

# **What You Didn't Know About Biden's Engineered Invasion of America**

If the American people knew what Joe Biden did to this country with his engineered invasion of America, every citizen, whether liberal, independent or conservative, would be screaming for his head on a platter. In four years, the enormous damage he did to all 50 states, and to all 340 million American citizens, will go down in the history books as the biggest betrayal of public trust, EVER!

---

## **The Deep State Still has Trump in the Crosshairs**

To a user of X who asked, "Why [do] they want to kill Donald Trump?" Elon Musk had responded, "And no one is even trying to assassinate Biden/Kamala." It's much more sinister than Musk indicated. The issue is whether elements of the Biden/Harris administration were somehow involved in trying to kill Trump and whether they have been covering up the details of their failed attempts.

---

# **If Christ Is Your King, Why Are You Allowing The Wicked To Rule?**

The wicked advocate sodomy, homosexual 'marriage' (Never in the history of mankind has there been any such thing!), and now, they have even devised what they call 'transgenderism'. All this your Lord calls an abomination. Again, the God that you claim to be submitted to condemns this. So, why is it happening?

---

# **Life Is Precious in All Stages**

Through the proclamation of the gospel message, those who take hold and embrace it will come to value human life as God does and seek to protect it in all its stages. As more people believe in Jesus Christ, the giver of eternal life to all who trust in Him, the church will fulfill its role of being salt and light in the world (Matthew 5:13-16), and society will turn around from its path to destruction.

---

# **Rats Are Running From Looming**

# Traps

In the waning days of the horror that was the 2020 Coup, it's quite possible that the death of Edgar Welch was the most recent sign that they are desperately trying to cover their filthy tracks. With the inauguration of an administration through which many turds will be dug up, it is quite possible that this young man's death at the hands of the "law" was more last-minute clean-up by the Luciferian Left.

---

## The Financial Rise and Moral Decline of Fox News

While I am hopeful that MAGA can play a role in turning America around morally, I am doubtful because of President Trump's decision to back away from his culturally conservative positions on issues like abortion that he proclaimed in 2016. He once believed in the right to life from conception to death. Now he says it's a state's rights issue.

---

## "I Am Sorry"

A few nights ago, Joe Biden gave his farewell speech to the nation. In it, he whined about America being taken over by rich oligarchs. He blamed "red states" for making mistakes with their economies. He gave a litany of his accomplishments from his teleprompter. His ashen face, his frail body and his

dementia-plagued mind did not shine through to the dozen or so Americans watching the broadcast.

---

## **Once Again, Having No Faith in the Smartest Guy in the Room**

Do you think they studiously avoided discussion of the ongoing and escalating war not between but among Israel and Hamas, Hezbollah, Iran, Syria, Yemen, and Iraqi groups, and what to do about this existential threat to the tiny Jewish state?

---

## **A Constitutional Representative Republic**

Sadly, there are whole generations in the USA who have zero connection to the foundations of freedom, liberty, and justice for all. Thanks to anti-American federal control over education in the USA, especially the college campuses, resulting in generational mass indoctrination instead of education, America is nearing a point in history when society itself will destroy those foundations for all posterity, by “democratic” process.

---

# Living Between Two Opinions

The American Culture Church is being challenged in the same way the Prophet Elijah confronted the nation of Israel, "How long will you halt between two opinions?" Will we continue to support and live out these modern-day church structures and practices driven by the traditions of men or will we finally submit to the simple Ekklesia pattern Christ has given to His followers? Jesus said, "I will build my Ekklesia."

---

# No King But King Jesus

As I write this, Donald Trump is set to take office in less than a week. That's one job I definitely wouldn't want. Never, in the history of our nation, have we seen so much disaster, on so many levels and in every sector of society. I can't think of any incoming president in history that ever faced what Trump is facing going into this.

---

# Medical Censorship

I also think, since the power to regulate medical care is not delegated to the United States, any department or agency thereof should be prohibited from influencing their standard by criminal statute. It is not enough to simply say a

department or agency cannot influence board standards, but there must be punishment for those who do.

---

## **Trump's Solution to Border Problems?**

Just thought I'd toss this out for thought. Whatever happens with this issue, I am SO glad we have elected a businessman who loves the Constitution instead of a dirty politician who will do anything and everything to destroy it.

---

## **Globalists Never Go Away, They Just Go Underground**

America is getting a second chance. We still must understand no matter how much exposure communists get, they will never go away unless...We recognize it is up to We the People to take back our power. Donald Trump made a lot of campaign promises but he can't fix America on his own. It will take all of us to expose the corruption that the communist DNC will deny at all costs.

---

# **President Trump Must Keep a Clear Vision as the Globalists Use Subversive Tactics**

President Trump begins his new administration with promises of significant changes. His supporters are supercharged by his massive election victory that called for decisive action to cut the size and cost of government, eliminate corruption, and reduce the power of federal agencies. Above all, Trump's supporters believe we are on a course to restore the Republic of our Founders.

---

## **The Tyranny of the Minority**

Evil men are nothing new, the history books are filled with the names of wicked men who pillaged their way through society. But never, until recently, have these wicked, vile men and women been exalted.

---

## **In Both California and Florida, Citizens Lose Rights**

# At The Hand of State Government

This law was already on the books when the fires hit. It was passed in 2024. Then, the fires took care of much of the rest. Those victims of their own government may find that developers are constructing multi-family residences where once there were beautiful homes . This may or may not be found to be unconstitutional but the bill seems to have become law nonetheless.

---

## The Utter Malarkey, Balderdash, Nonsense and Stupidities from the Swamp in D.C.

Is it possible that “common sense” could return to America? Answer: it’s doubtful. Heck, over 50 percent of our youth cannot name the first president of our country. Most never heard of Ben Franklin, Thomas Jefferson and/or Abigail Adams or Eleanor Roosevelt. Why do you think? George Patton said it, “Politicians are the lowest form of life on earth.”

---

# **A Wolf in Soros Clothing in Trump's Cabinet**

If Republican Senators don't raise these matters, the hearing will be dominated by Senator Elizabeth Warren, a far-left Soros-supported member of the Finance Committee once praised by Soros himself as "the most qualified to be president." Back in 2011, Soros even hosted a fundraiser for Warren and other Democrats.

---

## **Congressional Communists Take Center Stage**

As we near Inauguration Day for President-elect Donald J. Trump and witness the congressional circus in the U.S. Senate confirmation hearings for the President's selected cabinet members, keep in mind who and what you are watching as democrats launch their first efforts to obstruct the incoming administration.

---

## **Those Who Refused To Take Heed To The Warnings Are Now**

# Somehow The Victims?

I have to say that I am not trying to be insensitive, but how is it that this information was overlooked by these people? Did they not do their own due diligence on such an important decision such as this? Did they think that government and Big Pharma were looking out for them? Or were they deceived into thinking that what they were doing was best?

---

## What's Wrong with the Crucial Communism Teaching Act

Again, I whole heartedly support the inclusion of civics in our educational systems. I simply wish Congress would educate itself about its legal powers beforehand. How can members of Congress claim to pull the spec out of the eye of our education system while a gigantic beam is wedged in theirs?

---

## California Government's Role In The Destruction Is Becoming Clear

Whether this would make you cheer or cry, is up to your own experiences with that beautiful state and its people. All I can really say is that theirs is a truly heartbreaking story

about why is imperative that we stay involved in every step of our governance -from that in our Statehouses to our own back yards. If we don't demand a seat at the table, we're really not in the game, except to be used.

---

## **“Anchor babies” are NOT Automatically U.S. Citizens – Part 2**

So called ‘anchor babies’ has been a tool of illegal alien females for decades to get their child U.S. citizenship when in fact, a child born of someone who smuggles themselves into OUR country, someone who was not invited into OUR country, has no right to U.S. citizenship.

---

## **D.E.I, Woke, Green New Deal: Like A Social Hydrogen Bomb Dropped on America**

In a recent podcast, a man I highly respect, Victor Davis Hanson, said, “D.E.I., Woke, and the Green New Deal are like a social hydrogen bomb hitting America. These new terms being practiced are de-civilizing California into a third world country. If other states follow California, they will end up in the same boat.”

---

# **Understanding Sexuality: Prince Charming**

Occasionally, a woman comes along who seems to have been left out of Eve's secret, who is relatively guileless, and yet manages to attract a man by the sheer beauty of her body. Starry-eyed and romantic, she sees her own ego need as a large white canvas on which her man will paint a stunningly beautiful picture, warm and rich in exquisite detail.

---

## **The Ultimate Pardon**

Injustice has always been a part of life in this world, ever since the fall of man in the Garden, but in this nation, never so blatant and wicked as the injustice we've lived through these past four years. But God has seen it all, and He is not pleased. Those who have done evil in our land and have not repented will face His wrath – if not in this life, then surely in the next. Have no doubt.

---

## **God's Laws and Commandments**

# **That Restrains us**

A nation can't get much worse off when their pastors and Christians sat idly by and refuse to resist the evil invading their land when God has given them the victory of the cross, the Name of Jesus, the authority of Jesus, the Word of God, the power of God, and the mighty weapons of God.

---

## **15 Questions That Will Put an end to the 'Climate Scare' Once-and-For-All**

Politicians in wealthier countries are pursuing the most expensive ways to generate intermittent electricity. Energy poverty is among the most crippling but least talked-about crises of the 21st century. We should not take electricity, products, and fuel for granted. Wealthy countries may be able to bear expensive electricity and fuels, but not by those that can least afford living in "energy poverty."

---

## **The Death of Communism in California**

Such a committee wouldn't have to start from scratch. The report, "Un-American Activities in California," was published

in 1970 by a California Senate Fact-finding Subcommittee and devotes almost 300 pages to analyzing the growth of communism and other Marxist groups in the state and how they organized protests on campuses and then manipulated the electoral process to achieve power.

---

## **We are Funding our Own Demise: \$40 – \$70 Million a Week to Al-Queda**

Gosh! The Governor of Florida pompously declared that HE would investigate the Routh assassination attempt that occurred in his state; Remember? Seems like his crack team of investigators might have at least found THIS, if the media could... Guess he got busy fighting America First Republicans in Florida. Just a little Sunshine-state aside.

---

## **United States v. Skrmetti – Oral Arguments**

The transgender agenda has been moving fast the last few years. That said, several states have moved to slow their progress, especially among our young people. One state, Tennessee, is being sued by the federal government. Oral arguments were heard by the Supreme Court in November.

---

# **The Sickness That Infects CNN**

I have a soft spot in my heart for CNN. When Pat Buchanan was in the Reagan White House serving as communications director, I filled in for him numerous times on the CNN “Crossfire” show, presenting the conservative opinion in response to the liberal opinion offered by figures like Tom Braden or Michael Kinsley. That balanced program went down the drain and CNN became an organ of the Democratic Party.

---

# **Please Help Our Innocent Friends in Jail**

President Trump will be sworn in as President in less the two weeks and many of our friends are currently languishing as political prisoners as victims of a “government sponsored fake insurrection” on Jan. 6th, 2021. We must go to bat to see them released

---

# **Can America Save The Rest Of The World's Masses?**

Every person reading this column, especially if you have kids,

you need share it until every American citizen reads it. We must educate our population to what's coming, and then, we must take action to STOP mass immigration and change course like the Titanic should have, toward a sustainable civilization.

---

## **The 2025 Global Collapse of Woke-ism**

Our Founding three documents stand as the Charters of Freedom. But the foundations of freedom and liberty are Faith, Family, and Country first. They always have been, and they always will be. It isn't just Trump voters celebrating the Trump victory, but freedom-loving citizens all over the globe.

---

## **Those Who Refused to Take Heed to Warnings are Now Somehow the Victims?**

It begs me to ask the question: How is it that now that these people have become the victims (though they are the victims of the lies and crimes committed by Big Pharma and the corrupt governments worldwide) when they refused to take heed to the warnings? How do you help people who refuse to help themselves?

---

# **Trump Can Save the Republic and the Economy, While Draining the Swamp Without Legislation**

Except for the Federal Reserve Bank, all of these departments are powers retained by the states and usurped by the federal government. The Federal Reserve Bank is non-constitutional and privately-owned. Trump can eliminate it with a stroke of his pen, without Congress. Congress could not and will not terminate these departments because their Swamp paymasters would not allow it.

---

## **New Year, New Hope, New Awareness**

On New Year's eve Dec. 31, 2024, a massive lightening bolt struck the Capitol Dome in Washington DC, as the old year moved on to the new, and the old regime is pretending to leave.

---

# Jimmy Carter's Life and the Death of America

They tell us that Jimmy Carter was a great ex-president, a description designed to camouflage his disastrous four years as president. We must know the truth as America moves forward. We must not celebrate his one and only presidential term. Instead, we must remember why Ronald Reagan defeated him.

---

## The Politicization of Healthcare 2

A social media meme (lower left corner of pic), obviously meant as a joke, featuring rockstar Keith Richards and fitness guru Richard Simmons went viral after the death of Richard Simmons on July 13, 2024, at the age of 76, questioning if healthy eating and exercise matters as it pertains to lifespan longevity.

---

## The Tragic Perils of Alcohol Consumption Manifesting in America

On the perils of drinking besides cancer, 42,000 people die on our highways annually. An average of 13,000 die from being

drunk while driving and/or kill others. Another 4,000 die from “texting” while driving, plus 362,000 injuries and wrecked cars. The costs grow astronomically.

---

## **Bird flu: Another Gain-of-Function Disaster?**

Now, it's the bird flu that's been making headlines (until the massacre in New Orleans) with MILLIONS of chickens and turkeys killed, severely damaging making a living for our family-owned farmers and ranchers who feed us.

---

## **You're Not “Giving Up” Anything**

In my younger days, I couldn't imagine living in the year 2025. It sounded so futuristic. Still does. But here we all are...and still without the flying cars that Popular Mechanics promised were just around the corner back in 1969. In elementary school, our teacher once gave us an assignment to draw a picture of what the year 2000 would look like.

---

# **From Hostility to Reconciliation**

Anyone who trusts in Jesus alone (not Jesus plus something or someone else) receives as a gift from God forgiveness in place of condemnation, peace in place of hostility, and reconciliation in place of separation. In Christ, you become more than a friend with God. You become His beloved child forever (John 1:12-13; Romans 8:14-17; Galatians 3:26; 1 John 3:1). Hallelujah!

---

## **God's Purpose Written in a Book**

Every person created by God has a purpose. Your purpose is recorded by God in a book in heaven. There are many books in heaven and one of the main books, however, is what can be called the books of destiny or purpose. "Your eyes saw my substance, being yet unformed.

---

## **Pride and Hero Worship**

Men, in their pride, elect all kinds of saints, gods, champions and heroes, then identify with them and share in their glories and experiences. Such leaders are really vicious tempters, and encourage the weakness of the masses for the

power they get from them.

---

## **Give Us A King**

Here is a simple, true historical fact to all who desire truth. America's true founders first gathered on her shores in 1620. They were called Pilgrims and Puritans. They too were escaping from a king and "religious" system that hated them. They all were set up much as ancient Israel. They never formed legislators to pass man's laws to harass and control the people.

---

## **15 Predictions for 2025**

What we can be sure of: human nature will be the same this year as it was last year. People will still try to get as much as they can, with the least possible effort. Most will continue to coast through life. They will still respond to incentives or "nudges," except for that small minority that figures out the incentive structure encircling them and ignores, escapes, or thwarts it. Such people might actually develop free minds.

---

# **Federal Government has No Legal Right to Function as a Criminal Enterprise**

In a few words, President Trump has the constitutional power to reinstate the Republic in all its glory without the help of Congress or anyone else. But President Trump has not indicated that he will do it. His present plans will not drain swamp or avoid a catastrophic economic decline. More on this in the next article.

---

# **Recycling for Sustainable Electricity is the Key for Future Generations**

By harnessing the power of waste, or utilizing new innovative technologies, we can focus on continuous and reliable electricity through recycling tires and plastic waste to help reduce our reliance on coal and natural gas, reduce the landfill footprint, protect the environment, and create a cleaner, healthier world for generations to come.

---

# **Denzel Washington, Hollywood's Liberal, Named In Sexual Pedophile Ring**

In conclusion, these actors, who just think that they are playing a part along with these politicians who think that they are above the law (Isaiah 14:12), are quickly finding out otherwise. How are the people in this country going to hold them accountable for making a prey of their children (Luke 17:2)?

---

# **The Unmitigated Gaul, Incompetence and Corruption of Joe Biden**

If we Americans continue to vote people like Schumer, Pelosi, AOC, Rashida Talaib (Muslim), Ilhan Omar (Muslim), Brandon Johnson, Gavin Newsom, Hickenlooper, Bennet, Polis, Biden, et al., we Americans are putting a noose around our necks, while they pull the drop cord that lets us die a miserable death.

---

**MAGA                      Blowhard                      Bannon**

# **Sabotages the Trump Agenda?**

In the second Trump term, Musk will deserve special protection, since he is a key figure in what Trump promises to be a “Golden Age” for America. But he won’t be able to accomplish anything for America unless a few Republicans in the House under the influence of MAGA blowhard Stephen K. Bannon stop sabotaging Trump’s choice for Speaker of the House.

---

## **Either You Own Property, or You Are Property**

That was done in 1969. Most people today think that we, who have been telling them about the global “elite” plan, have made it all up. Yes, it was made up, but not by us – it was made up by them to wrest control of the entire world and control all of us.

---

## **Resolve to Know the Truth**

The New Year is upon us. Many have made resolutions that they will fail at and toss aside in about 10 minutes from now. I made a resolution too, but I doubt I will fail at it. I’m going to think differently and not succumb to the world’s ignorant, destructive, perverse ways.

---

# New Year

As we prepare to celebrate another orbit around the sun and look forward to a new year, let's remember the lessons of our past year and use them to make next year better. Let's not make the perfect the enemy of the good. By which I mean, don't be put off by the fact you cannot fix everything, just fix something.

---

# The Moral Achilles Heel for MAGA

Our local pastor gave a Christmas Eve sermon on why the birth of Christ was God's D-Day invasion in a spiritual sense of the Roman Empire. It was an interesting analogy. The influence of Christ lives on but America's reputation as a Christian nation does not.

---

# Ms. Candace—Pretty Little Virulent Racist

Pretty brainy Black girls who were born into the right era came of age during the Obama regime. But sometimes those

pretty brainy Black girls realized that if they wanted to get noticed, they could never join the poor-me, I'm-a-victim, racist mantra of Obama's Democrat Party.

---

## **“Anchor babies” are NOT Automatically U.S. Citizens – Part 1**

Members of the Democrat/Communist Party USA, voters and elected officials, all have their panties in a wad about separating illegal minor alien children from the parent(s). Their biased attorneys all try to use the Fourteenth Amendment as proof that an illegal mother who gives birth on U.S. soil, that baby is automatically a U.S. citizen. Wrong.

---

## **Tying This Year Up In A Bow: 2024**

Without a doubt, 2024 brought America some big HIGHS and some horribly sad LOWS. Good things happened most of the time and some really BAD things happened that shake-up your faith in humanity. Let's examine a few of them.

---

# **Blessings**

I just think that, looking back over this crazy incredible year, perhaps the Lord has shown us that He wants our help, too, to turn our ship of state away from the rocks of evil, so that our course may be corrected, everywhere, with peace and a plan, instead of violence and bloodshed. So many of you have helped already. I am constantly in awe of your efforts, everywhere in every field. Thank you.

---

## **A Rude Awakening is Headed Our Way**

We are paying for the mental and moral destruction of our seed. I have been warning parents for years now and sex education gets worse every year. I see no evidence that most parents really care. Nothing has been done by parents. Like other evil in America, we tolerate it. It has been proven what a nation tolerates, seldom do they ever change it!!! Of course, the churches are silent.

---

## **The Coming Wave of Anti-Corporate Terrorism**

Let's hope the FBI isn't fooled by this. Mangione isn't alone. He is just one member of a network of environmental rights

extremists, other eco-socialists, and anti-technology activists. Their tactics in the past have included bombings and arson attacks but the assassination of UnitedHealthcare CEO Brian Thompson suggests a new and ominous turn of events, coinciding with President Trump's return to the White House.

---

## **Oregon State Office Swapping**

As the your newly elected state Senator for District 28, I predict, we will see more problems arise because of a failed mindset that places too much faith in government. I've been involved at the capitol long enough to know that political players tell stories.

---

## **Three Existential Threats to the West at the End of 2024, Part 4**

This is a deadlier threat than man-made climate change, even assuming that's real and not another hoax perpetuated in the name of The Science. We'd go from global warming based on computer models and hockey sticks to a sustained multiyear winter in the real, physical world: a veritable ice age that would reduce the small fraction of the human race that survived to hunter-gatherer status, if even that.

---

# Holidays: State and Federal

So if these holidays were originally set aside for special religious observance, shouldn't we take this opportunity to restore them to that high cause? Why not start with Christmas? I'm not saying we have to give up our traditions, but wouldn't this be a good time to remember the purpose of the holiday?

---

# Foreign Agents in America

On Page 25 of Volume 2 of my Conspiracy series, I wrote how my mother's nurse in the Covid ward of the hospital was from Wuhan said, "The Chinese Ministry of Health assigns me where to go." In the same city as the hospital, at the rehab facility, mother's physical therapist said he was from Siberia.

---

# Someone Is Always Singing Somewhere in the World

Back into the sunshine of the day, we remounted the bikes for our journey through the enchanting countryside of Tuscany. I thanked Gary for his friendship. I thanked the children for their voices. I thanked my lucky stars to bear witness to the

beauty humanity offers in music, spiritual quest, and architectural beauty.

---

## **The Moral Degeneracy of the Catholic Pope**

It's bad enough that President Trump will have to deal with wars and rumors of wars and the "enemies within," such as the intelligence agencies. Now he will have to take on the global agenda of the pope.

---

## **Christmas: Did The Apostles Memorialize His Birth, Or His Death?**

People make much of the birth of Christ, but did you know that in the Bible, we find no record that the New Testament Church ever celebrated Christmas? Don't get me wrong, I don't think it's wrong to celebrate the birth of Christ. However, when it comes to a memorial, the New Testament Church didn't have a monument to remember the birth of Christ.

---

# Three Existential Threats to Civilization at the End of 2024, Part 3

A week or so ago Doug Casey's daily International Man newsletter featured Nick Giambruno's account of the dangers of public indebtedness based on a history of how debt cripples civilizations. Many of Giambruno's observations dovetail nicely with Peter Turchin's.

---

## The "Christmas Thing"

It's Christmas, with all the joy and frenzy and shopping, and food, and family gatherings, and it's the Celebration of our Savior's birth, a giant birthday party. Can you say Hallelujah! I love Christmas...I simply love it!

---

## It's A Wonderful Life With Jimmy Stewart and Donna Reed: But How And Why?

So, this Christmas, wherever you are in your life, whatever your age, whatever your family, and whomever your friends—take stock of your blessings. Please know that your friends depend on you for laughter, fellowship, listening ear, love and

heart. Many times, they cannot express it, but each person they touch, or you touch, makes a difference in all our lives.

---

## **His Birth, His Death. His Resurrection**

As Washington knelt in the snow during the winter of Valley Forge (1777-1778), most likely feeling such despair as to overwhelm the average man, he put his faith in God and his sword to freedom. We ask for God's blessings, for strength to fight for what's right and to keep our troops safe as we work to bring them home.

---

## **My Christmas Message – A Time for Truth – Insanity**

It looked for a while like America was waking up to spiritual things. But most Christians still refuse to face reality. While darkness is overtaking our nation and our enemies are gathering all around us, there is no sense of urgency in our churches. Christians today are doing the same thing that caused our nation to be over taken by this evil

---

# **Birth of the Antimessiah (Antichrist); June 2022?**

Some may be disturbed that someone would speculate and post “innocent” baby pictures of who the Antimessiah (Antichrist) may be. After all, it can be emotionally reasoned that all babies are innocent. Yet we are called to watch for the signs, and this child may very well one day assume the role of the Antimessiah (Antichrist).

---

## **The Light of the Gospel Dispels the Darkness of Marxism**

Jesus Christ, the giver and sustainer of life, freely grants reconciliation with God and eternal life to all who trust in Him. He is the unquenchable light that dissolves and blots out our sins and continues to shine through His Church to scatter the darkness of satanic philosophies like Marxism that cause enslavement, destruction, and death.

---

**American Policy Center**

# Promises Support for Anti-UN Legislation

DeWeese pledged that APC would work to create a steady flow of pressure to Congress to pass the DEFUND Act by gathering thousands more petitions in support of the bill; provide leadership and training of local activists to organize local “Exit UN” rallies; and even create a telephone call-in to Congress to keep their office phones ringing.

---

## They Want to Kill Elon Musk

Having failed to kill President Trump, they next target Elon Musk, probably the smartest man in the world and the key to America remaining a military and economic superpower in the world. He is a leading force in the new technologies, especially AI, cryptocurrencies, and space exploration, which promise what Trump calls a “Golden Age.”

---

## Trump Expected to Annihilate California’s ‘Green Mandates’ – the Most Radical in the

# World

At the expense of its residents, who are now paying the highest costs for electricity and fuels in the nation, California's Governor Newsom remains oblivious to the other 8 billion on this planet that are dependent on the products and fuels from oil, the same oil for which there is no known replacement.

---

## Yep.... Still the Smartest Guy in the Room

Why these questions? Because of the great number of people he has appointed to high positions in his upcoming administration who have longtime leftist connections, have themselves played for the other team, and have eye-raising suspicions about their backgrounds or associations.

---

## Three Existential Threats to Civilization at the End of 2024, Part 2

Bottom line running through this discussion and its predecessor: economic inequality beyond what may be expected from Pareto distributions, combined with the sense that those

in the Big Club have cheated to get where they are, is fundamentally destabilizing. As recent events may have shown, it eventually provokes violence against elites.

---

## **Sanctuary Cities: A Growing Nightmare for American Citizens, Part 2**

What is the answer to Sanctuary Cities? We must demand our Senators and House Reps to outlaw them, once and for all. Those leaders of those cities need to be thrown into jail to get the point across. They can start with my Denver Mayor Johnston. He's willing to go to jail to protect our 45,000 illegals in the State of Colorado.

---

## **Stop the 'Green Hallucinationists' Plan to Close all 200 Coal Power Plants**

Hope is on the horizon. The landmark US Supreme Court Chevron case has taken much of the teeth out of overzealous federal bureaucrats. US Senator Steve Daines of Montana has proposed legislation to keep coal mines operational.

---

# Everything is About Trust

We the People – our storm and drug-trafficking victims, which were directly created by government malfeasance. How about those cast into middle-class working poverty by the hideous economy they have wrought? What of the millions who have been murdered by Big Pharma and the AMA, in their incessant lust for money?

---

# Standing Alone With Christ!

He has seen the feigned and phony (under false pretenses, counterfeits, the emotional drama, and the hypocritical betrayals within and without), and now he stands tried and true to His Lord in the fires of afflictions (1 Peter 4:1) and is now at peace with Christ. He's complete with Christ, and with Him alone (Colossians 2:10).

---

# Three Existential Threats to Civilization at the End of 2024, Part 1

Three dangerous conditions afflict our civilization. They are:

(1) massive and worsening economic inequality, (2) massive and worsening state indebtedness, and (3) the threat of nuclear war.

---

## **The Loss of the Western Soul**

There are three spiritual bonds that feed the soul and satisfy the spiritual needs of Western man. The more these bonds are strengthened, the more at ease people become personally and the world around them. Indeed, these provide the foundations for both happiness and success in life.

---

## **Corrupted Census**

For my entire adult life, I've only answered a handful of questions on the census. My name, my address, and the number of people who live in my house. This went from a decennial nuisance to a regular infringement on my rights. Contrary to what it says on the Census envelopes, not only is your response not required by any legitimate law, but their repeated searches for information is the violation of the law.

---

# **What Are Sanctuary Cities REALLY Costing American Citizens?**

I want to scream or cry as I research what our idiot “Sanctuary City” mayors and governors are doing to us. It’s a fact that Joe Biden, Kamala Harris, New York Governor Kathy Hochul, and Mayor Nick Adams directly are responsible for killing Laken Riley by an illegal Jose’ Ibarra whom they set free after he was arrested in their jurisdiction.

---

## **Winning the War, Battle-by-Battle**

Our kid’s, grandkid’s and great grandkid’s entire future hangs in the balance of our actions! Never accept failure. Never leave the winning up to others. True Americans are not “wait and see” Americans. We are not victims of circumstances. In this great country of amazing patriots, we create our own circumstances! We don’t leave our future to mere chance...

---

**Absolute      Real      Biblical**

# Christianity

Paris Reidhead said in a sermon, "Paul warned us in Colossians 2:8 not to be taken captive by philosophy and empty deception but today our subtle philosophy and deception is religious humanism. You can define religious humanism as a philosophical statement that declares, "The end of all things is the happiness of man."

---

## I Hope Trump Can Survive the Resistance?

Chuck Mason's comment in the American Thinker is a wise one: "The majority of the country did not shift to the right; the Left still has a solid competitive base. If you disagree, ask the 48.5 percent of Americans who thought four more years of the Biden administration on steroids was good for the country."

---

## 250,000 Military in 150 Countries are at Risk of Dying for Profits

How can you say that our military dead were not killed defending our country? They in fact died thinking they were

defending America, and this is what they were told. This was a damned lie. This fact in no way demeans their sacrifice and heroism or our appreciation of their service.

---

## **The Rise of the Cult of Individualism**

By concentrating solely on satisfying personal egos to the detriment of a wholesome, well-ordered and smoothly working society, they push the belief that individualism should be held as the highest and most noble virtue, a worldview that can be detrimental to the natural human tendency to form cohesive groups.

---

## **Trump Understands that America is Vulnerable**

Americans are optimistic that President Trump can solve the nation's domestic and foreign policy problems. But some of his critical nominations and actions indicate he is extremely worried about what lies ahead and wants to at least temporarily appease those who can do America harm.

---

# Federal Tort Claims Procedure

One of the reasons I like answering questions is they prompt me to look at things I hadn't thought about before. Take for example the recent request I had to review the Federal Tort Claims Procedure. While I review lawsuits regularly here, I'd never taken the time to look at this particular legislation.

---

## White Guilt and the Demise of Western Civilization

At this point, hopefully, Donald J. Trump stops the invasion, kicks out the invaders, and restores America to law and order. Because if he doesn't, some historian will scratch his or her head and beg the question, "Why did America allow itself to be invaded, destroyed and tossed onto the rock pile of history?"

---

## Sayonara Obama, and Don't Let The Door. . .

When it became obvious that Dementia Joe was not going to be re-elected, Obama and his minions replaced him with Biden's goofy DEI VP whom they were sure they could control. No open primary, no "democratic" election of the DEMOCRAT candidate. No, my friends, they needed someone in the Oval Office that Obama could control...hence Kamala.

---

# **True “Birthright” Citizenship**

This issue may become a front-burner issue in 2025 as incoming President Donald J. Trump has publicly stated that he intends to do away with “birthright citizenship” due to the misuse of the 14th Amendment to grant legal citizenship to “illegal aliens,” just because they made it across our border “illegally” to have a child, accurately referred to for decades as “anchor babies.”

---

# **The Return of Communist Terrorism and the New Targets**

A new FBI director like Kash Patel, the nominee of President Trump, can refocus the attention of the Bureau on the real and present threats to America and leave law-abiding citizens alone. Patel served as the Deputy Director of National Intelligence, Chief of Staff for the Department of Defense, and National Security Advisor to House Permanent Select Committee on Intelligence.

---

# **Don't Expect The Lord To Do For You What He Has Commanded You To Do**

What would you think of a person who claimed to be a man of God who sought office to represent the people in upholding the Law against the lawless? Once he gets elected, his constituents are then invited to his prayer meeting at the Capitol only to ask the Lord to do for them what this man has been put in office to do.

---

## **Change the Debate and Take Back Liberty Locally**

Most Americans tend to think of private property simply as a home – the place where the family resides, stores their belongings, and finds shelter and safety from the elements. It's where you live. It's yours because you pay the mortgage and the taxes. Most people don't give property ownership much more thought than that.

---

## **Four Tough Years – and Rumor**

# **of DeSantis as Possible Sec. of Defense**

To the relief of most of the world, Donald Trump was elected to a second term in the White House. He has won. The job he won would terrify any one of us if we had to do it. He will be doing battle every minute of every day. – for his very life as well as for ours. He will be attempting to turn around this mess we've been living through. The Obama-Biden gang has wounded us, and has plans for more.

---

## **Christmas Gift to the World: Courageous Doctors and Scientists Who've Risked It All**

Then more and more courageous doctors and scientists in dozens of countries who still believe in “do no harm” come forward with case history of those who took the injections which are bioweapons, not vaccines. Like Dr. Peter McCullough and a hundred others who had the courage to speak the truth using science, not some “fact checkers” employed by the prostitute media who were/are not doctors or scientists.

---

# **Dichotomies, Woke-ism, Transgenders, Insanities of All Kinds**

What does all this confusion, chaos, dichotomies, transgenders, woke-ism, Muslims chanting "Death to America", killings, massive drug use, Sanctuary Cities, \$36 trillion national debt, mass and endless immigration out of the third world, infrastructure crumbling, killing a CEO walking on a city street--all boil down to?

---

## **Socialized Medicine is the Motive of the Assassin**

There is an ulterior motive behind the cowardly campaign that involves the killing of a health care CEO. Don't be fooled by the media attempt to make the assassin into a folk hero. He is an assassin cut from the same mold as those who tried to kill President Trump.

---

## **When God Laughs**

Some may wonder why actors who experienced the horrors of World War II, were taken from or fled their homes, and lost family members in Nazi death camps would be involved in such a

show. Perhaps they understood that a merry heart, laughter, can be like medicine to the body and soul (Proverbs 17:22) and bring some healing to the traumas they experienced.

---

## **How Long do We Hold on to What God is Now Rejecting?**

We have been given power to thread on scorpions (a type of demons) and to pull down demonic strongholds. If we walk in the Spirit and in truth, it will set us free to live and do the greater works of Jesus. But we must be ready, on the alert, and let no one mislead us. Guard your heart and take up your cross by dying to your flesh so His Spirit can prevail in our life.

---

## **Illegals, Come One and All, We'll Give you Thousand\$ to Kill and Rape**

It has been almost 10 years since 5-times deported illegal immigrant Juan Francisco Lopez-Sanchez murdered Kate Steinle in San Francisco. The country was outraged. Today, we are inviting this behavior – on a scale that is unfathomable.

---

# Conservative Sex Scandals and Conduct Unbecoming?

“In 2004 Hegseth married Meredith Schwarz; the couple divorced in 2009. The following year he wed Samantha Deering, and they later had three children. In 2017 Pete Hegseth had a child with Jennifer Rauchet, who also worked at Fox News. Later that year he and Deering divorced, and Hegseth married Rauchet in 2019. At the time he also became stepfather to Rauchet’s three children from a previous marriage.”

---

# Pearl Harbor Attack Dec. 7, 1941: Survivor S. J. Hemker Remembered

Hemker had four sons. All four, like their father, are veterans who served in the Vietnam war. Hemker had no biological daughter. But, in his declining years, he had for more than fifteen years lived in his own room in the home of a loving “daughter-in-fact” if not of biology, Sue McConnell, and her husband.

---

# Going Bananas

The US emerged from WWII as the top banana. Entering the war late, undamaged by the fighting and bombing domestically, except for the sacrificial lambs left to be liquidated at Pearl Harbor in the false flag firestorm meant to fire up the public for war, FDR could use the war as a means to get out out of the Great Depression by manufacturing whatever wherewithal our allies needed.

---

## Federalist and Antifederalist #1

I don't believe a serious study of the Constitution can be made without looking at the public debates over the document. After the Constitutional Convention sent the proposed constitution to the states for ratification, a great debate was had over its pros and cons. Supporters of the document as proposed, Alexander Hamilton, John Jay, and James Madison, published essays in New York State newspapers under the pseudonym Publius.

---

## Communists on the March as

# Trump's Picks Self-Destruct

As if wars in Europe and the Middle East were not bad enough, the communists have just conquered South Korea. If you blinked, you didn't notice it. The communists won without firing a shot. In fact, anti-communist President Yoon's declaration of martial law, designed to save South Korea from the communists, was quickly reversed by the enemies within

---

## Drain the Swamp 2025

The mission 2025 is to "drain the swamp." Trump is going to need the help and backing of all 76,779,944 American voters who just chose him to lead this mission. Now is not the time to rest or wait to see what happens next. Now is the time to stand all day every day with everyone committed to achieving this mission.

---

## See, I Told You So!

Millions of dollars made...millions of people dead. This is critical for you to understand. People died WITH covid...not FROM it. The treatment killed the patients. Again...it was all FAKE...the man-made virus and the man-invented response to it. Here are some lowlight admissions from the fraudulent, Christ rejecting American government. You can find these within the report.

---

# **Joe Biden: Liar in Chief, Scam Artist, Outright Dementia Victim**

Those 15 million plus illegals and their birthrates are going to cost America greater consequences in the coming years. In fact, all immigration will drive us toward adding 100 million more people, net gain, by 2050, that cannot be sustained. We face a "Faustian Bargain" with a "Hobson's Choice" ending. The drugs will cost tens of thousands of kids their lives in the coming years.

---

## **Does This Sound Like Israel?**

Conclusion: Long ago, Benjamin Franklin warned us to not to give ear when the government tells you who the bad guys are, and this goes for the good, as well (Isaiah 5:20). Why? Because if we are not careful, the corrupt will have you hating those who are being oppressed and will have you loving those who are doing the oppressing.
