

Americans v. Demoniac Democrat Socialists

The battle for the heart and soul of the USA was brought into vivid focus last week with two landmark Supreme Court decisions that should have been properly settled many years ago. Congratulations to the current SCOTUS members who had the intestinal fortitude...

Will the January 6 Committee Fuel Civil War in America?

It will be a civil war by any other name, and as many have argued persuasively, because of the lack of clear geographical divides – red states contain many blue enclaves and blue states contain red enclaves – such a war will be magnitudes messier than the war fought from 1860 to 1865 which conventionally goes by that name.

Abortion Protesters are Entirely Ignorant of the Facts

Democrat Socialist politicians and entertainment personalities have been telling American women that they have a

“constitutionally protected Right to murder their children in the womb” ever since the fatally flawed Roe v. Wade ruling. It has always been a complete and total outright lie. No such Right exists anywhere in the Constitution...

EV's, Green Deal Destruction & Warning Extreme Diesel Engine Oil Shortage

The communist plan known as the “New Green Deal” is nothing but a con job. Another catastrophe that will play out for decades and destroy our economy even worse than what’s underway. But, that’s always been the game plan for nearly 100 years. The communist plan known as the “New Green Deal” is nothing but a con job. Another catastrophe that will play out for decades and destroy our economy even worse than what’s underway. But, that’s always been the game plan for nearly 100 years.

What Do We Do About The Homeless In America?

For the record, America suffers from a documented 540,000 homeless people. They languish in the streets of our big cities, in the woods, in U-Haul storage lockers, in tents, in abandoned trailers, in vacant warehouses and in just about

every state in the Union. They are white, black, brown, veterans, men, women and children. They are alcoholics, drug addicts and run-away teens from abusive households.

Trump's Conservative Political Muscle

As a result of the electoral power of the Trump movement, the states of Pennsylvania, Maryland, and New York could elect conservative Republican governors. That was the message Trump-backed candidate Doug Mastriano brought to the Dan Cox for Governor rally in Maryland on Saturday.

A Man In A Swamp

The less we modify our emotions and reactions, the less we can modify them. Struggling like a man in a swamp, we are left to our own insufficient devices.

A Great Time to Invest in

Millstones

Today, we're facing the highest prices for essential goods and services than ever before. Part of this is due to the purposely-orchestrated hyperinflation that's begun – but we ain't seen nothin' yet, folks. If you think \$5 at the gas pump is tough, wait until you're paying \$10, gas is rationed and people are trading their "carbon credits" just to be allowed the privilege of buying more.

America's Fight To Stay Free, Part 1

I began to see the increased decline in America in the 1960s. With the protests against the Viet Nam War, the drug culture, free sex, and the general apathy of the boomers I knew it could only lead to what we have now running the country, people with the socialist/communist ideology.

How to Bring Washington, D.C. Back Under Control

There are plenty of problems in America today, too many to number most likely. I'm frequently asked what we can do. Too often, it seems everyone is looking to Washington, D.C. for answers. By studying the Constitution, and a couple of Supreme

Court opinions, I think we can find some answers a lot closer to home.

We must Harden Our Schools – Mentally and Physically – Here's How and Why

While we're considering, yet again, how to protect our school children against physical attack, I submit that we must also protect them against mental attack. Marxist ideology is taking over our children's minds, and is causing the violence we are seeing today.

Press Censorship, Part 4

Continues examples of letters to the Editors of major periodicals/newspapers that were rejected

If January 6th Had Been a

Real “Insurrection”

So, what are WE going to do about the continued open fraudulent assault on innocent freedom and liberty loving Americans, playing out on pretty much every news network, all of whom know the truth? Without the frauds in Congress and their lying minions in the news media, none of this could be happening.

Governed by Ninnies

But! Will we have enough homeschooled young people to carry this country on their shoulders when they grow up, rather than let it fall into the fumbling, feckless paws of characters like Kamala Harris? What? You don't think she's that awful?

Part 3: Interesting Responses To My Commentaries: Flood The USA With Third World Refugees

Without a doubt, the United States stands eyeball deep in trouble in 2022. It's not only the gas prices, food prices and tremendous political divide—it's also about the loss of the rule of law, common decency of citizens toward one another in the big cities, and most importantly, a loss of loyalty to our country.

Joe Biden: A Crypto CFR member?

I don't have an answer to such questions, but what becomes clear is that, as early as 1992, opportunist Joe Biden discovered which side the political bread is buttered on in the U.S. and acted accordingly. He benefited enormously from his discovery. As the saying goes, hard work always pays off, whatever you do.

Government Giving a Month of Celebration to What American Laws & Bible Condemn

Why is this a month of pride as it is called, when the Lawgiver Himself condemns it (Leviticus 18:22, 20:13; Romans 1:24; Jude 1:7)? Where are the American people at when it comes to holding their said representatives accountable to the laws (Romans 3:31)?

Stay the Course, for the Goal Is in Sight!

Do not give way to even intense pressure or throw in the towel. Bend not the knee to Baal or Molech, or receive thirty pieces of silver, or drop the pinch of incense to Caesar. Do not cast aside the approval of God for the approval of men (John 9:42-43).

“Under The Color of Law”

Our Constitution gave the federal government no police powers in the states, absolutely none. Constitution specifies that “federal laws” are to be enforced by the Militia of the Several States. But elected officials abolished the Militia with the unconstitutional Dick Act.

Money, Speech, and Federal Overreach

Have you ever considered how money relates to speech? The federal government has. One of the issues with federal election law is the limitation on the use of money for a candidate to get their message out. What does the case *FEC v Cruz* have to do with free speech? More important, what does it show about the state of elections in America?

Part 2: Interesting Responses To My Commentaries: Great Points

In speaking with a retired cop friend, he says that places like LA, Chicago, New York, Miami are what cops call self-cleaning ovens. As EBT cards stop, food stops, money system fails, like Rats in BF Skinner's experiment, they will self-clean. I see it beginning with massive uptick in violence in Miami. The key is to be a couple tanks of gas away from any of those places.

Illegal Aliens Stealing Our Jobs, Food, Housing, Water, Clogging the Courts & Health Care System

How much food, water, gasoline, "free" cash and jobs are stolen by tens of millions of illegals every day in this country? Yeah, stolen as thieves steal from others. Not to mention as covered above depleting the resources of public schools and health care.

Synopses of Shameful, Silly and/or Spiked Media Stories

Black lives don't matter at all to those out to soak the suckers for Simoleans to supposedly help Blacks. The Black Lives Matter Global Foundation has released its IRS forms revealing that it is sitting on \$43 million after raising nearly \$90 million during the violent riots of summer 2020.

How the Media Deceives the World

One thing that I have seen over the years that I have been writing is how deceptive the media is. It isn't anything new by any stretch. They have been doing it for decades if not centuries. To show you the depth the media will go I want to describe how they handled a story during World War II.

Rewriting History

Having to fight a criminal indictment which could be dragged out well into the next election season would prevent Trump from being a candidate in 2024! This, I submit, is the

committee's real goal. That Trump might run away with the GOP nomination and conceivably win a second term in the Electoral College scares the globalist ruling class to death!

The Most Glorious Freedom Loving Nation in the World is Dying, Can We Save Her?

We have lost so much in these 235 years of America. Our country was founded by great statesmen, men of letters and men of faith, men who desired freedom and liberty at all costs. We have failed to defend what they gave us.

Neither Republic, nor Democracy Today

At present, our country is not functioning as a Constitutional Republic or a "mob rule" Democracy. Right now, we are governed by unconstitutional criminal tyrants via unlawful orders, court opinions and legislation, all of which is repugnant to every foundation of freedom. This cannot end well at this point...unless THE PEOPLE wake up...

True Biblical Christianity

It is decision time for the church in America! Will we repent and allow God to develop in us a warrior's heart and courage? Do we realize we are in a spiritual war? Do we realize if we will go to the battlefield, God will meet us there? Will we forsake or continue under this false religious flag we are flying in our Republic until all will be lost? Have we become cowards in America?

'I Wanna Be in the Deep State When I Grow Up!'

"Why? Are you kiddin'? When you're in the Deep State, you can do anything you want to anybody and not get into any trouble for it! No one can touch you—most of the time they don't even know who you are. You can spy on anyone you like; and if the president doesn't like it, so what?"

A Letter to the Students of North Korea: Will America Follow Your Country's Lead?

When I think about all of you, students attending universities where you cannot learn the real truth about the world, I

remember the British author George Orwell, who wrote the novel 1984. I don't think you know about him, but he also talked about the distortion of language and the term Newspeak—the dystopian society's redefinition of words.

Interesting Responses To My Commentaries: Thank You Everyone, Part 1

To each of you who write me responses. Thank you from the bottom of my heart. Sandi and I are doing the best we can as to Alzheimer's. We're also doing the best we can to bring America back to its foundation, morality and ethics. It's going to be a hard slog, yet we're going to be here for at least another 10 to 15 years...so you will be hearing from us.

Student Loans Cannot Be Forgiven

The Demonrats are in a panic because they are beginning to lose the youth vote, something they (the elite) thought inconceivable if they punted the current presidential placeholder into the White House.

We the People Just Stopped WHO – For Now

“We the People” threw a sabot into the machinations of the WHO, the World Health Organization, stopping them from setting up a system that would grossly infringe on our national and individual sovereignty.

The Ones Accusing Americans for Gun Crimes Are the Very Ones Responsible For Crimes Against the Innocent

Congressman David Cicilline told House Republicans they should “spare me the b.s. about Constitutional rights,” during a debate on gun control Thursday.

Make America Florida: The

Case for DeSantis

Facing off against the radical, America-hating Left, DeSantis fought and won two major battles recently: protecting students in third grade and younger from the Dems' cherished "choose your gender" narrative, and poking woke Disney in its progressive eye. I'll wager Walt would approve.

Necessary to the Security of a Free State

When Americans feel like they need to flee the USA in search of freedom and liberty elsewhere, it's time to replace the entire government. And when history presents this challenge once again, to free itself from tyrannical governments, we will need every weapon we can lay our hands upon, to protect ourselves and loved ones from tyrants.

Several Flavors Of Stupid Facing The American People

We're paying \$5.00 a gallon for gas all over the country in 2022 because of choices in 2021 to shut down the Keystone Pipeline that destroyed our energy independence. In California on the Big Sur, I paid \$8.55 a gallon. I even took a picture of the gas pump. What form of stupidity would you

call that when our leaders are strangling us at the pump?

When Preparation Turns Into Tyranny

There's a saying in many training communities, "The body will not go where the mind has not already been." Another one you may have heard is the Five "P's", Proper Preparation Prevents Poor Performance. The idea is simple; if you do not prepare beforehand for a given situation, you will not be prepared when it happens. But what happens when government preparations move from proper to totalitarian?

Is the Biden Administration Riddled With Jew Haters?

But don't believe me. Here, in alphabetical order, are the direct quotes and credentials and behavior of some of Joe Biden's hand-picked Jew-hating and Israel-loathing appointees, which are not limited to the Oval Office, but also include officials in the State Department, the National Security Council, the Defense Department, and U.S. intelligence agencies.

It's Not Easy Bein' Green

Although I guess you could say there have been “earth worshipers” since just about the beginning of time, it was the civil unrest of the 1960s that spawned the radical environmental movement we’re dealing with today. It was an age of unbridled lust and hedonism, and the effects of communist infiltration into our public schools and college campuses was starting to pay off for a new generation of Leftists in America.

A Case of Mistaken Identity

During his rise to fame, Cassius Clay became involved with a religious sect called the Nation of Islam, a separatist group of Black American Muslims whose beliefs ran far-afield of orthodox Islam. The adherents of this religious group told him that his ancestors were Muslims and that he would do them honor by abandoning the slave name handed down to him and adopting an Islamic one.

**America's Food Supply
Threatened by Suspicious**

Fires and Train Wrecks

On March 24 at the G7 Summit, the Junta propped Biden up enough to announce that there would be worldwide food shortages and they would be “real”. Within weeks, America’s food industry began to experience a string of destructive fires and explosions.

The Birds, Bees, Fish, and Liars

What do we do? What we do for all the other abuses being rained down upon us – take it local. Take back your city and county attorneys, and elect only those people to any office you have verified are willing to stand on and for the Constitution.

Dereliction of Election Duty

The most recent fraud culminated in a crescendo of every possible connivance under the sun during the run-up to the 2020 Presidential “preconceived selection” election. What was done to deny Donald Trump his second term has not been seriously called out until fairly recently.

The Real Makers of Lethal Weapons Are in Our Schools

But, as history has proved over and over, criminals don't destroy countries, governments do. Nazi Germany, Soviet Russia, Communist China, and Castro's Cuba, just to mention a few, are countries where stiff gun control laws were enacted. Yet, as soon as the gun control laws were in place, people were witness to thousands of their fellow citizens killed by guns in the hands of government thugs.

Suing Your Schools

Chuck Schumer once said "The government is the only thing we all belong to." Apparently the superintendent takes that literally. The schools are government schools, therefore the kiddies belong to the school, not the parents.

The Suppression of the Truth

Not to act when they are destroying the soul of a child IS TO ACT. Not to act when they are teaching boys that they can be girls IS TO ACT. Not to act when they are suppressing the truth IS TO ACT. Not to act when they are destroying a nation

IS TO ACT! The wrath of God IS being revealed in America today.

Uvalde, Texas: A Date That Will Live In Infamy

Instead of spending \$6 trillion on two–20-year wars in the middle east that accomplished nothing, shouldn't we care of our country and our jobs, and our families? What about enacting stiff laws to prevent rampant crime, irresponsible gun sales to youth and solid jail consequences?

Do Mass Murderers Represent Law-Abiding Gun Owners? Why are the Innocent Always Punished?

Over and over again, after mass shootings that take place, Americans sit back and watch their said representatives congregate, in direct contrast to what it is that their forefathers established, to further attack their God-given Rights, namely the right to bear arms (Luke 11:21-22; 2nd Amendment of the Bill of Rights).

Rejecting the Totalitarian Transgender Movement

However, as The Emperor's New Clothes illustrates, we feel pressure to go along with the crowd, even when our deeper wisdom tells us that the offered narrative violates logic, truth, and common sense. Our fear of being persecuted for rejecting a narrative can become intense when the supporters of the so-called truth exhibit an aggressive and violent contempt for those who disagree.

What Are You Thinking?

But on the other side of that coin is the curse and we have no excuse for bringing the curse on ourselves and on our nation. It is all about stupid pride and stubbornness. That is why the children of Israel went into captivity and lost their identity. Just because they did not want God telling them what to do!

Grave Lessons in Defenseless

Last, had our earliest settlers not been armed, the USA would have never existed...no one would have ever known American

freedom and liberty, as the citizenry would never had been able to defeat the most powerful military on earth at the time, freeing themselves and us, from British rule.

Inflation: Prelude to Globalist Central Bank Digital Currency?

Inflation is roaring. This is common knowledge. Inflation is not just roaring in the U.S., where gas prices have soared to well over \$4.60/gallon and are averaging over \$5/gallon in several states. It is roaring worldwide. Both food and gas prices having risen in Chile where we live. I encounter similar stories from elsewhere.

“Preferred Pronouns” Madness MUST Stop

Make your voices heard. If possible, get your children out of public schools that teach such immoral and dangerous rot. Enroll them in private Christian schools if possible, even if you have to sacrifice buying things to would like to have but can live without. Is it any wonder home schooling has skyrocketed?

Part 3: Absurdities Of Our Times In America—Unreasonable

As to the racial equity push, United Airlines reported that it will have 50 percent “people of color” in the cockpit within two decades. They stated that too many airlines pilots are white. It begs the question: when did skin color qualify anyone to pilot a 747 jetliner?

320 – Scott & Korematsu – Two Cases That Show the Corruption of the Court

What do these two famous, or rather infamous, cases have in common? They denied rights to human beings because of their ancestry. While the precedent set in Scott was overturned by the Fourteenth Amendment, nothing has overturned the opinion in Korematsu. Laws that violated the supreme law of the land were used in both cases, and courts endorsed these travesties of justice.

Repent Back to the Simplicity and Purity of Devotion to Christ

We are in the dangerous perilous times the Apostle Paul warned us about but as Christians we are not discerning the times in which we live? We are in a war with evil against Christianity, the family, our children, and this Republic but we have deliberately ignored this war rather than showing up at the battlefield as the army of God, dressed in the His full armor.

The Dangers of American Education, Part 2

Our teachers need to get back to teaching English, history, and math and get out of being psychologists and sexologists. Many teachers in Florida walked off the job when they found out they could indoctrinate students into a perverted lifestyle.

How Do You Sleep At Night?

Pastors have the very power of God Himself at their disposal, and nothing to fear, yet most continue to live according to

the flesh – fearful, cowardly and unbelieving. And they're leading millions astray while the world burns. If only they had an ounce of courage.

Will You Submit To The Plandemic Partners, Or Stop Them?

The incredible fact every American must understand is that the Great Reset is being enforced through your local city council, county commissioners, state legislature, and federal edict. It can be stopped – but only if you finally stand up and say NO! Your time for decision – to live free or to just submit – has finally come. The choice is yours.

Who Will Stand to Save America?

Who will stand to save America? Will you stand? Will your friends and family stand? Will your neighbors, your pastors, your teachers, your leaders step into the breach? Who will stand?

How the Anti-Gun Conspirators Miscalculated

After these tragic events, most of Uvalde's residents got the message very clear that nobody will risk their lives to protect them and their loved ones. They realized that they are the last line of defense of their children and their families. So, they did the right thing the American way: went to the gun stores and armed themselves to the teeth.

Redeemer of the Helpless

Cicero came from a wealthy family in the town of Arpinum, located in central Italy. His extensive philosophical and political writings provide ample insight into his life and times, which included political corruption and instability in Rome, the end of the republic, civil war, and the establishment of dictatorship.

Americans Can No Longer Think For Themselves

Today I would simply like to make YOU think. Rather than ME telling you WHAT to think, I would like to simply encourage you to think on your own. That was how Jesus taught. He simply asked questions. Rather than telling us what HE

thought He chose to engage others in the thought process.

Public Education: Grade Students Based on Skin Color

Moving on to Chicago, we have high school “officials” planning to implement a new “race-based grading system... to account for skin color or ethnicity of its students”. That’s because “the traditional grading practices perpetuate inequities,” dontcha know.

A Bursting Heart: Dynamic Infusion of Intentions

Doyme created a Nepali board of directors and established an orphanage: Kopila Valley Children’s Project. She formed an NGO by using her last \$5,000.00 to buy a boarding house. This mind you, at the tender age of 22 years old.

Why are Kids Killing Kids?

The question isn’t who has a right to keep and bear arms, that question is answered in the 2nd Amendment. The right question

is, who has the right to take them from decent law-abiding Citizens? The answer to that is...NO ONE!

Another “Gun Free” Zone School Shooting? – Time to Hold Politicians Accountable

We all know that the best way to ensure the enslavement of men is to disarm them. “To disarm the people is the best and most effectual way to enslave them.” -George Mason Not only does disarmament mean to enslave but it also means to take away one’s ability to protect themselves.

Georgia On Our Minds: The Devil Went Down to Georgia

It’s somewhat incomprehensible that Governor Kemp just won the Republican primary handily. This comes after former President Trump has continuously excoriated him over his general RINO behavior and his acquiescence in the vote fraud associated with the 2020 elections.

Mass Shootings: Manifesting the Nihilism of the West?

I'd planned an article on Peyton Gendron, the shooter who killed ten people in a Buffalo and injured three others in a Buffalo, N.Y. supermarket on May 14. Then I woke up this morning – it is May 25 as I write this – to learn that Salvador Ramos, also 18, shot and killed 21 in a Texas elementary school, 19 of them children.

What We All Must Do to Save our Republic

In May 2008, I visited the homestead of Nathan Hale in CT. Nathan Hale was hanged by the British at the age of 21. Before he was hanged, young master Hale said, "I only regret that I have but one life to lose for my country." Just a kid he gave his life for future Americans to be free.

Decoration Day, A Solemn Day of Remembrance

Decoration Day was officially changed to Memorial Day by Federal law in 1967. On June 28, 1968, the Congress passed the Uniform Holidays Bill, which moved four holidays,

including Memorial Day, from their traditional dates to a specified Monday in order to create a convenient three-day weekend.

At What Age Do You Have Rights?

Since the district court found that infringing on the right of certain people to keep and bear arms somehow did not burden the Second Amendment, they figured they were done. However, in an effort to cover their backside, the court determined that this question should receive intermediate scrutiny. But what is this “scrutiny”?

Why Are The American People Ignoring This Phenomenon?

Ever since 1965, this national phenomenon has been working on changing the entire demographic of America from a successful European-dominated Republic to a country racked with violence, racial strife and ultimately, disintegration.

How Did Christ Fulfill the Law?

Voting cannot save you; the politicians cannot save you. How has that been working for you? Nothing on this earth can save you now. The dark powers have gone too far to be turned back by man. They have a spirit being leading them! Shouldn't you have the most powerful Spirit Beings in the universe leading you? Only God the Father and Jesus Christ can save us! Get rid of your stubborn pride and your superiority complex.

The Dangers of American Education, Part 1

We have seen the massive pushback from the school boards now that parents are demanding accountability. Some cities are worse than others but they are all bad. I have called for the schools to be put back into the hands of the state and the parents with heavy parental involvement. The time to act is now!

Seven Things God Hates

God doesn't hate America, but He most certainly does hate what our nation has become, under cowardly "Christian" leadership, and ignorant, apathetic sheep – who are supposed to be the

salt and light of this dark world.

How I Came to Trust God for Healing

I'd just encourage believers today to trust God for the thing before them. Whatever the mountain, you can speak to it. But first, take your eyes off the obstacle and reach the unseen hand of God. Tell Him you trust Him. Seek His wisdom and direction for the thing you're dealing with.

Memorial Day 2022: Will We Keep America Free?

Memorial Day is a day to remember what should be remembered every day—the service and sacrifice of the more than 1.3-million American veterans who have given their their lives in war so that we, their posterity, might live as free Americans.

I For One Refuse To Comply

With Federal Laws That Are Blatantly Unconstitutional!

It is my opinion based on observation, study and history that the PSRRC, politicians, bureaucrats, judges, academics and large corporations are destroying this country and its people. History teaches us that when you take everything away from people and they have nothing to lose, that the people will revolt until only ashes remain.

Flags Over Boston

When is flying a flag government speech? That was the question before the Supreme Court in the case of *Shurtleff, et al. V. City Of Boston et al.* Could the City of Boston refuse to fly a Christian flag? Was the city required to do so? Or did Harold Shurtleff have the right to fly the flag of his choice on public property?

Is Socialism a Liberal Idea?

The answer to that question depends on who you ask. If you ask a young public school or college indoctrinated kid, they will likely tell you yes. But if you ask anyone old enough or properly educated enough to know the truth, the answer is no. However, I'll present the facts on the matter, and you can decide for yourself.

Trump's Endorsements Are Inflating the Swamp

Former news anchor for Fox 10 in Phoenix, Kari Lake was endorsed by President Trump for the Arizona gubernatorial race. She is a registered republican, but was a democrat voter in 2008 for Barack Hussein Obama. She has also been registered as an independent. She is a constant guest on Fox News, and will likely be the next governor of Arizona.

Part 2: Absurdities Of Our Times In America—Just Irritating

How absurd were 107,000 opioid overdose deaths last year in the USA? But then, how absurd is it that Biden invites all the drug cartels to invade our open borders with all their drugs. Biden is a one man drug cartel himself! And, your kids are paying a severe price. Absurd? It's off the wall absurd.

Big Shots with Lame Excuses

Public schools have emerged as the most convenient venue for groomers. School boards used to be staffed by normal people, insurance companies used to sell insurance, and no one was required to go along with and “affirm and celebrate” anyone else’s absurd delusion.

Developing a Data-Driven “Dysphorian” Digital Dystopia

Throughout the rapid passage through transitory states, no prospect has inspired as much mystique, critique, and wild speculation as what has now been “christened” artificial intelligence (AI). Theoretically, sensation and complex thought – the reasoning faculties that once defined the human mind – can now be enacted in silicon-based processors...

God Will Never, Ever Abandon Us

We may not know what challenges we will face tomorrow, or the details of how end times events will unfold, but we know based on His infallible word that Jesus is coming back for His children. Whether He takes us home through death or catches us up when He returns, Jesus will always be with us through our

journey on earth.

Unbiblical and Unconstitutional Welfare State Now Has 59 Million Dependents

We must be aware of what it is that the government is illegally doing, along with what those are doing that are pulling on the heart strings of the people that work. Yes, it is more blessed to give than receive (Acts 20:35), but just make sure that to whom you are blessing really needs it.

Pandemic Monkeyshines

It seems the WHO is planning for ten solid years of pandemics, from 2020 to 2030. How does WHO know what, why and when? Unless, of course, Gates' minions—the WHO included—are feverishly planning and executing these pandemics. What better way to accurately predict the future than by controlling it?

Our Fault, Our Fix!

This is a lot of work, as I've set it out here. But WE are a lot of very upset frogs who must get the heat under the pot turned down or off. Our precious freedoms are worth every bit of effort we can put in. There won't be a next try. The enemy is trying to affix the lid to the kettle so we can never fight again.

The Root of ALL Evil

Contrary to modern indoctrination institutions that are responsible for making sure that the average American isn't even smart enough to tie their own shoes by High School graduation much less vote for their own future, to include many global one world churches today, money itself is NOT the root of all evil.

Absurdities Of Our Times In America

What stands as our most absurd moment in American history? Answer: a purported 51 percent of Americans voted for a senile, old man who has accomplished nothing in his entire life in Congress other than give blow-hard speeches. And, now, he's running America into the ground faster than a bullet train.

Tax Cuts, Fair Tax Schemes Keep People Herded in the Wrong Direction

For forty years the tax and spend Democrats ruled Washington, DC, looting the people's treasury for social programs that are clearly outside their authority under the Constitution. LBJ's great society jump started this insanity and sadly, my parent's generation bought into their chains of dependency and have passed this mess to my generation.

They Are Coming After Us!

For years now God has been warning the Body of Christ in America that we were to resist the evil overtaking our nation. Time and time again He has sent warnings to us but His Body has blatantly ignored His warnings.

Is The Coming Food Shortage Government Engineered?, Part

2

We are seeing a very large number of food processing plants, fertilizer plants, and related facilities experience devastating fires, planes flying into them, explosions, and a whole series of other disasters that have hit the food processing industry. There have been, at the time this article was written, 22 plants have been affected. Some have been completely destroyed.

The Biggest Con the World Has Ever Seen

We are at a crucial point right now. I want to say we are at a turning point, but instead, we are approaching the point of no return. For over a century we have been going down the “Fabian Freeway”[i]. The Great Reset, with its concomitant tools of pandemics, scheme of turning over sovereignty to the genuinely evil World Health Organization...

Where’s the Peacemaker?

In 1904 Russia and Japan went to war to decide which of them would dominate Manchuria and Korea. It was a punishing conflict, with high casualties on both sides. A Russian fleet sailed virtually around the world, only to be wiped out by the Japanese in the battle of Tsushima Strait.

Can We Take Back Our Election Process?

But all of that depends on the voters. Do you want to take back control, or are you satisfied to have your choices made for you behind closed doors? Because that's what we have now. How's that working for you?

Our Unconstitutional Federal Government

Our Declaration of Independence established the USA as an independent sovereign nation under the Laws of Nature and Nature's God on July 4, 1776. The US Constitution drafted by the Continental Congress in 1787 and adopted in 1789 created and guaranteed the people a republican form of self-governance of, by and for the people of the USA...

Wanna Light a Fire Under Your Pastor?

Here is a stern warning to pastors. Write it off if you like. The folks in the pew are greatly dissatisfied. I hear it when

I speak in churches and I hear it every time I write a commentary. Churches are hemorrhaging members and sadly, the leadership wants to blame the sheep. A good coach never blames the players. The sheep are a reflection of the shepherd.

Why Is Everyone In America Avoiding This Topic?

In April, I spent most of my time in Arizona. It's hot, dry, suffering from severe drought, with spontaneous wildfires, and temperatures in the summer at 120 degrees. To walk outside equates to jumping from your air-conditioned house into a frying pan.

Toward a World Government Run by Lunatics

They want a world government, with themselves in charge. Now they think we'll give them that in return for, um, "health." And "safety." As defined by themselves. The pot is boiling, the brew is being stirred. Probably by witches.

Where Is the Prosecution For Those Corrupt Politicians That Are Guilty?

In close pursuit are those who do not take the time to know the difference when it comes to our laws and how they have been violated by the repeat criminals that we have had in front of us for the last 20, 30 and, in some cases, 40 years. Where is the justice that guards our liberties...

America is Becoming the Monster it Claimed to Fight

Currently, we are beginning to repeat again the process of electing new politicians to office with the hope that they are going to change our fast course into the abyss. Allegedly, Albert Einstein once said that doing the same thing over and over again and expecting a different result is a clear sign of insanity.

The Real War

The choice is ours. Wake up, or get in line for the New Normal global prison.

Never Say “Never”: The Sad Saga of “The Washington Football Team”

The real question is this: is the new name for the Redskins – the Commanders – a political and cultural Freudian slip that acknowledges the triumph of political and military power over Native Americans? Or is it just another liberal bad choice! What do you think?

Habeas Corpus

All this leaves us with the question of what the District Court for the District of Columbia will do? Will they recognize Mr. Quaglin’s right to have his detention reviewed by the court or will they look at the opinions of previous Supreme Courts and waffle? Time will tell.

Help for the Obscene, Unnecessary Baby Formula

Disaster

I spend a lot of time researching on the Internet (and books) and when I saw the headlines start popping up about this, I thought why? I half expected to see it is because of the Russia/Ukraine disaster. But, it appears baby formula manufacturers is pretty much controlled – just like the parasites who call themselves “mainstream media” by a small number of manufacturers...

Roe vs Wade: Ironies, Dichotomies, Human Tragedies

I want to make this very clear: I do not support abortion. It's the taking of an innocent life in the womb. By any other name, it's murder. As a matter of fact, we are the only animal on the planet that aborts its young. So, what I'm going to try to do in this column is mark the ironies and the pitfalls of humanity's current problems in the 21st century.

What If There Is No God?

Our histories have always been written by the victors of the wars and there have always been wars! So, we have never gotten the stories from those who lost! That means that we only have one side of every story! And could that side be bias and maybe slanted to put the victors in a favorable light? Have we been

Is The Coming Food Shortage Government Engineered?, Part 1

Remember that Henry Kissinger, another traitor in my book, made this comment: "Control oil and you control nations; control food and you control the people."

We Were Warned. We Didn't Listen.

This is all part of the plan for a New World Order. Next up: the death of the US dollar and the "need" for a One-World digital currency, embedded under the skin. Those who refuse will be outcasts, or forced to live in captivity, if they're allowed to live at all. Regardless, the coming Great Reset and New World Order will have to be Communist in nature.

The American Pre-Tribulation Rapture (Isaiah 18)

A recently posted NewsWithViews article titled, "The Rapture is Created as an Exit Strategy for Those Who Have Refused to Obey the Lord?," compelled me to respond and refute that author's contention that there will be no rapture(s).

Humanizing the Most Vulnerable Promotes Life for All

More than a decade ago, I was doing IT support work at a local Jewish Community Center. The Jewish librarian, knowing I was a Christian, asked me a question regarding what I thought of the abortion issue. She was in favor of keeping this practice legal. I think I gave her an answer that she did not expect, because it was not really a political one.

American Veteran in Defense of Liberty and Freedom

This president has taken steps heretofore unheard of to restrict not only travel, but also the beliefs and values of the American people. If Americans wish to volunteer to defend

Umbrella Tree

Hello everyone. I have been looking into worldwide corruption for 45 years. Why do we keep choosing corruption over liberty? Especially with all the evil going on today. As it gets worse and worse, I was brought to remember something I read years ago in “Occult Theocracy” by Lady Queenborough.

Can We Take Back Our Election Process?

The real power comes from rejecting the candidates at every level. But all of that depends on the voters. Do you want to take back control, or are you satisfied to have your choices made for you behind closed doors? Because that's what we have now. How's that working for you?

How Much More ‘Sex Ed’ Can We

Stand?

We've been warning you for years and years that public education's not your friend, it undermines your family, and it's poison for your children. Most people didn't listen. It was always so convenient just to pack Johnny off to school every weekday and forget about it. That's what too many of us did.
