

Stop COVID Injections: Cut Off the Head

Career criminal, Anthony Fauci, long ago lost the respect of many governors and a large number of Americans. Only the brainwashed continue to think Fauci the Faker has any credibility left. Doctor Death as he is called, needs to be indicted along with a number of major players in this scheme.

Part 7: America's Twilight Years—Less Water, More People, Big Pile Up

As the 20 years of Washington DC's stupidity plays-out in the final American defeat in Afghanistan during the next week, let us remember why G.W. Bush attacked: to kill bin Laden after 9/11. Well, our Seal Team Six accomplished that mission in 2011. Why didn't we pull out a day after that event occurred?

The Failure of the Church, Part 1

There are many American's that don't understand the relationship between America and the Church. This is because of the failure of two of the most important institutions in

America the education system and the church. For a couple of generations, our school system has utterly failed to teach our kids the real history of this great country...

Has The Great Tribulation Begun?

The voting tragedy and travesties of the 2020 elections must be completely turned around through very forceful and persistent action if we are to have any hopes of restoring the Historic American Nation as a viable entity. There are those still insulated from the nefarious things that take place around the world daily and the Pollyannas would rather not be perturbed and disturbed by being forced to have to think of or confront such things.

Just Get The Damn Vaccination

Last week, Larry Hogan announced that he will require employees in 48 different Maryland state facilities to be injected with an experimental gene therapy. If they refuse, they will be subject to strict mask requirements and frequent invasive testing.

Dear U.S. Uniformed Freedom Fighters

Yes, I am talking to you, those in uniform who swore an oath to protect and defend the U.S. Constitution and the free people of the United States from all enemies, foreign and domestic. That means all members of the U.S. Military, all federal, state, and local law enforcement, all members of United States National Security Agencies and yes, all judges...

The Biggest Risk of Genocide in World History – Experimental Vaccines

Life and truth giving information is leaking out all over about the deadly dangers of taking the Covid-19 experimental vaccines. It is also coming out the corruption, depopulation agenda and enslavement and control plan associated with all of this.

Russia Stokes Anti-Vaccine Protests

RT is a Russian channel funded by the government of president Vladimir Putin, the former KGB Lieutenant Colonel. The

Russians – and the Chinese – have been busy for more than a year trying to discredit President Trump’s signature achievement. They have targeted Trump supporters with a series of false claims, including that the vaccines contain “Mark of the Beast” technology.

When Employers Practice Government Tyranny

A united sit-out strike will end this insanity. When trucks don’t move, products aren’t delivered, goods can’t be sold and services can’t be rendered, all because no one showed up to work – then the employers will find the true value of their employees and the dangers of “going along to get along” with corrupt politicians and mad scientists.

We Have Not Yet Begun to Fight

It is time to move from the Church House to the School House.
It is time to move from the Church House to the Court House.
It is time to move from the Church House to the State House.
It is time to move from Church Street to Main Street. Religion is Politics. It is time to take back what the Devil stole.

Part 6: America's Twilight Years—Education, Erasing Cultural Foundation

In 2020, Black Lives Matter and Antifa anarchists ruled the streets of many American cities. One faction celebrated a lifelong known career federal felon. George Floyd proved himself a model for everything wrong in a human being: drug addict, woman beater, car thief, robberies, passing counterfeit money, porno star, shoplifter, federal prisoner...just an all-around nasty, contemptable human being.

A High School Diploma... For Nothing

Late last month the Oregon legislature and governor passed a law that, in its own words, “prohibits the State Board of Education from requiring for a high school diploma that student show proficiency in any academic content area if student successfully completed credit requirements”

We are Many, They are Few, OK Let's act like it

Have you been to a school board meeting recently? Have you checked what texts and supplemental materials are being used? It is hard for people to represent you if you are silent. Yes we need to constantly call them out but actions speak louder than words.

You Are Being Distracted by Cuomo's Crimes, De Blasio is Mandating Proof Of Vaccines

"We've got to shake people at this point and say 'c'mon now.' We tried voluntary. We could not have been more kind and compassionate as a country...free testing, incentives, friendly warm embrace – the voluntary phase is over." -NYC Mayor de Blasio

Secret Communist Plan Fulfillment

Despite President Biden's lack of mental acuity, he will be propped up by his puppet masters until 2024, unless he resigns early to let Vice-President Harris run as an incumbent and as

the first female President. Remember that Luciferian Alice Bailey in the early 1930s foretold that 2025 would be the year the “outer form” of the “World Federation of Nations” will be “taking rapid shape...

Communists Stoke Anti-Vaccine Protests

RT is a Russian propaganda channel funded by the government of president Vladimir Putin, the former KGB Lieutenant Colonel. The Russians – and the Chinese – have been busy for more than a year trying to discredit President Trump’s signature achievement. They have targeted Trump supporters with a series of false claims, including that the vaccines contain “Mark of the Beast” technology.

At Best Negligent Homicide, At Worst Murder

Walk Out Wednesday on August 11, 2021 is being planned all over the country. The federal EUA law and the FDA, including the FDA Fact Sheets, state unequivocally that each person has the “option to accept or refuse” the shots. These shots are experimental and investigational and have not been licensed by the FDA.

Part 5: America's Twilight Years: Catastrophic Climate Destabilization, Loss of the Rule of Law

In the past week, the Dixie Fire in Northern California burned 432,000 acres by Sunday. By the time you read this column, another 100,000 acres. In other words, we can't contain it or control it. Too much heat in the atmosphere and too much kindling on the ground.

COVID-19: The Canadian & The Walk Outs

This really goes to heart of what caused the panic thanks to the prostitute media which birthed lockdowns based on a science project by a 14-year old child. How obscene is that? Pushed hard by career criminal, Anthony Fauci and all the other "experts" who've brought Hell to America wrapped in fake science.

Green Zones – Health Detention Camps Being Built For Those at High Risk

The CDC is not even hiding the agenda to make concentration camps for people they define as high risk to place for at least 6 months in 'Green Zone' Camps. It is so beautiful how the Communist left have destroyed the color 'green.' Read it yourself and then spread the word

Communists: Today's Democrat Party, Part 4

It should be disturbing for the Democrat Party to outwardly and blatantly demand that we live according to the dictates of the communist party. Democrats consider people wanting the government to act within the boundaries of the Constitution as extremists is a prospect that was introduced during the Obama administration.

Lawlessness Abounds

So while those who literally burned thousands of businesses and homes to the ground, attacked police all summer long all across the country, while police were told to stand down,

citizen patriots in America are now considered the most dangerous people in the world – “patriot terrorists.” Matthew 24:12 reads, “Because lawlessness will abound, the love of many will grow cold.”

Medical Dissenters Sabotaged and Silenced in Stalinist America

Politicians on both sides of the aisle tell me I’m unpatriotic, that I’m a killer, that I should be as frightened and freaked out as the rest of the sheeple, and that I’m a full-fledged creature of sin for not listening to our omniscient and all-powerful government to get the job. Well, they can kiss my...

The Origin of Covid-19—Updated, Part 3

The French government built the lab, and the Pasteur Institute taught Dr. Zheng Li Shi how to manipulate HIV genomes using a gene insertion method called “reverse genetics system 2.” Dr. Shi has been senior scientist at the WIV, and the Chinese Communist Party, or People’s Liberation Army (PLA) bioweapons experts encouraged Dr. Shi to use reverse genetics to create viral strains...

Mandatory COVID-Injections: More Information & Resources

My August 2, 2021 column, Mandatory COVID Injections: What Can Be Done? provided some resources to fight back against employers demanding workers submit to taking a COVID-19 experimental injection or lose their job. Demands which violate federal law and the Nuremberg Codes.

Stupid Stuff That Has to Stop

We're doing it because politicians, teachers' unions, cracked college professors, A-list celebrities, Big Tech, and all the rest of the usual suspects are telling us we have to! The mystery of it is, why are we obeying them?

This "Racism" and "Woke" Thing is Getting WAY Out of Hand

Dr. Seuss' "Cat in the Hat" is now a racist book! That's like saying if you drink white milk instead of chocolate, you're a racist. If you like daytime more than nighttime, you're a

racist. That's like saying the reason that Tom Brady won the Superbowl stems from the fact that he enjoys "White Privilege."

CDC has Been Cookin' the Books

In other words, our entire existence is awash in a sea of outright lies. We are drowning in bold faced lies. We can all see the lies, but people allegedly on our side of the battle are lying too. The only news network I know of in the USA today that has shown some regard for reporting the pure facts is OANN, which is why most of the big cable TV companies won't put them on their systems.

If Everyone is Sick & Tired of The Establishment, Then Why Are They Still Playing The Same Game?

I'm out on the road right now in Michigan. We just finished up in Colorado, California and Wisconsin and I am continuously seeing the same confusion by the people across this country concerning the system of government that is being played out in front of their faces. If you are one of these people, then

listen up.

The Deadly Politicization of America's Medical Care

Thousands of honest physicians and scientists are screaming the truth and they're being censored and deleted. The 1947 Nuremberg Code stands as a testament against medical experimentation. Yet, worldwide history is repeating itself. This is a new genocide. Will Americans wake up to the realization of medical tyranny...

Mike Lindell's Controversial Cyber Symposium

Some conservatives such as geopolitical analyst Jeff Nyquist question whether the hard evidence will ever be forthcoming. He gave me an interview on America's Survival TV outlining his theory that Lindell, a strong backer of former President Trump, has been set up by Deep State forces to make charges that cannot be substantiated and that the symposium could backfire.

Is This Year One? Part 2

GloboCorp might have preferred us peasants to believe we are “free” because we can vote and consume, that we live in “democracies,” that the “rule of law” is in effect, etc., etc., all while its corporate-backed trade dealers spent the past three decades destroying the U.S. manufacturing base to raise corporate profit margins, Big Food and Big Pharma pumped us full of...

Mandatory COVID Injections: What Can Be Done?

Why? I submit to you – and I could be wrong as I’m neither a doctor nor a scientist but only one who has spent thousands, not hundreds, of hours researching for the past 17 months – COVID is not a virus but a weaponized flu, if you will. That might sound preposterous unless you have read as much as I have which I’ve covered endlessly in columns.

Part 4: America’s Twilight Years—Too Big, Too Much, Too Many

Have you ever watched the TV program, “My 600 pound life”? If

not, it shows obscenely obese men and women who have eaten themselves into gargantuan bodies from 600 to 800 pounds of rolls hanging all over their frames. They can barely breathe, walk or live.

Communists: Today's Democrat Party, Part 3

Democrats don't even try to hide their intentions to take total control of all manufacturing and production in America. In 2012 Maxine Waters told the oil company executives in a testimony before Congress...

My Body, My Choice, My Ass!

Isn't it funny how Marxist democrats who have spent 48-years fighting for a mother's "right" to murder her own children in the womb, are the same maniacal nut-jobs fighting tooth and nail for their "right" to inject anything they want into YOUR body, claiming you have "no right" to decline?

The Gospel of Climate Change – Is Smart Growth Racist?

Today, NRPE's efforts to impose its pagan framework into religious doctrine finds an overwhelming number of Christian churches accepting and promoting the Left's radical WOKE propaganda agenda designed to promote victimhood and divide the races through the lie of environmental racism.

Cancel Culture: Psychiatry, Education, and Moral Relativism = Today's Children

If you have read many of my articles, especially my most recent ones on Cancel Culture, I have pointed out that, according to the Marxists of the late 19th and early 20th Centuries, for Marxism to succeed in taking over the world, Christianity must be crushed because it is the basis of America's founding documents.

Is This Year One? Part 1

The cause of the plandemic appears to have been released in Wuhan right around the time of Event 201, held October 18, 2019 at Johns Hopkins University sponsored by GloboCorp's Bill

and Melinda Gates Foundation and the World Economic Forum. It appears designed to infect humans and spread rapidly, but is lethal mainly to certain populations of useless eaters – the elderly...

Why Are Not Some People Quaking in Their Boots?

Unfortunately, one must conclude (at least for now) that, although possible domestic malefactors in the development of “Covid 19” should be quaking in their boots, in actuality they are laughing up their sleeves at ordinary Americans—with good reason, and with a good prospect of never having to stop.

It's China, Stupid

A video I recorded on the subject was censored by YouTube. If you dig too deep, you will quickly understand what you are up against. It's not “American Marxism.” It's the Deep State association of Washington insiders and operatives willing to sell out America to globalists and communists.

My New Book “The Wind From Heaven” Is Out

Adventures happen, and fabulous discoveries. Ordinary people are called upon to do extraordinary things. The whole world is waking to a frightening realization that the last thousand years has only been a kind of sleeping-spell that held them in apathetic sin and ignorance.

Stupid is as Stupid Does

You said mask, so we masked, and it didn't work. You said social distance, so we social distanced for months and it didn't work. You said lock healthy people in quarantine, so we locked healthy people in quarantine and gave up our incomes, families, friends, and lives for months, and it didn't work.

Part 3: America's (Likely) Violent-Fractured Future

Racial strife boils into violence at the drop of a hat in our big cities. African-American gangs in San Francisco, Chicago, LA and New York City openly shoplift products in bags and run from the stores. How much do they steal? According to crime reports, shoplifters steal \$50 billion annually. Over 27 million Americans are regular shoplifters.

The Masses Globally Are Not Running To Get Vaccinated, They Are Running To Defy The Tyrants

Of course, this is what they are doing and, once again and right on cue, the useful idiots would have you believe what is the furthest thing from the truth in hopes of neutering and paralyzing the masses. This is what would you expect from those who have long lost their propaganda narrative

Why Governor DeSantis Thinks YOU are SAFE if Vaccinated

Allow me to begin with this FACT... we have One President, One Vice President, 435 members of Congress and nine unelected and totally unaccountable members of the U.S. Supreme Court, fifty Governors and thousands of City Mayors... and not a single one of them was...

The Origin of Covid-19—Updated, Part 2

Recently, there was a heated exchange in Congress between Sen. Rand Paul and Dr. Anthony Fauci, head of the National Institute of Allergy and Infectious Diseases (NIAID) within the National Institutes of Health (NIH).. Sen. Paul accused Dr. Fauci of funding gain-of-function (GoF) research at China's Wuhan Institute of Virology

American Marxism and Fox News

Chronicles magazine is tackling the taboo topic of how the sexual revolution has infected conservatism. From my vantage point, it has scandalized Fox News since the time when a group of women exposed how Fox founder Roger Ailes sexually harassed women in his employ. His techniques eventually gave rise to the movie "Bombshell."

A Grimm View of Truth

Does truth matter? I know, many people claim truth is personal, that you have your truth and I have mine, but can a society survive without a recognition of objective truth? The Supreme Court recently declined to hear a case out of the Fourth Circuit that revolved around a simple question: Is truth defined by what is or by what people think?

COVID-19: Why Are American Scientists Silent on This?

From day one this mysterious “new novel” coronavirus was labeled that and remains today as a virus allegedly released from a bioweapons lab in Wuhan, China. Then along comes scientists and researchers who state no one can prove – not the CDC or any other government or health agency or lab in the world – including the Koch Institute in Germany has a purified isolated particles specimen of that virus.

Leaderless Leader, Non-Existent Borders, Cultural Disintegration

As an extensive world traveler, I’ve witnessed failed civilizations. At 1.38 billion people, India touted as the largest “democracy” in the world, must also be deemed the biggest “failed” country in the world. India defines mass poverty, human overpopulation, human misery and hopelessness in the majority of its citizens.

It's Now or Never

The world we live in is rapidly changing. We're all being slowly boiled to death like frogs. The mockingbird media, internet search engines, social media sites, and mainstream internet video sites are working overtime to maintain and drive the official New World Order Globalist agenda. They're scrubbing the truth from view as they censor reality and replace it with lies.

Communists: Today's Democrat Party, Part 2

Disturbing actions from members of the Democrat Party indicate just how they feel about America. The most prominent symbol of America and her greatness, power, freedoms, and prosperity is our national flag, Old Glory. That is a symbol, worldwide, of our freedoms and opportunity. People from all over the world wave our flag.

Critical Race Theory: A Divisive, Destructive Weapon of Mass Distraction

Critical race theory (CRT) has the nation divided – to the

point where angry parents disrupting school board meetings and people leaving stable employment in protest have become yesterday's news. What's it all about?

How Can We Stop National Heritage Areas?

The fact is, National Heritage Areas can still be stopped at the local level. I know because I've helped to stop three of them. Stand up, stop them when proposed in your area, and truly honor our heritage by keeping big government under local control.

Prepare Yourself For the Biden PR Manipulation Slam Against the Unvaccinated

Please tell me people you won't be that gullible, stupid or afraid. Biden is preparing hundreds of millions of dollars in a PR roll out soon to put signs, commercials, billboards, veiled threats, bribes and rewards, door to door, this and that to get us.

Door to Door Tyranny

If you have already voluntarily submitted your body to the human experiment that Joe Biden is peddling as a vaccine, I pray and sincerely hope that it goes well for you. I am at a loss to understand why you traded a known 99% recovery rate for all the unknowns of an experimental procedure, but that is your choice.

Most Important COVID Facts

Now that we all know that we have been and are being lied to by “science” and “media” regarding the virus and the so-called vaccines, it’s time to stop following the fraudulent science and start following common sense and natural survival instincts.

Criminal Collusion, Medical Malfeasance and Murder

America is not the only country who has willingly kowtowed to the government propaganda of fear, masks and lockdowns. Our voluntary surrender to become lab rats for the establishment elite and Big Pharma’s inoculations shocked me, although it shouldn’t have after so many donned the face diapers.

The Cowards Go First

There is nothing in this world that is more repugnant to Christianity than cowardice. In fact, it is so repulsive to Christ that it is considered worth of the death penalty. Not just PHYSICAL death...but Spiritual death. Cowardice gets you an express ticket to hell.

Have We Gone Off the Deep End?

Bad enough we have to listen to pap like "Men are women with penises, women are men with vaginas," all white people are racists, and "riots are Mostly Peaceful Protests." The list could go on all day. But now we're told that...

Part 1: Is America Heading Into Its Twilight Years?

First of all, I am a Baby Boomer and an old man of 74 years. I watched America trudge through the Korean War, Vietnam War, Desert Storm, Afghanistan and Iraq wars. All of them fraudulent, unnecessary, costly in money and lives, and

benefited no Americans other than corporate elites and bankers.

How Many Understand What The Government is Doing to You?

Big Tech will simply censor you, label your article as fake news, unscientific, or even close your account. The media meanwhile will just ignore the story if it doesn't trumpet the prescribed Leftist values. If the media does deign to report on an issue that isn't in their collective comfort zone, they will not report all the facts and will even outright lie about it.

Bonnie And Clyde: Why Do You Want To See Their Car?

As a matter of fact in America today, Americans have been conditioned to show more mercy to the wicked in glorifying them than they are the victims who suffered at their hands themselves and In the case of Bonnie Parker and Clyde Barrow...

A worldwide Genocide is unfolding: Expert vaccine scientist Dr. Vanden Bossche

Dr. Sharri TenPenny and others have boldly been warning the masses of the dangers of taking the Covid 19 vaccines and the amount of people being hurt and killed by them already. However, millions have continued to be manipulated and tricked by Government, media and medical spokes people to take the vaccines or else.

Vaccine Censorship and the Need for Truth

Dr. Sherri Tenpenny, Doctor of Osteopathic Medicine, has appeared on shows hosted by Brannon Howse on Mike Lindell's network, where she called the vaccines "Satan's last hurrah." Tenpenny's claims have led to coverage of people sticking metal things to their skin and insisting it's because of microchips and/or metals in the vaccine formula.

The Jew Haters in Power Were

Very Carefully Taught

A particularly powerful and influential song from the musical, “You’ve Got to Be Carefully Taught,” carried the message that hatred does not arise spontaneously in the human species, but rather is inculcated—taught, sermonized, infused—by parents, teachers, coaches, political figures or other impassioned haters.

Sheeple v. Sheeple?

While people all over the world are already in the streets fighting global Marxists for their freedom and liberty, Americans are mostly still going about their lives as if life is normal, trying to hold on to all of their earthly possessions as they rapidly lose their entire country and way of life. It’s a fool’s errand!

We’re Being Invaded By Our Own President Biden’s Hand

Wednesday night on national news, one of the top broadcasters noted that a United States Border Patrol official reported that 1.0 million, that’s 1,000,000 illegal migrants have passed into the United States since Biden took office. That’s ONE MILLION illegal entries.

COVID-19 Patents: State Little RICO Acts Prosecution?

On July 16th, I was on the phone with Larry Becraft who is lead council on the EUA lawsuit explaining all this when that Open VAERS web site and sections all went down at the same time. When it came up about five minutes later, I hit on several links I had flagged for ID case pages and surprise, surprise.

Surrender Is Not an Option

When unelected politicians and their minions, the media, engage in propaganda, misinformation, psychological warfare, dissimulation, and all manner of soft war, we must remain vigilant and actively counter them. They ceaselessly use these weapons to subdue We the People. These weapons are just as deadly as guns, and at times, they can be more effective.

Communists: Today's Democrat Party, Part 1

A very disturbing development has occurred in American

politics that should be a major wake-up call for all Americans. The party that is presently in power, even though it was done through massive fraud and deception, has become the party of communists.

Universal Basic Poverty and Dependence

And everywhere I go, I see signs begging for employees. I've spoken to many business owners and managers over the past few months and their biggest problem right now is finding workers. "Nobody wants to work anymore," they lament.

Locking Up American Property Rights

In short, the greatest threat from the Heritage Area is that it creates a pipeline of federal money – and consequently political power – for these national organizations to promote their specific agendas over your community and its development. In addition, there is virtually no accountability for tax-exempt NGOs on how they actually spend the Federal Park Service funding.

Experimental Ticking Time Bomb Vaccines Pushed Far and Wide

It wasn't enough however to mask the world and deny them of the much needed 20% of their oxygen. Instead, whole economies and businesses shut down. America came to a costly stand still and we may never know the number of bankruptcies and destruction this has caused.

The Most Lethal Weapon

In the course of my years on this earth, I have been blessed with a loving and caring family, as well as many friends whose opinions and judgment I rely upon. But I must admit that the events of this past year have placed...

City of Amherst Agrees on "Reparations"

What does this have to do with present day Amherst? Absolutely nothing. Yet, people today are said to be guilty of the perceived crimes of those in the past. No one has, or even presently, have relatives who participated in slavery from those early years of history.

Are You an “Extremist”?

If we don't want that done to us, we have to stop it. No more reaching across the aisle: all we ever get for that is a double handful of trash. No more sitting at home on Election Day because The Righteous Candidate never showed up. This is war—against a ruthless enemy who must be utterly defeated.

Erasing America's History Diminishes Our Chances for the Future

Last week, crews removed the iconic statue of Lewis & Clark/Sacagawea in the center of Charlottesville, Virginia. They also removed General Robert E. Lee on his horse. Rioters have toppled statues of Lincoln as a racist, Columbus and even civil rights icons.

America Has Been Taken by Force

They forced abortion on us. They forced the removal of the Bible from public schools. They forced the end of prayer in

our schools. They forced the acceptance of deviant sexual behaviors upon us. They forced us to pay for the murder of pre-born children. They use the tax system to force compliance with things that violate your faith. They used the fear of jail time to coerce us to violate our conscience.

Dear Mike Lindell

Especially in today's corrupt and convoluted federal court system, I would do everything possible to avoid asking Federal courts for their legal opinion about anything, especially if it puts them in a highly uncomfortable position of having to consider overturning a national election that has already been allowed to happen and stand for more than six months.

Cubans Demand Vaccines Rejected by Leery Americans

Consider that conservatives like Tucker Carlson and Laura Ingraham have become the faces of the anti-vaccine movement. They seem to be competing for bad news to convey to their millions of viewers. The result is that people are scared of the vaccines but not the virus, even as the virus variants infect more people and take more lives.

Why Does Fox News Report on Treason then Ignores the Traitors?

Of course neither Fox News, nor Tucker Carlson, or Mark Levin will answer that question. I know this because I have asked them several times in writing and gotten no response. I do give them credit for being the only major news outlet to report any Treason at all.

NEA To Vote On Mandatory Covid-19 Shots For School Children

The National Education Association, America's largest teachers' union, is holding a vote on requiring mandatory COVID-19 vaccinations, masks and testing for students before classes return in the fall. The new business meeting action item submitted by 50 delegates is "awaiting debate" on the NEA's website.

Flat Earth Theory: Is the

Earth Flat?

A renewed interest in the discussion of whether or not the Earth is flat has cropped up among some people who believe, or claim to believe, that NASA and / or other organizations have been perpetuating the lie that the Earth is a sphere while covering up evidence that the Earth is a flat disc.

Fear, Control and the Authoritarian Abuse of Power

Physicians and scientists all over the world are risking their livelihoods and licenses to tell us the truth, that the Covid shot is not a vaccine, it's an unlicensed experiment, and one that kills. Over 9,000 Americans have died from the vaccine, and only one percent of deaths and adverse reactions are reported to VAERS.

Adoption in the Keystone State

What is the role of government in enforcing societal norms? Does the state have the legal power to force compliance with its preferred worldview? A religious freedom case pitting the city of Philadelphia against Catholic Social Services has had its day at the Supreme Court.

Dear President Trump, Please STOP!

If you really do have America's best interests at heart, NOW is the time to prove it and act on it. Soon, this critical window of opportunity will pass. I plead with you to be the American we all thought, hoped, and prayed you were. This is YOUR time Mr. President... don't shrink from it!

COVID-19 Not a Virus: Can Any Scientist Prove Dr. Stefan Lanka Wrong?

My April 5, 2021 column, COVID Vaccines: Dead Must Be Autopsied, dealt with getting anyone who dies after one of those injections whether it was last Dec. or last week. Why? Because this so-called SARS-CoV-2 does not exist. Every one of the tests being used is fraud, fakery. The truth about using a PCR test continues to be heavily censored.

The Rise and Fall of Tucker Carlson

You can be sure the Democratic Party is watching all of this and taking notes, preparing to stigmatize conservatives as Neanderthals who impeded progress during the pandemic. This will be the Democrats' winning issue in 2022 and Republicans don't seem to know what's coming.

America, Why Will Ye Die?

Now, I fully realize that what I am about to say will shock and anger many, but it has to be said because it is the truth! For the people who attend the "tickle my ears fellowships" and the "name it and claim it" social clubs, this is going to shake your world so you might want to stop reading now! America is not dying! America is dead! She doesn't need a revival! She needs to be resurrected!

Agenda Driven School Boards Ignore Parents, Part 3

In recent days we have seen parents and students take on the school boards. These school boards rarely have opposition from the parents and almost never from the students so when the parents come out in mass the school boards freak out and

many times cancel the meeting.

How Do We Get There From Here?

It's still a little disconcerting to me that we can look at the symbolism of modern entertainment, whether it be movies or music or even the sports arena, and not see the homage to their gods. How can we not look at things like the Olympics opening ceremonies and the ceremony for Cern and not realize they are engaged in rituals that draw on the powers of darkness and their gods?

Public Announcements **Disservice**

Whatever the COVID-19 virus is, or was, its morbidity rate is so low that the actions taken by governors to destroy the economy, destroy the election process, destroy the constitution, destroy the healthcare system, and destroy the rule of law, were totally unnecessary even if they had been lawful.

Update On: “Save A Young Mothers Life”

But here's what sealed the deal for me to go with integrative medicine. It's the best of both worlds. If you have been following me, you'll know that I believe that there should be a beautiful synergy between conventional and holistic practices. As it gives you the full picture of what's going on as well as having the resources to take care of all your needs.

Biden's HHS Secretary Xavier Becerra Implies Possibly Forced COVID Vaccination

Faced with a steep decline in vaccination rates, President Biden said on Tuesday that his administration would send people door to door, set up clinics at workplaces and urge employers to offer paid time off as part of a renewed push to reach tens of millions of unvaccinated Americans.

American Education is

Training for Dogs, Not Students

There is a reason why Collier Co. Schools are failing and graduating students who are only 34% college-ready. Focusing on emotion, not facts, does not prepare an individual for worldwide competition. Focusing on emotion does not enable a child to learn to read, write and do math which is the purpose of education.

What Authority do Courts Have Over the Second Amendment?

The people who do know these facts intimately, are the “experts” who use British Common Law courts in the USA today, to undermine everything the Founders created 245-years ago. They rely entirely upon the sad reality that more than 80% of Americans have no clue about any of this.

How Trump Saved America from the China Virus

The road to Chinese domination is littered with corpses. Bertil Haggman, director of the Center for Research on Geopolitics in Sweden, says, “The Chinese Communist Party is

probably responsible for killing between 80 and 100 million people, the highest number of political killings in modern time by one party-state perpetrator.”

Can They Hijack Our Dreams?

If there's a mean and nasty trick that the government is not allowed to do because it would be illegal... they can always find some goons in the private sector to do it for them. You know—like forcing people to take experimental drugs against their will.

Always Sit: Down Wind of Flowers

My friends and I decided to pitch our tents in a nook blooming with purple-white Columbine flowers. That night, the campfire's smoke curled into the ink-black of space toward a starlit sky. Shooting stars punctured the stillness as if to put an exclamation point on the day.

Which is Worse, Those That Write the Evil Curriculum, Or the Ignorant Parents That Subject Their Kids to It?

“What kind of a fool sends their kids to be raised up by their sworn enemies?” The Bible is very clear: “Train up a child in the way he should go: and when he is old, he will not depart from it” (Proverbs 22:6).

America’s Lost Generations

These schools are funded by our tax dollars. School boards are elected by and therefore answer to us, We the People. Before the Marxist “critical race theory” appears in every school across America, the time is now to prevent that from happening and to force pro-American change in our taxpayer funded classrooms.

Just How Long Are Free Americans Going To Take It?

Freedom, liberty, independence and self-reliance are our heritage. It is those characteristics that made us one of the greatest, richest and most productive nations on Earth. If we

refuse to defend and maintain it, we condemn all future generations, including our own children and grandchildren, to a life of dependency and the chains that come with being dependent.

Why Are National Heritage Areas a Threat?

National Heritage Areas depend on federal tax dollars because they lack local interest— and not a single National Heritage Area has ever succeeded in attracting strong tourism throughout their entire infinite lives. The federal money is the villain. If you just wanted to honor an area for its historic or cultural achievements, a simple resolution from Congress and a plaque at the county line could do that.

America's Father Figure, Comedian Bill Cosby, Free at Last

And yes, I spent hours with Bill Cosby, not once, but twice and both times he was a perfect gentleman and a delight to be with. If you've ever known anyone who could make you laugh until you cried, that is Bill Cosby. I almost choked on a sip of coffee the second time we met because of his comments. The man is and was a genius in the comedic portrayal of life.

How About a Little Critical THINKING?

So all seems “quiet” now in the country since the “Commander in Thief” has taken up residence in the White House. Things may seem quiet, but do not be deceived. There’s a deep, ugly sludge oozing out across our land and the demoniacs have quietly been having a field day. The reason things seem “quiet” and peaceful now, by the way, is that..

Evil, Madness or Narcissism?

Those Americans who know the big picture are constantly asking: Why can’t people see the truth? Why do they buy into the madness that’s been saturating our country for decades? How come liberals and progressives cannot see the truth? First one must remember the goals of the Communist Party International...

You Always Command Choice in Your Life

Many people drag the past back into the present. Others make

Agenda Driven School Boards Ignore Parents, Part 2

Our school boards are taking on the mindset that parents are nothing but a nuisance for them as they demand the right to mold our children into what THEY want them to be completely ignoring the wishes of the parents. In my day a school board would dare ignore the wishes of the parents.

Re-Declaration of Independence

As I studied the Declaration of Independence anew, I was hit by the realization of how many of the grievances that the colonist had with King George could just as easily be made by the citizens of the United States against their governments, both state and federal.

Joint Chiefs Chairman Mark Milley is No George Washington

The Army envisioned by General Washington, with character, integrity and morality at the forefront, is today hanging by a thread. Consider Joint Chiefs Chairman Army Gen. Mark Milley, who defends Marxist indoctrination of our soldiers and presides over a force that includes gays and transgenders.

French Style Reign of Terror has Started in America

You should be afraid, very afraid because you could lose everything of value, your life, your freedom and the food to feed your family. Forget all government assistance, it will no longer exist. Since public schools and media in the inner city plantations are worthless I must give those residents some historical context.

Let Them Defend the Indefensible

Once upon a time the communities served by the public schools owned their public schools. They decided what was taught in there, and by whom.
