

Political Satire Mets Out the Hidden Truths

As we approach Veteran's Day, my hat's off to every American who served. My hats off to my grandfather Jesse Ward Johnson who served in WWI, to my father Marine M/Sgt Howard Wooldridge, my brother Scott Navy, my brother John Air Force and Army, and to all my old Army buddies who made it through Vietnam. God bless you, and God bless America.

The Systematic Killing of America, Part 5

Deception is a powerful word. One of the profound truths which most followers of Christ do not know is, "by definition, a person who is deceived does not know he or she is deceived." Once deception is cast down, there is light and revelation that amazes the one who was deceived. A major deception among the followers of Christ in America is the work of Satan in the world and in the lives of believers.

Traitors, Haters and Demons

Friends, in the days ahead, understand that it is God who sets up and removes kings. As Christ-followers we have power, love and sound minds. Defend your family and neighbors, stand for

righteousness, don't let any untruth go unchallenged – but don't let yourself get caught up into violent conflicts if there's any way you can avoid it.

Trump's Electrifying, World-Changing Victory—He Literally Took Out the Garbage

For the past four years, hard-working Americans resented spending their 8-10-12-14-hour days—more if they have two jobs—working their butts off, only to have their taxes and food prices and gas prices and regulations raised, and crime off the charts, and for what?

The Amish: North America's Health Control Group

It's a problem for the elites if the rest of us human lab rats and sheeple can look outside our mental cages and see that another – a better – life is possible. Act now and follow the example of the Amish! Reclaim the wisdom of past generations and find that life outside the present dystopia is still possible.

The Danger to Trump is Greater Than Ever

In addition, the Democratic Party is a member of the global Progressive Alliance together with the British Labor Party, which now governs Britain and sent “volunteers” to America to help Kamala win.

Importance of Jury Duty

If We the People are not willing to sit in judgment of our fellow man, who will? Wouldn't it be the judge? The government employee acting as judge, jury, and possibly executioner? Would that be a free country? Not according to those 56 men who signed the Declaration of Independence. They recognized that freedom is not free.

Saving Our Republic from the Invasion

Whatever you want to call it, the mainstream media got their butts kicked. An enormous 98 percent of their cover of Trump ran to the negative. An enormous amount of reporting for

Kamala ran positive. But in the end, the American people would not take the bait. They would not swallow the Kool Aid. They would not succumb to how “dumb” the power elites thought of them.

TRUMP WINS! But We Can't Rest On Our Laurels

Voters have solidly and soundly rejected the far left Democrats (Republicans have taken both the House and the Senate!), based both on the economy as they perceived it during the past four years (an inflationary disaster!), and on the immigration mess that Kamala Harris is personally blamed for having worsened, and then some!

Socialism—No Big Deal?

The inimitable Dietrich Bonhoeffer reminds us, as Christians, that “silence in the face of evil is itself evil.” Fiddling while one’s nation burns is not biblically defensible. When informed Christians speak, stand and vote for issues (not personalities)—this, in alignment with God’s Word— “the lot is cast into the lap”; and “its every decision is from the LORD.” (Proverbs 16:33)

Radical Return to Reason Required to Rectify Economic Situation

The above are fundamental actions I think we can agree on without the excessive arguing and debating, something frequently – and often intentionally – leads to inaction. We must conceive of practical ways to accomplish these objectives. Once we Americans get the ball rolling, things will start turning around.

Bradlee Asks Alex Newman To Convince Americans That Trump Is Their Man

So, in response, I reached out to Alex about what was brought to me and asked him to jump on The Sons of Liberty (Matthew 18:15-20) to share with our audience how to convince Americans that Trump is their man, and I would reveal in the face of what Alex conveys as to what Donald Trump has done (Matthew 7:16-20).

Trump's War Against the Deep State

After his 2008 election, Obama spent eight years weaponizing the entire intelligence community (IC). His top soldiers, Jarrett, Brennan, Clapper and Holder, also weaponized the entire federal government including every alphabet-soup agency. Comey, Lynch, McCabe, Weissmann, Yates, Strzok, Page and Ohr were the high-ranking officials and major players in the agencies Obama oversaw.

Montana Republican Traitors

Sheehy's a Trojan horse who can't remember who he is. Zinke lies to Trump. It's insanity to give shady Sheehy six years and zombie Zinke two more years to destroy us. This is more important than who controls Congress. I'm voting for former President Donald Trump, Sen. Jon Tester and Monica Tranel.

Fixing this Tasteless Oregon Gruel

This election is an important and pertinent decision for every Oregonian. It is particularly relevant with regards to our understanding of our American heritage and ideals.

Is Trump Trying to Lose This Election?

This rally wasn't something he had to do. Yes, it proved he can fill the house and then some, in a notoriously left-leaning city. I don't know of any head count made that would indicate how many attendees were New Yorkers and how many were from outside the city, or even outside the state.

Alleged GOP Losers: Immediately File to Stop Certification of Vote

Candidates: If you allegedly lost your race, don't just walk away. Immediately file to stop certification of the vote which varies from 20-30 days depending on the state. Demand a FORENSIC ANALYSIS. I guarantee you the numbers won't match and I say that after pursuing this cheating of We the People for the past 31 years when few would listen or even look at the evidence.

Citizenry Participation in Times of Political Turmoil

The political landscape of America has grown more divisive and tense over the last couple of decades. Polarizing views on government policies, social issues, and the interpretation of the Constitution have led many citizens to question the direction in which the nation is heading.

What Can We Expect on Election Day from the Forces of Tyranny?

There is growing concern over possible violence if Trump wins the election. What will happen the day after election day? While I obviously can't know for sure, I can tell you from personal experience what can happen when an entrenched tyranny refuses to concede after a sound defeat.

When Democracy Dies in the Darkness

Anyone voting for Kamala Harris votes for the destruction of their own country on multiple levels. She simply does not know what she's doing or how to solve any of the Mt. Everest of

problems facing America. But in reality, she's compounding them beyond solving. Finally, you and your family will be facing all these problems without any solutions.

The Systematic Killing of America, Part 4

Our government up to the early 1900s was not perfect by a long shot but it was about as Christian as a nation can get. After that the demons and the power of darkness curses moved into our nation. Our strong American culture, not perfect, was fine from our Founding Fathers days through the 50s until the beginning of Saul Alinsky in the early sixties.

There's No Political Solution

In 2016, Donald Trump took the White House in a massive victory with his "Make America Great Again" campaign. Despite enormous popularity with his enormous rallies, he wasn't supposed to win, but Americans were fed up after eight years of the radical leftist and communist agendas of Barack Hussein Obama and the globalists that pull his strings.

Are You Better Off Now Than You Were Under Trump?

At a campaign rally in Latrobe, Pennsylvania, on October 19, 2024, presidential candidate Donald Trump posed a question to the American people, echoing another presidential candidate in 1980, Ronald Reagan, whose asking of the same question helped him win the first of two terms as president of the United States.

Kamala Sinking Like a Lead Balloon; Trump Taking Off Like Elon's Rocket

In fact, just last week, both Wayne Allyn Root and Paul Manafort compared this election to that of 1980 when Ronald Reagan trounced Jimmy Carter with a landslide victory. They predict Trump is about to have a similar landslide. American voters didn't like inflation under President Carter, and like it no better under Biden and Harris, among other things.

Great Again vs. 3rd World

Destruction

Because Harris was never elected as the nominee, intelligent people can see who the real threat to democracy really is, the candidate not elected by anyone. And because democrats have promised to “raise people out of poverty” by using taxpayer revenue to do it, without ever lifting anyone out of poverty, smart people don’t buy this lie anymore either.

The Enemy is Within

Decades ago, Communist defectors from the ranks of the KGB and GRU (top tier special forces) painstakingly laid out the procedures and processes of the machine they served. They wrote documents, met with the CIA counter-espionage unit, were interviewed by serious journalists, and even wrote books.

What Can We Expect on Election Day from the Forces of Tyranny?

Will history repeat itself on November 5th? Are the Harris Dignity Battalions preparing to maintain their status quo? We must stand strong like the Panamanian people and refuse to leave, even if our polling place is threatened. We need poll watchers to oversee all aspects of the vote counting process.

It's Now Down To THEM or US; There is No middle ground in This War of Cancel Culture

We don't accept slavery. Our nation's Founding Fathers designed the nation to protect natural rights rather than dictate what our rights may be. The Founders also advocated private property rights as the most important right held by individuals that must be protected at all costs.

The True Science of Climate Change

Republicans deny climate truth and refuse to even discuss climate truth with climate experts. They are wimps who do not have the courage to learn and stand up for the truth that would make us free. Republicans are responsible for Montana's disastrous loss of the Held v Montana climate lawsuit in 2023.

Fluff, Stuff and Fraud in

Oregon

Why did the governor go through the charade of having both the DMV and outside auditors wasting time and money trying to investigate data-entry errors when almost anything is valid? Why the pretense of a drivers' license or the final-four digits of a "valid" SSN? Why call for an outside audit? Because this is a "limited hang-out" part of a grand charade.

Civil Wrongs: 30 Years After!

Meanwhile, those supposedly dominant – straight white Christian men – are the only ones losing ground: culturally, demographically, economically, healthwise, spiritually. We're group members for political purposes and atomized economically and psychologically, so that loneliness is epidemic as white men stay unmarried.

Importance of Voting

The republic for which our flag stands is crumbling under the weight of collectivism, tyranny, and elitism, in no small part because the people who believe in individual rights, in liberty and justice for all, cannot be bothered to go to the polls every couple of years to vote.

“Voters Compromised?!”

We can also learn that neither party has completely removed We the People from the United Nations, which is clearly a socialist based entity. If you study history, you know that under a true socialist system, voting is completely a farce. Is this what we are destined for? Is this what our students and children will be faced with?!

MIA – the People We Pay

The cookies were about to come out of the oven when I heard Congressman Brian Mast tell Dan Bongino that our soldiers were told they had run out of ballots and some would not be able to vote. Mind you, I didn't hear the whole conversation, but my ears perked up when Mast spoke. This was just yesterday, October 29, 2024. The election is a week away.

Garbage In Garbage Out: Who Is Taking Out the Trash?

So when pretend president Joe Biden calls half of America “GARBAGE”, I take issue with such a rude, crude moniker. Why is that? Answer: most Americans love this country, love their

families, pray to God, go to church, pay their taxes, and stand for Old Glory. Sure, we've got warts, callouses, wrongs, and dark rainbows of past mistakes.

2024 Back to the Basics

If the USA is no longer free and prosperous, no place on earth will be! It's not possible to plunder the assets of the USA to raise the world out of poverty, war and starvation. It's only possible to bring the USA down to the same unsustainable 3rd world status, by killing the goose that laid the golden egg. A lowering tide, grounds all ships...

Patriotism is Not Obedience to Government

Why can American's be called racist continually with no opposition? Answer: SCHOOL. Why are Patriots being called racists? Because this is what kids learn in school. Someone sent me this statement. Not sure of the author but how true is that. "Patriotism is not Obedience to Government. Patriotism is Obedience to the Principles for which Government is supposed to stand."

Preached Into Heaven After Being Found To Be Living In Sin

First off, I would like to say that what I am about to write makes me righteously indignant. I'm righteously indignant not so much against the one that willfully remains and then dies in their sins (He who claimed to be a Christian; John 8:24), but against those who are around such an individual, who also claim to be Christians.

Hurricane Helene and Potential Federal Land Grabs

Kings Mountain is sitting on a huge lithium deposit. The people are opposed. No people, no problem. Blackrock has invested in the area and has a multi hundred-million-dollar contract to mine. Will the government use eminent domain to get people off their land? Maybe they will declare the land useless and pay a fraction of the cost.

Potential Tragedies Brought

to the Oregon Public's Doorstep

With only a handful of investigative journalists available to dig through the legislative dumpster, this item has remained buried and has not yet received prime-time notice. Today's example is a law, HB 4133 – passed in 2022, that created a fourth option for identifying oneself as a valid voter in the registration process.

The Political Landscape of the Ted Cruz-Colin Allred Race

Cruz has also been instrumental in shaping Republican strategies on a national level, positioning himself as a critical player in the fight against big government and for individual liberties. His influence extends beyond Texas, as he is often called upon to provide insight into the Republican Party's direction.

The CIA Loses Faith in Kamala

As thousands of people lined up outside Madison Square Garden on Sunday morning, for a Trump rally that afternoon, the

Washington Post published a story, "Voters prefer Harris's agenda to Trump's – they just don't realize it." This is desperation from an organ of the Democratic Party that refused to endorse Harris.

Nov. 5, 2024: Will a Winner Be Announced? Part 1

Let me start with the despicable and dangerous vomit out of the mouths of Trump haters in the prostitute media, members of Congress and the grand Dame of Lies and Deceit: Hillary Clinton.

In The Name of Common Sense, Who Would Vote for Kamala?

We, the American people, suffered under cognitively bankrupt Joe Biden for the past four years. His incompetence and/or that of his handlers has created an economic, racial, cultural and border nightmare never before seen in American history.

Nov. 5, 2024: Will a Winner Be Announced? Part 2

Now tell me election is going great. Clean and fair! We're told – again just like 2020 by the whores in the Mockingbird media, Secretaries of State, party honchos: There's no fraud, no vote flipping and more excuses than the massive fraud in countries like Venezuela to install dictators.

Kamala Wants You to Pay Tax on “Unrealized Capital Gains.”

How will people afford to pay these annual taxes so they can keep the homes they worked so hard for all their lives – and were responsible enough to pay off? The short answer is, they won't. “You'll own nothing and be happy.” Get it now? The chickens are coming home to roost, perhaps much sooner than anyone realizes.

The UN's Covenant With Many and Trump's Peace Plan

As Pastor JD Farag so well stated in his Sunday September 29th prophecy update, they just passed the final United Nations

documents/ treaty to establish their empire. All they now need is a final Hegelian crisis. Hegel's infamous creed of creating chaos to create change is the final act to bring about their brief kingdom and everlasting infamy.

Lethal Politics: Deadly Thoughts and Deeds Are On The Ballot

I'm not going to go on. You get it. Get informed and go vote. Lady Liberty's torch is flickering, and will be extinguished in 2024 if another fraudulent election occurs in America. There is one choice that will have us living in darkness for long years. Please get informed and vote accordingly.

Nazis, Fascists, and Communists

When former KGB officer Vladimir Putin invaded Ukraine, he said it was to defeat Nazis and fascists, even though the Hitler-Stalin Pact started World War II. Now Comrade Kamala is using the same ploy against Trump, when her "joy" campaign is based on the Nazi program "Strength through Joy" that was designed to build Hitler's Third Reich. So would a Kamala regime become the Fourth Reich?

Why Would You Legalize 30 Million Illegal Aliens?

Kamala Harris in the past four years of her pretend Vice Presidency invited 15 million illegal aliens into America. That's on top of the 15 million already here. In a recent interview, she wants to give them a pathway to citizenship.

Bootstrapping or Malicious Prosecution

How far can law enforcement go when it comes to arresting someone? For example, if police have probable cause to charge you with a misdemeanor, how far can they "bootstrap" that charge into something more serious? That appears to be the question in the case *Chiaverini v. City Of Napoleon, Ohio*.

Is There Not a Cause?

Fiddling while one's nation burns is not biblically defensible. So, then, what are we to do? As Jesus addressed political discussions of His day "with a profound sense of clarity," so must we. The ekklesia has a voice, and she must

use it. Perhaps now more than ever. The inimitable Dietrich Bonhoeffer reminds us that “silence in the face of evil is itself evil.”

Election Fraud Cover-up Begins

Obama's Democrat Party has done everything possible to steal yet another election and prevent the legal American Electors from choosing their leadership. Since 2009, the Obama regime has been in control of the entire Federal government, even while Trump held the Presidency, which is why and how the Federal government worked around the clock to undermine, destroy and end the Trump administration.

What Happened to the Democrats?

I wrote up a series of interviews with local office-holders, all Republicans, to explore what they believed in and how they differed from the Democrats. I was a registered Democrat at the time, but I tried to keep that out of my reporting. “Let them speak for themselves” was my motto.

The Media are Simply Larry, Curly, and Moe

In a bit of self-reflection, I dug into my archives this week to get a tempo of just how accurate I have been doing over the past 20 years in my evaluation of the evolution of the American culture. I was pleasantly surprised at how accurate my assessments have been...if you forgive me for patting myself on the back.

Why is the U.S. in the U.N?

Did the United States join in with the other world leaders to build a safe and altruistic organization? Only if your definition of safe and altruistic is akin to believing your mother is the tooth fairy.

For All Of You Willfully Blind People, Give Me One Example

“We now live in a nation where doctors destroy health, lawyers destroy justice, universities destroy knowledge, governments destroy freedom, the press destroys information, religion destroys morals, and our banks destroy the economy.”

The Immortal Man

Modernity's dark side is that it has concentrated power, leaving the many largely at the mercy of the few unless they wise up. It isn't just power that corrupts; utter powerlessness corrupts as well, as it turns the chronically weak to crime and drugs, the ambitious to depravity of various sorts up to and including killing for sport.

Listen to the Music

America has never been in a more destructive and dissolute arena as we are today. Was it forecast? Of course. Through movies, television and music, we have been forewarned of what is coming, not just through the Lord's Word, like John Rich's latest, number, "Revelation," but by current events shaping our future.

Hocus Pocus and Joy in the Democratic Party

The film "Hocus Pocus" is coming soon to your local theater, but there is a lot of hocus pocus already happening during the presidential campaign. Michigan Governor Gretchen Whitmer

mocked the sacrament of Holy Communion during a skit in which she placed a Doritos chip on the tongue of a kneeling fellow feminist, making it seem like she was dispensing the body of Christ.

News Flash: Trump is Uncle Sam!

A vote for Donald Trump is far more than a vote for a man. In the face of the myriad assaults against our people, our liberty and our sovereignty—seemingly courtesy of the Leftist globalist elites’ final push for their totalitarian “One World Government”—it is a vote for America!

Voter Fraud—The ONLY Issue That Matters in 2024

Clearly, the only thing Democrats have cared about for the past hundred years is winning elections at any cost, the better to inflict their strangulating socialist/communist and now Islamist style of government on the American people.

No More Money for the BIG “Climate Change” Lie

I have written about this before: Why the Environmental Protection Agency must be abolished, Jan. 5, 2005: “The Environmental Protection Agency must be abolished because it is destroying the rights of Americans, it’s another monumental waste of money and America doesn’t need it.”

Denationalizing America Into A Nightmare Future

When millions of people migrated and are migrating into America in the 20th and 21st century, which they have now at over 140 million third world souls, they do not, will not and cannot relinquish their languages, their customs, their dress, their religions and their world views. In other words, the American people are being “denationalized” to a point that no one identifies as “American.”

The Systematic Killing of America, Part 2

By authorizing a central bank to control the country’s money supply and the value of the dollar, Congress enabled

government spending to skyrocket beyond all expectation. Politicians now could commit to projects that cost millions of dollars more than the existing revenue. The Federal Reserve in turn, could purchase the “excess” debt by printing more paper money, thereby inflating the economy.

No Happy Ending

Americans just want to be left alone. We want to be able to go about our daily lives, raise our families in peace, pay our bills and not be crushed to death by sadistic tax burdens. We want to raise our kids ourselves, not have their health, their hearts, minds and souls stolen by Big Brother. We don't want to be forced to agree that 2 plus 2 equals five or that evil is good and good is evil.

Unimprisonable

Though not using terror for tighter control over society in the same sense as Tarkin did in Star Wars with the Death Star, the global elites of the world are certainly seeking to build a superweapon of censorship to manage the attitudes and beliefs of people over a range of issues, such as so-called climate change, alleged global pandemics and “recommended” medical interventions, and mass migration.

“They” Will Do Anything to Keep Trump From Another Presidency

Biden's further deterioration was a minor set back for them, but as “insurance” they knew to install their newest Manchurian in the Veep slot, anticipating the demise or otherwise incapacitation of the figurehead (Biden). Biden didn't pick her, Jill hates her, but Maestro “O'Bama” and his Daddy Warbucks (Soros) and perhaps Schwab himself, demanded she be placed there.

Oregon State Has Purposefully Defrauded and Disenfranchised the Public

Over the next several newsletters I will highlight numerous instances where the majority party, in Oregon, has purposefully defrauded and disenfranchised the public by undermining the integrity of our elections.

It was the Best of Times: It

was the Worst of Times

Although this passage is from a Tale of Two Cities (London and Paris during the French Revolution), I think it accurately depicts what is happening in America, today. It tells a story of contrasts and comparisons, chaos, conflicts, and despair, as well as happiness. It, in fact, tells us about a time of extreme opposites, without any in-between.

DOJ Suing States For Removing Illegals From Voter Rolls

Several states, including AL and VA are being sued by the DOJ for removing illegal voters from their state rolls. Being sued for doing the right thing, that is. But this isn't news. The real news is about the states that have NOT earned a space in the hotlight of the desperate Left.

Real Men Would NEVER Vote for Kamala Harris

Let us get one thing straight before you read ANY FURTHER. This is an opinion commentary. It is about what I think. I don't write it to make you feel good, make you love me, or even agree with me. I write it because it is the Truth.

Who's Voting in America 2024?

In the leadup to the 2024 elections, an estimated 65% of Americans lack faith and trust in current election systems, across the political spectrum. Only 35% of Americans say they trust that our elections are free, fair, secure, lawful and transparent, proving that 35% don't pay attention at all, or lie to suit their undemocratic agenda.

Fighting on Two Fronts

I have been drafted into the battle against cancer. That means I have cancer. My doctors say they can cure it, but it'll take a while. Meanwhile, it's off to the hospital every weekday for radiation treatments. The chemotherapy pills I take at home.

Whose Stands At Fault For The Past Four Years?

Are you confused as to what's going on in Washington DC, in Ukraine or Israel? What kind of a dumpster fire blazes in a community near you? Are you a Chicago resident near 10,000 homeless illegal aliens? Are you working or living near the 175,000 homeless in Los Angeles? Do you live near the 180,000

homeless illegals in New York City?

Modern-Day Witches and the Harris Campaign

When Christian evangelist Lance Wallnau said that the Kamala Harris campaign was being driven by an occult spirit and witchcraft, he was denounced by the Big Media as a lunatic. What the media don't want you to know is that a "Witches for Harris 2024" group has actually been formed and that another movement is casting spells against President Trump.

Hearing The Voice Of God In The Midst Of The World

The message that is popular today contradicts these words. They are not using the Lord's words to turn men from their evil way, they are turning them to do evil that the Lord condemns. They promote the spirit of antichrist; "the lust of the flesh, the lust of the eyes, and the pride of life, this is not of the Father but is of the world" (1 John 2:16).

Donald J. Trump Makes Americans Happy

Great men of letters, who had just fought an eight-year War for Independence from the overbearing United Kingdom, recorded our God-given freedoms in our Declaration of Independence and U.S. Constitution. The term, "Taxation without representation is tyranny," has its origin from the American colonials against their British rulers.

Blowing Holes in the Fifth Amendment

Everyone knows we have a right to remain silent, correct? What if I told you that in 2013 the Supreme Court upheld a decision basically stating that is not true. You only have the right to remain silent if you verbally claim the right in the first place, otherwise, according to SCOTUS, your silence can be used against you. Let's take a look at this case and some of the history behind this violation of your rights.

Next Month's Election, "Bubble-nauts" and the Real

Economy

Richard Nixon killed the gold standard in 1971. This put us on course for a financialized world of rising debt and took us into an economy fueled by debt instead of production. The result was the progression of bubbles in the economic sense of that term: the tech bubble of the 1990s, the housing bubble of the 2000s, and finally the Everything Bubble of the present.

Not Voting? I Say This to You

—

I've been disgusted by the articles and interviews of "Americans" who are going to "sit out the election" and not vote. Let me quote the "Father" of YOUR freedom speak better than I can. Samuel Adams[1] is known as the Father of the Revolutionary War. Historically, if it wasn't for his tenacity and sacrifices, the colonials would still be licking the boot straps of the British

A CIA Plot to Kill Trump?

On Tuesday, October 8, the Justice Department announced that an "Afghan man" was arrested and charged with an Election Day terrorist attack. One day later, it was leaked that the "Afghan man" was a CIA employee allowed into the United States by the Biden/Harris Administration in 2021 on a "special

immigrant visa.” His co-conspirator was a legal permanent resident in the United States.

What Mainstream Media Won't Tell You: Last Four Years a Dumpster Fire

Last week, the entire school board in Chicago quit because of the chaos in that Sanctuary City where tens of thousands of illegals have pitched their tents. Hundreds of thieves steal from stores, home robberies and cargo trains in LA, San Francisco, Chicago, Detroit, Atlanta because we've lost the "Rule of Law" across this nation.

The Systematic Killing of America, Part 1

I do not enjoy writing articles like this but my LORD has commissioned me and I shall obey Him. Christians had better awake from their religious coma and hear what God is saying to the church in America. This article was written with the help of a new book, the "Killing of Uncle Sam" by Pastor Rodney Howard-Browne and Paul L. Williams.

The Eve Of Destruction

As I write this message, I feel obligated to put a “time stamp” on it because things are happening so quickly now. So, for your reference, this is being written in early October, 2024. The presidential election is just a little more than a month away now. By the time you read or hear this, it will be less than a month away.

SDG Ground Zero?

It’s been my goal to show you just how stealthily the United Nations has compromised one of our most sacred parts of our being: our faith and worship. To them, it’s a mockery that must be homogenized into walking away from our faith and worship of God and express our faith and worship of their leadership as they supposedly have our best interests at heart.

Axelrod Admits NO HELP COMING To Republican Voters in NC

That storm was engineered to do exactly what it did. Those who experienced it know that Helene was it was not a normal storm.

It raced over dry land, and did far more damage inland and 370 miles from landfall than it did in the NW sector of the cone.

You Don't Hate Your Government Enough

As far as America, the US Constitution is about the ONLY thing standing in the way for the full implementation of Agenda 21 renamed Agenda 2030. The essence is the leaders of the WEF (World Economic Forum) and the UN (United Nations) have determined the course for humanity and the world, and that course is moving the people of the world into cities and allocating the land for their personal agenda.

Sheriff Warns of Terror Cells in America

Chuck Jenkins, the tough-talking sheriff of Frederick County, Maryland, told a candlelight vigil in support of the victims of the terrorism in Israel that he fears a wave of crime and violence is being planned for the United States by "terror cells" and foreign criminal gangs already on American soil.

Absolutely Unsustainable

I'm sick to death of hearing the word, because nothing the government does is "sustainable." And our so-called "representatives" in Congress exempt themselves from every insane new rule they mandate for the rest of us. In a recent TV ad from Amazon.com, they used the word "sustainable" or "sustainability" eight times in thirty seconds. Give me a break.

Heads up, Liberal Jews—Don't be Jews On Your Knees

Today, President Biden heartily endorses the Iran nuclear deal—which President Trump canceled—and has let Israel know that he adamantly opposes Israel attacking Iran's nuclear sites. That is the same Iran whose stated mission for decades is to eradicate "The Big Satan" (America) and to exterminate from the face of the earth "The Little Satan" (Israel).

In Search of the Righteous Candidate

Some say they won't vote because you can't beat the cheat. Our elections, they say, have been hopelessly corrupted—so why bother? The fix is in. And thus another self-fulfilling

prophecy is born. Live and don't learn.

Catastrophic Climate Destabilization Juxtaposed to Catastrophic Political Destabilization

You cannot mix Islamic tribes who covet the Qur'an with American tribes who live by the Constitution. You cannot import terrorists and expect them to be civilized. You cannot import illiteracy and poverty, and hope it will assimilate into the mainstream. You cannot force diversity, and hope for a positive outcome. You cannot change human nature.

Lies, Deception, and Fear

I simply ask the obvious questions that no one else seems capable of asking. You know...why won't they release the JFK files...what made Tower 7 collapse...how come we never returned to the moon...why can they find over 1000 J6ers across America but we can't seem to find the names on then Epstein list? Does this bother anyone but me?

Then & Now: Hidden Saboteurs Surrounding Trump?

Now it's up to We the People to make sure the man who stands for "Nationalism, not globalism," Donald J. Trump, wins the 2024 election so he can begin reversing the damage O'Biden and Kommie Kamala have wrought, and go about the business of cleaning up the Dems' mess and making America great again!

An Uncertifiable Election 2024

So, to defeat the extreme left in this election, it will require a vast number of past democrat voters to defect from the party and vote for America. I see a lot of movement in this direction via social media, but the news media continues to claim Harris is a "sure winner" due to the fraud in place.

**SonsOfLibertyMedia.com Wins
"Best Justice" Video & "Best
News & Journalism Mini-**

Documentaries”

It has truly been a privilege to work with The Sons of Liberty and Bradlee Dean. He is single-minded and seeks to honor God by proclaiming His Word and applying it to the issues we face today. As editor of SonsofLibertyMedia.com, I post articles that Bradlee and I write, along with numerous contributors from all over the US.

Christians Mobilize to Save America and the World

During a trip to New York City last week, I encountered a Harris/Walz campaign event selling buttons for \$3 that proclaimed, “Make America Joyful Again,” in contrast to Trump’s MAGA. This is occurring during the one-year anniversary of what was supposed to be a joyful occasion in Israel, a music festival, which turned into a massacre of Jews by Hamas terrorists.

Helene Death Toll Rises in NC and TN; Military Finally Given Orders to Help

Yesterday, two black unmarked helicopters destroyed Hurricane

Helene recovery supplies in Burnsville, North Carolina at a distribution site. Locals say two black SUVs did a “slow roll” 45 minutes before the helicopter showed up. “This evening (October 6) at approximately 7:18 in Burnsville, NC an unmarked helicopter flew in and attempted to destroy the distribution area that was set up by locals for locals while I was conducting a K9 Security Round,” a veteran volunteer said.

Why America Is Lost?

It's really too bad that I need to take time out of my very busy schedule to address today's topic. I've been publishing Wisconsin Christian News for 25 years now, so I know that what I'm about to share with you is par for the course and to be expected, but it still bothers me a lot. Even though I know this is just another attempt of Satan to get under my skin and weigh me down with discouragement, I can't seem to just let it go.

Confessions of an American Journalist About America – Part 2, Where Are We Headed?

It's beyond my rational mind to understand that our President Joe Biden, Vice President Kamala Harris, Homeland Security Chief Mayorkas and Congress have spent over \$150 billion on distributing illegal aliens across America and caring for

their welfare in the past 3 1/2 years, BUT when it comes to rescuing our own American citizens from the disaster of Hurricane Helene along much of the East Coast—we're out of money.

Helene's Odd Trajectory – Lots of questions

By the time it got to Georgia, news reports announced it was a Cat 1 as predicted. This is a very good blog keeping up with its path and all the warnings given to the public in real time. All the governors, mayors and news stations warned people over and over: Catastrophic flooding is coming, get out. But, up in the Appalachian Mountains that kind of flooding just doesn't happen.

God's Gift of Discernment Provides Clarity in a Deceptive World

As the dark lords of this world use their palantíri to profile us and broadcast selected and deceptive messages throughout the world, you may wonder how you can avoid being misled into their web of control and ruin. Something stronger is needed to cut through their tools of deception.

The Ekklesia Jesus Wants to Build

We have the whole concept about the church that Jesus built all wrong. Today we see it as a building and a place to go on Sunday to lift up our religion. We must repent, that is change our religious ways because Jesus Christ and His way is our only hope!!

Helene Decimates Southeast and FEMA is Nowhere

The actions by this federal government are deadly. Just like Lahaina, Hawaii, and East Palestine, Ohio, NW North Carolina and NE Tennessee, people and animals are dying. We're on our own. The federal government is most likely guilty of causation and death. There is an obvious purposeful failure to save lives.

Interstate Firearm Possession

It's nice to see a judge that not only recognizes they are bound to the supreme law of the land, but willing to act on

it. While I'm not surprised that the Commonwealth sees differently, the real question is, what does the Supreme Judicial Court think? History tells me they are much more likely to find for the Commonwealth than for the defendants, no matter what the Constitution says.

Kopy Kat Kamala

Remarkably, she's been able to grin, cackle and cheat her way up to the top, laughing at We the Suckers who could possibly be stuck with her wanton destruction of what's left of our country during the next four years if the Dems' world-renowned cheating machine can steal enough votes from Trump's landslide. But that's a tall order, and I believe the odds are still with us.

Ignoring the Constitution and Losing Freedom

While listening to the discussion by our Representatives about funding another CR to fund OBiden/Harris' regime, I realized that if we do not get rid of these people, no matter who is president, nothing will change. Everything stays the Status Quo. The U.S. National Debt gets bigger everyday, as the beat goes on.

Another Student Athlete Is Dead, and the “Cause of Death Has Not Been Publicly Shared”

For what happens when enough people who had the mRNA shots and then got boosted once or twice, foolishly trusting the Pharma / medical Establishment, awaken from their cultural slumber and realize what may have been done to them, that they have a ticking time bomb inside their bodies that they'll never be able to get rid of completely.

Court Socks It to School Board

It would be good if parents simply abandoned “public education” altogether. That's the ultimate solution to the problem. Failing that, it should at least be a given, everywhere, for school board members to be subject to recall elections whenever they stepped out of line.

Confessions Of An American Journalist About America

It's been one heck of a journey from 1965 to 2024. As a reporter for the largest college newspaper in the world at 44,000 copies daily at the Michigan State News, I interviewed top professors, activists, and wrote commentaries about the Vietnam War. At the time, being a service brat,

The 6 Myths Keeping Americans Locked Into Crime and Violence!

For decades, politicians and community leaders have perpetuated myths as the cycle of drug abuse, child abuse, crime, gangs, and violence continue from one generation to the next. These myths include the following

Holocaust Survivor Warns of Another World War

But Steigmann emphasized that a "land for peace" formula for appeasing the Islamists to somehow assure Israel's sovereignty and survival makes absolutely no sense. "For the Arabs, appeasement is weakness," he said. That position would rule

out the Kamala Harris “two-state solution,” allowing an Islamic state next to Israel in the Middle East on a permanent basis.

Exposing the Corrupt Destroyers – By Name

Having been “in the trenches” full time for now over 31 years, I’ve read and watched more bogus “legal” claims/theories, outlandish conspiracy theories that turn out to be not true (and many, many that have been solidly proven over the past few years) and Soviet-style propaganda pumped out daily by politicians, pimps in the Mockingbird media and dishonest hustlers out to make a buck.

An Americans First Platform

Both candidates have their policy priorities posted on their campaign websites, the [TRUMP PLATFORM HERE](#) and the [HARRIS PLATFORM HERE](#). Every voter should take the time to carefully look at the posted platforms of the two candidates before attempting to cast an intelligent vote. Fully informed voters make the best voters.

Extinguishing the Sovereignty of Your Own Country: Kamala

If Kamala Harris reaches the White House, the majority of Americans who voted her into our most sacred office will find that they were the dumbest, utterly stupidest, and brainwashed people on the planet.

A Religious House Built on Sand

America has most of her church houses built not on Christ but sand. Neither did Christ build our churches but aggressive false pastors are building our churches, using any method of man available to get numbers. The Bible calls this selfish ambition and says where you have selfish ambition this wisdom is not from above but is earthly, natural, and demonic

Will the Gog Magog Quakes Destroy Much of the Temple Mount?

When you look closely at today's "Western Wall," you can clearly see that the top fifth of that wall is of recent construction, likely about 500 years ago by Suleiman the

Magnificent. Below this is the wall built of ancient ashlar; stone blocks put in place hundreds of years before the Christian era.

Day of Reckoning

People are about at the end of what they're going to tolerate. They've paid their dues, followed the rules, and made every effort to keep the peace. While being constitutional citizens of America, they have endured unconstitutional and unprincipled acts and offenses against them on an ever increasing in quantity and quality scale.

Constitutionality of OSHA

Which is why it is so important that We the People read and study the Constitution. Not only so we are prepared to defend and assert our rights from the abusive powers of the bureaucrats, but so we can hire representatives at the state, federal, and yes, even local level, to help us protect ourselves and our rights.
