

Governor Signs Bill to Make Parents Aware of Sexual Materials for Their Children

Not blaming the government for that to which the parents give their children over (Proverbs 22:6), but since when was it the government's place to sexualize your children?

The US Senate Race In NH Heats Up

Since 2004 we have been exposing wide spread corruption in NH politics and beyond from both parties. I have been involved in 24 court cases. I have yet to lose. Joe "The Joker" McQuaid, editor of the Manchester Union Leader, has been fully informed of this corruption.

Stomach Problems Are The #1 Complaint To Doctors

The slow accumulation of toxins and fecal debris lingering in the digestive system are the direct cause of a wide range of modern diseases. Toxicities not only slow the body's elimination systems down and weaken it, but they also interfere with cellular integrity by causing a massive load of

free radicals to enter the bloodstream.

Is it Possible to Have a World Without Cancer & Autism?

66% of all vet appointments are over gastrointestinal issues. The Gut, just like humans. I want you and your family to be healthy and all the beautiful children in the world with autism cured. It is absolutely critical, though, that the parent or caregiver follow the program to the letter. I want to see cancer a thing of the past or at the very least, rare.

We Need to Focus on State and Local Governments

Misdirection is the stock and trade of both magicians and politicians. Over the years, the American people have been conditioned to focus on Washington, D.C. as both the source of our problems and their solution. In doing so, we are allowing those in our state and local government to steal our rights and our liberties right out from under our noses.

Quiet, Tranquil Sweden: Now Rioting and Burning

Swedish professor Eva Vlaardingerbroek said, "I blame the liberal left-wing elites who have allowed all of this to happen because they know that they have allowed these people to come into our countries with vast numbers. And they knew that this was going to happen because this is all part of their plan to destroy our social fabric and to destroy our identity and our society."

Who Are America's Enemies? Part 1

John Quincy Adams stated: Posterity: you will never know how much it has cost my generation to preserve your freedom. I hope you will make good use of it. I hope that this generation isn't the one that lets it slip through their fingers.

How To 'Get Right' With God

Unfortunately, many choose the path of least resistance. It's not easy to be a Christ-follower. It's a narrow gate that leads to life and Jesus said "FEW" will ever find it. But still, for the few, Christ came to earth as a perfect, holy sacrifice for US. He was crucified, died and was buried.

Satan thought he'd won the battle.

Dr. Scott W. Atlas: An American Hero

They say crises bring out the best and the worst in people. They also often inspire a few gallant men and women to rise to the occasion at great cost to themselves—whether that involves risking their livelihoods, reputations, or even their lives—to fight for the rest of us.

How Do You Manage America's Decline?

We must be able to name the enemy. Don't view them as Americans they are not. Don't try to make sense of anything they do or say. They are only trying to confuse you. Look to see what they are doing like passing bills late at night to take away our rights.

How the ERIC Beast is Fed And How Your Community Can Starve It

Your goal is to get your state to withdraw from ERIC. The state of Louisiana did just that because of the pressure from citizen groups, whose requests for the voter rolls were denied and ignored. The Public Interest Legal Foundation, founded by J. Christian Adams, sued the Secretary of State, Kyle Ardoin, on behalf of the voters, which forced Ardoin to look into the rolls and ERIC, and he suspended the LA membership.

Mexican Pirates vs. Constitutional Militia

The bottom line is the U.S. Constitution guarantees under Art. IV, Section 4: “The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence.”

The Dramatically Devolving

and Changing Face of America

Each day, Joe Biden and Congress import an average of 10,000 legal and illegal third world immigrants into our country. They can't speak English. They lack any educational background. They carry corrosive cultural practices. They head toward the welfare and food stamp offices of each city where Biden flies them. They arrive from 190 different countries at your expense.

Replacing God

You can see, can't you, that the New York Times isn't just totally full of Schiff after all. Everything God can do, Science and Money—our current gods—can do. They may not do it for everybody—that kind of technology can be expensive—but what us common folk can't be, we can still worship.

Change the Words, Change the World

But the battle is far from over. Each one of us is going to have to make a decision on just how valuable we think liberty is. Are you willing to sit silently as the chains of slavery are forged for your children? Ben Franklin warned us, "Anyone who trades liberty for security deserves neither liberty nor security."

The Poisoning of America's Food Supply: 45 Out of 86 Products Contained Alarming Levels of Glyphosate

The Detox Project recently published their latest results from the most comprehensive glyphosate testing of food products ever conducted in the U.S., showing that the contamination of the U.S. food supply with the cancer-causing herbicide glyphosate is becoming significantly worse since their first report published 5 years ago.

Cold War II – Part 2

Before reading any further, if you want to believe the narrative that good old America, the red, white, and blue will always come through and that truth, justice, and the American way will always prevail, then take the blue pill and read no further.

Misconceptions and Deceptions Re: the Ukrainian Conflict

Of course, higher transportation costs, especially when added to higher food production costs, must result in higher prices at the grocery store. The food costs shock arising from the Ukrainian war will be as severe as the oil costs shock of the 1970s the only difference being not everybody needs gas and oil while everybody does need food!

Deja Vu All Over Again, Part 2

I have written before about how the Nazis in the 1930s used hydrofluorosilicic acid in the water of occupied countries like Czechoslovakia to narcotize a particular part of the brain, and many American cities have had this same chemical in their water for decades. This is one reason Americans have become dumber and dumber.

How and Why Our Wonderful Nation Came About and How Do

We Keep It, Part 2

In my last article, I explained how God had made promises to Abraham and promised that two great and powerful nations would arise from Abraham's seed. The first would become a multitude of nations that would spread over the entire world. That nation would be the British Empire. The second would become...

Term Limit Bill in Congress

Many states have term limits for offices such as governor. I live in Texas where a governor if elected other than by vote fraud can serve 50 years if that's what voters want. Lucky for Arizona their wimpy governor is being term limited out (2 terms) and hopefully, Kari Lake will become their next governor. Unless, just as Trump was cheated even though he hands down won in Arizona, Lake is defeated by election fraud.

Let's Face It: We're Being Invaded At The Hands Of Our Own President

But the even greater mystery stems from the fact that our U.S. Congress remains in full complicity with Biden's treasonous acts. Why not stop him? Let's face it, Speaker Nancy Pelosi impeached Trump twice over a phone call and a whim about

January 6th.

The Journey of Self Destruction

The more we deny God to be god (always right, never wrong), the more deeply we will involve ourselves with the people, places, pleasures, and intrigues that will surely kill us in the end.

Will America Be Hit With Food Shortages, Part 2

The predictions that are out there are not really promising for us. But there are things we can do to make it easier.

The politicians that we have in Washington are the biggest reason we are in this situation. It will be several months before we can replace them but that is the first step we need to take.

ERIC, The Largest Components of The National Voter Fraud Issue

The Electronic Registration Information Center, ERIC, is one of the largest components of the national voter fraud issue. The more I learn about ERIC and the action of its 30 member states, the more sure I am that the construct of the organization was designed for it, with words of plausible deniability, of course.

“Control Your Soul’s Desire for Freedom”

This is the message being echoed by drones throughout Shanghai China today in yet another massive total city lockdown of over 26-million Chinese citizens. Thousands are screaming from their balconies as others leap from their balconies to their death. They are being starved to death.

9/11 and American Exceptionalism (Take Two)

So, we should not discard the possibility that the mad globalist conspirators are currently planning to provoke

Russia into killing 80 million innocent Americans and Russians as a first step to fulfill their dream of eliminating 85 percent of the global population while they enjoy the show from their deep holes in New Zealand and the Patagonia.

How Much More ‘Sex Ed’ Will People Tolerate?

The people of New Jersey are public schooling’s latest victims. They were shocked last week when the state Board of Education suddenly announced a new “comprehensive sex education” curriculum, to go into effect this fall, featuring the usual potpourri of gender identity, sex-change, “gay” relationships, all seasoned with gender-neutral pronouns.

Green Energy: What It Really Costs You

Bartender AOC screams “Green Energy” from her high perch in Washington DC. Like a third grader, she doesn’t possess a clue about what she’s screeching to all of us. At 79, Joe Biden ramps up his own call to push America for Green Energy, but In reality, he doesn’t possess a clue, either.

Homeland Security Defines Law Abiding Americans as Potential Terrorists (Video)

Recently the unconstitutional agency known as Homeland Security (Psalm 94:20) posted a warning about the rising concern of what and who may be a threat to our homeland.

Freedom of Religion Under Attack in Washington State

Imagine your rights are under attack. You seek assistance from those who have sworn to protect you, only to be attacked again. You reach out to what you think is your last hope, only to be rebuffed. Now consider how that must feel: To be abandoned by those who have sworn to protect you.

Dissecting the Beast ERIC Laid Open

If you have been following the breaking news, there is quite a LOT to unpack, so stay tuned. If you are a resident of any of these states, my very next article will be how to secure the vote in your states by organizing and acting on a local level.

Starting Over (and Finding Hope)

Conservatives need a grand vision, and it has to be something more than make America great again. It can't be Utopian, because conservatives are by nature non-Utopian. It can draw on great documents such as the Declaration of Independence and Federalist 51, among others. It must appeal to what is best in us, and thus attract the interest of the remnant.

Russia's Geopolitical Game Plan

Once Europe gets mostly on board with cutting off purchases of coal, oil and gas from Russia, a fresh new "green" push will be underway. Forget the fact that going green got us into this mess in the first place.

Biden to Open Border to All – Constitutional Militia to Be

Called Up

Gov. Abbott is using Band Aids to treat a patient on the operating table with a gut shot. Personnel in the agencies here in Texas have/are been giving it all, but come My 23rd, the big invasion will start and it will NOT stop unless Abbott takes drastic action to stop illegals before they put one foot on U.S. soil.

Growing Old In Your Own Country You No Longer Recognize

We look in vain for a Ronald Reagan, a Lincoln or Teddy Roosevelt. Instead, we find corrupt clowns like wizened Nancy Pelosi, Commissar Ocasio-Cortez (the Cuban pinup girl selling socialist snake oil) and our president – a cranky septuagenarian slipping noisily into senility.

Will America Be Hit With Food Shortages?

Biden is blaming literally everything wrong in America on the fact that Putin invaded Ukraine. Our border problem is 100% Biden's fault. Our historic high gas prices are 100% Biden's

fault. Unemployment increases are Biden's fault. Inflation is Biden's fault. It all stems from the liberal's desire to turn America into a third-world hell hole.

Don't Procrastinate: Get Right With God, Right Now

The end-game in all this is a digital, One-World currency. That should concern you. Because in order to achieve this, the US dollar must be crushed. Russia has already abandoned the US dollar – and other world currencies – as Putin is attempting to back the ruble with gold. India has also abandoned the dollar. Other nations will soon follow.

Why Biden Wants Ukraine to Lose

This could be one of the building blocks of Biden's New World Order, one of his long-time goals. The reputation of the U.N. will be enhanced and the Russian regime will be welcomed back into the family of nations, perhaps with Putin officially stepping down from power after his victory over Ukraine.

Repucrats for the New World Order

The true reason the globalist traitors in ours midst hate Russia so much is not because the Russians have suddenly turned back to the communist totalitarianism the globalist conspirators imposed upon them at the beginning of the past century,[1] as some “conservative” Republicans and “progressive” Democrats I call them “Repucrats” want us to believe.

The Reptilian Brains of Terri's Executioners

It's too late for Terri—and the millions of babies who were the victims of infanticide through abortion since her death—but it's not too late for American citizens to take careful note of those elected officials—overwhelmingly liberals—who through their support of abortion and now euthanasia are responsible for what has become a “culture of death” in our country...

Do We Still Need the Consent

of the Governed?

President Kamala then appoints two-time loser Hillary Clinton, the most corrupt woman in the world, vice president. The next step is to persuade Kamala to resign—maybe appoint her to the Supreme Court, where she can mindlessly cackle for the rest of her life. However they manage it, Kamala's gone. And Hillary becomes our president...

Just Doin' My Job – Following Orders

That's what the Nuremburg Trials were all about. Obedient soldiers were held accountable for simply following orders. But the Judges ruling over the trials determined that "calling it one's job" did not make something right. In fact, one had a DUTY to disobey an illegal order.

Thanks To Congress: What America Will Look Like In 2050—Cultural Disintegration

If you're not in tears or feel a shot of fear up your spine when you read the facts, you might be brain dead. Your children will inherit this demographic nightmare. My latest

book describes their coming ordeal: America's Overpopulation Predicament—Blindsiding Future Generations.

Genocide and the Next Red Line

Once and for all, this Russian war on Ukraine, which began on February 24, demonstrates the complete ineffective nature of the United Nations, whose Security Council is powerless in the face of Russian membership and a Russian veto. It's finally time to defund the U.N.

USA Women MUST Wise Up FAST

Only women can cause other women to wise up today. The truth hurts, but it's the only way to save this country and we are fast running out of time and opportunity to do it. God Bless the GREAT mothers of this country, who fight harder to protect their young than most neutered men will today.

US Government Paid Mainstream

Media \$1 Billion in Tax Dollars To Falsify Covid-19 “Vaccine” Narrative

This ministry has been faithful to expose the MSM’s corruption at every given turn (Ephesians 5:11), only to have the corrupt to fill up their cup with a new deception (Ephesians 4:14). The American people know all the while that there is no truth in them (John 8:44)

The Descent of Western Man

The New World “Orderlies” constantly change our perceptions to align with their ever changing deceptions. History becomes history in favor of the current political flavors with hysterics and gaslighting used to gas up the deceptions. Thus, the themes in the increasingly pertinent and popular novel “1984” by George Orwell are novel no more.

Limitations on Foreclosure

We all recognize that property can be foreclosed on for failure to pay a tax debt. What happens when the value of the foreclosure is greater than the debt owed? A case out of Michigan, recently appealed to the Sixth Circuit, seeks redress for just such situations. Eight citizens of Oakland

County Michigan are suing the county for...

Nothing Hidden That Will Not Be Revealed

Biden has already stated we should be vigilant of a Russian cyber attack. And FEMA has published guidance as to what we should do in case of a nuclear explosion (go to our basements, wear our masks and practice social distancing while we're down there). Nothing is off the table for these lunatics.

Are the Good Times Really Over?

How many fraudulent paper ballots were dumped into the 2020 elections in the dark of night, in places like Michigan, Wisconsin, Georgia, Arizona, Pennsylvania, Nevada and North Carolina? In reality, election fraud happened in all fifty states in 2020, although the focus has been largely on the "swing states."

New Latino-Hispanic Majority US Population Demographic By 2042

Not mentioned in the USA media: racism flourishes all over the world where different racial groups co-exist. Mexico supports entrenched racism. Japan manifests racism by its non-immigration stance and sense of superiority over most other races. Racism abounds in the Middle East. Same in South America!

WARNING: Why Is Anyone Shocked China Joe Said This? – Part 1

Those who control Washington District of Criminals through use money and bestow massive power over Americans by cooperative members of the U.S. Congress and cabinets. The Biden family is just one on the long list of life time criminals because they play the game within a game. Just another marionette who lies every time he opens his mouth – lies fed to him by his handlers.

American Deceit

Being an American comes with a JOB. The Founders intended it that way! Being an AMERICAN comes with RESPONSIBILITY. If taught properly in school, students would know the way their government works, understand the Rule of Law, and realize the law does not change for different GROUPS of people. All GROUPS have the same rights under the Constitution and the Bill of Rights.

Biolabs – What Is the Government Hiding?

I, for one, will not stand still and let a handful of elites take my country. Seventy members of the Democrats in Congress belong to the Democrat Socialists of America. You can see what they have been allowed to do. Senator Joseph McCarthy was mocked for trying to identify communists with our society.

Do We Still Have Freedom of Religion?

The governor who executes the laws of the Commonwealth work for the people. If they are unwilling to follow the laws created by the representatives of the people, they should be removed. If the people of the Commonwealth of Virginia are

unwilling to hold their elected officials accountable, they have no one to blame except themselves.

Our Lying Corporate Media III: Is Putin “One of Them”?

The globalists are playing BOTH SIDES of the Ukraine conflict. This is reality. It's very important to understand and accept this fact, otherwise you will not be able to grasp the events that happen next.

The Hidden Depths of the Deep State, Part 2

John Foster Dulles was a partner at Sullivan and Cromwell law firm and they floated bonds for Krupp AG, the German arms manufacturer, and managed the finances of IG Farben, the German chemical conglomerate that manufactured Zyklon B, the gas that would be used to kill millions of European Jews.

Deja Vu All Over Again, Part 1

In the 1980s, I had already written articles in THE HOUSTON POST and ARIZONA REPUBLIC (which nobody remembers because people have been conditioned to be temperocentric) explaining how Khrushchev had actually suckered President Kennedy in the Cuban Missile Crisis in 1962, but nobody knows this either.

Cesar Chavez Was No Hero

The farm workers in California, in the 1970s, knew what a threat Chavez was to them and they hated him. They tried to tell America then, but the media, Hollywood, and liberal politicians had their own agenda to promote. Does that sound familiar? So, puffed up on their own “compassion” and in the name of their version of justice for the poor, they sacrificed the very people they claimed to help...

Beware Of the Sorcerer's Medicine

The primary purpose of this story has been to educate you further about the occult roots of the pharmaceutical industry and to expose the demonic forces behind the drastic increase of pharmaceutical drugs and vaccines. This story offers no

medical advice other than a warning to readers to “Beware of The Sorcerer’s Medicine”.

‘Educating’ Ourselves to Death

But now it’s a thing that’s literally true, and dangerous. You can’t spend billions and billions of dollars, year after year after year, pumping children’s heads full of garbage—can’t do that without winding up with a garbage country.

America’s Downward Spiral: It’s The Little Things That Add UP

If you have traveled to America’s southern border with Mexico—like I have six times in the past 20 years—you would be appalled at the sheer numbers of 25 million migrants who have jumped them illegally. You would be witness to endless thousands of tons of trash along that 1,952-mile border.

Cesar Chavez Holiday—Honoring An American Hero

I am greatly indebted to Cesar Chavez, especially for the example of his humble, selfless life in service for others. I will always walk in his shadow. May the God he so faithfully served bless and keep him. May the country he so faithfully served, always remember and honor him.

Ponder Prepperism, Part 2

There are massive amounts of free videos, blogs, and other resources on the subject of indoor gardening available to a beginner. Start by performing an internet search on “indoor gardening” before the Deep State realizes that such information is a danger to their complete control of We the People! Start your indoor gardening projects now – the subject will grow on you.

Media Cover-up Continues as US Soldiers Die In Their Bunks

One thing I have said to my radio listeners, year after year, is that if the American people roll over in the face of a

government that advocates the murders of innocent babies, how long do you suppose it will be before it is you for whom they will be coming (Galatians 6:7)?

Please Slap Me in the Face

Despite disasters at home and abroad, including a foreign war, record debt levels, soaring shipping costs, rising crime, surging inflation, and an educated idiot Supreme Court nominee, at least 40 percent of the American people support Brain Dead Biden. No wonder books for dummies are so popular with Americans.

The Genesis of Our Divisions

It would be unreasonable and unrealistic for me to expect people to drop their many programmed divisions entirely today. So instead, I will suggest that we all lay them aside for the time being, long enough to unite on freedom and liberty alone, until we resecure both for our future generations. In the end, we won't have any choice but to do so.

What Can YOU Do for Your Country? – Part II

Some of the most active people I know are in their early 80's doing what they can. I will be 73 in June with not many years left. But, when I take my last breath I will know I did everything I could to help save a country birthed with the blessings of Almighty God. Please, don't let all the blood that was spilled be for nothing.

America's Downward Spiral: Why Is Congress Doing It To Us?

At the same time, in excess of 100,000 homeless Californians she represents, live with drugs, poverty, alcohol, and futility. She hasn't, won't and refuses to help them. They constitute the wretched masses that can eat dirt while she shows off her \$20.00 pints of ice cream at her mansion.

Organized Crime Controls The Votes In NH

President Trump and I have forced the election fraudsters to show their teeth. Me in 2008, 2009 and 2010. (See my website)

Because of my success at exposing voter fraud I was told to shut up or get shot. The left ALWAYS resorts to violence when they can't win in the courts. In court, under oath, I am undefeated.

Our Lying Corporate Media II: Demonizing Putin

Needless to say this went unreported in Western media, as Putin goes on to note. Zelenskyy has been portrayed as a saint, and his government depicted as under siege. This last might be true, but for entirely different reasons than are reported.

Why Are The Biolabs Important

Note that these labs were initiated by the Democrats, funded by the Democrats, then denied by the Democrats, but are now fully exposed as Democrat operations. There aren't the six or eight that Nuland suggested but forty-six. Just what are the Democrats working on?

YOU are Non-Essential and Unsustainable

This is exactly how Marxism, Socialism and Communism work. No one has any human or natural Rights. It's all about the "greater common good." Of course, it's always about the greater common good of the ruling class elites, not you. Guess who gets to decide if YOU are essential and sustainable...and on what basis?

Educated Idiots All Around Us

The communists, apparently, are calling in their chips on Ukraine because they are about to capture a seat on the Supreme Court and don't want a foreign war as a distraction. Cultural Marxism, which includes DNA denial, is now front and center. Biden's Supreme Court nominee, picked because she is a black woman, refused to define the word "woman" on the grounds that "I'm not a biologist."

America First Political Action Committee (afpac) 2022 Conference

Although not featured in the presentations, important

literature from the group, “Republicans For National Renewal” was available. This is the group that could wrest control of the Republican Party from the RINOs and neo-cons. Please contact me for information on this organization.

Living in a Dystopian Reality

Castro abandoned his men and managed to escape, but soon after was apprehended. During the trial for the failed coup, he assumed his own defense and, after accusing the government in the strongest terms, he ended his speech with the phrase: “Condemn me, never mind. History will absolve me.” His defense speech has been...

A New Low: A Substitute Teacher Masturbating in Front of Class

The first bomb came from Nutley, New Jersey, a high-end town—or so we thought. A substitute teacher was arrested for masturbating in front of a high school class. Hard to imagine, isn’t it? But actually it gets harder. This was his second offense!

Where are the Papa Bears?

How did Christianity become so passive in the face of the onslaught of evil? Who taught us to blend in...not make waves...go along to get along...submit to the rule of the "unfruitful works of darkness?" The Scriptures actually teach us just the opposite.

Church Leadership & U.S. Congress: 100 Percent Responsible for America's Downward Spiral

But along with that, Biden invited billions of dollars in drugs that are being distributed all over America to your kids. Over 100,000 opioid deaths last year! Do you think one single Senator or House member has or will stop the flood of barbiturates, ecstasy, fentanyl, and heroin? Answer: NO! Who suffers? You and your kids.

Want to "Throw the Bums Out"??

America has gone from super power to laughingstock. We can't wait one more election cycle to get a real grip on the

situation. WE are going to have to BE THE CHANGE. The same old “pol’s” with the same ol’ pals have nearly destroyed us, and only WE can put a stop to it. I submit that, if we are lucky enough to be able to vote in secure elections in Nov., 2022, we must choose new leaders, who are not owing to anyone but their electorate.

Actor, Comedian: Meet The Man That The Mainstream Media Failed To Introduce

If it is happening in America, one must come to terms with the fact that it is happening all over the world. After all, the powers that are tolerated are trying to create a new world order (Revelation 17:17).

The True Tragedy of Biden’s Border Treason

The demented Biden’s disastrous border treason is ballooning to the point at which it is nearly boundless. This moronic, psychopathic mental midget is completely transforming the Historic American Nation into a nation of illegal invaders, Third World troglodytes and political “sickophants.”

Biden's Bay of Pigs

It's fitting that Putin's Russia backs Iran and makes possible its nuclear weapons program. Biden will sacrifice Ukraine on the altar of the 2015 Iran nuclear deal, brokered by Russia. Russia is using the revival of the Iran Deal to evade economic sanctions for its invasion of Ukraine.

The Homicidal Killing Fields of America's Medical System

All of this was accelerated with the improper FDA, CDC and NIH protocols given to hospitals and physician groups for COVID-19 and daily spewed via our propaganda media by Dr. Anthony Fauci. Millions died needlessly and alone. VP Pence and the people he hired...Fauci, Birx and Redfield, ran the Deep State show. Had Trump listened to Dr. Scott Atlas and Peter Navarro, perhaps the outcome would have been different.

How Much History of Russia, Ukraine & NATO Do Americans

Really Understand?

There is so much deliberate lying out there about what's going on right now but thanks to so many intrepid writers who actually do in-depth research, the truth about Russia & Ukraine both past and present, is getting to the people of the world. Ukraine is one of the most corrupt countries on the planet. I didn't say the average everyday Ukrainian Joe, but the oligarchs and their ever-changing governments.

Greatest Practical Joke In America: Will "Lia" Thomas—A Guy In a Girl's Swimsuit

How a DNA male swimmer can put on a girl's one-piece bathing suit and compete with girls must be senseless, most misogynistic, and REALLY creepy, if not emotionally warped choice in this day in age.

Are We Witnessing a Southern Invasion?

So if you're looking for someone to blame for the current state of our border, look no farther than your mirror. Rather than blaming the alien who broke the law, take responsibility

for your choices that led to the fact that those laws aren't being enforced in the first place.

Democrats Itching To Control Your Income

There has to come a time when We the People stand up and say enough. Our Constitution is no longer followed by either party and we are heading down the path towards socialism.

Resisting Negative Suggestions

Inasmuch as we all enter the world as products of original sin, we tend to put our faith in the people we find around us, and as a result, we wind up misled, betrayed, and disillusioned.

Never Compromise With Evil

When we compromise with evil, when we go along to get along, when we are politically correct, biting our tongues in order to be "non-offensive" to those who are ignorant, dumb,

deceived or part of the wicked world system, we cease to be salt and light and until we gather the courage to “love not our own lives, even unto death,” we will always remain utterly useless to God.

Cold War II – Part 1

The last State of the Union Address featured a crooked senile thief, standing in front of a dimwitted whore, and a bat-shit crazed woman. With immoral, incompetent leaders such as this, as well as the aforementioned homosexual transportation secretary and many other immoral leaders, America will not remain a blessed nation for very much longer.

Putin's Peace Offer in Ukraine

Before I discuss Putin's current offer for peace to Ukraine, you need to know that I am not at all interested in convincing you that Putin is a “good guy.” I have no interest in convincing you that the Ukraine government is any better than the Russian government either, because they may in fact be worse.

Has Russia Won the War?

Ukraine loses more and more territory to Russia and is now engaged in “negotiations” to end the war on Russia’s terms. This means Ukraine will be neutralized and Russia will dominate Europe. Pope Francis has stepped forward, to provide religious cover for Putin’s victory. That’s what the “negotiations” are all about.

Arms Rights Round-Up

“Backdoor” Gun Registry: The Bureau of Alcohol, Tobacco, Firearms and Explosives (BATF) is in the process of creating a massive database via digitization of Form 4473 people fill out when purchasing a firearm. In 2021 alone, ATF processed at least 54 million of these forms, a process that began during the Obama Reign of Error.

What Impacts the Price of Gas?

Vladimir Putin has nothing to do with the current prices at the pump. Joe Biden and his Green New Deal is 100% responsible for what you are paying at the pump today, and what it will cost you tomorrow. Follow crude prices and they will track entirely to what you pay at the pump.

My ‘Bell Mountain’ Books

What would happen if a piece of highly advanced technology, still intact, were to fall into the hands of people living a thousand years after the civilization that produced that technology was utterly destroyed? That’s the question posed in my book, “The Witch Box,” No. 15 in my “Bell Mountain” series...

Ethnic Conflict, Racial Conflict, Religious Conflict: Humans Are Deadly

Every day in America, men kill three women in domestic violence incidents. In Muslim lands, annually, men kill 20,000 of their wives or daughters known as “honor killings” because the women said or did something that displeased the savages of that peaceful and delicate religion.

The Origin of Covid-19—Updated, Part 14

Currently, there is a growing concern about a new subvariant, BA.2, which is being increasingly detected in New York and in

American wastewater plants in general. Danish scientists believe it is 1.5 times more transmissible than 6 previous variants. A professor of molecular biology at Warwick University, Lawrence Young, recently told CNBC.

“Fake News” Media Outlets Are Never Censored, Just Those That Tell The Truth Are

Corruption is censoring the speech that exposes them for who they are and for what crimes they are responsible for committing (Luke 12:2). The mainstream media has a long history in covering for them that are responsible and it must stop.

Putin Has No Soul, Biden Has No Brain

To make matters worse, Biden Supreme Court nominee Ketanji Brown Jackson worked on behalf of suspected al Qaeda and Taliban members imprisoned at Guantanamo Bay. Putin has no soul. It turns out that Biden has no brain and no soul. And that's why Putin is winning.

What's YOUR Freedom Really Worth?

So, I suggest you give some very serious thought to what your freedom is worth to you, because in the end, you're not just deciding for yourself. You are deciding for the entire world and all future generations!

Thoughts on Russia, Ukraine and Our Lying Corporate Media

My money is on something like this. He goes on to observe how the Internet is now so integrated into economic activity in advanced nation at every level, that if it went down for just two weeks the result would be an unprecedented shock wave that took down markets and disrupted supply chains everywhere. Rolling blackouts would likely ensue and air travel would cease...

Can States Rein in the

Federal Government?

Since We the People formed those state governments and elected those who hold office, then we are derelict in our duty as well. If freedom and liberty fall in America, if despotism and tyranny are allowed to continue, if this experiment in self government has failed and the sacred fire of liberty should go out, it's because We the People have been derelict in our duties.

Non-Assimilating Soup Of Ethnic Diversity

All I know stems from the fact that children, mothers and old people face death daily from an invasion of Ukraine. Additionally, those young conscripted Russian boys die like flies. Those young and old Ukrainian men die by the thousands. Over 2,000,000 refugees flee to surrounding countries. What's to become of them? Who is right? Who is wrong? Is Putin a hero? Is he a monster?

People's Retirement Accounts Are Under Attack

How long before the Socialist Democrats devise new retirement laws allowing them to end up with more of your retirement than

you. They are working on this legislation as we speak. Midterms are around the corner. Who we put in office from here on out is more important than ever.

To Pray to God – or Whoever

As our modern American Church continues to descend into apostasy, we are now reaping what we have sown as we can see in the hearts and lives of our young people. Please understand, I'm not talking about ALL of our young people; I know many who have been raised by Godly parents in the fear and admonition of the Lord, and their lives reflect that. But these are most definitely the minority today.

How and Why Our Wonderful Nation Came About and How Do We Keep It

I Have been reading NewsWithView's articles for a long time. I think NWV's got my attention back in 2008 ~ 2009 when I began to think we were at the end of this age. I still think we may be at the end of this age, but I have come to believe that it may depend more on us, the people, than I had originally thought.

Land of the Ignorant, Home of the Cowards?

Those who gave birth to the greatest free people ever known to mankind some 246-years ago were fearless in the face of overwhelming odds. God help us if there are no such men alive today!

Is America is Scared of Russia?

My column about this event at the time noted that although Putin created his own “United Russia” political party, Komov admitted that the Communist Party of Russia is still a significant force in the country and is the second most powerful political party in the Russian Duma.

New Names for Old S***

The Oregon legislature, for instance, is about to enact into law a bill that recasts blatant racism as a “public health crisis”. It would be just plain ugly “racism” if we did anything like this; but when they do it, it’s “public health.”

I Almost Died and Went Bankrupt from Stage 4 Metastatic Melanoma

When I explained what I was going through with brain cancer, they told me there was a great chance they could help me. I filled out the application and sent them my health documents. Within a few weeks, they told me they had a buyer. I received over a six-figure amount that saved me from going bankrupt and losing everything. I'm still not out of the woods with cancer.

Jamming The Mainstream Media: People Are Starting To Catch On

You see, the state-run media during this time controlled the masses by allowing the people to only feed on the narrative that was contrived by the corrupt in government (Psalm 94:20). In fact, much of what you see today in and around the world is very similar to that of Romania before its overthrow.

The Night Watchman: How Biden Drove Up Our Gas Prices

While all of the above is quite true, the summation of the DOE leaves out the important fact that during the Trump administration, we were completely independent of foreign oil. And now we once again rely on the Arabs, Russia, Venezuela, Mexico and others, and import a huge percent of our energy needs.

The Errors of Russia, the Dupes of Putin, and Another Holocaust

As we battle socialism and communism here at home, even recognizing the spiritual dimensions of this crisis, we also have to recognize its advance abroad, though such regimes as China, Russia, Iran, North Korea, and Cuba.

The Devilish Draw of Tech Devices

It's odd to think of these digital devices as robots. But these advanced phone tablets, laptops, smart watches, PCs, "health indicators" and connected home devices are, in fact,

conduits for some of the most advanced forms of artificial intelligence ever created. Companies like Meta (Facebook), Alphabet (Google) and Twitter have built ultra-sophisticated machine-learning algorithms whose main purposes are to...

Military Medical Evisceration of America's Finest

Some who have received the injections can no longer function in the military, others may have negative effects down the road, but one thing remains clear, our soldiers are being experimented on, injured and sometimes killed by injections that long ago should have been pulled in disgrace from the market for all humanity.

Vladimir Putin: Russia's Trump?

The two leaders, Trump and Putin, could not be more different in myriad ways. But they are alike in one important regard: both are nationalists at a time when the international globalist cabal is busily endeavoring to checkmate nation states to bring about its vaunted One World Dystopia—I mean One World Government.

War: Death, Destruction, And Human Misery On The Little Guy

Every veteran reading this column knows that there are no heroes in wars. If you lucked out, a bullet didn't have your name on it. For every guy on the Vietnam Memorial Wall, a bullet, bomb, napalm or shrapnel carried that kid's name on it. If that bullet missed you, you've enjoyed a long and hopefully, fulfilling life.

State of the First Amendment Survey

I got the idea for the Constitution Study while listening to a podcast reporting on the 2013 State of the First Amendment Survey. While the First Amendment Center has not issued a survey since 2019, based on what I've been seeing lately it's still worth investigating. Let's roll back the clock a few years, look at the state of the First Amendment...
