

Controlling a Constitutionally Protected Right

The most unique aspect of the Texas Pro Life law is that it authorizes private parties to sue, rather than making abortion a criminal offense. Now I have my issues with this part of the Texas law, mostly on its vagary in who is allowed to sue. So I guess Governor Newsom is planning to allow private parties to sue California citizens for owning a legal firearm?

NEVER “Forever Vigilant”

There is no other way to remain a free people. These Charters of Freedom will either be enforced by the people, or the people will no longer live free. Not a single American can afford to count on anyone else to handle the enforcement. WE are the People who are supposed to be “forever vigilant.”

**Looking Back At 2021:
Afghanistan Withdrawal,
Covid, CRT, BLM, Jesse**

Smollett, Immigration

As we sit in our homes to wave goodbye to 2021, it may be worthwhile to look back over a very sobering year. Sure, most of us lived through the pandemic. But, over 800,000 Americans didn't live through Covid. Our hearts go out to their friends and families.

We Must Not Forget The Reason For The Season

Even though this will not be posted until the day after Christmas I feel that it is a subject that we cannot ignore or forget. One of the greatest events that has ever happened to mankind was the birth of Jesus Christ. Many still believe that He is a fictional character, things that myths are made of.

Thank God for Jesus

But today I want to try to put all of that stuff aside. Quite honestly, I'm tired of it. Sick to death of the "new normal," the mandates, the commands, the New World Order, the Great Reset, the Jab, the depopulation agenda of the globalists, the lies of the mainstream media, the filth of Hollywood and the censorship of the truth.

Racing With the Devil Toward 1 Million Deaths

At this perilous time, I have reposted my 2014 interview with the late John A. Stormer, author of *None Dare Call It Treason*, a book that sold more than 7 million copies and sparked Ronald Reagan's run for the presidency. Stormer talked about how a dire situation can be turned around through citizen action.

The Mother, The Son and God's Promise

Today is the big day. Christians around the world are celebrating the birth of our Lord and Savior, Jesus Christ. Lots of cheer, the Christmas tree, gifts and too much snow in many places. I hope everyone is able to be with their loved ones this day. I know things are very bad, but family is what makes our lives worth living, at least for me.

Political Medicine 101

We now know, as a certainty, that the numbers of "cases" alleged in the Great Covid Pandemic were vastly and

intentionally exaggerated. The test that was yielding “positives” was amplified to such a degree as to be meaningless, as the person who designed the test has stated, categorically.

Who is Making Your Choices?

I learned how important messaging is. How you can take a group of people and motivate them into totally ignoring their own will and vote with the group. The one controlling communication has the power. If you can isolate people, make them afraid, they will give up almost anything to make the pain go away.

More Disinformation About the Kennedy Assassination I

As I mentioned above, contrary to most books about the Kennedy assassination, my main goal in writing this book was not finding out who pulled the trigger or if JFK was shot with a Mannlicher-Carcano or a Mauser rifle, not even if the people who pulled the trigger were working for Castro, the CIA or somebody else. My goal has been finding the...

Spying on American Gun Owners Act

The Constitution requires there be probable cause before you or your stuff can be searched. Not what a government bureaucrat thinks is suspicious or not what your neighbor thinks is suspicious. The Constitution also requires that said probable cause be supported by oath or affirmation before a warrant is issued.

A Christmas Story: A Moment Frozen in Time

I stood up, tightened my hood and looked for the penguins. They were gone. Only the pack ice rumbled toward the horizon. I turned to my bike. It's hard to believe that two rubber tires laced together with spokes and rims—and attached to a metal frame could carry me from the Amazon Jungle, to Death Valley and on to where the bolt goes into the bottom of the globe.

Dear Dr. Trump, PHD in Virology?

Don't bother writing me about how I'm attacking "a good guy"

or how “we need Dr. Trump” to save us. He had his chance, and he blew it, big time! We must move on to solving our problems ourselves now. My next column will focus on what we must do, because there is no one else to do it.

Without any “Informed Consent”

As most adults know, even when you voluntarily go to your doctor’s office, or the hospital, or the emergency room, before they will treat you for anything, you will be asked to sign a “consent form” agreeing to allow them to treat you. If you can’t sign it, they will ask a legal guardian or responsible person...

Attorney: Justice Will Not Come Through The Courts But By The People Rising Up!

Sad to say, but the truth needs to be spoken. These foreign countries act more like that of our Founding Forefathers’ posterity than the Americans do.

The Demonic Desecration of America

The destruction of all that made America good is in full forward mode. What made America good is being replaced by mentally ill people who've succumbed to brain-washing through the media, schools (K- college grads) and "tolerant" politically correct parents, also victims of brain washing.

2021 – The Year In Review

When a nation such as Austria makes an experimental and unwanted medical procedure legally mandatory, protestors should fill the streets of every major city! Especially as the same mandates are being contemplated in Germany, Italy, Greece, and elsewhere, all places which have already instituted vaccine passports.

The Gifts of the Maji: Gold, Frankincense and Myrrh

It's Christmas! It's a holy time, a time of celebration for the birth of our Messiah. It's a time with family and friends, a time for joy, peace, love, sharing and giving. We offer up gifts to those we love and care about and to those less fortunate; giving gifts freely because of the gift given to us

by the Holy One of Israel.

Drone Wars, Part 2

On December 20, Charles Kim for NEWSMAX reported “Expert Warns Weaponized Drones May Come to US Soon,” in which he said: “As drones become an increasingly normal sight in some unrestricted areas, one expert warns that they may soon become a potentially deadly weapon here in the United States...”

Broken Supply Chains Will Pull America's Chains Indefinitely as Chain Reactions Occur

Supply chain woes continue to threaten American companies' – and therefore American consumers' – bottom lines. Higher prices and broader inflationary pressures may well cause many companies to bottom out. This situation is especially dangerous for small businesses already badly damaged by COVID restrictions.

At This Christmas Hour: Maximize Your Spiritual Self

Years ago, as a math-science teacher, I rode my bicycle to work each day to Brighten, Colorado. At 22 miles, I pedaled my legs off to make it to work in 80 minutes. A quick shower, dress, open the doors to my classroom, and welcome 33 students, daily.

Biden's Christmas Gift: 13 Empty Chairs

The Taliban WE funded. Five months before 9/11, Bush, Jr., "gifted" the Taliban \$43 MILLION borrowed dollars for allegedly joining the 'War on Drugs'. Opium, heroin, poppy fields. Go watch this 4:40 video of Geraldo Rivera interviewing the commanding officer in one of the provinces: Our Marines were guarding the poppy fields. Rivera tries to spin it with "we tolerate it" BS.

Democrats Demand America Becomes Socialist, Part 2

We now have an administration that doesn't just want us to go down the path towards communism but demands that we do. If we

didn't have the 2nd Amendment we would already be there. Look at Australia if you doubt that. The plan to do this goes back a hundred years and we were warned by Republican Senator George Malone from Nevada in a speech on the Senate floor in 1957...

This Sifting Season We're In

This is part of the season we are in; the sifting has started. The interesting part is it's going to vary person to person. The chaff that I need removed from my life is probably not the same chaff you need removed from your life. God is a personal God, and the powers of darkness are not ignorant to the weaknesses and compromises of humans either corporately or individually.

Truth: The Ultimate Stress

The animal hardens itself against environment by growing stronger than the stress. The human being must reverse this process, and not harden himself against the stress of the Truth; instead he must allow himself to be absorbed by that Truth, progressively responding to it.

Jackbooted Jerk Branden Needs to be Booted Out of Office

The SEALs are just the most visible service group to have their exemption requests turned down. However, it should be noted that a significant number of the service members that are refusing the Covid jabs come from special operations forces such as the SEALs. The First Liberty Institute (www.firstliberty.org) has taken up their case.

Sheriff Has the Power and is Your Last Best Defense

Every citizen in the United States is in real fear for their lives and freedoms from a lawless unconstitutional federal government; it has usurped powers of the states to the extent that a MAJORITY of “federal laws” are unconstitutional. Powers of the Federal Government are Enumerated in the Constitution, and apply ONLY to Immigration, Foreign Relations, Commerce, Currency, Post Office, and Defense.

What More Can Anyone Say?

This isn't rocket science. You don't need to be a scholar of any kind to know we are in very serious trouble here. You only have to be smart enough and courageous enough to know that if

YOU aren't going to fix it, then no one will...

Hijacking Christianity

The original sin was man's desire to be as God, deciding for himself what was good or evil, true or false. Today that sin manifests itself in such monstrosities as "choosing your gender," wiping out "systemic racism" by convincing all white people that they're villains, and that whole transhumanist pipe dream of merging ourselves with our machines so we can live forever

We Are Eyeball Deep In Financial Suicide

But underlying all of that, Joe Biden stacked another 2,000,000 refugees onto America that he invited to violate our borders...and your tax dollars will run into the billions to pay for their welfare for years if not decades. You will pay for their medical, schooling of their kids, ESL courses, breakfasts and lunches, apartments, cars, fuel and more.

How Christianity Lost the Savor

Have you noticed they are sandblasting the 10 Commandments off buildings and replacing them with nothing? Fighting for what is right is not evil. Not fighting evil is evil. Godly men have abandoned the field in the battle for Truth. Evil rules when evil men make the rules and good men do nothing.

Mark Meckler's "COS" Board Member drafted a New Constitution For Gun Control

Whether or not State Legislatures should ask Congress to call an Article V Convention is one of the most important – and contentious – issues of our time. The Delegates to such a convention, as Sovereign Representatives of the People, have the power to throw off the Constitution we have and propose a new Constitution...

The Unspoken: Administrators, Doctors, Coroners All Getting

Paid To Push Plandemic – Experimental Jab

Friends, for the record, I am as tired of highlighting the crimes against humanity as you are, but on the other hand, I am also tired of highlighting the apathy and tolerance of those who do nothing in the face of these tyrants (Psalm 78:9). This whole plandemic has had very little to do with a virus, but has always been about compliance.

“The Origin of Covid-19–Updated, Part 10”

In an earlier part of this series about Covid-19, I recounted that a Florida woman’s husband wanted the hospital to give his wife Ivermectin, but the hospital refused and she died.

The Latest Conception of the Inception of the Covid Calamity

Anyone who watched this film might certainly have been terrified by the possibility of this kind of a killer pathogen abroad in the land, but, of course, COVID is not the deadly pathogen presented in the film! In point of fact, many

reputable medical sources have admitted that “COVID” has never been isolated! What this means medically is that COVID doesn’t exist as a pathogen and therefor no “vaccine” can be created from it.

Forty-Five Years of Mask Studies Prove They’re Worthless

Parents who are standing up against the masking of their children at school board meetings are being threatened. Attorney General Merrick Garland admits he took the word of the National School Boards Administration that parents voicing concerns at their local school board meetings should be targeted as “domestic terrorists.”

Dobbs v. Jackson Women’s Health – Oral Arguments

The Supreme Court opinions in Roe v Wade (Roe) and Planned Parenthood vs Casey (Casey) have been political footballs since the day they were decided. A recent Mississippi law placed restrictions on abortions within the state that contradict the standards set by Roe and Casey. Not surprisingly, a lawsuit was filed challenging the Mississippi law.

Jussie Smollett: Corruption of Integrity, Honesty, Honor—A Tale Told by an Idiot

Except it's not White people "smashing and grabbing" millions of dollars in mercantile goods in San Francisco, Los Angeles, Minneapolis, New York City, Detroit, Chicago, et al in 2021. In the summer of 2020, it wasn't White people who burned, looted and killed to the tune of \$2 billion in property and goods.

COVID-19: Weaponized Flu Designed to be Endemic

Those experimental injections being sold as vaccines, which they are not, were sold as safe so line up and get yours now so America can return to normal. Despite the best efforts by scientists and doctors around the world warning do NOT take them, the iron fist of censorship by tech-giants like Facebook, Twitter, Google and the prostitute media

Millions of Children Targeted by the FDA

Please share this article in as many ways as possible. There are millions of people who continue to believe that the COVID-19 jabs, as well as the boosters, are a defense against the "COVID" virus and variants. According to all evidence submitted by multiple physicians and scientists, the virus has a 99.8% recovery rate which is lower than the seasonal flu.

Democrats Demand America Becomes Socialist, Part 1

Some historians, if that's what you can call them, have stated that the Nazis were right-wing politicians which is an outright lie. Everything they did was left-wing ideology. That erroneous teaching is why college students today think Republicans are Nazis. Remember if you don't study history you will repeat it.

God Gives Freewill; Satan Mandates 'Force'

Consider also, the Satanic system of Islam, which the father of lies calls "a religion of peace." Like the ancient false

religion of Babylon, you either bow down and worship Satan, here known as “Allah” or you die. There’s no freewill, no option to freely come to “god” in the system of Islam. You go by FORCE or you die.

Americans Continue to Enrich the Chinese Communist Party

China’s got big money woes but they can always count on the American people to continue buying from them because of those heinous trade agreements that destroyed our most important job sectors: Ag, industrial, manufacturing.

Shadowy Super Surveillance State Will Shadow All Your Movements

A US patent was granted on August 31, 2021 for a technology that tracks your every move through your digital activities. The alleged purpose of this “knowledge” is to give you a score related to the probability of your becoming the spread vector for an ill-defined virus that, they claim, makes others ill often to the point of death!

294 – Congressional Term Limits

For those of you who are still convinced that term limits are the answer, a quick look at Mr. Burchett's proposed amendment reveals that someone can still serve 18 or more years in Congress, six years in the House, and twelve in the Senate. If we want more churn in Congress, then We the People need to start voting that way, not sit back and wait for a constitutional amendment to tell us to do so.

Charlottesville: Lessons in Leftist Sadism and Media Dishonesty

No one thinks it possible to extract \$26 million from these Enemies of the Woke America. But Kaplan's sadistic effort might make it impossible for them to ever again pursue normal lives— in the U.S., anyway. Another purpose of lawfare is to create an ambience of intimidation and fear-based self-censorship to silence future political dissent.

TOP Reasons why Patriots are Losing

To be certain, America has literally millions of true “patriots,” although I don’t think most of them are cut from the same cloth as the patriots who came before us. The Patrick Henry and George Washington type of patriots may indeed, be a thing of the past. Those patriots were willing to give up everything to secure freedom and liberty, not just for themselves, but for all of us.

EU Drops Plan to Scrap Christmas

Recently the EU’s “equality minister” recommended that Christmas be abolished and replaced with a vague “Holiday Period.” Oh! And she also recommended that the names “John” and “Mary” be tossed out and not used anymore—‘cause they’re, like, “Christian names” and therefore “not inclusive.”

Who Do You Believe? CNN? FOX? CBS? NPR? PBS?

In 2021, we American citizens face a cavalcade of misinformation from every direction in the news media 24/7.

It's almost incredible that we can't get the straight scoop from CBS, NBC, ABC, NPR, PBS, and CNN.

Overturn 2020 – We have NO choice

No COVID19, would have meant no lockdowns. That would have meant no mail-in balloting and no mail-in balloting, would have made a Biden-Harris victory totally impossible. Think not? Let's try no mail-in balloting in 2022 and see what happens... Bet you won't get any Biden fans to support that!

Anthony Fauci Doesn't Represent Science, He Represents Dr. Mengele [Video]

Yet, it would do good for Americans to take heed to the fact that they are, at this point in history, responsible for letting not only Fauci but also their said government murder far more than Mengele ever did.

Pearl Harbor Attack: Survivor S. J. Hemker Remembers

Although S.J. Hemker may no longer be with us physically, he can be and should be with us spiritually—the spirit of patriotic love of country and service in its defense that he exemplified, as did and do so many others of the WWII Greatest Generation. Neither his life nor his words should be forgotten, if, as he warns, we Americans are to remain free.

Ponder “Prepperism”

You should move as quickly as possible from an urban area to small town or rural environment and even to a remote part of the country, if possible. It is also wise if you do move, to go to states and localities that are presently “red” in their political and cultural leanings. Whatever happens, you will be better served by the governments of those places than in blue areas.

Tyranny With A Needle

Our only weapon is the truth and, in the end, the truth must always defeat the lie. Ten years ago, we would have been shocked and outraged by the very idea of censorship, but I’m afraid we’ve all become acclimated to cruelty and injustice by being exposed to it in steadily increasing doses throughout

the years.

Inordinate Amount of Killing and Crime: What About Parenting?

My wife and I lived right next to the Columbine killings in Denver, Colorado 20 years ago. The two boys gave every kind of notice that they were violent and ready to kill for weeks before their slaughter of a dozen fellow students at Columbine High School. Nobody paid attention. Their parents ignored all the aberrant signs of their kids.

Can You Sue Employer: Mandatory COVID-19 Injections Death or Injury?

The relentless tyranny both here in the U.S. and in countries around the world to force those COVID-19 experimental injections on every man, woman and child is beyond surreal. The continued lying about SARS-CoV-2 being a virus [1][2][3] vomited up everyday is just more ignoring science.

The Left Hates Justice

I hope Rittenhouse sue these lowlifes into oblivion. America is better than this and we have to demand better than this. We have seen the Democrat Party support the violence and destruction of the last couple of years not to mention the stealing of the 2020 election so they can gain as much control as possible over the American people.

Investigate Covid Vaccines from a Chemical Standpoint

These claims must be investigated and examined thoroughly by nonpolitical parties interested only in the truth and in human health for the good of humans, not for political agendas, money or fame. In the meantime, there are options for removing or detoxing the body from nano graphene oxide/hydroxide particles.

Black Marks on the Marx Mystique

Marx hated the bourgeoisie. In fact, he hated everyone, and

especially those who accomplished things in life, principally if those accomplishments meant that they had achieved and obtained things he believed due and owing to himself! Despite the money showered on him by his wealthy and indulgent father, Marx was always in debt.

Will America Go to War?

Now, with more than 800,000 deaths in America from the China virus, China is spared any responsibility for the suffering and carnage. The reason: nobody wants to go to war. This sends a message to China about Taiwan. It already has Hong Kong. It's pushing America around on the world stage, on the way to world domination.

You Loot or Burn, We Shoot To Protect Our Lives and Property

Honest working citizens have a Constitutional right to Life, Liberty and the Pursuit of Happiness. Criminals have NO right to destroy citizen's hard earned livelihoods by looting and burning.

Black is Black and White is White – There Ain't No Grey

It's been almost a year, and in spite of the fact that most people were watching their televisions almost non-stop on January 6 and 7, 2021, most did not understand they were watching a false flag operation. They saw what the Deep State/Globalists (DS/G) wanted them to see – an attack on the Capitol by Trump supporters.

A Preponderance of the Evidence

I had just run down a litany of issues that are plainly apparent to anyone who has any sense of what is happening in this nation when my precious wife of 42 years and 4 days asked me that question in a moment of frustration. That question hung in the air like a thick fog on a steamy August morning.

Hostile Government

No more Critical Race Theory, no more diversity & inclusion officers, no more border-jumping, no more silly stupid pronouns, no more FBI spies hanging out at school board meetings, no more “mostly peaceful protests” making a shambles of our streets, no more 2,000-page spending bills in

Congress—no more any of it, the whole infuriating mess has got to go.

Christmas Gift: Your Fate Follows Your Vibrations

This Christmas season, humanity's vibrations accelerate toward love, fellowship, brotherhood, sisterhood, family and friends. Each of us gravitates toward kindness, reverence and gratitude.

Agony, Hope and the Grace of God

Americans are the most giving and compassionate people on this earth. We can be very proud of that. We can be proud of saving the lives of people we don't even know. We are America strong and giving.

The Cultural Marxism Myth

According to Gramsci, the seizure of political power by a violent revolution had become too risky, almost impossible,

and that the solution was to first change the superstructure and, after having taken control of culture and ideology, transforming the economic base would be quite an easy task.

Trying To Drive A Wedge: Pit Us One Against Another

Americans must get this right. We are in this together, and together we must put a stop to those who mean to pit us one against another (Psalm 33:12), and if not, we will go down in the history of the world as the greatest fools to ever live on the face of the planet.

Is The Maurice Strong Davos Secret Society Out To Destroy Donald Trump's Administration?

Global governance is and always has been the main game of the Davos crowd and its organizing body, WORLD ECONOMIC FORUM. Donald Trump has been perceived as doing much in his power to shut down global governance – climate control measures and all. The Davos crowd of politicians, high financiers, “scholars” and industrialists viewed Trump with neither affection nor favor.

Rittenhouse Acquitted, But Enemy Assaults Won't Quit

The long and short of it is this: the Rittenhouse verdict did give the Establishment a bit of a bloody nose but that will simply intensify its own "bloody" crusade to destroy The Historic American Nation and we who are Americans.

USA, Inc.?

One concept that I often see or hear people express is that the United States is now a private corporation. Those who make these claims often cite The District of Columbia Act of 1871 as proof. This "fact" is then used to support various positions or explain why or how certain acts of government take place. So let's look at The District of Columbia...

Biden: Full Delusion On Display

You can't quite wrap your arms around what's happening in the United States today. You can't reasonably grasp what the president of our country stands for or what he's saying with

his vastly differing directions and words. One message one day, and a completely different action the next! Don't feel like the Lone Ranger, Joe Biden doesn't understand what's going on, either.

As Predicted Oct-Dec: Second Wave COVID Injection Deaths Underway

Scientists from around the world have warned for a year now how dangerous those experimental gene editing technology COVID-19 injections are to the human body. Yet the prostitute media and elected career political cockroaches – that would be members of Congress, your state legislature, governors, mayors, school boards and state health agencies – continue to encourage people to get injected.

School Board Tyranny, Part 3

Our constitutional Republic allows us to remove those that ignore the will of the people. There are a lot of people in D.C. that need to be replaced on both sides of the aisle and replace them we must. The future of our nation depends on it.

Get Off the Couch and Out Of the 'Lift Chair!'

Old folks: we NEED you in this battle for the hearts and souls of our children and grandchildren. Never give up. Ask the Lord and He will direct your path, so that YOU can be the minister He's calling you to be. And by the way, our school boards, city councils and county boards need you to show up and speak truth to them too. They need you desperately.

The Origin of Covid-19-Updated, Part 9

And as I mentioned in Part 8, the Power Elite wants to move us toward a digital currency. Relevant to that, Yahoo/Finance reported that on November 18, Cornell Law School Professor Saule Omarova testified before the Senate Banking Committee as President Biden's nominee for the head job at the Office of the...

Fake, Faux, Floundering Government Shames Our

Founders

National politics are influenced or dominated by Gov't "boorocrats," elected officials, the CFR, and increasingly by corporate entities. Both major parties and the powers-that-shouldn't-be are party to this national execution of the limited confederation type of gov't. created by our founders.

Commie Politicians Deny Your Right To Self-Defense

The Kenosha police were nowhere to be seen. Police maintain that they didn't have the manpower to stop the destruction. That is a damn lie! With proper police power, they could have stopped it quickly, but political superiors wanted the destruction for political and business objectives.

Something to Think About over Thanksgiving

Be thankful for the many gifts we have been endowed by our Creator, under the Laws of Nature and of nature's God. But, let no man take from us, that which God has given...

What We're Getting for Our Money

Neatly hidden in the House Democrats' insane spending bill, somewhere around Page 1,350, we find an exhilarating plan to entertain Americans while at the same time making our minds right.

Thank You God, Thank You America, Thank You American Citizen

So, this Thanksgiving, let all of us bow our heads in prayer. Let us give thanks to God, thanks to our spouses, thanks to our kids, thanks for our grandparents, thanks to our friends. When we do that, we enrich our lives, and we enrich their lives.

Devil Wants To Depopulate The

World By 3 Billion, Then Punish if You Dare Speak Out

When the people, on a global scale, understand that the devil is in their midst and that they have power over him because of what Christ has done for them on the cross (Luke 10:19) and decide to make a responsible decision to put an end to all of this, then they can and they will. Until the people have had enough and stop it, this will continue (Isaiah 59:4)!

Kyle Rittenhouse Acquitted. A Battle Was Won. But Not the War

What was clear from videos available back in August 2020 was that Kyle used deadly force to defend himself from violent thugs who were attacking him physically, one (Anthony Huber) having already hit him over the head with a skateboard. He had no choice. The survivor, Gaige Grosskreutz, admitted under cross that he had his own gun pointed at Kyle's head when Kyle shot him in the arm.

Pentagon's Threat to OK

National Guard: You'll Be Militia!

In case you are a new reader to my columns, I don't hate our military. My late husband was a disabled amputee retired U.S. Army Colonel who had 27 years of honorable service. Lloyd Austin is a disgrace to the uniform and I don't give a tinker's damn the color of his skin. He's a fool and errand boy for the agenda.

Facts to Help You Survive the Planned Economic Collapse

It is critical that you know your enemy to have a chance at survival. In a few words, the ENEMY of The People is the Parasitic Super Rich Ruling Class (PSRRC), $\frac{1}{4}$ of 1%, owners of stock, who control large mostly anti-American corporations, that in turn control government, media and BOTH political parties with money.

Covid Pandemic Creating An Equally Dangerous Obesity

Pandemic

Most people don't remember when the "junk food revolution" started, but I remember those 20 cent hamburgers at McDonald's just off my college campus back in 1965. Who didn't carry a buck in their pocket for so much cheap "food"? You could buy three burgers, a packet of fries and a Coke for less than a dollar.

Congratulations From the Volunteer State

It was with great pride and pleasure that I looked on, as my former neighbors and friends changed things for the better in the Commonwealth, and that has changed it for us all. You have altered the landscape in Richmond, and in America. You've shown the way. It is now up to every American to keep that ball rolling.

School Board Tyranny, Part 2

California has problems of its own. At a school board meeting in Los Alamitos Unified School District Board of Education in Orange County, the president of the school board didn't like that parents were speaking against masks and vaccine mandates and threw the F-bomb at the parent...

Pandemic of the Unvaccinated?

If you thought you were vaccinated after receiving your first COVID19 bioweapon injection, think again. Even if you stayed the course and received a second injection and then your first booster, and another booster, you're still not vaccinated, according to Fauci and the CDC.

General Mike Flynn Inspires the Left to Speak About God

The brother of one of our dearest friends served under General Flynn. Our Marine friend told us what his brother said about the General, "For us, General Flynn walked on water and never even got his shoes wet." That's from the men who loved their leader, and those men were of all races and religious beliefs which underscores Mike's love of all Americans, especially his fellow soldiers.

Covidiocy Pushback Crusaders Colliding With Cruel Creeps

Pushing Vaxx Mandates

Something is going to have to give soon, because patriotic and sensible Americans are finally discovering their backbones and are obstinately pushing back against the increasingly dictatorial rulings, demands, and mandates of the COVID despots.

Think “Vaccine Passports” bad? This is Already a Done Deal, Part 2

There’s a lot of garbage peddled on so-called conservative web sites and podcasts. Those that use splashy headlines which most of the time are completely misleading are neither reporters or investigative journalists. They’re wanna-be’s who want you to click onto their site for ad revenues or buy whatever they selling.

School Boards Gone Rogue

Who would have ever thought a school board president—and his father, for crying out loud!—would go around stalking parents who objected to a school board policy, collecting private information on them and making it publicly accessible? What kind of personal information? Social Security numbers!

The Doctors are Killing Americans

Doctors should know better. Big Medicine protocol is killing American citizens. Isn't it time we asked why? Aren't doctors subject to the Nuremberg Codes? America's Doctors are either ignorant of the facts, or ignoring the facts. Neither excuse excuses their behavior. Wake up America! Our medical system is being bought and sold.

What If Biden Allows Another Two Million Illegals Into Our Country In 2022?

As the U.S. Border Patrol reports in November, Joe Biden invited 2,000,000 (million) illegal border jumpers into the United States in 2021. They walked, ran and/or swam across our southern border on an average of 200,000 monthly. During that time, Biden has airlifted, bussed, and Uber'ed those two million people into cities and communities across America.

Is COVID-19 a Bioweapon? – New Book Could Shatter the Narrative

Dr. Fleming's answer is an unequivocal Yes, we are looking at a dual bioweapon, because that's where all the documentable evidence points. There is the coronavirus (SARS-CoV-2) which was man made; then there are the experimental mRNA injections being foisted on populations, sometimes against their will.

Public Education: Factories Producing Compliant Global Village Idiots

Little do most families know that over the past several decades this Norman Rockwell vision of the American education system has been steadily usurped and transformed by a cynical system that is designed to ignore the need to teach basic academics as it, instead, focuses on controlling and remolding the children's minds.

If You Want To Know The

Truth, Just See What The Wicked Are Afraid Of

The bottom line here is this: If an erroneous and immoral actress can take a poll from her Twitter account, which touts 3 million subscribers, and get these kinds of results, one must ask the question, what it is that the mainstream media and all of those who are unified in this plandemic not revealing (Isiah 28:18)?

The Consequences of B.A.M. a/k/a the Black Adoration Movement

The rise of Soros' and Bloomberg's "progressive" prosecutors pose one of the greatest threats to the rule of law. These legal ideologues have seized control of district and states attorney's offices all over the country virtually putting an end to the true "rule of law." In many major cities...

The Origin of Covid-19–Updated, Part 8

They want a government by a handful of people because they don't believe the people themselves can run their lives...Are

we going to have an elitist government that makes decisions for people's lives or are we going to believe as we have for so many decades, that the people can make these decisions for themselves?"

The Gathering Storm and Its Historic Precedent, Part Three – America

Buffalo Public Schools go on to suggest that George Washington, the man who founded this country, was a fraud; that Colin Kaepernick is a moral hero; and that we should celebrate Indigenous Peoples Day instead of Columbus Day. Apparently, we have no right to give thanks for a country that isn't ours.

Think “Vaccine Passports” bad? This is Already a Done Deal, Part 1

There are two more critically important components to this nightmare which I will cover in part 2. One deals with COVID-19 and the other is the Real ID which will be a shocker to Americans who are worried about what's going on. This is not something down the road it is here and now.

The Supremacy Clause & Tenth Amendment v. Mandates

The problem with the Texas executive order is not that it's superseded by federal law, but that it violates the constitutions of both Texas and the United States. It is perfectly legal for Texas to tell Washington, D.C. that their mandate violates the agreement the states have, and therefore cannot be enforced within the state.

Biden: Working On Becoming The Worst President, Ever!

Jesse Watters declared Joe Biden a "horrible president" Saturday on "Watters' World," highlighting the president's failed promises and low approval ratings at 38 percent. You have to wonder who those 38 percenters are and what are they thinking?

Only Two Things Americans

MUST Do

To be certain, once these top two things are accomplished, and only then, there is a laundry list of critical things Americans will need to fix if they ever want the USA to have a chance at freedom, liberty, justice, and decency again. But before we can afford to worry about that laundry list, Americans must...

School Board Tyranny, Part 1

We are seeing something in America that we have never seen on such a scale before. Our leftist so-called 'educators have taken a page out of Lenin's playbook and decided that it is only the school board that has the right to decide what children in public schools are taught and that parents have no right to any input at all.

I'm Here to Tell You the Truth

Many parents are waking up to all this and are rightfully outraged when they discover what their public schools are pushing as they brainwash their kids. They've shown up to school board meetings to express their outrage – and so now parents who attend school board meetings are being targeted as "domestic terrorists"...

Ignorance of the Law is Slavery

With this in mind, can you name the five freedoms that are protected by the First Amendment to the U.S. Constitution? Have you ever read the Maryland Declaration of Rights, which is the supreme law of the state? Were you expecting these documents to enforce themselves?

Powers and Related Laws Usurped from States are Unconstitutional Attempts to Centralize All Power

The Constitution reserves ALL powers to the States and to The People, except for Defense, Foreign Relations, Immigration, Currency, Post Office, Commerce and some housekeeping functions. Federal government has these Enumerated Powers Only.

Biological Warfare and the New World Order

The most lethal of the pathogens introduced by Europeans was smallpox, which sometimes incapacitated so many adults at once that deaths from hunger and starvation were as high as deaths from disease; in several cases, entire tribes became extinct.

None Dare Call It Genocide

Do we have the courage to even dare to approach the issue of genocide? It's like trying to consider the actual existence of the Devil. Perish the thought! Paint him red, give him horns and a tail, and he's easily made laughable. It has been said that his greatest deceit is to convince people that he does not exist.

Narco-State America's "Great Transition" to the Brave New World

Virginia's new governor Glenn Youngkin comes from high finance as well, having run the Carlyle Group, but is a family man who emphasized the role of parents in the upbringing of their children, especially in the public schools.

Is It Still ‘Our’ Government?

We have to take a much closer look at the characters who are supposed to represent us, from Congress right on down to the smallest local board of education. Because I don't think they're representing us. Remember when elected officials of all kinds were known as "public servants"? Yo-ho-ho and a bottle of rum to that!

Veterans Day 2021—Will We “Keep Faith” to Veterans?

On Veterans Day 2021, may God bless all the veterans who have served in defense of our freedom in all the wars. And may the country whose freedom they preserved honor them on Veterans Day and on every day. They kept the faith with us; and, as expressed in the haunting words of "Flanders Field," we must not "break faith" with them.

What Is The Carrying Capacity of America?

As we learned in the previous column, our president and

Congress continue flooding our country with legal and illegal refugees. An estimated 5,000,000 (million), net gain, added to our shores in 2021. If that continues for another eight years to 2030, we'll see 40,000,000 people added to our country.

Pro Deo et Patria – For God and Country

As a people, we are out-gunned and triangulated by our enemies. Our enemies are not at the gates, they are inside the gates. Alone, divided, focused on the wrong priorities, and without God, we have no chance of survival at all. Only when we put first things first, and choose God's side, instead of asking him to join ours, can we, will we, prevail.

Cancel Culture: Reinventing Government

You have disgraced your office, all of you. You have committed treason! You swore to protect the Constitution, then, by your silence, you helped destroy it. Many of you claim to be Christians. Those who are, need to be down on your knees praying that God will forgive you. Many Americans never will.

Accredited Media? Think Again – “We All Lie For The CIA”

One thing that we have all finally come to realize is that these that call themselves representatives of the people are not representing the people but rather they represent special interest groups in an attempt to establish a global order (Isaiah 28:18). This is a fact that no one can dispute.

A Letter From the Bowels of the D.C./Bidenista Jan-6er Gulag

While corporate media would have you believe “justice” is being served to those who breached the Capitol on January 6, horror stories have been leaking out – like this one. More proof that the rule of law is dead, if this does not prompt a Congressional investigation.

What COVID Authority Does

OSHA Have?

The problem is, most Americans don't know it and most lawyers, politicians, and news media personalities, don't want you to know it either! Most Americans just stumble their way through life without paying much attention to anything important. This is the same herd that has stumbled their way right into these lethal vaccines, without following any science at all.
