

On the Eve of Destruction

Today, we are under enormous pressures to replace our political, educational, and religious (social) structures that were set up to protect the individual, to educate our children with the necessary knowledge, and give them the ability to understand and contribute to the continuation of our way of a life of liberty.

No Denial, Just Proof

We are finding proof of already established fraud, all over the place, in action for 2022. Proof which cannot be denied. Forget the “deniers” thing; forget 2020. Take a look at what is going on, right now.

Gout Patient Experiences Complete Relief With MSM Mineral Formula

The biggest problem with the modern medical world is that virtually nothing is ever done to investigate mineral deficiencies that are linked to a wide range of health problems. It's easier to sell prescriptions to relieve symptoms, but don't fix underlying problems. Gout is a very serious condition.

A True American Seer

We live in an eternal present. We cannot modify the past and only guess about the future. Nevertheless, since immemorial times, humans have tried to predict what will happen. The ancient Greek were very interested in the future.

Veterans Day 2022—Will We “Keep Faith” To Veterans?

On Veterans Day 2022, may God bless all the veterans who have served in defense of our freedom in all the wars. And may the country whose freedom they preserved honor them on Veterans Day and on every day. They kept the faith with us; and, as expressed in the haunting words of “Flanders Field,” we must not “break faith” with them.

The Marxist General in the American Civil War

We can expect more of this kind of propaganda in the months ahead, as we anticipate the 2024 presidential race. The MAGA movement needs to understand how communists overthrow non-

communist majorities and make democracies into dictatorships.

Now What?

Just 24 hours before I sat down to write this, the Internet was buzzing with predictions and prognostications, all of them foretelling a Great Red Wave, a red tsunami, that would sweep the Evil Party out of office and save the country from their insane and wicked policies.

You Really Expected A Red Wave?

Thanks to the failure of the Republican Party to do anything about the 2018 and 2020 voter fraud, the “Red Wave” most pundits forecast was not forthcoming. Those of us who look at reality, and tell the truth to the people, knew it was highly unlikely the Stalinist Democrats would relinquish their control. And yes, it was fine to pray, but one also needs to work to stop the criminal theft. Name me one Republican who has done anything to stop the gigantic fraud in America’s elections.

A Few Post-Election Thoughts: Our Tumultuous Future

You gotta' ask, how much worse does the crime have to become? How many millions more refugees do we have to import before our society breaks down? How many more drug overdose deaths will it take to close our borders? How much more in debt do we have to fall before our entire system fails? When are we going to solve our problems rather than import more of them?

Prepperism, Part 4. "The Alpha Strategy"

We all have to buy food for as long as we live – and lots of it. Food is an alternative store of value whose purchase in these days of supermarkets and the internet is often casually overlooked. Concern for its provision should be a mainstay in considering a rainy day.

This Isn't Government, It's A Death Cult

I have to say that when this information was first brought up that my response to it was that it is nothing short of a provocation to war by attacking the life of the innocent and

usurping parental rights.

The Premeditated Murder of the American Family

The enemies of America thought long and hard about how to destroy this fledgling experiment. It was clear to them that America's strength was a function of three phenomena...

Prayer for America

Father have mercy on our nation, for our rulers are wicked and have partnered with the works of darkness. They have deceived the simple-minded and weak-willed; they have pacified and distracted even the strong and mindful.

2022 – This ONE is It

Although the fake media does its best to make every election look like a beauty contest, all about personalities, pretty faces, and smooth talkers, it's about far more than that! The best we can do is the best we can do. All we can do, is what we have to do tomorrow! Shame on anyone who doesn't do what we all have to do tomorrow!

Post-Midterm Elections: When the Real Work Begins

Anticipation for the midterm elections tomorrow is running at fever pitch. Socialists (liberals) and progressives (communists) are in absolute meltdown to the point of madness. Republicans are likely to regain control of the House and hopefully, the Senate.

Their Hate Runneth Over and It's In Play for the November Elections

Yes, it is up to us. Complacency kills countries and ours has nearly killed the free republic of America. Inconvenience yourself to vote in person on November 8. Make it a group effort. Give rides to others, and take folding chairs to the polls. The longer the line, the better the chance that OUR votes will be recorded for what they are. Be thrilled to wait. Plan on it.

Our Great Constitution Is Used As A Front For Traitors?

None of this would be possible without corrupt government agencies like the FBI and DOJ. Of course the Supreme court is in the tank along with all the other traitors. There is a consensus among patriots that the FBI must be terminated and its employees should never be allowed to work for government again.

Democracy Is On The Ballot: Actually, Viable Candidates Are On The Ballot

If you're sick and tired of the nightmare Joe Biden and his supporters have created, vote for anyone but the people who support and allowed 6.1 million illegal refugees to violate our borders, endless drugs killing 100,000 Americans annually, inflation, waste, racial conflict, rampant crime, no answers to our problems, and a continuation of incompetence.

God Has the Plan; Let's Use

His Plan!

Christians, we have a mandate from Jesus to be on a mission to represent God on earth. If you do not know your mission and purpose, you will do all kind of things but not the right things. Satan will give us good things so we will not do the right things. Present the Kingdom of God which is the rule of God!!! Today, most Christians in America are ruled by Doctrine of Demons and not God.

Which Would You Rather Have?

Is this really what we want for the future of our children and grandchildren? The future of our country? Compare what you see in these seeds of the satanic agenda with those who stand for God, righteousness and justice. Which would you rather have for the future of our country?

The Rebuilding of America, Part 2

Every election is important but if we don't begin to put responsible people who will follow the Constitution instead of a political ideology our way of life will be gone. Klaus Schwab has declared that by 2030 we will own nothing and be happy.

Stronger Together in Jesus

The motley fleet of “just people” utterly defeated Palpatine’s armada, which led to a general revolt against his rule across the galaxy that resulted in the restoration of freedom.

Appointed Boards Are NOT Lawmakers!

To those elected representatives I ask, DO YOU ENJOY BEING THE DOORMATS OF HIRED BUREAUCRATS WITH AN AGENDA? The belief of elected representatives that they are powerless to oppose the dictates of appointed boards – that is the root of the problem. Such an attitude is leading to the destruction of representative government.

Printers Involved in Florida Voter Fraud?

You can choose to check the “coincidence” box in every one of these areas of information. But you cannot ignore the stink. Something smells rotten in the state of Florida, and the Florida Republican Association is asking our officials to take

a whiff and explain.

Obama is Never Going Away

It's true that Congress has the power of the purse, but you and I know that a Republican Congress under the control of Senator Mitch McConnell and Rep. Kevin McCarthy lack the expertise, knowledge, and will to "take America back" and dismantle the major elements of the so-called administrative state. The CIA, FBI, and the IRS will survive, and you and I know it.

Did You Know That Sick Ballots Can be "Cured"?

Now that others are finally – at long last – out and talking about the trouble with ERIC, the Electronic Registration Information Center, as we at the American Policy Center have been doing for so many months, I thought it a great time to take a look at another piece of the formula for fraud, ballot curing.

Teachers, Preachers and Greens... The Unholy Alliance Transforming America

Parents were virtually eliminated from the education process, kept from visiting classrooms, participating in homework assignments and banned from seeing copies of tests and evaluation exams. In time, Americans began to notice that their children changed after entering school. Children were not learning to read and write.

We Need to Repudiate Political Violence

If we do not do these things, in the spirit of control over our emotions, countering lies with truth, and engaging others with the love Christ showed for us – and who suffered far worse than any of us ever will – regardless of what they do, then we risk becoming no better than those we oppose.

Affirmative Action: The Most Racist Program In America

Affirmative action is a policy in which an individual's color, race, sex, religion or national origin are taken into account

to increase opportunities provided to an underrepresented part of society. What affirmative action isn't: it's not based on achievement, effort or intellectual abilities.

“We The People” Are Mostly Sheep, Ruled By Unconstitutional Officials

Putin may be a dictator, but he is ruthless in defense of Russia, The Ukraine war was caused by our government and fake media. Period! “We The People”, here and in Europe are being rapidly impoverished by the war. Millions are dying and the PSRRC is laughing all the way to the bank.

You Have a Right to Be Wrong

“Misinformation” is a lively buzzword, these days. Our so-called government is trying to stamp it out. For our own good, of course. Otherwise we might actually listen to someone who is spreading “misinformation” about our beloved COVID-19 vaccines, Climate Change, or that pure-as-the-driven snow election that we had in 2020.

Federal Elections End at Midnight ON Election Day

President Elect Donald Trump won the 2020 election. I watched every hearing and watched every credible video following the steal. Massive ballot dumps in the middle of the night – hundreds of thousands between Georgia and Pennsylvania alone.

Where Have All the Flowers Gone? Long Time Passing

What was our crime? What did we do to sic all the major environmental groups on us and that the world's major corporations needed to fund them? Supposedly, we were trashing the planet – killing birds and animals, tearing up the Earth, tearing down all the trees, despoiling the rivers, and polluting the skies.

In Contrast to Mere Words, Christian Love Does!

Last week, I did a show asking the listeners and viewers the question to 157 cities, where did Jesus ever preach “God loves you,” or where did He ever say that He loved His disciples, or anyone else for that matter? Of course, no one could answer

that question because it is not in Scripture.

The Serial Killers in Our Midst

A new Netflix film, “The Good Nurse,” is based on the actual case of a serial killer operating in a series of hospitals who killed dozens if not hundreds of patients. At the end, we are told that the hospitals which employed Charles Cullen as a nurse were never prosecuted. He was shuffled around like the pedophile priests who were caught in one parish and then sent to other churches.

Rattlesnakes and Americans...Be Like

Though the world doesn't like our politicians any better than we do, or than they like their own, respect for the American people themselves, remains high. For more than 245 years, Americans have given of themselves for the cause of freedom and liberty all over the globe, asking only peace in return.

Anthony Fauci's Sociopathic Murder of the Masses

Do not be deluded; the unvaccinated are not the enemy. The first step on the slippery slope to genocide is the stigmatization of a minority. Silence invites ever-increasing repressive restrictions. If we are to survive as free human beings, we must speak out against discrimination. We must not ever be silent again not today, not tomorrow, not ever.

Communist China Needs Your Money to Destroy US

Please let me remind Americans what communism is: replacing private ownership and capitalism with a classless economic system. The State is their master and you will obey or you will be put in re-education camps or simply killed. The CCP (Communist Chinese Party) runs the show and they are brutal murderers and liars. Communists always lie with a smile. Socialism is simply the big stepping stone to communism.

Save Our Children From Medical Experimentation

I've been saying for quite some time that the solution to many

problems is local, not national. This is a perfect example. The CDC has squandered any credibility they had and they have lost the authority to dictate medical decisions to anyone. Stop waiting for your elected employees to protect your children for you; stand up and do it yourself.

Breakdown Of The American Family: Tom Brady & Gisele Bundchen

You're darned right! You need to be matched up with a spouse that shares those eight factors. That way, you don't have to "work" at your marriage. You simply enjoy each other, and life shows you a great time!

The Author of Life Overcomes the Culture of Death

Because Satan and all who serve him face a sure and permanent defeat, we should not be dismayed into inaction or lulled into complacency by his temporary power. We are gifted and empowered by God with talents to be salt and light wherever He has placed us (Matthew 25:14-30).

Save the Children

Earlier this year, major life insurance companies were sounding the alarm that death rates had risen to a 200-year high, starting immediately after the jabs were rolled out, meaning that some died within hours or days of receiving their first dose of the shot. For others, it took months for death to occur.

The Rebuilding of America, Part 1

Can we get back to what the Founders intended for us to be? Yes. But it will take a lot of work and sacrifice to do so. We may have to give up football games, soccer practices, movies, and more things that we enjoy doing.

Patriots Want Work & Freedom, Socialists Want Guaranteed Income For Not Working

Experience is by far the best teacher but the tuition in bloodshed and destruction from confrontation is too exorbitant

to contemplate, so lets not go to war and settle this in a fair and Constitutional Election. If it is not fair it will be our last election.

News You May Have Missed, Musings, and Media Miscreant Misrepresentations

Far too many Americans have wasted years trying to outwit the tyrants, hoping to scrape along just out of the culture police spotlight. But it doesn't work that way. If we don't fight back, soon every opportunity to resist will be gone.

The Origin of Covid-19—Updated, Part 17

There were grants from NIH/NIAID to the Wuhan Institute of Virology via EcoHealth Alliance, whose CEO Dr. Peter Daszak in a 2016 book “reiterated that until an infectious disease crisis is very real, present, and an emergency threshold, it is often largely ignored.

Hope ... and Danger!

The more I see and hear from Arizona gubernatorial candidate Kari Lake, for example, the more impressed I am. She understands fully the damage the Bidenistas have done over the past 21 months. A quick rundown

Stop The Steal 2022

For two years now, literally thousands of experts and average Citizens have worked to uncover and expose the massive election fraud that took place in 2020. These efforts have resulted in a gross mountain of hard evidence proving beyond any reasonable doubt that the 2020 elections were the most corrupt, “unlawful and unconstitutional” elections in the history of elections, worldwide.

...and the Pulpits Are Silent

Secular Humanism, and Truth has fallen in our streets. Our preachers are attending church-growth seminars, using “self-help” books to supplement the Bible, and chasing after the butts and bucks. They are fiddling while the nation burns, building their church rather than Christ’s Kingdom

Why Are Our Borders Wide Open To Everyone In The World?

Who exactly continues to destroy America with open borders? Is it Biden? his handlers? Is it the New World Order people? Is it Soros? Is it the people attempting to imitate the European Union by creating a North American Union of Canada, America, Central America and Mexico?

Do Or Die (Let's Do!)

And New York's Democrat gubernatorial candidate, Kathy Hochul (incumbent), in a televised debate this week, responding to the Republican candidate's concern for their state's soaring crime rate: "I don't know why that's important to you". Yes, she really said that. On TV.

The Hucksters and the China Virus "Hoax"

Today, the controversy is over the effect of the China virus on children and whether the vaccine will save them from hospitalization and death.

How to Interact With the Corrupt FBI

If our judges followed the Constitution many FBI agents and government officials would be in jail and sued for their last dime. Many innocent American victims of Unconstitutional laws will seek compensation. It will be many victims because a majority of federal laws are unconstitutional.

The Church is Supposed to Be the Moral Compass of Society? What Happen?

The Church is called to be the moral compass of society. When that goes, everything goes. The heresy in the Church today has reached new heights, no doubt. When you see it happen in such contrast to the Word of God, one has to ask what these heretics are reading because it is not the Bible.

2022 The Single Issue

Election

More than any election in the past hundred years, this one will determine if the USA remains an independent nation of free people, or nose dives into the hellish pits of some maniacal One World Global Commune under Nazi Klaus Schwab and his evil band of international criminals.

The Sick American Soul

What's going on in this country cannot all be explained by just the demented doings of the devil-driven Demonrats, although that is the public face of the assault on the body politic dividing and separating us along a fault line that may be termed a political "continental divide." Finding fault always creates fissures that separate people into factions.

Joe Biden & His Handlers Place NO Value Or Respect For U.S. Citizenship

Are you not tired of getting screwed by President Biden, and/or his handlers (really...does anyone think Dementia Joe is running this country?) He can't even finish a simple sentence or walk up a flight of stairs. How much worse do you think it will become in the next 27 months?

Proof Mail-In Ballots Facilitates Voter Fraud

Over time, it's morphed into an open invitation for voter fraud. As someone who has been researching and writing on election fraud since 1993, between advanced technology, dishonest, partisan voters and political operatives, the situation has only worsened.

When is Freedom of Speech Not Freedom of Speech?

In point of fact, the court is using "freedom of speech" to suppress freedom of speech. It has placed "a freewheeling First Amendment right to censor what people say" squarely in the hands of government. When any government has the ultimate authority as to what communication a privately owned platform must allow, then government has become the censor.

Inseparably Intertwined

A little more than 20 years ago we moved to a new area and started attending a church that my wife and I had scouted out

beforehand and deemed to be a good place to worship the Lord, hear sound Biblical preaching, and enjoy Christian fellowship.

The Divided Church in America

First of all, I want to call your attention to two realities. Jesus did not come to start a religion called Christianity. He came to earth to reclaim dominion and the Kingdom lost by Adam. Jesus spent His time on this earth explaining the Kingdom, the Kingdom Government, and conduct in the Kingdom. Jesus did not build a church. At the time of Jesus, there was no such word as church.

The Importance of Your Vote, Part 3

Growing up I was taught that voting was an important part of living in a free society. People fought and died so that the American people could choose whom they wanted to represent them after all our constitutional republic is a representative government. Well, it's supposed to be. Most Democrats and too many Republicans simply ignore that...

Woke: the Culmination of the Marxist Education System

Social justice is not justice at all. The Cambridge English Dictionary defines justice as: “the condition of being morally correct or fair”. Social justice is neither morally correct nor fair. Like most things Woke, it might hold a grain of truth, but any truth in it is twisted to benefit the “victim” du jour – which changes with the climate.

Demand Your Legislators Obey The Constitution, Or Else

Legislators work for you. Either you know this, and get in their face and demand they obey the Constitution or you are a cowardly ignorant apathetic slob who deserves to starve, and are a disgrace to those who died to give you this Republic.

Texas HB 20: Viewpoint Discrimination is Now Illegal in Texas

If you like the passage of Texas House Bill 20, you may be interested in knowing how it can be promoted. It can be promoted through a new documentary film now in production, a

film that will address the God-given right of speech. The documentary is entitled, SPEECH – The Door Is Closing?.

Not Another Cuban Missile Crisis, Part 2

Now, the question remains: Why did Nikita Khrushchev placed the dummy missiles in Cuba? My answer is very simple: Because Khrushchev needed to get rid of troublesome Castro and wanted the Americans to do the dirty job on his behalf. Unfortunately, they didn't fall in the trap.

When Lawlessness Is Law

The Leicestershire Police Dept. got a thumping from the Home Secretary recently for putting out a social media message urging “transsexuals” to report “deadnaming” as a hate crime. “Deadnaming” is a made-up word for declining to address or speak of trannies using the names they had before “gender reassignment.”

St. Louis, Baltimore, Chicago, Philadelphia, NYC, LA, And San Francisco Becoming More Like Detroit

But today, we're seeing a U.S. Senator candidate, John Fetterman, from Pennsylvania promising to empty more than half the prisoners from that state's prisons. We've got NYC District Attorney Alvin Bragg failing to keep criminals off the streets by giving them immediate "bail-less" free passes.

Carter Page's Lawsuit Dismissed

I'm sure you've heard of "Operation Crossfire Hurricane", sometimes called "Russia-gate". Carter Page was caught up in this investigation and sued the Department of Justice for lying to the FISA court in order to acquire warrants to surveil him. A district court recently granted the DOJ's motion to dismiss the case. The reasons why and the logic behind them is worth looking into.

FBI Now Terrorizes Ohio Pastor: Americans Have Every Right Under God to Protest Corruption

The message being given to the American people today BY THESE terrorist agencies is that we are to shut our mouths and bow the knee to our masters at every given directive regardless of if it is lawful or not. That just isn't going to happen, friends.

The Specter of White Genocide Part III – the Great Replacement

The global regime wants white people to die and, as a result, we live in a genocidal state. Indeed, the state itself is compliant and complicit in the opioid plague. Prior to the American invasion of Afghanistan, the Taliban had outlawed and destroyed the opium trade.

If I Was Running for Political Office Today...

As an elected representative, one is supposed to represent the will of the people within the parameters of the Constitution of the United States, and to preserve the liberty of Americans' personal lives. It would be my hope as a Christian these are not exclusive to the principles of Christianity...

There Was No Insurrection in DC

Just because the masters (the People) have not monitored or held their servants (politicians) accountable for many years now, doesn't mean that they can't, or never will. Sooner or later, human nature will demand nothing less than freedom, liberty, and justice.

This is NOT Another Cuba Missile Crisis

So, you may use any name you want to name the present crisis with Russia. But, please, don't call it another Cuban Missile Crisis. Vladimir Putin is not Nikita Khrushchev and Putin's nuclear missiles are not dummies. Moreover, as any hunter can

tell you, provoking a bear is not a good idea.

What About America's Conflicted and Confused Future?

Islamic schools in the United States teach the purpose of Islam is to impose "Allah's divine law – sharia – on all humans on earth." Sharia mandates that all non-Muslims convert to Islam or be subject to capital punishment."

The Importance of Your Vote, Part 2

The subject of abortion has been a very volatile subject for quite some time. Liberals demand that it be made available up to and including after birth. The election of Donald Trump assured the voters that he would appoint jurists that would adhere to the Constitution...

What Are You Holding On To?

So refuse to allow any falsehoods or lies – about any topic – to go unchallenged. Stand up for righteousness and justice, in whatever venue it's needed... get involved in your school board, your library board, your city council, and wherever public policy is made.

The Gift of Perseverance Is Never Obsolete

Knowing that nothing can ever separate us from the love of God through Jesus Christ gives us the divinely granted courage to leave false religion with all its worldly advantages for the gospel, suffer persecution with patience and hope, and even face death with calm assurance.

Mass Murder is Not a Hoax

Stephen K. Bannon and Darren K. Beattie were on "Real America's Voice" claiming the jury's \$1 billion verdict against Alex Jones is somehow a threat to the First Amendment and free speech.

Cuban Missile Crisis 60th Anniversary

At the conclusion of the 1962 Cuban missile crisis between the United States and the Soviet Union, the withdrawal by the U.S.S.R. of offensive missiles from Cuba was heralded as a great victory for President Kennedy. But in exchange for this withdrawal, the president guaranteed the safety of Castro's Cuba from additional invasion attempts from the United States.

Why Democrats WILL lose 2022 BIG

The ONLY way democrats win in November is if good men and women do nothing. After the past two years of Biden disasters, millions are ready to take control of their own futures by putting AMERICA FIRST in the 2022 elections. Most can now see exactly why socialism fails everywhere it's tried.

Another Reason to Be a VIP Voter on Election Day!

Carry that message to everyone you know to do the same, whether next door, at the grocery store, at work or church, or on social media. Get the word out! Use the graphic above for

flyers, signs, social media contact, and in every email you send.

Marriage, Family and the God Who Created Everything

If there is no God, and humans somehow evolved from a black and loveless void that had no moral compass, then humans, by definition, are simply animals competing to survive. A void of nothingness can not give birth to a timeless and transcendent set of ethics.

Is There Something Drastically Wrong With American Society?

Well fellow American, I am sick to my stomach at how we treat ourselves and how we treat our animals. Is there a way to solve this daily nightmare across America? Or is it just too big, too much and too pervasive to change?

Stirring Up Racial Strife

What are the public schools, totally captive to the teachers' unions, doing besides indoctrinating children to hate and fear each other, their country, or even their own families? They're not going to stop doing it. The only way we can stop them is to pull our children out of the unions' schools and give them a Christian education, preferably at home.

How Stupid Are Some Americans, Anyway?

Not too long ago, Yahoo!'s news aggregator restored allowing comments on the site. Comment options were ended not long after the start of the plandemic. Their reason illustrates the old saw that for every corporate decision there's the official reason and the real reason.

Tulsi Gabbard's Sudden Conscience

I too agree with much of what Tulsi is saying lately, and I too hope she means every word of it. But I won't risk the future of freedom and liberty on it! Will you?

Every Place Has Its Secrets

The American people are quickly understanding that the elites have stolen our wealth and mortgaged our future. They are criminals of the worst order and their institutions are corrupt to the core. They have almost complete control of our destiny as a nation.

This is No More Biden's Government Than It Was Trump's

If the American people do not want to take responsibility in righting those that are doing the wrongs the way that their forefathers did, then the American people will get exactly what it is that they deserve (Article II, Section 4; Article I, Section 3, Clause 7 US Constitution; Amos 6:3).

Positive New Treatments Aren't Rocket Science

So, it doesn't take a rocket scientist to know that forced oxygen might also heal patients with Alzheimer's and dementia.

However, it took until 2021 for “a team of university scientists to reduce brain trauma by hyperbaric oxygen therapy, preventing the core biological processes for the development of Alzheimer’s disease”...

Bombshell Covid-19 Lawsuit – Finally

It’s said the wheels of justice turn slowly. I say when corruption is involved with big names and lots of filthy money, yes, defendants and judges would sell their own mother to keep from going to trial. Such is the lawsuit which I covered June 16, 2021, by my dear friend, Larry Becraft...

What is Judicial Review?

Unless We the People stand up to the long train of abuses the federal courts have committed against us and throw off such despotism, we condemn our children to live as subjects of an oligarchy rather than a free and secure people in a constitutional republic.

The STASI Overlords of America's Medical Industry

American socialists have long been promoting the nationalization of health care. After Democrats took control of Congress in 1964, President Lyndon Baines Johnson's "Great Society" gave us Medicare and Medicaid Act, also known as the Social Security Amendments of 1965.

The Biden Border Rush IS A National Disaster: By Design

Take a look at Sweden, Denmark, Norway, France, United Kingdom, Germany, Finland and Belgium. They are losing their identities, their languages, their cultures and their way of life. Here's a harsh reality: they are not going to get their countries back.

The Importance of Your Vote, Part 1

Elections have consequences and as of late, those consequences have been rather drastic. Our economy has crashed when it was the strongest the world has ever seen, our southern border is a disaster when we had the most secure border that we have

ever had, our energy prominence has been destroyed when we were the world's #1 exporter we are now begging nations that hate us...

The Heavens Declare God's Majesty

One of my favorite things to do during the weekend is to sit on the deck of our home and enjoy the night sky. Despite living in a suburban area, a cloudless night reveals a multitude of stars that can be seen with the naked eye. It always amazes me that many of the very same stars that I view from my deck were seen by people thousands of years ago.

This Is Our Time

I understand that all generations, as they get older, look back on the past and long for the "good old days." Even though they probably weren't all that great. If you look at the big picture, every generation has had it's challenges to confront and overcome. Some fared better than others. My concern is that I don't think Americans today are up to the task at hand.

DeSantis can be President by Demanding a Return of Tariffs, Ending the Income Tax

Florida Governor DeSantis has taken a number of actions favorable to the people, but like all the other State Governors, has failed to get the Feds out of state functions unconstitutionally usurped by the Feds. [Usurped: take illegally or by force] This failure by our Governors can only be for one or all of the following reasons...

Giving Up Our Rights Given by God

DO YOU UNDERSTAND WHAT HAS HAPPENED IN OUR NATION? While we have been asleep and deceived, evil and wicked politicians and Globalists have infiltrated this nation and changed our government and our Republic. We have allowed ourselves to be dumb down and deceived and we have not been attentive citizens to our Republic.

Domestic Democrat Failures, Overseas Nationalist Successes, Media Hysterics

If voters blame Joe Biden for economic instability, they will likely punish Democrats next month. Inflation is not the only problem that can be laid at the Bidenista doorstep. Look at the anarchy on our Southern border, the money already sent overseas to Ukraine that could be far better spent at home...

Is It Prideful to Force Others to Comply With Your Desires?

While the stay from the Supreme Court is good news, it doesn't mean that Yeshiva University is out of the woods. My guess is there will be plenty of opinions, appeals, and legal maneuvering before this case is finally decided. As Thomas Jefferson said: Eternal vigilance is the price of liberty.

Yes, They Want to Break Up

the Family

Virginia has a new state government that's trying to rein in the craziness. The pro-trans mob, who've had things all their own way in recent years, naturally resist these measures. A group has emerged that devotes itself to breaking up families if the parents don't want their children diving head-first into aberrant sexual behavior.

What's Going On At The Mexican Border Right Now Is An Invasion

We need a national outcry to stop mass legal and illegal immigration into America. Otherwise, your children are screwed, and their lives totally ruined. If you are alive in 2050, you won't like what happened to your country...the United States of America.

**Rand Paul Highlights
Inflation While Asking His
Constituents To Stop**

Inflation!

While at every turn Americans are dealing with being taxed to death, we receive more news from those who claim to be the good guys in American government that prices are skyrocketing while they then ask for Americans to support them in putting a stop to inflation.

Power to the People

On Monday, the big news was that the tax cuts being proposed by the new British Prime Minister Liz Truss were being somewhat scaled back because they might “favor the rich.” This is a Marxist line of attack. Yet, Stephen K. Bannon was on his “Real America’s Voice” show trashing Truss for proposing tax cuts in the first place.

Equality vs. Equity

All tyrannical governments around the world have promised their citizens “equity,” not equality...and all have provided their citizens an equal depth of poverty, causing those governments to become ever more brutal to the people they keep under boot. Americans hypnotized by the “equity” scam, are being bribed and used for evil.

The Stasi Actions of the Politicized DOJ

Next up, we'll study the Stasi control of our health care which was once ranked among the world's healthiest populations in 1984. But in 2021, a study by the Commonwealth Fund ranked America's health care system dead last among industrialized nations, with the highest infant mortality and lowest life expectancy.

America in Name Only

America has all along been the jewel in the crown—the sought-after prize of the psychopathic elites. She's now imprisoned along with the January 6th patriots rotting in that filthy D.C. jail. It isn't hard to read the writing on the wall to figure out what happens if we do nothing. The wild card is what happens as we endeavor to take our country back, bit by bit.

Now that we've tried the

GREATER EVIL (again)

The whole world knows that Biden and Harris were chosen by the global communist cabal simply because they are both expendable useful idiots easily controlled by their puppet masters, and easily disposed of when they are no longer useful. Both are total simpletons who made their way to the top lying, cheating, sleeping, and stealing their way there.

GOP's Commitment to America: Another Gingrich PR Stunt?

Now it's poltroon hot shot Kevin McCarthy leading the faithful with more "well thought out" words and the same old recycled plan that has done nothing. A Nation's that safe. That is what the military and constitutional militia (Second Amendment) are all about. Congress does NOT have any authority to run rough shod over city police departments.

Autumn Gold Backpack Adventure into Mt. Holy Cross

In late September, changes arrive in the High Country of the Rocky Mountains. A whisper of cool winds rustles through the trees. The mountain creeks run low over their rocky beds as the snowfields diminish from their summer melt. Forever green

pinetrees cover the mountains like a silent blanket.

Unexpected Opportunities

Several years ago, my wife and I were flying home from a vacation in Florida. Because advanced seat assignments were not available, we could not sit together. She ended up in a seat near the back of the plane, while I was able to get an aisle seat next to a middle-aged wife and her husband close to the middle of the plane.

Democrats Pushing For Right To Cheat In 2022, Part 2

When the righteous are in authority, the people rejoice: but when the wicked beareth rule, the people mourn. Our Founders lived their lives by the principles of God and gave us the greatest nation the world has ever seen. We have let it go down the road to destruction. We can stop it but we need God's help to do so.

Danger And Courage

Cruel and unthinking people are giving you the opportunity to accomplish now what you failed to do before. The situations that once made you upset, guilty and afraid will become the very things to give you happiness and well-being from now on.

Think Your Vote Doesn't Count??

If we vote in person, on election day, we can get our country back. If we give in and give up, we will have lost our precious freedoms for generations to come. Venezuela is a perfect case at point.

On-Going Plot to Reduce the Global Population

And it will get worse. So, we need to prepare for whatever comes, and the only way I know that we can do it is to grow stronger in our faith and dependance upon God to see us through all the travails that are forthcoming.

DANGER: Article V Convention Legislation filed in Congress: They Want a New Constitution

If Congress calls an Article V convention, you can be sure that a new Constitution will be imposed on us. The convention of 1787 was called “for the sole and express purpose of revising the Articles of Confederation”. But the convention proposed a new Constitution which had a new mode of ratification and which created a new form of government.

How to Lose Winnable Elections

In terms of our current predicament, a key plank of the Communist Manifesto was “Centralization of credit in the hands of the state, by means of a national bank with State capital and an exclusive monopoly.” That means, for our purposes, the Federal Reserve, now exposed as a failure by The Economist and other mouthpieces of the establishment.

If I Had Elon Musk's \$250 Billion Bank Account

Over 60 years ago, in the infancy of television, from 1955 to 1960, a wealthy benefactor gave away \$1,000.000.00 to lucky recipients. During the program, the benefactor tracked their lives, their choices, and their outcomes.

The Kind of Imbeciles Who Rule the World

Spain's Minister of Equality (good night, nurse!) raised a few eyebrows recently when she declared that "children have the right to know that they can love and have sexual relations with anyone they want". This ought to give you an idea of the kind of people who are governing the world's nations, these days.
