

What Does It Mean to Be a Conservative?, Part 2

What conservatives need, therefore, is a rational Plan B to organize themselves and separate, if need be, forming self-sufficient communities built around solid family structures and sustainable small businesses, working from the bottom up instead of from the top down, able to sustain and defend themselves when the Global Wolf attacks, as he inevitably will.

Damnably Lies and Damnably Liars

I do not know about you but I am getting pretty damn irritated by the liars who run the world. You do understand that liars run the world, don't you? Psalm 2 calls out the greatest conspiracy in world history...The kings of the earth set themselves, and the rulers take counsel together, against the Lord, and against his anointed...

They Never Saw It Coming

Nevertheless, three times on the last few weeks, these geniuses have been caught napping by events they should've foreseen a mile off. No one but a "progressive" would have

been the least surprised by any of it. But then most of us aren't distracted by any need to build a pedestal and pose on top of it.

There's a Patience in the Wild: Dogged, Tireless, Persistent

Two of the guys on this journey proved themselves "day riders" for all their lives. But, at over 70, they enjoyed retirement with time to spare. All of us sported gray hair, or no hair, gray beards, high blood pressure, bad knees, sore hips, touch of diabetes, and spare tires around our mid-sections.

The Second Great Colorado Land Grab

Right now, there is a battle going on in Colorado. One side wants President Biden to use the 1906 Antiquities Act to designate over 400,000 acres of land in Mesa and Montrose Counties as a national monument. This would, among other things, limit future oil and gas leases, mining claims, rights-of-way, and utility infrastructure.

Take Heed To Who & To What You Are Listening

The other day while listening to my intro feed on the radio broadcast, I was hearing another show host talking about what the bad guys were doing to the country. He was conveying to the American people the wicked deeds that are being committed against them by less than 1.7 percent of the population. He called them the elites, which he said, "ruled the world."

The Culmination of Marxist Infiltration, Part 1

A military coup is planned. Rosa Brooks claims that if Trump is elected in 2024, they must find a way to remove him. This is being planned through Georgetown University Law Center, the premier law school in DC. "It's a feeder school to the Justice Department, to Supreme Court clerks and to the entire intelligence community. Everything is planned there."

Rights After Conviction

According to federal law, if someone is convicted of a crime

and punished with more than one year in jail, they lose their rights protected under the Second Amendment. A recent decision by the Ninth Circuit Court not only brought that federal law into question, but decided it was wrong. The court didn't find that this federal law violated the Constitution, rather they found it violated Supreme Court's Bruen decision.

The Epiphany of Zebediah Clump

"The Epiphany of Zebediah Clump" won best "Short Narrative" film, on Sunday, October 7, 2012, at the closing ceremonies of the 3rd Annual Portland Maine Film Festival. The film was written, directed and edited by Peter Falkenberg Brown, a Portland native. The short was Brown's first film and his directorial and acting debut, starring as Zebediah Clump.

Ninth Circuit Court of Appeals Re COVID-19 Experimental Injections

"Paxton is also investigating whether the companies misrepresented the efficacy of their Covid-19 vaccines and the likelihood of transmitting Covid-19 after taking the vaccines in violation of the Texas Deceptive Trade Practices Act. The investigation will also look into the potential manipulation

of vaccine trial data.

We're Doomed Buffalo Breath: That's That Smell?

Sandi and I cranked our way toward Alaska, laboring up mountain grades in the Sawtooth Range of Idaho on Route 75. Late in the day, we came to a river intersecting the highway.

Yearning For the Good Old COVID Years

Interesting that this is coming now...just in time for the most significant presidential election of our lifetimes. Just in time for them to release "Disease X" or whatever other depopulation protocol they're brewing up. Just in time for the next American civil war. Just in time for the coming mayhem and attacks by those who've invaded all Western nations. Just in time for World War 3.

One Day Every Follower of Jesus Will Influence the Culture & Nations

We know exactly what the thief is doing and because too many of us are cowards, ignorant, and apathetic, we continue to see no evil while allowing the thief and his followers to capture our nation, steal our freedoms, and degrade our culture without little to no resistance when it is our responsibility and, in our power, to do so!! This is in itself pure evil on the part of our pastors, churches, and citizens for allowing our enemies to steal our nation.

Truth Spoken Boldly Overcomes Censorship

Pro-Hamas and anti-Israel demonstrations taking place on many university campuses across the country during the 2024 graduation season have endangered the wellbeing and safety of their Jewish students. On the heels of this, the U.S. House of Representatives passed the Antisemitism Awareness Act of 2023 to prohibit “hate speech” specifically against Israel and Jewish people.

Political Brass-Knuckles

We have a lot of work ahead of us because today's ideological battles are part of a modern war. The battles we face are much more than meaningless skirmishes. The far-left has crafted their one-sided story under a false narrative of oppression and victimhood. The vast majority of Oregonians, left, right, and center know something is wrong with this picture.

What Does It Mean to Be a Conservative? – Part 1

Import the Third World, become the Third World. That's what we just saw. This won't stop Trump. He'll win the election if he's not killed first. But it does mark the end of the fairest justice system in the world. Anyone who defends this verdict is a danger to you and your family.

RFK Jr.: The Silver-Tongued Spoiler

Washington Times columnist Don Feder opines: "God knows Donald J. Trump isn't perfect. But he's all that stands between us and a totalitarian nightmare from which we may never wake up."

Oil is Power, CO2 is Food. Globalists Want Control of Both

How often do I say everything is connected. Nothing is more evident than that. Just look at what we see going on in the world. Can you make the connection? Climate change is not about the climate it is about control. Oil is power. Cheap oil gives people power. Global elite will never give people power. That would cut into their wealth and create competition which is not acceptable.

Trump's Life is in Grave Danger

Eric Trump has told the cable channel Newsmax that his father's political enemies would like to see "real harm" done to his father because nothing else is working. Claims like this are quickly dismissed by the major media, and Special Counsel Jack Smith wants President Trump gagged in his federal documents case for saying that the Department of Justice wants to kill him.

Make Way for Utopia

Meanwhile, we have been trying to get the Washington Post to dig up the actual identity of the speaker, supposedly a major figure in the Biden White House (we don't believe his only job is to feed the goldfish). Unfortunately, the WaPo is in a bit of a shambles just now.

D-Day: June 6, 1944

Those who fought at Normandy on D-Day to preserve freedom from defeat by Hitler's national socialist fascists paid a terrible sacrifice. The beaches at Normandy, with NAZI artillery and machine guns established in cross-fire patterns, were, indeed, "killing fields," prepared for slaughter. The sea and sands ran red with blood.

Time To Capitalize On the Left's Blatant Attack On America

The Donald Trump "Guilty" verdict has turned into a gilded one. The lemons handed Trump have been sweetened by the massive show of both monetary and other support he has received in the single day since the verdict.

What Am I Doing Wrong? Absolutely Nothing, Scripturally

Most recently, I was speaking to one of my ministry friends and he had told me of someone that he knew in the ministry that he said was a great man, and had won awards and big prize money for his works. I thought out loud and said “Good for him”, and then I thought, “What am I doing wrong?” “Of course,” I said this knowing that it was an opportunity for me to preach the Biblical Christ to him.

Thinking Globally, Acting Locally: How Sustainable Rule Took Over Your City

Solar and wind farms to eliminate gas and oil; 15 Minute Cities; eliminating single-family homes; eliminating gas-powered cars; stop eating beef; no more warm water showers; ban ice cubes and electric stoves; Sustainable! How did these radical ideas become official policies in our once great American cities, now on the verge of collapse? Here's the story.

Your Life On The Ledger: Net Zero Is The Goal

And that score means everyone. A new system that monitors EVERYONE's BEHAVIOR will be instituted into the financial system even if you do not make a salary. Why? You are using natural resources every day. Your carbon footprint must be monitored. Net Zero is the goal.

Stopping Another Steal November 2024 Elections

In my Jan. 24, 2024, column, Finally: RNC Files Bombshell Election Lawsuit, I covered a new lawsuit by the RNC regarding violation of federal election law (Foster v Love) and how Trump was cheated out of his second term in 2020. All candidates for federal office (House & Senate) were also cheated but that was the game plan and it hasn't changed four years later.

When Did the Federal Reserve

become the National Treasury?

For over 220 years Congress had funded federal agencies through appropriations from the Treasury. Then, in 2011, Congress decides to fund a new agency in a different way. After this new agency promulgated rules that members of the CFSA objected to, the trade agency sued, making several claims of both statutory and constitutional violations.

How To Handle Anyone Who Drivers You Nuts

Did you hear of the older lady driving a Cadillac who aimed her automobile toward a slot in the parking lot near the store? Seconds before she pulled into the space, a young man zipped into her spot in his shiny sports car.

Nothing, and I Mean Nothing, Can Stop Trump and His Love for America

Donald Trump has stood firm against the challenges thrown at him, refusing to be silenced or deterred from his mission to Make America Great Again. Now, it falls to us – the voters – to echo his call to action. On November 5th, let us send a

resounding message to Washington: We will not be swayed by sham trials or manipulated by political games.

God's Intent for Creation and the Kingdom of God

And while we sat around and our flesh thinking of self and our inner experiences and dreaming of being raptured to the streets of gold, an alien demonic philosophy called the Chaldean spirit has moved into the soul of Christianity and America and we have a crippled Body of Christ that is stumbling across this nation leaving a crippled and destructive result.

Your Mind is Stressing You to Death

Strong emotions stir up vivid thoughts that can hold your attention so captive that you fail to see where you are going, and when you can't see where you are going, you have accidents.

America's Severe Storms of May 2024 are Following the Same Path as the April 8 Solar Eclipse

As the severe storms tear through the path of the April 8, 2024 solar eclipse, many mainstream media news outlets are attributing the cause of America's severe weather to global warming, as they fail to recognize that the severe storms of May 2024 in America have followed the same path as the April 8, 2024 solar eclipse indicating something different.

A Fanciful or Hopeful Scenario if Trump Succeeds in Gaining a Second Term

In the arena of culture and education, Trump will advocate a revamping of school curricula to reflect our true American identity and history as well as the achievements of the nation's founders as it used to be without undue reference to race, the elimination of CRT, and the restoration of cultural memory.

The Real Fight, Pt. 2

In ensuing material I hope to explore the nature of the Global Corporatocracy more, and this kind of response. I don't wish to focus on details of the upcoming election. Ask me who is going to win, and I'm going to echo Tucker Carlson's answer: I've no idea. I'm convinced that leftist agents of the Global Corporatocracy will pull out all stops to make sure it isn't Trump. The rest is details.

How 'World Economic Forum' Threatens Montana & the Rest of America

The World Economic Forum (and Bill Gates) wants to cull 80 percent of the world's population and take ownership of our land and property, so we will, in their words, own nothing, go nowhere, eat bugs, and "be happy" submissive, quiet socialists. Their planned "great reset" now in progress plans to put America under socialism.

Why is the RNC "Working Feverishly" Against Donald

Trump?

The Republican National Committee is working against the People's Choice, Donald Trump. Let that sink in. HE IS THEIR CANDIDATE, for heaven's sake. Yes, even with Lara Trump as National Co-Chair. Lara is either clueless or complicit at this point. There is NO middle ground.

The Republican Party is Dying in a Post-God World

Most people don't have the time to actually watch the speech or read a transcript. It's just too much trouble. This is a reason why Larry Hogan goes with the secular culture and appeals for votes from those consumed with the murder of the unborn as a human right. Hogan understands the "spirit" of the times. It has consumed his soul and threatens the survival of our nation.

Does Everybody Go To Heaven?

Our family lost a brother last week. Our brother Dan passed into eternity at the age of 73. It was unexpected, something millions of Americans have experienced over the past 4 years. Somehow the death of a loved one makes death seem so...well...final. We all have an appointment with death and the Bible teaches that "tomorrow is promised to no man..."

Music Transcends Race

We discovered them by accident. My wife got interested in the late Bobby Caldwell, a rhythm and blues star who was rather more heard than seen; and a lot of the people who enjoyed his music—black people—thought he was black, too. There are quite a few videos showing how black fans reacted when they learned that Bobby Caldwell was... white.

Discovering the Three profound Secrets to a Happy Life

As an ordinary citizen of America, my life path carried me into amazing places. My choices allowed me to encounter some remarkable people who espoused “how” to live a happy life. I share their ideals with you for you to incorporate them into your own life—and prosper with happiness.

Time to Take a Side and Make

a Stand

But one thing is very clear at this moment in history...our government is currently full of the most criminally imperfect people in our country, and that must change! Right now, a growing majority of Americans across the political spectrum see Trump as that agent of change...and the more the corrupt government tries to prevent him from running, the more patriotic Americans rush to his side in a growing revolt against that maniacal anti-American corruption.

VICTORY: Huge TARGET Backlash – Only Shows The People That They Still Hold The Power

Well, friends, if it is not the said, extorted representatives in America selling the people out to the highest bidders (Luke 22:48), that is when it comes to the attacks being made on the morality of a people, then it is the Chinese source from which much of this financially flows. Remember, if I can demoralize you, I can control you (Matthew 4:9-11).

Honor Victims of the U.S.

Government on Memorial Day

As we witness the assault on Trump's home and the mass imprisonment of those protesting the stolen election of 2020, let us remember the scandals of the FBI/ATF armed assaults on Randy Weaver's home and family at Ruby Ridge, Idaho, and the Waco religious compound in Texas.

The Treaty That Cannot Be

The World Health Organization's (WHO) Pandemic Agreement has been in the news again lately. Not only does this United Nation organization want the power to take over the world in a "health emergency", but numerous politicians and commentators keep claiming that if Joe Biden signs this treaty, it would be legally binding. The truth is that is just not true, for several reasons.

Get US Out of NATO

Oh, and let's not forget trade between No. and So. Koreans while thousands of our military have been "guarding" the demilitarized zone for since I was a toddler. North & South Korea have a long history of trade that's had its good times and bad times. No. Korea is in bed with the commies (China) but there's still a lot of trade going on.

Memorial Day 2024: Will Americans Still Die For Freedom?

Memorial Day—which will be officially observed on Monday, May 27 this year – is a day to remember what should be remembered every day: The service and sacrifice of the more than 1.3-million American veterans who have given their lives in war so that we, their posterity, might live as free Americans.

Diversity, Equity, Inclusion: Another Name for 21st Century Racism

Who wants another four-year term of the current D.E.I. “INCOMPETENT & DEMENTIA-RIDDEN” Joe Biden in the White House where he can complete the job of displacing millions of Americans with another 12 million illegal refugee replacements, trash our laws, degrade our Constitution and wreck our economy?

Net Zero: The Plan Put Forth by the Globalist Tyrants

As for “Net Zero,” that’s the whole extent of what we, as human beings will get out of this demonic plan of the Globalists for the depopulation and tyrannical control of mankind. Through taxation, regulations, restrictions and shady backroom deals involving dirty money, they will net trillions.... while we net ZERO.

Not By Any Way Except the Kingdom of God

For over forty-five years, I was an evangelical Christian and pastor. I so much wanted America to follow the Lord Jesus Christ and do the things that pleased Him. For twenty years, I was a member of the Moral Majority. We worked hard recruiting other evangelicals to vote for Ronald Reagan for President. We thought if we could get Ronald Reagan elected President, America would turn completely to God.

Let’s Make Oregon Safe, Free and Great Again

If you are still wondering about who you might vote for in the

Secretary of State's race, let me help. I've got some notions that will be worth your time. This Secretary of State's (SOS) office is an executive position and it is entirely partisan.

Ron DeSantis: A Globalist in Patriot Clothing?

The latest glaring non-statement from DeSilence concerns the actions of his RPOF, which has recently taken legal action against Judeo-Christian constitutional conservative organizations in the state, who dare to use the word, "Republican" and the elephant as a symbol. This, of course, has NO basis in law, just in the minds of the persecutors.

The Real Fight, Pt. 1

The result is the DIE (Diversity-Inclusion-Equity) intellectual vacuum in which a Claudine Gay rises to the top at Harvard and is forced to resign when she can't navigate this kind of situation and is exposed as a plagiarist besides. Columbia University has Minouche Shavik at the helm. She has somewhat better credentials than Gay's, having been at the helm of the London School of Economics – the U.K.'s Fabian-founded elite institution.

Iran Emerges as a Hub for International Organ Trafficking

Do we understand that the international community, including various heads of government, is complicit in this scam? Their silence and inaction raise serious questions. They must prove otherwise by taking concrete steps to dismantle this tyrannical regime. They must stand with the people who yearn for freedom and democracy.

Make Christianity Masculine Again

The compromised, weak, Jesus loves everybody messages emanating from the pulpits of America are responsible for the full bore, full steam ahead, in-your-face-assault on everything Christian in the nation.

America: We're in Serious Trouble

The mainstream media twists reality to unreality. "The View" features a bunch of wacko females who hate the majority of Americans. One of them said that the basketball phenomenon

Catlin Clark enjoyed “Pretty Privilege...and White Privilege.” What a crock of horse-feathers! Clark became the highest scoring basketball player in college history.

Different Strokes, Different Folks

If we don't want the fighting to get out of hand, we have to agree to disagree—and that's harder than it looks. Once upon a time it plunged our country into civil war: individual states vs. federal government, and two vastly different takes on states' rights... and slavery. Try to name a war that didn't start over widely different perceptions of the same damned thing.

A Picture Paints a Thousand Words, Portrait of King Charles III

The reality of life on the streets of the UK is entirely different to how it once was. There is nothing to hide behind. Many people are afraid to walk the streets of towns and cities in the UK which have become unrecognisable. They are afraid to go to their doctors and hospitals' and they do not like what their children are being exposed to in schools and via the media.

Record High Of Hostility & Violence Against Churches In America

If it is not the sodomites who are playing the victims to those who stand up to their crimes by calling them bigots and haters (Leviticus 18:22), then it is those from the Middle East that mean to treasonously conquer America by calling out those who stand up against their crimes as 'Islamophobic' (Article III, Section 3 U.S. Constitution). The truth of the matter is that they hate the very Laws that condemn their crimes.

What Can the Constitution Do For You?

I meet a lot of people who think the Constitution is useless, while others wonder how people can get away with violating it. While these may appear to be opposing positions, I believe they stem from the same misconception: That the Constitution of the United States is some superhero that will come flying in to save the day. Rather, the Constitution is ink on parchment, a tool and nothing more.

Titanic: Accident or Deliberate Drowning?

On board the maiden voyage of the Titanic was a cabal of very wealthy people opposed to formation of such a central bank especially as it was constructed under FED guidelines. These included Benjamin Guggenheim, Isidor Strauss, John Jacob Astor, and other financial oligarchs.

New Election Lawsuit: Plaintiffs RNC & Donald J. Trump

There is great hope President-Elect Donald Trump, who was absolutely cheated for a second term, will win this November. Never mind all the conspiracy theories peddled by the prostitute media and mindless hens on garbage TV shows like The View that career criminal, Joe Biden, won in 2020.

House GOP Gullibility on

Display Once Again

In Greek mythology, a story is told about Odysseus, a king of Ithaca. This king is said to have waged war against the city-state of Troy. After an unsuccessful siege of the city, Odysseus conceived the idea of building a huge horse and hiding within its structure many of his best fighters, counting on the Trojans to see the wooden horse as a sign of their victory over the Greeks.

America Going Tribal Beyond Recognition or Commonality

No question: we are repeating Rome's history. America is bifurcating. We're manifesting "tribalism" rather than Americanism. We're battling 55 million foreign born who don't share our cultural values. We're segmenting. We're CRT'ing. We're D.E.I. separating. We've got "affirmative action" employees in the cockpits of 747 airliners. We've got Muslim American Hamas supporters chanting, "Death to America."

Back to the Kingdom of God or Else

Many preachers today preach Jesus but they do not preach what Jesus preached – the Kingdom of God Message. Life simply will

not work except in God's way and God's way is Christ's and Christ's way is the gospel of the Kingdom of God. The whole New Testament is the Kingdom of God Message. Are we hearing God? No!

Press Conference on Narco-Nation America

For those who think marijuana is a harmless drug and that "Reefer Madness" is the name of a funny out-of-date movie, consider the case of Bryn Spejcher. She experienced what is called "cannabis-induced psychosis" and stabbed her boyfriend Chad O'Melia 108 times, killing him, then stabbed her dog and was trying to kill herself when the police arrived.

Integrity Matters

Nickaylah Sampson dreamed of following in the footsteps of her parents, Mathias and Natalie Sampson, by pursuing a career of service to her country as an officer in the U.S. Army. In 2020, she was appointed to West Point, one of the most prestigious military academies in the United States, where only about ten percent of applicants are admitted annually.

City of “Yes, I Want to Be a Slave”

Carbon neutrality is just one of the thousands of weapons being used against us in this asymmetrical warfare of Cancel Culture. To fight better, we need to be working together. Join a Freedom Pod today, at AmericanPolicy.org, or start one in your neighborhood so you can better counter these attacks on our God-given constitutional rights.

Armed Forces Day—Third Saturday of May

May God bless and keep all those more than 1.3-million patriotic Americans who by their service and sacrifice on active duty in the armed forces or in the Reserves or National Guard protect and defend the freedom of all 340-million of the rest of us Americans.

In Defense of Jews, Israel, and the Sacred Individual

But I was profoundly disappointed and shocked to discover a growing anti-Semitism in the ranks of patriotic conservatives. It caught me by surprise. I did a double-take when I read the

words of conservatives blithely stating that a cabal of Jews and the nation of Israel were responsible for just about everything “bad in the world.” I said, “What? What did I just read?”

Unsatisfying Script: A Description of the Movie “Civil War”

The critics’ reviews of the movie waxed critical. Easy to do since the director did not pick a side or make some left wing political statement. Even negativity can cause people to think and evaluate, but that is a challenge now as people are hourly spoon fed solutions on which they are expected to chow down – and believe.

Why Are Western Countries Committing National Suicide?

One look at France today, 55 million French persons, and 5 million Muslims, you can cut the racial/religious air with a knife. You might remember where Muslim terrorists shot up Paris restaurants, slaughtered theater patrons and killed cartoonists in that once “free society.” More than 90 “no-go zones” now dominate the French countryside.

It's Getting Too Crazy

Meanwhile, though, the mayor had noticed that the city needed more lifeguards for its swimming pools and beaches. The light bulb goes off overhead. Aha! If only the feds would release the funds for it, he said, the city could hire a lot of the migrants as lifeguards... because "they're excellent swimmers," he said.

Tied of Being Called "Anti" Simply For Having an Opinion Counter to Someone Else

So...I am anti...anti...meaning I am sick and tied of being called "anti" simply because I have an opinion counter to someone else. It happened again to me this weekend. I got myself into a heap bowl of chili simply by asking an obvious question that I didn't know I wasn't allowed to think out loud.

Guilty Illegal Immigrants

Rioters Charges Dismissed While Innocent January 6ers Remain In Jail

In the process, these illegals are bringing with them drug trafficking, human trafficking, murder, rape, attacks on the American military, attacks on America's police, etc. The list goes on. What could one expect from those who are ILLEGALLY crossing over the border?

Competing Titles: Tennessee House Falls Victim to 'Agenda 21' Conspiracy Theory vs Tennessee Bans Agenda 2030

In 2012, while Agenda 21 (now 2030) had been around for two decades, because we had a misinformation press even back then, the number of people who had understanding of what Agenda 21 i.e., Sustainable Development was about, was very small comparatively. And many of the tools and tactics of Agenda 21 had not been out in the open back then.

Presidential Immunity

Rather than following the Constitution and laws of the United States, the courts, and all of the attorneys arguing the cases, are attempting to design a system to meets their ends. They are legislating from the bench, rather than applying the law to the case at hand. While Mr. Trump is attempting to turn the Presidency into a Kingship, the courts are trying to turn the United States into an oligarchy.

Happy 76th birthday, Israel

Today, Israel has reunited Jerusalem and provided unrestricted freedom of religion. Access of all faiths to the Holy Places in the unified City of Peace is assured. The story of Israel's rebirth is indeed a miracle, yet challenges have remained, threatening the existence of this tiny ancient country filled with a rich culture.

What 2024 Polls Really Tell Us

My favorite line about polls and statistics is, 99% of all statistics are made up on the spot to suit someone's agenda, and man is that true when it comes to modern political polling data. Today, most Americans don't even care how accurate the information is, they will share the polls of their choice, so

long as it suits their agenda.

Earth Day 2050: Our Society Is Not Prepared For The Future

Since the mainstream media won't educate you, and politicians continue to explode our population via legal and illegal immigration into America, you cannot count on knowing or understanding what Americans face in 26 short years. But I can tell you this: it's gonna' get really ugly for anyone living in that 2040 to 2050 decade when America hits that 100 million added human "resource competitors."

Happy Church, Little Resistance of Evil and the Powers of Darkness

It is decision time for the Remnant in America. We have a faithful LORD and King and if we will meet Him on the battlefield, He will give us the victory against evil. We have work to do because one day we will stand before the King and answer to Him for what we did with what He gave to us.

The Absurdity of the Two State Solution Crowd

Asking why we continue to see and read of the hatred and vitriolic rants against the nation of Israel often sounds like a “broken record.” I have surmised that we will continue to hear and see the incessant spewing of Antisemitism because those expressing these views are short on reason, rational thinking, and logical, analytical deduction skills.

Understanding the Sovereignty of God

The only true sovereign that ultimately rules in all affairs of mankind desires that His crowning creation would recognize of his own free will, the need to accept His authority in all spheres of man’s governments, personal, family, church and civil. Unfortunately, history has very clearly proven that mankind is totally incapable in his fallen nature to follow God’s will in his personal life, much less in the civil sphere.

Why the U.S. Ignores Islam's Threat

The left has put America in a very precarious position by allying with America's enemy. We are in a state of subversion, and most of us don't even dare to name the enemy, which is Islam. It is no surprise. The so-called Democrat Party always allies itself with America's hardcore enemies.

Preparing the Trial of Barack Hussein Obama

This is not to say that the House Republicans have not made serious mistakes. They expelled Rep. George Santos, who fudged the facts about his background. But it was Barack Hussein Obama who campaigned under false pretenses as a Christian when he was a Marxist mole with sympathies for radical Islam. His policies are still guiding the Biden Administration.

Oregon Governor, Her Spouse, Their Media all Censoring Information

The public still does not know. The public was essentially denied access by the exorbitant one-million-dollar fee. The

rule that created this charge came from the Secretary of State not the legislature and is a policy that deserves a thorough review.

Maine Becomes the Latest State to Throw Away The Republic

Maine's governor allowed an unconstitutional piece of legislation to become "law" without her signature. LD 1578, An Act to Adopt an Interstate Compact to Elect the President of the United States by National Popular Vote is not only foolish and unconstitutional, but the latest attempt to change the United States from a union of republics into a monolithic democracy.

America: Willful Blindness

This is no longer an alarm. Our enemies are already here and busy making plans to make America just like another European country. Suppose we don't defeat Islam politically, lawfully, and swiftly. In that case, our children and grandchildren may well be engaged in an endless religious and ideological bloody war, the likes of which have never been seen on American soil.

Two Big Changes in America

The rot spread into the Democrat Party. They threw moderation out the window. Democrat politicians competed with the colleges to see who could go farthest Left in the least amount of time. The sane, decent, normal Democrats, one by one, disappeared from center stage. In their place we've got Soros-funded radicals.

Import Millions of Third World Refugees: You Become a Third World Country

Biden, who won't be alive to see his legacy of how he destroyed America, continues on this treacherous path with no idea of the consequences. Without a doubt, he is the "Father of the Destruction of America." They might place a statue of Biden next to George Washington, the "Father of our country" at George Washington University.

Left Wing Lunacy on Full

Display on College Campuses

It has become crystal clear that the Marxist wing of the Democrat party (and even some on the right side of the aisle) has completely overshadowed the moderates (?) in our national house. At this point, save for an extremely FEW members, the entire congress should be removed from their seats, and a new generation of patriots installed.

When AI Tells You What A “Useful Idiot” In The Mainstream Media Cannot – The Truth

When I clicked on the link, I found the content, which is listed below, was written on me and my ministry by someone who actually knew us. It was spot on. “Who wrote this?” I asked myself. They actually took the time to tell the truth. So, in other words, I was taken aback, and this in a good way.

Biden Buying Votes While Marjorie Taylor Greene

Threatens to Remove Speaker Johnson

As the Biden regime is consolidating its power and working to imprison the leader of the opposition, a “close” presidential election is developing, with a repeat of 2020 shaping up as mail-in ballots prepared in advance will be used to swing the results in Biden’s favor.

What Would It Mean to “Make America Great Again”?

The latter, I submit, will include a lot of what self-identified liberals of old said they wanted, in arenas such as housing, health care, nondiscrimination, and so on. It will have extracted the antiwhite racism and the “gender” fluidity/confusion of wokeness. It will leave us in no danger of falling under a world government, or of “transhumanism.”

Pro-Hamas/Palestine Protesters: Ignorant Dupes

First thing on the madness we’ve been seeing on campuses of lower learning. Two factions. One is ignorant students who are actually enrolled in one of the colleges/universities and

second are paid professional cockroaches who travel around the country. Their job is to whip up violence, rioting, spew hatred on college campuses while promoting Marxism/collectivism.

VP The BIGGEST Decision of Trump's Life

Like Trump, he's an unapologetic AMERICA FIRST leader and a take-no-prisoners style of freedom fighter, who deeply believes that America's greatness comes from its free people, not government. He's extremely intelligent and well-spoken. He can lead the nation after Trump completes a second term.

Barack Obama: "We need to fundamentally change America." I.E. Devolve It

How did it feel when you heard the news report, "Death to America" from all those pro-Hamas Muslim supporters? Did you ask yourself, "How could they say that inside the greatest and freest country on this planet?" All Americans better start asking themselves these questions because the citizens of Great Britain didn't.

The War To End All Wars

There will be no doubt when World War 3 goes hot. It truly will be the “War to end all wars.” Friends, those of you who will, be in prayer for this nation. Be in prayer for those you love. I believe God will protect and provide for those who are truly His, but none of us will escape persecution. I urge you to draw close to God today, and bring as many souls with you as you can. Our time is growing short, and we have but one Savior.

In the Twinkling of an Eye

When Wanda looks in a mirror and does not see Harold’s reflection, she realizes that he has come to take her from this life. With a kind smile, he tells her that he arranged the circumstances of their meeting to gain her trust and convince her that he means no harm. Wanda recoils, frightened, but Harold tells her that what she really fears is the unknown.

Dying to Your Flesh – Session

3

This is my final article on dying to your flesh. I shall recap what we have learned and I remind you that you must deal with your flesh nature inherited from the fall of Adam. Failure to do so means Satan will rule you by your flesh and your spiritual life will not go well.

Super Important: Conservatives Vote in May's Primary Election and Vote out Traitors

As we are learning daily, these issues are complex and finely woven traps that are difficult to recognize at first. They are baited traps none-the-less – laced with enticing incentives, coated in feel-good rhetoric, and carefully hammered through the majority party's brutally efficient committee hearings.

Stakeholder Capitalism: A global economy that works for

the global elite

Schwab and the rest of the global elite/deep state do intend to replace the current picture of the global condition. But, in order to do that, they had to produce the global upheaval, unsustainability, and uncertainty to destroy the free-market capital system, the agricultural system that fed much of the world, and the sound political governance that was a beacon to the rest of the world.

The Chinese Threat to Local Communities is Real

For the past several decades the communist regime in China has been driving toward world supremacy, both economically and militarily. The regime's main target has been, and is, the United States of America. The latest tactic of the Chinese Communist Party (CCP) is to use the threat of Climate change to gain control of our American economy, our food supply, and our energy system.

The New Normal: Ambiguity, Tragedy, Fear and Loathing

This is our rotten farce: For our entire lives, we have been flooded with media designed to slowly steer us into a world

where the American Dream was dead, where the public was fully divided against itself, where everybody believed we were powerless to do anything about our worsening circumstances.

The Truth and Consequences of Targeting Tik Tok

When they told you 2-million Americans were going to die from COVID in just two weeks in April 2020, they lied. When they told you wearing a mask and social distancing would save you, they lied. When they told you they didn't know where COVID came from, they lied. When they told you taking the JAB would save you, they lied about that too.

Free Speech in Canada: Bye-Bye

His latest project is the Online Harms Bill C-63 (Canada introduces blood curdling new thought police law that even Stalin would blush). It's a beauty! How would you like to be arrested, tried, and punished for something you said or did that was not against the law...

Our College Campuses: What's Going On Is Nuts!

If this treason keeps up, if this anarchy keeps up, and we allow anyone to attack or call for the death of certain religions, we've lost America. You need to get on the phone and call your U.S. Senators and House Member. Demand they take action at the federal level to stop all immigration of anyone from Islamic countries.

Join the Fight for Free and Fair Elections

I am pleased to report that we have posted my new analysis of the 2020 presidential election and how it has resulted in thousands of patriots being investigated by the FBI and hundreds of them imprisoned in America. It's titled, Stolen Elections, Murder, Corruption and Deliverance, and paints an ugly picture of a communist "insurrection" in America.

Which One Is Worse, John Lindell Or Mark Driscoll?

SHAMEFUL! – Videos

It was even reported that James River Church pastor John Lindell threatened to cut ties with preacher Mark Driscoll if he “will not repent” for his actions following the Stronger Men’s Conference this past weekend. These apostates are seriously biblically illiterate as well as pathetic.

Speaker Johnson’s Treasonous Betrayal

Sorry President Trump, but Mike Johnson is being controlled by the very people stabbing you in the back. Giving Biden’s political gestapo a brand-new FBI building bigger than the Pentagon, while not providing a dime to protect the southern border from the swarms of people entering the country illegally, is doing a “good job?”

States Embrace Climate Action Plans Under the United Nations 2030 Agenda for Sustainable Development

On September 20, 2023, the Biden administration met at the Sustainable Development Summit in New York with the goal of

recommitting to the [United Nations] 2030 Agenda for Sustainable Development and the Sustainable Development Goals–SDGs. A White House fact sheet stated, “The United States is committed to the full implementation of 2030 Agenda and the SDGs, at home and abroad...”

What Made America Great

During the hearings on that monster, GATT/WT0*, French billionaire financier, the late Sir James Goldsmith, testified in front of Ernest Hollings committee. He demonstrated that GATT would gut the American textile market. The following are some quotes from the Washington Times, Dec. 6, 1993, which accurately reflect Sir Goldsmith’s statements during the hearings

Earth Day 2050: You Ain’t Going To Like What’s Coming

Growing up on a farm in LeRoy, Michigan, population 500 farmers, I got close to the Earth. I helped my parents plant a quarter-acre garden every spring. Nothing like getting your hands dirty in the dark riches of organic soil!

Dying to Your Flesh – Session 2

Are we brethren? Did God say in His Word to resist Satan or ignore him? If God says be on the alert and be serious, should we be serious about resisting this spirit world of darkness? It has been very convenient for Satan and his forces of darkness to remain in the shadows and darkness, ignored by Christians, and not talking about what Satan is doing. In America, we have become a habitation of demons while pastors and church members remain silent and ignore the evil overtaking our nation!!

Freedom of Speech and the Offense of Political Correctness

That freedom applies to all men and women of every race. Martin Luther King, Jr. did not preach hatred toward whites or blacks or any other race, but instead timelessly affirmed that the value of every human being was based on their individual spirit and character. In Dr. King's acceptance speech for the Nobel Peace Prize in 1964, he stated...

Lighting A Candle

Friends, as goes the church, so goes the family. Sadly, our churches have failed to build solid God-honoring families. But also, as goes the family, so goes the nation. And we can all easily see how desperately our nation needs strong families again – free of the shackles of mindless TikTok videos and gaming and soul-sucking electronic “entertainment” and social media.

Christian Nationalism

Now you are probably asking, what in the world is a Christian Nationalist? Let’s start by looking at what a leftist humanistic reporter by the name of Heidi Przybyla says it is. Here’s one of her comments from an interview in part that she did on MSNBC recently. “They (Christian Nationalists) believe that our rights as Americans and as all human beings do not come from any earthly authority.”

Is the Constitution a Threat to National Security?

And here we have the Biden Administration, telling us we need to give up our essential liberty, our rights to due process, and to be secure against unreasonable searches and seizures, all with the promise of protecting our national security. Are

you willing to give up your essential liberties for what has shown to be the false promise of temporary safety?

A Formal Invitation To Steal Our Country

I put this out again, now that Tucker Carlson has picked up on it, because it is more possible that we move on it. Tucker has the followers few others in the country have. Between now and the November general election what WE do – what WE THE LITTLE PEOPLE do – may well be the difference between hanging onto freedom, or falling into the death pits of totalitarian rule.

Let's Celebrate the Natural Family

Despise not the days of small beginnings! Get involved. Go to [HERE](#) to order some signs to put in your yard!! Let us start a groundswell of support for the NATURAL FAMILY and begin the restoration of sanity in this land. This will not happen overnight but you can make a difference RIGHT NOW

Single Female Voters are Destroying America

You can shoot the messenger here if you want, but it won't change these facts! Single female voters are the single largest problem in the USA electorate as 70% of them are single issue voters, seeking a protected right to kill their own children in the womb...abortion!
