

The Intellectual Suicide of Academia and Corporate Media

This should not be rocket science, but this is where we are in 2022, when a national senator is no longer allowed to say that only women can get pregnant without getting “schooled” for it (interesting word, that!), and when intellectually suicidal law professors deny biological reality in order to use “inclusive language.”

The Emasculation of the American Male

We saw dramatic scenes of Uvalde police mistreating and harassing desperate mothers. Some of them were gassed, tased, handcuffed and treated as criminals. It was a shameful day for America.

Oprah’s Next Candidate for President

Indeed, Measure 110 (also known as Initiative Petition 44) passed in Oregon, with the support of George Soros, Mark Zuckerberg, and the Oregon Democratic Party, and decriminalized dangerous drugs like meth, cocaine, Oxycodone

and heroin. As a result, to no one's surprise, substance abuse is rising.

Big Government, Small Liberty

Our Declaration of Independence, our country's founding document, states that we "are endowed by [our] Creator with certain inalienable rights." That means our rights are God-given and cannot and may not be sold or taken away from us. Not even by the government.

America's Ethicality, Morality and Decency Quotient Spiraling Into The Toilet

It means we're losing the basic tenants of bringing up our children to be responsible, honest and contributing adults in America. It means that we all pay for that \$52 billion in stolen goods annually. It means that anyone of us can get killed by felons let back onto the streets.

To the Ends of the Earth: Lost White Migrations and Civilizations, Part 2

Today, the Southwest continues to suffer from an extended drought and shrinking water reserves while nothing is being done about it. It can be properly asked is this a prelude to a scenario where the illegals and never-do-wells take over California despite the high tech Silicon Valley culture that rules it today?

If YOU Can't be Trusted to Protect Your Own Child

If YOU can't be trusted to protect your own child, can you be trusted with anything else? If you have demonstrated no regard for human life at all, should any human anywhere trust you with their life? If you don't believe in the most foundational Right to Life, what other Rights could you possibly believe in?

Bloodguiltiness: It Isn't

Over Yet- There Will Be Recompense On The Heads Of The Guilty

I, of course, responded that the wicked, as defined in Websters 1828 Dictionary, are those that have deviated from the divine law (Exodus 20), and you know who that is (Jeremiah 5:28).

Being BlackRocked = Being Cancelled by a Global Public Private Partnership

While most of us thought that we had a government of the people, by the people and for the people, we do not and have not had one for many decades. The transformation has been in the works for over 100 years, but the final weapon to take us to a one-world government was the two-part President's Council on Sustainable Development/National Partnership for Reinventing Government.

The Great Reset is

Communism's Final Solution

The communist state took the place of God. Under the rhetoric of liberation, Lenin's Red Terror plundered the rural middle class, known as Kulaks, and when they resisted, it slaughtered. The confiscation and redistribution of grains from Kulaks in Ukraine and Russia led to starvation on an epic scale.

It's Trump Versus Obama/Biden/Hogan in Maryland

Kelly Schulz is running commercials on Fox News claiming that she is a conservative candidate for Governor in Maryland. But on her website she touts her endorsement from the liberal Washington Post. The paper, a long-time voice of the national Democratic Party and the Deep State...

Illegals Invasion: Sheriff Says Enough

Along came President Trump who had to fight RINO's as well as maggots in Congress, the Democrat/Communist Party USA and partisan judges who did everything they could to keep "the wall" from being built.

Dobbs v. Jackson Women's Health

After almost 50 years, a landmark decision of the Supreme Court has been overturned. Will it be remembered with other decisions like Dred Scott or Plessy v. Ferguson? Only time will tell. After all of the furor when a draft of the opinion was leaked, we finally get a chance to review that actual opinion in Dobbs v. Jackson Women's Health in its final form.

What's Happening To Our Country?

We see our baby boomers as the fattest, most obese generation ever on the face of the planet. We're seeing their kids following in their footsteps. We've got millions upon millions of kids tattooing their bodies into total "ink disfigurement." And, countless millions of kids addicted to cell phones, so much so, they can't operate without those phones.

There Is a New Country

This world with its oppression, war, disease, brutality, genocide, and death is not all there is, even though it may seem like it sometimes (2 Peter 3:9-12). But there is something much better and everlasting coming.

America's Fight To Stay Free, Part 3

If there are no borders a nation will not long stand as a sovereign nation. Under Trump, we were securing our borders which no previous president had done. Reagan tried but Senator Chuck Schumer has seen to it that they remain porous as a sieve. When Biden stole the office of the presidency he told the world that our southern border would be open for all to come.

Can Repentance Save This Nation?

This nation has closed its door to God a long time ago, and we are sliding into the abyss. I can not understand why our people can not see this phenomenon. Our Republic was established with Godly principles and can only flourish in a nation that has a God lead moral culture. Our Republic will

not work with any other system...

International Living, Part 2

If, on the other hand, Europe beckons, enjoying the warm coastal nation of Portugal should be a notion to seriously consider. It is the epitome of Old World charm. Centuries-old architecture and vineyards, cobblestone streets, omnipresent outdoor markets, and convivial cafes make your days charming and pleasing.

One Man's Crusade Against Voter Fraud

This is essentially what he has done with the voter fraud business in Florida. Using his expertise, he has jumped in to find out how it works (with little documentation from them, for sure!) and analyzed the operations.

Cultural Marxism Spawns

Narco-Nation

The Highland Park shooter, who was under police surveillance at one time, is just the latest example of mass violence that escapes the attention of the Biden's Department of Justice. A letter to Attorney General Merrick Garland from a national coalition urging him to support enforcement of federal marijuana laws has been ignored.

Abortion and the Definition of Human Life

Therefore, let us call out to both pro-lifers and good-hearted pro-choice advocates to go back to the roots of the abortion debate and reexamine all of the premises upon which abortion has been made legal. If the founding assumptions are incorrect, the end result will be deeply flawed and even horrific, as we have seen with the laws and proposals mentioned above.

Toward a World of Woke

How do you get the Climate Change legislation that you really want? I don't mean any half-baked toothless regulations for recycling your muesli cartons—no! I mean rock-hard, in-your-face, take-no-prisoners Climate Change laws. With jail time for anyone who dares to object.

This Ain't Norman Rockwell's America Anymore!

This country faces some really nasty events in the near future. We've got useless politicians who won't prosecute criminals, an absolutely senile president who lacks any understanding of what he is doing, and his "handlers" are as incompetent as he is, and, to tell you the truth from my position...nothing is going to change for the better.

Representative Decries The FBI For Acting Like The Gestapo

This is one of those topics that we cover quite a bit at The Sons of Liberty Media and that is the parallel to what is happening in America today and the Germans under Adolph Hitler in the 1930s, and here we go again (Hosea 4:6).

If Trump Plans to Run in

2024, Time to Announce His Candidacy Is Now!

By all the official measures the Trump economy was roaring! We were on track for energy independence. Gas prices were under \$2/gallon. Unemployment among Hispanics and African-Americans had fallen to record lows. The Dow was surpassing previous highs almost daily. Inflation was practically nonexistent. The situation on our Southern border was under control.

Alkaline vs. Acid, Life & Death Hangs in the Balance

The time is right for a paradigm shift to intelligent self-care and learning the divine mechanisms behind God's magnificent, self-healing system – a process termed autogenic. We need a new level of understanding about the body's own inherent, innate ability to heal itself. It's time for a real wake-up call to the true causes of all disease and the direct enemies of self-healing.

Producing Paltry Prospects For an Educated Populace

A report from Northwestern University in an Associated Press

article indicates that local newspapers in the US are dying at the rate of two per week. The report further says that there has been new growth in digital alternatives “but not enough to compensate for what has been lost”.

America's Fight To Stay Free, Part 2

The only reason we need a reset is because the people who want total control don't have total control and they believe that this is the only way they can get it. America has to be taken down for them to be able to accomplish this. The only way America can be taken down is for the American people to be disarmed.

Weather Modification, Another Way to Starve Americans

In 1962, President Lyndon Baines Johnson said, “He who controls the weather will control the world.” The Great Reset, the New World Order, and ultimately United Nations Agenda 21/30 are one and the same thing, the godless control of humanity by Luciferian forces. Their goal is depopulation and the enslavement of remaining humanity.

July 4, 2022: Let Freedom Ring

It puts most of us in a reflective mood, particularly when we celebrate America's birthday. Freedom, individual liberty, the Declaration of Independence, and the Constitution. All prodigiously good reasons to celebrate on America's 246th birthday.

The America I Grew Up In

Before you start the barbecues and fireworks, watch this six-minute video, and ask the Lord for help in resurrecting the marvelous America we once had. Won't you take just a few minutes every day to bend your knees to the Lord and ask for Him to give us wisdom and guidance in saving our beloved country?

Congress Does NOT Care About Seniors

I turned 73 last week and am a widow. I can tell you stopping taxing my SS benefits would go a long way for my monthly

budget. If you're a senior you know what I'm talking about and if you're not and God willing you live a long and happy life, one day you will also apply for your benefits you've already paid taxes on only to be taxed again.

July 4th 1776 and 2022—America Then and Now

On this July 4th 2022, 246th anniversary of our Declaration of Independence and the birth day of our United States of America, and on every day, we Americans ought to remember, honor, emulate and give thanks for the patriots of July 4th 1776 – from Gen. George Washington, the Father of Our Country, to the least ranked unknown soldier of the Revolutionary Army, whose service and sacrifice created our freedom.

Part 3: What Do We Do About The Homeless In America? Are There Any Answers?

If you look at cities like San Francisco, Los Angeles and Chicago...you're watching dying cities. It's amazing to me that we saw Detroit, Michigan "die" in the 80's and 90's from lawless tribalism by minorities, and now, we're seeing it repeat in our other big cities.

Redeclaring Independence in 2022

If We the People will pick up the Constitution, read it, and study it, we'll find that our subjection to Washington, D.C., is not the law, but a result of our own actions. Washington, D.C.'s power is as fake as the emperor's clothes in the Hans Christian Anderson story. Isn't it time others join me in pointing out just how naked the government in Washington, D.C. really is?

The Lord Turns the Heart Wherever He Wishes

When President Donald Trump nominated federal judge Amy Coney Barrett to the Supreme Court of the United States on September 26, 2020, to replace the late Justice Ruth Bader Ginsburg, many Christians and pro-life conservatives expressed hope that the new prospective Justice would be like a modern-day Esther...

We Are Living Through a

Communist Revolution

As we take pride in America, we have to recognize what has America become – and what is it becoming. For that answer, read the Communist Manifesto and take note of the fact that literally dozens of communist groups operate on American soil, in open violation of the Communist Control Act, which is still on the books.

We Are Proud of THIS?

It's very much like the story of Sodom in Genesis, where the men of the city marched to Lot's house and surrounded it, demanding they send out the two angels so they could have sex with them, and then attempted to break down the door. Violence against Christians at these "pride parades" has ramped up substantially with the complicity of the local police.

Act Before Time Runs Out

As Americans we must stand against this move to take over our country by the president. It is not too late: There is much that can be done on the local level, but time is running out. Now is the time for patriotic Americans to stand forth and encourage others to do right.

Roe v Wade May Be Gone, but the Death Culture Remains. This Is Why

A different article tried to draw an analogy between the unborn baby and a famous but unconscious violinist, to whom a woman who had been kidnapped was hooked up so that their blood-streams were shared. She was to be forced to continue sharing her blood to keep the unconscious violinist alive for nine months.

Proceed

A few months ago, the Spirit began moving me into an offensive position in a specific arena, and has been steadily giving me direction for how I am to proceed. Mine is not a unique position. God is doing that with His people all over our land. We are responsible not for “saving our nation”, but for obeying the direction of God for the realm He has given us authority in.

Cancel Culture is Cancelling itself

They, the Globalists, are telling us meat, milk, tuna fish (and anything else natural, except centipedes) are killing us. So, we need to eat bugs to be healthy. Uh huh. I laughed. Even many deeply duped Leftists are gagging on that. How many cockroaches does it take to supply one gram of protein? And will they expect us to eat termites?

Heading In the Wrong Direction

It seems to me that most Americans are now realizing that America is heading in the wrong direction. While we may disagree on the reasons why we are heading in the wrong direction, the fact remains we are heading in the wrong direction. In this article today, I want to present four reasons why America is heading in the wrong direction.

The Time Is Now

However political parties may now and then answer popular ends, they are likely in the course of time and things, to become potent engines, by which cunning, ambitious, and unprincipled men will be enabled to subvert the power of the

people and to usurp for themselves the reins of government, destroying the very engines which have lifted them to unjust dominion.

Losers Weepers

Going back some decades, Democrats have frequently used the courts to ramrod new policies that had no chance of winning popular support. They smirked at our protests and kept right on doing it.

SCOTUS Affirms Broad 2nd Amendment Protection

For the first time in about 200-years, the U.S. Supreme Court is on a Constitutional roll. In this case, the highest court in the land ruled strictly upon the basis of Constitutional text instead of on the basis of partisan political activism, as has been a practice in the courts ever since Jefferson warned about it repeatedly in the early 1800s.

What Do We Do About The Homeless In America? Solutions!

When the woman who wrote me for solutions to the homeless problem in Los Angeles, she described her feelings of "homeless fatigue." Yes, we must possess compassion for hundreds of thousands of Americans who either became homeless by their own poor choices, or by the economy and loss of jobs, and/or drug and mental problems.

I'm Still Standing

I fought them and I fought them hard...often times standing alone...as the cowardly pastors in our community hid under the pulpits. They called me a law-breaker. They whispered that I wasn't acting in a Christian way by not following Romans 13. They told me I was making Christianity look bad.

Christianity: This Isn't The Military! Oh, Yes It Is!

A couple of years back I remember a very immature woman (Who simply had a head knowledge of the Word of God in part, not understanding that God speaks to the heart and not the head in

producing testimony (2 Timothy 2:6). This woman said about Christianity, "This isn't the military, you know!"

The Knights of Senator Johnson's Round Table

The one and only good I see coming out of the Covid Plandemic and catastrophic, quasi-mandatory vaccine policies, is that we're seeing some Americans emerging as heroes during this dark time.

Americans v. Demonic Democrat Socialists

The battle for the heart and soul of the USA was brought into vivid focus last week with two landmark Supreme Court decisions that should have been properly settled many years ago. Congratulations to the current SCOTUS members who had the intestinal fortitude...

Will the January 6 Committee Fuel Civil War in America?

It will be a civil war by any other name, and as many have argued persuasively, because of the lack of clear geographical divides – red states contain many blue enclaves and blue states contain red enclaves – such a war will be magnitudes messier than the war fought from 1860 to 1865 which conventionally goes by that name.

Abortion Protesters are Entirely Ignorant of the Facts

Democrat Socialist politicians and entertainment personalities have been telling American women that they have a “constitutionally protected Right to murder their children in the womb” ever since the fatally flawed Roe v. Wade ruling. It has always been a complete and total outright lie. No such Right exists anywhere in the Constitution...

EV's, Green Deal Destruction

& Warning Extreme Diesel Engine Oil Shortage

The communist plan known as the “New Green Deal” is nothing but a con job. Another catastrophe that will play out for decades and destroy our economy even worse than what’s underway. But, that’s always been the game plan for nearly 100 years. The communist plan known as the “New Green Deal” is nothing but a con job. Another catastrophe that will play out for decades and destroy our economy even worse than what’s underway. But, that’s always been the game plan for nearly 100 years.

What Do We Do About The Homeless In America?

For the record, America suffers from a documented 540,000 homeless people. They languish in the streets of our big cities, in the woods, in U-Haul storage lockers, in tents, in abandoned trailers, in vacant warehouses and in just about every state in the Union. They are white, black, brown, veterans, men, women and children. They are alcoholics, drug addicts and run-away teens from abusive households.

Trump's Conservative Political Muscle

As a result of the electoral power of the Trump movement, the states of Pennsylvania, Maryland, and New York could elect conservative Republican governors. That was the message Trump-backed candidate Doug Mastriano brought to the Dan Cox for Governor rally in Maryland on Saturday.

A Man In A Swamp

The less we modify our emotions and reactions, the less we can modify them. Struggling like a man in a swamp, we are left to our own insufficient devices.

A Great Time to Invest in Millstones

Today, we're facing the highest prices for essential goods and services than ever before. Part of this is due to the purposely-orchestrated hyperinflation that's begun – but we ain't seen nothin' yet, folks. If you think \$5 at the gas pump is tough, wait until you're paying \$10, gas is rationed and people are trading their "carbon credits" just to be allowed the privilege of buying more.

America's Fight To Stay Free, Part 1

I began to see the increased decline in America in the 1960s. With the protests against the Viet Nam War, the drug culture, free sex, and the general apathy of the boomers I knew it could only lead to what we have now running the country, people with the socialist/communist ideology.

How to Bring Washington, D.C. Back Under Control

There are plenty of problems in America today, too many to number most likely. I'm frequently asked what we can do. Too often, it seems everyone is looking to Washington, D.C. for answers. By studying the Constitution, and a couple of Supreme Court opinions, I think we can find some answers a lot closer to home.

We must Harden Our Schools –

Mentally and Physically – Here's How and Why

While we're considering, yet again, how to protect our school children against physical attack, I submit that we must also protect them against mental attack. Marxist ideology is taking over our children's minds, and is causing the violence we are seeing today.

Press Censorship, Part 4

Continues examples of letters to the Editors of major periodicals/newspapers that were rejected

If January 6th Had Been a Real "Insurrection"

So, what are WE going to do about the continued open fraudulent assault on innocent freedom and liberty loving Americans, playing out on pretty much every news network, all of whom know the truth? Without the frauds in Congress and their lying minions in the news media, none of this could be happening.

Governed by Ninnies

But! Will we have enough homeschooled young people to carry this country on their shoulders when they grow up, rather than let it fall into the fumbling, feckless paws of characters like Kamala Harris? What? You don't think she's that awful?

Part 3: Interesting Responses To My Commentaries: Flood The USA With Third World Refugees

Without a doubt, the United States stands eyeball deep in trouble in 2022. It's not only the gas prices, food prices and tremendous political divide—it's also about the loss of the rule of law, common decency of citizens toward one another in the big cities, and most importantly, a loss of loyalty to our country.

Joe Biden: A Crypto CFR member?

I don't have an answer to such questions, but what becomes clear is that, as early as 1992, opportunist Joe Biden

discovered which side the political bread is buttered on in the U.S. and acted accordingly. He benefited enormously from his discovery. As the saying goes, hard work always pays off, whatever you do.

Government Giving a Month of Celebration to What American Laws & Bible Condemn

Why is this a month of pride as it is called, when the Lawgiver Himself condemns it (Leviticus 18:22, 20:13; Romans 1:24; Jude 1:7)? Where are the American people at when it comes to holding their said representatives accountable to the laws (Romans 3:31)?

Stay the Course, for the Goal Is in Sight!

Do not give way to even intense pressure or throw in the towel. Bend not the knee to Baal or Molech, or receive thirty pieces of silver, or drop the pinch of incense to Caesar. Do not cast aside the approval of God for the approval of men (John 9:42-43).

“Under The Color of Law”

Our Constitution gave the federal government no police powers in the states, absolutely none. Constitution specifies that “federal laws” are to be enforced by the Militia of the Several States. But elected officials abolished the Militia with the unconstitutional Dick Act.

Money, Speech, and Federal Overreach

Have you ever considered how money relates to speech? The federal government has. One of the issues with federal election law is the limitation on the use of money for a candidate to get their message out. What does the case *FEC v Cruz* have to do with free speech? More important, what does it show about the state of elections in America?

Part 2: Interesting Responses To My Commentaries: Great

Points

In speaking with a retired cop friend, he says that places like LA, Chicago, New York, Miami are what cops call self-cleaning ovens. As EBT cards stop, food stops, money system fails, like Rats in BF Skinner's experiment, they will self-clean. I see it beginning with massive uptick in violence in Miami. The key is to be a couple tanks of gas away from any of those places.

Illegal Aliens Stealing Our Jobs, Food, Housing, Water, Clogging the Courts & Health Care System

How much food, water, gasoline, "free" cash and jobs are stolen by tens of millions of illegals every day in this country? Yeah, stolen as thieves steal from others. Not to mention as covered above depleting the resources of public schools and health care.

Synopses of Shameful, Silly

and/or Spiked Media Stories

Black lives don't matter at all to those out to soak the suckers for Simoleans to supposedly help Blacks. The Black Lives Matter Global Foundation has released its IRS forms revealing that it is sitting on \$43 million after raising nearly \$90 million during the violent riots of summer 2020.

How the Media Deceives the World

One thing that I have seen over the years that I have been writing is how deceptive the media is. It isn't anything new by any stretch. They have been doing it for decades if not centuries. To show you the depth the media will go I want to describe how they handled a story during World War II.

Rewriting History

Having to fight a criminal indictment which could be dragged out well into the next election season would prevent Trump from being a candidate in 2024! This, I submit, is the committee's real goal. That Trump might run away with the GOP nomination and conceivably win a second term in the Electoral College scares the globalist ruling class to death!

The Most Glorious Freedom Loving Nation in the World is Dying, Can We Save Her?

We have lost so much in these 235 years of America. Our country was founded by great statesmen, men of letters and men of faith, men who desired freedom and liberty at all costs. We have failed to defend what they gave us.

Neither Republic, nor Democracy Today

At present, our country is not functioning as a Constitutional Republic or a “mob rule” Democracy. Right now, we are governed by unconstitutional criminal tyrants via unlawful orders, court opinions and legislation, all of which is repugnant to every foundation of freedom. This cannot end well at this point...unless THE PEOPLE wake up...

True Biblical Christianity

It is decision time for the church in America! Will we repent and allow God to develop in us a warrior's heart and courage?

Do we realize we are in a spiritual war? Do we realize if we will go to the battlefield, God will meet us there? Will we forsake or continue under this false religious flag we are flying in our Republic until all will be lost? Have we become cowards in America?

'I Wanna Be in the Deep State When I Grow Up!'

"Why? Are you kiddin'? When you're in the Deep State, you can do anything you want to anybody and not get into any trouble for it! No one can touch you—most of the time they don't even know who you are. You can spy on anyone you like; and if the president doesn't like it, so what?"

A Letter to the Students of North Korea: Will America Follow Your Country's Lead?

When I think about all of you, students attending universities where you cannot learn the real truth about the world, I remember the British author George Orwell, who wrote the novel 1984. I don't think you know about him, but he also talked about the distortion of language and the term Newspeak—the dystopian society's redefinition of words.

Interesting Responses To My Commentaries: Thank You Everyone, Part 1

To each of you who write me responses. Thank you from the bottom of my heart. Sandi and I are doing the best we can as to Alzheimer's. We're also doing the best we can to bring America back to its foundation, morality and ethics. It's going to be a hard slog, yet we're going to be here for at least another 10 to 15 years...so you will be hearing from us.

Student Loans Cannot Be Forgiven

The Demonrats are in a panic because they are beginning to lose the youth vote, something they (the elite) thought inconceivable if they punted the current presidential placeholder into the White House.

We the People Just Stopped

WHO – For Now

“We the People” threw a sabot into the machinations of the WHO, the World Health Organization, stopping them from setting up a system that would grossly infringe on our national and individual sovereignty.

The Ones Accusing Americans for Gun Crimes Are the Very Ones Responsible For Crimes Against the Innocent

Congressman David Cicilline told House Republicans they should “spare me the b.s. about Constitutional rights,” during a debate on gun control Thursday.

Make America Florida: The Case for DeSantis

Facing off against the radical, America-hating Left, DeSantis fought and won two major battles recently: protecting students in third grade and younger from the Dems’ cherished “choose your gender” narrative, and poking woke Disney in its progressive eye. I’ll wager Walt would approve.

Necessary to the Security of a Free State

When Americans feel like they need to flee the USA in search of freedom and liberty elsewhere, it's time to replace the entire government. And when history presents this challenge once again, to free itself from tyrannical governments, we will need every weapon we can lay our hands upon, to protect ourselves and loved ones from tyrants.

Several Flavors Of Stupid Facing The American People

We're paying \$5.00 a gallon for gas all over the country in 2022 because of choices in 2021 to shut down the Keystone Pipeline that destroyed our energy independence. In California on the Big Sur, I paid \$8.55 a gallon. I even took a picture of the gas pump. What form of stupidity would you call that when our leaders are strangling us at the pump?

When Preparation Turns Into

Tyranny

There's a saying in many training communities, "The body will not go where the mind has not already been." Another one you may have heard is the Five "P's", Proper Preparation Prevents Poor Performance. The idea is simple; if you do not prepare beforehand for a given situation, you will not be prepared when it happens. But what happens when government preparations move from proper to totalitarian?

Is the Biden Administration Riddled With Jew Haters?

But don't believe me. Here, in alphabetical order, are the direct quotes and credentials and behavior of some of Joe Biden's hand-picked Jew-hating and Israel-loathing appointees, which are not limited to the Oval Office, but also include officials in the State Department, the National Security Council, the Defense Department, and U.S. intelligence agencies.

It's Not Easy Bein' Green

Although I guess you could say there have been "earth worshipers" since just about the beginning of time, it was the civil unrest of the 1960s that spawned the radical environmental movement we're dealing with today. It was an

age of unbridled lust and hedonism, and the effects of communist infiltration into our public schools and college campuses was starting to pay off for a new generation of Leftists in America.

A Case of Mistaken Identity

During his rise to fame, Cassius Clay became involved with a religious sect called the Nation of Islam, a separatist group of Black American Muslims whose beliefs ran far-afield of orthodox Islam. The adherents of this religious group told him that his ancestors were Muslims and that he would do them honor by abandoning the slave name handed down to him and adopting an Islamic one.

America's Food Supply Threatened by Suspicious Fires and Train Wrecks

On March 24 at the G7 Summit, the Junta propped Biden up enough to announce that there would be worldwide food shortages and they would be "real". Within weeks, America's food industry began to experience a string of destructive fires and explosions.

The Birds, Bees, Fish, and Liars

What do we do? What we do for all the other abuses being rained down upon us – take it local. Take back your city and county attorneys, and elect only those people to any office you have verified are willing to stand on and for the Constitution.

Dereliction of Election Duty

The most recent fraud culminated in a crescendo of every possible connivance under the sun during the run-up to the 2020 Presidential “preconceived selection” election. What was done to deny Donald Trump his second term has not been seriously called out until fairly recently.

The Real Makers of Lethal Weapons Are in Our Schools

But, as history has proved over and over, criminals don't destroy countries, governments do. Nazi Germany, Soviet Russia, Communist China, and Castro's Cuba, just to mention a

few, are countries where stiff gun control laws were enacted. Yet, as soon as the gun control laws were in place, people were witness to thousands of their fellow citizens killed by guns in the hands of government thugs.

Suing Your Schools

Chuck Schumer once said “The government is the only thing we all belong to.” Apparently the superintendent takes that literally. The schools are government schools, therefore the kiddies belong to the school, not the parents.

The Suppression of the Truth

Not to act when they are destroying the soul of a child IS TO ACT. Not to act when they are teaching boys that they can be girls IS TO ACT. Not to act when they are suppressing the truth IS TO ACT. Not to act when they are destroying a nation IS TO ACT! The wrath of God IS being revealed in America today.

Uvalde, Texas: A Date That

Will Live In Infamy

Instead of spending \$6 trillion on two-20-year wars in the middle east that accomplished nothing, shouldn't we care of our country and our jobs, and our families? What about enacting stiff laws to prevent rampant crime, irresponsible gun sales to youth and solid jail consequences?

Do Mass Murderers Represent Law-Abiding Gun Owners? Why are the Innocent Always Punished?

Over and over again, after mass shootings that take place, Americans sit back and watch their said representatives congregate, in direct contrast to what it is that their forefathers established, to further attack their God-given Rights, namely the right to bear arms (Luke 11:21-22; 2nd Amendment of the Bill of Rights).

Rejecting the Totalitarian Transgender Movement

However, as The Emperor's New Clothes illustrates, we feel pressure to go along with the crowd, even when our deeper

wisdom tells us that the offered narrative violates logic, truth, and common sense. Our fear of being persecuted for rejecting a narrative can become intense when the supporters of the so-called truth exhibit an aggressive and violent contempt for those who disagree.

What Are You Thinking?

But on the other side of that coin is the curse and we have no excuse for bringing the curse on ourselves and on our nation. It is all about stupid pride and stubbornness. That is why the children of Israel went into captivity and lost their identity. Just because they did not want God telling them what to do!

Grave Lessons in Defenseless

Last, had our earliest settlers not been armed, the USA would have never existed...no one would have ever known American freedom and liberty, as the citizenry would never had been able to defeat the most powerful military on earth at the time, freeing themselves and us, from British rule.

320 – Scott & Korematsu – Two Cases That Show the Corruption of the Court

What do these two famous, or rather infamous, cases have in common? They denied rights to human beings because of their ancestry. While the precedent set in Scott was overturned by the Fourteenth Amendment, nothing has overturned the opinion in Korematsu. Laws that violated the supreme law of the land were used in both cases, and courts endorsed these travesties of justice.

Repent Back to the Simplicity and Purity of Devotion to

Americans Can No Longer Think For Themselves

Today I would simply like to make YOU think. Rather than ME telling you WHAT to think, I would like to simply encourage you to think on your own. That was how Jesus taught. He simply asked questions. Rather than telling us what HE thought He chose to engage others in the thought process.
