

This Is ALL Government Sponsored, & So Are The Death Threats...

If you have not yet understood who is behind all of this immorality, debauchery and abominable activity being pushed upon the people in this country, you need look no further than the government that the people have allowed (Psalm 94:20; Amos 3:3).

The Web of Dystopian Tyranny, Part 2 – The Medical Industrial Complex

The world is divided into two parts, the Communist world and the non-Communist world. The non-Communist world is the target. Communist ideologies are completely contrary to those of our Judeo-Christian civilization. It is by their motto, “the end justifies the means” that Communists rationalize, without any qualms of conscience, every inhumane and perverse act of cruelty imaginable.

Really, What More to Say?

God forgive us for the hell we have doomed all future generations to! God bless all who tried in vain. The sleeping giant is on life support! Remember, friends won't just tell you what you want to hear, they will tell you the truth that you need to hear!

An Example of Why the United States is Not a Democracy

America is in no less a crisis today. Are you a summer soldier or sunshine patriot? Will you shrink from the service to your state and your country? Or will you stand with me and earn the love and thanks of all Tennesseans and, in fact, all Americans? The choice is yours.

Urgent Warning: Livestock mRNA "Vaccines" Status

"But this doesn't necessarily mean there is no mRNA product in the beef, or there won't be in the future. Attorney Thomas Renz warned that since Congress removed country of origin labeling on beef imports, the U.S. beef supply could already be tainted with mRNA product from the likes of China and other countries."

Why Islamists Persecute the Baha'is

It is imperative for the free people of the world to defend freedom of conscience, including freedom of religion, irrespective of one's own personal belief. It is for this reason that as a person who is not a Baha'i, I find it my solemn duty to speak up on behalf of a peaceful people, severely-persecuted by the savage Islamists.

The Farcical Reality of Earth Day April 22, 2023

Simple question: why is everyone avoiding, suppressing and stopping any mention that mass immigration is destroying America's ability to live sustainably? Why are we not thinking of our children? Why are we so collectively senseless as a people?

Communism In America, Part 4

The World Economic Forum should have no say or control over what we do as individuals or as a nation. The United Nations

is no better and has historically proven to fail at most of what it does. The time has come for us as a nation to take a stand for what America was intended to be. Free!

‘Imagine’

Friends, if you are confused today, if you have believed in your heart the things the world has presented as beautiful and lovely, only to find they are an illusion, thank the Lord for your confusion! It is the first step toward looking now at the real, honest truth of God.

What’s More Important Than Power?

Along with the Council for Foreign Relations, the UN, the Trilateral Commission and global financial elites, Schwab’s WEF are behind this destruction. People like Biden, Obama, Bush family and their acolytes are their tools.

No Pain, No Gain

I recently spoke with several brilliant doctors and scientists about the facts concerning the deadly “vaccines” and they are

all growing increasingly frustrated with the reality that despite how much evil they uncover and present to The People, no one ever reacts to the information with appropriate ACTION.

Mind Control...Better Than Bullets

For years I have been saying that America is repeating the Roman Empire. Instead of sending the masses to the arena, we are sending them to the movies, video games or social media. Instead of clapping for the gladiators, we clap for the best performance.

The Social Insecurity System Continues to Systemically Fall Short

Commingling the Social Security funds with the general federal budget was obviously foolish – or would have been foolish if it had not been a criminal (and successful) attempt to permit the politicians to raid the SSI lockbox. LBJ was responsible for that move and of course, a great deal more monkeying around.

Looking For Answers to the Autism Epidemic in All the Wrong Places

As Caroline Rodgers said, there is an elephant in the room when it comes to the subject of autism —and that elephant is the worldwide blitzkrieg of ultrasound exams on pregnant women, exams that have bombarded the babies they're carrying with the brain-warping sound waves and heat that will continue to affect them every second of their autistic lives.

Fox News Loses \$787 Million and its Credibility

There is no way to spin it: Fox News has suffered a major embarrassment, with its \$787 million settlement in the Dominion voting case. Dominion lawyers now promise to pursue other cases, such as collecting \$1.6 billion from Mike Lindell of My Pillow, a major advertiser on Fox and other conservative outlets.

I Will Not Comply

Like many of you I have read, and repeated, this Scripture hundreds of times in my life but I don't know if there is a more miss-understood verse than this in the entire Bible.

Look Who Wants to Run the World

Defund the police and fund the After-school Satan Club. How did we ever wind up here? With the people we were taught to run away from now running the store. It happened right before our eyes and no one stopped it. Now we don't know if it can be stopped.

Ascending The Spiraling Staircase of Your Life

While sitting next to a nearly exhausted campfire on our Northern Tier coast-to-coast ride, I learned a lot from my companions Frank Cauthorn, Robert Case, Don Lindahl and Gerry Mulroy. Like all friends, each teaches a few lessons for a day, week or a lifetime. Each one of those thoughtful men brought stories, wisdom, music and their life-energy.

The Real Fantasyland

Real Fantasyland is the belief that men can turn themselves into women and women can become men through “transitioning”; and that such options should be made available to children.

The RESTRICTing Liberty Act

Just like after 9/11, we have government actors stoking the fears of the American people with calls of “We have to do something!” And now, just as then, they are taking what are legitimate concerns and stoking the flames of fear in order to pass legislation that can easily and predictably be used to deprive you of your rights.

Mass Murderers Are Telling Us That They Are Looking For Gun-Free Zones

What’s worse, most of these mass shootings take place in gun-free zones, which the politicians are guilty of unlawfully creating (Psalm 94:20). It is time to hold them accountable for the crimes committed against the innocent!

The Web of Dystopian Tyranny – Part 1, The Hunger Games

The slow destruction of a once beautiful and thriving people has been in the works since the first socialists arrived in America in 1824. Robert Owen created the Utopian Socialist Society of New Harmony, Indiana in 1825. He tested some of his writings and speeches in both Scotland and Indiana and his experiments were very influential on Marx, Engels, and other socialists and communists at the time and later on.

Liar, Liar, Pants on Fire

The lies our governments feed us are so far greater than many of us can imagine. It is sad that it has taken so long for so many to wake up. Tom and I have been the tinfoil-hat wearing nuts out there telling people that our world is coming to an end – if we don't stand up and take it back. There were many people far earlier than we who were declaiming the truth.

Classified Documents Leak: To

What End?

When the news broke last week about a 21-year-old National Guard member allegedly leaking classified documents – not just leaking but posting to something called a chat app for months, I was flabbergasted. Something didn't smell right. How could such a thing happen?

A Sense of Glee, Joy, Celebration

Have you ever heard of “flashing packing”? Well, we quickly, with a sense of urgency, flash-packed our bikes within minutes. We jumped on them and pedaled out to the road with a keen sense of really being alive. I mean, I've been face to face with grizzly bears in my journeys through Alaska.

Young People: When Would You Want to Know?

I hate what our culture has done to our young people. We've allowed them to be brainwashed with lies, including the lie that the best they can hope for in this life is to indulge all their carnal, hedonistic desires with an attitude of “entitlement.” No limits, no rules, no right, no wrong.

Communism In America, Part 3

America has seen way too much of the influence of communism be forced onto the population. Most people do not even see it happening even when you point it out. This is why we need a complete overhaul of our so-called education system. It has become nothing more than indoctrination camps for the liberal ideology of socialism/communism.

No More Goodbyes

They would see the new country that Abraham and all throughout history who trusted in the Lord Jesus (Hebrews 11:8-16) desired, and the new city with twelve foundation stones named after the twelve apostles, and twelve gates named after the twelve tribes of Israel. It would be a place where the riches of God's grace, beauty, and goodness are fully manifest.

Right on Time

In the Resurrection season we celebrate Jesus' ultimate sacrifice and victory; we look forward to family gatherings, humble celebration, and for too many the infrequent church sermon. This is my favorite holy day, as we celebrate Tetelestai! – It is finished! – Jesus' victory on the cross

over the tyranny of sin for all who would receive His free gift.

When Will the Republican Party Get A Backbone?

At a minimum, these are vital measures to ensure the fiduciary to the voters. They will effectively eliminate the corrupting influences currently taking our country down. Engage your imagination, don't listen to the inevitable naysayers with no solutions, and let's show the shades of those in our nation's mid-1800's that we too can act in our own interests!

Our Constitution is Unique, Highly Valued and our Most Powerful Asset

My objective in writing is to make people more aware of the power of the Constitution and how they are being screwed. No one likes to read long articles so I try to keep my writing succinct and interesting. I hope that my writing motivates people to read the work of scholars of the Constitution to learn more details and specifics as a method to survive the coming times.

As We Face the Battle Ahead, We Need to Find Our Friends, and Come Together

At this point in our national existence, we all know that something big is coming, and it probably isn't good. We can feel it, whether or not we can define it. We feel it, in both little ways and big. It is making us question our very senses. How we handle it may determine our very survival.

The Slow Death of the American Dream

Recently I was talking with a friend. I remarked how sad it was that what I envisioned for America in the 1960-70s are coming true. Once fully implemented the Plan calls for complete control of every aspect of human activity by the communist UN as your one world government under your new world order.

The Anachronism of Apostasy

Whereas the practice of slavery enslaves the body, the dogma of apostasy ensnares the mind. Whereas slavery is a shameful practice of the past, some shameless religionists still use the doctrine of apostasy to intimidate and severely punish people who elect to choose their own beliefs.

A Peek Into 2100

But that was before the 21st-century Transgender Mania inspired the global ruling class to “reassign the gender” of children all over the world—largely, I am sorry to say, through the public schools. “Reassignment” drugs and surgery, totally irreversible, rendered an entire generation of children permanently sterile.

True Grit: Dave Carder Running Across America

Down the mountain, we walked on golden gilded trail replete with endless fallen golden leaves raining down from branches above. Golden ribbons hemmed the slopes and traced the streams that meandered down the valley—orange to red, saffron to copper and yellow to gold. They rained down on us like gentle golden butterflies.

Dear President Trump

The foundation for these cases exists in the many “criminal investigations” that cleared you and proved beyond any doubt that these people are the real criminals. Both you and our country have suffered extraordinary damages...financial and far worse. People are dying as a result. Young democrat Marxist generations are in the streets committing mass “insurrections” in cities across America, all due to the lies these people tell.

Truth is Hate to Those Who Hate the Truth

Let me say it this way, compromising the Scripture by overlooking people’s sins before God is not being a faithful witness that delivereth their souls (Proverbs 14:25). Instead, this is hate, and this now leads me to the point concerning what it is that we hear coming from the world today.

Abortion Drugs Kill Women and Children

As the judge's ruling demonstrates, abortion drugs are anti-human and were imposed on America by a rogue federal agency. More than that, these drugs are anti-unborn human and anti-woman. It is the Nazi program dressed up in feminist garb, with women and their children as the guinea pigs.

America Living the Lies of the Ages

We have reached a crossroads in our country. Either biblical Christianity or sexual degeneracy will be tolerated. One will be eradicated by the other. This will not be the last time Christians will be martyred by mentally ill leftist freaks. Will you have the courage to take a stand for righteousness and truth, or will you submit to the hideous and disgusting abusers and murderers of children?

Parental Notification and a Single Dissent

When should a parent be denied the right to know about medical procedures performed on their children? Most of us have been

rebellious teenagers, sure that our parents are out to get us, only to grow up and realize they were right. When does a teenager's right to liberty supersede a parent's right to oversee their minor child's upbringing?

Every Move You Make...I'll Be Watching You

As Catherine Austin Fitts said in her interview, use cash for everything. I look at my errands, where I'm going to spend money, approximately how much, add it up, go to the bank (or ATM), get cash and use it. After all, you're going to use that debit card anyway. Use cash instead. Flood the country with cash but don't flash it around.

Iranian Diaspora

Protests are not a new event in Iran. They've erupted over the years – over election fraud, economic malaise, and civil liberties. But this time is different – an unprecedented revolution led by women and the support from men. What's fascinating about this revolution is the first time in history that women have been both the spark and engine of the revolution.

It's the Tiniest Things That Create Wonder in the World

On a recent tour of the West Coast, we found a dirt road to follow back into the woods. After traveling far enough into the wilderness, we parked the bikes near a barbed-wire fence. We tore the packs off, pitched the tents and ate dinner. As usual, I always lock my bike to anything that will deter would-be thieves from stealing it in the dead of night.

Is Fox News the Leading "Trans" Channel?

Two years ago, when Jenner ran for California governor as a Republican, I asked, "How can a Jenner candidacy, with a man appearing as a woman, do anything but support 'the normalization of radical gender ideology?' Having surrendered to gay 'marriage' and other perversions, the Republican Party and their conservative house organs are now ready to hop on the trans train.

Communism In America, Part 2

There is a guy out there that is trying to put together a Constitutional Convention which is allowed in Article V of the Constitution. Dumb idea because he has a complete rewrite of

the Constitution and Bill of Rights. Seriously dumb. We already have the best government document ever designed by man, with the help of Holy Spirit, why change it?

The Legacy We Leave Behind

So how will we be remembered? Are we doing our best to make the world a better place for us having been here? Are we putting God first in our lives, being good examples, role models, and providers for those whose lives the Lord has entrusted us to care for and nurture? Are we influencing the world around us, leading the lost and lonely back to God?

The Light of Life Never Goes Out

Many of the things we take for granted and use throughout the day depend on consistent electrical power. Losing it even for a little while may seem to some like temporarily losing the use of an arm or a leg. It can be a very humbling situation not to be able to do the usual tasks of the day or to have to engage in workarounds to do basic things.

“Woke” Will Be the West’s Downfall

We need to return to promoting equality under the rule of law, as it was promoted back in the 1960s. We need to affirm that there is nothing fundamentally wrong with either diversity or inclusion, so long as they are voluntary and not coerced. “Equity,” on the other hand, cannot be accomplished without massive social engineering including thought control via censorship.

Stop Using Workers’ Taxes to Unlawfully Support the Indolent

In a few words, the Democrats have been using income taxes and faux government departments and laws as a means to support the indolent, thugs, and “victims” in the Communist cities. I repeat, the taxes are from working Americans. Remember Communism works until it runs out of other people’s money.

HOW the RIGHT Can UNITE

I seek equality for all. I seek a constitutional form of government of, by and for all decent freedom lovers. I seek a

sane society, where you are free to own whatever you earn...but threaten no one else with it. I seek the America that used to be, where every Citizen is free to dream, work, build, own, enjoy and pass on to the next generation, the fruits of their labor.

The Church Needs an Exorcism

Years before hedge fund operator George Soros assumed funding of various Marxist and “progressive” groups, to the tune of billions of dollars, the Institute for Policy Studies in Washington, D.C. was the headquarters of those looking for ideas and funding of the communist revolution in America.

We Have to Stop Kidding Ourselves

Is there any time to lose? Isn't it past time to stop kidding ourselves, thinking that “voting out the RINOs” is a useful strategy? As for “hope”, that's just an excuse to do nothing. “Hope” is not a strategy. How about closing our ears to the naysayers and pressing on with a real strategy based on a new method?

Throwing Away the Steering Wheel

Which brings us to the politically motivated “indictment” of President Donald Trump and the weaponization of the Justice Dept. against conservatives. And if Republicans retaliate in kind, Victor Davis Hansen warns, down the tubes goes our republic. That was the fate of ancient Rome’s republic. That’s how they lost it.

Harvesting Plastic From The Pacific Ocean For Art

The one thing about being on tour on your bicycle, you run into unexpected people caring about things that you didn’t really know about until you ran across them. For certain, I love the Natural World and I do everything I can to help all plant-life, all animals, all birds, and all living creatures on this planet. We’re all in this together.

News You Missed: Media
Miscreant Machinations

Musings and Uncommon Commentary

Let's pause for a moment to consider what changes in the culture have come about because of these changes in the compositions of sports teams. Before integration, athletes celebrated touchdowns, home runs, etc. by shaking hands with teammates. Now they dance, prance and thump breasts like gorillas. Now the whites mimic these animal-like theatrics to display their own lack of civilized behavior.

Another Failure at the FDA?

In short, the Food and Drug Administration's flagrant disregard for the law and the public health they were tasked to protect shows it to be an utter failure. Add to that the fact that the act that created the FDA was unconstitutional when it was passed, and what do we have?

DeSantis Has Been DeSerted

Stay in Florida, Governor, and see what you can do to heal yourself. Start with being honest with your constituents. They may not buy it, after all this. It is quite possible, from the comments I hear, that their minds may not change back. America is desperate for a strong leader to rescue the Republic, and we have become deathly allergic to lies and liars.

I'm Still Waiting For My Apology, Sodomites... Teachers Caught Grooming Children On Camera

Secondly, I want an apology from the mainstream media that has been pushing this illegal agenda forward and then accusing me of what they have always been guilty of doing (Revelation 12:10).

Trump's Enemies May Surprise You

If you want to understand what's happening with Trump, don't turn to Fox News. Professor Jonathan Turley, their go-to "expert," is the guy who made a fool of himself by delivering testimony about the dangers of "Eugene McCarthyism." He meant Joe McCarthy. Either way, he was off-base. An error of this kind means that he is not a serious academic.

U.S. or Them

By now, millions of you have figured out that our country has been intentionally and systematically divided into two groups, those who love, revere, and have chosen to defend freedom, liberty, and justice for all...and those who hate everything about America, freedom, liberty, and justice for anyone.

Net Zero and the Carbon Capture Pipeline: Renaming Things to Condemn Them

A pipeline is being set up to transport carbon dioxide (CO₂) captured from ethanol, fertilizer, and other agricultural industrial plants to North Dakota and Illinois where it will be sequestered permanently. Three companies partnering with Wolf Carbon Solutions...

School Shootings: Congress Butt Out

On March 27, 2023, we had yet another school shooting which killed three 9-year-old children and three adult staff members. No amount of words can ease the pain and suffering for the family and friends of those innocent lives lost. I'm

a mother. My daughter is 48 and Dept. Head of Mathematics at one of the largest school districts in the metro city where she lives.

My Take on Islam

With each passing day, the death of Western Civilization – specifically, the death of Europe, will not have been a suicide, but a cold-blooded, premeditated murder, carried out by the western ruling oligarchy. This tragedy is happening in the United States. Muslim organizations have been busy working “stealthily” changing America in what is called “Soft Jihad,” or “Cultural Jihad,” or Stealth Jihad” in the United States.

Indicting President Trump: A Form of Warfare on America's Justice System

We need downhome, common sense, and patriotic Americans to run for office to change course toward a rational and stable future. We need reasonable Americans to vote all of this nonsense of transgenderism in women's sports, I.E.D., reparations, affirmative action, lowered academic standards, and sexual perversions being taught to our children—into the trash can.

America's Economic and Spiritual Woes

Let me tell you about an incident I experienced recently that got me thinking about the entitlement mentality of Americans today. I was in a convenience store, waiting in line. Ahead of me, at the counter, was a young couple, who may or may not have been married.

Communism In America, Part 1

I do not accept the idea that we will capitulate to the liberal ideology of socialism/communism that is being shoved down the throats of our college students today. We must take a stand to reverse the path that we are on. We must have God's help to do this because we have let it go too far to stop it ourselves.

Making Deals With the Devil

One word of warning in closing, we must be willing to lose all to receive the gift of eternal life and be willing to count our earthly possessions on earth but "dung" to win Christ (Phil 3:8). To break deals with the devil and society WILL

cost you ! (II Tim 3:12/Heb 11:35/40) It's all part of the "BEAST" system.

The Militia Acts

Could it be, that membership in the militia is a duty all Americans should willingly fulfill? In several countries around the world, military service is compulsory. Under American law, it's only necessary to be part of the militia, to be willing, if necessary, to fight for your state and your nation.

Why Do We Stay With The GOP?

By now it should be very apparent to Republican voters and conservatives, a growing number of which are migrating to "independent", that the Republican Party as it is manifested in congress and elsewhere in the federal government, does not represent our interests. They have had more than twenty years to get some of our interests passed into law. To date their score is ZERO.

Wake up! Double Your Income by Taking Back our Constitutional Republic from the Blood Suckers!

You must first know your enemy, and they are the Blood-Sucking Parasitic Super-Rich Ruling Class (PSRRC), wealthy families and their Communist minions who have been the enemies of the Republic since its founding.

Founder David Becker Leaves ERIC

As of March, 2023, the CEIR website gives extensive explanations/excuses for Becker's past actions, and tells of a group of "GOP" leaders who have signed on with CEIR. That list is a collection of election-involved officials in the most fraudulent of states: AZ, CA, CO, GA, KY, MI, PA, as well as from the campaigns of Globalist traitors like McCain, Romney and Bush.

Consequences of Censorship

Montana's radical right (RR) controls Montana's government. They happily rearrange their political deck chairs, unaware

that their powerful Titanic will hit an iceberg on June 12, 2023, when the Our Childrens' Trust (OCT) of Oregon, Held v Montana (HvM) trial begins.

You Don't Need 'AI' Artificial Intelligence to Figure Out Why America is Dying

The job of implementing Joe Biden's order to impose transgenderism on the U.S. Armed Forces was assigned to Secretary of Defense Lloyd Austin, who was in the news on Wednesday when he denied, in the face of the evidence, that military bases were hosting drag queen story hours.

Cesar Chavez Holiday—Honoring An American Hero

There are also malicious myths tainting the life and the memory of Cesar Chavez that need to be repudiated, most particularly the lies that he was not an American but a Mexican national, and that he was a "Communist," both of which were first promulgated by the John Birch Society. They are utterly false.

The Devil is Real

The Devil is real. The American Apostate Church has yielded all authority to Satan's acolytes. It is not Left/Right, white/black, young/old, rich/poor, conservative/liberal, Republican/Democrat. The battle is Spiritual...the battle of two seeds.

Confessions of a Blindfolded Newsman

These happened right before my eyes; and I am ashamed to tell you that I didn't see them. They were right out there in front of me, and I might as well have been wearing a blindfold. I can only say I couldn't see the forest for the trees—lots and lots of trees, and every one of them a distraction that kept me from seeing the big picture.

Reparations for Slavery in the 1800's? Who Decides?

David Horowitz also wrote ten reasons why reparations would be a very bad thing for American blacks. I couldn't argue with

any of them. We already know that the “Great Society” welfare state has caused enormous harm to black Americans. Those 7 out of 10 black babies without fathers has created a lost youth bent on shoplifting, drugs and illiteracy from dropping out of school.

The DNC is the CCP of the USA

In the good ole days, we had liberals and conservatives, both seeking peace, freedom, liberty and justice, but with different ideas how to achieve those common goals. Now, there are no liberals, just galvanized true conservative American patriots trying to save freedom for all, and whacky Marxist morons trying to steal from everyone else, to enrich themselves.

How It All Works – It’s ALL A Controlled Narrative

The powers that are tolerated write the propaganda script. Then the useful idiots in the controlled press propose questions to the puppet politicians that in turn give the scripted answers. From start to finish the narrative is set.

Guerrilla Warfare in the United States

Train derailments, attacks on power substations, lasers directed at aircraft, firebombing pro-life pregnancy centers, a communist-inspired Antifa attack on a police facility in Atlanta, and now a transgender killer at a Christian school.

March 29: National Welcome Home Vietnam Veterans Day

There will be many observances, especially by veterans, at posts of the American Legion, VFW, and other veterans organizations, which welcome the participation of non-veterans in honoring all who honorably served. Go, welcome the Vietnam Veterans home, and be welcomed by them.

Stupid and devoid of knowledge

If we choose to keep things as they are now – separated and no plan, then unless God intervenes in our affairs and especially our stupidity and our devoid of knowledge, we will surely lose this nation. Where is the fear of God? God bless, I remain His warrior and watchman...

Trilateral Commission Declares 2023 'Year One' of the New World Order

In other words, the free enterprise capitalism you may have learned about in college is dead. It is being replaced by "industrial policy," i.e., global corporatism the primary method of which is technocracy: key decisions are made by so-called experts and imposed on populations in top-down fashion.

Warning Before You Fly on A Commercial Airplane

Now the industry is faced with a growing problem stemming from the COVID hysteria and forcing their pilots and personnel to get those experimental gene editing technology injections. I'm not writing to scare you but to inform people there is a huge danger with what's going on and the diabolical and inexcusable action by the FAA putting every passenger and crew at risk.

“UFOs” Generate “BALLOONEY” From the FEDGOV

Knowing the density of the air at 60,000 feet and the dimensions of the balloon, it should have been a simple exercise to determine the approximate weight of the electronic equipment on board. That, in itself should have been a clue as to the nature of that equipment and its mission – that is, if it wasn't really a weather balloon...

Should American 2023 Taxpayers Pay for Reparations for Slavery in the 1800's?

Since slavery has been around for thousands of years, can we go back and pay the ancestors of slaves in China, India, Rome, Persia, Egypt and elsewhere? Since slavery flourished in America until 1865, can we go back and pay African-Americans for the sins of the past?

The Antichrist's Kingdom... Will Be the “New Normal”

The good old days are not coming back. However, Jesus IS. His return for His Church is imminent. We are now a bit past the

end of the sixth day, 6000 years since Adam was created. The rapture, and the seven year Tribulation period is imminently upon us. The New World Order's brief kingdom and lasting infamy has been thoroughly prepared and ready to descend upon this unsuspecting generation.

“Come Out of Her (The Apostate Churches) My People”

I shouldn't be, but I'm still amazed at the number of professing Christians who have never heard some of the things I'll share with you today. Honestly, they have no clue and if Christians are so ignorant of the most important issues of the day, imagine how uninformed the “average Joe” on the street is.

Democrat Party Equals Totalitarian Dictatorship, Part 2

Democrats have taken over the so-called ‘education’ system teaching that all the world's problems are because of America's capitalism. Freedom to work at what you want to work at is not in the Democrat's game plan. They have adopted the World Economic Forum's ideology of you work at what the government tells you to work at. You don't own a business

unless you're a member of the elite class.

Jesus Revolution or Jesus Delusion?

The hippies of the Jesus Revolution, for the most part, never repented of many of the sinful activities that they were engaged in, nor learned how to live the way Yeshua (Jesus) commands us to live. Many of these hippies were sick and in need of a physician, but did not find one in the Christian churches. All they received was fluffy love from a Jesus Messiah figure who unconditionally loved them.

Banning TikTok Won't Save America

Members of Congress from both major political parties were beating up the CEO of TikTok, Shou Chew, on Thursday, mostly over the firm's links to Communist China. But while TikTok may gather data from teenagers and make them into zombies (or worse), it does not create a generation of communists. That has been the job of colleges and universities...

Can We Arrest, Prosecute, and Jail Criminal Officials?

One thing is certain. It is a rare occasion when either the media or government reports the truth about anything. This is why many of our people are brainwashed, apathetic, ignorant and believe in the fairy tale of Communism.

Living with Equity in a Free Society

In reality, social equity is the re-creation of the ruling class over the peasants. If you've bought into any of this, thinking it will bring you hope and happiness then, you are already a sad and pathetic victim of a new monarchy of misery. Existing simply as a cog in a well-controlled wheel is little more than experiencing death during life. You still have time to say NO!

RIGHT, There's Nothing YOU Can Do!

So, the only reason for American Citizens to fear this government is, they either do not know that "all governmental powers and authorities are derived from The People

themselves,” or they have allowed their government to become so corrupted, big, and powerful that they can only “go-along to get-along,” no matter the destruction it creates.

Teach The Rising Generation to be Free!

To explain, I think we need to back up a minute. Think of how many choices you are truly able to make for yourself, choices that are not controlled by arbitrary rules, regulations, and laws. Decisions that are not influenced by others. How many choices are you truly able to make for yourself?

When Are You Gonna Wake Up?

THIS weekend, March 24-25 we are sponsoring a conference in Cincinnati designed to provide SOLUTIONS for the mess we find ourselves in. We have an ALL-STAR team of speakers lined up. These are some of the folks that the DEEP STATE doesn't want you to hear!

Arrest Communists, Not Trump

More than one thousand communists, socialists, and fellow travelers rallied on March 18 in Lafayette Square, next to the White House, and then marched across town in support of Russia, China, Cuba, and causes such as reparations for blacks and massive defense cuts. I was there covering the rally, taking dozens of pictures, in order to...

When ‘Dissent’ Was a Thing

The same people who kept clubbing you over the head with “dissent” in 1967 are now the gatekeepers who won’t let you in or out unless you know the magic words. The same university which used to claim the mission of expanding your mind... now seeks to shrink it. They seem to be doing a very good job of that.

Odds and Ends: Things You May Want To Follow-Up On

On Wednesday, March 22, 2023, CRN’s Talk radio show out of California, hosted by veteran radio personality Chuck Wilder, interviewed yours truly on my latest column: This Tangled Mess We’re In: America’s Drastically Dangerous Future. Mr. Wilder commands a national/international audience. He wondered why I thought America faces a dangerous future.

The Hate Hoax Heard Around the World

In 2021, the entire nation of Canada fell for perhaps the most ginned-up and exaggerated hoax ever perpetuated against the terminally naïve and, frankly, stupid. The constant drumbeat of the “need” for “diversity” being beaten into people’s heads by the establishment, set the stage for a massively staged event.

One State Makes a Plan for Nullification

This bill takes its first jab at the federal government by pointing out the violations of the horizontal separation of powers. Article I, Section 1, Clause 1 of the Constitution of the United States says that all legislative (lawmaking) power is delegated to Congress. The President cannot make law via executive orders, and contrary to popular belief, neither can the federal courts, not even the Supreme Court, and Congress has no authority to delegate its lawmaking power to others.

Florida Resigns from ERIC – Cause for Celebration or for a Closer Look?

The real concern is where and how ERIC will pop up again. Will its mission be disbursed among several federal agencies, or will something new take its place? Perhaps there will be an “ELIA” (Election Liars Interface Assn), or some such, which will do the job of keeping phantoms on the rolls.

Meet Joseph Goebbels’ Twin Brother, Yuval Harari – Klaus Schwab’s Right Hand Man

Let me now introduce you to Joseph Goebbels’ twin brother, Yuval Noah Harari, who is a professor in the Department of History at the Hebrew University in Jerusalem. This man is the very embodiment of that of Goebbels, wicked to the core (Proverbs 30:17).

Third Reich Eugenics in

America's Hospitals, Part 2

The eugenics movement took root in the United States in the early 1900's, led by Charles Davenport (1866-1944), a prominent biologist, and Harry Laughlin, a former teacher and principal interested in breeding, who argued for compulsory sterilization. In 1910, Davenport founded the Eugenics Record Office (ERO) at Cold Spring Harbor Laboratory on Long Island "to improve the...

Tucker Carlson and the January 6 Narrative War

Trump's supporters believed the real coup against democracy had taken place on November 3-4, 2020, reflected in those mysterious early morning vote spikes, all representing votes for Biden, recorded on graphs that were scrubbed from the Internet days later, also in dozens of claims of eye-witnessed malfeasance, reported on affidavits signed under a penalty of perjury.

DeSantis Had It Right

Under the Communists, things didn't change much, except that the nobility was replaced by the Communist Party of the Soviet Union. Only 5% of the population were party members and only they had limited access to decent food, clothing and housing

as well as other privileges. There was no private property as the state owned all land and all means of production.

Bank Failures: Ignoring the 800 Ton Elephant Erasing Your Money

Tens of millions of Americans have little or no savings and that is a fact. Don't even have the money to handle a \$500 emergency. Inflation has been ravaging savings accounts, especially seniors. The two political parties did not cut off the head of the beast in 2008, the "Fed", get us out of the Basel Agreements, IMF and World Bank.

Spring Arrest of Trump Rumors

Q followers believe there is a sequence of events pre-planned for the taking back of America from treasonous actors within its highest ranks. The implication is Trump's arrest attempt indicates the deep state powers that be are in panic mode, and there will be forthcoming moves and countermoves, some of which will cause unrest and upheaval across America.

This Tangled Mess We're In: America's Drastically Dangerous Future

Inflation drives all of us into the poor house...or a much lower standard of living. Why? Because we're paying huge increases for food, energy, transport and medical care...but at the same time, we're paying billions to house, feed, transport and care for those millions of migrants. To date, your tax dollars pay out \$338 million annually.

Don't Let the Eve Become the Day

Late last year, I wrote a two piece article title The Eve of Destruction. I guess that '60s song has been on my mind, so I looked up the full lyrics and gulped. These lyrics fit way too well in today's world. Eve's become the "day of" too soon.

**Democrat Party Equals
Totalitarian Dictatorship,**

Part 1

Abraham Lincoln stated that the government of the United States is controlled by We the People. Ronald Reagan stated that government is the car and We the People are the drivers and We decide where the car goes and how fast and what route. Democrats hate our Constitution because it does not allow them to do what they want to do.

Jesus Silences Your Accusers

Zechariah prophesied to the people of Judah around 520 BC, soon after they had returned from their 70-year exile in Babylon. About 14 years earlier, Cyrus the Great had conquered Babylon and its territory was merged into his empire. A year later he issued a decree permitting the people of Judah to return to their homeland and rebuild the temple.

Evidence of the Covid Conspiracy

The CDC recently announced the scheduling of a confidential meeting to develop a public health tool to predict the virality of vaccine misinformation narratives. Of course, we know that they perceive truth to be misinformation. So, their intent is to stop it.

Conspiracy Theorists Rock

A few of the direct results include the enormously unconstitutional “Patriot Act”, a huge power grab by federal authorities. Let’s not forget that, fairly unique among the world’s nations, the US population is an armed population. Those who might be seeking absolute power would necessarily have to move slowly here.

America: Off the Rails

A literal toxic cloud hangs over America today. Many cannot really see it, much less see through it! The fog of paralysis eliminates effective action while producing an inertia that, together with a lack of incisive analysis, will end in our nation’s death spiral. There has never been such an open show of contempt and hatred for normal Americans – a/k/a “the deplorables”...

Tariffs are a Benefit Second Only to God

Regular readers know that I break down complex subjects into one or more articles. My primary purpose in writing is to give

Patriots information they can use. I make no attempt to inform Lenin's "Useful Idiots" of anything, because they will not be receptive to such insights until they are starving.

Global Agenda for World Domination

What we are truly facing is what every one of these quotes is advocating: regulation of every aspect of our lives to enforce their agenda to inventory and control everything on earth. Their words – not mine! Either we stand up to stop it, or suffer the consequences.

DeSantis is Finished as a Presidential Candidate

Mexican President Andrés Manuel López Obrador recently made a reference to "our fellow Mexicans that live in the US." He is apparently referring to the "territorial dispute" with the United States over who owns the Southwest United States. Mexicans claim that region for themselves.

The United States' Bald Eagle In The Coal Mine

As we break down the animal kingdom, as well as the insects, and the entire web of life, I can't help but wonder when our species will take its turn in the "Sixth Extinction Session?" Will the Bald Eagle survive? Can you and I ignore reality until it won't ignore us?
