

# The Jab

The reason this article is called the JAB is because it is not a vaccine. The definition of a vaccine is a molecule injected into your body to allow your system to manufacture an antibody to a disease process. What is being called a vaccine is in no way, shape or form a vaccine. It is a product designed to achieve a specific outcome.

## Super Rich Started Last Civil War and They are Doing it Again

The wealthy, self appointed rulers and their corrupt followers started the last civil war when 500,000 people died, and half of the country was destroyed. Now they are starting another civil war for the same reasons, power and money. This time the death toll will be many times higher due to starvation in the inner city plantations.

## The Fourth Industrial Revolution = Planned Dystopia

Kimberly Amadeo, President of World Money Watch defines fascism as: “a brutal economic system in which a supreme

leader and their government controls the private entities that own the factors of production. The four factors are entrepreneurship, capital goods, natural resources, and labor. A central planning authority directs company leaders to work in the national interest, which actively suppresses those who oppose it".

## **The China Virus Was an Inside Job**

We have lost 564K people to the China virus, while Europe has lost more than 1 million. But Avril Haines, China Joe's Director of National Intelligence, refuses to say that China is an enemy. It is a "threat," she conceded, but U.S. intelligence agencies are on top of the problem. These are real people and real deaths. This is communism in action. And the slaughter continues.

## **Beware the Government-Corporate Complex**

Most white guys will not write about race because the media has successfully silenced our voices for fear of being called the R word. Well, I am not one of them. As Yogi would say, "I call them like I see them" and no amount of intolerance from the tolerance crowd is going to silence my voice.

## **When Stopped by Cops: Don't Fight or Run from the Law**

Over the last several years, a number of really stupid people have been stopped by the police, but then, resisted arrest. The local juvenile thug in St. Louis robbed a convenience store, got stopped by a cop, and then wrestled with the cop, only to escape, then turn to charge toward the cop with an intent to do bodily harm. Michael Brown proved to be one stupid kid.

# More About Joe and the Jews

Right by Obama's side for his entire eight years in office was VP Joe Biden, consistently endorsing, approving of and applauding his boss's policies, including the Iran deal, which pretended to delay the world's most malign terrorist state from acquiring nuclear weapons that the mullahs said then—and say today—are intended to eliminate the State of Israel.

## Vaccines Are a Self-Defense Weapon Against China

Feeding the fear, which will accelerate after Biden's suspension of the Johnson & Johnson's one-dose vaccine, G. Edward Griffin, creator of Red Pill Expo, warns of “The Great

# **Biden, You're Not A President. You're Just An Old Fool!**

Somehow the people manage to elect the dimmest Democrat politicians to public office who seem to be disconnected from reality, devoid of logic and reason and without a lick of common sense. The electorate is so stupid it votes for party over substance, it votes for government dependence instead of independence and self-reliance, it votes for race over character and it votes for socialism over constitutional freedom. Now just how smart is that?

# **The New World Order's Pied Pipers**

Now it is up to us, We the People, to stand for our Lord, our Republic, our liberty, and our posterity. But to do so, we need to first acknowledge the truth of what has befallen us, painful though that may be. Then, like our forebears who founded this great nation, we oppose tyranny and do all we can to restore our Republic, our Constitution, and our sovereignty, so that government of the people, by the people

and for the people shall not perish from the Earth.

## **Unraveling the Lies and Dropping the Masks**

Last week, I received a lovely note from Les Fradkin, world-famous award-winning composer and virtuoso MIDI guitarist and so much more. He said, "I read your NewsWithViews columns all the time. I loved it because he sang about what is happening to our country, and for us to "turn to the truth and turn to the light."

## **Nation of Lawyers, Not Laws**

On April 8, 2021 in a speech pertaining to his maniacal "gun grab" agenda, pseudo-president Joe Biden plainly proclaimed that "no amendment to the Constitution is absolute," meaning, that nothing in the Constitution or Bill of Rights is absolute, all of it, subject to change via the whims of Executive Orders.

# **The Truth About Energy, Part 2**

Looking at our energy today we saw the disaster in Texas with the windmills and the solar that supports about 18% of their total power. If it snows hard neither are reliable. Liberals are pushing for alternative sources for energy which I don't think is bad but until we have an alternative source that is reliable 100% of the time as fossil fuels are, we shouldn't even consider replacing fossil fuels.

Biden in his infinite wisdom also killed the Keystone Pipeline project, also on day one in office. Thank commander Biden for that.

## **Are American Enemies Using Our Ports and Borders to Invade America?**

# **Great Americans Looking Toward Our Creator**

Long before the Pilgrims journey to what they considered “The New World”, great leaders sought the mighty wisdom of God. When God asked Solomon, “what do you desire? # America's Vaccine Passports and China's Social Credit System

All three branches of our government are held today by hardcore Democratic Socialists, who are extremely fond of Marx and Engels. Their followers immigrated to America in 1848 after the failure of socialism in Europe and have assiduously worked to change America into a communist state, one that too closely resembles the massive citizen control in the CCP.

## Real Covid Facts You're Not Allowed to Know

As my family was visiting Rome in February of 2020, we took a tour of the Colosseum only to discover a statue of Moloch, the pagan deity of child sacrifice, being displayed. It was truly shocking. We are incessantly told by our so-called health authorities that we have a health crisis which is caused by the COVID-19 viral pandemic. In closing, let me tell you that when you grow into the realization that when you “belong’ to God through Christ’s sacrifice that all things truly do work to our good that most people will not understand. ## Cancel Culture, Part 1

I was born five years after the end of WWII and most of my generation subscribed to the theory that we have to stay away from the ideologies that brought WWII on. We are seeing it fade into history because we won’t stand for what this country was founded on.

## **What is the 'Super Straight' Movement and Why Should it Concern You?**

Have you heard about the new "Super Straight" movement? I hadn't until yesterday in fact. Very interesting and it is already gaining significant traction, as well as more than its fair share of detractors, or more like angry hate filled people.

## **I Thought That It Was Not About The Children – Of**

# **Course It Is!**

From threatening my ministry center to be burned down to putting my house up online, only to then receive death threats; and with all of this, the mainstream media was right there keeping the target not only on me but also my wife and children (Genesis 19:1-29).

## **All I Want Is Government Out Of My Face**

As the current president of the United States Joe Biden's actions have been massive intrusions in the lives of every American. Killing private sector jobs, to creating a humanitarian crisis on our southern border, to interfering in gender differences for insane purposes, to creating a false racial narrative and instituting race indoctrination...

## **The Elephant (and Donkeys) In the Room**

A the recent CPAC convention, over two-thirds of the attendees indicated they would like to see former President Trump run again in 2024, which the former president when he was at CPAC said he would do. Many of the supporters of Trump are more loyal to him than to the Republican Party, so one could say

that for the foreseeable future, he will be the dominant “Elephant (Republican) in the room.”

## **Deprivation of Rights Under Color of Law is a Crime**

Because the Biden pseudo-Administration is rushing to set a new record in tyrannical deprivation of Rights at breakneck speed, it's now necessary and appropriate for State Legislatures to protect their Citizens from rising Federal and State abuses of unlawful and unconstitutional abuses of government authority, committed by both the Executive and Judicial branches.

## **Blood Lust: Covid Vaccines, and Culling the Population, Part Two**

We've taken God out of our schools, out of society and even out of America's pulpits, and for a country founded on the laws of the Almighty, we are facing massive destruction and death unless we confront the evil of America's encroaching communist revolution and destroy it.

# **COVID Shot: Rising Deaths, Serious Injury, Spontaneous Miscarriages and Stillbirths**

In my February 8, 2021 column, COVID-19: Request Investigation at State Legislatures Health/Science Committees, I requested, as well as dozens of concerned individuals who signed onto my letter, that committee do two things. We the People must know the truth regarding the actual existence of this 'novel' COVID-19 coronavirus and second, the actual number of cases and deaths.

# **Bolshevik Bernie On the Verge of Total Power**

Bolshevik Bernie Sanders, the lone Senate member of the Congressional Progressive Caucus, is poised to take over the Democratic Party, after his supporters and sympathizers engineer the ouster of New York Governor Andrew Cuomo and President Joe Biden. Sanders' socialist "dream" is about to come true.

# The Occupation of America

Friends and colleagues have asked me why I have stopped writing articles related to Islam and its perpetual threat to the United States of America. My answer is simple. America has a much bigger problem than Islam.

## Dismantling America's Culture: Kermit The Frog As a Racist

Dismantling America's culture, also known as "The American Way," has been deliberate, steady and ongoing for the past 50 years. Certain interests started attacking our most cherished events such as Christmas, Easter and Halloween. They want them erased. Lately, Megan Markle and Oprah Winfrey have made everyone in Great Britain and America total 'racists'.

## For Such A Time As This

Folks, there can be no doubt, if you believe God's Word, that is written in the scriptures in Revelations, chapter 19, verse 6, that "Alleluia: for the Lord God omnipotent reigneth." As Ben Franklin stated in his speech on the occasion of our nation's founding, "I have lived, sir, a long time; and the longer I live, the more convincing proofs I see of this truth,

that God governs in the affairs of men.”

---

## **Dodging the Biden Bullet, Part 6**

This fake administration is making a mockery of this nation that God established to be a light unto the world. This nation voted for godliness not the perversion that we are witnessing. God will have His way because this is His nation and when He turns it around, we will see the most drastic exposure of corruption that this world has ever seen.

## **Famous Wallenda Family Member Dies**

The best known high wire act in circus history would be The Great Wallendas. The Patriarch of the family, Karl, came to America with his troupe from Germany under contract for the Ringling Brothers Circus. Their act was an immediate hit in America, receiving a ten minute standing ovation in Madison Square Garden at their first U.S. appearance.

# **You Can't Fight What You Can't See**

Once again, the Republican Party demonstrated that it is hopelessly divided, weak, and unable to confront and reverse the direction of the country under China Joe.

---

## **Joe Promises to Grant you Freedom, If...**

In a stunning March 11th teleprompter reading of someone else's words, pseudo-President Joe Biden attempted to settle the nerves of Americans and a growing number of states rushing to defend them from ridiculous federal tyranny, demonstrating only that he's the biggest sock-puppet to ever occupy the Oval Office.

---

## **The Façade of the Covid Fraud**

Should we be approaching the end times spoken of in Daniel, Thessalonians and Revelation, let me encourage all of those who do not know Jesus to make every effort possible to accept Him as your personal Savior, thereby avoiding being left behind to go through the many terrors during the seven years of anti-Christ's reign.

---

# **Can We Get Serious About America's Survival?**

The nation is sliding into one-party Marxist rule and all we can talk about is Meghan Markle. What's worse, Tucker Carlson, Sean Hannity, and Candace Owens are on the bandwagon, examining the esoteric meaning of it all, as if Meghan Markle is of any lasting consequence in this world.

## **Blood Money, Experimentation For Profit**

In 1951, I was sitting on the kitchen table in our apartment in Chicago swinging my legs as little girls will do. My mom was reading the very conservative Chicago Tribune newspaper, and often would read aloud to me as a child. I distinctly remember her reading an article that stated the federal government had sprayed a flu virus over the Rogers Park area of Chicago to see how the contamination worked on the population.

# History... and Fantasy

So we work. We plod on through good times and bad, wars and rumors of wars, crisis after crisis: we work to spread the good news of the Gospel, to give hope to a fallen world and light to the darkness. There is still great wickedness afoot, and we have to deal with it. And there will be times when it seems there is no path to victory.

## Welcome to a Communist America

The centralization of the means of communications in the hands of the state, a key plank of the Communist Manifesto, is already being implemented in the United States under the one-party state now in power. Many conservatives are being censored under this regime, but I thought you might want to know how it works in practice...

---

## Watering Down America Into A Conglomeration of Strangers

What can you do? You might want to get on the phone and start screaming into your House member and two U.S. Senator's ears. Not just about the drugs, but about allowing our nation to become a refugee center for the world's poor, desperate and

unending masses.

---

## **No-No-No! Your Rights Come From Government, Not God**

You say, what happened to freedom? We say you willingly gave it up for the mirage of anonymity, comfort, safety and security. America has become a floating crap game of fools while the socialist Democrats rip to pieces what's left of a once-free America. Americans killed America, not some foreign power.

---

## **Another Doctor Comes Forward On This Fraudulent Plandemic**

Crimes are being perpetrated against us without consequences to those committing the crimes. The reason there are no consequences is because the people have forgotten that they, under God, are the law to bring about judgment upon the heads of the wicked (Isaiah 26:9, 51:4).

# **Indisputable Proof That Donald J. Trump Won the Election**

Election 2020, a hotly contested subject. Many people are beginning to realize that the so-called win by Biden-Harris in the 2020 election was anything but; it was in all actuality a highly organized and carefully orchestrated theft on the grandest scale imaginable.

## **“Straight Out of 1984” Part 2**

This created reality description of a non-living fetus quickly changes, however, when the mother wants her child, and particularly, if someone else kills that child, whether accidentally or intentionally. At that point it's rightfully declared murder, with all the legal consequences attached.

---

## **America's Medical Guinea Pigs, Depopulation and Eugenics, Part One**

The US eugenics movement began to lose power in the 1940s and was completely discredited following the horrors of Nazi Germany. With modern advances in genetic testing, it is

important to keep America's eugenics history in mind. Yet, can we avoid repeating this dark chapter, if so many in our country don't know about it?

---

## **Communist Disinformation About the China Virus**

One of the most successful Chinese Communist disinformation successes of the last year has been to convince many people that the China virus is either a hoax or just another flu-like illness. Actually, the Chinese have never made that claim. They know the virus is real and that it kills in new and unique ways.

## **This “Racism” and “Woke” Thing is Getting WAY Out of Hand**

Dr. Seuss' "Cat in the Hat" is now a racist book! That's like saying if you drink white milk instead of chocolate, you're a racist. If you like daytime more than nighttime, you're a racist. That's like saying the reason that Tom Brady won the Superbowl stems from the fact that he enjoys "White Privilege."
