

Travail Will Tail the Chemtrail Assail

These are strange days with strange skies and this situation is leading to Florida's losing its allure as the Sunshine State. All across that state Florida's "winter people" are noticing that their skies have been unusually cloudy and overcast, the cloudiest in 84 years in fact. Florida is in the subtropical zone where you usually have either bright blue skies or stormy, showery weather with little or nothing in-between.

Cards To Start The War

Do whatever you can to stop their legislative attempts to control you, your health, your children, your possessions, your relationship with your God. Guess this is another of my "off the couch and out the door" pleas, with a different more urgent slant. Fend them off, and keep your powder dry. For now.

It's My Own Damn Fault

Life is about choices. Some good. Some bad. But at the end of the day, WE are all responsible for the choices we make. Until you accept the fact that it is your own damn fault nothing will ever change. Sorry Flip Wilson, the Devil didn't

make you do it.

Nero Fiddled While Rome Burned: Joe Biden Eats Ice Cream While Americans Get Killed

Congress needs to wake up. They need to institute the 25th Amendment. We cannot keep fooling ourselves with a senile, decrepit, old man who no longer knows what's going on in the world. Joe Biden is the "Nero" of the 21st century, and we're the ones who are watching our own country being burned to the ground.

The Great Reversal...

I was a pretty damaged person in my early adulthood, (from some painful childhood experiences). As I became an adult, the damage I carried prevented me from wholeness and health. I knew it; I could feel it, but I couldn't seem to get out of it. I didn't know how. Damaged people damage people, and I knew that my reactions were damaging to those around me.

You Are What You Tweet?

Just last week Google had to “pause” its AI Image Generation program—“pause” means “take it off-line”—while they tried to correct a wee “mistake” in the program. What mistake was that? Oh, nothing major. All they did was erase white people from history and make ‘em all black.

Is Refusing to Wear a Mask Unconstitutional?

I’ve spoken repeatedly about the unconstitutionality of most mask mandates. Recently, the Third Circuit Court of Appeals was asked to review two cases where people were punished for attending school board meetings while refusing to wear masks. Sadly, the cases, as described in the Circuit Court opinion, seem poorly founded, thus leading to decisions against the plaintiffs.

Everyone Knows That The NFL Is RIGGED, How Are There Christians On The Football

Field?

Do not deceive yourselves into believing the Mahomes does not know what he is doing. He just signed a 450 million dollar deal with the NFL. This is where his heart is and it is who he serves (Matthew 6:21), so much so that he is willing to deceive others into believing what he clearly is not.

The Cloak of Grief and Despair

If we believe the promises of God, we must wait upon Him, long for Him daily, listen to Him in our quiet times, look to Him for our every need, and truly live for Him throughout our lives no matter what trials come. He hears every cry of those who belong to Him.

Winning Arguments in the Narrative Wars (Hint: You Can't)

The presenter focused on the difference between intellect and basic beliefs. Intellect is how smart you are, sometimes reflected in strings of university-gained credentials. In my experience, people who are unquestionably smart – some of them

light years ahead of me in their specialties – can still believe some incredibly stupid things outside those specialties.

I Demand Biden Forgive My Home Mortgage Loan

No question for those who fully understand the game being played, dirty Marxist traitor and yet another constitutionally ineligible individual to hold the office of president, can see Hussein Obama and his underlings are running the show. Of course, Obama takes his marching orders from the shadow government kingpins.

University of Georgia Coed Laken Riley's Death on You Joe Biden

Ironically, 38 percent of brainless Democrats want him to add another four years onto his presidency--when he can't put four coherent sentences together without a teleprompter. That same 38 percent want Biden's handlers to continue directing America over a cliff.

Preserving Freedom in the Face of Challenges

Defending America against all enemies is not just a slogan but a solemn duty that falls on everyone. We must be willing to stand up for what is right, defend our freedoms, and ensure that America remains a shining beacon of liberty for the world to see.

Obama's Third Term – Going For Four

The United States of America has become the laughingstock of the world, with Joe Biden playing the role of our “president” in this macabre stage production put on by the Luciferian Globalists. Indeed, one foreign news agency recently ran a headline referring to Biden as “President Mumblebub.”

Rise of the Controligarchs: Implications for the Nearness

of Christ's Return

Many of the names are now familiar to most Americans – Bill Gates, Mark Zuckerberg, Jeff Bezos, George Soros, and Klaus Schwab to name just a few. Why would these men be considered Controligarchs? They are defined as such because they are using their extreme wealth to change our world.

God Has a Part and We Have a Part

Since the early 1900s to today, America has been falling away from the faith of Jesus Christ. Today you are going to learn in plain English just how destructive, foolish, and dangerous that is to you, your family, and our nation. In America, we have no idea how serious and deadly it is to form denominations and religious systems that divide the Body of Christ.

Symbolism Will Be Their Downfall

Our nation and indeed our world are being led by Godless adherents to foreign gods intent on doing the bidding of their gods, which is a dark and destructive place. We are and will further be deemed the enemy because our allegiance is to the

true and supreme God. God is able to protect us, but we cannot afford to be found with one foot in allegiance to God and the other in the cesspools of idolatry.

Don't be a Slave to Narrow Narratives on Slavery

Post Scriptum: a fairly recently published book, *Dying For Freedom* by Jim Downs addressed the fate of former slaves both during and after the Civil War. The book pointed to the failure of the "Union" States to care for newly freed slaves especially in an impoverished post-war South, causing more death and suffering than had happened when those same people were in fact enslaved.

Oregon Government is Costly

Was social distancing was effective? Is there scientific evidence that face masks can stop a respiratory virus? Were Randomized Controlled Trials (RCT) performed to confirm asymptomatic transmission claims? Did plexiglass barriers, the constant washing of grocery counters, or disinfecting shopping carts handles provide any documentable benefits?

The TRUTH About Trump Voters

Thanks to decades of anti-American false propaganda flooding the airwaves from pretty much every form of mass media in the country, today's leftist echo chamber has taught millions of American voters a laundry list of gaslighting lies that simply are not true, including their misguided misperception of Trump voters.

The Big Sucker Known as Tucker

"Let's be clear about Vladimir Putin," says conservative columnist Kurt Schlichter. "He's a murderous scumbag ex-KGB colonel. He's not a good guy. He's not a hero. He's a Russian nationalist and a massive thief." But then, this columnist for the website Townhall says that poor Tucker Carlson was "set up" by Putin when the Russian dictator gave him an interview. ..."

Change the Words, Change the World

America can be saved if Americans will wake up. Stop using their words. Words have power. Let us call a Marxist a Marxist. Stand up and speak up. Our kids are depending on us.

No Main Character Energy: Boring, Incompetent, Useless Joe Biden

Whether you're one of the 38 percent of Americans who approve of Joe Biden, which means you must be suffering from Alzheimer's, too...because no one in his or her right mind would support such incompetence. Or, you're part of the rest of the majority of the country that wants him to drop out...he's already done the damage that won't be solved unless every one of those people faces deportation.

Headed for the Rocks?

We all really do have to work harder if we don't want our country going belly-up. All we have to do to save it is overcome the Democrat Party, the deep state, teachers' unions, Hollywood, The Global Elite, a zillion illegal aliens, a running-dog nooze media that never tells the truth, and the kind of mind-set that gets seduced by Powerball.

Feb. 22: Reinstate Washington's Birthday as a National Holiday – On His Real Birthday

By observing Washington's Birthday as a National Holiday on his actual birth date, Feb. 22, the focus of the nation was on Washington. However, all that changed in 1971. Congress – pressured by federal government bureaucrats and other employees and their unions desiring another paid three-day holiday – abolished "Washington's Birthday" as a National Holiday.

Abuse of the No Fly List

This should be an interesting opinion to read. I wonder how many U.S. citizens have been captured by the No Fly List without any probable cause or due process? This is also not the first time a government has attempted to get away with illegal acts by changing things after the fact and calling the claims against them moot. All in all, it could be a very interesting opinion indeed.

Whom The World Calls Prideful, Arrogant & Divisive, Are Always Called So By Cowards

I was being accused of being such things by those who should have known better, namely, the do-nothing hypocrites found within the four walls of the American church (Matthew 23:3). I had also noticed that simultaneously these hypocrites were going in the same direction that the prideful, arrogant, divisive, defamatory, lying, and malicious mainstream media were going in when doing the attacking (Revelation 12:10).

Idaho Considers More Mandatory Minimums for Fentanyl

I believe this new law, with its expanded definition of what constitutes trafficking, will add hundreds of additional inmates to Idaho's prisons. Because our prisons are already full and we are storing prisoners in other states, it will also add to the cost of transporting our inmates around the country.

SDGs: Local Chokeholds

As many of you may know, I make it a point to speak up in my local government as much as I can. Currently, the town of Mooresville, NC is conducting a series of town meetings to invite citizens to weigh in on the latest comprehensive planning efforts. Now, if you've followed my blog for a while, you know that I've reported Mooresville is in the thick of becoming a UN (United Nations) hub.

Primary: Will Texans Vote to Clean Out Corrupt RINO's in the Legislature?

Our governor, Greg Abbott, should have used the power and authority given to him by statute here in Texas to call up the State Militia (which is NOT the National Guard) to "repel an invasion" the day impostor president Biden was sworn into office. No, instead he seems to want to keep relying other states to send their National Guard. I'm done writing him on that issue.

Give Me Your Poor,

Illiterate, Criminals, Drug Cartels, Anti-Western Masses Yearning to Change America

What does that mean? As to welfare for millions, what happens when their numbers that do not contribute exceed the rest of us who do contribute? As to illiteracy, do you understand that people with very low IQ's lack any "educational thrust or interest" toward personal intellectual betterment? They become our endemic poor.

Civil War in America?

This case is unprecedented. We've never seen a clash of narratives like this. Those on opposite sides literally do not see the world the same way. They aren't making the same assumptions about what kind of political system we're living under. Small wonder some are ready to divide the country – peacefully, if possible; forcibly if necessary. This is where the narrative wars have brought us.

What Will History Record of this Generation of Lukewarm

Christians?

What will history record about our generation as we have sat by and allowed evil to capture our nation. Will we be remembered for our sexual revolution, that government is our provider and not God, that a man can have a baby, that some boys are girls and some girls are boys, that marriage is not only between a man and a woman but could be between two men and two women...

Putin Entertains Tucker in Russia

Professor Renato Cristin (University of Trieste, Italy) and I are among the signatories of the Appeal for Nuremberg Trials for Communism. We agree that Vladimir Putin should be put on trial for communist crimes against humanity.

Calling Things As They Are

Stowe's faith in Jesus Christ, her increasing understanding of the evils of slavery from the testimony of escaped slaves, and the compelling arguments of abolitionist apologists strongly influenced her to become a passionate abolitionist and supporter of the Underground Railroad, which helped many fugitives from slavery escape to freedom in Canada.

Trump, Insurrection, and Disqualification

One is easily overwhelmed by the fatuity and even imbecility of the politically motivated drivel which has inundated, and continues to flood, the Internet concerning Mr. Trump's supposed disqualification for the office of President of the United States under the Fourteenth Amendment to the Constitution of the United States because of his alleged participation in the so-called "January Sixth Insurrection".

Florida, You Have A Big Problem

The proposed legislation enables an election worker to decide what might constitute "harassment". The proposed penalties for violation of HB721, include imprisonment. This bill has now been fast-tracked to the state Senate for approval.

The Battle of the Gods

It's a really, really old story that only changes in nuances as the centuries turn into millennia. The Supreme God created

other gods to co-reign with Him, and then He created man. His co-reigning entities rebelled and altered the created order. I know it's popular to blame the perpetual failures of humanity on Adam and Eve, but they had help.

Democrat Beats Democrat in New York Election

With a narrow majority, House Republicans voted to expel one of their own members and then lost a special election for that vacant seat in New York on Tuesday to a Biden-supporting Democrat. But it turns out the "Republican opponent" was also a Democrat.

Tucker & Vladimir: The Interview of the Decade, if Not the Century!

Though summarily booted off Fox News only ten months ago, Tucker Carlson has singlehandedly pulled off the journalistic coup of the century. He's now the envy of the myriad sycophants in mainstream media newsrooms, who do nothing more than read the scripts given them by their handlers, all of whom are in the pay of their globalist masters. Predictably, they're attacking Carlson on cue, meaning he's over the target.

Foreign Occupation of Our White House

At a time when our beloved country is being systematically flooded with foreign invaders from all over the globe, South America, China, the Middle East, most of them military age males unaccompanied by women and children, it seems more important than ever to establish a means to prevent “illegal aliens” from voting in our elections...

Life Is Tough; It's Even Tougher If You're Stupid: John Wayne

Notice that Nancy Pelosi has LIVED in Congress for three decades, uses military private jets to go home on weekends, and is worth over \$100 million from insider trading on defense contracts. Ever wonder why she voted to keep Afghanistan and Iraq Wars going for 20 years?

Dems to Gullible Citizens: Open your Homes to Illegals

First we have a member of the Boston City Council suggesting that suburban residents “open their homes” to illegal aliens, now called “Migrants”. It seems the sanctuary city is running out of sanctuary; so you folks out there—“the wealthy,” as she calls you—ought to find it in your hearts to provide it.

Are We Cleaning up the Wrong House?

Do you lead family devotions with your children? Do you regularly pray and read the Bible with your spouse? Have you discussed spiritual issues with your children or do you leave that to the “youth leader?” Have you removed the influence of TV from your impressionable children? Have you checked their i-pods to see what they are listening to?

Feb. 15, 1973: American POWs Come Home With Honor—A Day To Remember

It was a day of great importance in 1973, in an America divided by the war in Vietnam. And, it is a day to remember

all these years later in an even more divided America. It is important for what it teaches about duty, honor, sacrifice and country. It is about who we are and what we can be.

Primaries, What Are They Good For?

Imagine walking into a voting booth, and the ballot listing all the names of the people who have qualified to run for office? There still needs to be some vetting process for candidates, some paperwork to request access to the ballot, and probably some process to insure there is enough support to warrant being included. Beyond that, let all comers be on the ballot and let the people decide.

The Idolatry Of Sports

Somehow or another, the children of the apostate have mistakenly made entertainers and professional athletes people of importance so much so that they have put their idols, players, and teams in the place of Christ (Exodus 20:13; Acts 4:12).

Matt Gaetz, Denizen of the Deep State

Matt Gaetz is promoting a Constitutional Convention via Mark Meckler's Convention of States (CoS), which is heavily funded by the Koch organizations. He claims the only way to get congressional term limits and a balanced budget amendment, is with another Article V convention.

It's Trump Vs. Obama in 2024

I wasn't sure if Taylor Swift would power the Chiefs to victory in the Super Bowl, but I am completely certain that that Barack Hussein Obama is the key to understanding the fate of Joe Biden. In our new report, The Super Bowl of Elections, I look at both candidates in this presidential election year. It's Trump Vs. Obama.

We MUST Stop Illegal Aliens from Voting

Despite all the conspiracy theories by the MSM and their anchors, all of whom have mental constipation and continue to barf Biden won, the 2020 election counting process was the dirtiest, most massive fraud I've ever seen since I started learning about election fraud back in 1993. Fair and equal

elections have been stolen from us since the 1960's.

Joe Biden and Alzheimer's Disease Along with Jill Biden's Coverup

After the disastrous Friday DOJ report on Joe Biden's mishandling of classified documents, he stood in front of the nation in a press conference to tell us that he talked to one world leader in Egypt thinking that leader was from Mexico. Biden made nonsensical gaffes, memory lapses, dropped sentences, misstatements and outright lies.

Who Owns America's Lands?

Manifest destiny was a phrase in the 19th-century United States that represented the belief that American settlers were destined to expand westward across North America, and that this belief was both obvious ("manifest") and certain ("destiny"). The belief was rooted in American exceptionalism and Romantic nationalism, implying the inevitable spread of the Republican form of governance.

We Will Choose Liberty or Slavery

In America, the citizens and Body of Christ have watched for over 60 years evil men who declared war on our freedoms and liberty and we have seen our God dethroned, our culture polluted, our values assaulted, and our nation invaded. We have been demonized as extremists and bigots for holding on to beliefs we have held for generations.

Globalist Babylon Is Coming

So many in our land have fallen for great deception. But as I stated, God always warns His people. He always makes a way of escape before He pronounces judgment and destruction. I pray that many will open their eyes today, awake from their stupor and turn back to God. Open that dusty Bible, get on your knees and pray and seek His face and turn from your wicked ways.

Valentine's Lasting Legacy: Embracing the Greatest Act of Love

For those who celebrate Valentine's Day or not, remember the

faithfulness of Valentinus through his acts of love and refusal to renounce Christ unto death, and that true love is more than a feeling that comes and goes. It is not based on transitory things like circumstances, the weather, or personal possessions.

Raise the Minimum Wage to \$100.00 An Hour

I've asked NWV's to run this old column because inflation is absolutely killing all but the very wealthy. It is critically important we educate our fellow Americans about this issue, so please do share with your email lists and all social media. Manipulation of the currency and the "Federal" Reserve – something the majority of our adult aged population knows absolutely nothing about.

Defining WW III

Christ had defeated the gods on their own turf, and the fallout was tremendous. We find ourselves in 2024 where the ancient gods who went underground have resurfaced with a vengeance. The scene on the earth has changed since they were dethroned, and their tactics have changed. This is what we'll get into in the coming weeks.

Islamic Justice: Justice Par Excellence

I was walking my two puppies, entirely focused on the job of making sure I cleaned up after them, like a good neighbor should, when someone bumped into me, knocked me to the ground, and yelled, "Watch where are you going? You blind?" I turned around to apologize when I saw my friend doubled up laughing.

Trump is Right About Ukraine

Looking back at the history of socialists in the West, Putin himself declared that "...the[U.S.] Democratic Party is traditionally closer to the so-called liberal values, closer to Social Democratic ideas, if compared to Europe. And it was from the Social Democratic environment that the Communist Party evolved."

The Nikki Haley Plot Against the USA

In the good ole days when the average American was smarter than the average politician, citizens would defeat Nikki Haley

in the GOP Presidential race just because they know that millions in her campaign funds come from far-left democrat donors and over 70% of her primary voters are also democrats. Republican voters have had it with democrats voting in republican primaries, for just this reason.

Regulating Your Life

This is why it's so important for you to read and understand the Constitution for yourself. Not only so you can recognize these unconstitutional acts, but so you can prepare yourself to defend and assert your rights, including the right to have the supreme law of the land faithfully enforced.

The New World Order is Satanic

If there is a decay of conscience, the pulpit is responsible for it. If the public press lacks moral discernment, the pulpit is responsible for it. If the church is degenerate and worldly, the pulpit is responsible for it. If the world loses its interest in Christianity, the pulpit is responsible for it. If Satan rules in our halls of legislation, the pulpit is responsible for it. If our politics become so corrupt that the very foundations of our government are ready to fall away, the pulpit is responsible for it.

A Mind-Numbing 750 U.S. Military Bases in 80 Countries Around the World

Who thinks we need 750 bases in 80 countries? Can you give one single, rational reason for such impositions and incursions on those 80 countries? While we're \$35 trillion in national debt, why are we wasting more money and 450,000 military personnel on those bases? What's the point? What's the end game? Who benefits?

The Food Fight Over Richard III

The Globe Theater has announced plans to stage a production of Richard III—with a woman in the title role. The production has already been hit with a wave of protest by an assortment of “disabled activists” who say you have to “live the experience” before you can play the part: only disabled actors need apply.

New Lies for Old as the Workers Revolt

Lies about the economy are coming from three main sources: the government, the media, and the labor unions. The purpose is to save the Biden presidency.

Ilhan Omar: The Somali President Is Our President (Video)

Yesterday, we highlighted Ilhan Omar spewing out the truth in her confusion. This she did while serving a foreign state posing as a state representative (2 Corinthians 11:14-15). If only the people in this country would awake to the history of these destroyers that now confront us in the present (Hosea 4:6).

Four Decades of Islamic Occupation in Iran

The people of Iran wish nothing less than a complete regime change through the democratic process of a free referendum. They believe it is the surest, safest, and fastest way to achieve a democratic Iran and end the world's nightmare of

nuclear holocaust that is currently facing us all.

The Real Insurrection in America

Unless you've been hiding from everything politics in the United States, you are aware that there are actors in several states that have sued in their state courts to disqualify Donald Trump from being on their states primary election ballot for President of the United States. As of this writing, in only two states, Colorado and Maine, have those actors found some measure of success.

The Meducation of Our Nation

What this system is actually accomplishing is a 'cradle to grave' wheel that encircles EVERY age person. It attacks our VABs (Values, Attitudes and Beliefs). It seeks to correct our God-given rights into government assigned rights. It violates, several times a day, our civil rights as well.

Iran: Cut Off the Head

20 years in Afghanistan with no formal declaration of war by Congress. Thousands more of our military dead, thousands injured; too many who will never recover mentally. And, still the U.S. continues to shove our military on Middle Eastern countries who do not want us there. Their religious groups have been fighting each other for a thousand years.

Deadly Trojan Horse: Ilhan Omar, Somalia First, America Last

How do you think those 10 million illegal alien border jumpers are going to benefit our nation? How will you and your family benefit from the terrorists that are already planning attacks to kill us? How will you feel when one of your family members dies in those attacks? Because it's a fact that some of us are going to die from internal terrorist attacks! Who wants more Ilhan Omar's in our U.S. Congress when she clearly states that she represents Somalia and not America?

How Democrat Leaders Feel

About Their Voters

2024 will be the last chance WE have to stop the final destruction of the American Dream and American way of life. If WE fail in this duty this time, well, throughout history, freedom once lost, has never been regained! Our children and grandchildren will remember us as only those who stood up in the face of evil tyranny, and those who didn't. No one will be remembered any other way...

Our Man-Made Pandemic Of Anxiety

I've come to understand that anxiety and worry is the by-product of a spirit of pride and self-sufficiency. The truth is, we can't help or save ourselves. Apart from God, we can do nothing. (John 15:4-5). When we become hard hearted and believe we can control and do things in our own power, it's no wonder we worry and become anxious.

Claudine Gay and the Collapse of DIE Ideology, Part 2

Believe it or not, there are folks out there who self-identify as leftist whom I don't consider crazy. This is because they get some things right. They have their eyes on power systems,

destructive processes, and dysfunctional arrangements. Their criticisms are pragmatic rather than moral.

Tendering Transgendering to the Tender of Age

Gender ideology is being pushed onto society by perverts and profiteers through their money and influence and with the help of the same virtue-signaling Karens and Kevins who supported the COVID lockdowns. Yet, the entire ideology contradicts all common sense, disregards all decency and all propriety and barring the victory of evil as the result of our apathy..

The SDGs in Your Town

Warriors, all around us we see not only what I've listed above, but the SDGs inserted into healthcare, technology and even more. Change agents are also being inserted into our towns and governments. Schools see the biggest presence of these intruders of our lives. Why? Because as we creep ever closer to 2030, the UN will increase its evil into our worlds UNLESS we stop it!

Suzanne Harp's Dynamic Campaign Advocating for Texas

Suzanne Harp, a formidable Texas' 3rd Congressional District candidate, has been making waves with her dynamic and multi-faceted campaign strategy. From community engagement to fundraising events, Harp is leaving no stone unturned in her pursuit to represent the interests of her constituents.

Divided, You've Already Been Conquered

2024 is the final hour...Americans will either rise united against all enemies, foreign and domestic, or they will lose their country forever, divided and conquered. The time for choosing has arrived...

Biden's Illegal Secret War

The Obama-Biden policies do not benefit the United States and Trump wisely reversed them. If they are not reversed again, we can anticipate more disabled American veterans, if they are able to avoid losing their lives during Biden's re-election campaign.

Chevron Deference

Chevron appears to have been an attempt to “keep things going” when Congress was silent or ambiguous on a specific issue. If Congress leaves gaps in their legislation, it’s up to Congress, the representatives of the people and the states, to fill them in. It’s most certainly not within the powers delegated to the executive or judicial branches. We’ll have to wait and see if a majority of the justices on the court recognize the usurpation of powers Chevron Deference has become.

American Taxpayers The New Slaves Paying For Illegal Alien Border Jumpers

Do you have any idea of how much more of a “wage slave” you’re going to become as you pay, and pay and pay for what Joe Biden is doing to our country? Do you feel sickened as to what’s happening to our country under Joe Biden and/or his handlers? Who in his or her right mind thinks Joe Biden is capable of another four years in the White House?

Did a Typo Teach Us Wisdom?

When St. Paul wrote this, what could have seemed more foolish, more ridiculous, to the intellectuals of those days than a little fringe group of Jewish fools worshiping a crucified nobody whom they claimed to be the Son of God—and claiming that He had risen from the dead as the Savior of the entire human race?

An Orwellian Switcheroo: Charging Israel with Genocide

That diabolical orgy of sex-and-bloodlust cannot be forgotten when one considers the current Israel-Hamas war. As the world now knows, Hamas poses an existential threat to Israel. Therefore those who support Hamas are supporting the eradication of Israel, i.e. genocide against the Jews. And in its genocidal resolve, Hamas is joined by likeminded Arab Islamists who continually plot, plan and attack Israel, directly or through proxies, e.g. Iran.

Your Freedoms Are Under Attack: Yes, It's Important!

In case you haven't noticed, your federal government is on a course that is doing its very best, with the help of the state

governments, to undo what it is that our Forefathers have painstakingly and sacrificially established (John 15:13).

Speaking Truth to Satanic Lies

The reality is, Israel's IDF is the most moral army in the world. How do I know? Because the Lord told them "Choose Life!" They have. Chai stands as one of the most widely recognized symbols of Judaism. It is Hebrew for "life." The term "chai," emphasizes the significance of life in Judaism. Israel's medical teams have saved many Palestinians, including youngsters, but the world fails to see the truth.

War Fever in Washington

House Republicans released their articles of impeachment against Homeland Security Secretary Alejandro Mayorkas on Sunday, the same day Biden's war with Iran escalated. It appears the Republicans should be targeting the "Commander-in-Chief" in name only for the immediate impeachment. Tell Mayorkas to wait his turn.

Finally: RNC Files Bombshell Election Lawsuit

Like tens of millions of Americans, watching the 2020 presidential race stolen from Donald Trump, I was sickened. As someone whose been writing about election fraud since 1993, I knew the lying, cheating Democrat/Communist Party USA would use every dirty trick in the book. Only this time around, the Big Steal was made possible not just by rigged machines and cheating human vote counters but by ignorant or partisan judges.

Marxist Murder of the American Dream

From day one, July 4, 1776, when a handful of real American patriots declared our independence from England and British rule, they also established our independence from any form of government tyranny, foreign or domestic. The basis of the American Dream is self-determination and self-governance.

Joe Biden's Deliberate Invasion of America

Gosh darn! After three years of Biden's open borders and 9.6

million illegal aliens now living off our tax dollars, as well as destroying our laws, the House GOP wants to bring impeachment proceedings against the director of the Department of Homeland Security Alejandro Mayorkas. Note that Mayorkas has broken every law on the books.

Claudine Gay and the Collapse of DIE Ideology, Part 1

The recent exposés on Claudine Gay, Harvard's former president and current embarrassment, illustrate what we critics were saying about affirmative action decades ago: it promotes unqualified people into positions of responsibility, hurting their institutions. Claudine Gay is such an obvious case of a Diversity, Inclusion, and Equity...

Babylon the Great Is Fallen

I have good news, and bad news. First the good news, from Psalm 33: "Blessed is the nation whose God is the LORD." Now the bad news: God is not pleased with the United States of America. Almighty God is no longer Lord of our nation.

Another Impeachable Offense from Biden

President Biden's war with Iran is illegal and unconstitutional, under the terms set by Biden for President Trump. "Let's be clear," said Biden in 2020. "Donald Trump does not have the authority to take us into war with Iran without Congressional approval. A president should never take this nation to war without the informed consent of the American people."

It's the Six Moves Between That are Worrisome

So now is the time to return to God, to descend to a place of rest and trust in Him instead of a puffed up place of self-sufficiency, or a panicked state of distrust and fear. As I sought God at the end of 2023 for wisdom for the coming year, He was faithful to give it. He showed me there will be trials and turbulence and even disaster ahead.

Arms Rights Roundup

America has lost its oldest factory – a gun manufacturing facility. Two-hundred year old Remington Arms, one of America's major arms producers, has shuttered its doors at its

iconic and venerable main manufacturing plant in the tiny town of Ilion, New York where 230 workers were employed. As recently as 2013, about 1,400 workers were producing 4,900 guns per day at this site. Over the last 10 years, most of the production has been farmed out to other manufacturing sites around the country.

Who Do Elected Representatives Think They're Representing?

Today's freedom activists must organize effectively. That specifically requires action at the local level. The further government gets from the people, the more corrupt it becomes. Let's organize to change that. Now is the time to prepare for this year's vital election. Do not accept 'the defeatist attitude' that we can't win.

Why Was Davos Important?

Is America worth saving? There is only one way to save America that is – with hard work. Are you up to it? Can you share this article with 5 people and ask them to share with 5 and so on? Sharing the truth and applying knowledge is power. This is the only way to save America. You can do it. I know you can.

Illegal Alien Invasion of America: I Am SO D*** Angry at Joe Biden and Congress**

Last night, Colorado Public Radio reported that my City of Denver now houses 37,500 illegal aliens. They interviewed women of “do-gooder” groups who were trying to find food, shelter and care for people who knowingly broke into our country against our laws.

Biden’s Forever Wars

In the latest example of deepening involvement in another war, U.S. Central Command announced that the two “missing” U.S. Navy SEALs died “during the boarding of an illicit dhow [a small sailing vessel] carrying Iranian advanced conventional weapons...” but there was no explanation or constitutional justification for this military operation.

Liberty Counsel Warns “The

Next Shot May Be Mandatory”

That profit-building marketing scheme led to the distribution of a new and dangerous shot that led to hundreds of millions of injuries. Four years into the COVID “crisis,” people are now aware of the danger and are refusing to take the mRNA “booster” shots. So Big Pharma has found another way to increase profits – by getting the World Health Organization (WHO) to compel people to take the shots.

German Farmers Revolt Against Policies Enhancing Globalism and Climate Hysteria

For much of this first month of the new year, protesting farmers have practically shut down Germany. They’ve used trucks and tractors to block major highways in and out of Berlin and several other major German cities. They’ve received massive popular support and been joined by others in “low tech” professions (electricians, rail workers, etc.). Additional support has come from their counterparts in The Netherlands who have been fighting this same battle for over a year now, and from Poland and the Czech Republic.

What's Wrong With this Picture 2008-2020

In 2024, we will either have free, fair, lawful, and transparent elections, or we will be off to the races. 2024 is the breaking point. Trust me on this... I follow growing public sentiments very closely.

New Push for Amnesty MUST Be Crushed

The border INVASION has back fired for the evil doers. Oh, it's worked as far as allowing more than 8 MILLION unvetted illegal aliens to be distributed around the country, but now even The UnReachables are starting to realize the "compassionate" theme has brought crime, chaos and in some way is now touching their lives.

We Have Become a Nation That Has Lost Its Collective Mind

If you possess a rational mind, you cannot justify what's going on in America in 2024. Up is down; down is up. Crime is celebrated; law-abiding citizens are fools. Shoplifting is cool; paying for your groceries is for suckers. When a male

pretends to be a woman, you are required to pretend with him.

A Way Of Life That Leads To Death

But if you meet life with anger, jealousy, hate, hostility and hurt feelings, your guilt will grow through the years. Worsening, you become angry with yourself and your sickness.

Safe Navigation Through Dark Places

Those who trust in Jesus Christ not only receive forgiveness of all their sins and reconciliation with God, but they are also transferred from a dark domain into His kingdom of light (Colossians 1:9-14). No matter what challenging uncertainties or situations we may face, the Lord's faithfulness never changes, and He promises never to leave us lost in the dark (Hebrews 13:5-8).

Seven Moves from Checkmate

They are few and we are many. They need the many in fear of the few. They've deceived themselves (and others) that they will obtain their victory. But it's really not up to them. They're the pawns of God's adversary, and while they think they're calling the shots, they really aren't. I want to expound on the cosmic battle in the coming weeks, but it will take me some time to lay it all out.

Immigration or Invasion? Cancelling the Greatest Culture in the World

What is happening today is not new. It has been going on in many places in the world for decades. When I was in Cologne, Germany, in the early '70s, I had a conversation with a local couple who were very unhappy with the Turks that had been brought in for much-needed labor. The gist was that the Turks did not have the same values as the natives and were not impelled to comply with German laws and mores, but weren't about to leave when their work was finished.

The Communist Plot Against Trump

You have probably heard about the scandal involving anti-Trump prosecutor Fani Willis and her well-paid lawyer lover/boyfriend. Their bizarre romantic and financial relationship may sink her case against Trump. If so, she will be replaced, and the case will go on.

How the Republican Party became the RINO Party

To turn the Republican Party back into a conservative party, leave independent status and rejoin the party. Not to go-along to get-along, but to flood the party with real conservative republican voters and take back control.

High-Test Marxism Is The Revenge For Our Having Won In 2016 (And 2020)

Everybody knows that the 2020 election was an even bigger win for America, than was 2016. Of course, 2020 wasn't allowed to happen. Since then, the speed of our country's destruction has been turned up, by those who had to cheat to get power. We

know that, as well. We are NOT frogs who will be boiled alive, however, because the water started out uncomfortably hot. Look at what happened in Trump's first term. Turning up the heat has only energized us, and broadened our base.

Extraction Migration: Screwing the American Worker with Foreign Labor

Our own companies across America would rather cut our throats than hire American workers for a fair and living wage. For certain, minorities with low educational skills face planned poverty by the big wigs in those Washington DC offices. In many ways, capitalism must be the cruelest of systems when it comes to cut-throat competition.

Off to a Busy Start in Jan 2024

The decade of the 2020's has been nothing like the American people have ever experienced. In fact, it has overwhelmed the sleepy church as the assault upon Christianity in American has reached a fever pitch. 2024 is going to be a season where more evil is going to be exposed. That is what we have been doing on the front lines in America since the birthing of PASS THE SALT.

Things Aren't Working As They Should

I hiked back home. We lit candles. My wife has an oxygen generator; it doesn't work without electricity: something to worry about. She fell asleep on the couch. I thought I'd better stay up, but by 3 a.m. I was nodding over the candles and it struck me as a dangerous position. I had to go to bed.

Hatred At My Door

Satan knows the Bible better than most Christians and from the beginning of his fall, he knew that if he could kill the Jews, he could live and rule and reign on earth forever, but we know he will not succeed. From the beginning, he has tried to kill them, and he loves it when people believe the anti-Semitic tripe because they play into his plans.

The Jesus Of The Bible In Contrast To The Jesus Of

Today's American Church

The pulpits in America have portrayed Jesus as somehow or another walking around with pink booties on spanking sheep on the back side, all the while telling the world that everything is alright. Nothing could be further from scriptural truth. It's offensive to say the least. This is a created image of the modern-day heretical church.

Blaming the Jews: An International Pastime

So before you "blame the Jews" for ancient and modern tropes that demonize the Lord's chosen people, remember you're simultaneously scourging them for their divinely appointed role of introducing God and the Bible to the world, fulfilling prophecy, and, as Christians and Messianic Jews believe, providing the world with the Messiah, whose birth we once again celebrated a mere three weeks ago.

Lawsuits for Revenge and Profit?

By both mooting the case and vacating the First Circuit's decision that Ms. Laufer had standing, the court does restore some sense of justice by restricting the use of malicious

prosecution. However, by not deciding the question of Ms. Laufer's standing, the court also allows her, and others like her, to act as federal vigilantes.

Will Fulton County DA Trump Persecutor Fani Willis Be Indicted?

Last week new blasting headlines featuring low intelligence diva, Big Fani Willis, Fulton County, GA DA persecuting Trump burned up the Internet. A grand jury returned a RICO indictment against Trump and 18 others in her county. That grand jury either has zero ability to process and fully understand the charges or they were all Democrat Unreachables.

The Deliberate Dismantling of America: What We Face If We Don't Stop the Invasion

If we fail to stop Joe Biden's invited refugee invasion of America, most Americans are not prepared for what's coming. In 2024, most Americans take for granted MOST of their freedoms. They enjoy education from kindergarten through 12th grades. At least 20 percent enjoy college educations. Millions more enjoy vocational training schools.

Free, Fair, Lawful, Transparent Elections 2024

The USA is very unique in the world in that all political authority exists at the pleasure of the governed, the People. Our government has a right to exist only so long as the People say so, and only so long as governments perform within the limited powers they are granted. Taxation without representation is prohibited in the USA, no matter which party you're loyal to, or how you might feel about it.
