

The Truth About The Privately Owned Federal Reserve Bank

The Private Federal Bank is the root of all evil, it is unconstitutional and owned by the PSRRC. The FRBs ability to print unlimited quantities of Fiat Dollars permits all types of stock market scams, transfers the peoples wealth to the PSRRC, finances unjustified wars for profits of the PSRRC's Military Industrial Complex, allows graft from...

2020 US Election: A Déjà Vu

The insidious similarity between the 2020 rigged US presidential election and the 2009 Islamic Republic of Iran sham election, is striking and quite mindboggling. How could America, the beacon of freedom, the leader and the envy of the free world have an election resembling the most repressive country in the world? Allow me to explain.

Permanent Apportionment Gaslighting

The Constitution of the United States is the supreme law of the land. Only laws of the United States made in pursuance of (following) the Constitution are considered supreme as well. Any act of Congress that is not pursuant to the Constitution

is repugnant (contrary) to the supreme law of the land.

Supply Chain Catastrophe: The Real Genesis, Part 1

Most Americans by now are aware of the supply chain catastrophe. As of October 22, 2021, more than 100 ships off the So Cal ports are sitting and waiting – many for weeks. More excuses have been offered up than one can count. This is just one of the real problems...

At The Town Hall Meeting: Biden Clearly Not In Touch With Reality

Joe Biden is a product of 47 years in Washington DC. Clearly, as a U.S. Senator, he accomplished not much more than endless, meaningless speeches. Even more clearly, as you witnessed in last week's nationally televised Townhall meeting with Anderson Cooper, Joe Biden lacks a grasp of what's happening in America.

The Systematic Extinction of Traditional American Values, the Expendables, & the Replacements

The Left is no longer interested in intellectual discussion and fair play. They are interested in total conquest. They are seeking victory by means of taking total control of every institution in America, as conservative Americans are either fired or forced to resign over conscience, eliminated, or otherwise taken out of the way.

COVID-19 Vaccine Facts Media Ignores, Part 4

With all the information that I have presented in this series, it is impossible to believe that what the government is doing is in 'the best interest of the people'. It is for one thing only and that is to gain as much control over the American people as they can.

Too Many Governors are

Corrupt, Incompetent and Cowardly

As I have written, our Constitution stipulates that the federal government has little or no authority in the states. Patriotic governors with courage would kick the usurping Federal Government interlopers out of the states, and arresting them if they persist.

“Piercing the Veils”: Revisited

These folks discover the foundations of Constitutionalism and perhaps political philosophy generally. They reach into our Western heritage and learn the significance of, e.g., the Magna Carta and the English Bill of Rights. They may read John Locke and Edmund Burke as well as Washington and Madison and Jefferson.

Donald J. Trump Can Still Save America

We are still in a war with China over COVID and many other issues. Here, again, Trump has the credibility to stand tall, as he recognized the China threat early on and started the

process of challenging the communist behemoth in such areas as trade and 5G communications networks.

NO ONE is “Forcing” YOU to Do Anything!

How cheap will the average American sell their soul, their lives and freedom, and that of their children? Well, the average USA income today is \$36,000 per year, down over 25% from 2019, due to ongoing governmental destruction of our economy. Anyone who has been “forced” (coerced) to take a fatal injection to keep their job, sold out themselves, their kids, freedom, liberty, and life itself...

America’s Hitlerian Henchmen

Ironically, American doctors are not only prevented from using life-saving therapeutics, they can’t even talk about them without risking their licenses! So the powers-that-be have co-opted both free speech and the American medical profession in one fell swoop.

Press Censorship, Part 3

Then at the very time Covid-19 seemed to be coming under control, the Delta variants suspiciously appeared as the product of a rare double mutation. One increasing the transmissibility of the virus, and the other “just happening” to decrease the efficacy of vaccines! After that, 50% of the vaccinated people in Israel became infected anyway.

Our Military Goes Downright Silly

Imagine it as a scene in a movie. General George Patton is up late at night, laboring to plan the relief of Bastogne. Can he get there in time, before the Germans overrun the town? It's the Battle of the Bulge, and the situation is critical. How about the weather? Will his combat aircraft be able to fly support missions?

Today's American Church is Spiritually Impotent

But the American Church is the 98-pound weakling that Charles Atlas used to talk about. At some point Christians are going to have to hit the weight room and fight back against the Luciferian bullies. Getting one's ass kicked does not make

one more Holy. Fighting pressure does. In fact, it is often called “resistance training.” At the heart of resistance training is the act of pushing back.

What Will We Do When We Can't Solve Our Problems?

This president continues to break our laws. He ignores our Constitution. He refuses to enforce and/or secure our borders from invasion. Article IV, Section 4. He blindly, if not stupidly, or via his dementia, ignores what's really going on in our country. Or, is he doing it on purpose?

The Cuban Missile Crisis: the First Mega-PsyOp

On October 14th, 1962, a CIA analyst show President Kennedy photos taken by U-2 which, he claimed, proved the presence of Soviet nuclear missiles deployed on Cuban soil. Kennedy initially had trouble seeing the missiles on the photos, but he was eventually convinced of it. A few days later...

Billy, Franklin And Now Will Graham: "Sin Is Fun,' But Living For Christ Is 'More Fun' "

The Grahams have never been, in the past or in the present been found preaching out against the sins that are promoted by corruption in the government – Abortion, homosexuality, illegal indoctrination in public schools etc... on the contrary, the Grahams have stood alongside the corrupt in the process.

Public Private Partnerships = The Death of Free Markets

Have you wondered why so many companies were so quick to go WOKE and destroy America? Could it be that as companies became GLOBAL, America became irrelevant? Global Corporate CEO's and VP's took money, tax rebates, grants, subsidies etc. from the American Taxpayer and many purchased multiple residents all over the world.

Vaccine Tyranny Ignites

Brushfires of Freedom

US Treasury deputy secretary warns unvaxxed Americans that shortages will continue until everyone is jabbed. When there aren't enough folks left working to run the country, there will be even more shortages, but to stop the tyranny and authoritarianism, Americans must take a stand. So stock up now!

Sheriff Chris Brown

It's time for our politicians and other public servants to stand up and remember that their first responsibility is to protect people's rights, not to run their lives."

Privacy vs Government Interest

Most Americans believe they have a right to privacy. Many Americans also want governments to protect them from "bad actors". So what happens when our right to privacy collides with our desire for government to protect us? A recent Supreme Court case out of California involves the question of how far government can go to protect us.

Democrats Importing 6th Century Afghanistan Into 21st Century America: Big Mistake

In Norway last week, a Muslim man who was unable to procure a weapon, decided to use a bow and arrows to shoot four women dead and injured two others—all in the name of Allah. Right now, in Oslo, Norwegians flee as that city suffers 36 percent middle eastern immigrants brought to them by their president of Norway.

Either We Go After Plandemic Planners & Co-Conspirators or It Will Never End

Never in my life time have I seen what's been going on with those COVID injections. The resistance here in the U.S. and around the world is unprecedented. Tens and tens of millions of Americans refuse to get injected even at the cost of their job.

A Stolen and Forgotten Birthright

There are countless lessons to be learned from God's Holy Book, the authorized KJV Bible. And it's a sad and sorrowful fact that not many, even of those who call themselves born-again believers, learn, but very few of them in a lifetime.

COVID-19 Vaccine Facts Media Ignores, Part 3

The fourteen days to flatten the curve has turned into almost twenty months with no end in sight, lockdowns, mask mandates, vaccine mandates, and the loss of our right to work and shop unless we take what has been proven to be a very dangerous gene therapy shot not a 'vaccine'. If we don't stand now we won't have that right in a very short time.

The China Virus and National Security

In the article, "How Conservatives Must Respond to China and the Virus," Professor Renato Cristin argues that we must understand the Chinese origin of the virus because of its geostrategic implications.

Deaths From Covid Jabs Continue as Planned

In view of the horrific amount of documented evidence which grows daily, thousands of deaths in addition to millions of serious injuries are happening all over the world, it becomes crystal clear that the various “vaccines” are purposely designed to kill or seriously injure people causing a slower, yet ultimate death.

Biden is Intensely Hated and Despised

Citizens of both parties realize that Democrat and Republican elected officials are incompetent, corrupt and cowardly. BOTH parties are controlled by the PSRRC. People have heard about the old days when these criminals could expect pitchforks, tar and feathers.

Tyranny in Shelby County,

Tennessee

I beg of my fellow Americans to wake up and smell the decay of our Republic...we are dying. The only thing that will save us is if more people like the folks in this video stand up and demand the freedoms God gave us and our founders recorded in both the Declaration of Independence and our Constitution and especially our unalienable Bill of Rights.

Since it's ALL about the Money and Power

Those who cannot resist the demonic urge to seize dominion over all people, must be stripped of any and all power. They must be ruined, destroyed, so that no such evil will dare raise its ugly head again in the Land of the Free and Home of the Brave. We can no longer act as though we have any choice in this matter...

What Can YOU Do for Your Country?

In college sports stadiums across this country and even car racing events, crowds are roaring F-Joe Biden. Some partisan brain-dead reporter at one of those events said, oh, no, you didn't hear F*ck Joe Biden, it was "Let's go Brandon". That

set this new meme off on every social media flat form and it's all over the country and Internet.

Is It Time to End the Two-Party Charade?

Currently, Republicans are pushing the Kool-aid that everything will be solved in the next election when they put Trump in the White House again. But you have to be very gullible to believe that the party in power who allowed the presidential election to be stolen will have the power and the will to win the next election.

Phony, Pandering, Condescending, and False

Is there anything about this so-called presidential administration that isn't phony, pandering, condescending, and false? Somehow, when she's supposed to be minding our southern border, alleged Vice President Kamala Harris found time to make a little video for NASA—you know, those guys who once used to send men to the moon.

Is America's Culture, Language and Ethos Being Changed On Purpose?

Who stands to gain from America's changing into tribal factions such as you see in India, Mexico and/or today, in Europe? Why would such rich and powerful men want to destroy our highly successful civilization—and turn it into a poverty-stricken multicultural morass? Who will benefit?

Preaching Beyond the Choir

Those of us who write for NewsWithViews and assorted Conservative and Libertarian journals are essentially preaching to the choir, which, by the way, I believe is absolutely necessary, as the choir doesn't leave the church during the sermon, but is inspired by it. Yet sometimes we need to reach out to the heathen as well.

Militia of the Several States to Replace Tyrannical Judiciary?

You can never control corruption because the FBI is the most corrupt, incompetent, and expensive so-called police force in

the world. Even if we had effective law enforcement, we would still be at the mercy of the PSRRC because our courts are compromised.

We Knew This Was Coming: Politicians Attack And Then Play The Victim

When I saw the headline coming from the Daily Mail, I knew that it was the criminal politicians that were hiding behind these criminal board members. In the end, they could use it to safeguard themselves against the people that they are to serve.

The Origin of Covid-19 – Updated, Part 6

While the government is pushing vaccines even to the extent of saying businesses should mandate them, precious little time is being spent on developing and promoting treatments for Covid-19. For example, a physician friend of mine in Michigan got Covid-19, treated himself with hydroxychloroquine, and easily got well.

What we NOW Know About COVID-19

Americans are dying, but not from COVID19. They are dying at the hands of the mad scientists, corrupt politicians and go-along-to-get-along “experts” who will kill you by mandate, before giving up their Mercedes and private country club membership. These things we know... but what we don’t know, is when will Americans fight back?

The Demonic Road to Genocide and Depopulation

The reality is that it is dangerous to “Covid-vaccinate” immune-competent individuals. The jab to a Covid recovered patient with antibodies means they’re in danger of a war inside the body activating a hyper-immune response leading to significant tissue injury and death.

Is Transgenderism Contagious?

A recent case out of the Court of Appeals of the State of California brings up some interesting questions. First, does

someone have the legal right to tell you how to refer to them? Second, does a mental disorder give someone the legal authority to infringe on the rights of others?

White Americans Blamed for Everything: Domestic Terrorists, White Privilege, CRT

America stands for free speech, freedom of job choice, freedom of education, freedom of spousal choice, freedom to make a decent living, freedom to eat what you want and live where you want, and just about every other freedom known to humanity.

Warning: True State of the Economy

Allegedly, the people of Nevada continued voting that career crook back into office. Reid retired in 2017 but make no mistake: He still runs the State of Nevada for the Democrat/Communist Party USA and their corrupt cheating ways. Dirty Harry Reid served in Congress (House & Senate) for 34 years.

A Biblical Christian Worldview Lost

The answer is actually very simple and easily understood for those who will recognize and accept the truth! Here it is, most who say they love God do not obey His laws! Most will respond with a loud protest denying this factual statement! My reply is, "If we truly were following His law system, why did we get so far away from the righteous Christian worldview?"

COVID-19 Vaccine Facts Media Ignores, Part 2

The American people have gotten to the point where they seem to pay no attention to the rights and freedoms our Founders gave us. The right to determine what we put in our bodies, specifically medicines, is a right that we have and if we don't take a stand now and refuse this massive overreach by the federal government we'll be forced to do whatever they say from here on out. Hitler forced the people of Germany to take drugs with no recourse.

They're Killing People!

They're more than 19 feet tall. The ten messages on the Guidestones have been called "The Ten Commandments of the Antichrist," and are written in English, Spanish, Swahili, Hindi, Hebrew, Arabic, Traditional Chinese, and Russian. The messages deal with human depopulation, earth worship, a One-World Government and New World Order.

Mirror of Doom – Those supposed to save us instead decided to kill us

Tonight's significant sound is the rhythmic thump of a chopper overhead bringing news that you never wanted to hear. As it has been for so many around the world, probably it is the one sound you will hear on the last night of your life.

When Hollywood Hypocrites Preach To The American Church, This Is What You Get!

Denzel Washington has long been one of the rare outspoken Christians in Hollywood. On Saturday, he once again shared his faith in explicit terms.

China Joe Wants to “Build Back Better” in China

In effect, the China Joe Administration, including America’s top general, are already on the side of China. The odds seem to be with China and against America.

“A Tale of Two Heroes”

Stuart Scheller is a 17-year combat veteran, having serviced multiple deployments. He was some 2 years away from being able to collect his retirement benefits. He undertook those actions knowing full well what the consequences to himself and his family could be. Scheller did not have to speak out.

Socialist School Boards vs. American Parents

So now parents are pushing back—vigorously, because they must. They absolutely must. They’ve branded us “domestic terrorists”—because we don’t want “Critical Race Theory” forced down our children’s throats. To say nothing of their obsession with promoting transgenderism.

Overcoming the Threat to America and Humanity's Future

Are there any community leaders in Chicago sick about the continuing violence in their communities? Why aren't they enacting solutions? Why not parenting classes? What about after school classes and peaceful activities? Why isn't Oprah taking her billions of dollars and helping her people out?

Under Democrats, Parents Are Now The NEW "Domestic Terrorists"

Following some lively public meetings between Public School Boards and area parents, the National School Boards Association issued a letter to President Biden under the heading, "Federal Assistance to Stop Threats and Acts of Violence Against Public Schoolchildren, Public School Board Members, and Other Public School District Officials and Educators."

Biden, "The Usurper" Declared War on America

When you add together the number of employees fired, and those that are paid with Fiat dollars not to work, you have a serious decline in production of goods and services. This results in serious inflation, shortages, decline in value of the fiat dollar, economic and stock market collapse, et al. all of which can occur overnight.

America's Medical Stasi, From Subjugation to Slavery

Sharyl Attkisson reports that 1,685 health care workers are jobless after refusing vaccine mandates – and that's just a small sampling. Basically, those left to care for you are jabbed and they have 251 times the viral load in their nasal passages. Not good for those in nursing homes or hospitals.

Perverts in the NFL and the Catholic Church

Donohue acknowledges that the French report, which used information provided by the French National Institute of Health and Medical Research, found that over a 70-year period,

1950-2020, approximately 3,000 molesters allegedly abused an estimated 216,000 minors.

The Memory Hole Is As Deep As the Swamp Is Wide

He would have had to go outside the Asylum, of course, bringing in more outsiders— probably peasants the Asylum's movers and shakers had never heard of before. They wouldn't be in the Big Club with Harvard or Yale law degrees. Trump's efforts would then have been fought even harder.

The American Marxist Revolution

America's morals have fallen so fast and so quickly that a popular TV show, now in its 17th season, is called "Cheaters." The program features ambush interviews and secret recordings of cheaters as they are caught in the act. Some then go on a subsequent show to explain why they cheated.

What Will We Do When We Can't Solve Our Problems?

"If a political party does not have its foundation in the determination to advance a cause that is right and moral, then it is not a political party. It is a conspiracy to seize power." –President Dwight D. Eisenhower, March 6, 1956

50 Governors Not Bothered by Massive COVID Injection Deaths

The horrific number of deaths, permanent disabilities and very serious injuries caused by those Pfizer, Moderna and J & J COVID-19 experimental injections continues to skyrocket. The predicted second major spike, October through December is underway.

You Can No Longer Ignore the Call

I don't know about you, but for me, this has been a tough year. It's been even harder than last year, mentally and emotionally. It's hard to not become depressed when you see what's happening to our country and our world, when you see

how the demonic realm seems to have total control now, of the entire planet.

COVID-19 Vaccine Facts Media Ignores, Part 1

I never believed the numbers they gave out on the amount of COVID-19 cases we experienced. Its symptoms are quite similar to the regular flu. People that died of heart failure were listed as COVID-19 victims. One thing I noticed was the flu simply disappeared.

The Truth About Mass Extinction Vaccines

All scientific evidence points in one direction... that there is a mass extinction event underway. Deeper research indicates that COVID19 was not the first of these events, and it won't be the last either. We expect to see more "new viruses" emerging from the same folks who brought us SARS1 and SARS2, COVID19, the Delta variant and now these fatal vaccines.

An Agenda for World Domination is Real

For the better part of thirty years I have been trying to sound the alarm over the dangers of Agenda 21 to human society. For my efforts I have been labeled a conspiracy theorists, spreading fear and hate against a reasonable and sound desire to simply protect the environment for future generations.

Save My Mommy's Life – Traumatic Update!

Our daughter-in-law, Tiffany, was making great progress with the alternative treatment she was given through Hope For Cancer in Tijuana and everyone was elated and thankful to the healing powers of God and to the generosity of you and other donors.

Critical Mass

It is my duty, obligation and right to exercise my freedom of speech to report my honest appraisal of circumstances. I pray that Donald Trump was not our last President. I welcome all comments except those calling me a racist for telling the truth. I am not a racist and neither is my country, even

though it elected a Black racist as president, twice.

The Origin of Covid-19— Updated, Part 5

All but one of the 27 scientists who signed the letter had connections with Chinese researchers. Dr. George Gao, head of the Chinese Centre for Disease Control and Prevention, had supported Daszak's nomination to the National Academy of Sciences.

Shut Up and Pay

The public pays for what people who don't know any better call "public education." But the public doesn't own it. In that very real sense, "public education" isn't public. Every moment of instruction, every textbook, school building, teacher pension, administrator's gorgeous salary, every visual aid, locker, sports equipment—every cent of it, the public pays for.

Greg Gutfeld: He Is Funny, PERIOD!

In this age of political corruption, worthless Congressional Critters, our president advocating for open borders, useless wars and political pundits...humor might keep you sane. At least, if you're laughing, you've got a chance to keep your sanity. Otherwise, you'd be reduced to balling your eyes out daily.

This Is How The People's Representatives Should Be Upholding The Law Against ALL Crimes

If I were in the position of this mayor I would not have given them the option of resigning, they were guilty and everyone knows it and should rightly be held accountable for their crimes though he did take it the right direction...

E Pluribus Unum2021 – Out of

Many, ONE!

We have reached a moment in history when 100% of federal democrats are anti-American, and two-thirds of republicans are too! The people can stop the tyranny any time they want, but they will have to unite in one voice, one people, to do it.

Trump 2024?

Personally, I'm not a fan of any politician and today, I know that 100% of the Democrat Party is anti-American, while two-thirds of the Republican Party is as well. Still, I also know that politics is a team sport, which means, if you don't play the game on one of the two national teams, you're not even in the game.

Mike Pence, a History of Treachery and Betrayal

Pence and his wife Karen have always wanted the presidency, but what he doesn't understand is the fact that he followed the advice of his good friends from Congress, Paul Ryan and Jeff Flake, rather than standing with the man who gave him the chance to one day lead the country. Pence is our 21st Century Benedict Arnold...he stabbed the president in the back and the Republic in the heart.

The Death of Freedom in America

Ronald Reagan's words have come true. We now live in a country where we have to explain to the rising generations what it was like to live in America where people were free. While this day has been coming for decades, recent events show us the real level of rot and decay when it comes to your rights and liberty.

This Is HOW Angry Most Americans Feel Today

In the past week, U.S. Border Patrol agents tried their best to stop 18,000 Haitian illegal migrants from violating our borders. All of it caused by President Biden's insane invitation to illegally invade our country. Biden can now take credit for the dumbest retreat of our military in the history of the United States: Afghanistan of the Taliban.

SARS-CoV-2: Isn't It Time

Someone Did this?

Never in my long life have I seen what we're seeing now around the world regarding those experimental injections being passed off as vaccines to "protect yourself and those around you". In Australia, their lockdown situation is akin to being in prison...

Politics and the Politicization of the US Military

Americans traditionally have been wary of a large permanent military establishment, believing it to be a threat to democratic institutions. This attitude goes all the way back to the Founding Fathers who deliberately kept the army small, preferring to rely on local militia in case of an emergency.

Democrats: Architects of the Destruction of America, Part 4

What the Present illegal administration is doing to America is nothing short of treason. If you disagree with that statement you are part of the problem, This administration is trying

hard to make elections irrelevant. Their demand to use mail-in ballots guarantee they never lose another election.

What Else Do You Need To See?

Only days after presiding over the worst military disaster in American history, Joe Biden told us that his “patience is running thin” with those who have not agreed to be lab rats in the most massive human experiment in the history of mankind.

Majority of Government Was Fake, Now it's all Fake

Our Declaration of Independence and Constitution remain as the Supreme law of the Land. In simple terms the only valid laws remaining in force are those of the states, and our founding documents. The Unconstitutional Election Insurrection effectively removed any authority or semblance of our Republic.

Elder Cleansing and the

Falling Away From Constitutional Judeo- Christian Governance

The New World Order globalists with their anti messiah / antichrist allies at every level, under the guise of a medical crisis, have exerted control over the world's nations, many of which were formerly governed by Constitutional Judeo-Christian principles. They have imposed and will continue to try to implement draconian measures, including...

Saving Privately Milley

Over the years, and particularly after the events of September 11, 2001, and the popularization of the Internet, even the most gullible American citizen has suspected that there must be a secret reason why more often than not our government acts against the best interests of the American people...

Are the Dems Winning the Political Vaccine Wars?

The Fox poll found that 74 percent of the people are "extremely" or "very" concerned about the pandemic. By contrast, I keep hearing from Republican voters who believe

that the virus is no more deadly than the seasonal flu or the common cold.

Gabby Petito: Tip of the Iceberg of Violence Against Women in America

What's almost beyond understanding stems from the fact that a motorist called 911 to report that Laundrie hit and slapped her alongside the road. A cop intercepted the couple. He talked to them. He could see her distress and the cut on her face, but for some reason, he allowed her excuses to not arrest Laundrie.

Read! Read More!

This is serious. How are we supposed to maintain a constitutional republic—and keep our liberties!—if hardly anybody knows, or cares, what a republic is, how a constitution works, or what history tells us will not only not work, but can actually lead us into disaster?

We Know Who Is Funding Evil, Who Is Funding Good?

We all know who is funding evil. George Soros and his army of Luciferians, BLM, which has raised over \$1 BILLION, and a long list of others who are hell bent on destroying all things good. Perhaps you could name a few of the culprits on your own.

Meeting Invitation and Special Presentation

You must be registered to attend for security reasons and because space is limited. Please RSVP at your earliest convenience and indicate how many people will be in your party. Contact information follows. The location is a quiet residential area a bit north of the Capital Beltway.

Detroit TV Asks For Stories Of Unvaxxed Dying From COVID – Gets Over 180K Responses Of

Vaccine Injured And Dead Instead

I wonder what WXYZ will do now? Will they do what most corporate media companies do, fueled by almost unlimited resources from their billionaire Wall Street owners who are almost all connected to the pharmaceutical industry, and just go out and hire actors instead to do the story and make them up?

Agenda 21: Cancel Culture on a World-wide Scale

We are on the verge of civilization collapse, but not for the reasons the environmentalists, globalists, and anti-humans believe. We are on the verge of collapse because of the evil, anti-humanity schemes, plots, and plans they are forever coming up with. Now is the time for us to throw the sabot into the machinery and stop the Marxist, Communist, Globalist plans...

The Unvaxxed ARE Following the Science

No intelligent human would ever take one of these vaccines

after reading these adverse event reports. No decent human being would ever suggest anyone else take one, much less force them on anyone, after reading these VAERS Reports. I feel sorry for those who have been duped into following the herd instead of following the science.

Secret Communist Plan Fulfillment, China's Role, Part 3

According to Bob Woodward's forthcoming book, PERIL, Milley told ChiComm General Li Zuocheng four days before the 2020 election, "We are not going to attack or conduct kinetic operations against you. General Li, you and I have known each other now for 5 years."

Forced Jabs, Health Fascism and Medical Apartheid

Totalitarianism has become the norm and our God-given freedoms are being shredded. After the "stealing of America," one party gained control of the entire political system. Opposition parties are prohibited, individual opposition is outlawed, and they're flexing their muscles with unconstitutional control over both our public and private lives.

The Evidence Is In! COVID-19(84) Jabs Really Are Very Dangerous!

The vaccine isn't supposed to work, it's supposed to make things worse. And it has! It's increased the susceptibility of millions of people to severe illness and death. That's what it's done. It's a stealth weapon in an entirely new kind of war; a war aimed at restructuring the global order and establishing absolute social control.

America's Wide Open Borders: You Can't Fix Stupid

In the past nine months, over 1.4 million illegal refugees violated our borders and now reside in our country at a cost of upwards of \$65 million per month of our taxpayer dollars. That's on top of the 1,000,000 legal immigrants that entered our country this year. That's on top of the 300,000 anchor babies and their mothers that subsist on our tax dollars.

Second Amendment: Massive, Dangerous Foreign Invasion by Illegal Aliens

Trump was sworn in January 2017. Democrats allegedly swept the House in 2018. Don't believe that vote count. It was imperative to stop Trump getting the wall built as well as his other campaign promises. All the new Marxists were sworn in January 2019. Republicans controlled Congress under Trump long enough to fix this nightmare. They did NOTHING...

Democrats: Architects of the Destruction of America, Part 3

We can see almost throughout the history of the Democrat Party how they have seemed to make every effort to tear America down. They did all they could to keep slavery in place, they established the Jim Crow laws even though they try to make you think that Republicans wrote the laws.

Time For a Serious 'Sit-Down'

Discussion

Like small businesses, churches were willing to take the government warnings seriously and err on the side of caution. But weeks and months later, even after the businesses reopened, it seems most of the church doors remained shuttered, the leadership there agreeing with the government that they were, indeed, “non-essential.”

Medical Tyranny Machine – SPECIAL REPORT

Since the onset of the COVID19 “regime change” operation that was planned and launched as early as 2013 when Patents were first sought for COVID19 and related mRNA technologies...and later used to unseat Trump and his supporters from power in 2020 via totally unregulated “mail-in” balloting...I have worked with a team of serious Americans to uncover the whole truth.

More Thoughts on the Impending Break-Up of the U.S.

Last week (as I write this morning), “Joe Biden” *pulled a trigger likely to aggravate divisions over the experimental

mRNA vaccines. He blatantly violated the U.S. Constitution – as if that matters these days! – by signing an executive order commanding employers with 100 or more workers to get them jabbed, or tested every week with a test known to be invalid and scheduled to be discontinued at the end of the year.

George Washington Favored Vaccine Mandates

Conservative personalities such as Tucker Carlson are taking an anti-vaccine approach, even as their own employer requires evidence of vaccination status. His frequent guest, Alex Berenson, screams, “Folks are angry out there. Angry at the lies and the power grab.”

Dancing on the Brink of Doom

Those “Met galas” in New York always give me the creeps. The one this year charged \$30,000 a ticket. That’s what assorted high-end leftists paid to show off their overpriced threads—there are always photographers handy.

Part 1: None Of What's Going On In Washington DC Makes Any Sense

Does anyone of those 545 Congressional Critters possess an ounce of common sense? Do you think what's going on in Washington DC resembles anything that's reasonable?

Tolerating NO accountability, NO performance, America's NEW Normal

Recently General (Ret) Mc Gregor said, " When there is no accountability, there is no performance." Our leaders desire to destroy America proved that statement. We have NO – Zero accountability in Afghanistan and therefore we had NO performance.

Tolerating Political Crimes, Crooked Politicians, Is The

Recipe For Self-Destruction

Is it that these self-proclaimed Christian conservatives are cowards, that they are fearful (Revelation 21:8) to actually stand up in honor of where our veterans have fallen in fighting off concerning tyranny in other lands (2 Corinthians 5:15), while desensitized Americans tolerate them in office in our own lands (Hosea 4:6)?

Post-Pandemic Problems and Prognostications

The manipulators have stated openly that soon no one will own anything. Personal property and private homes, the envy of those who don't have much of them, don't deserve them, or already have too much of them for their own good, will be eliminated. They expect you will like it that way – less responsibility and more time for self-indulgence.

America is a Paper Tiger

On the anniversary of 9/11, I am used to seeing the claims that Dick Cheney bombed the World Trade Center in an “inside job” designed to drag us into war. This is the Alex Jones school of thought. What's worse is the tendency to “remember the victims” but refuse to admit that our nation has truly failed to remember them by avenging their deaths.

Secret Communist Plan Fulfillment: China's Role, Part 2

The ChiComms wanted our president to be someone who could be guided primarily by his campaign manager and top White House advisor Anita Dunn, who said Communist Chinese murderous dictator Mao Zedong is her “favorite political philosopher” (according to THE WASHINGTON POST, Mao killed up to 80 million of his own people).

Texas Vs. Roe

The recent Texas law SB8 has been described as an attack on the right to abortion. The case challenging the law, Whole Woman's Health et al, v. Austin Reeve Jackson, Judge, et al, has become a lightening rod for abortion activists. Referring to the law as both extreme and a blatant violation of constitutional rights, President Biden has been one of the chief spokesmen opposing this law...

Part 2: Does Anything Going On In Washington DC Make Any Sense?

If you're a Republican, Independent or Democrat—you must be scratching your head daily as to the utter folly of those 545 people that you elected to serve our nation. Why aren't they collectively solving our nation's problems? Why aren't they making common sense decisions? Why don't they do what's right?

COVID-19: The Omega Brief

When career criminal impostor president, Biden, issued his handler's latest unconstitutional mandate, state governors went ballistic. Americans who have refused those gene therapy injections now have even more fear of losing their paycheck. That walking corpse has no clue what's going on.

No Pity for the Ignorant and Apathetic

Don't you think it would be much better if people learned the truth, and helped take back your country from the parasitic super rich ruling class and their powerful Communist minions, before they kill you, and destroy everything we cherish?

Anybody Forcing the Experimental Covid-19 Vaccine on You is Guilty of Crimes Against Humanity

Stand and Fight. Stop wearing the masks and resist. Whatever you do or don't take the dangerous, experimental jabs. Decide what is more important right now, keeping your job at the price of your own health, freedom and even life, or standing up at a critical time in your country...

Democrats: Architects of the Destruction of America, Part 2

So all seems "quiet" now in the country since the "Commander in Thief" has taken up residence in the White House. Things may seem quiet, but do not be deceived. There's a deep, ugly sludge oozing out across our land and the demoniacs have quietly been having a field day.

9/11 and American Exceptionalism

In the case of the 9/11 events, the evidence shows that, first, never before or after 9/11/2001, has a skyscraper with a steel structure collapsed due to a fire. Secondly, never before or after 9/11/2001, a skyscraper has collapsed on its own footprint except as the result of controlled demolition.

A Question of Allegiance

On the one hand, Joe Biden is congratulating himself for an “extraordinary success,” despite the fact that his policies resulted in the death of 13 American soldiers, the abandonment of Americans behind enemy lines, and the loss of 85 billion dollars in military equipment.

A 9/11 Every Two Days

But consider this message, one of many I have received, from a right-wing religious zealot and lunatic: “...either you never read any of the irrefutable facts about the Dangers and horrors of this fake bio weapon falsely called a vaccine or you’ve been bought off by the Demoncratic party i.e George Soros and company...

For Those of You Throwing Off this “Plandemic” As a Mere Conspiracy Theory

The Centers for Disease Control and Prevention (CDC) has a lengthy document on its website, seemingly unnoticed when it was originally written, explaining how to put people in camps to keep them safe from Covid-19.

Land of the Masked, Vaxxed and Terminally Scared

Fear is a terrible thing. It causes people to lose all common sense and react in fear, all real science and data facts totally ignored and even rejected. If you are moving with the herd, you are likely moving in the wrong direction today.

9/11: The Unspeakable Film Premiere

I firmly believe Flight 77 did not crash into the Pentagon. In the past 30 years, the three issues I’ve written a million

words about after spending a zillion hours doing research are the Federal Reserve, 9/11 and COVID-19.
