

Is Separation Insuperable and Will it Tear us Asunder?

The claim that the “rioters” attempted to overcome the world’s most militarized regime in history without weapons seems to be something only the mindless could conceive much less believe. Many claimed that these “insurrectionists” forced their way into the Capitol through its doors, but this requires far more than a mere suspension of reality!

What’s Really Going On In America: Do We Want To Survive, Or, Simply Commit National Suicide?

On February 7, 2022, the Washington Post editorial board wrote one of the most absurd, if not completely senseless, editorials to come out of that paper in the past 20 years. It’s titled: “The U.S. Needs More Immigrants and More Babies.”

Feb. 22: Reinstate

Washington's Birthday as a National Holiday – On His Real Birthday!

Congress should re-establish George Washington's Birthday as a National Holiday – and celebrate it on his actual birth day, February 22. The Father Of Our Country deserves no less. The people of our nation, especially the children, deserve no less.

Death to Democracy in America Top Goal

I bring the issue of democracy up at this time because that's all the chanting going on right now: Saving democracy in Ukraine and around the world! What rubbish. Our Founding Fathers hated democracy as a form of government. They knew it amounted to little more than two wolves eyeing one lamb for lunch. Democracy is simply a form of government which destroys every country infected by it.

Biden is Stumbling into a

World War

Biden has treated Germany as an ally, a major miscalculation which has backfired in a big way. Trump, by contrast, was always suspicious of long-time German Chancellor Angela Merkel and her commitment to NATO.

What Happened To The Integrity Of Our Elected Officials, Part 1

If we allow this to happen, America is gone. I believe that there are too many that have and will continue to refuse to see this happen. We just need a leader that has the guts to stand up against the embedded tyranny. This is still God's nation and as long as He has one person willing to take that stand, we will see America saved from the clutches of the enemy.

Supply Chain Siege

But as much as we admire and cheer for those truckers currently standing in our place on the front lines, it's my fervent prayer that WE don't buckle under the pressure. Because however this ends up, it's going to affect ALL of us. Remember, 75% of everything you see in the stores arrives

there by truck. The truckers have tremendous power to break the backs of the tyrants and I hope they do that.

Double-Speak, Lies, and the Drive For an Article V Convention of States

The drive for an Article V Convention of States is assaulting state legislatures at an intense level. Obviously, proponents of such an action are counting on the discontent of Americans as the Biden cabal proves the misery of massive federal intrusion into every aspect of our lives. Americans naturally want to rein it in.

Is America a Republic, or as RINOs and Dems call it, A Democracy?

The goal of the Marxist Left is to keep the American people in a constant state of fear. Once you dumb people down in school and people don't learn how to think, use common sense, logic, and reason they become easy prey for the cowardly Globalist, Communist, Fascists, RINOs, called the Marxist Democrat Party. They are freedom's enemy.

Another Bright Shiny Object Distracting Those Silly Americans

With news of the Chinese Olympics all over the media, Xi and Putin met in a summit on Feb. 4, 2022. This meeting produced an “unprecedented 5400 word joint statement” which has “consolidated their alliance against the United States.”

Corporations Working Hand-In- Glove To Enforce Illegal Government Mandates

One thing I have noticed over the years is how the corrupt in government advocate some unlawful agenda and then, the corporations nationwide, and world-wide, that are working in alliance with them attempt to push through what it is that the government could never do without them (Isaiah 28:18).

Goose-Stepping into Paradise

I didn't realize the Winter Olympics were on until they were almost over (which happens this Sunday, I suppose). I chanced to see a picture of the opening ceremonies—Chinese Communist soldiers goose-stepping under their flag.

Bring Back the Nuremberg Trials and do it Publicly

The United States of America is under siege. We are being defeated from within. Even our police departments defend the power of the corrupt government rather than the rights of the people. Look at what is going on in Canada. Cops stealing the truckers diesel fuel so they won't be able to keep warm. Loyal to a dictator Justin Trudeau for a paycheck.

580,000 Homeless Americans Need Our Help: Not Illegal Immigrants

In 2019, I bicycled through San Francisco to see it for myself. The streets reeked with feces, rotten food, rat droppings, needles, trash everywhere and urine. When I pedaled through Los Angeles, it was almost beyond imagination

how anyone could live in such human misery.

Another War, Another Buck

Granted, I'm not sure if Vladimir Putin is as honest and pure as most of our American politicians, big business leaders and high rank military officers. What is evident is that, contrary to our leaders, Putin does not hate his country, he seemingly is a devoted Christian and, even more important, he doesn't want Russia to become part of the globalist conspirator's beloved New World Order.

Who Controls China, Controls the World

We have read many articles seen many videos recently saying that America could be at war with China soon. If that is so, it would be straight out of George Orwell's 1984, where we are fighting with other areas of the world just to keep our citizens afraid and in line. And yesterday, it was sent home to me.

Will Trudeau and Biden Pull the Trigger?

Meanwhile, cops are becoming increasingly violent as they attempt to steal gas, wood, food, and water and essentially starve or freeze protesters out of position, even after a Canadian court ordered police to stand down and return the truckers private property. A court order totally ignored by the Trudeau government.

Feb. 15, 1973: American POW's Come Home With Honor—A Day To Remember

I confess that I am greatly concerned about what is happening in our country today. No one seems to be held accountable. We have a debacle in Afghanistan in which Americans were left behind. We have an invasion at our southern border. We have rising inflation. We have crime escalating all across the country. We have mandates telling us...

The Leipzig School

Progressive education controlled the classrooms by early 1960s. August Comte had argued that the intellect should be

subordinated to the heart, and in early 1960s effective education replaced cognitive (academic basics) as most important. It would hurt Johnny's self-esteem to fail him, so there was grade inflation and social promotions.

1885 Smallpox Vax Was the Blueprint for Today's Covid-19 Vax

The killing fields of America are here. We are at a crossroads. Death by government and Big Pharma is staring us in the face. This isn't the Tuskegee Syphilis experiment by our US Health Department, this isn't the cancer-causing polio vaccine injections of the 50s, or the plutonium experiments on babies and military in the 40s, all of...

Stealing Presidential Elections From the States

It appears most of the American people are willing to tolerate ignorance, recklessness, and corruption. That means this abuse of the Constitution, the experiment in self government, and the consent of the governed is ultimately our fault. The question is, will the American people do anything to stop it before it becomes "law"?

Jan. 6th Political Prisoners: Where are the Jerry Spence's to Defend Them?

This will not be a popular column but after 31 years in the trenches 24/7, I've had it with cowards, liars and thieves from both political parties at all levels of government – especially judges. I've had it with so-called Americans who spend more time yapping on those damn fancy phones than lifting one finger to help save our constitutional republic.

This Valentine's Day: More Wonder, Please

For the record, my wife Sandi and I live day to day with a sense of hope and harmony. We exercise, do our jobs, fix dinner, watch movies and contribute to our community in Golden, Colorado. We enjoy friends, go dancing and laugh a lot. We're grateful for all our blessings.

Senility or Sabotage

When you consider all this together with lawless vaccine mandates, lockdowns, reckless spending, endangerment of the military and the abandonment of Americans behind enemy lines, at some point, don't you have to question his allegiance?

Democrats Fake Justice, Part 2

Breaking the law has resulted in no charges, no jail time, no fines, and not even being censored if you're a Democrat. They blame Republicans for all the negative results of their lawbreaking. We have effectively become a one-party dictatorship. The Democrats are now just trying to make it legal. We either stand now or we'll kneel.

Dopers, Doping, and the Dopes in Charge of Our Lives

As American athletes compete for medals in Communist China's Olympics, Drug Enforcement Administration (DEA) administrator Anne Milgram has confirmed what we already know – that Communist China is working with Mexican criminal organizations to flood the United States with deadly drugs, killing tens of thousands of our people.

The Hidden Depths of the Deep State

Trump thought he was the “trustworthy” and devout “Christian” Vice President was more than willing to tell the politically naïve President that Heritage was a conservative think tank who would guide him to constitutionally conservative judges for the Supreme Court.

In Defense of Hungary's Viktor Orbán

Orbán leads the country's conservative Fidesz Party. He has unabashedly stood up for Christianity and defended strong families—establishing policies that incentivize parents to have children. He has stood against unlimited immigration and open borders. He actually had built an electrified fence along the country's border with Serbia to keep illegals out.

Law Enforcement (or) Gestapo

for Hire?

Over the past two years, we have learned that most Americans will do just about anything for money, even if it costs them everything. They'll follow unlawful and unconstitutional orders that threaten their health and safety, lock themselves up, wear worthless masks, take injections without any knowledge of what's in those injections.

The Dramatically Devolving and Changing Face of America

Each day, Joe Biden and Congress import an average of 10,000 legal and illegal third world immigrants into our country. They can't speak English. They lack any educational background. They carry corrosive cultural practices. They head toward the welfare and food stamp offices of each city where Biden flies them.

The Devil Made Me Do It

All of the problems we face in America are in our minds. That is where all the trouble begins. That is why "mind control" and television "programming" are so essential in this war. Every decision we make begins as a thought. If you can control, or influence, the thoughts of people then it becomes easy to control them.

Is Tucker Carlson More Offensive Than Joe Rogan?

Forget about the foul-mouthed Joe Rogan, the rich former host of “Fear Factor” who, desperate to save his podcast, has collapsed in fear in the face of liberal pressure over his COVID podcasts. More serious is the case of Tucker Carlson, the number one-rated Fox News host, who has been acting indifferent to the fate of 40 million people in Ukraine.

Everything They Touch Is Cursed! Gay Comic Book Bombs!

Most recently, another mainstream media “useful idiot” attacked The Sons of Liberty radio and media outlet with accusations of being hateful, bigoted, conspiratorial and engaged in efforts to undermine democracy (Revelation 12:10).

The VAXXED Are Still UNVAXXED

As for those who are now trapped in the endless injection system, Americans used to be born smart enough to never trust politicians, lawyers, global Marxists and used car salesmen.

How did you get so foolish?

Mass Murder by a Medical System that has Lost Its Direction and Soul

The globalist goals were always pointed at a “vaccine,” where billions would funnel into the pockets of Gates, Fauci, and their friends in Big Pharma. Thus, the maligning of repurposed wonder drugs, and the murder of millions was accomplished to fill the coffers of the depopulation enemies of freedom and complete the Great Reset.

Corruption Is A Mechanism By Which Third World Countries Operate

If any politician tries to stop the human trafficking, sex trade or drug trade, they kill them, and/or their family members. Guys like the drug lord Al Chapo kill with impunity. With all the billions of dollars in the hands of the rich and powerful, the average Mexican lacks a 6th grade education. They murder police officers who get into their way.

Nuremberg Code and the COVID-19 “Vaccines”

There are a group of people for whom the phrase “Never Again” has special meaning. We were supposed to have learned our lesson from the Nazis. Lessons about the dangers of rhetoric without evidence, of emotion over reason, of treating groups of people as sub-human. We were supposed to have learned the dangers of unrestrained power and a lack of ethics.

The Origin of Covid-19–Updated, Part 13

As I have written before, the vaccines being used against Covid-19 (which are really gene therapy and not vaccines) have been approved on an experimental basis, and the clinical trials will not even be completed until 2023. Thus, we are just beginning to realize some of the long-term consequences.

Getting Out of ‘Scare-City!’

It’s time we get out of “Scare-City” and into the abundance of God’s promises. Let our faith be steadfast, let our service

be to God alone. Let us boldly speak the truth at every opportunity and may we never comply with evil and lies.

Democrats Fake Justice, Part 1

Trump made the phrase 'Fake News' very popular. The more he used the term, the more the fake news proved him right. When the Democrats took control of the House they exposed to Americans that they were the supporters of Fake Justice. We saw that with two impeachments that had no grounds whatsoever.

The Covid Narrative Is Collapsing, but We're Not Out of the Woods!

As for governments, gradually over the past several months one nation after another has seen mass protests: Australia, New Zealand, Austria, France, the Netherlands, Italy, Greece, the Czech Republic, others. Countries such as Denmark are following the U.K. and ending restrictions. Regime Media is trying as hard as it can to ignore all this.

Vaccine Derangement Syndrome (VDS)

It is interesting to note that today in Germany, efforts are being made to nullify this code as it directly reflects the ongoing situation of those who take these “vaccines” without understanding that, like the victims of the Nazis, they, too are participating in medical experimentation!

Canadians Are Better Americans Now

The fact is, if just one trucker hit the road today in California, headed for DC, by the time he arrived in DC, there would be a hundred thousand truckers, farmers, and citizens right behind him. This is what leadership looks like. Do we need some Canadians to come down to start our fight for freedom?

Secure the Vote – Nothing is more important!

Every American needs to know that securing the vote in their local communities is the sine qua non of our having a future as a free nation. AMAC was on target there, but not in their

recommendation of a federal government group, born and raised in Congress, as a legitimate election security organization.

Aren't You Tired Of Celebrities Trashing America?

For the past several years, Hollywood and TV celebrities continually trash the United States at every juncture. Ironically, most of them attained millionaire status from their “make-believe” jobs of acting. Few of them ever picked up a shovel to actually work a real job that makes America viable.

Will Anyone Blow the Trumpet?

Millions have died because of their stand. Millions more will. The current crop of Christian leaders are an affront to the Christ they claim to serve. Our spiritual DNA speaks of the exploits of the unnamed heroes of Hebrews 11, which describes such folks as those “of whom the world was not worthy.”

Christian Communists?

What the Pope didn't see fit to mention was that this, in Acts 4, was the very first generation of Christians—the foundation of the whole Church, which would soon spread throughout the world. Their mission, far more important than any other consideration, was to establish the Church.

The Ukraine Crisis: Facts Versus Lies

Is it possible today to get “just the facts” about anything in the Western world? No, because the corporate media is complicit in all the crimes of their global masters of the universe and have become the propaganda arm of disinformation advancing their worldwide globalist agenda.

All Human Differences Are Social Constructs Now

America seems obsessed with “equality” even when it is not possible to achieve that mythical goal. On the other hand, it is quality that has made us what we are— or were! — and therefore quality should always be our goal. When quality is neither actively sought nor actually permitted, the bogus goal of equality becomes its replacement, rearing its fictitious

head as the sole means of obtaining an overriding social good.

Secure Borders for Ukraine and America

If we ignore the fate of Ukraine and sacrifice this country to Russia, we will be jeopardizing the future of freedom around the world. This surrender will send a strong message to other enemies as well.

The Victims of Illegal Immigration

And with the Biden administration now overseeing a mass entry of illegal aliens, more and more of your fellow Americans are at risk. Let's bring this ongoing tragedy to an end as soon as possible!

The Federal Government v. The

American People – Injunction Opinion

In a previous post I reviewed the oral arguments before the Supreme Court in two sets of cases involving federal vaccine mandates. It did not take long for the court to decide those cases. However, as is often the case, the reporting on these cases has been fairly atrocious.

Re-Elect Same Incumbents: America Will be Dead by 2024

Since 1993, I and so many others tried our very best to get Americans to understand our elections were being stolen through modern technology. Millions of words, thousands of examples, speeches by me and so many others with proof. Get rid of hand counted ballots in front of the public and the tsunami of voter theft was underway.

Joe Biden Smuggling Illegal Aliens, Drugs, And Terrorists Into America: Against Every

Law On The Books

Let's face the facts: The president of our country—Joe Biden invited-allowed-encouraged 2,000,000 illegal alien migrants to violate our borders in 2021. Our U.S. Border Patrol documented that fact. That's 2.0 million people who unlawfully jumped our borders. They arrived from 160 countries.

There Comes a Time When Time Runs Out

This is the world we live in now. This is the "New Normal." This is the Left's idea of "Building Back Better." It may seem like the world is spinning out of control, but our mighty God has His hand firmly at the helm and the evil ones behind all the mayhem and destruction can do nothing that God does not allow. Our world is under judgment, as it should be.

Guard With Jealous Attention The Public Liberty, Part 2

I sent a short video out to all in my address book that covers all the attacks on the American way of life and how the Biden administration is the most dangerous threat to America's constitutional republic that we have seen since the Civil War.

The Missing Mandate

The so-called “mandates” have been the right tool to give the Constitution the final push to fall it into oblivion. The United States Constitution was the supreme law of the land. All laws must derive and be based on the principles established on the Constitution. Most of the mandates that are now enforced upon us do not derive from the Constitution, therefore, they are illegal.

Pro-Russia “Conservatives” Being Set Up as Traitors

“What makes all of this even more disturbing,” notes geopolitical analyst J.R. Nyquist, “is the way in which current Russian mobilizations coincide with Chinese mobilizations, and how both coincide with the ongoing pandemic.”

Steven Yates: Who Am I? and What Do I Stand For?

I became a Christian at a summer retreat between ninth and

tenth grade, and joined a group of peers who met and studied Scripture twice a week. In the early '70s, no one questioned this. We even had a teacher-moderator whose job wasn't endangered by her direct and open involvement with us. There was far more tolerance then than exists today.

We Must Be Crazy

There must be something seriously wrong with us, the American people, that we continue to tolerate the deluge of toxic idiocy poured on us by what we call our public education system.

Our Bedrock Community Known As America

What's happening to Western Countries cannot continue if we hope to hold a shred of freedom and/or viability for future generations. When respect for the rule of law diminishes to a point of what's happening in Chicago, Detroit, Minneapolis, Seattle, Portland, San Francisco, St. Louis, Baltimore and Los Angeles—those are the markers that lead us into a lawless society.

It's the RIGHT Dividing the RIGHT

So long as the American patriots allow themselves to be divided by their public servants and fellow citizens out to make a buck in their pet agendas, they will remain unable to unite, fight and win the future of freedom and liberty together.

Can Ukraine Survive Putin and Biden?

Sounding tough about the Russians and the Chinese, Biden actually favors a global accommodation with both of these adversaries. That means the integration of capitalism with communism, creating a one-world socialist state. The Russians call it "convergence." Democrats call it "social democracy." This is the "Great Reset." It's happening now.

We Warned You That It Was Coming

Back in June of 2020, I wrote an article warning about corruption within, namely politicians that history teaches that you can only oppress a people for only so long before

they lawfully retaliate (Exodus 1:12).

Plastic Is NOT a Environmental Threat

However, as many now understand, little in these attacks against industrial revolution products have anything to do with science or truth. The roots of the environmental movement's agenda lay in the determination to destroy free markets. The use of fear of ecological Armageddon creates political power and massive funding for them.

Dr. Robert Malone, Knight in Shining Armor or Controlled Opposition?

Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves. Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles? Even so every good tree bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit. Matthew 7:15-16

Biden's Press Conference: Why Weren't These Questions Asked?

If Joe Dementia Biden or his handlers keep him from dealing with reality, it means our country will be dealing greater consequences down the road. I'm reminded of Eleanor Roosevelt's famous quote: "We must prevent human tragedy rather than run around trying to save ourselves after an event has already occurred."

America: Stay Awake

In the Germany of the 1930s, for instance, very few people were Nazis, and most Germans dismissed them as a bunch of hotheaded fools. Before long, the hotheaded few cowed the dismissive masses, and as a result, millions lost their lives. America Stay Awake. It has started to happen here too. Time is of the essence.

The Federal Government v. The American People – Oral

Arguments

What is life like when bureaucrats, Congressmen, lawyers, and judges alike, all ignore their oaths to support the Constitution and their duty to protect our rights? What do we do when a government formed to protect our rights, which gets its power from our consent, instead ignores our consent and destroys our rights?

Guard With Jealous Attention The Public Liberty, Part 1

We have people that don't bother to vet the candidate that they are voting for and we have people that don't even bother to vote at all! They don't vote then complain about who is in office. Dumb as a rock. They give the excuse that they're not going to vote for the lesser of two evils. Sounds logical until you think about it.

The Brainwashing is Nearly Complete

It appears that the brainwashing of the New World Order Globalists is nearly complete. While there definitely are many Americans with eyes to see what's right in front of their noses, most are happily going along with the plan of the

planned-demic, oblivious to the wicked agenda of The Great Reset.

Dear Vaccinated Americans

No one has the Right to force or coerce inject another person with anything, for any reason whatsoever. And no one is immune from legal liability or criminal prosecution, when they are involved in force injecting others, knowing that those injections are causing massive harm and death, thanks to more than a million VAERS Reports.

Patriot's Agenda for Return of Constitutional Republic

The preferred method is to elect patriotic officials who are dedicated to protecting the Rights of the People, and who will force the Federal Establishment to conform to all original specifications of the Constitution. The only other option is Guerilla Warfare and resistance to all unconstitutional laws.

Sick of The Lies

I'm just so sick of all the Lies. Lying seeks to covet and steal. In order for the lies to work they must separate you from the truth. Truth is the natural enemy of the lie, and therefore must be removed from any reasoning process. They have taught the world that everyone has a right to their own opinion making opinion equal to truth. Lies hide behind opinion.

The Absolute Right of Informed Consent

The evident problem right now is that all too few Americans seem ready and willing to call a spade a spade—bluntly put, to recognize that, with respect to “Covid-19”, this country is not dealing with “science” at all, unless it be the science of criminology. Indeed, if Dostoevsky were writing a novel about the present “pandemic”, he would be compelled to entitle it, not Crime and Punishment, but Crime without Punishment...

Imperative, Ideologically Inspired Immigration Reform

or Impending Self-Immolation

Even as the situation produced by this cultural Trojan Horse worsened, the indifference of our “leaders” remained the same neither did the matter seem to garner much attention from politicians and the mainstream media while some churches enthusiastically contributed to the onslaught.

It Makes You Sick To Your Stomach: The Killing of Brianna Kupfer

And yet, no one does anything to stop it. A female black law attorney of Chicago gives a pardon to every hardened criminal that comes across her desk. Mayor Lori Lightfoot cannot and will not solve the “Murder Zone” of Chicago. We’re talking ineptitude, incompetence and corruption at the highest levels.

Communism for Dummies

As Nyquist notes, what makes all of this even more disturbing “is the way in which current Russian mobilizations coincide with Chinese mobilizations, and how both coincide with the ongoing pandemic.”

Why Are We Content to Believe Lies?

So much of what the world feeds us is bunk. Most Americans are incapable of discerning good from evil. Look around at the confusion that reigns in America today. We have been lied to and we don't even know it and we wouldn't care if we did. The delusion is strong. Even in the church.

Holocaust Survivor Warns America – The Nazis Accused the Jews of What The Unvaccinated Are Being Accused of Today!

In conclusion: For those who want to excuse all of this as a conspiracy theory, I strongly suggest that you take note of the facts that the mainstream media in this country and globally have a long history of covering for conspirators (Jeremiah 11:9).

The Origin of Covid-19–Updated, Part 12

In my book, COVER-UP published a long time ago, I first referred to DARPA (Defense Advanced Research Projects Agency). In January 2018, DARPA first announced selecting 5 teams of researchers to support PREEMPT (Preventing Emerging Pathogenic Threats). On July 19, 2018, DARPA under PREEMPT solicited proposals targeting animal-based viral threats, and which comply with gain-of-function policies.

Israeli Scientist Blows Down the Covid House of Cards

As I wrote to Tom thanking him for the letter and asking if I could use it, if this doesn't blow down the covid-19(84) house of cards, then nothing will – short of an actual civilian die-off that will be literally impossible to hide as life insurance companies find themselves overwhelmed with claims and in danger of going under financially.

**Chosen by the Deep State,
Gorsuch, Kavanaugh and**

Barrett

The three Supreme Court Justices placed on the court by President Trump were actually chosen by Mike Pence and Kellyanne Conway. Brett Kavanaugh replaced Justice Anthony Kennedy on the court. Kennedy was often thought of as the “swing” vote. All three of Trump’s appointees have been “swing” voters, as we just saw with Justice Kavanaugh siding with the left against medical freedom and for Biden’s unconstitutional healthcare medical mandate.

What Goes Around Comes Around

The bottom line is that stealing elections is nothing new, but as American as apple pie. Both John F. Kennedy and George W. Bush won the by stealing their. A long time ago, the famous frontier hero David Crocket, a strong opponent of Andrew Jackson’s Indian Removal policies, accused Jackson’s supporters of stuffing ballot boxes during the 1801 and 1835 Tennessee Congressional elections, which Crocket lost.

The Secret Life of Martin Luther King, Jr.

The Kennedy brothers, Jack and Bobby, who were both anti-communist Democrats, were alarmed by King’s communist associations and ordered J. Edgar Hoover to conduct

surveillance of King. That resulted in tapes, under seal by a federal judge until 2027, that also show King participated in sick and disgusting sex orgies.

The Church Has Become a Vehicle to Implement the New World Order

Before 1900, there were only 18 Philanthropic Foundations operating in the United States. However, between 1910 and 1919, 58 new foundations were created. During the 1920's, the total number grew to 173, and during the 1930's, tax exempt foundations grew to 288. The 1940's and 1950's saw the greatest growth of these foundations such that the total number became 2,839.

Consequences of a Government Run Amok

I believe all Americas should learn a very important lesson from this. When you use government to do what it is not authorized to, you open a Pandora's box of tyranny and subjugation. Before we allow our employees in government to approve legislation, we should first imagine it being used by our most hated enemies against us.

Transgender DNA Males Competing Against DNA Female Athletes: Woke Senseless

Can you imagine all those trans-athletes with five o'clock shadows, hairy arms and a package between their loins arriving at the athletic event in dresses, high heels and makeup? Good grief! What a show! After they set new "Trans-records" in the butterfly, crawl, and breaststroke, etc., they could all hug each other and give butterfly kisses because they are so happy for each other.

A Stand in the Park: Resistance in the UK for 2022

On this occasion I was not going to listen to the usual brass band which would sometimes leisurely play there, but I was there to meet a group of complete strangers who have been meeting each Sunday morning in parks across the UK and around the world, to stand up peaceably for freedom, jobs, small businesses, against lockdowns, harmful laws and against people behind 'The Great Reset'.

The Role of the Church in Politics, Part 2

The corruption of our government has gotten to the point where they don't even attempt to hide it. If you remember during the Obama administration whenever a state attempted to clean up their voter rolls, something they are required to do on a regular basis, the Attorney General, Eric Holder, took every one of them to court to get them to stop.

2022: The Best and Worst of Times

God is doing a work in the land, and we can join Him, learn the lessons we need to learn, let His fires refine us, or we can resist Him, call Him a hard or severe master (Luke 19:25) and let the fires burn us. We can be lights in the darkness and salt in the time of peril if we choose.

Lawlessness
Lawlessness

Breeds

Using fear, fake statistics, and the cover story of a health emergency, they have criminally and treasonously aided and abetted our country's enemies. Their subversion, inversion,

and perversion of American law is so base, so vulgar, and so massive that, should the...

How King's Dream Became a Red Nightmare

Honest conservatives like Biorseth have to look even deeper. Communists have targeted black Americans for exploitation almost since the time of the Russian revolution in 1917. The article, "Black Liberation and the Communist International," describes a Soviet campaign, launched shortly after the Russian revolution, to exploit the "Negro question" in the U.S.

No More Medical Community

The Supreme Court could have and should have made sure that every healthcare professional was protected from these unconstitutional medical dictates forced upon the entire industry by Medicare and Medicaid. But they didn't, due to the overt political nature of that court.

Why Climate Change Is a Fraud

My paper shows if human CO2 emissions were to stop, the small human-caused CO2 increase would quickly fall, meaning there is no scientific basis to claim there is a climate emergency or worry about our grand kids. My paper overturns IPCC's climate fraud with a clarity that can win in a court of law.

2022: A Look Ahead

I think it likely that Republicans will retake one or both houses of Congress when November gets here, if only because the party out of power in the Executive branch usually wins big in off years. That might stymie the Bidenistas, but then what? November is still eleven months away, though, and they can do a lot of irreversible damage in the meantime.

Communist Cancel Culture vs. The Christian Canon

The hour nears midnight when doom awaits us. We must call this attack for what it is – a deliberate effort to destroy all that made us the most free and successful country on earth in order to make us yet another casualty of their never ending schemes and producing another bunch of field workers and mindless “pee-ons” on the coming Global Plantation.

Capitol Murder: Ashli Babbitt

Ashli Babbitt, an unarmed 5' 2," 110 pound woman, posed no threat of imminent serious physical injury or death to either Lt. Byrd or members of Congress. By Lt. Byrd's own admission, he did not even identify who he was shooting at or if that person was armed with a lethal weapon or not.

What God Do you Serve?

Everything that is happening in this nation is the fault of the church. "Evil walks on every side when the vilest of men are exalted." Truth is surrounded by evil and the pulpits are complicit with the coup. America's problems are Spiritual not political.

The Droning On of Racism in America: What Is It Exactly?

The invective today has a much broader connotation, meaning essentially that the accused is not on board the woke / critical race theory bandwagon. So, if you don't hate whites in general, you're a racist. Ironically, this means that unless you are a racist, you are therefore a racist.

Biden's Disorganized Dictatorship

At the same time, the communist paper recognizes the Supreme Court as an obstacle on the path to dictatorship, insisting there is a GOP majority on the Court standing in the way of social progress. A caption in the paper over the photos of Justices Brett Kavanaugh, Amy Coney Barrett, and Neil Gorsuch declares that "the Trump Supreme Court Appointees tip the balance..."

QANON Dies Hard

Actually, Dave misrepresented both Trump's apparently sincere belief the vaccines would protect people and end the pandemic, as well as his decision to concede the election to Biden, which he did by leaving the White House. But Dave is consistent in one regard: the pretentious X22 Report continues to mislead and manipulate well-meaning, sincere patriots.

Marjorie Taylor Greene, Who

Decried “Vaccine Nazis,” Investing Into Pfizer, J&J, and AstraZeneca

Rep. Marjorie Taylor Greene, a Republican from Georgia who has decried “vaccine Nazis” and boasted about not getting vaccinated against COVID-19, reported owning stock in COVID-19 vaccine makers during 2020, including Pfizer, Johnson & Johnson, and AstraZeneca, according to a financial disclosure she submitted in August.

The Origin of Covid-19–Updated, Part 11

When I asked a physician friend who has treated 1000 Covid-19 patients how Omicron occurred in South Africa at this time, he replied as follows: “The major problem was mass vaccinating into the teeth of a pandemic. Select vaccination campaigns targeting at risk populations (old people, those with co-morbidities associated with a worse outcome) would have been acceptable.”

Anti-White Animus and Far-

Left Loons Making the Military Into Monsters

The far-left makeover and zeitgeist that are uprooting the Historic American Nation seems to have found its locus, focus, and driving force in our now farcical military. The result of these attentions is the reduction of the military's effectiveness and competence in performing its missions.

Variants, Propaganda, Fear and Genocide

Between 1933 and 1939, about half of the German-Jewish population and more than two-thirds of Austrian Jews (1938-1939) fled Nazi persecution. Others stayed as they hadn't the wherewithal to leave or they thought the situation temporary, but by 1939 it became too late. The citizenry had become so fearful that they bowed their heads and said not a word despite seeing the pervasive evil against their neighbors.

Advanced Managing of the American People

The argument of Congress that this must be done to keep people

safe, is just another tyrannical attempt to punishing the innocent for the crimes of the guilty. And while I believe the drunk driver should be punished for the harm they do, I am not willing to enslave myself to government simply because they say so.

REAL Insurrection vs. January 6, 2021

But in the end, public perceptions often trump reality and it's the criminal cabal in D.C. that's in charge of creating public perceptions. They totally control what the American people are allowed to see and hear, based on what they deem to be "appropriate content," also known as their "approved propaganda."

January 6th: A Date That Will Live In Maximum Hyperbole

On January 6, 2021, an estimated 700 American citizens broke into the U.S. Capitol. They didn't carry guns or firebombs or heavy artillery. At the very most, history will call it a spontaneous "riot." One female suffered a gunshot death by a capitol police officer. One officer suffered a heart attack.

No, You Didn't Test Positive for COVID-19

Americans who are informed about this monstrous plandemic scheme have been fully aware of the problem with testing for this phantom virus since April of 2020 – specifically the PCR test. The column below goes into detail about that test promoted by both the CORRUPT FDA (Federal Death Administration) and the CORRUPT CDC (Center for Disease Creation)

Christian Resistance in This Dark Hour

Over the last month, I have heard from so many whose jobs are threatened if they do not get the covid shot. I have written countless religious exemption letters for people. I told you from the very beginning – if you comply with the masks you will be made to comply with the “vaccine” – and look where we are?

The Role of the Church in Politics, Part 1

One of the biggest lies the government and the church have perpetrated on Americans is that there is no place in politics and government for the church. The facts deny that idiocy on all levels. Moses was instructed in Exodus 18:21 Moreover thou shalt provide out of all the people able men, such as fear God, men of truth, hating covetousness; and place such over them, to be rulers of thousands, and rulers of hundreds, rulers of fifties, and rulers of tens.

2021: The Year of the 'Jab' in More Ways Than One

Only the Lord God Himself knows what the year 2022 holds in store for us. As Christians, even in the midst of turmoil, WE, of all people should remain strong and steadfast. Unmovable. Unafraid. And we should be ready at all times to provide answers to all who ask us about the faith that we have.

America's Carrying Capacity:

Or, How Many Third World Invaders Can We Afford?

Post Scriptum: We must also be aware that warnings against “overpopulation” are fueling the desire by the New World Order elites and their “tech” geniuses to produce “vaccines” designed to do just what many are calling for – that is, to reduce the planet’s population to what they consider to be “manageable levels.”

Be Prepared for More Chaos

But the fact remains that one death was tied directly to that event, the murder of Ashli Babbitt, a U.S. military veteran. She was a Trump supporter. The Capitol Police killer was exonerated of any wrongdoing. That was a disgrace. That was a threat to our Republic. Our system of checks and balances failed.

Democrat Party is a Wholly Owned Satanic Subsidiary of the Luciferian Globalists

I encourage you with one final thought. In the book of Daniel we learn that there will be people who abandon God in the heat

of battle. They will listen to the lies of the enemy of God and will side with the lawless one. However, there is a remnant that will remain faithful to God. This prophecy has come to pass today. It has happened in advance of the rise of the lawless one who will by intrigue deceive many.

Trump Trumped

President Trump signed dozens of EOs during his term in office, and there may have been elements in some of them he'd have objected to if he'd been aware of them. The devil is in the details. This is how the Swamp operates—through obfuscation and deceit.

Democrats WILL Win 2022 and 2024

And THEY are the reason the greatest free nation ever known to mankind is headed for the ash heap of history. People who think they are going to “take America back in 2022 and 2024” didn't do anything to stop the steal in 2020. They created their own demise! That's the end of that!

Faith Followed by Action Will Save This Country

“Faith” is a term that is thrown around in Christian circles as if it is as simple as making a wish when blowing out a birthday cake. Faith is more than simply “believing.” Faith is not a stand alone thought process. Faith is something that is lived out...acted upon. If action does not follow faith, then faith becomes nothing more than a fleeting wish.

Humanity's War Against Planet Earth

One of my dearest friends, Don Collins, former U.S. Navy commander, and brilliant historian when it comes to America's past and future, gave me a sobering interview from his 90 years of living on this planet.
