No matter how many times I warned the American people concerning the history of the sodomite agenda (Leviticus 18:22, 20:13; Romans 1:24), they refused to listen in siding with, advertently or inadvertently, to that which the Lord clearly condemns.

Everybody is talking about America needing a reset and I agree. We need to go back to what made America great not shift over to what has proven through all six thousand years of man's history as a total failure . . .

## **Democrats, Media, and Big Tech Attack Senator Tim Scott – For Speaking the Truth**

Democrats and their staunch allies the media and Big Tech don't want We the People to understand, they don't want the truth to come out. Finally Joe Biden's handlers let him out of the closet they keep him locked up in.

## **Dysgenic Islamic Inbreeding**

During the KV-197 band C-130 pilot transition program run by Lockheed Corp. in Saudi Arabia, American instructors found that most Saudi trainees had very limited night vision, even on the brightest of moonlit nights. # Communist Media Attack Western Vaccine Successes

With my pro-vaccine columns getting censored and dozens of people dropping off my subscriber list because of them, a friend wrote to me, saying, "I'd move on. Biden/Harris are doing plenty of other things wrong to write about." There are a couple things wrong with this approach.

## Joe's Joint Session of Socialists

Pseudo-President Biden gave his first teleprompter reading to a joint session of socialists on April 28th – which drew about as much audience and support as the average Biden or Harris campaign rally last year. Nearly none...just a handful of socialists, most of whom are his handlers

## I'm So Old

I guess it's official. I'm officially old. It's not just the multiple mailings I get every month from AARP or the fact that the grocery store checkout clerk routinely asks me if I qualify for the "senior discount." Lately, I've been thinking about the way things used to be and feeling a little like a dinosaur.

# **America's Lack Of Judicial Integrity, Part 1**

Some people have said that America is heading for a reset. In many cases, I agree that we are in desperate need of a reset when you look at what is happening in our country. Cities are burning, violence is off the charts, though all this is only happening in Democrat-controlled states, it is still happening.

# **An Unaware and Compliant Citizenry, Part 2**

In Fabian Socialist Bertrand Russell's THE IMPACT OF SCIENCE ON SOCIETY (1953), he wrote that "it is to be expected that advances in physiology and psychology will give governments much more control over individual mentality than they now have even in totalitarian countries."

## **Academy Award a Dud – Time to Go Back to Hand Cranked Cameras!**

The so-called Academy Awards Show tonight was the worst presentation ever shown on TV. First of it exhibited no excellence. There was no structure. It was like Amateur Night in Dixie. Indeed there was not one iota of professionalism spotlighting a skilled profession which should be trusted to be totally polished.

## **The Cancer Of Identity Politics**

Every morning that by the grace of God I arise from my overnight slumber I give thanks to our Creator for another day

of life. I am also thankful for being born in the United States of America. My wonderful Dad taught me at the age of eight how blessed we are to be sovereign United States citizens.

## **Is This Nation's Fate Accomplished An Acceptance of Our Destruction?**

Tucker Carlson said, "Demographic change is the key to the Democratic party's political ambitions. Let's say that again for emphasis because it is the secret to the entire immigration debate. # **Without The Rightful Authority Freedom Will Vanish**

Words have meaning. They are the vehicle through which every thought is communicated. For years, most Americans shared an understanding of a common language...based on common usage of words. Slowly and steadily the meanings morphed into confusion. Today, so many words no longer mean what they used to mean, and most Americans still have not bridged the language barrier.

## **Trump's Miracle Vaccines Save Millions**

Not only is the China virus real, but the Drug Enforcement Administration (DEA) confirms that "China remains a key source of supply for the precursor chemicals that Mexican cartels use to produce the large amounts of fentanyl they are smuggling into the United States."

## **To Stop Mob Violence You Must Crush It!**

Every parent instinctively knows, or should know, that if a young child acts out, becomes violent, belligerent, or

disrespectful, some form of discipline is in order. And the discipline has to be the kind that gets the message across. If no discipline is applied or if the discipline is not sufficient, the child will continue his or her behavior and that behavior will only get worse over time.

## **Manipulating Vaccine Recipients Numbers to Isolate The Non Vaccinated**

This is the reason for the Saul Alinsky tactic that, once again, is being played out right before your eyes: "Cause the enemy to believe that there are more of us than there really is." It is to isolate you into believing that you are the only ones that are refusing to comply.

## **Gov. Abbott: Stop COVID-19 Vaccinations Now**

If you are unfamiliar with my latest columns on this nightmare, please go to my archives. This time my letter isn't to the Health & Safety committees in our state legislature, but to my GOP governor, Greg Abbott. You need to do the same, just tailor my letter to your governor.

# **Chauvin Trial Verdict Was a Foregone Conclusion Even Before the Trial Started**

The autopsy that the prosecution referred to as conclusive evidence of Chauvin's guilt is anything but conclusive. The "facts" as stated by the various "experts" are far from even being in agreement as to cause of death. Dr. Andrew Baker, who is the chief medical examiner for Hennepin County gave conflicting testimony on what the cause of death was.

# **Multicultural America: Are We Becoming a Land of Strangers?**

Is Biden purposely flooding America in order to displace us from our own country? Yesterday, my wife Sandi and I shopped at a Costco store in Denver, Colorado. It sounded and felt like shopping in different countries with so many languages being spoken and strange modes of dress.

## **An Unaware and Compliant Citizenry**

In a previous article, I quoted from emails by Democrat strategist Bill Ivey to John Podesta and Podesta's subsequent strategy as Hillary Clinton's 2016 presidential campaign manager. The response by NewsWithViews readers was underwhelming, so I will try to explain the emails' importance.
