

Another “Gun Free” Zone School Shooting? – Time to Hold Politicians Accountable

We all know that the best way to ensure the enslavement of men is to disarm them. “To disarm the people is the best and most effectual way to enslave them.” -George Mason Not only does disarmament mean to enslave but it also means to take away one’s ability to protect themselves.

Georgia On Our Minds: The Devil Went Down to Georgia

It’s somewhat incomprehensible that Governor Kemp just won the Republican primary handily. This comes after former President Trump has continuously excoriated him over his general RINO behavior and his acquiescence in the vote fraud associated with the 2020 elections.

Mass Shootings: Manifesting the Nihilism of the West?

I’d planned an article on Peyton Gendron, the shooter who killed ten people in a Buffalo and injured three others in a Buffalo, N.Y. supermarket on May 14. Then I woke up this

morning – it is May 25 as I write this – to learn that Salvador Ramos, also 18, shot and killed 21 in a Texas elementary school, 19 of them children.

What We All Must Do to Save our Republic

In May 2008, I visited the homestead of Nathan Hale in CT. Nathan Hale was hanged by the British at the age of 21. Before he was hanged, young master Hale said, “I only regret that I have but one life to lose for my country.” Just a kid he gave his life for future Americans to be free.

Decoration Day, A Solemn Day of Remembrance

Decoration Day was officially changed to Memorial Day by Federal law in 1967. On June 28, 1968, the Congress passed the Uniform Holidays Bill, which moved four holidays, including Memorial Day, from their traditional dates to a specified Monday in order to create a convenient three-day weekend.

At What Age Do You Have Rights?

Since the district court found that infringing on the right of certain people to keep and bear arms somehow did not burden the Second Amendment, they figured they were done. However, in an effort to cover their backside, the court determined that this question should receive intermediate scrutiny. But what is this “scrutiny”?

Why Are The American People Ignoring This Phenomenon?

Ever since 1965, this national phenomenon has been working on changing the entire demographic of America from a successful European-dominated Republic to a country racked with violence, racial strife and ultimately, disintegration.

How Did Christ Fulfill the Law?

Voting cannot save you; the politicians cannot save you. How has that been working for you? Nothing on this earth can save you now. The dark powers have gone too far to be turned back by man. They have a spirit being leading them! Shouldn't you

have the most powerful Spirit Beings in the universe leading you? Only God the Father and Jesus Christ can save us! Get rid of your stubborn pride and your superiority complex.

The Dangers of American Education, Part 1

We have seen the massive pushback from the school boards now that parents are demanding accountability. Some cities are worse than others but they are all bad. I have called for the schools to be put back into the hands of the state and the parents with heavy parental involvement. The time to act is now!

Seven Things God Hates

God doesn't hate America, but He most certainly does hate what our nation has become, under cowardly "Christian" leadership, and ignorant, apathetic sheep – who are supposed to be the salt and light of this dark world.

How I Came to Trust God for Healing

I'd just encourage believers today to trust God for the thing before them. Whatever the mountain, you can speak to it. But first, take your eyes off the obstacle and reach the unseen hand of God. Tell Him you trust Him. Seek His wisdom and direction for the thing you're dealing with.

Memorial Day 2022: Will We Keep America Free?

Memorial Day is a day to remember what should be remembered every day—the service and sacrifice of the more than 1.3-million American veterans who have given their their lives in war so that we, their posterity, might live as free Americans.

I For One Refuse To Comply With Federal Laws That Are Blatantly Unconstitutional!

It is my opinion based on observation, study and history that the PSRRC, politicians, bureaucrats, judges, academics and large corporations are destroying this country and its people. History teaches us that when you take everything away from

people and they have nothing to lose, that the people will revolt until only ashes remain.

Flags Over Boston

When is flying a flag government speech? That was the question before the Supreme Court in the case of *Shurtleff, et al. V. City Of Boston et al.* Could the City of Boston refuse to fly a Christian flag? Was the city required to do so? Or did Harold Shurtleff have the right to fly the flag of his choice on public property?

Is Socialism a Liberal Idea?

The answer to that question depends on who you ask. If you ask a young public school or college indoctrinated kid, they will likely tell you yes. But if you ask anyone old enough or properly educated enough to know the truth, the answer is no. However, I'll present the facts on the matter, and you can decide for yourself.

Trump's Endorsements Are

Inflating the Swamp

Former news anchor for Fox 10 in Phoenix, Kari Lake was endorsed by President Trump for the Arizona gubernatorial race. She is a registered republican, but was a democrat voter in 2008 for Barack Hussein Obama. She has also been registered as an independent. She is a constant guest on Fox News, and will likely be the next governor of Arizona.

Part 2: Absurdities Of Our Times In America—Just Irritating

How absurd were 107,000 opioid overdose deaths last year in the USA? But then, how absurd is it that Biden invites all the drug cartels to invade our open borders with all their drugs. Biden is a one man drug cartel himself! And, your kids are paying a severe price. Absurd? It's off the wall absurd.

Big Shots with Lame Excuses

Public schools have emerged as the most convenient venue for groomers. School boards used to be staffed by normal people, insurance companies used to sell insurance, and no one was required to go along with and “affirm and celebrate” anyone

else's absurd delusion.

Developing a Data-Driven “Dysphorian” Digital Dystopia

Throughout the rapid passage through transitory states, no prospect has inspired as much mystique, critique, and wild speculation as what has now been “christened” artificial intelligence (AI). Theoretically, sensation and complex thought – the reasoning faculties that once defined the human mind – can now be enacted in silicon-based processors...

God Will Never, Ever Abandon Us

We may not know what challenges we will face tomorrow, or the details of how end times events will unfold, but we know based on His infallible word that Jesus is coming back for His children. Whether He takes us home through death or catches us up when He returns, Jesus will always be with us through our journey on earth.

Unbiblical and Unconstitutional Welfare State Now Has 59 Million Dependents

We must be aware of what it is that the government is illegally doing, along with what those are doing that are pulling on the heart strings of the people that work. Yes, it is more blessed to give than receive (Acts 20:35), but just make sure that to whom you are blessing really needs it.

Pandemic Monkeyshines

It seems the WHO is planning for ten solid years of pandemics, from 2020 to 2030. How does WHO know what, why and when? Unless, of course, Gates' minions—the WHO included—are feverishly planning and executing these pandemics. What better way to accurately predict the future than by controlling it?

Our Fault, Our Fix!

This is a lot of work, as I've set it out here. But WE are a lot of very upset frogs who must get the heat under the pot turned down or off. Our precious freedoms are worth every bit of effort we can put in. There won't be a next try. The enemy

is trying to affix the lid to the kettle so we can never fight again.

The Root of ALL Evil

Contrary to modern indoctrination institutions that are responsible for making sure that the average American isn't even smart enough to tie their own shoes by High School graduation much less vote for their own future, to include many global one world churches today, money itself is NOT the root of all evil.

Absurdities Of Our Times In America

What stands as our most absurd moment in American history? Answer: a purported 51 percent of Americans voted for a senile, old man who has accomplished nothing in his entire life in Congress other than give blow-hard speeches. And, now, he's running America into the ground faster than a bullet train.

Tax Cuts, Fair Tax Schemes Keep People Herded in the Wrong Direction

For forty years the tax and spend Democrats ruled Washington, DC, looting the people's treasury for social programs that are clearly outside their authority under the Constitution. LBJ's great society jump started this insanity and sadly, my parent's generation bought into their chains of dependency and have passed this mess to my generation.

They Are Coming After Us!

For years now God has been warning the Body of Christ in America that we were to resist the evil overtaking our nation. Time and time again He has sent warnings to us but His Body has blatantly ignored His warnings.

Is The Coming Food Shortage Government Engineered?, Part 2

We are seeing a very large number of food processing plants, fertilizer plants, and related facilities experience devastating fires, planes flying into them, explosions, and a

whole series of other disasters that have hit the food processing industry. There have been, at the time this article was written, 22 plants have been affected. Some have been completely destroyed.

The Biggest Con the World Has Ever Seen

We are at a crucial point right now. I want to say we are at a turning point, but instead, we are approaching the point of no return. For over a century we have been going down the “Fabian Freeway”[i]. The Great Reset, with its concomitant tools of pandemics, scheme of turning over sovereignty to the genuinely evil World Health Organization...

Where’s the Peacemaker?

In 1904 Russia and Japan went to war to decide which of them would dominate Manchuria and Korea. It was a punishing conflict, with high casualties on both sides. A Russian fleet sailed virtually around the world, only to be wiped out by the Japanese in the battle of Tsushima Strait.

Can We Take Back Our Election Process?

But all of that depends on the voters. Do you want to take back control, or are you satisfied to have your choices made for you behind closed doors? Because that's what we have now. How's that working for you?

Our Unconstitutional Federal Government

Our Declaration of Independence established the USA as an independent sovereign nation under the Laws of Nature and Nature's God on July 4, 1776. The US Constitution drafted by the Continental Congress in 1787 and adopted in 1789 created and guaranteed the people a republican form of self-governance of, by and for the people of the USA...

Wanna Light a Fire Under Your Pastor?

Here is a stern warning to pastors. Write it off if you like. The folks in the pew are greatly dissatisfied. I hear it when I speak in churches and I hear it every time I write a commentary. Churches are hemorrhaging members and sadly, the

leadership wants to blame the sheep. A good coach never blames the players. The sheep are a reflection of the shepherd.

Why Is Everyone In America Avoiding This Topic?

In April, I spent most of my time in Arizona. It's hot, dry, suffering from severe drought, with spontaneous wildfires, and temperatures in the summer at 120 degrees. To walk outside equates to jumping from your air-conditioned house into a frying pan.

Toward a World Government Run by Lunatics

They want a world government, with themselves in charge. Now they think we'll give them that in return for, um, "health." And "safety." As defined by themselves. The pot is boiling, the brew is being stirred. Probably by witches.

Where Is the Prosecution For Those Corrupt Politicians That Are Guilty?

In close pursuit are those who do not take the time to know the difference when it comes to our laws and how they have been violated by the repeat criminals that we have had in front of us for the last 20, 30 and, in some cases, 40 years. Where is the justice that guards our liberties...

America is Becoming the Monster it Claimed to Fight

Currently, we are beginning to repeat again the process of electing new politicians to office with the hope that they are going to change our fast course into the abyss. Allegedly, Albert Einstein once said that doing the same thing over and over again and expecting a different result is a clear sign of insanity.

The Real War

The choice is ours. Wake up, or get in line for the New Normal global prison.

Never Say “Never”: The Sad Saga of “The Washington Football Team”

The real question is this: is the new name for the Redskins – the Commanders – a political and cultural Freudian slip that acknowledges the triumph of political and military power over Native Americans? Or is it just another liberal bad choice! What do you think?

Habeas Corpus

All this leaves us with the question of what the District Court for the District of Columbia will do? Will they recognize Mr. Quaglin’s right to have his detention reviewed by the court or will they look at the opinions of previous Supreme Courts and waffle? Time will tell.

Help for the Obscene, Unnecessary Baby Formula

Disaster

I spend a lot of time researching on the Internet (and books) and when I saw the headlines start popping up about this, I thought why? I half expected to see it is because of the Russia/Ukraine disaster. But, it appears baby formula manufacturers is pretty much controlled – just like the parasites who call themselves “mainstream media” by a small number of manufacturers...

Roe vs Wade: Ironies, Dichotomies, Human Tragedies

I want to make this very clear: I do not support abortion. It's the taking of an innocent life in the womb. By any other name, it's murder. As a matter of fact, we are the only animal on the planet that aborts its young. So, what I'm going to try to do in this column is mark the ironies and the pitfalls of humanity's current problems in the 21st century.

What If There Is No God?

Our histories have always been written by the victors of the wars and there have always been wars! So, we have never gotten the stories from those who lost! That means that we only have one side of every story! And could that side be bias and maybe slanted to put the victors in a favorable light? Have we been

lied to?

Is The Coming Food Shortage Government Engineered?, Part 1

Remember that Henry Kissinger, another traitor in my book, made this comment: “Control oil and you control nations; control food and you control the people.”

We Were Warned. We Didn't Listen.

This is all part of the plan for a New World Order. Next up: the death of the US dollar and the “need” for a One-World digital currency, embedded under the skin. Those who refuse will be outcasts, or forced to live in captivity, if they're allowed to live at all. Regardless, the coming Great Reset and New World Order will have to be Communist in nature.

The American Pre-Tribulation Rapture (Isaiah 18)

A recently posted NewsWithViews article titled, "The Rapture is Created as an Exit Strategy for Those Who Have Refused to Obey the Lord?," compelled me to respond and refute that author's contention that there will be no rapture(s).

Humanizing the Most Vulnerable Promotes Life for All

More than a decade ago, I was doing IT support work at a local Jewish Community Center. The Jewish librarian, knowing I was a Christian, asked me a question regarding what I thought of the abortion issue. She was in favor of keeping this practice legal. I think I gave her an answer that she did not expect, because it was not really a political one.

American Veteran in Defense of Liberty and Freedom

This president has taken steps heretofore unheard of to restrict not only travel, but also the beliefs and values of the American people. If Americans wish to volunteer to defend

freedom and liberty of and in another country – it is not up to the president to deny them that opportunity.

Umbrella Tree

Hello everyone. I have been looking into worldwide corruption for 45 years. Why do we keep choosing corruption over liberty? Especially with all the evil going on today. As it gets worse and worse, I was brought to remember something I read years ago in “Occult Theocracy” by Lady Queenborough.

Can We Take Back Our Election Process?

The real power comes from rejecting the candidates at every level. But all of that depends on the voters. Do you want to take back control, or are you satisfied to have your choices made for you behind closed doors? Because that's what we have now. How's that working for you?

How Much More 'Sex Ed' Can We

Stand?

We've been warning you for years and years that public education's not your friend, it undermines your family, and it's poison for your children. Most people didn't listen. It was always so convenient just to pack Johnny off to school every weekday and forget about it. That's what too many of us did.

What's Happening in Africa, China, India, Mexico?

In March, 221,000 illegally jumped our borders to be distributed throughout our entire country by Joe Biden. The same numbers will continue to flood into our country in April, and every month for the rest of this year. They will add up to 2,000,000 illegals within our country.

The Rapture is Created as an Exit Strategy for Those Who Have Refused to Obey the Lord?

It is not a doctrine affirmed historically by any of the great confessions of the Christian faith. It is based upon a

misinterpretation of certain passages found within Scripture.

International Living, Part 1

Although some aspects of globalism are hard to escape, there are many places in the world very little affected by the trend and where the local charm and allure remain largely intact. For your reading pleasure, we will not get into the mechanics of such a transition. There are experts and resources available to facilitate that process.

The Narrative and Culture Wars Just Got Hotter

As if in counterpoint, the Bidenistas announced their real, live Ministry of Truth. They don't call it that, of course. They call it the Disinformation Governance Board, and it will operate through the Department of Homeland Security (DHS). I don't think there is much doubt about what this outfit will do, despite the aura of mystery some have tried to create around it.

Enemies on the Left False Friends on the Right, Part 1

A nation can survive its fools, and even the ambitious. But it cannot survive treason from within. An enemy at the gates is less formidable, for he is known and carries his banner openly. But the traitor moves amongst those within the gate freely, his sly whispers rustling through all the alleys, heard in the very halls of government itself.

The Mask Mandate That Was NOT Found Unconstitutional

The CDC, the states and cities that run the airports, the airlines, and everyone else were following a law that did not legally exist. That makes it just like all those who were afraid to say anything when the emperor walked around with no clothes. It's worse than that though, because they also committed a federal crime.

Honest Opinion of Recent GOP Primaries

I've analyzed more elections than I can count as well as hammering on vote fraud since 1993. Like so many millions of

Americans I've read countless books, watched videos and have been active at both the state and federal level. Worked to get candidates elected, voted for Trump twice.

Alzheimer's Disease Rampaging Across America: It Just Hit Our Home

This is a very painful column for me to write. It's painful because my wife Sandi, the love of my life, my dance partner, my camping partner, my funny partner, my bicycle partner, and movie partner—has contracted Alzheimer's Disease. We've already cried buckets of tears, suffered from futility, depression and anger at what has happened to us.

Anger Is A Lack of Love

When a situation is not met with the delicate timing of Truth, then you are seen as unjust. When you lack the understanding to meet a situation, you will excite the animal nature of others to rise up and give you greater pain – that you are powerless to meet.

Who Are America's Enemies? – Part 3

CIA Director David Petraeus says that web-connected gadgets will 'transform' the art of spying – allowing spies to monitor people automatically without planting bugs, breaking and entering or even donning a tuxedo to infiltrate a dinner party.

The Wilderness Experience

I think I was about 8 years old when I wrote my first "Bible commentary" for a school assignment. I received an "F" on that assignment, by the way, because the teacher said the subject matter was "inappropriate" for school." When I was ten years old, I developed – seemingly out of nowhere – an interest in writing and publishing.

Dark Money–Not the Grassroots–Is Behind the Convention of States Organizations

Patriots are rightly concerned that Mark Meckler, lobbyist and President of the Convention of States organizations (COS), has

spent tens of millions of dollars spreading misinformation and cajoling State Legislatures into passing applications asking Congress to call a convention under Article V of the U.S. Constitution.

Guilty Secrets and the Fall of the National Health Service in the UK

Because of this, many have distanced themselves. They have jumped ship from the National Health Service. It is my personal belief it was that they have been unable to take the injustice and no longer feel motivated by the system they have been loyally serving.

2022 GOP Primaries Got TRUMPED

Whether you love President Donald J. Trump or hate him, there's no denying the fact that he remains the most popular and powerful figure in American politics today. Firebrands like Trump always ignite a firestorm of controversy. We could say the same of every Founding Father!

Biden Announces Food Shortages Then Makes it Happen

On March 24, 2022, after the G7 meeting in Brussels, Biden announced that the food shortages around the world would be “real” – of course, because of the Ukraine war, which he so desperately wanted, and those dastardly Russians. Now, he is making it happen.

Faith Over FEAR (Step One)

In fact, it’s been written for centuries that FEAR is merely the absence of FAITH, just as darkness is merely the absence of light. Where one exists, the other cannot. Yet today, even many Americans of proclaimed faith have allowed their fears to win over their faith.

To the Ends of the Earth: Lost White Migrations and

Civilizations, Part 1

Ancient White influence was, however, not restricted to western China. A genetic study published in the journal, "Molecular Biology and Evolution" (Vol.17, pages 1396-1400, in the year 2000) found that in the far eastern seaboard Chinese province of Shandong, the population of former times showed greater genetic similarity to present-day Europeans than to present day Asians.

The Evolutionary Fallacy

The Evolutionary Fallacy teaches that sometimes evolution is slower than we'd like it to be. When that happens, Really Smart People can hurry it along with a violent revolution followed by a reign of terror. Honk if you've seen that before.

Abortion is Murder, Period!

For nearly 50 years Americans have played hide and seek with the truth in a diabolical lie that a woman has the right to take the life of her pre-born child. None of their science works. The only weapon remaining in the arsenal of the pro-aborts is the lie that an unborn child is not a human being.

The Non-Equity of the “Equity” Movement to Bring Everyone up to Equity

First of all, Black America enjoys more advantages than any and all Africans or other people of color anywhere around the world. Blacks enjoy the highest standard of living, billionaires, housing, jobs, sports, entertainment dominance and SO many other areas. It's a privilege to be Black in America.

The Greatest Reset

The great reset has been thoroughly defeated by the Greatest Reset of Jesus rising from the dead. Because He is risen, the redemption of our bodies from mortality to immortality is certain, and along with creation we will experience the culmination of our longing to be with Jesus, our Redeemer, forever.

Disney Employees Being

Exposed for Crimes Against Children?

It wasn't long ago that, while speaking at high school assemblies across America (Still doing them), I was accused of everything from that of being a bigot, to a hater and a liar only to now turn around and see that what I warned about is exactly what we knew that they were, in fact, guilty of doing (Isaiah 5:20).

Personal Use of Logs and Timber in Idaho State

So my conclusion is that neither Lewis and Clark, nor those who might re-enact their trek through Idaho today need get a permit nor enter into a contract with the state of Idaho if they want to cut down a large and marketable Ponderosa Pine on state land and carve it into a canoe for their own personal use.

Prosecuting Prosecution

Malicious

What can you do when government actors abuse their powers? I've talked before about the right to petition the government

for a redress of grievance and how the judicial precedent of sovereign immunity violates that right. But what happens when law enforcement or the justice department abuses their prosecutorial powers? How do you seek redress for a malicious prosecution?

The International Treaty That Will End the Great American Dream – If We Allow It

And while we are doing all of these things, we must continue to clean out the Swamp, get this country back to a civilized (non-moral relativity) state, and bring our constitutional republic back to following the Constitution and acting as a Republic.

I Hate This Country

Why I hate this country? In the first place, because today's America is quite different from the country I moved to 35 years ago. This country America has turned into has nothing to do with the America I knew. Secondly, because what this country has turned to reminds me more and more the totalitarian country I had to escape from.

Cognitive Dissonance: The Ministry of Biden's Truth

And this from GOP congressional candidate Errol Webber: "Adolf Hitler had a Ministry of Truth...Joseph Stalin had a Ministry of Truth along with Mao Zedong. All of them were dictators. The Biden regime now has a Ministry of Truth." If you haven't read George Orwell's book 1984, please pick up a copy...

Who Are America's Enemies?, Part 2

Going back to the Obama administration and looking at the trash he had in his cabinet and as his advisors, we can see where a lot of this 1984 mindset came from. His Senior Advisor was Valerie Jarret who was a major communist sympathizer. She was shoulder deep in the corrupt politics of Chicago.

What A Small Price to Pay

If you do this, you can expect ridicule, mocking, disdain and in some cases, outright hatred from those who choose to remain in the world, practicing worthless religion. As Paul warned

Timothy, "Everyone who wants to live a godly life in Christ Jesus will be persecuted." Oftentimes, the worst persecution comes from religious people and false Christians; the love of God is not in them.

A 'Great Reset' Toward Reality is Arising

We can expect that once the Great Reset is in place and the New World Order is smoothly moving forward (and leaving the rest of us behind in slavery and poverty), all of these Green concerns will cease to be and the EVs and windmills abandoned because they are too costly and too stupid.

Redress of Grievances

The First Amendment prohibits Congress from passing laws that abridge your right to petition the government for a redress of grievance. Yet not only has Congress ignored that restriction on their actions, but the federal courts have piled on as well. Today, I will look at what the right to petition means, how that has been violated, and what the American people can do about it.

John Locke Foundation Supports ERIC! “Clueless” is the Nicest Thing I Can Say...

If the informed consumer of news is aware of the potential for fraud in the ERIC constructs, how can the John Locke Foundation NOT be? I urge them to do further research on ERIC and withdraw their request that the NC legislature provide immediate funds for ERIC. NOW. The JLF is better than this latest article.

Back to Basics: Freedom? Or Serfdom? The Choice Is Yours

Those for whom freedom is a core value need to start standing up and saying so, loudly, and in sufficient numbers to make a difference (my writing these articles is definitely not good enough). That means rediscovering, or perhaps discovering for the first time, freedom's preconditions: responsibility and sufficient real education to take care of oneself, and the character to deal consistently with others honestly and with empathy.

Too Stupid to Remain FREE

But the two most dangerous lies today are the Climate Change hoax and the COVID19 scamdemic. The Climate Change hoax is designed to get unwitting citizens to go-along with killing innocent people to save mother earth. And the COVID19 scamdemic is designed to gain total control over populations through constant...

Remembering Roger Fredinburg

I remember it well, because as Roger's Executive Producer, I had asked him if we could do this program. His answer was a resounding YES! Roger has little patience with anti-Semites, and he always loved his Jewish brethren. The music he chose for Wednesday nights was perfect, and his warmth and gentleness during the interviews made every program even more beneficial to the audience.

Who Is John Galt? Why, It's Elon Musk of the 21st Century

In Rand's book Atlas Shrugged, she featured John Galt, a man who bucked the norm, a man who stood his ground, and a man who made a difference. In the 21st century, billionaire Elon Musk may be the new John Galt. It took a pair to buy up radically left-leaning Twitter for \$44 billion.

Are We Winning?

Secret “transition closets” in schools all over the country, encouraging children to “change their gender” while keeping it a secret from their parents—exposed! The mighty Disney Corp smacked down by the state of Florida, after having defied a new state law against grooming children for sex. And CNN+ canceled before it lasted a month.

Death by a Thousand Lies

Many have tried to WAKE YOU UP for decades, myself included. Yet, even at this late date, under unprecedented open assaults on every freedom and liberty you have ever known, most remain asleep at the wheel of our country, waiting to see what the tyrants have planned for us next, or who might ever do something about it.

Stifling Your Mind and Soul to Bring You Under Their Control

It is an inescapable fact that a massive global cabal is

intent on destroying the sovereignty of every nation on Earth and reducing most of the human race to a species of A.I. trans-humans while those who escape that fate become nothing more than statistical entities and slaves.

The Origin of Covid-19, Updated, Part 15

Another flight surgeon, Dr. Peter Chambers, has said that about 75-80% of soldiers getting infected are “double-vaxxed” compared to only about 15% who are not vaccinated. Dr. Chambers himself received the Moderna vaccine in January 2021 and quickly developed “brain fog.”

Governor Signs Bill to Make Parents Aware of Sexual Materials for Their Children

Not blaming the government for that to which the parents give their children over (Proverbs 22:6), but since when was it the government’s place to sexualize your children?

The US Senate Race In NH Heats Up

Since 2004 we have been exposing wide spread corruption in NH politics and beyond from both parties. I have been involved in 24 court cases. I have yet to lose. Joe "The Joker" McQuaid, editor of the Manchester Union Leader, has been fully informed of this corruption.

Stomach Problems Are The #1 Complaint To Doctors

The slow accumulation of toxins and fecal debris lingering in the digestive system are the direct cause of a wide range of modern diseases. Toxicities not only slow the body's elimination systems down and weaken it, but they also interfere with cellular integrity by causing a massive load of free radicals to enter the bloodstream.

Is it Possible to Have a World Without Cancer & Autism?

66% of all vet appointments are over gastrointestinal issues. The Gut, just like humans. I want you and your family to be

healthy and all the beautiful children in the world with autism cured. It is absolutely critical, though, that the parent or caregiver follow the program to the letter. I want to see cancer a thing of the past or at the very least, rare.

We Need to Focus on State and Local Governments

Misdirection is the stock and trade of both magicians and politicians. Over the years, the American people have been conditioned to focus on Washington, D.C. as both the source of our problems and their solution. In doing so, we are allowing those in our state and local government to steal our rights and our liberties right out from under our noses.

Quiet, Tranquil Sweden: Now Rioting and Burning

Swedish professor Eva Vlaardingerbroek said, "I blame the liberal left-wing elites who have allowed all of this to happen because they know that they have allowed these people to come into our countries with vast numbers. And they knew that this was going to happen because this is all part of their plan to destroy our social fabric and to destroy our identity and our society."

Who Are America's Enemies?

Part 1

John Quincy Adams stated: Posterity: you will never know how much it has cost my generation to preserve your freedom. I hope you will make good use of it. I hope that this generation isn't the one that lets it slip through their fingers.

How To 'Get Right' With God

Unfortunately, many choose the path of least resistance. It's not easy to be a Christ-follower. It's a narrow gate that leads to life and Jesus said "FEW" will ever find it. But still, for the few, Christ came to earth as a perfect, holy sacrifice for US. He was crucified, died and was buried. Satan thought he'd won the battle.

Dr. Scott W. Atlas: An American Hero

They say crises bring out the best and the worst in people. They also often inspire a few gallant men and women to rise to the occasion at great cost to themselves—whether that involves

risking their livelihoods, reputations, or even their lives—to fight for the rest of us.

How Do You Manage America's Decline?

We must be able to name the enemy. Don't view them as Americans they are not. Don't try to make sense of anything they do or say. They are only trying to confuse you. Look to see what they are doing like passing bills late at night to take away our rights.

How the ERIC Beast is Fed And How Your Community Can Starve It

Your goal is to get your state to withdraw from ERIC. The state of Louisiana did just that because of the pressure from citizen groups, whose requests for the voter rolls were denied and ignored. The Public Interest Legal Foundation, founded by J. Christian Adams, sued the Secretary of State, Kyle Ardoin, on behalf of the voters, which forced Ardoin to look into the rolls and ERIC, and he suspended the LA membership.

Mexican Pirates vs. Constitutional Militia

The bottom line is the U.S. Constitution guarantees under Art. IV, Section 4: “The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence.”

The Dramatically Devolving and Changing Face of America

Each day, Joe Biden and Congress import an average of 10,000 legal and illegal third world immigrants into our country. They can't speak English. They lack any educational background. They carry corrosive cultural practices. They head toward the welfare and food stamp offices of each city where Biden flies them. They arrive from 190 different countries at your expense.

Replacing God

You can see, can't you, that the New York Times isn't just totally full of Schiff after all. Everything God can do, Science and Money—our current gods—can do. They may not do it for everybody—that kind of technology can be expensive—but what us common folk can't be, we can still worship.

Change the Words, Change the World

But the battle is far from over. Each one of us is going to have to make a decision on just how valuable we think liberty is. Are you willing to sit silently as the chains of slavery are forged for your children? Ben Franklin warned us, "Anyone who trades liberty for security deserves neither liberty nor security."

The Poisoning of America's Food Supply: 45 Out of 86 Products Contained Alarming Levels of Glyphosate

The Detox Project recently published their latest results from the most comprehensive glyphosate testing of food products

ever conducted in the U.S., showing that the contamination of the U.S. food supply with the cancer-causing herbicide glyphosate is becoming significantly worse since their first report published 5 years ago.

Cold War II – Part 2

Before reading any further, if you want to believe the narrative that good old America, the red, white, and blue will always come through and that truth, justice, and the American way will always prevail, then take the blue pill and read no further.

Misconceptions and Deceptions Re: the Ukrainian Conflict

Of course, higher transportation costs, especially when added to higher food production costs, must result in higher prices at the grocery store. The food costs shock arising from the Ukrainian war will be as severe as the oil costs shock of the 1970s the only difference being not everybody needs gas and oil while everybody does need food!

Deja Vu All Over Again, Part 2

I have written before about how the Nazis in the 1930s used hydrofluorosilicic acid in the water of occupied countries like Czechoslovakia to narcotize a particular part of the brain, and many American cities have had this same chemical in their water for decades. This is one reason Americans have become dumber and dumber.

How and Why Our Wonderful Nation Came About and How Do We Keep It, Part 2

In my last article, I explained how God had made promises to Abraham and promised that two great and powerful nations would arise from Abraham's seed. The first would become a multitude of nations that would spread over the entire world. That nation would be the British Empire. The second would become...

Term Limit Bill in Congress

Many states have term limits for offices such as governor. I live in Texas where a governor if elected other than by vote fraud can serve 50 years if that's what voters want. Lucky for

Arizona their wimpy governor is being term limited out (2 terms) and hopefully, Kari Lake will become their next governor. Unless, just as Trump was cheated even though he hands down won in Arizona, Lake is defeated by election fraud.

Let's Face It: We're Being Invaded At The Hands Of Our Own President

But the even greater mystery stems from the fact that our U.S. Congress remains in full complicity with Biden's treasonous acts. Why not stop him? Let's face it, Speaker Nancy Pelosi impeached Trump twice over a phone call and a whim about January 6th.

The Journey of Self Destruction

The more we deny God to be god (always right, never wrong), the more deeply we will involve ourselves with the people, places, pleasures, and intrigues that will surely kill us in the end.

Will America Be Hit With Food Shortages, Part 2

The predictions that are out there are not really promising for us. But there are things we can do to make it easier.

The politicians that we have in Washington are the biggest reason we are in this situation. It will be several months before we can replace them but that is the first step we need to take.

ERIC, The Largest Components of The National Voter Fraud Issue

The Electronic Registration Information Center, ERIC, is one of the largest components of the national voter fraud issue. The more I learn about ERIC and the action of its 30 member states, the more sure I am that the construct of the organization was designed for it, with words of plausible deniability, of course.

“Control Your Soul’s Desire

for Freedom”

This is the message being echoed by drones throughout Shanghai China today in yet another massive total city lockdown of over 26-million Chinese citizens. Thousands are screaming from their balconies as others leap from their balconies to their death. They are being starved to death.

9/11 and American Exceptionalism (Take Two)

So, we should not discard the possibility that the mad globalist conspirators are currently planning to provoke Russia into killing 80 million innocent Americans and Russians as a first step to fulfill their dream of eliminating 85 percent of the global population while they enjoy the show from their deep holes in New Zealand and the Patagonia.

How Much More ‘Sex Ed’ Will People Tolerate?

The people of New Jersey are public schooling’s latest victims. They were shocked last week when the state Board of Education suddenly announced a new “comprehensive sex education” curriculum, to go into effect this fall, featuring the usual potpourri of gender identity, sex-change, “gay”

relationships, all seasoned with gender-neutral pronouns.

Green Energy: What It Really Costs You

Bartender AOC screams “Green Energy” from her high perch in Washington DC. Like a third grader, she doesn’t possess a clue about what she’s screeching to all of us. At 79, Joe Biden ramps up his own call to push America for Green Energy, but In reality, he doesn’t possess a clue, either.
