

No Evidence of Election Fraud 2020?

Nostradamus was famous for predicting the future, even though he was wrong far more often than right. But we live in a period when most can't even see the past or present, even though it's all around them all day, every day.

When Tyranny Becomes Law, Rebellion Becomes Duty

Medical tyranny in America meant lockdowns, quarantines, masks, and constant temperature taking. Gone are our God given first amendment rights of free speech, free exercise of religion, right of assembly, petitioning the government; all nullified by despotic dictators. Big Pharma's injections, and massive depopulation are the ultimate goals of the totalitarians.

Help Save My Mommy's Life

This is my mommy, Tiffany and me. My mommy has stage 3 Invasive Ductal Carcinoma breast cancer. While I'm too young to understand, my dad, Sten, does know the right treatment is a matter of life and death.

TX Gov. Abbott Doesn't Want to Stop Chemical Castration & Mutilation of Children

I've lived in W. Texas since June 2006, having escaped the wasteland of my home state, California. Texas has a reputation for being tough: Don't Mess With Texas. But, too many conservatives in this state believe just because Republicans continue to hold the majority in both chambers in Austin at the state capitol, the Democrat Communist Party USA and their sick, dangerous ideologies won't advance.

We Are in the Third World War

The West has been fooled and our survival is at stake. The "Red Jihad" in the Middle East, the worst violence in years, signals the onset of what Nyquist calls the Third World War. In order for the United states to survive, Israel must not only survive but win its war against Hamas.

We're Riding on the U.S.S.

Titanic: Few People Understand Our Dilemma

Last Thursday's column, May 13, 2021, America Not Prepared for the Future, should have been the highest read column in the United States. It exposed Biden's "U.S. Citizenship Act" that would add, at the minimum, another 37 million immigrants to the USA, the highest number of people added to our or any country in 10 years, in the history of the world.

Is Trump Betraying Conservatism?

Former President Trump is using his clout in the Republican Party to make it more liberal. He backed a social liberal and tool of the gay lobby, Rep. Elise Stefanik, as House GOP Conference chairman. A quickie election behind closed doors guaranteed her victory on Friday.

America's Lack Of Judicial Integrity, Part 4

We have lost our confidence in our elected officials over the last couple of decades on both State and federal levels. They have proven corrupt beyond anything that we could imagine.

Democrats attempt to shame Republicans while ignoring the blatant corruption in their own party.

Inviting Folks to Church Now a Crime?

Pastor Arrested for, now get this, inviting people to come to church! WHAT???? And the exact charge? “Inciting people to worship.” That is what is on the books. So it is now against the law to invite someone to come to church? Even though this specific case took place in Canada, it is goose stepping its way across the border to the U.S. Indeed the U.S. authorities have been working overtime to close all churches here.

Rep. Ilhan Omar Slams Israel for Defending Itself While Ignoring Hamas Rocket Attacks

Where is the rightful outrage over the atrocities of Hamas and others committed against Israel? The above tweeted video is just more of the same, justification for Hamas and others to do as they please against Israel without consequence, while Israel is soundly condemned for defending themselves against terrorist attacks.

Trump Is Gone And Oh What A Mess

The Democrats have historically thrived on either creating a mess wherever they acquire any political authority or provoking others to attack Trump supporters, as did congresswoman Maxine Waters. Even worse, they convince others through indoctrination that it is better to be a foul hate filled bigot like droopy CNN big mouth Joy Reid.

Election Fraud Arrests Begin

The people must have free, fair, transparent, and honest election systems they can have confidence in, or everything will collapse, and street justice will reign. Evidence of election fraud must result in holding people accountable for their actions, or fraud is the new norm for as far as the eye can see.

A Tale of Two Vaccines

The headline, "COVID-19 deaths in US fall to lowest level in 10 months," means an average of 600 deaths per day. That's too many, and Communist China bears responsibility for this mass

murder. But thanks to former President Trump's Operation Warp Speed vaccines, the death toll is declining and life may be returning to some sense of normalcy in many areas of the country.

They Came For Our Kids and We Did Nothing

Americans must stop drinking the Kool-Aid. Do you think that just because your governor writes an executive order, people will comply? Do you think that just because you believe in America, Family, and God, everyone else does? Do you think that just because President Reagan took down the wall, that communism would just disappear? Think again, because Communists never sleep.

Dr. Anthony S Fauci: America's Angel of Death

Hollywood celebrities recently honored Dr. Fauci with an award for "courage" during a virtual gala for the AIDS Foundation. The glitterati heaped praises on the doctor, best summed up by actor Morgan Freeman who thanked him "for all of his efforts to keep as many of us alive as possible."

War of the Worlds

This past weekend was our annual National Day of Prayer, kicked off, as usual, by a presidential proclamation. But the patzer currently inhabiting the White House left God out of his proclamation. True, he forgets a lot; maybe he forgot God, although he never forgets to promote abortion or transgender.

America Is NOT Prepared for the Future; Nor What's Coming

If you are worried about the future of your kids, this latest development will really cook your emotions, your sense of right and wrong, and ultimately, this 90 second video will show you the most distressing, if not incomprehensible future for our country.

We're In A Battle For Freedom. Where's The War?

Many experiments have been done with animals to determine their behavior in certain situations, or for some nefarious reasons to modify their behavior. The primates are the

behavioral scientist's or social psychologist's favorite subjects because they more closely represent their nearest human cousins. The usual process is for the researchers to provide a stimulus to the subject animal and record the response.

Political Theatre – They Do Not Even Believe Their Own Propaganda

This time around, it has been called an “invisible enemy,” and this invisible enemy that has been attacking Americans and their God given rights is in plain sight (Jeremiah 5:21).

Sheriff: Help Me! My Park and Rec Department is Mask Bullying

So I am calling on my sheriff for simple protection from this unlawful harassment of city workers. I am asking him to make good on the following statement that we at the Institute on the Constitution will be releasing in full version very soon as a template for others to use as an appeal to their local sheriffs.

The COVID Jab, a Genocidal Weapon of Mass Destruction

The Rockefeller Foundation helped found the German eugenics program years before Hitler and even funded the program that Josef Mengele worked in before he went to Auschwitz. Eugenics would have been so much bizarre parlor talk had it not been for extensive financing by corporate philanthropies, specifically the Carnegie Institution, the Rockefeller Foundation and the Harriman railroad fortune.

The Stupid Party Gets Stupider

Just when you thought the Republicans were getting their act together, by dumping Liz Cheney, we find out they are replacing her with a tool of the gay lobby. Tony Perkins of the Family Research Council says the Cheney replacement, Rep. Elise Stefanik “has supported legislation like the Equality Act, which normalizes a radical sexual ideology at the detriment of families, children, and people of faith.”

What About the Confusion of Our Leadership in Washington DC?

Our country suffers from so many problems, it's beyond difficult to find a path leading toward solutions. In the past three weeks, Sandi and I traveled through four states—Colorado, New Mexico, Arizona and Utah. At each tourist spot, we engaged people from all over the country. Most of them were retired “baby boomers” getting a jump on the summer crowds.

PCR Lawsuits – Should Hospitals Be Included?

There is so much scientific information exposing those COVID shots the ‘gods of the universe’ (Google, facebook, Twitter, Instagram) are in overdrive censoring all of it in an effort to continue selling the big lies about COVID-19 and those “safe” shots being passed off as vaccines.

An Unaware and Compliant

Citizenry, Part 3

I was talking with a young man named "AJ" at a mailing place I go to about Part 2 of this series, and he recounted something that happened to him. He said that one day he was wondering about whether someone, Google or the government or someone else was monitoring him. So he decided to conduct an experiment.

America's Lack Of Judicial Integrity, Part 2

As we all know the police officer in the George Floyd case was convicted of three counts of murder. Since Floyd took a lethal amount of drugs that day, how can it be murder? Asking for a friend. How can that be justice? He was a violent criminal, on several illegal drugs, passing a counterfeit \$20 bill and resisting arrest, but the cop is at fault.

Guinea Pigs in a World-Wide Experiment

It's often hard to know what's true and what's not true. Even sources we would like to think we could trust often run with stories prior to doing any sort of independent fact checking. We must all work harder than ever to get the real truth

because real truth is now censored by the internet conglomerates and social media platforms.

Mothers A Gift Or Not A Gift?

Working as a chaplain I have spoken to many young and older people about their mothers. Some were in a violent world they had created for themselves, while some were in prison or in juvenile detention. Others were executives with families who were well respected in their communities.

Misleading Students May Kill Our Onetime Republic

If one objectively looks at the political, academic, and religious landscape throughout the United States, they are probably very concerned about the future of our nation. The United States was literally founded and built upon a collection of solid principles. If they were more closely adhered to, individuals like Nancy Pelosi,

The New Face of the GOP is Trans

Just when the Republicans are poised to dump Rep. Liz Cheney from House GOP leadership, they are embracing ex-masculine man Caitlyn Jenner as candidate for Governor of California. Caitlyn, once known as Bruce, immediately went on Sean Hannity's Fox News show in high heels to be crowned as the new conservative white trans hope.

Democrats Erasing History – DC Cannot Become a State!

The Dem Communists are determined to make Washington, D.C. a separate state in order to add two more representatives for the House in order to swing all political actions to the left. They also intend to pull in Puerto Rico for the very same reason which would give them double advantage in making certain that only the left can make and pass laws.

COVID Police Fail Again – Mask Mandate and Lockdown

Narrative Coming Apart

This has all been a game, a game of power and control. There is no worry about your health as you don't even matter. This is all about controlling the Sheeple. Mask mandates came about, and most people were only too eager to obey. If you don't wear one, you are scum, a criminal, a Nazi. One problem, masks don't work.

'Public Education' as a Car: A Parable

Suppose the government decided you had to buy a new car every year, whether you want to or not. If you already have a car, you can keep it. You don't have to take possession of the government car, but you'll still have to pay for it. They suck the money out of your taxes, so you're stuck.

The Seven Principalities of Hell

I have never used my column to discuss something that another author had written but I am going to break that tradition. On my daily show we talk about all things spiritual and how the dark forces are having their way with the American church. We are warned in Scripture that "my people are destroyed for a

lack of knowledge”

The Big Business Buffoons Who Run Berkshire Hathaway

An objective history of World War II exposes the failure of the West, except for Winston Churchill, to foresee the aggression of Hitler's Third Reich. Today, some of the smartest businessmen in the world still do not understand the menace posed by Communist China, even as its China virus continues to wreak havoc on the United States and the world.

To Prop Up The Black Race We're Dumbing Down the White

Perhaps the dismal performance of American students over the last several decades explains why America is in so much trouble today and how socialist Democrats have become the party of choice of a majority of the purposely dumbed down American voter. Perhaps that is why socialist-in-chief President Biden has a 53.9% approval rating after only 100 days in office.

Do You Remember The 60 Minutes Vaccine Fallout From 1976? Fraud Then, Fraud Now

What we are dealing with today in America concerning the likes of the federal government, the CDC, the medical field, and corruption within these organizations is the same from yesteryears. Had Americans dealt with this corruption long ago, we would not be in the position that we are in today

Democrats, Media, and Big Tech Attack Senator Tim Scott – For Speaking the Truth

Democrats and their staunch allies the media and Big Tech don't want We the People to understand, they don't want the truth to come out. Finally Joe Biden's handlers let him out of the closet they keep him locked up in.

Dysgenic Islamic Inbreeding

During the KV-197 band C-130 pilot transition program run by Lockheed Corp. in Saudi Arabia, American instructors found that most Saudi trainees had very limited night vision, even on the brightest of moonlit nights. Also, the trainees had

very poor retention rates from their training, including the mechanics and maintenance personnel as well.

Communist Media Attack Western Vaccine Successes

With my pro-vaccine columns getting censored and dozens of people dropping off my subscriber list because of them, a friend wrote to me, saying, "I'd move on. Biden/Harris are doing plenty of other things wrong to write about." There are a couple things wrong with this approach.

Joe's Joint Session of Socialists

Pseudo-President Biden gave his first teleprompter reading to a joint session of socialists on April 28th – which drew about as much audience and support as the average Biden or Harris campaign rally last year. Nearly none...just a handful of socialists, most of whom are his handlers

I'm So Old

I guess it's official. I'm officially old. It's not just the multiple mailings I get every month from AARP or the fact that the grocery store checkout clerk routinely asks me if I qualify for the "senior discount." Lately, I've been thinking about the way things used to be and feeling a little like a dinosaur.

America's Lack Of Judicial Integrity, Part 1

Some people have said that America is heading for a reset. In many cases, I agree that we are in desperate need of a reset when you look at what is happening in our country. Cities are burning, violence is off the charts, though all this is only happening in Democrat-controlled states, it is still happening.

No Tears, Only Cheers by The People for Demise of Communists

The purpose of this article is to report the real feelings of The People toward the Communist rulers who usurped our

Constitutional Republic and are rapidly destroying our country. The ruling class minions consist of Communist media, academia, large corporations, banks, elected officials, government bureaucrats, actors, judges, military flag officers, stock market manipulators, et a l.

An Unaware and Compliant Citizenry, Part 2

In Fabian Socialist Bertrand Russell's THE IMPACT OF SCIENCE ON SOCIETY (1953), he wrote that "it is to be expected that advances in physiology and psychology will give governments much more control over individual mentality than they now have even in totalitarian countries.

Academy Award a Dud – Time to Go Back to Hand Cranked Cameras!

The so-called Academy Awards Show tonight was the worst presentation ever shown on TV. First of it exhibited no excellence. There was no structure. It was like Amateur Night in Dixie. Indeed there was not one iota of professionalism spotlighting a skilled profession which should be trusted to be totally polished.

The Cancer Of Identity Politics

Every morning that by the grace of God I arise from my overnight slumber I give thanks to our Creator for another day of life. I am also thankful for being born in the United States of America. My wonderful Dad taught me at the age of eight how blessed we are to be sovereign United States citizens.

Is This Nation's Fate Accomplish An Acceptance of Our Destruction?

Tucker Carlson said, "Demographic change is the key to the Democratic party's political ambitions. Let's say that again for emphasis because it is the secret to the entire immigration debate. Demographic change is the key to the Democratic party's political initiative. In order to win and maintain power, Democrats plan to change the population of the country."

The Far Left Tool Kit

Fundamentally transforming America into a socialist hell-hole is a big job, even for confirmed fanatics and other bad guys. But they're doing it as fast as they can; and here are six of the most useful tools in their kit.

Without The Rightful Authority Freedom Will Vanish

Words have meaning. They are the vehicle through which every thought is communicated. For years, most Americans shared an understanding of a common language...based on common usage of words. Slowly and steadily the meanings morphed into confusion. Today, so many words no longer mean what they used to mean, and most Americans still have not bridged the language barrier.

Trump's Miracle Vaccines Save Millions

Not only is the China virus real, but the Drug Enforcement Administration (DEA) confirms that "China remains a key source of supply for the precursor chemicals that Mexican cartels use to produce the large amounts of fentanyl they are smuggling into the United States."

To Stop Mob Violence You Must Crush It!

Every parent instinctively knows, or should know, that if a young child acts out, becomes violent, belligerent, or disrespectful, some form of discipline is in order. And the discipline has to be the kind that gets the message across. If no discipline is applied or if the discipline is not sufficient, the child will continue his or her behavior and that behavior will only get worse over time.

Manipulating Vaccine Recipients Numbers to Isolate The Non Vaccinated

This is the reason for the Saul Alinsky tactic that, once again, is being played out right before your eyes: "Cause the enemy to believe that there are more of us than there really is." It is to isolate you into believing that you are the only ones that are refusing to comply.

Gov. Abbott: Stop COVID-19 Vaccinations Now

If you are unfamiliar with my latest columns on this nightmare, please go to my archives. This time my letter isn't to the Health & Safety committees in our state legislature, but to my GOP governor, Greg Abbott. You need to do the same, just tailor my letter to your governor.

Chauvin Trial Verdict Was a Foregone Conclusion Even Before the Trial Started

The autopsy that the prosecution referred to as conclusive evidence of Chauvin's guilt is anything but conclusive. The "facts" as stated by the various "experts" are far from even being in agreement as to cause of death. Dr. Andrew Baker, who is the chief medical examiner for Hennepin County gave conflicting testimony on what the cause of death was.

Officer Derek Chauvin, Human Sacrifice to Marxist Mobs

Jurors were terrified that BLM and Antifa Marxist mobs would come to their homes and splatter pig's blood on their doors or

burn their homes to the ground or worse. Alternate juror, Lisa Christensen admitted same to reporters when she stated she didn't want to go through the rioting.

Multicultural America: Are We Becoming a Land of Strangers?

Is Biden purposely flooding America in order to displace us from our own country? Yesterday, my wife Sandi and I shopped at a Costco store in Denver, Colorado. It sounded and felt like shopping in different countries with so many languages being spoken and strange modes of dress.

An Unaware and Compliant Citizenry

In a previous article, I quoted from emails by Democrat strategist Bill Ivey to John Podesta and Podesta's subsequent strategy as Hillary Clinton's 2016 presidential campaign manager. The response by NewsWithViews readers was underwhelming, so I will try to explain the emails' importance.

COVID-19 Shots: The Dead Have Names

Regular readers of my columns know I have sent several letters to the lawmakers below regarding SARS-Cov-2. This will be my last letter to those lawmakers as our legislature goes out of session in five weeks and doesn't return until January 2023; the same as Montana, Nevada and North Dakota. Yes, they can and have in the past called a special session.

Punishing Success and Rewarding Failure

America is rapidly being forced into a completely new norm where in government institutions have adopted the role of punishing success and rewarding failure, allegedly for "the greater common good."

Blood in the Streets is Not an Alternative

If we let elected officials get by with "don't worry about the election in 2022, we got it handled," we need to be ready to say hello to the great re-set and we need to prepare for violence. It is extremely important to inform our elected

officials of what the public knows.

America's Lack Of Judicial Integrity, Part 3

The evidence is overwhelming and our courts need to hear that evidence. If you haven't watched Mike Lindell's Absolute Interference, take the time to do so. It should make your blood boil.

Marks of Respect in the UK for the Duke of Edinburgh and the Loss of Respect for Good Friday

There is a massive divide in the UK between people who trust establishments and those who don't. There are those who want to hang on to the image of 'royalty' and some sense of superiority, but there is a now also a population who know about elite globalists, their agenda's, their coldness and their incessant lies.

Joe Biden – The Mass Shooting President

According to CNN, the election of Joe Biden has set off a world record of mass shooting events in the USA that the world has never seen before, with “at least 147 mass shootings across the country since Joe took office – at least 45 such events in just the past 30-days.”

The GOP Divide Between the Vaxxed and the Vaxxed-Not

Based on the responses I have received to my own pro-vaccine columns, many Trump supporters fear the vaccine is either a deadly killer unleashed by Bill Gates or Anthony Fauci to depopulate the world or else that it contains a microchip on the road to the Biblical apocalypse and world government ruled by the Anti-Christ.

The Worsening War Against White People

Let’s just say it. White people (especially conservatives and Christians) are at war with the cult of Woke. They did not start this war. Most seem unaware of it. But they’d better

wake up and realize they are in a war that has already killed dozens of white men and women whose fates will not make headlines in a controlled corporate media very much on the Woke cult's side.

The Death Blow: an Article V Convention to Replace Our Constitution

The fight over whether to have an Article V convention isn't between Republicans and Democrats, or liberals or "conservatives". It is spiritual warfare between those who want to keep our Biblically based Constitution of 1787;^[1] and godless revolutionaries who want to get rid of our Constitution and set up the New World Order.

Who Should be Concerned About America? Answer: Everyone Who Wants to Eat

First of all, thank each and every one of you who write me with your ideas on what our country faces. Most importantly more and more of you understand what "someone" is doing to our country by flooding it with endless millions of third world immigrants either legally or illegally.

A Tale of Two Follies

Which will prove to be the worse disaster as a leader of the world—Communist China under President-for-life Xi Jin Ping, or the Vatican under Francis I, the Red Pope?

Obama Takes Trump's Warp Speed Vaccine

Nobody should be forced to take the vaccine or read something that makes them uncomfortable. But this attitude spells trouble for Republicans who think they can win a national election if a major part of their base has deserted former President Trump on the signature achievement of his presidency.

One Thing That The "Officials" Forgot To Tell You About The Vaccines, The

Truth

A couple of weeks ago, the tyrant Minnesota Governor Tim Walz was cheerleading the people to take their vaccinations so that things can go back to normal (Matthew 7:13). By the way, Tim Walz extended his unconstitutional emergency powers for the 13th time this week.

The Absolute Democrat Monarchy That's Coming For You

Of all the dumb tricks a society could do to itself, this one takes the cake. By their own vote, tens of millions of Americans unwittingly set a trap for them selves and then walked right into the trap they created. In a land of free elections the voters managed to elect a cadre of political idiots with malice and lies in their hearts, whose stated goals are to enslave the very people that voted them into office.

Never in America—right?

In a recent broadcast, Tucker Carlson featured a story destined to send shockwaves throughout America. In discussing Canada's new policy of mandatory detention of people who test

positive for Covid in “government facilities,” Tucker referred to these “facilities” as “internment camps.”

Mandela’s Communist White Hatred Germinates In American Soil

Despite the fact that both Obama and Oprah fawned over Nelson Mandela, he was not a savior for South African blacks. He deplored the white farmers who planted fields and raised cattle that fed all South Africans. By black hands, many white families and even their babies were macheted to death. The seeds of Mandela’s “anti-apartheid” have been planted in America and are now being thrust to fruition on our soil.

Surrender by Fear of a Cold

If you had told me America was going to elect an 80-year old career politician with zero accomplishments and late stage dementia as President, or a zero resume former racist prosecutor who has laughed and slept her way to power as Vice President, I would have called the medics from the Funny Farm to gather you up myself.

The Grinding Predicament of Canada, Australia, Europe and America in the 21st Century: Endless Immigration

My friend, Canadian writer Tim Murray, watching Canada being flooded, wrote, "Once again, someone claims that any focus on immigration to the United States is a meaningless distraction. In effect, I am saying that the annual addition of more than 30 million consumers to the third most populous and industrialized nation on earth is irrelevant."

Republicans Can "Pack the Court", Too

Members of Congress who belong to the Democrat/Communist Party USA are in a hurry, a bit hurry. Most of them know Cheater China Joe Biden did not win the election last November and that chapter is not closed by any means. Watching the illegitimate "Biden administration" since January 20, 2021, has been like watching Keystone Cops.

The Trumpcine Liberates the American People

In a previous statement, Trump had demanded that the bureaucracy “clean up the record” and “and get the Johnson & Johnson vaccine back online quickly.” He concluded, “The only way we defeat the China Virus is with our great vaccines!”

Biden Qualifies For Impeachment

The articles of impeachment were drawn up to save us from imperial presidents who manage to grab the office, not for the service of the people, but on the contrary, a deterrent to the people as well as society itself. Unfortunately, some political figures, including presidents, get into office to serve themselves, not the country they are supposed to represent.

The Son of Man Cometh

Some things in this world can simply be chalked up to coincidence. Others, not so much. For those who have studied God’s Word and have eyes to see, it’s obvious that the words of prophecy in Scripture are coming to pass now, before our very eyes. Let’s look at just a few things that have been

happening on Planet Earth in just the past month.

The Truth About Energy, Part 3

We keep hearing about how all we need to do is build more solar panels and wind farms and we can save the world. Well, when you look at the logistics of this you find that that dream of not being dependent on fossil fuels is nothing but an unobtainable pipe dream. Let's look at some hard facts. All energies have limits to their abilities.

Pressing Toward the "Mark"

Before we get into the methods that have been used over many decades to lure us into the beast system, we need first to know and understand that our Creator, Redeemer and God did solemnly warn us about the dangers in putting our trust and care in men or men's governments.

2020 Election Post-Mortem

Now that the putative Biden-Harris administration is going full tilt, as we catch our breath and reflect on what has

transpired in our country, we would do well to consider the wider implications of the theft of this election. So let's return to the scene of the crime—actually, to the scenes of the multiple crimes inflicted on our nation.

Capitol Police Knew All About the Riot Before it Happened – So Did Facebook, Instagram, and YouTube

The Capitol Hill riot of January 6th was blamed squarely on then President Trump – still president as far as I'm concerned. At least that is the story line you will hear from the mainstream media. The question has to be asked however, who trusts what the mainstream media reports?

The Jab

The reason this article is called the JAB is because it is not a vaccine. The definition of a vaccine is a molecule injected into your body to allow your system to manufacture an antibody to a disease process. What is being called a vaccine is in no way, shape or form a vaccine. It is a product designed to achieve a specific outcome.

Super Rich Started Last Civil War and They are Doing it Again

The wealthy, self appointed rulers and their corrupt followers started the last civil war when 500,000 people died, and half of the country was destroyed. Now they are starting another civil war for the same reasons, power and money. This time the death toll will be many times higher due to starvation in the inner city plantations.

The Fourth Industrial Revolution = Planned Dystopia

Kimberly Amadeo, President of World Money Watch defines fascism as: “a brutal economic system in which a supreme leader and their government controls the private entities that own the factors of production. The four factors are entrepreneurship, capital goods, natural resources, and labor. A central planning authority directs company leaders to work in the national interest, which actively suppresses those who oppose it”.

The China Virus Was an Inside Job

We have lost 564K people to the China virus, while Europe has lost more than 1 million. But Avril Haines, China Joe's Director of National Intelligence, refuses to say that China is an enemy. It is a "threat," she conceded, but U.S. intelligence agencies are on top of the problem. These are real people and real deaths. This is communism in action. And the slaughter continues.

It Is Not About Left Or Right But Rather Up Or Down

There is a right or wrong way to do every single thing in life. Children are to be raised properly in the way they should go, so that they do not permanently drift off from the good moral path through life. The United States was founded upon the hallowed principles listed in the Holy Bible. She was also built upon the principles of liberty and personal responsibility.

Beware the Government -

Corporate Complex

Most white guys will not write about race because the media has successfully silenced our voices for fear of being called the R word. Well, I am not one of them. As Yogi would say, "I call them like I see them" and no amount of intolerance from the tolerance crowd is going to silence my voice.

When Stopped by Cops: Don't Fight or Run from the Law

Over the last several years, a number of really stupid people have been stopped by the police, but then, resisted arrest. The local juvenile thug in St. Louis robbed a convenience store, got stopped by a cop, and then wrestled with the cop, only to escape, then turn to charge toward the cop with an intent to do bodily harm. Michael Brown proved to be one stupid kid.

More About Joe and the Jews

Right by Obama's side for his entire eight years in office was VP Joe Biden, consistently endorsing, approving of and applauding his boss's policies, including the Iran deal, which pretended to delay the world's most malign terrorist state from acquiring nuclear weapons that the mullahs said then—and say today—are intended to eliminate the State of Israel.

Video: People Take Stand For Business Owner, Tell Health Department Gestapo “To Get Out”

The video depicts two health inspectors speaking with the restaurant’s owner, Rebecca Matthews. No one inside the eatery appeared to be wearing face masks, except for the government officials.

Vaccines Are a Self-Defense Weapon Against China

Feeding the fear, which will accelerate after Biden’s suspension of the Johnson & Johnson’s one-dose vaccine, G. Edward Griffin, creator of Red Pill Expo, warns of “The Great Culling by Vaccine,” a reference to an alleged depopulation scheme.

Biden, You're Not A President. You're Just An Old Fool!

Somehow the people manage to elect the dimmest Democrat politicians to public office who seem to be disconnected from reality, devoid of logic and reason and without a lick of common sense. The electorate is so stupid it votes for party over substance, it votes for government dependence instead of independence and self-reliance, it votes for race over character and it votes for socialism over constitutional freedom. Now just how smart is that?

The New World Order's Pied Pipers

Now it is up to us, We the People, to stand for our Lord, our Republic, our liberty, and our posterity. But to do so, we need to first acknowledge the truth of what has befallen us, painful though that may be. Then, like our forebears who founded this great nation, we oppose tyranny and do all we can to restore our Republic, our Constitution, and our sovereignty, so that government of the people, by the people and for the people shall not perish from the Earth.

Unraveling the Lies and Dropping the Masks

Last week, I received a lovely note from Les Fradkin, world-famous award-winning composer and virtuoso MIDI guitarist and so much more. He said, "I read your NewsWithViews columns all the time. You really need to hear this. Quote it if you like in your column. My gift to you." I loved it because he sang about what is happening to our country, and for us to "turn to the truth and turn to the light."

Nation of Lawyers, Not Laws

On April 8, 2021 in a speech pertaining to his maniacal "gun grab" agenda, pseudo-president Joe Biden plainly proclaimed that "no amendment to the Constitution is absolute," meaning, that nothing in the Constitution or Bill of Rights is absolute, all of it, subject to change via the whims of Executive Orders.

The U.S. Not Prepared for Mini Ice Age: Wake Up

Imbecile, Alexandria Ocasio Cortez, 'climate change' cult members from the brain dead Hollywood screeching club, ignorant politicians including too many Republicans in

Congress, reporters, those scared by the nonsense coming from mega mouths Greta Thunberg , Al Gore (bechev) and others believe we have a scant 9-10 years before the earth fries us all like a microwave oven.

The Unabomber and Other Transgender Pioneers

“Abortion Is Health Care” was the actual headline over an email I received from the Center for American Progress, with a message quoting a young woman as saying, “I celebrate my abortion, and no one can take that away from me.” This is today’s “progressive” point of view. The actual destruction of a human being is passed off as “health care.”

Is Anyone Angry About Biden’s Inviting An Invasion Of Our Borders?

Did the American people vote to make this country the babysitter for the rest of the world? Did anyone vote to have \$60 million allocated per month as reported by “60 Minutes”, for housing and feeding this foreign mob of people? And, their children?

Satan's Great Wrath, Because His Time is Short

Sometimes I find myself envying the uninformed. Being so involved in the news tends to weigh heavily on a person. I get a LOT of news. More than you can imagine. It's nearly 24/7 from all parts of the globe, from all types of sources.

The Truth About Energy, Part 2

Looking at our energy today we saw the disaster in Texas with the windmills and the solar that supports about 18% of their total power. If it snows hard neither are reliable. Liberals are pushing for alternative sources for energy which I don't think is bad but until we have an alternative source that is reliable 100% of the time as fossil fuels are, we shouldn't even consider replacing fossil fuels.

We Warned You, Biden and the

Dems Are Bad For This Country – and Things Are About to Get a Lot Worse

Biden in his infinite wisdom also killed the Keystone Pipeline project, also on day one in office. This move instantly destroyed thousands of jobs, and coupled with the “no new drilling rule” has endangered America’s recently achieved energy independence. Notice gas prices at the pump are rising? Thank commander Biden for that.

Are American Enemies Using Our Ports and Borders to Invade America?

Lastly, this is an astounding overview of how the British attempted arms control and confiscation just before the Revolutionary War. Not much mainstream history likes to expound on the reality that the British tried to disarm the colonists. There are eerily similar strains from those days to this day.

Great Americans Looking Toward Our Creator

Long before the Pilgrims journey to what they considered “The New World”, great leaders sought the mighty wisdom of God. When God asked Solomon, “what do you desire? The wisest man who ever lived replied, saying “I desire to be filled with your wisdom.” God was well pleased and promised Solomon that because he first sought His wisdom, that his kingdom would be blessed and prosperous.

So, this is Communism...

Karl Marx is the globally acknowledged creator and author of today’s “democratic socialism.” Marx is also the author of the Communist Manifesto, in concert with Frederick Engels. As Marx himself wrote, “true democracy is the road to socialism, and socialism is merely a steppingstone into communism.”

Does Former Officer Derek Chauvin Have a Chance at a Fair Trial in “Woke” America?

Many of us, wherever we are. followed the first four days of the trial of former Minneapolis police officer Derek Chauvin,

45, charged with second and third degree murder and second degree manslaughter in the death of George Floyd on May 25, 2020. Chauvin has plead not guilty to all charges.

The Next Big Lockdown

The Portland school board has provided us with a harbinger of things to come. They were about to adopt a fir tree as the mascot for their schools, but suddenly had second thoughts. Wait a minute! Those trees... they might be—oh, no!—racist trees. After all, “trees” were often used in lynchings. That would make them racist.

Sorry Kids, But the Adults Have Lied to You

I had the opportunity to speak to a group of high school seniors again this week. I love the opportunity to openly dialogue with our future leaders. This is the best way to find out exactly what is the make up of those “skulls full of mush.”

China's "Death to America" Plan

If anyone has pretensions of being an "anti-Christ," it is Chinese President Xi Jinping, as America's leaders continue to dawdle in the face of Chinese aggression, genocide against Muslims, and mass murder using the China virus against the entire population of the world.

How Many Millions of Refugees and Immigrants Can America Absorb?

During the month of March 2021, according to the United States Border Patrol, President Joe Biden, with one signature on an Executive Order, allowed 104,000 illegal aliens a free pass into the United States. Busses take them to cities with welfare offices, Section 8 Housing and all the taxpayer goodies you provide with your hard-earned money.

America's Vaccine Passports and China's Social Credit

System

All three branches of our government are held today by hardcore Democratic Socialists, who are extremely fond of Marx and Engels. Their followers immigrated to America in 1848 after the failure of socialism in Europe and have assiduously worked to change America into a communist state, one that too closely resembles the massive citizen control in the CCP.

COVID “Vaccines” and Auto Immune Diseases

Colleges and universities have announced mandatory vaccination or students should not show up for classes. How despicable. I have published all my letters to you in my weekly columns (including this one) asking readers to get them up on every social media platform possible as well as email lists. Hopefully parents who have children will stand up to those institutions of lower learning and inform them they are in violation of the law.

Political Pawn Franklin Graham Steps Into To What The

Corrupt Are Selling – Vaccines!

“The chief danger that confronts the coming century will be religion without the Holy Ghost, Christianity without Christ, forgiveness without repentance, salvation without regeneration, politics without God, Heaven without Hell.”

Conservatives Had Better Learn How To Start Saying No!

If you really want to say NO! to government tyranny and corruption, we've designed a powerful tool for that purpose. We call it "The Mandate" from "We The People." Take the time to review it and then follow the instructions. It doesn't require a signature. We have created a PDF file and a WORD file of "The Mandate" for those who are interested.

American Corporate-Funded Chinese Communism

It seems strange to some that Major League Baseball (MLB) pulled its All-Star game out of Atlanta, to punish Georgia for its voter ID law, but signed a deal with a Chinese company for rights to broadcast MLB games. It's an indication that MLB

recognizes China is in charge internationally, and that the Republicans' days as a national political force in the United States are numbered.

Real Covid Facts You're Not Allowed to Know

Americans need to WAKE UP and stop going along with people they will never be able to get along with. We have been lied to regarding the COVID19 event for over a year now and even as States finally take control of their sovereign Rights and reopen, most Americans are still stumbling along under mask in fear of their lives...for no reason at all!

COVID Vaccines: Dead Must Be Autopsied

When your state reps and senators on those committees get thousands of snail mail letters, they will feel the heat. Emails will get you a canned response. This country was brought to its knees literally in a matter of a few weeks. My God, the lives of tens of millions of Americans were destroyed and still being herded like cattle.

The Racial and Sexist Divide Intensifies Across America

In Time Magazine this week, it speaks to “white privilege,” “racism,” “systemic white superiority” and a host of ills perpetuated by White America. If you’re white, you’re pretty much the blame for everything wrong with America. Time editors reported on how Black students suffered under admissions standards too high for their educational backgrounds.
