they say on several occasions as well.

The Death of Personal Privacy

I have some questions about those cameras. For instance, who's watching? Are these cameras monitored by someone? Are they recording video footage, taking still photographs, or what? I tried doing some research to find out, but found no answers to these questions.

Living In Darkness

In closing this article, let me bring one more fact to your mind. And that fact is that no matter how close you walk with Christ, you are still in the world! You will have trouble and tribulations as all men do! But by remaining "faithful" to God and His Word, we can overcome this world's heartaches and trials!

Should Conservatives Be Paying Homage to Queen Elizabeth's Memory?

My answer would be a qualified Yes. My answer acknowledges that she wasn't perfect, nor was the Royal Family free of assorted question marks. Be this as it may, Queen Elizabeth's life seemed to reflect something that is rapidly disappearing: class. Not in the economic sense.

The Zombie Apocalypse

On the eve of the release of new inflation numbers, the elite publication Axios claimed that President Biden and Democrats were riding "a wave of good news." The publication insisted that, "Inflation's fury has cooled. Gas prices are down."

If Disney is "Woke" may I sleep forever

I am so thankful that my children are grown and were exposed to very little of the Woke world (comparatively speaking). Back then, it was political correctness which hadn't reached

even close to Woke yet! But we are well down that road.

Pow MIA Recognition Day: They Should Never Be Forgotten

On National POW-MIA Recognition Day, we Americans, all of us, have the opportunity to remember and honor all of the POWs and all the MIAs, by participating in one of the many observances, or, if not able to do so, to pause in our busy lives to honor and remember them and to stand with their families...

WOMEN: The #1 Cause of Death in the USA

In an effort to figure out why our government and media are so concerned with lawful and responsible gun ownership, I decided to study the leading causes of death in the USA. With all of the focus on disarming the law-abiding citizens of the USA, I expected to see that gun violence by law-abiding citizens was a leading cause of death in the USA.

If Republicans Support Climate Truth

It is impossible to prove a theory is true but only one contradiction with data or accepted physics proves a theory is false. Science progresses by proving theories are false, not by claiming theories are true.

2022 Election: A Battle of Two Factions

Only women can convince other women to change, specifically, the 42% of women who voted for Life and Liberty in 2020. I suggest that every female voter in that 42% group get very busy convincing women in the 57% death cult group, to change, and really fast. There isn't much time left.

Walking Away from Liberty

The Biden regime has launched a purge of President Donald Trump's associates and political supporters. It's not just former government officials now at risk. This week Mike Lindell, CEO of My Pillow, attempting to buy a meal at Hardee's, suddenly found himself surrounded and blocked by three carloads of armed FBI goons.

War On Western Culture: Losing America's Identity

Do you think we're going to survive this invasion of cultures and languages? Will our youth survive the endless drug invasion? Will we survive our mass functional illiteracy? Why don't the goofballs in Washington DC not see what's happening? Why are they allowing, and in fact, applauding Joe Biden's total disregard for our country's borders?

Defending Your Right Against Unreasonable Searches

When a government agent stands at your door asking to come in, do you know what your rights are? What would you do if that agent tries to enter your house illegally? If that day comes, the difference between liberty and incarceration may well depend on how well you know your rights and how prepared you are to assert and defend them.

Judge Roy Moore Wins Big: I

Knew He Would When They Started Attacking Him Again

A federal jury awarded Republican Roy Moore \$8.2 million in damages Friday after finding a Democratic-aligned super PAC defamed him in a TV ad recounting sexual misconduct accusations during his failed 2017 U.S. Senate bid in Alabama.

For Muslims and Non-Muslims, Islam Is the Ultimate Tyranny

The primary reason is simple. It is valid to criticize anyone and anything because every person has the sacred, inviolable rights of free speech, freedom of thought, freedom of religion, and many other rights that stem from those central concepts. If anyone says that you cannot criticize a person or a topic, then you must vigorously correct that person, for that way lies totalitarianism.

A Model Case Against Multiculturalism

This sense of demographic disconnect has led to discontent and such idiotic measures as placing more paintings of minority graduates and faculty inside campus buildings. But such

gestures only seem to intensify the sense of separation and antipathy from those for whom they were made.

The Truth About 9/11

Mueller ran the FBI and failed to implement reforms after a Russian agent, Robert Hanssen, was caught. Incredibly, Hanssen had worked on FBI counter-intelligence against the Russians!

Republicans Aren't Going to Save America, It's Up to Us

Biden continued, "Let me speak as plainly as I can to the nation about the threats we face, about the power we have in our own hands to meet these threats. Donald Trump and the MAGA Republicans represent an extremism that threatens the very foundations of our republic."

NIST Continues to Protect 9/11 Lies

America was attacked twenty-one years ago today, thousands of innocent human beings died and the cover-up began

immediately. Those who still believe the “official” narrative of what happened are those who not only have done no research, but are too afraid of the truth to acknowledge what their own eyes saw.

Why MAGA Americans are Indeed Dangerous

Let's be honest here, people who can't even tell if they are male or female and don't believe in guns, are picking a fight they can't survive. We don't want this for them, but they will bring it upon themselves.

War On Western Culture: Losing Western Identity

If I were in power in America? I would create video instructional programs in schools that show every student what he or she faces if he or she chooses crime of any kind. We're talking hard time in a cell and what it's like in a prison yard. Let each student know what they face if they choose crime.

Fight, Contend, and Do Battle

For those who are still asleep, decades ago war was declared on Christianity, our Constitution, Christians and the citizens of this nation. It is a war that Christians in America have not shown up for. When apostasy rises, when false teachers emerge, and when the truth of God is attacked, it is time to fight and contend for the faith.

Grace by the Numbers

Flash cards are cards containing information on both sides that are intended to be used as aids in memorization. The Lord Jesus, Creator of all things, made the numbers we all use. Like flash cards, they can act as illustrations of God's grace – His love for humanity and the redemption He provides for all who trust in Him.

America's Fight With Corruption, Part 2

Do you ever think things will get so repressive in America that a group of high school students will be forbidden from singing the national anthem at the Lincoln Memorial? Well, that has already happened. Do you think that areas of our nation will ever become so anti-American that they will forbid students from riding to school with an American flag on their

bikes? Well, that has already happened.

Intelligence and the 9/11/2001 Events

So, if after Biden's clear and to the point threatening speech –which actually means that the so-called “semi-fascists” will eventually lose all citizen's rights, particularly their right to vote– you still think that just by electing members of the Repucratic Party approved by the Permanent Regime you will solve America's problems, you are a very gullible person ... or worse!

What is the “Supreme Law of this Land” Today?

But if the Constitution and Bill of Rights are still the Supreme Law of this Land, then we need only enforce it. Contrary to common modern false beliefs, we never did have any Rights beyond those we are willing to fight and die for. Our Founding documents tell us what our Rights are, but it is up to us to enforce them.

Enough of the Democrat Death Cult

To those who have not voted in years, if you care about this country and the future for your children and grandchildren, now is the time to rejoin the fight for freedom, liberty, decency, and justice. May God Bless this country and lead us out of the darkness that democrats have led this country into!

The Role of the Federal Judiciary

I hope by now you have seen the jaw-dropping arrogance of the little talked about words of Associate Justice Kagan. While experience tells me she is not likely to pay any price for her bad behavior, much less the oath she took to support the Constitution of the United States, I can only hope that the American people will take this lesson to heart.

Symbols of Idiocy

Now that's a symbol, isn't it? We don't generate enough electricity to run our electric cars. But that's no problem—you just get out and push them. And if you never recharge your electric car, you'll never have to rely on that boo-hiss fossil fuel that has to be used to provide the

electricity.

War On Western Culture: Crushing The Modern World

As reported by the media, Memphis' murders reached over 352 in 2021. Even more tragic, if the two had reversed skin colors, Memphis would still be in flames as of this writing. But because she was white, the legal process will move forward without BLM rampaging throughout the city.

Fractured Bedrock, Part 2

Thomas Jefferson, the freedom-loving republican, was the man who quickly repealed these unjust laws when he became President. America's uniquely libertarian approach to free speech has emerged from a long struggle to hear all voices and achieve civil rights and racial equality which exist in statute in America today.

And These Are The Ones

Driving The Narrative – No Wonder Why Americans Are Confused

What's worse is that the American people are divided over that which is not even true. Then again, the first casualty in every war is the truth. Therefore, if truth is the first causality of the war, then what must become of the war if the truth takes its rightful place? We will have peace (Isaiah 51:4).

Is the Establishment Trying to Goad Trumpists in De Facto Civil War?

We are, indeed, in a battle for “the soul of America.” I call it the narrative war, and whether it will explode from being a war primarily of words into something much hotter, remains to be seen. I think the Bidenistas may be trying to provoke acts of violence, acts that can and will be used against anyone who takes the bait.

Our 45th President Lacked the Ability to Discern

Then why were the majority of people in President Trump's administration from the Deep State? Only a handful were truly Constitutional Conservatives. Americans know who they were, General Michael T. Flynn, Peter Navarro, Dr. Scott Atlas, Stephen Miller, Steve Bannon, Ben Carson and a few others, but the list of swamp creatures was far greater.

Election Fraud Update: Pennsylvania Steps Up the Steal

A condition of ERIC membership, as you may already know, is to solicit as many people as possible in order to register, then to vote. The names which the state must contact, come from a data base provided by ERIC's huge artificial intelligence system – which conjoins millions, including non-citizens, green card holders and others who are ineligible.

Joe Biden: His Worst Speech

In American History!

For certain, millions will race across our open borders until we no longer enjoy our own society. We will resemble a third world cesspool of illiteracy, cultural chaos, linguistic confusion and religious conflict. That's what's coming out of Joe Biden. He will prove to be one of the worst presidents in U.S. history...

Climate Change Scam Will Bring Death & Misery This Winter

Politicians across this country for votes began hyping how wonderful renewable energy is when in FACT renewable energy is the LEAST reliable energy source on the planet. Only in the past year or so have Americans awakened to the FACT that those expensive electric cars depend on fossil fuels to recharge...

America's Fight With Corruption, Part 1

Abraham Lincoln has been attributed with saying "America will never be destroyed from the outside. If we lose our freedoms, it will be because we have destroyed ourselves from within."

Whether he said it or not is irrelevant. It is a fact.

Stop Being a Victim

So young people, maybe you won't listen to your parents. But maybe – just maybe – you'll listen to me, a stranger. Now, I have no doubt that what I'm about to say is going to make you very angry. You'll be tempted to reject outright all the information I'm going to share with you. I hope you don't do that.

What Is Your Final Authority?

Though the Bible is the standard by which all teaching and experience must be tested, supposed latter-day “prophets” act as infallible interpreters of Scripture. It is like a table determining the length of the measuring tape instead of the other way around.

The Specter of White Genocide: Part 2

The greatest danger of the many involved in this conspiracy is that the anti-white mindset permeating police departments,

intelligence agencies and the military will result in members of these groups trained to follow orders, will train their weapons on white society!

Is There a Way To Save Our Republic From the Traitorous Usurpers?

The corrupt usurping traitors who control our federal establishment with the barrel of a gun will not appreciate what I said here. But I have only exercised my rights to freedom of speech, and I have not advocated violence or the overthrow of Constitutional government, nor have I committed federal crimes.

Boomer Bashing and Other Stupid Trends in America

Every generation has learned things unique to its generation. Every generation has skills and principles of value as well as liabilities and failures. We have so much to learn from each other. Just as there is really just one race, the human race, there is one generation, the living generation. Let's not turn on one another and further the divide. We need one another.

In Defense of Love and Freedom

Tonight, I speak in defense of love and freedom. One might think that they need no defense, but tragically, love and freedom are continually under attack. If human beings fail to defend them both, they will lose them both, for they are inseparably intertwined.

ERIC – the Epicenter of Voter Fraud

ERIC is a membership organization ostensibly created for voter roll maintenance. In reality, it is a massive data-gathering operation which adds bogus “voters” to the system of every member state. Millions of inactive, ineligible and “phantom” voters with undeliverable addresses appear on member states’ voter rolls.

Moving Toward Gorbachev’s

“World of Communism”

The headline, “West mourns Gorbachev as peace champion,” helps explain why the West, led by the United States, is collapsing, and why the Communist world, including “post-Soviet” Russia, is coming out on top. Even some conservatives have been fooled.

Is There Really Any Human-Caused Climate Change Going On Around This Planet?

Here in America, we can’t even solve the documented 540,000 homeless in our own country. I just traveled along the West Coast last month. Good grief! Los Angeles houses 66,000 homeless with no solutions. Over 35,000 suffer homelessness in San Francisco. It’s no longer that romantic “City by the Bay”...

Welcome to StupidWorld

What is StupidWorld? It’s the theme park to beat all theme parks, the global celebration of “stupid.” And here you were, thinking that “stupid” is stupid! But no—“stupid” is smart!

First They Stole the Word, then They Stole the Rainbow

Now the last time I checked, the homosexual community represented about 1.2% of the population. This figure I still question, but let's say there are about 4 million homosexuals in this country and you want to increase your power base for social and political influence. Notice in the above explanation for LBGTQIA+ is the "and allies".

The Face of Communism in America

Closer to home, my group, America's Survival, Inc., examined how the Obama regime played a major role in the "success" of Canada's Liberal Party leader Prime Minister Justin Trudeau, who is corrupting Canada through drugs, sexual perversion, and a Muslim invasion.

Fascism: It's All in Who

Defines It

It has become custom in American politics to misuse words to define, label and target Citizens and political opponents in order to divide and conquer the electorate by pitting American against American on the basis of false propaganda. The false propaganda includes the intentional false rewriting of history...

Marjorie Taylor Greene Busted Again

If you remember, Marjorie Taylor Green, the one who decried the “Vaccine Nazis” and who boasted about not being vaccinated, was found to be guilty of investing into the very companies that she was publicly condemning (Proverbs 17:15).

God Has the Plan And the Pattern

In 1905, wealthy John D. Rockefeller, Sr. established the General Education Board (GEB). In no time at all, the GEB was working in tandem with the CFAT to develop standardized curricula with standardized text books for all American children. It was at this time that the Rockefeller Foundation was formed. The demonic occults rule America; not the

people. Church is silent!

Gender Conundrum, Front and Center

Woke professionals at Boston Children's Hospital accept the notion that sexuality is how you feel about others; gender is how you feel about yourself. Astonishingly, they recognize "trans" in toddlers (even babies), thus begging the question, "Are all toddlers 'trans' for refusing a haircut and playing with opposite-gender toys?"

A Morning to Remember: Magic of Glacier National Park

Canada to Mexico, Continental Divide, waking up to a sunrise over St. Mary's Lake, Glacier National Park. With such energy in the air and such visual transformation, we felt blessed to see the sky, the long white cloud wafting over the valley, two grizzly bears, eagles, deer and wildflowers.

Understanding Sovereignty Doctrine

Dual

Most of us are aware of Double Jeopardy, the right to not be tried for the same crime twice, but the courts have adopted a “dual sovereign” doctrine to get around this pesky little problem. Two Supreme Court cases out of Oklahoma show how good intentions often lead to problems, and how the court makes up the rules as they go along.

Mass Media Mind Control

For many years, I made fun of the “chem-trail” conspiracy theorists because as a fixed wing pilot for years myself, I’m quite familiar with vapor trails. But the recent display of utter mass-insanity in our country made me wonder if we were not being poisoned by our own government, be it via chem-trails or our food and water supply.

A Prayer To Save Us From A Global Health Crisis

Please hear our prayers now. Drive Satan and all the demons of hell away from our nation and away from all Christians around the world that are being persecuted for their Faith. Free us from the tyrannical control they are seeking to impose upon

us. May you get all the honor and the glory for the victory.

Words Have Power

V for Vendetta, a dystopian political action film that debuted in 2005, portrays an England of the near future ruled by a fascist and authoritarian regime which maintains control over the people through constant propaganda, and imprisonment or execution of dissidents.

If 'They' Take Control, Will The Republicans Do What Needs To Be Done

There is a very good chance that the Republicans will take control of the House and possibly the Senate in the 2022 Mid-term elections. As they should because what the Democrats have done to this country is a crime. Literally. But there needs to be a lot of concern from the voters about what they will do with that power.

Report from Hades on the Covid Plan for World Domination

You might wonder where Hades is, or what it is. It's a classical term for what some of you clods call Hell, but we don't like that term. It's very bothering and offensive and Hell-phobic, so we've decided that you must use the term Hades. We think it might confuse you just a bit, which is always good.

A Commentary on Power vis a vis Social Order

In George Orwell's 1984, the Inner Party inquisitor demands that protagonist Winston Smith prove his allegiance to Inner Party doctrine by demanding that Winston acknowledge seeing five fingers, instead of the four being held up. The parallelism with the Transgender movement is obvious: absolute denial of facts coupled with the demand to affirm blatant fictions.

Selling Your Freedom for a

Pittance

Like easily predictable clock work, the O'Biden regime is in pre-election rapid fire attempts to buy votes from unsuspecting young YOLO (you only live once) voters only thinking about today, with no foresight into the hellish future they are creating for themselves and everyone else.

Blue Ovals and Infrastructure Boondoggles Are Targeting Tennessee

Earlier this year, local activists in Tennessee, along with Mississippi and Arkansas, fought off the Global Public/Private Partnership (GPPP) of "RegionSmart Development District that would cast a net of control over portions of all three states. Now we are looking at another big GPPP incursion into the Volunteer state.

It's Getting Confusing

While "teachers" are feeding children roasted crickets in the classroom, we have two alleged law professors in the New York Times calling for the abolition of the U.S. Constitution. And if that weren't enough, suddenly we have these weird polls claiming a great "surge" for SloJo Biden and his handlers and

a big win for Democrats in the midterms.

Invasion or Surrender?

It is into this SPIRITUAL war that we have all been birthed. There is no demilitarized zone in this war. It is all encompassing. It is a battle for rightful ownership of the WORLD. The natural world. The one into which each and every human has been birthed. That is the first Truth that one must grasp before a deeper understanding of this war can be understood.

Is Anyone Taking Climate Change Seriously? Apparently Not!

My challenge to Time Magazine editors: get off your complacent rear-ends and start reporting the down and dirty facts of what we face: massive human die-off, endless animal extinction rates, accelerating water scarcity, growing loss of energy, exhaustion of natural resources, toxic biosphere from 10 billion people burning fuel to eat, keep warm and transport.

9/11 Demolitions, Diversions, & Deceit – Devilish Driver of the NWO

The whole thing comes off as one gigantic gaslighting operation on a population too naïve, dumb or scared to understand what happened or to respond if they did suspect the truth.

The Department of Homeland Security Whistleblower Confirms the Unthinkable

Well, now knowing this, and this is just the tip of the iceberg, it should come as no surprise that this is the same unconstitutional agency illegally trafficking young children (Luke 17:2).

The World of the Left is Like a Well-Used Litter Box

Anyone who has ever had pet cats will understand this reference immediately. If you have not, try to extrapolate, and take my word for a few things. The box can contain some

pretty ugly “surprises”. It may look only slightly used on the surface, but when you dig...well, you know.

The American Gestapo

Are Americans so weak that they will keep their heads down and hope the evil passes? Are they so propagandized by the Democrat’s media comrades that they believe what is happening is righteous? Or are they oblivious to the very threats of evil occurring in our nation and around the world?

How and Why Republicans Lose Elections

Bombarded with messages from the Obama campaign and the Soros-funded propaganda machine, including the Super PACs he funded, voters found Romney’s private sector experience on Wall Street and wealth more objectionable than Obama’s record as a Marxist president.

Can Congress Create Term

Limits for the Supreme Court?

Whether you think there should be term limits for justices on the Supreme Court, or federal judges in general, it cannot legally be done by simple legislation. What these Congressmen want to do requires an amendment to the Constitution.

Protectionism vs Isolationism

Selling NAFTA by Congress and the biggest mouth being Newt Gingrich was America wants cheaper goods! Yep. NAFTA and the GATT/WTO gutted cities and towns across the country and there has been nothing cheap about it. Ask me because I've driven through hundreds from Sacramento to DC and back; north and southern routes several times.

Part 2: Will America Survive Our Multicultural Future? The Rest Of The Plan!

If you've ever heard Victor Davis Hanson interviews with Tucker Carlson, Hanson's probably the smartest and wisest historian in America. His book predates Murray's book by 20 years. Southern California has been devolved into El Norte Mexico of America.

The World Economic Forum and the Great Reset, Part 4

These are just a few of the people that are behind this WEF Great Reset. I do believe that there is a Great Reset coming but Schwab and Harari will have nothing to do with it. The men I listen to are saying that God is going to initiate the Great Reset and it will decimate those pushing the WEF.

When the Credit Card Comes Due

How do we rescue ourselves from such despotism? The answer is, we don't. God can, and maybe He will, if we will sincerely repent of our national hedonism and apathy and the lukewarmness among professing Christians. But I believe we're too stiff-necked as a people to ever bow the knee to the Almighty...

Will Republicans Stop the

2022 Election Fraud?

If Democrats were accusing Republicans of fraud, the media would be trumpeting headlines that declared that the 2020 election was an act of treason and insurrection. They wouldn't have needed to instigate a January 6th so-called "insurrection" so that they could block Trump and other Republicans from running based on the 14th Amendment.

Republican, Democrat, or Independent

Every issue presents either truth or lie, and an opportunity to choose either right or wrong, not just for ourselves, but for our town, county, state and country, and all posterity. Like any other team sport, if you are not part of a competitive team, you're not even on the field of play and cannot possibly affect the outcome of the game.

Is the Narrative War About to Explode?

But let them prove the hypocrisy of A.G. Merrick Garland's "No one is above the law," when Trump is publicly accused of doing something Hillary Clinton was able to skate away from. Let the Bidenistas prove their hypocrisy by continuing to protect

Hunter Biden and his now-infamous laptop.

Why Obama Is Out to Get Trump

Professor Jonathan Turley was on Fox saying he had supported the confirmation of Merrick Garland as Attorney General but now says he is disappointed in Garland's political pursuit of Trump. Turley still doesn't get it. Garland is an agent of Barack Hussein Obama, who approved Hillary's plan to launch the FBI's "Crossfire Hurricane" investigation of Trump.

Will America Survive Our Multicultural, Diverse And Divided Future?

CNN's Joy Reid makes bold statements that ours is a racist, white supremacist and systematically "white privileged" society by European Americans. The author of Critical Race Theory states that "white privilege" dominates America.

Teachers' Unions... vs. America

After a two-week teachers' strike some months ago, the Minneapolis School District and the city's teachers' union have signed and just ratified a new contract... which is outstanding for its blatantly racist provisions.

The USA is Totally Insane

The vast majority of Americans trust no one now, and largely for very good reason. Americans have been openly betrayed by politicians in all political parties, every news outlet, the social media CEOs, church leaders, "patriot" group leaders, Hollywood, and due to COVID, even their...

Fractured Bedrock, Part 1

In closing, free speech, a free press and the free expression of ideas shows itself most powerfully, not on Twitter, Facebook, or Google but at the polling place. This is why ensuring the voice of the citizen through Election Integrity must be our highest universal goal.

Radio Show Censored for Exposing the Media's Conspiracy Theories That Turned Out Be True!

How telling can this be? Saturday's The Sons of Liberty radio show was censored for exposing the mainstream media's conspiracy theories that turned out to be true (Jeremiah 11:9). This happened all in the face of the viewers' responses stating: "The Sons Of Liberty ought to be required listening."

Thoughts on the Alex Jones Saga: "Conspiracy Theories" the Good, the Bad, and the Bogus

That said, we must acknowledge that he was in the forefront of those exposing globalism. He drew attention to unanswered questions raised by the Oklahoma City Bombing and, six years later, 9/11. Mainstream corporate media hated his guts from the get-go, especially when his audience began to rival theirs in size.

We Can't Impeach Our Way Out of This

Pinochet saved Chile from communism, and presided over a transition to a free-market economy and democratic system that produced the greatest prosperity in Chilean history. He led a revolution in Chile that by communist standards was virtually bloodless. Some 3,000 people were killed by the military when they overthrew Salvador Allende.

Maine's Tuition Assistance
