## **Starting Over (and Finding Hope)**

Conservatives need a grand vision, and it has to be something more than make America great again. It can't be Utopian, because conservatives are by nature non-Utopian. It can draw on great documents such as the Declaration of Independence and Federalist 51, among others. It must appeal to what is best in us, and thus attract the interest of the remnant.

# **Will America Be Hit With Food Shortages?**

Biden is blaming literally everything wrong in America on the fact that Putin invaded Ukraine. Our border problem is 100% Biden's fault. Our historic high gas prices are 100% Biden's fault. Unemployment increases are Biden's fault. Inflation is Biden's fault. It all stems from the liberal's desire to turn America into a third-world hell hole.

## **The Genesis of Our Divisions**

It would be unreasonable and unrealistic for me to expect people to drop their many programmed divisions entirely today. ## **Biden's Bay of Pigs**

It's fitting that Putin's Russia backs Iran and makes possible its nuclear weapons program. Biden will sacrifice Ukraine on the altar of the 2015 Iran nuclear deal, brokered by Russia. Russia is using the revival of the Iran Deal to evade economic sanctions for its invasion of Ukraine.

# **Our Only and Last Hope**

As we saw the video coverage by citizen reporters on the scene, we were shocked at the brutality that police were inflicting on the people who were assembled there – peacefully seeking a redress of grievances with the politicians that supposedly represent them. But we've now learned that many of those "police" were not Canadians at all – they were...

## **What Happened To The Integrity Of Our Elected Officials, Part 3**

I have not seen a democrat since JFK worthy of a vote from the American people. Lyndon Baines Johnson was a racist POC and escalated the Viet Nam war for, I believe, his personal benefit. Jimmy Carter hated Israel and was not capable of understanding how an economy works, not that any democrat that I have seen does. Clinton was and is a

## **Another War, Another Buck, Part 2**

Nevertheless, despite all efforts and pressures upon the people and a couple of years of scare tactics and lies, most

people began losing their fear of the virus and tried to go back to some sense of normality. Obviously, this was a source of great concern to the globalist conspirators. But, with his war against the Ukraine, Vladimir Putin, has become their best ally in the production of a new terror...

## **Marilyn MacGruder Barnewall: Feb. 2, 1937 – Feb. 25, 2022**

Known internationally, Barnewall was affectionately dubbed “the Mother of private banking” by Rick Scammel of Washington Trust Bank in Spokane. Forbes Magazine named her “the Dean of American private banking knowledge” and Town and Country called her the personal banking industry’s “guru”.

## **Distractions**

Let them understand that if they do not protect our property rights, we will vote them out of office. As Tom DeWeese put it so well, we awake and patriotic Americans are “dedicated to the ideals of limited government, free enterprise, and individual liberty.”

# How Did Biden Give His State Of The Union With A Straight Face?

The miracle is, how did he do it with a straight face? How could he stand in front of all the members of Congress and a dwindling American audience of only 30 percent approval rating—and tell us what a wonderful job he’s done?

## “Viva Yo!”

There’s a Spanish expression, “Viva yo!”, which means, literally, “Long live me!” But it means a little more than that. “I come first! I’m the king. The rest of you, out of the way!” There’s a lot of “Viva yo” going around these days.

## Ukraine Burns But Resists

To repeat, here’s how we got to this point: The Russian regime fooled the West – making itself seem like a new and modern and democratic state – in order to attract Western capital and underwrite subversion and aggression against the West. The Chinese communists conducted the same kind of pretense but kept the Communist Party officially in power...

# **Double-Vaccinated 20-Year-Old Model Suffers Heart Attack And Both Legs Amputated**

While all of this was going on, pressure was building in her legs, not allowing blood to flow. Ultimately, it was decided the damage to her legs was too severe and irreversible – they needed to be amputated. Both her legs were surgically removed on Friday.

## **Response to Sen. Rick Scott 11-Point Plan**

As democratic socialists in power continue to burn the entire free world to the ground by way of the “COVID19 GREAT RESET,” and we enter yet another election year wherein Republicans hope to gain political power against the most unpopular federal administration since Jimmy Carter, Senator Rick Scott issues his “plan to save America.”

# America's Descent Into Darkness

Up next...are digital health cards for a virus with a 99.8% recovery. The goal is total control despite Pravda's porn fear that it's, "for your protection." Remember, "we're all in this together." Yeah, like hell we are. Nursing home residents were exterminated for lack of proper care and their families weren't even allowed to be with them when they were dying.

## Republican Form of Government

The Constitution for the United States of America is the oldest national constitution in the world, and second only to the Constitution of the Commonwealth of Massachusetts in age. Two hundred and thirty four years is a good run, but that is no guarantee that it will continue. If we wish to uphold the Constitution and the Republic for which it stands, then it's up to We the People to work to keep it. Otherwise, our future may look more like Napoleonic France, or worse, the Reign of Terror that proceeded it.

## Think You Really Know An

# **Incumbent or Challenger?**

Allow me to insert this here as it IS the raw truth. Many have already seen it but we continue to get new readers every day. There are a lot of truly constitutional based candidates running against incumbents. Rotten incumbents in both the house and senate who absolutely must be primaried out, but it's up to US – YOU AND ME. First, though, we have to accept the bitter truth and fight back smart.

## **Putin's War Against Ukraine: His War Against All Of Us**

Hitler ran over Poland the same way Putin invaded Ukraine. The Mein Kampf madman that caused millions to die...and now, in the 21st century, another madman causing countless thousands, maybe millions to die! We stand in the 21st Century for heaven sakes. Why wage war?

## **When Will We Understand That?**

Early last week, Ottawa's police chief resigned, rather than be a part of Trudeau's brutal crackdown on peaceful citizens. On Thursday last week, I watched a press conference by the Canadian Freedom Convoy leadership, which included several Canadian military veterans. They stated their case and there was an atmosphere of patriotism and optimism.

# **What Happened To The Integrity Of Our Elected Officials, Part 2**

We have allowed unscrupulous men and women to take over our government. We've allowed it and it is 'we' that must stop it. We did it with votes and we must undo it with votes. If we don't it will take much more violent means but our nation is worth it. The future for our children is worth it. Thomas Paine made this now-famous comment..

# **Trudeau's Police State, Truckers for Freedom, and the Coming Confrontation**

Prepare to be demonized in GloboCorp-controlled mass media, because you will be blamed for whatever chaos ensues once GloboCorp makes its next move. Then be prepared for a long and protracted struggle which could well be a battle to the death, because it is likely to be: us, or them.

# God or Government: Who Do You Trust?

I am reminded of the words reportedly spoken by Nancy Pelosi, who after being elected the first female Speaker of the House of Representatives in 2006, said: “You don’t need God anymore, you have us Democrats”. The fact that she is, once again, Speaker of the House, is a sobering reminder...

## Putin’s War Machine Was Made in Washington

In effect, Putin’s Russia has been created by the same forces that explained the phenomenon of Armand Hammer and the betrayal of the West. The sad truth is that the Russians used the same trick twice. As a result, the Free World is now at the mercy of a resurgent Russia and a Red China with superpower status.

## Klaus Schwab’s Young Global Leaders (USA)

In 1971, Schwab founded the European Management Forum, which in 1987 became the World Economic Forum (WEF) – often referred to simply as “Davos”, the name of the town where the forum is

hosted each year. First, he controlled the EU nations and now, he aims to control the world.

## **Were There Giants in the Bible?**

There is so much we don't know about the Bible and there is a great unveiling that is taking place today. Many believe the Nephilim were the mixed seed of fallen angels and human women. Because the fallen angels were not human, they were immortal and unable to die.

## **How Our School Boards Turned Against Us**

The only thing we can do that will mean anything, that will have any positive effect, is to pull our children out of public school and educate them at home. This year, the number of families homeschooling their children increased four times over, the biggest increase ever.

# **America Plunging Into An Endemic Lawless Society**

The lawlessness rises right up the Joe Biden White House. He invited 2,000,000 lawbreakers into our country in 2021. He's still in violation of his oath of office in 2022 as he continues to break our laws. If the President of the United States won't enforce our laws, that's a pretty good indication that we're becoming an endemically lawless society.

## **Patriotic Americans Classified as Domestic Terrorists**

Our Judeo-Christian society has long been the object of destruction. We must pray, fight and stand. "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places." Ephesians 6:12

## **It's Only A Question That You**

# Can Answer: Americans Vs. Foreigners

As a matter of fact, did you know that less than 3% of the population along with 13 colonies and 56 signers were used by the Lord to establish what it is that we now have in the present? We have the longest standing constitution in modern history (Deuteronomy 28:1-15).

## What Have We Learned From Ottawa?

However, 73% of all U.S. commerce across the country moves by way of trucks. If truckers simply shut down and stop hauling, 73% of the nation's commerce ends in an instant. Take those trucks home and drop anchor. With government forced supply chain shortages already affecting most Americans, it would only take a few days to have everyone's attention.
