I and many others have written repeatedly about the danger of Joe Biden and Kamala Harris. Joe Biden will do what is expedient for the Democratic Party, according to the new power players and the old power players that support far-left policies. Kamala Harris is nothing more than a prostitute for power, anything goes if Harris achieves and receives what she desires.

## Senate Republicans Endorse Biden's Deep State Picks

In his column, "Clinton's Brilliant Strategy," Dennis Cuddy suggests that the fate of Donald J. ## Curious Feelings About Losing America's Sovereignty

America's new president vowed to open the borders, tear down the existing wall, no deportations for violating our laws, and promises to give amnesty for 25 million people who arrived illegally and without invitation. # **Trump Did NOT Incite D.C. Riots**

Antifa along with BLM with their ears on the tracks, and mined the info that these supporters were coming to D.C. George Soros quickly paid for busses to take them to the Capitol to intermingle with Trump Supporters. They are the one's who came, with weapons, to crash the U.S. Capitol. And they were all paid to do so.

# **Trump Is Fighting Both Parties, Part 2**

I think that we need a new party to challenge the Republicans. I think many in the present Republican Party would gladly switch and let the gutless wimps remain controlled by the Democrats. There are Republicans that have the guts to stand up for the American people and our Constitution and we need to see this happen if we are to remain free.

# **Where Do We Go From Here?**

## **Part 2**

Herbert Marcuse, the most influential Frankfurt School philosopher, invoked race in place of class. Feminists followed with gender-bending. They retained Marxian group-derived consciousness, and identity politics was born. This explains the cultural left's complete indifference to America's working class – too white, too male, and too heterosexual.

Concerning Yuval Noah Harari's NEW YORK TIMES article, "When the World Seems Like One Big Conspiracy" (11/20/20), he believes that global cabal theories, such as Nazism, are

## **Rest in Peace GOP**

## Where Do We Go From Here? Part 1

Prepare yourself to get into the right mindset. What I mean cannot be explained except in a full article, but you have to prepare to separate yourself psychologically, politically-

## **Censorship in America: A historical Perspective**

In today's age of information, more people get their news from the Internet than from newspapers/periodicals. The situation becomes even more acute given the anonymity of the Internet executives and their algorithm writers. This concentrates enormous power in the hands of big tech, who use censorship as a means to advance an ideological and political agenda.

## **TIMELINE: The 2016 Presidential Campaign Until Now**

So what is in store for us? ABC's political director Rick Klein on January 7 originally wrote in a manner that sounded like a Nazi: "The fact is that getting rid of Trump is the easy part. Cleansing the movement he commands is going to be something else." Meanwhile, Speaker of the House Nancy Pelosi is going to start pushing her "wish list"

# **Massive Tech and Corporate Censorship: Bite Back**

Americans for at least the last decade have been demanding Congress reign in the big tech monopolies. They've done nothing but hold committee meetings that have been little more than spitting contests while those billionaires continued killing off any competition. To date they've done nothing to gut Section 230 of the Communications Decency Act which is a joke, giving all of them a green light..

---

# **Who Knew About and Planned the "Insurrection?"**

Investigative journalist John Solomon also offers evidence of a planned attack. Hence, it was not a spontaneous riot emanating from Trump's speech. Such a charge, still popular in the dishonest mainstream media, was bogus in the first place, since Trump had called on his supporters to march to the Capitol peacefully and patriotically.

---

# **Did Mike Pence Had the Authority to Decide the Election in Favor of Trump?**

That being said, Trump was and is wrong in what he said and how he treated Mike Pence, I will NOT recant on that. For the sake of our country, people ought to be glad that Pence had the character (in this case) to say he did not have the authority to decide, because as I exhaustively pointed out here via the Constitution and the Electoral Count Act – he did not.

## **Immigration and China's Threat to Our Sovereignty**

But as they stood on the shore in the shadow of the Statue of Liberty, the trouble for these scared, desperate, cold, hungry refugees had just begun. ## **Fact Checkers Should Investigate the Murder of Ashli Babbitt**

I sent these “fact checkers” my own video interview of a person who was at the rally and saw Antifa-like people with skeleton masks and smelled the dope they were smoking. Antonio Chaves told me what he saw and encountered at the rally. These people didn't seem to be Trump supporters. He saw a member of Antifa trying to break a window and Trump supporters trying to stop him.

## **Biden As the Post Turtle President of America**

Half the people in America scratch their heads in wonderment concerning the Biden Administration. How did Joe Biden, after

47 years of accomplishing about as much as a chicken scratching in the dirt for worms, ascend to the presidency of the United States?

---

## **Are the Democrats Going to Turn America Into A Banana Republic?**

The Reds were waiting for the right moment. As soon as they heard that President Trump was bringing many supporters to the Nation's Capitol, they immediately made plans to have their own people there to infiltrate, turning those peaceful persons into a violent mob and to turn Trump's support gathering into a riot.

---

## **Never Give Up!**

I will be one of those that stands. We have to walk by faith and not by sight. God told the prophets Trump will win. I stand with them. God always works with the remnant. Be part of the remnant and never give up!

# **Pearl-Clutchers on Parade**

Because, as the esteemed Daniel Greenfield points out, Democrats heartily approve of violent acting-out riots —as long as they support Democrat ideology! In 2018, he reminds us, there were “glowing stories” about the hundreds of Women’s March members who were engaging in “direct action” to disrupt the Senate’s Kavanaugh hearings. They blocked hallways, shouted down Senate members, and draped protest banners from balconies. Democrats cheered them on.

---

## **Is America a Christian nation? Or, is it a nation of churches?**

There is a big difference, you know. A Christian may go to church or may not but his or her primary spiritual purpose is to become a disciple of Jesus Christ. A lot of people go to church to be parishioners, not disciples. They want to feel good about themselves and to look good to others. We have a lot of politicians and journalists who fall into that last category.

# **Gutless Republican says Trump Must be Removed From Office Immediately, Chuck Schumer Cheers**

The problem I have with this is that I personally don't believe Trump supporters are the guilty parties here. But, both Democrats and Republicans in power, support fraud and corruption. This Democrat control will allow President Biden to implement his "New World Order" that he called for in the Senate on January 13, 1993. And this will help achieve a World Federal Government wished for by President Clinton in a June 22, 1993 letter signed by him and which I have!

## **U.S. Capitol Police Murder Trump Supporter**

Tucker Carlson asked people to consider why Ashli Babbitt went to the rally in the first place. He noted, “She bore no resemblance to the angry children we have seen wrecking our cities in recent months – pasty, entitled nihilists dressed in black, setting fires and spray-painting slogans on statues. She looked pretty much like everyone else. So why was she there?”

# **America's Difficult Path Into 2021**

As of last night's results in Georgia, the democratic party will now be able to run roughshod over the other half of our country's citizens. It's a clean sweep of power, money and influence. The mainstream media made it possible along with the CIA, FBI and corruption of the Deep State that pulls all the levers of power.

# **What the Constitution REQUIRES Congress to Do on January 6, 2021**

Just as the cowards in Germany went along with Hitler; cowards in America are going along with the Left's brazen theft of the recent election. ## **No Arrests Means NO Crimes**

According to democrat politicians, judges, lawyers, and the news media, "there was no election fraud in 2020." This claim is made entirely on the basis that no court in the country has

## **Trump Is Fighting Both Parties, Part 1**

It is easy to see that President Trump will have a battle on his hands over the next four years. ## **The Treasonous Reasons Behind the Theft of Our 2020 Election**

## Globalists Unveil Their Latest Scheme

With their own peculiar brand of a New Year’s resolution, the globalists are out with their latest plan – a Global Alliance to Defend Democracies. ## **Christmas Magic: Moment Frozen in Time Where the Bolt Goes Into the Bottom of the World**

As a country, we faced horrific upheaval racially, sociologically and ethnically. We've sown the seeds of our own demise since 1965. We've carried on two empty and meaningless wars since 2001. Those wars cost us thousands of young men and women in combat, but we suffered an astounding 114,000 suicides of active and retired military from the Afghanistan and Iraq Wars.

## **Just Say 'No!'**

So what's actually IN the COVID vaccine? Like many others, there's Formaldehyde, which is embalming fluid; then there's

Aluminum, shown to cause neurotoxicity, Alzheimer's disease and cancer; next, an ingredient called Nagalase, which is a protein excreted by cancer cells. It's found in patients with cancer, autism, diabetes, immune disorders and viral and bacterial infections.

## **America Is Rising, Part 2**

We have seen that since the days of Woodrow Wilson we have men in places of authority, high places of authority, begin to take America towards that path of socialism and communism. The president that destroyed our monetary system was good old Woodrow Wilson. Then in the 1930s, Franklin Delano Roosevelt put the big push on with all of his...

## **Drag Racer Denny Guinta Completes Final Lap**

The toughest thing for any writer to do is announce the departure of a best friend. A best friend is closer than a brother even though both are gifts from God and both bonds are strong. But one does have a bit more latitude with a best friend than could take place with a brother or sister.

# **It's Time to Expose and Punish Traitors**

The dramatic hacking of federal government and private networks demonstrates the threat. What many won't concede is that these hackers, apparently originating in Russia and/or China, also have the demonstrated ability to hack into our electronic voting systems, and undoubtedly did so.

## **Cancel Culture: Social Justice, Political Correctness, and the Woke Menagerie, Part 4**

We are in a battle, one of wits, words, and betrayal. Soon it will become even more deadly than it is now. We must win this war, because there will be no room for a do-over if we lose. The loss will not only be homes and lives, but the flame of freedom across the entire world.

## **The War For True Liberty**

# Continues

Since before the time of the biblical matriarch Abraham, to some degree or another, there were men who sought another way of life beyond the normal oppressive kingdoms and dictatorships. Even before Abraham, certain men were seeking to dominate their fellow human beings and mold them into their wicked anti liberty and anti God image.

## The Age of Manufactured Consent

How do you govern a country when roughly half the citizens, and very likely more, believe you have no right to govern them at all? Because you lied, cheated, and stole votes to rig an election: that's how you got your power.

---

## The Bondage of Lies

Lies. All lies, taught to our children as Truth. No wonder millions of Americans walk around wearing dog muzzles in the name of science. Soon they will be lining up for a vaccination that "they" tell us will prevent us from getting the flu.

# **What's The Mystery Of Mexico's Millions of Poor People?**

Why would Mexico with all its natural resources, oil reserves and hardworking people be considered a "failed-country?" Why would it house the most violent drug cartels in the Western hemisphere? Why would 15-million of Mexico's citizens illegally migrate into the United States? Why does Mexico's elite do little to correct the inequitable wage norms...

# **Is Trump Headed for Mar-a-Lago?**

I still hold out the hope that Trump will somehow use executive power or the Insurrection Act to expose and arrest the saboteurs behind the election theft. But the Trump decision to allow Attorney General Bill Barr to resign, rather than be tossed out on his big rear...

# **Do As I Unconstitutionally Say, But Don't Do As I Hypocritically-Criminally Do**

What is it that Americans will not tolerate? I know not. From Austin's mayor vacationing in San Lucas to a governor golfing and gathering at a social event. Do Americans really believe that this corruption will not catch up to us? Because it is. It has rightly been stated that those that are not zealous against error are not likely to be zealous for the truth.

# **To Kill A Free Nation, Take Over Public Education**

Millions of American old timers feel just like this one does but they are too old to get involved, or unable to articulate their concerns in one form or another. It is up to the young ones to save liberty, but the young ones have been brainwashed in a public education system that was pre-programmed to kill a free nation in just a few generations.

# **Trump Can and Will Win on**

# Many Levels

It seems that the Supreme Court already ruled in 1997 in *Foster v Love*, that all ballots received after midnight on election day are to be thrown out. Hark, how soon they forget the Constitution and the law, even their own rulings and succumb to political pressure and threats from elections criminals.

## **The Daily Caller should change their name to: The Daily Propagandist**

Fox news has fallen to the Leftist regime, and now apparently The Daily Caller is in hot pursuit of the Leftist dogma train. The list is getting smaller every day of news outlets that can actually be trusted. Conservative outlets NEED your support, including this one. Sign up for our daily news brief and desktop notifications and bypass the censorship machine.

## **The Fate of America is in Trump's Hands**

But it's Jill Biden who wants Joe in the White House, as she desires the power to promote the Cultural Marxist agenda, as

she did when Joe was vice-president under Barack Hussein Obama. One of her pet projects was transgenderism for kids, a cause embraced by Joe himself during a presidential townhall when he talked about 8-year-olds being given the right to change genders.

## **Immigration, Resources, Our Civilization: What The Future Looks Like**

If you haven't seen the video, watch it for your children. They walk right into the crosshairs of the future of our country: This video graphically and dramatically illustrates America's immigration-population crisis. I wrote it and narrated it. Tim Walters of Cleveland, Ohio directed and produced.

## **America Is Rising, Part 1**

To make this as clear as I can I have to give a history, not exhaustive by any means, of how America has come to a point of being on the verge of accepting socialism or even outright communism after defeating decades of attempts by outside forces we now see that there are forces within America that are attempting to turn America down the path to the hell and destruction we have seen the USSR and Venezuela go down.

# **A Repeat of the Battle Athens, TN?**

As I said earlier, this could have easily been avoided. The county election officials all work for the people of that county. Board members are elected, and they in turn hire and oversee poll workers. If you hired a store manager and found out they were allowing the employees to steal, wouldn't you fire them? Then why didn't the citizens of these counties fire these officials?

---

# **How Trump Can Remain in Office No Matter What**

People are not contributing tens of millions of dollars to Trump's Election Defense Fund just to see him walk away from the oval office if the "High Court" rules against him on spurious grounds. That's when Trump must exercise his constitutional authority to stay in office until a fair and honest election is held. Anything less would be a dereliction of duty.

# **Don't Let This Ruin Your Christmas**

Americans have found out the hard way about what we call "porch pirates". Petty criminals who troll neighborhoods looking for packages on porches. They stop, snatch within one minute and take off before a homeowner even knows what's happened – if the homeowner is even home.

---

# **Democrats Have Turned Normal and Common Sense Into Raw Sewage**

Socialist Democrats, starting as far back as President Woodrow Wilson, created out of thin air a whole host of additional social rights accruing to American citizens. Why? To buy votes of course. As the social rights grew under successive Democrat administrations, so did the enormous price to pay for those social rights.

# **During This Time Of Christmas We Must Not Forget The**

# **Greatest Gift Of All**

Throughout our republic there are numerous reminders of the greatest gift of all. Unfortunately, there is a concerted effort to systematically wipe out this greatest gift. Much like the barbarians who sacked ancient Rome, recently, modern day barbarians in the form of Antifa and black lives matter tried to eradicate America

## **Pearl Harbor Day, 2020**

What if, instead of attacking America's Pacific Fleet at Pearl Harbor, the Japanese sought to dominate America politically, economically, financially? What if they had access to technology that would allow them to corrupt American leaders and meddle successfully in American elections?

## **Take Off the Muzzle and Save America**

Small businesses are going broke because of these governmental miscreants. They are closing down mom & pop businesses for one reason only, "destroy the middle class" A prosperous middle class is the enemy of communism. NOTICE, they are not shutting down Big Tech and Big Hollywood.

# **Rivers Getting The Snot Pounded Out Of Them Everyday**

At some point when enough Americans realize that they are losing their country, we can drive this issue to the forefront of the mainstream media, or, at least create a grassroots revolution to stop all immigration into our country—that's if we want to survive the 21st century as a viable and sustainable civilization.

# **Truth Has Been Canceled – It Will Take Freedom With It**

Today fear is the prevalent control factor. Fear of getting sick. Fear of unemployment and being financially devastated. Fear of being shamed on social media. Fear of being called a racist (if you are white). Fear is effective. It results in paralysis and looking to the authorities for rescue. Sometimes, of course, fear is justified. Other times, not. The point is, fomenting it has proven to be a very efficient control mechanism.
