

# **The Racial and Sexist Divide Intensifies Across America**

In Time Magazine this week, it speaks to “white privilege,” “racism,” “systemic white superiority” and a host of ills perpetuated by White America. If you’re white, you’re pretty much the blame for everything wrong with America. Time editors reported on how Black students suffered under admissions standards too high for their educational backgrounds.

## **Race With The Devil**

As my family was visiting Rome in February of 2020, we took a tour of the Colosseum only to discover a statue of Moloch, the pagan deity of child sacrifice, being displayed. It was truly shocking. The Colosseum is viewed by many Christians as a sacred site because early Christians were martyred there. Sacrifice and resurrection are what we celebrate on Easter.

---

## **Easter Special: How Jesus Might Look Back at the Cross**

The world today is in chaos. There are no restraints in human conduct. Absolute values have long been abolished. Good is considered evil, and evil is considered good. And never has The Cross been more offensive to society than it is today. Sin

abounds. Any mention of the name Jesus Christ brings contempt and ridicule.

---

## **Understanding Socialism, Communism and Marxism**

There's been a great deal of talk, recently, regarding the coming "Great Reset" and in conservative Christian circles, much talk about the "New World Order" and the coming "One World Government" that's now moving ever closer to complete implementation under totalitarian rule.

---

## **The Truth About Energy, Part 1**

For the last twenty years, we have been hearing the left wail about the dangers of global warming. Al 'I invented the internet' Gore declared in 2000 that by 2014 the ice caps would be melted and all the coastal cities would be underwater but that could all be stopped with a 'carbon tax'.

---

# **Standing Trial for a “Face-Mask Crime” That Does Not Exist**

The World Health Organization (WHO) has recently confirmed that the Covid-19 PCR test is a flawed procedure. This means that all the estimates of “Positive Cases”, which you have been hearing about incessantly for more than a year now are, at best, inconsequential and, at worst, totally meaningless.

---

## **A Smorgasbord of Corruption, Part 1**

We are incessantly told by our so-called health authorities that we have a health crisis which is caused by the COVID-19 viral pandemic. However, many health officials, both physicians and scientists refute this. Many are currently proclaiming that there is no pandemic and no COVID, that it is all a concoction to create a climate of fear.

---

## **Why Property Rights Matter: Part 4 – How to Fight Back**

How do we effectively fight to restore private property, and our freedom of movement in America? Most think that just

getting a president elected is the answer, but what if we lose that race? Or, what if we win the Presidency but lose the House of Representatives and the Senate? What chance do we then have to make any progress in protecting liberty?

---

## **America's Leaders Dawdle as the China Plague Continues to Kill**

One of the most popular lies among conservatives is that the coronavirus is as harmless as the common cold. President Trump, who launched Operation Warp Speed to develop anti-China virus vaccines, disagreed. We are beginning to find out, even from the "official" sources, that the virus came out of a Chinese weapons laboratory.

## **Where Do We Go From Here? GloboCorp and Collapse, Part 6**

As with the Second Coming of Christ, we have no timetable for GloboCorp's collapse. And we can be sure, GloboCorp has learned from past errors. It will shore itself up for as long as it can. Moreover, never before will there have been a Leviathan the size of GloboCorp. Its tentacles are everywhere...

---

# **The Equality Act Is The Most Unequal Act Ever**

Recently, leftist Illinois Senator Dick Durbin who chairs the Senate Judiciary Committee started deliberations on the Equality Act. The Equality Act as it is, literally threatens our religious liberty, the safety of women, boys and girls, and the unborn.

---

## **Killing Our Culture**

First, you can hardly hope to wreck a civilization unless you can trash its arts and, at the same time, make it virtually impossible for people to communicate with one another. The nitwits in the Oxford University Music Dept. know that. So they're thinking of getting rid of... musical notation.

---

## **A Costless Christianity**

Our life. True Christianity will cost you YOUR life. That completes the Covenant. Jesus laid down HIS life for you and all He asks is that YOU lay down YOUR life for HIM. Done deal. Signed in blood. But modern Christianity has lost this message.

---

# **Critical Race Theory: Turning Reality into Something Beyond Understanding**

After 245 years since America became a new nation, its greatest internal conflict continues as a 'tension' between the Negro race and the Caucasian race. And lately, the Asian race. White versus Black continues with a vengeance. No number of laws, equal rights, education or wealth seems to change the racial conflict dynamic not only in the USA, but in Canada, Europe and wherever races intermingle.

---

# **World-Wide Protests: History Does Teach Us That You Can Oppress A People Only For So Long**

I am here to tell you that the only people that are controlling your lives, as you are about to read and to see here, are the ones to which you are submitting yourself, period.

---

# **Conservatives Are Splintered, Fractured, Divided and Ineffective**

The enemy that conservatives are up against is powerful, intractable, uncompromising, vicious and mean. Worse than that, they have the majority of the votes, mostly from government-dependent big cities. That enemy owns the news and most of the journalists. They are aided and abetted by academia and social media.

---

## **Cesar Chavez Holiday—Honoring An American Hero**

March 31 is an official State holiday in California, Arizona, New Mexico, and Texas, and is observed in several other States (including Colorado, Michigan, Nevada, Utah, Washington, and Wisconsin) in honor of the birth on March 31, 1927, of an extraordinary American – Cesar Estrada Chavez, the late co-founder and president of the United Farm Workers of America who became a legend in his own time in the civil rights era.

---

## **Death by a Thousand Executive**

# Orders and Court Opinions

Anyone who has read the U.S. Constitution, or their own State Constitution, knows that in the USA, lawmaking is the exclusive power of the lawmaking branch of government, the State legislatures, or in D.C., Congress. Anything hoisted on the people that was not passed constitutionally by the lawmaking branch is NOT “law,” it’s an “unlawful and unconstitutional order.”

---

## How Woke Conservatives Cancel Their Own Culture

While Dr. Martin Luther King, Jr. was a fighter for civil rights and showed unique courage in opposing racism, he had his own serious flaws, one of which was failing to understand the dangers of Marxism. That Marxist movement has hijacked the black cause and today has made it into one of reparations.

---

## The Demonic Carnage of Vaccines, Part Three

The government has used Americans as guinea pigs for decades. Bill Gates and his buddy, Dr. Anthony Fauci are UN Agenda 21 proponents of depopulation wherein the earth accommodates only 500 million people. They have strong monetary ties to the

untested mRNA vaccines as well as the vaccines that are grown via aborted baby cells. Gates says we can eliminate population through vaccines.

---

## **Marijuana Madness in the White House**

Perhaps the stench of marijuana was getting too heavy around the Oval Office. Or perhaps there is a growing awareness at the highest levels of the government of the damage the drug is doing to people.

---

## **Ship Illegal Alien Minors Back to Their Parents Now**

The disaster on our southern border since the illegitimate lying, cheating “president” Joe Biden was installed in OUR house at 1600 Pennsylvania Ave was as predictable as a two-year old throwing a temper tantrum. No question open borders have always been the goal of the shadow government because it will ultimately destroy the middle class. The game plan underway for decades. Without a healthy middle class, the economy will collapse.

---

# Let's Blame All The White People In America For Everyone's Problems

Now, Congress wants to ban guns. They fail to mention that cars kill around 40,000 Americans annually. Also, 80,000 drug overdose deaths via drugs coming over our borders! And, 114,000 total military suicide deaths from Congresses' 20 year wars in Iraq and Afghanistan.

---

## Ignorant Church = Destruction

You are about to expose yourself to some very important knowledge. Please know this; once you have been exposed to truth and knowledge, you can never go back to the bliss of ignorance. As Thomas Paine said, "Ignorance is of a peculiar nature, once it is dispelled, it is impossible to reestablish."

---

## Cancel Culture, Part 2

As a nation we cannot allow the few that are upset about either opposing opinions or a history that they just don't agree with to just censor or otherwise silence their opposition. The big tech corporations have done just that even censoring the president of the United States! Remember,

if they can get away with censoring him, they will be able to censor you with ease.

---

## **The 'White Hats' Are in Exile**

This world changed drastically in just one year. It's been unbelievable. There's no telling what the COMING year is going to bring. Let us put on the full armor of God and understand we're here to do battle with the enemies of God, to defeat the works of the devil, just as Jesus did.

---

## **The Biden Disaster That is Destroying America**

Today was another Joe Biden Day. A mass shooting in Colorado killed 10 Americans. The leftist run newspapers failed to inform us that the murderous shooter is a Muslim. Why did the press fail to tell us that fact? If one remembers, President Donald Trump closed our borders to Muslims and it was with good reason.

---

# **Cancel Culture: We Have Met the Enemy – Our Own Government**

I'm often quoting Sun Tzu's "know your enemy". Great advice, but when you realize the enemy is your government, it can make you wonder if you are crazy. Especially when said government is being hailed as the savior of both the world and western culture, and, at the same time, is handing over everything to our supposed archenemy, Soviet Russia.

---

## **Are Civil War or Fair Elections the Only Options?**

I don't advocate a civil war, but the only alternative is fair Constitutional elections which now look impossible. You can't have proper elections when the entire power structure is corrupt and compromised. From recent experience, we know absolutely, without question, that our election was a blatant unconstitutional and criminal insurrection.

---

## **Eight Year Old Social Media**

# **Star Reveals She is 'Dating' 13-Year-Old Boy**

How far the world has fallen. Nothing is any longer off limits or taboo so it would seem. An 8-year-old revealed on social media that she is dating a 13-year-old – with her mom's blessing. Both are so-called influencers on social media.

---

# **The China Virus Deception Campaign**

But with so many conservatives questioning the life-saving vaccines, and Democratic Party "progressives" refusing to confront China over the origin of the virus, we are still at the mercy of this deadly killer. The Chinese are sitting on top of the world and laughing as they destroy us.

---

# **It Is Not About Left Or Right But Rather What is Right**

There is a right or wrong way to do every single thing in life. Children are to be raised properly in the way they should go, so that they do not permanently drift off from the good moral path through life. The United States was founded upon the hallowed principles listed in the Holy Bible.

---

# Death by Fear

Courage is no longer a characteristic emblematic of Christianity. Compromise and capitulation have replaced it. In fact, courageous Christians have become the exception rather than the rule. Finding a man who will not bend to the wind of the cancel culture is a rare quality these days.

---

# It Just Plain Stinks

We pay for public schooling. "Public money" is our money, which we worked for, paid out in local, state, and federal taxes. You'd think we'd have some kind of a say as to what gets taught in those schools, and by whom. And yet we don't. They take our money and do as they please.

---

# Why Property Rights Matter: The Growing Attack on Property Rights, Part 3

The increasing encroachment of government regulations, pontificating politicians and the enforcement of Social Justice schemes have led to a loss of understanding of the

terms private property and property rights.

---

## **The Boulder, Colorado Muslim Shooter**

Eleven American citizens, dead! From 21 to 65, dead. A 51-year-old police officer and father of seven kids, dead. Families devastated. Lives ruined. A community sickened at the deadly rampage of a religion not able to comprehend or engage with 21st century civilized society.

---

## **The Israeli Vaccine Holocaust Just Got Worse**

The hot topic today is, of course, vaccinations. And once again, you are not being told the truth of the matter by the mainstream media when they tell you that 25% of the Israelis refuse the vaccinations. The real numbers are 75%, as are they calling it the vaccine holocaust. This, of course, is happening under that of Prime Minister Benjamin Netanyahu.

---

# Why On Earth Do Americans Put Up With It?

Out-of-his-head Joe then goes on an Executive Order rampage undoing most of the good things that were accomplished by the last administration. The doors to our southern border were opened wide so that anyone who wanted to come to America could (all 7 billion of them) illegally we might add, and the American taxpayer would pick up the massive tab...

---

## Trump's Fair-Weather Friends

It's a sad commentary that Trump's greatest achievement is now being doubted or dismissed by people who once claimed to be his biggest supporters. They are playing into the hands of Trump's mortal enemy – Communist China. They could lose their lives because of misguided opposition to life-saving vaccines.

---

## How Many Covid-19 Vaccine Deaths Are Acceptable?

There are a number of doctors and scientists outside of the Big Pharma tent, with no vested monetary interest in this issue, who predict millions of deaths from these mRNA vaccines—magnitudes higher than anything ever seen from the Covid virus. We may call this speculation, but why use our

entire population as guinea pigs in the first place?

---

## **Where Do We Go From Here? From Tyranny to Collapse, Part 5**

What does GloboCorp want? Control, through fear and technocracy. If we've learned anything over the past year, it's how easily those with the know-how can create and use fear. One of the best means of inducing fear is mass media repeating ghastly images or sequences over and over incessantly.

---

## **Fear the Virus or the Vaccine?**

Take the vaccine or not and then accept the consequences. But don't lose sight of the fact that the fingerprints of the Communist regime are all over this virus and the corpses around the world that are piling up because of it.

---

# **Pro-Pothead “Climate Warrior” Confirmed as Interior Secretary**

In a major blow to the legendary “pale-faced” settlers who conquered America, “indigenous Congresswoman” Deb Haaland has been confirmed as Secretary of the Interior. Writers for Politico hailed her confirmation, which came with some Republican votes, as a rebuke to “white settlers” accommodated by a government that put Indians into reservations decades ago.

---

# **More Deaths: States Must Stop Their Vaccine Programs**

What the herds are told is these are just reports and “we don’t know if there’s any connection between all those dead or suffering now with permanent disabilities after taking the shot(s)”. They always say that until a drug is finally pulled from the market due to number of deaths or adverse effects.

---

**Joe Biden WAY Past the**

# Threshold of Senility & Fragility

Last week, Joe Biden tripped not once, not twice, but three times while ascending the staircase to Air Force One. He might have suffered from mini-strokes. It might have been from exhaustion from his harsh schedule as President of the United States. His handlers said, "It was the wind."

---

## Legit Impeachment With Merit!

President Trump had only one ambition and that was To Make America Great Again and during his time in office, he did. Biden, who stole the election (yes he did with Communist help) had his own ambition, to turn America into a socialist-Communist cesspool.

---

## Learning to Trust and Obey

In closing, let me tell you that when you grow into the realization that when you "belong" to God through Christ's sacrifice that all things truly do work to our good that most people will not understand. Even many believers are not able to comprehend this beautiful blessing simply because they are unlearned, or are still carnally minded.

---

# Cancel Culture, Part 1

I was born five years after the end of WWII and most of my generation subscribed to the theory that we have to stay away from the ideologies that brought WWII on. Most of the generation before us is gone. They handed us a world-class nation above any nation that had ever existed before. We are seeing it fade into history because we won't stand for what this country was founded on.

---

## Battle Scars

As we endure life in this world, walking by faith and not by sight, walking in the Spirit of God and not in the flesh, seeking to serve the Lord and His Kingdom, doing that which He has commanded us – and entrusted us to do – it can get very lonely sometimes.

---

## The Army, the CIA and the Human Consciousness

Fascinating facets of quantum mechanics are explained in layman's terms in this report, making an excellent summary of how human consciousness is physics in its purest form. He

uses three examples to illustrate how this is not necessarily new information in that hypnosis, transcendental meditation and biofeedback have been achieving altered states of consciousness for centuries, even millennia.

---

## **What Is Wrong With Jill Biden?**

Inducting Jill Biden into a National Hall of Shame for the elder abuse of her failing husband may seem to pale in light of the above problems, but there are prison cells all over our country holding those convicted of this crime. What she is doing is cruel and inhuman, plain and simple.

---

## **Leftist Greenwald Auditions for Fox News Gig**

Fox News now has an entire article devoted to Greenwald's critique of liberal journalists on matters like the Hunter Biden affair. It's good Greenwald parts ways with the official Democratic Party line and sees the light on these issues. But that doesn't erase his history of service to anti-American causes. Viewers of Fox deserve the truth.

---

# **When the feds violate the Constitution, should we blame the Constitution?**

At the outset, we should note that the title of Natelson's paper incorporates a stratagem which creates the false belief that the States control the convention. The belief is false because the convention provided for by Art. V of the Constitution is a federal convention called by the federal government to perform the federal function of addressing our federal Constitution.

---

# **What the Great Reset Will Really Do To You**

There is a Great Awakening taking place as more begin to understand the lies of the Great Reset cabal. The tyrant's greatest fear is that the oppressed will finally get off our knees, stand up, and say no!

---

# **I Am A Proud Evangelical Redneck**

Evangelical Rednecks are the most generous people on the face of the earth. We slog our way to work everyday in support of

our families only to watch the Government Beast steal the fruits of our labors and give to those who we feel have no right to take it, like those who come across our border illegally for all the free stuff at taxpayer expense.

---

## **Except the Lord Build the House...**

You'd almost think it was our technology itself that's turned against us; but really it's the pipsqueaks who own the technology who are looking to devour us. And you thought "The Hunger Games" was science fiction.

---

## **Immigration Is an Act of War: With Violence Delayed**

In February 2020, the U.S. Border Patrol calculated 9,000 people crossed America's southern border under the Trump administration, illegally. In February 2021, the USBP calculated 104,000 people crossed illegally. All of them echoed Joe Biden's welcoming speech of amnesty and open borders.

---

# **What is the 'Super Straight' Movement and Why Should it Concern You?**

Have you heard about the new "Super Straight" movement? I hadn't until yesterday in fact. Very interesting and it is already gaining significant traction, as well as more than its fair share of detractors, or more like angry hate filled people.

---

## **I Thought That It Was Not About The Children – Of Course It Is!**

From threatening my ministry center to be burned down to putting my house up online, only to then receive death threats; and with all of this, the mainstream media was right there keeping the target not only on me but also my wife and children (Genesis 19:1-29).

---

## **All I Want Is Government Out**

# **Of My Face**

As the current president of the United States Joe Biden's actions have been massive intrusions in the lives of every American. Killing private sector jobs, to creating a humanitarian crisis on our southern border, to interfering in gender differences for insane purposes, to creating a false racial narrative and instituting race indoctrination...

---

# **The Elephant (and Donkeys) In the Room**

At the recent CPAC convention, over two-thirds of the attendees indicated they would like to see former President Trump run again in 2024, which the former president when he was at CPAC said he would do. Many of the supporters of Trump are more loyal to him than to the Republican Party, so one could say that for the foreseeable future, he will be the dominant "Elephant (Republican) in the room."

---

# **Deprivation of Rights Under Color of Law is a Crime**

Because the Biden pseudo-Administration is rushing to set a new record in tyrannical deprivation of Rights at breakneck speed, it's now necessary and appropriate for State

Legislatures to protect their Citizens from rising Federal and State abuses of unlawful and unconstitutional abuses of government authority, committed by both the Executive and Judicial branches.

---

## **Blood Lust: Covid Vaccines, and Culling the Population, Part Two**

We've taken God out of our schools, out of society and even out of America's pulpits, and for a country founded on the laws of the Almighty, we are facing massive destruction and death unless we confront the evil of America's encroaching communist revolution and destroy it.

## **COVID Shot: Rising Deaths, Serious Injury, Spontaneous Miscarriages and Stillbirths**

In my February 8, 2021 column, COVID-19: Request Investigation at State Legislatures Health/Science Committees, I requested, as well as dozens of concerned individuals who signed onto my letter, that committee do two things. We the People must know the truth regarding the actual existence of this 'novel' COVID-19 coronavirus and second, the actual number of cases

and deaths.

## **Bolshevik Bernie On the Verge of Total Power**

Bolshevik Bernie Sanders, the lone Senate member of the Congressional Progressive Caucus, is poised to take over the Democratic Party, after his supporters and sympathizers engineer the ouster of New York Governor Andrew Cuomo and President Joe Biden. Sanders' socialist "dream" is about to come true.

---

## **The Occupation of America**

Friends and colleagues have asked me why I have stopped writing articles related to Islam and its perpetual threat to the United States of America. My answer is simple. America has a much bigger problem than Islam.

**Dismantling**

**America's**

# **Culture: Kermit The Frog As a Racist**

Dismantling America's culture, also known as "The American Way," has been deliberate, steady and ongoing for the past 50 years. Certain interests started attacking our most cherished events such as Christmas, Easter and Halloween. They want them erased. Lately, Megan Markle and Oprah Winfrey have made everyone in Great Britain and America total 'racists'.

---

## **For Such A Time As This**

Folks, there can be no doubt, if you believe God's Word, that is written in the scriptures in Revelations, chapter 19, verse 6, that "Alleluia: for the Lord God omnipotent reigneth." As Ben Franklin stated in his speech on the occasion of our nation's founding, "I have lived, sir, a long time; and the longer I live, the more convincing proofs I see of this truth, that God governs in the affairs of men."

---

## **Dodging the Biden Bullet, Part 6**

This fake administration is making a mockery of this nation that God established to be a light unto the world. This nation voted for godliness not the perversion that we are

witnessing. God will have His way because this is His nation and when He turns it around, we will see the most drastic exposure of corruption that this world has ever seen.

---

## **Famous Wallenda Family Member Dies**

The best known high wire act in circus history would be The Great Wallendas. The Patriarch of the family, Karl, came to America with his troupe from Germany under contract for the Ringling Brothers Circus. Their act was an immediate hit in America, receiving a ten minute standing ovation in Madison Square Garden at their first U.S. appearance.

---

## **You Can't Fight What You Can't See**

Once again, the Republican Party demonstrated that it is hopelessly divided, weak, and unable to confront and reverse the direction of the country under China Joe.

---

# **Joe Promises to Grant you Freedom, If...**

In a stunning March 11th teleprompter reading of someone else's words, pseudo-President Joe Biden attempted to settle the nerves of Americans and a growing number of states rushing to defend them from ridiculous federal tyranny, demonstrating only that he's the biggest sock-puppet to ever occupy the Oval Office.

---

## **The Façade of the Covid Fraud**

Should we be approaching the end times spoken of in Daniel, Thessalonians and Revelation, let me encourage all of those who do not know Jesus to make every effort possible to accept Him as your personal Savior, thereby avoiding being left behind to go through the many terrors during the seven years of anti-Christ's reign.

---

## **Can We Get Serious About America's Survival?**

The nation is sliding into one-party Marxist rule and all we can talk about is Meghan Markle. What's worse, Tucker Carlson, Sean Hannity, and Candace Owens are on the bandwagon, examining the esoteric meaning of it all, as if Meghan Markle

is of any lasting consequence in this world.

---

## **Blood Money, Experimentation For Profit**

In 1951, I was sitting on the kitchen table in our apartment in Chicago swinging my legs as little girls will do. My mom was reading the very conservative Chicago Tribune newspaper, and often would read aloud to me as a child. I distinctly remember her reading an article that stated the federal government had sprayed a flu virus over the Rogers Park area of Chicago to see how the contamination worked on the population.

---

## **History... and Fantasy**

So we work. We plod on through good times and bad, wars and rumors of wars, crisis after crisis: we work to spread the good news of the Gospel, to give hope to a fallen world and light to the darkness. There is still great wickedness afoot, and we have to deal with it. And there will be times when it seems there is no path to victory.

---

# **Welcome to a Communist America**

The centralization of the means of communications in the hands of the state, a key plank of the Communist Manifesto, is already being implemented in the United States under the one-party state now in power. Many conservatives are being censored under this regime, but I thought you might want to know how it works in practice...

---

# **Watering Down America Into A Conglomeration of Strangers**

What can you do? You might want to get on the phone and start screaming into your House member and two U.S. Senator's ears. Not just about the drugs, but about allowing our nation to become a refugee center for the world's poor, desperate and unending masses.

---

# **No-No-No! Your Rights Come From Government, Not God**

You say, what happened to freedom? We say you willingly gave it up for the mirage of anonymity, comfort, safety and security. America has become a floating crap game of fools

while the socialist Democrats rip to pieces what's left of a once-free America. Americans killed America, not some foreign power.

---

## **Another Doctor Comes Forward On This Fraudulent Plandemic**

Crimes are being perpetrated against us without consequences to those committing the crimes. The reason there are no consequences is because the people have forgotten that they, under God, are the law to bring about judgment upon the heads of the wicked (Isaiah 26:9, 51:4).

---

## **Indisputable Proof That Donald J. Trump Won the Election**

Election 2020, a hotly contested subject. Many people are beginning to realize that the so-called win by Biden-Harris in the 2020 election was anything but; it was in all actuality a highly organized and carefully orchestrated theft on the grandest scale imaginable.

---

# **“Straight Out of 1984” Part 2**

This created reality description of a non-living fetus quickly changes, however, when the mother wants her child, and particularly, if someone else kills that child, whether accidentally or intentionally. At that point it's rightfully declared murder, with all the legal consequences attached.

---

## **America's Medical Guinea Pigs, Depopulation and Eugenics, Part One**

The US eugenics movement began to lose power in the 1940s and was completely discredited following the horrors of Nazi Germany. With modern advances in genetic testing, it is important to keep America's eugenics history in mind. Yet, can we avoid repeating this dark chapter, if so many in our country don't know about it?

---

## **Communist Disinformation About the China Virus**

One of the most successful Chinese Communist disinformation successes of the last year has been to convince many people that the China virus is either a hoax or just another flu-like

illness. Actually, the Chinese have never made that claim. They know the virus is real and that it kills in new and unique ways.

---

## **This “Racism” and “Woke” Thing is Getting WAY Out of Hand**

Dr. Seuss’ “Cat in the Hat” is now a racist book! That’s like saying if you drink white milk instead of chocolate, you’re a racist. If you like daytime more than nighttime, you’re a racist. That’s like saying the reason that Tom Brady won the Superbowl stems from the fact that he enjoys “White Privilege.”

---

## **With No Apologies**

Yes! America was settled as a solidly “Christian” nation! By Caucasian Europeans who built both their personal lives and civil government on the solid foundation and cornerstone of Jesus Christ! The following proofs are quoted directly from the writings and official documents of the original Founders of America, the Pilgrims and Puritans!

---

# **Dodging the Biden Bullet, Part 5**

This is taking America down a path I assure you the vast majority of Americans don't want to go. But here we are. I can not see God allowing this to continue too long. We did not vote for this. The election was stolen and the White House literally has the demons of hell residing there. Expect God to do something He's never done before.

---

## **Noticeably Different**

I do believe, whether America is destined to suffer the horrors of the Babylon of Revelation 18 or not, this nation WILL be justly judged and WILL be destroyed, for our sins have definitely piled up to heaven now. And the world will be amazed that such a nation could perish so quickly, yes, even in a day.

---

## **Power by Insurrection has No Constitutional Authority**

Patriots know we have a faux government put into power by an insurrection, which means it has no Constitutional authority to govern. The Constitutional requirements for voting were not followed, and every conceivable method of cheating was

employed, resulting in an insurrection and a faux government.

## **Why Private Property Matters: Part 1**

Locke warned that human civilization would be reduced to the level of a pack of wolves and cease to exist because lack of control over your own actions caused fear and insecurity. Private property ownership, Locke argued, brought stability and wealth to individuals, leading to a prosperous society of man.

---

## **Created Reality, Part 1**

There are six major media outlets owned by the same cabal of elite billionaires who possess 40 percent of the world's wealth. In meetings such as those held at Davos, Bilderberg, and the World Economic Forum, these billionaires, in collusion with technocrats and the media, have created an adverse form of reality to establish policies and situations to augment only them.

---

# **How We Got Where We Are**

Recently, I have received a lot of emails from people concerned that under President Biden we seem once again to be moving toward Socialism as when Biden was vice-president under President Obama. Of course, for the U.S. to move toward Socialism, the people would have had to be conditioned beginning a long time ago to accept it, and that began with our educational system.

---

# **The Serial Killer Known as the China Virus**

Good riddance to those shallow and gutless “conservatives” who fail to grasp and describe the enormity of the threat. Shame on those who fail to hold China responsible and accountable for a virus that has become so deadly it has taken the form of being a state-sponsored serial killer of our fellow Americans.

# **Christianity, Savior of Western Culture or Casualty of Cancel Culture? Part 6**

And all this time, the Right, conservatives, and libertarians were either asleep at the wheel or already succumbing to the

---

## **Show Me the Law**

If we do not get an understanding of how America was designed to operate, we have no chance of restoring this nation. Basic civics is no longer taught in America's government schools because those who are in control of The Government do not want you to understand how we have been snookered.

## **With Republican Help, Steady Marxist "Progress" Under Biden**

The Senate Republicans got a scalp. The mean Tweets of Neera Tanden got her nomination as Office of Management and Budget (OMB) director pulled by the Biden Administration. Wow. Has the GOP demonstrated it's a serious opposition party? But some Republicans seem eager to confirm Communist Party-backed candidate Rep. Deb Haaland in a far more important position – that of Secretary of the Interior...

# **It's All About Control**

In Canada the Peel Regional schools, covering three suburbs of Toronto, have hatched a scheme that has even a lot of the "experts" on the warpath. Here's what they want to do. If one child in your child's class tests positive for COVID, school officials want you to take your child home and "self-isolate" him in one room for 14 days. During that time, he must stay in the room and not come out...

# **Write a Letter to Your Congressional Representatives in DC**

For some reason, American voters continue voting Senators and House Members into office with huge paychecks term after term, but those elected officials fail to accomplish anything from year to year and in many cases, from decade to decade. I personally write my Golden City Council, governor of Colorado, state senators, two U.S. Senators and my House member...regularly.

# **America, Do You Like Being Lied To? Kamala Harris Returns Home, Only 2 People Welcome Her**

No matter how many times or how many ways you say it or share it, the people in this country blindly rally behind those who are setting the narratives. By following them, Americans are day by day adding strength to tyranny...

---

# **Welcome To The Final End Of The Green New Deal**

Government-manufactured racism, Climate Change and the Coronavirus, disrupted society so bad as to change it forever for the worse. Government seized upon the Coronavirus to expand its powers well beyond the 17 enumerated powers contained in the Constitution. Once the precedent was set, once the extra power was grabbed, there was no going back.

# **Lying, Cheating and Stealing,**

# **Elected Joe Biden**

Joe isn't running anything, and neither is Harris, who wasn't even in the loop on Obama's recent unprovoked bombing of Syria. She's upset that Joe never mentioned it to her in advance, but even dementia Joe didn't know, until he stumbled through the teleprompter announcement after the fact. Why do you think House Democrats are trying to strip mindless Joe of his nuke keys?

# **Rabid Marxists Dominate America's Judiciary**

Communists and socialists are evil proponents of big government who would willingly sacrifice human liberty and freedom to advance their concept of "social justice." From the beginning of time, this evil has paved the way and devolved into what we're seeing today. The hatred of God and the elevation of man is the very core of communism.

---

# **Why the Communists Are Winning**

As I note in *The Sword of Revolution and The Communist Apocalypse*, the Marxists see the U.S. as a society based on slavery which has since become the leading capitalist nation

and must therefore be “transformed” into socialism on the road to communism.

## **The Coming ‘Great Reset’**

We’ve already seen substantial spikes in the gas prices at the pumps, and it’s only been a month so far. But the price of gas at your local convenience store will be the least of your problems this year. It’s doubtful many will be traveling much of anywhere anyway, given the coming federally-mandated lockdowns, mask and vaccine mandates.

## **“Useful Idiot” Is a Technical Term**

Nothing offends people more than the cold hard truth these days. That’s why it’s fatally dangerous to shut down any and all voices of dissent and only allow the echo chamber in your life. Truth is not really in the eye of the beholder. Most truths are self-evident, you know it’s true the minute you hear it or see it, even when you don’t like it.

# **Renewable Energy IS Causing an Environmental Wasteland**

Not for the weak hearted...There is so much snow in Dagestan right now that animals are buried alive, Feb. 25, 2021: "Now after Texas, the Middle East, Asia and Europe, the 'Big Freeze is now coming back to Russia, where parts of the Ourals and Dagestan are experiencing so intense blizzards, leaving weather scientists baffled."

## **Killing the Keystone Pipeline: Are We Being Led by Fools or Idiots in Washington DC?**

Do you realize we suffer a lot of stupid people in Congress and in the White House that are taking our country for a 'ride'? I mean, Joe Dementia closes down the oil pipeline only to open up our borders for the human invasion violating our laws. He celebrates BLM, but won't honor our borders or our U.S. Constitution.

# **Trump Hatred Has Crossed the Line of Insanity**

Democrats have passed a law for a president (in this case President Donald Trump) to be banned from being buried in Arlington Cemetery when the time comes, using as their reason (?) that he was impeached twice, AND he is responsible for the January 6th riot at the Capitol Building. This has taken hatred to a new low.

## **Dodging the Biden Bullet, Part 4**

As we look at these bills that are only disasters for America, America's economy, and the American worker, keep in mind that I do not believe that if enacted, that they will stand. I believe that the Creator of this nation, God almighty, is working on something that will shock not just the United States but the entire world as well.

## **Politicians Continue to Grant Early Release for Violent**

# **Criminals With Disastrous Results**

Lawrence Paul Anderson was first sentenced to prison for attacking his girlfriend, pointing a gun at her, and possession of crack cocaine with intent to sell. Sentenced to four years, he was out in less than two. Six years later he was sent to prison again, this time for selling crack cocaine – near to an elementary school.

## **Where Do We Go From Here? Part 4: Prepping For Tyranny**

Increasingly, we live in a world where those fascinated with power and an urge to remake the world in their image of Utopia feel free to do as they please. They don't bother to hide it. Those who seek liberty must learn to do the same thing, when and where they can. But they would do well to separate as quietly as possible, at least for now.

## **The UK and the London Mayor**

There's a super smart man who is currently driving around the streets of London at the moment. He is tall, motivated and extremely brave. He is an entrepreneur and knows how to get things done. He is clean shaven, wears very snazzy Saville

Row suits with a bright red tie, and what's more he's American.

---

## **We Need a Dose of McCarthyism**

Rather than less McCarthyism, we need more. The Communists are taking over and most Republicans are pretending it's not happening. Let's hope that former President Trump, speaking at the Conservative Political Action Conference (CPAC) this weekend, outlines how he will take back the presidency from the Deep State.

---

## **They Used to Call it Freedom**

Trump's "America first" policy was 100% appropriate and necessary for the United States and the hope of freedom all over the globe. But it meant death for the global communist One World Order folks, to include the U.S. Military industrial complex, the war for profit crowd, and that's why every possible weapon was used to steal the United States, not from Trump, but from the American people.

# **We Must Right The Good Ship USA before it Is Too Late**

Today our republic is facing probably the greatest and most challenging times in it's illustrious history. In every other major violent challenge, ranging from the Revolutionary war to the 9-11 attacks that wiped out the World Trade Center, caused a horrific jet crash in Pennsylvania and the punched holes in the Pentagon, there were concerted efforts to legally combat against those tragedies.

---

## **The Public's Masters**

Somewhere along the way, public servants became the public's masters. Paternalism is hard to bear even when it's well-meaning, and benign. But when the paternalists despise the people that they govern—well, that's where we are now. Two examples will suffice.

## **The Rotten Fruit of Friendship Evangelism**

We are in a war. It is not a new war...but one that is ramping up on both sides. God has enemies and His enemies are my enemies. They should be yours as well.

---

# **What's It Like In "Woke" America**

Today, biological DNA males enjoy legal competition against biological DNA females. The same goes for those DNA males walking into DNA female bathrooms. Those same DNA males can out-muscle, out run, out hit, out wrestle and outperform any and all DNA females.

# **Essential Before the Election, But Not After**

A long time ago, I wrote in a column that I was growing increasingly concerned that our citizens were rapidly rushing towards the moment in history when they would simply be "too stupid" to remain free. 2020 marks that moment in history... unless we do something to reverse course. So far, most are not even aware of the problem! YOU are the future taxpayers who will have to pay dearly for your future "free stuff" for others.

# **If Americans Understood the Price of Their Freedoms**

Americans can attempt to deceive themselves into believing, with the use of sophistries by the corporate-owned and operated media, that they are given correct and right information. Most of you know that they are not telling you the truth concerning any matter, if, in fact, the topic even matters. Unless, of course, it works to their owns ends...
