

Music Transcends Race

We discovered them by accident. My wife got interested in the late Bobby Caldwell, a rhythm and blues star who was rather more heard than seen; and a lot of the people who enjoyed his music—black people—thought he was black, too. There are quite a few videos showing how black fans reacted when they learned that Bobby Caldwell was... white.

Discovering the Three profound Secrets to a Happy Life

As an ordinary citizen of America, my life path carried me into amazing places. My choices allowed me to encounter some remarkable people who espoused “how” to live a happy life. I share their ideals with you for you to incorporate them into your own life—and prosper with happiness.

Time to Take a Side and Make a Stand

But one thing is very clear at this moment in history...our government is currently full of the most criminally imperfect people in our country, and that must change! Right now, a

growing majority of Americans across the political spectrum see Trump as that agent of change...and the more the corrupt government tries to prevent him from running, the more patriotic Americans rush to his side in a growing revolt against that maniacal anti-American corruption.

VICTORY: Huge TARGET Backlash – Only Shows The People That They Still Hold The Power

Well, friends, if it is not the said, extorted representatives in America selling the people out to the highest bidders (Luke 22:48), that is when it comes to the attacks being made on the morality of a people, then it is the Chinese source from which much of this financially flows. Remember, if I can demoralize you, I can control you (Matthew 4:9-11).

Honor Victims of the U.S. Government on Memorial Day

As we witness the assault on Trump's home and the mass imprisonment of those protesting the stolen election of 2020, let us remember the scandals of the FBI/ATF armed assaults on Randy Weaver's home and family at Ruby Ridge, Idaho, and the Waco religious compound in Texas.

The Treaty That Cannot Be

The World Health Organization's (WHO) Pandemic Agreement has been in the news again lately. Not only does this United Nation organization want the power to take over the world in a "health emergency", but numerous politicians and commentators keep claiming that if Joe Biden signs this treaty, it would be legally binding. The truth is that is just not true, for several reasons.

Get US Out of NATO

Oh, and let's not forget trade between No. and So. Koreans while thousands of our military have been "guarding" the demilitarized zone for since I was a toddler. North & South Korea have a long history of trade that's had its good times and bad times. No. Korea is in bed with the commies (China) but there's still a lot of trade going on.

**Memorial Day 2024: Will
Americans Still Die For**

Freedom?

Memorial Day—which will be officially observed on Monday, May 27 this year – is a day to remember what should be remembered every day: The service and sacrifice of the more than 1.3-million American veterans who have given their lives in war so that we, their posterity, might live as free Americans.

Diversity, Equity, Inclusion: Another Name for 21st Century Racism

Who wants another four-year term of the current D.E.I. “INCOMPETENT & DEMENTIA-RIDDEN” Joe Biden in the White House where he can complete the job of displacing millions of Americans with another 12 million illegal refugee replacements, trash our laws, degrade our Constitution and wreck our economy?

Net Zero: The Plan Put Forth by the Globalist Tyrants

As for “Net Zero,” that’s the whole extent of what we, as human beings will get out of this demonic plan of the Globalists for the depopulation and tyrannical control of

mankind. Through taxation, regulations, restrictions and shady backroom deals involving dirty money, they will net trillions.... while we net ZERO.

Not By Any Way Except the Kingdom of God

For over forty-five years, I was an evangelical Christian and pastor. I so much wanted America to follow the Lord Jesus Christ and do the things that pleased Him. For twenty years, I was a member of the Moral Majority. We worked hard recruiting other evangelicals to vote for Ronald Reagan for President. We thought if we could get Ronald Reagan elected President, America would turn completely to God.

Let's Make Oregon Safe, Free and Great Again

If you are still wondering about who you might vote for in the Secretary of State's race, let me help. I've got some notions that will be worth your time. This Secretary of State's (SOS) office is an executive position and it is entirely partisan.

Ron DeSantis: A Globalist in Patriot Clothing?

The latest glaring non-statement from DeSilence concerns the actions of his RPOF, which has recently taken legal action against Judeo-Christian constitutional conservative organizations in the state, who dare to use the word, "Republican" and the elephant as a symbol. This, of course, has NO basis in law, just in the minds of the persecutors.

The Real Fight, Pt. 1

The result is the DIE (Diversity-Inclusion-Equity) intellectual vacuum in which a Claudine Gay rises to the top at Harvard and is forced to resign when she can't navigate this kind of situation and is exposed as a plagiarist besides. Columbia University has Minouche Shavik at the helm. She has somewhat better credentials than Gay's, having been at the helm of the London School of Economics – the U.K.'s Fabian-founded elite institution.

Iran Emerges as a Hub for International Organ

Trafficking

Do we understand that the international community, including various heads of government, is complicit in this scam? Their silence and inaction raise serious questions. They must prove otherwise by taking concrete steps to dismantle this tyrannical regime. They must stand with the people who yearn for freedom and democracy.

Make Christianity Masculine Again

The compromised, weak, Jesus loves everybody messages emanating from the pulpits of America are responsible for the full bore, full steam ahead, in-your-face-assault on everything Christian in the nation.

America: We're in Serious Trouble

The mainstream media twists reality to unreality. "The View" features a bunch of wacko females who hate the majority of Americans. One of them said that the basketball phenomenon Catlin Clark enjoyed "Pretty Privilege...and White Privilege." What a crock of horse-feathers! Clark became the highest scoring basketball player in college history.

Different Strokes, Different Folks

If we don't want the fighting to get out of hand, we have to agree to disagree—and that's harder than it looks. Once upon a time it plunged our country into civil war: individual states vs. federal government, and two vastly different takes on states' rights... and slavery. Try to name a war that didn't start over widely different perceptions of the same damned thing.

A Picture Paints a Thousand Words, Portrait of King Charles III

The reality of life on the streets of the UK is entirely different to how it once was. There is nothing to hide behind. Many people are afraid to walk the streets of towns and cities in the UK which have become unrecognisable. They are afraid to go to their doctors and hospitals' and they do not like what their children are being exposed to in schools and via the media.

Record High Of Hostility & Violence Against Churches In America

If it is not the sodomites who are playing the victims to those who stand up to their crimes by calling them bigots and haters (Leviticus 18:22), then it is those from the Middle East that mean to treasonously conquer America by calling out those who stand up against their crimes as 'Islamophobic' (Article III, Section 3 U.S. Constitution). The truth of the matter is that they hate the very Laws that condemn their crimes.

What Can the Constitution Do For You?

I meet a lot of people who think the Constitution is useless, while others wonder how people can get away with violating it. While these may appear to be opposing positions, I believe they stem from the same misconception: That the Constitution of the United States is some superhero that will come flying in to save the day. Rather, the Constitution is ink on parchment, a tool and nothing more.

Titanic: Accident or Deliberate Drowning?

On board the maiden voyage of the Titanic was a cabal of very wealthy people opposed to formation of such a central bank especially as it was constructed under FED guidelines. These included Benjamin Guggenheim, Isidor Strauss, John Jacob Astor, and other financial oligarchs.

New Election Lawsuit: Plaintiffs RNC & Donald J. Trump

There is great hope President-Elect Donald Trump, who was absolutely cheated for a second term, will win this November. Never mind all the conspiracy theories peddled by the prostitute media and mindless hens on garbage TV shows like The View that career criminal, Joe Biden, won in 2020.

House GOP Gullibility on Display Once Again

In Greek mythology, a story is told about Odysseus, a king of Ithaca. This king is said to have waged war against the city-state of Troy. After an unsuccessful siege of the city,

Odysseus conceived the idea of building a huge horse and hiding within its structure many of his best fighters, counting on the Trojans to see the wooden horse as a sign of their victory over the Greeks.

America Going Tribal Beyond Recognition or Commonality

No question: we are repeating Rome's history. America is bifurcating. We're manifesting "tribalism" rather than Americanism. We're battling 55 million foreign born who don't share our cultural values. We're segmenting. We're CRT'ing. We're D.E.I. separating. We've got "affirmative action" employees in the cockpits of 747 airliners. We've got Muslim American Hamas supporters chanting, "Death to America."

Back to the Kingdom of God or Else

Many preachers today preach Jesus but they do not preach what Jesus preached – the Kingdom of God Message. Life simply will not work except in God's way and God's way is Christ's and Christ's way is the gospel of the Kingdom of God. The whole New Testament is the Kingdom of God Message. Are we hearing God? No!

Press Conference on Narco-Nation America

For those who think marijuana is a harmless drug and that “Reefer Madness” is the name of a funny out-of-date movie, consider the case of Bryn Spejcher. She experienced what is called “cannabis-induced psychosis” and stabbed her boyfriend Chad O’Melia 108 times, killing him, then stabbed her dog and was trying to kill herself when the police arrived.

Integrity Matters

Nickaylah Sampson dreamed of following in the footsteps of her parents, Mathias and Natalie Sampson, by pursuing a career of service to her country as an officer in the U.S. Army. In 2020, she was appointed to West Point, one of the most prestigious military academies in the United States, where only about ten percent of applicants are admitted annually.

City of “Yes, I Want to Be a Slave”

Carbon neutrality is just one of the thousands of weapons

being used against us in this asymmetrical warfare of Cancel Culture. To fight better, we need to be working together. Join a Freedom Pod today, at AmericanPolicy.org, or start one in your neighborhood so you can better counter these attacks on our God-given constitutional rights.

Armed Forces Day—Third Saturday of May

May God bless and keep all those more than 1.3-million patriotic Americans who by their service and sacrifice on active duty in the armed forces or in the Reserves or National Guard protect and defend the freedom of all 340-million of the rest of us Americans.

In Defense of Jews, Israel, and the Sacred Individual

But I was profoundly disappointed and shocked to discover a growing anti-Semitism in the ranks of patriotic conservatives. It caught me by surprise. I did a double-take when I read the words of conservatives blithely stating that a cabal of Jews and the nation of Israel were responsible for just about everything “bad in the world.” I said, “What? What did I just read?”

Unsatisfying Script: A Description of the Movie “Civil War”

The critics’ reviews of the movie waxed critical. Easy to do since the director did not pick a side or make some left wing political statement. Even negativity can cause people to think and evaluate, but that is a challenge now as people are hourly spoon fed solutions on which they are expected to chow down – and believe.

Why Are Western Countries Committing National Suicide?

One look at France today, 55 million French persons, and 5 million Muslims, you can cut the racial/religious air with a knife. You might remember where Muslim terrorists shot up Paris restaurants, slaughtered theater patrons and killed cartoonists in that once “free society.” More than 90 “no-go zones” now dominate the French countryside.

It's Getting Too Crazy

Meanwhile, though, the mayor had noticed that the city needed more lifeguards for its swimming pools and beaches. The light bulb goes off overhead. Aha! If only the feds would release the funds for it, he said, the city could hire a lot of the migrants as lifeguards... because "they're excellent swimmers," he said.

Tied of Being Called "Anti" Simply For Having an Opinion Counter to Someone Else

So...I am anti...anti...meaning I am sick and tired of being called "anti" simply because I have an opinion counter to someone else. It happened again to me this weekend. I got myself into a heap bowl of chili simply by asking an obvious question that I didn't know I wasn't allowed to think out loud.

**Guilty Illegal Immigrants
Rioters Charges Dismissed
While Innocent January 6ers**

Remain In Jail

In the process, these illegals are bringing with them drug trafficking, human trafficking, murder, rape, attacks on the American military, attacks on America's police, etc. The list goes on. What could one expect from those who are ILLEGALLY crossing over the border?

Competing Titles: Tennessee House Falls Victim to 'Agenda 21' Conspiracy Theory vs Tennessee Bans Agenda 2030

In 2012, while Agenda 21 (now 2030) had been around for two decades, because we had a misinformation press even back then, the number of people who had understanding of what Agenda 21 i.e., Sustainable Development was about, was very small comparatively. And many of the tools and tactics of Agenda 21 had not been out in the open back then.

Presidential Immunity

Rather than following the Constitution and laws of the United States, the courts, and all of the attorneys arguing the cases, are attempting to design a system to meets their ends.

They are legislating from the bench, rather than applying the law to the case at hand. While Mr. Trump is attempting to turn the Presidency into a Kingship, the courts are trying to turn the United States into an oligarchy.

Happy 76th birthday, Israel

Today, Israel has reunited Jerusalem and provided unrestricted freedom of religion. Access of all faiths to the Holy Places in the unified City of Peace is assured. The story of Israel's rebirth is indeed a miracle, yet challenges have remained, threatening the existence of this tiny ancient country filled with a rich culture.

What 2024 Polls Really Tell Us

My favorite line about polls and statistics is, 99% of all statistics are made up on the spot to suit someone's agenda, and man is that true when it comes to modern political polling data. Today, most Americans don't even care how accurate the information is, they will share the polls of their choice, so long as it suits their agenda.

Earth Day 2050: Our Society Is Not Prepared For The Future

Since the mainstream media won't educate you, and politicians continue to explode our population via legal and illegal immigration into America, you cannot count on knowing or understanding what Americans face in 26 short years. But I can tell you this: it's gonna' get really ugly for anyone living in that 2040 to 2050 decade when America hits that 100 million added human "resource competitors."

Happy Church, Little Resistance of Evil and the Powers of Darkness

It is decision time for the Remnant in America. We have a faithful LORD and King and if we will meet Him on the battlefield, He will give us the victory against evil. We have work to do because one day we will stand before the King and answer to Him for what we did with what He gave to us.

The Absurdity of the Two State Solution Crowd

Asking why we continue to see and read of the hatred and vitriolic rants against the nation of Israel often sounds like a “broken record.” I have surmised that we will continue to hear and see the incessant spewing of Antisemitism because those expressing these views are short on reason, rational thinking, and logical, analytical deduction skills.

Understanding the Sovereignty of God

The only true sovereign that ultimately rules in all affairs of mankind desires that His crowning creation would recognize of his own free will, the need to accept His authority in all spheres of man’s governments, personal, family, church and civil. Unfortunately, history has very clearly proven that mankind is totally incapable in his fallen nature to follow God’s will in his personal life, much less in the civil sphere.

Why the U.S. Ignores Islam’s

Threat

The left has put America in a very precarious position by allying with America's enemy. We are in a state of subversion, and most of us don't even dare to name the enemy, which is Islam. It is no surprise. The so-called Democrat Party always allies itself with America's hardcore enemies.

Preparing the Trial of Barack Hussein Obama

This is not to say that the House Republicans have not made serious mistakes. They expelled Rep. George Santos, who fudged the facts about his background. But it was Barack Hussein Obama who campaigned under false pretenses as a Christian when he was a Marxist mole with sympathies for radical Islam. His policies are still guiding the Biden Administration.

Oregon Governor, Her Spouse, Their Media all Censoring Information

The public still does not know. The public was essentially denied access by the exorbitant one-million-dollar fee. The rule that created this charge came from the Secretary of State

not the legislature and is a policy that deserves a thorough review.

Maine Becomes the Latest State to Throw Away The Republic

Maine's governor allowed an unconstitutional piece of legislation to become "law" without her signature. LD 1578, An Act to Adopt an Interstate Compact to Elect the President of the United States by National Popular Vote is not only foolish and unconstitutional, but the latest attempt to change the United States from a union of republics into a monolithic democracy.

America: Willful Blindness

This is no longer an alarm. Our enemies are already here and busy making plans to make America just like another European country. Suppose we don't defeat Islam politically, lawfully, and swiftly. In that case, our children and grandchildren may well be engaged in an endless religious and ideological bloody war, the likes of which have never been seen on American soil.

Two Big Changes in America

The rot spread into the Democrat Party. They threw moderation out the window. Democrat politicians competed with the colleges to see who could go farthest Left in the least amount of time. The sane, decent, normal Democrats, one by one, disappeared from center stage. In their place we've got Soros-funded radicals.

Import Millions of Third World Refugees: You Become a Third World Country

Biden, who won't be alive to see his legacy of how he destroyed America, continues on this treacherous path with no idea of the consequences. Without a doubt, he is the "Father of the Destruction of America." They might place a statue of Biden next to George Washington, the "Father of our country" at George Washington University.

Left Wing Lunacy on Full Display on College Campuses

It has become crystal clear that the Marxist wing of the Democrat party (and even some on the right side of the aisle)

has completely overshadowed the moderates (?) in our national house. At this point, save for an extremely FEW members, the entire congress should be removed from their seats, and a new generation of patriots installed.

When AI Tells You What A “Useful Idiot” In The Mainstream Media Cannot – The Truth

When I clicked on the link, I found the content, which is listed below, was written on me and my ministry by someone who actually knew us. It was spot on. “Who wrote this?” I asked myself. They actually took the time to tell the truth. So, in other words, I was taken aback, and this in a good way.

Biden Buying Votes While Marjorie Taylor Greene Threatens to Remove Speaker Johnson

As the Biden regime is consolidating its power and working to imprison the leader of the opposition, a “close” presidential

election is developing, with a repeat of 2020 shaping up as mail-in ballots prepared in advance will be used to swing the results in Biden's favor.

What Would It Mean to “Make America Great Again”?

The latter, I submit, will include a lot of what self-identified liberals of old said they wanted, in arenas such as housing, health care, nondiscrimination, and so on. It will have extracted the antiwhite racism and the “gender” fluidity/confusion of wokeness. It will leave us in no danger of falling under a world government, or of “transhumanism.”

Pro-Hamas/Palestine Protesters: Ignorant Dupes

First thing on the madness we've been seeing on campuses of lower learning. Two factions. One is ignorant students who are actually enrolled in one of the colleges/universities and second are paid professional cockroaches who travel around the country. Their job is to whip up violence, rioting, spew hatred on college campuses while promoting Marxism/collectivism.

VP The BIGGEST Decision of Trump's Life

Like Trump, he's an unapologetic AMERICA FIRST leader and a take-no-prisoners style of freedom fighter, who deeply believes that America's greatness comes from its free people, not government. He's extremely intelligent and well-spoken. He can lead the nation after Trump completes a second term.

Barack Obama: "We need to fundamentally change America." I.E. Devolve It

How did it feel when you heard the news report, "Death to America" from all those pro-Hamas Muslim supporters? Did you ask yourself, "How could they say that inside the greatest and freest country on this planet?" All Americans better start asking themselves these questions because the citizens of Great Britain didn't.

The War To End All Wars

There will be no doubt when World War 3 goes hot. It truly will be the “War to end all wars.” Friends, those of you who will, be in prayer for this nation. Be in prayer for those you love. I believe God will protect and provide for those who are truly His, but none of us will escape persecution. I urge you to draw close to God today, and bring as many souls with you as you can. Our time is growing short, and we have but one Savior.

In the Twinkling of an Eye

When Wanda looks in a mirror and does not see Harold’s reflection, she realizes that he has come to take her from this life. With a kind smile, he tells her that he arranged the circumstances of their meeting to gain her trust and convince her that he means no harm. Wanda recoils, frightened, but Harold tells her that what she really fears is the unknown.

Dying to Your Flesh – Session 3

This is my final article on dying to your flesh. I shall recap what we have learned and I remind you that you must deal with your flesh nature inherited from the fall of Adam. Failure to

do so means Satan will rule you by your flesh and your spiritual life will not go well.

Super Important: Conservatives Vote in May's Primary Election and Vote out Traitors

As we are learning daily, these issues are complex and finely woven traps that are difficult to recognize at first. They are baited traps none-the-less – laced with enticing incentives, coated in feel-good rhetoric, and carefully hammered through the majority party's brutally efficient committee hearings.

Stakeholder Capitalism: A global economy that works for the global elite

Schwab and the rest of the global elite/deep state do intend to replace the current picture of the global condition. But, in order to do that, they had to produce the global upheaval, unsustainability, and uncertainty to destroy the free-market capital system, the agricultural system that fed much of the world, and the sound political governance that was a beacon to

the rest of the world.

The Chinese Threat to Local Communities is Real

For the past several decades the communist regime in China has been driving toward world supremacy, both economically and militarily. The regime's main target has been, and is, the United States of America. The latest tactic of the Chinese Communist Party (CCP) is to use the threat of Climate change to gain control of our American economy, our food supply, and our energy system.

The New Normal: Ambiguity, Tragedy, Fear and Loathing

This is our rotten farce: For our entire lives, we have been flooded with media designed to slowly steer us into a world where the American Dream was dead, where the public was fully divided against itself, where everybody believed we were powerless to do anything about our worsening circumstances.

The Truth and Consequences of Targeting Tik Tok

When they told you 2-million Americans were going to die from COVID in just two weeks in April 2020, they lied. When they told you wearing a mask and social distancing would save you, they lied. When they told you they didn't know where COVID came from, they lied. When they told you taking the JAB would save you, they lied about that too.

Free Speech in Canada: Bye-Bye

His latest project is the Online Harms Bill C-63 (Canada introduces blood curdling new thought police law that even Stalin would blush). It's a beauty! How would you like to be arrested, tried, and punished for something you said or did that was not against the law...

Our College Campuses: What's Going On Is Nuts!

If this treason keeps up, if this anarchy keeps up, and we allow anyone to attack or call for the death of certain religions, we've lost America. You need to get on the phone

and call your U.S. Senators and House Member. Demand they take action at the federal level to stop all immigration of anyone from Islamic countries.

Join the Fight for Free and Fair Elections

I am pleased to report that we have posted my new analysis of the 2020 presidential election and how it has resulted in thousands of patriots being investigated by the FBI and hundreds of them imprisoned in America. It's titled, Stolen Elections, Murder, Corruption and Deliverance, and paints an ugly picture of a communist "insurrection" in America.

Which One Is Worse, John Lindell Or Mark Driscoll? SHAMEFUL! – Videos

It was even reported that James River Church pastor John Lindell threatened to cut ties with preacher Mark Driscoll if he "will not repent" for his actions following the Stronger Men's Conference this past weekend. These apostates are seriously biblically illiterate as well as pathetic.

Speaker Johnson's Treasonous Betrayal

Sorry President Trump, but Mike Johnson is being controlled by the very people stabbing you in the back. Giving Biden's political gestapo a brand-new FBI building bigger than the Pentagon, while not providing a dime to protect the southern border from the swarms of people entering the country illegally, is doing a "good job?"

States Embrace Climate Action Plans Under the United Nations 2030 Agenda for Sustainable Development

On September 20, 2023, the Biden administration met at the Sustainable Development Summit in New York with the goal of recommitting to the [United Nations] 2030 Agenda for Sustainable Development and the Sustainable Development Goals—SDGs. A White House fact sheet stated, "The United States is committed to the full implementation of 2030 Agenda and the SDGs, at home and abroad..."

What Made America Great

During the hearings on that monster, GATT/WTO*, French billionaire financier, the late Sir James Goldsmith, testified in front of Ernest Hollings committee. He demonstrated that GATT would gut the American textile market. The following are some quotes from the Washington Times, Dec. 6, 1993, which accurately reflect Sir Goldsmith's statements during the hearings

Earth Day 2050: You Ain't Going To Like What's Coming

Growing up on a farm in LeRoy, Michigan, population 500 farmers, I got close to the Earth. I helped my parents plant a quarter-acre garden every spring. Nothing like getting your hands dirty in the dark riches of organic soil!

Dying to Your Flesh – Session 2

Are we brethren? Did God say in His Word to resist Satan or ignore him? If God says be on the alert and be serious, should we be serious about resisting this spirit world of darkness? It has been very convenient for Satan and his forces of darkness to remain in the shadows and darkness,

ignored by Christians, and not talking about what Satan is doing. In America, we have become a habitation of demons while pastors and church members remain silent and ignore the evil overtaking our nation!!

Freedom of Speech and the Offense of Political Correctness

That freedom applies to all men and women of every race. Martin Luther King, Jr. did not preach hatred toward whites or blacks or any other race, but instead timelessly affirmed that the value of every human being was based on their individual spirit and character. In Dr. King's acceptance speech for the Nobel Peace Prize in 1964, he stated...

Lighting A Candle

Friends, as goes the church, so goes the family. Sadly, our churches have failed to build solid God-honoring families. But also, as goes the family, so goes the nation. And we can all easily see how desperately our nation needs strong families again – free of the shackles of mindless TikTok videos and gaming and soul-sucking electronic “entertainment” and social media.

Christian Nationalism

Now you are probably asking, what in the world is a Christian Nationalist? Let's start by looking at what a leftist humanistic reporter by the name of Heidi Przybyla says it is. Here's one of her comments from an interview in part that she did on MSNBC recently. "They (Christian Nationalists) believe that our rights as Americans and as all human beings do not come from any earthly authority."

Is the Constitution a Threat to National Security?

And here we have the Biden Administration, telling us we need to give up our essential liberty, our rights to due process, and to be secure against unreasonable searches and seizures, all with the promise of protecting our national security. Are you willing to give up your essential liberties for what has shown to be the false promise of temporary safety?

A Formal Invitation To Steal

Our Country

I put this out again, now that Tucker Carlson has picked up on it, because it is more possible that we move on it. Tucker has the followers few others in the country have. Between now and the November general election what WE do – what WE THE LITTLE PEOPLE do – may well be the difference between hanging onto freedom, or falling into the death pits of totalitarian rule.

Let's Celebrate the Natural Family

Despise not the days of small beginnings! Get involved. Go to [HERE](#) to order some signs to put in your yard!! Let us start a groundswell of support for the NATURAL FAMILY and begin the restoration of sanity in this land. This will not happen overnight but you can make a difference RIGHT NOW

Single Female Voters are Destroying America

You can shoot the messenger here if you want, but it won't change these facts! Single female voters are the single largest problem in the USA electorate as 70% of them are single issue voters, seeking a protected right to kill their own children in the womb...abortion!

What Happens If We Don't Change Course: Earth Day 2050?

Dozens of emails poured into my computer after the publication of "Irony, Pain, and Hope for Earth Day 2024." (March 22, 2024) Some quite negative! Some gave up years ago. Some felt distressed over the 1.0 million vertebrate creatures killed on America's highways every single day of the year.

Saving Kamala

Democrat operatives are growing increasingly frantic about Vice President Kamala Harris' popularity. Polls consistently show her mired somewhere in the 30s–34 percent here, 35 percent there, etc. They will not admit to any lower numbers.

Why the Cultural Marxists Are Winning

Christopher F. Rufo is the winner of the 2024 Conservative Book of the Year Award for his work, *America's Cultural Revolution: How the Radical Left Conquered Everything*. This

talented young writer has discovered, belatedly, that communism has come to America through infiltration of our culture and institutions. However...

Why Do the American People Let the Corrupt Media & Politicians Set the Propaganda Narrative?

Instead of uniting under the Lord and condemning the criminal efforts that are being committed in hopes of undermining who we are as a people (confusion, distraction – Order out of created chaos), the people are simply following in close pursuit of what they say that they do not believe.

With the Old Guard Gone, Will Birchers Still Fight the Commie Menace?

There isn't a day that some horrible news doesn't come into our home via newspapers, magazines or email. Today is no different. Yesterday's headline was that the Republican held House reauthorized a two-year government surveillance power in the FISA bill, and Speaker Mike Johnson cast the winning vote.

What Bill of Rights?

Unfortunately, by the time the people have had enough, they will have already lost everything, including the means to right their own ship. Everything they tried to protect by keeping their head down and mouth shut, they will lose. Freedom once lost, has never been regained in the history of mankind.

The Vibe Shift We Need

No one ever proved, for example, that Donald Trump sexually assaulted E. Jean Carroll. She couldn't even remember the year of the supposed assault. An honest judge and jury would have thrown that case out in embarrassment. Come to think of it, there's no evidence of a tryst between Trump and Stormy Daniels; at one point, she denied it!

Why is Everyone Complaining About Communist China?

1972 Richard Nixon met with Chou En-Lai in Shanghai to "cement a new world order". America crawled into bed with the commies. The same communists who were holding our POW/MIAs from the

Korean and Viet Nam “conflicts.” Only God knows how many were still alive, but those butchers of Beijing had them at the same time Nixon was over there kissing En-Lai’s backside and toasting champagne.

A Case of Advice or State Intimidation?

If there’s a boogie man in the anti-gun community, it’s probably the National Rifle Association. Accused of complicity in almost every gun crime from gang violence to mass murder, the NRA has become the lightning rod for the vitriol of those whose fear of firearms has grown to an irrational state.

Irony, Pain, and Hope of Earth Day 2024

In the final equation, what does Earth Day mean? It means YOU must be the “change agent” in your community, your state and your country. You must elect those who will act. If they won’t act, you may run for office. When it comes to a free society, it’s up to “we the people” to make change toward a viable future.

Dying To Your Flesh – Session 1

I shall concentrate on teaching those in the Remnant of God who are totally committed to the obedience of Jesus Christ and who need help with spiritual things the Bible teaches such as dying to the flesh, renewing the mind, and taking thoughts captive to the obedience of Christ.

Romantic Lies

We die fondling romantic lies that re-arouse the sensuous nature, and we milk those old love-hate feelings and thoughts for all they are worth in order to forget what old and miserable failures we have become.

Take Care Who You Hear and Follow

One day, Jesus will return to earth as King of kings and Lord of lords, eliminate government corruption with His rod of iron (Revelation 19:11-21), and establish His righteous rule on earth that will never end. Believe in Him and enter His kingdom. Jesus will never betray or abandon you, and all those who trust in Him are forever blessed (Psalm 2:12).

The University of Tennessee Uses Our Taxes to Advocate Radical Energy Agenda. I Took Them to Court

Why would I want to see these documents? What business is it of mine? As a candidate for president once said, "I paid for this microphone." The emails would inform the taxpayer 1) how and why the engineering school sought to use taxpayer resources to promote an ideological plaintiffs' and media campaign in a breathless write-up pitched to outlets worldwide.

April 13th, 2024: Iran's Shocking Dress Rehearsal

Israel is now between the proverbial rock and hard place. If she doesn't retaliate, the surrounding Arab Muslim states that are hostile to the Jewish state will view that as weakness, which encourages aggression on their part.

Beyond the Headlines: Iranians vs. the Islamic Republic

It is time for the Iranians to strike, gather forces, organize, and especially demonstrate in the streets in increasing numbers, even in the face of massive, gruesome, bloody repression by the Islamic rulers, who still have a powerful armed apparatus at their disposal. It is time to unleash the wrath of the Iranian people on the Islamic zealots.

Anti-Federalists vs. Federalists circa 2024

And don't kid yourself...if the Federal Government has even one penny in your school, by any means, it's public education with a curriculum controlled by the US Department of Education. The government doesn't fund anything it doesn't control.

Cyber Sabotage and the Key Bridge Collapse

As a long-time media critic who has witnessed the paper's increasingly strange behavior under current owner Jeff Bezos,

I believe the Post story about a “criminal investigation” was designed to divert the attention of the public away from a state of war with Iran that now exists and which threatens to escalate dramatically and sink Biden’s re-election effort.

Spiritual Dementia

I’ve recently begun to ask myself what in the heck is wrong with the church? Jesus told us that we were supposed to be “the salt of the earth and the light of the world” but the impact of Christianity on the American culture and the American way of life is almost non-existent.

“Death To America” Chanted Muslims in America This Week

Dear fellow American, we need a responsible Congress, head of DHS and president to serve our interests. NOT 10 MILLION ILLEGAL ALIENS. We need to vote for the next president to deport every last illegal alien and every Muslim who chants, “Death to America.” We don’t need them bringing their barbaric religion, their barbaric savagery like 9/11, or any of their 6th century barbaric rituals.

'I Identify As...'

Suppose I say, "I identify as President Joe Biden." Must that be affirmed? Does that mean I get to live in the White House and issue executive orders? ("From now on, all motor vehicles must be powered by wind-up rubber bands!") And what if I'm not the only one? What if we could fill a whole ballroom with persons claiming to be Joe Biden?

The Mullahs Ruling Iran Are Not Iranians

I have repeatedly said that the mullahs ruling Iran are not Iranians. They truly despise Iran and its glorious past. Genetically, they are mostly Arabs. They even hate its name. There were never any questions about the Islamists denigrating Iran and exalting Muhammad.

Bradlee's Short Educational Video Library, More Than 225 To Choose From

Though I find myself having given the answers to the people during my presentations, I merely want to take it another step and give you a whole library of short videos that we, as a

ministry, have compiled for you in order to educate and reaffirm you in putting your feet upon the Rock.

Remembering the Battles of Lexington and Concord

There's another battle that few Americans seem to know about. A battle where Americans stood up against corrupt government with force of arms in order to protect their rights and those of their neighbors. I wrote about it in my article [The Battle of Athens, TN](#). Perhaps we should remember this day as well.

Winning or Losing Two Wars at Once

Former President Trump is correct that the wars would not have occurred had he been in the White House. That is just a matter of fact. Unfortunately, that currently leaves Ukraine and Israel involved in quagmires that amount to no-win wars. The only thing these countries can do is attempt to hold on until Trump wins a second term and comes to power.

How Elections Are Stolen 101

Approval of Congress and the press are in the single digits today, and rightfully so. Neither does anything to deserve the trust of the people, and they in fact, do so many things to deserve the utter distrust and disdain they currently enjoy. The vast majority of Americans know that we are being lied to and manipulated 24/7 by everyone in a position of power.

Trump's Campaign Promises, Congress & the States, Part 3

Then president Trump signed an extension for the Export-Import Bank which was twisted up in the "Further Consolidated Appropriations Act in 2020 which allows that "independent" agency to operate until 31 Dec. 2026. Trump should have said no. Supposedly that bank was created to help small businesses. It's not the function of the U.S. government to help small businesses.

American Food Producers: Americans as Collateral Damage

What can you do for yourself and your kids? Answer: Educate

yourself. There are plenty of YouTube seminars on healthy eating. Shop only “Organic” foods. Avoid just about everything in a package, glass, or can. Everything in packages, glass and cans have additives, unless it really tells you that it’s a healthy food. Check the labels.

A Corrupted and Divided Religion

I don’t know about you but most of the religious systems in America that are falsely representing Jesus Christ are corrupt and have divided the Body of Christ. As a result, many people are leaving these religious systems. The worst are the mega churches and the denominational religious systems along with their pastors.

God’s Lifeboat Is More Than Half Empty

Throughout the Bible are accounts of proud men who refused to humble themselves and acknowledge God, who built monuments to themselves and their achievements, trusting in their own abilities, possessions and self-efforts, rather than acknowledging the Lord. All inevitably came to a tragic end.

Mene Mene Tekel Upharsin

That eclipse crossed seven US cities named 'Salem.' Those cities are not, as some have attested, named for Jerusalem. No; both the root of the name Jerusalem and each of the aforementioned cities are transliterated "shalom," meaning the Lord Almighty's perfect, abiding, total peace. Jehovah Shalom, the Lord of Peace.

The Gun Grabber Glossary

The misuse of "gun grabber" terms is not to be glossed over. The gun grabbers and media blabbers twist language in hopes of creating panic amongst the populace while producing rallying-cry rhetoric for gun grabbing and attitude altering emotional evocations to shape perceptions about guns themselves.

Make Sodom and Gomorrah Great Again?

Years ago I wrote a major report on the homosexual infiltration of the Republican Party, driven in large part by financial hedge funds. It got no attention from Fox News, which has been part of the homosexual lobby for decades,

having poured tens of thousands of dollars into the Association of LGBTQ+ Journalists.

Terrorist Billionaires & The Future of Food

Bill Gates's agenda-driven interest in sustainable food solutions is not limited to insects. He has also invested in cultured meat, a lab-grown alternative to traditional beef, which has received \$50 million in funding. Gates's investments and advocacy for his so-called sustainable food solutions are part of a sinister effort disguised as global challenges, including climate change and food security.

America: The Last, Best Hope of Earth

The Chinese Communist Party is committed to its growth of power at any cost, even if hundreds of millions die. The Epoch Times reported that sometime before 2003, then-Defense Minister Chi Haotian gave a speech to CCP leaders in which he stated:

The Cultural Left's Cold War on Christianity

Today we have solid data on declining religious observances and belief, especially among younger generations, illustrating the success of the cold war on the Christian worldview. According to a Pew Research Center survey, more than three quarters of Americans agree that the role of this worldview in American public life is shrinking, whether they support this change or not.

So Much for Our Civilization

How many children can be irreversibly neutered before you crash the population? Why would we want to even risk that? How deranged does our very language have to get, before we lose the ability to communicate? How many preposterous lies do we have to pretend to believe, before we have to find some way to live without truth?

Twelve Ways Biden's Handlers Are Hellbent On Destroying America, Part 2

When he imports another 10 million illegal aliens including

hundreds of thousands of Muslims, Chinese and Africans with chain-migration along with "asylum seekers", we won't know who we are or what the hell to do to save ourselves. Biden's handlers are effectively destroying our culture, our language, our identity and our way of life.
