

# **His Birth, His Death. His Resurrection**

As Washington knelt in the snow during the winter of Valley Forge (1777-1778), most likely feeling such despair as to overwhelm the average man, he put his faith in God and his sword to freedom. We ask for God's blessings, for strength to fight for what's right and to keep our troops safe as we work to bring them home.

## **My Christmas Message – A Time for Truth – Insanity**

It looked for a while like America was waking up to spiritual things. But most Christians still refuse to face reality. While darkness is overtaking our nation and our enemies are gathering all around us, there is no sense of urgency in our churches. Christians today are doing the same thing that caused our nation to be over taken by this evil

## **Birth of the Antimeessiah (Antichrist); June 2022?**

Some may be disturbed that someone would speculate and post "innocent" baby pictures of who the Antimeessiah (Antichrist)

may be. After all, it can be emotionally reasoned that all babies are innocent. Yet we are called to watch for the signs, and this child may very well one day assume the role of the Antimesiah (Antichrist).

## **The Light of the Gospel Dispels the Darkness of Marxism**

Jesus Christ, the giver and sustainer of life, freely grants reconciliation with God and eternal life to all who trust in Him. He is the unquenchable light that dissolves and blots out our sins and continues to shine through His Church to scatter the darkness of satanic philosophies like Marxism that cause enslavement, destruction, and death.

## **American Policy Center Promises Support for Anti-UN Legislation**

DeWeese pledged that APC would work to create a steady flow of pressure to Congress to pass the DEFUND Act by gathering thousands more petitions in support of the bill; provide leadership and training of local activists to organize local “Exit UN” rallies; and even create a telephone call-in to

Congress to keep their office phones ringing.

## **They Want to Kill Elon Musk**

Having failed to kill President Trump, they next target Elon Musk, probably the smartest man in the world and the key to America remaining a military and economic superpower in the world. He is a leading force in the new technologies, especially AI, cryptocurrencies, and space exploration, which promise what Trump calls a “Golden Age.”

## **Trump Expected to Annihilate California's 'Green Mandates' – the Most Radical in the World**

At the expense of its residents, who are now paying the highest costs for electricity and fuels in the nation, California's Governor Newsom remains oblivious to the other 8 billion on this planet that are dependent on the products and fuels from oil, the same oil for which there is no known replacement.

---

# **Yep... Still the Smartest Guy in the Room**

Why these questions? Because of the great number of people he has appointed to high positions in his upcoming administration who have longtime leftist connections, have themselves played for the other team, and have eye-raising suspicions about their backgrounds or associations.

## **Three Existential Threats to Civilization at the End of 2024, Part 2**

Bottom line running through this discussion and its predecessor: economic inequality beyond what may be expected from Pareto distributions, combined with the sense that those in the Big Club have cheated to get where they are, is fundamentally destabilizing. As recent events may have shown, it eventually provokes violence against elites.

---

## **Sanctuary Cities: A Growing Nightmare for American**

# Citizens, Part 2

What is the answer to Sanctuary Cities? We must demand our Senators and House Reps to outlaw them, once and for all. Those leaders of those cities need to be thrown into jail to get the point across. They can start with my Denver Mayor Johnston. He's willing to go to jail to protect our 45,000 illegals in the State of Colorado.

## **Stop the 'Green Hallucinationists' Plan to Close all 200 Coal Power Plants**

Hope is on the horizon. The landmark US Supreme Court Chevron case has taken much of the teeth out of overzealous federal bureaucrats. US Senator Steve Daines of Montana has proposed legislation to keep coal mines operational.

## **Everything is About Trust**

We the People – our storm and drug-trafficking victims, which were directly created by government malfeasance. How about those cast into middle-class working poverty by the hideous economy they have wrought? What of the millions who have been

murdered by Big Pharma and the AMA, in their incessant lust for money?

## **Standing Alone With Christ!**

He has seen the feigned and phony (under false pretenses, counterfeits, the emotional drama, and the hypocritical betrayals within and without), and now he stands tried and true to His Lord in the fires of afflictions (1 Peter 4:1) and is now at peace with Christ. He's complete with Christ, and with Him alone (Colossians 2:10).

## **Three Existential Threats to Civilization at the End of 2024, Part 1**

Three dangerous conditions afflict our civilization. They are: (1) massive and worsening economic inequality, (2) massive and worsening state indebtedness, and (3) the threat of nuclear war.

---

# **The Loss of the Western Soul**

There are three spiritual bonds that feed the soul and satisfy the spiritual needs of Western man. The more these bonds are strengthened, the more at ease people become personally and the world around them. Indeed, these provide the foundations for both happiness and success in life.

---

## **Corrupted Census**

For my entire adult life, I've only answered a handful of questions on the census. My name, my address, and the number of people who live in my house. This went from a decennial nuisance to a regular infringement on my rights. Contrary to what it says on the Census envelopes, not only is your response not required by any legitimate law, but their repeated searches for information is the violation of the law.

---

## **What Are Sanctuary Cities REALLY Costing American Citizens?**

I want to scream or cry as I research what our idiot "Sanctuary City" mayors and governors are doing to us. It's a fact that Joe Biden, Kamala Harris, New York Governor Kathy Hochul, and Mayor Nick Adams directly are responsible for

killing Laken Riley by an illegal Jose' Ibarra whom they set free after he was arrested in their jurisdiction.

## **Winning the War, Battle-by-Battle**

Our kid's, grandkid's and great grandkid's entire future hangs in the balance of our actions! Never accept failure. Never leave the winning up to others. True Americans are not "wait and see" Americans. We are not victims of circumstances. In this great country of amazing patriots, we create our own circumstances! We don't leave our future to mere chance...

---

## **Absolute Real Biblical Christianity**

Paris Reidhead said in a sermon, "Paul warned us in Colossians 2:8 not to be taken captive by philosophy and empty deception but today our subtle philosophy and deception is religious humanism. You can define religious humanism as a philosophical statement that declares, "The end of all things is the happiness of man."

---

# **I Hope Trump Can Survive the Resistance?**

Chuck Mason's comment in the American Thinker is a wise one: "The majority of the country did not shift to the right; the Left still has a solid competitive base. If you disagree, ask the 48.5 percent of Americans who thought four more years of the Biden administration on steroids was good for the country."

---

## **250,000 Military in 150 Countries are at Risk of Dying for Profits**

How can you say that our military dead were not killed defending our country? They in fact died thinking they were defending America, and this is what they were told. This was a damned lie. This fact in no way demeans their sacrifice and heroism or our appreciation of their service.

---

## **The Rise of the Cult of Individualism**

By concentrating solely on satisfying personal egos to the detriment of a wholesome, well-ordered and smoothly working

society, they push the belief that individualism should be held as the highest and most noble virtue, a worldview that can be detrimental to the natural human tendency to form cohesive groups.

---

## **Trump Understands that America is Vulnerable**

Americans are optimistic that President Trump can solve the nation's domestic and foreign policy problems. But some of his critical nominations and actions indicate he is extremely worried about what lies ahead and wants to at least temporarily appease those who can do America harm.

## **Federal Tort Claims Procedure**

One of the reasons I like answering questions is they prompt me to look at things I hadn't thought about before. Take for example the recent request I had to review the Federal Tort Claims Procedure. While I review lawsuits regularly here, I'd never taken the time to look at this particular legislation.

# White Guilt and the Demise of Western Civilization

At this point, hopefully, Donald J. Trump stops the invasion, kicks out the invaders, and restores America to law and order. Because if he doesn't, some historian will scratch his or her head and beg the question, "Why did America allow itself to be invaded, destroyed and tossed onto the rock pile of history?"

---

## Sayonara Obama, and Don't Let The Door. . .

When it became obvious that Dementia Joe was not going to be re-elected, Obama and his minions replaced him with Biden's goofy DEI VP whom they were sure they could control. No open primary, no "democratic" election of the DEMOCRAT candidate. No, my friends, they needed someone in the Oval Office that Obama could control...hence Kamala.

---

## True "Birthright" Citizenship

This issue may become a front-burner issue in 2025 as incoming President Donald J. Trump has publicly stated that he intends to do away with "birthright citizenship" due to the misuse of the 14th Amendment to grant legal citizenship to "illegal aliens," just because they made it across our border

“illegally” to have a child, accurately referred to for decades as “anchor babies.”

---

## **The Return of Communist Terrorism and the New Targets**

A new FBI director like Kash Patel, the nominee of President Trump, can refocus the attention of the Bureau on the real and present threats to America and leave law-abiding citizens alone. Patel served as the Deputy Director of National Intelligence, Chief of Staff for the Department of Defense, and National Security Advisor to House Permanent Select Committee on Intelligence.

## **Don't Expect The Lord To Do For You What He Has Commanded You To Do**

What would you think of a person who claimed to be a man of God who sought office to represent the people in upholding the Law against the lawless? Once he gets elected, his constituents are then invited to his prayer meeting at the Capitol only to ask the Lord to do for them what this man has been put in office to do.

---

# **Change the Debate and Take Back Liberty Locally**

Most Americans tend to think of private property simply as a home – the place where the family resides, stores their belongings, and finds shelter and safety from the elements. It's where you live. It's yours because you pay the mortgage and the taxes. Most people don't give property ownership much more thought than that.

## **Four Tough Years – and Rumor of DeSantis as Possible Sec. of Defense**

To the relief of most of the world, Donald Trump was elected to a second term in the White House. He has won. The job he won would terrify any one of us if we had to do it. He will be doing battle every minute of every day. – for his very life as well as for ours. He will be attempting to turn around this mess we've been living through. The Obama-Biden gang has wounded us, and has plans for more.

# **Christmas Gift to the World: Courageous Doctors and Scientists Who've Risked It All**

Then more and more courageous doctors and scientists in dozens of countries who still believe in “do no harm” come forward with case history of those who took the injections which are bioweapons, not vaccines. Like Dr. Peter McCullough and a hundred others who had the courage to speak the truth using science, not some “fact checkers” employed by the prostitute media who were/are not doctors or scientists.

## **Dichotomies, Woke-ism, Transgenders, Insanities of All Kinds**

What does all this confusion, chaos, dichotomies, transgenders, woke-ism, Muslims chanting “Death to America”, killings, massive drug use, Sanctuary Cities, \$36 trillion national debt, mass and endless immigration out of the third world, infrastructure crumbling, killing a CEO walking on a city street--all boil down to?

# **Socialized Medicine is the Motive of the Assassin**

There is an ulterior motive behind the cowardly campaign that involves the killing of a health care CEO. Don't be fooled by the media attempt to make the assassin into a folk hero. He is an assassin cut from the same mold as those who tried to kill President Trump.

---

## **When God Laughs**

Some may wonder why actors who experienced the horrors of World War II, were taken from or fled their homes, and lost family members in Nazi death camps would be involved in such a show. Perhaps they understood that a merry heart, laughter, can be like medicine to the body and soul (Proverbs 17:22) and bring some healing to the traumas they experienced.

## **How Long do We Hold on to What God is Now Rejecting?**

We have been given power to thread on scorpions (a type of demons) and to pull down demonic strongholds. If we walk in the Spirit and in truth, it will set us free to live and do the greater works of Jesus. But we must be ready, on the alert, and let no one mislead us. Guard your heart and take up

your cross by dying to your flesh so His Spirit can prevail in our life.

## **Illegals, Come One and All, We'll Give you Thousand\$ to Kill and Rape**

At the time he also became stepfather to Rauchet’s three children from a previous marriage.”

# Pearl Harbor Attack Dec. 7, 1941: Survivor S. J. Hemker Remembered

Hemker had four sons. All four, like their father, are veterans who served in the Vietnam war. Hemker had no biological daughter. But, in his declining years, he had for more than fifteen years lived in his own room in the home of a loving “daughter-in-fact” if not of biology, Sue McConnell, and her husband.

## Going Bananas

The US emerged from WWII as the top banana. Entering the war late, undamaged by the fighting and bombing domestically, except for the sacrificial lambs left to be liquidated at Pearl Harbor in the false flag firestorm meant to fire up the public for war, FDR could use the war as a means to get out out of the Great Depression by manufacturing whatever wherewithal our allies needed.

---

## Federalist and Antifederalist #1

I don't believe a serious study of the Constitution can be

made without looking at the public debates over the document. After the Constitutional Convention sent the proposed constitution to the states for ratification, a great debate was had over its pros and cons. Supporters of the document as proposed, Alexander Hamilton, John Jay, and James Madison, published essays in New York State newspapers under the pseudonym Publius.

## **Drain the Swamp 2025**

The mission 2025 is to "drain the swamp." Trump is going to need the help and backing of all 76,779,944 American voters who just chose him to lead this mission. Now is not the time to rest or wait to see what happens next. Now is the time to stand all day every day with everyone committed to achieving this mission.

# See, I Told You So!

Millions of dollars made...millions of people dead. This is critical for you to understand. People died WITH covid...not FROM it. The treatment killed the patients. Again...it was all FAKE...the man-made virus and the man-invented response to it. Here are some lowlight admissions from the fraudulent, Christ rejecting American government. You can find these within the report.

---

## Joe Biden: Liar in Chief, Scam Artist, Outright Dementia Victim

Those 15 million plus illegals and their birthrates are going to cost America greater consequences in the coming years. In fact, all immigration will drive us toward adding 100 million more people, net gain, by 2050, that cannot be sustained. We face a "Faustian Bargain" with a "Hobson's Choice" ending. The drugs will cost tens of thousands of kids their lives in the coming years.

---

# Does This Sound Like Israel?

Conclusion: Long ago, Benjamin Franklin warned us to not to give ear when the government tells you who the bad guys are, and this goes for the good, as well (Isaiah 5:20). Why? Because if we are not careful, the corrupt will have you hating those who are being oppressed and will have you loving those who are doing the oppressing.

## Communists Threaten South Korea From Within

If you want to see what it might take to save America from communism, look to South Korea, where a brave conservative president has just declared martial law and has ordered patriotic soldiers to identify and detain the enemies within. # Enhancing Career Readiness with Transferable Skills in Higher Education

It is crucial to shift away from generic soft skills workshops and toward a more nuanced understanding of transferable skills as discipline-specific competencies. Career readiness is not merely about acquiring abstract abilities; it is about understanding how those abilities manifest in specific fields and how they can be honed to meet industry demands.

President Trump called former intelligence analyst Edward Snowden a “traitor” and a “spy” who should be executed. Lt. General Michael T. In conclusion, the Constitutional Alliance has taken the position for almost two decades, there must be an exemption from mandatory biometric enrollment for those who choose not to be in a global system that will at some point be able to identify people and control the ability of people to buy, sell, travel, and work. Such a system is nearly complete.

## **Exploring To The Edge Of The**

During this Thanksgiving week, let's take a rest from the grief and tribulations of the world. Let's plan on exploring to somewhere new, somewhere else, somewhere to the edge of the map. Someone once said, "The best road is the one that leads to the horizon." Some pedal for emotional peace.

# Giving Thanks

On October 3, 1789, George Washington issued his Thanksgiving proclamation, designating for “the People of the United States a day of public thanks-giving” to be held on “Thursday the 26th day of November,” 1789, marking the first national celebration of a holiday that has become commonplace in today’s households.

---

# I’m Grateful Today

I don’t want this to be a cheesy Thanksgiving-is-a-good-thing commentary, but, rather a genuine moment of reflection on how blessed we all are and don’t even realize it. The focus of soooo much of what we discuss deals with the negative...things that are wrong with our lives...that I hope to change your focus a bit. After all it IS THANKSgiving Day.

At this point in the transition of power, I am appalled at many of Trump's choices for his second term. Telling the truth at this point would put a damper on the massive victory.

## **When is a Gun a Gun?**

In the case *Garland v. VanDerStok*, the issue seems to come down not just to what the definition of a firearm is, but who gets to decide. What seemed to be forgotten in the oral arguments is the fact that an 'arm' by any other name, is still protected by the Second Amendment.

## **4B Movement: Latest Radical Feminist Caper Illustrates the Clash of Worldviews**

It's often said that we live in a lonely society. While the digitization of everything and everyone is doubtless a factor, radical feminism preceded the Internet and social media.

Equity feminism stressed equal pay for women for equal work and equal experience, something all of us who consider ourselves fair minded supported.

During this season, when Christmas arrives, my church offers six candle- light services. It's an incredible sight to sit in the back when 1,500 people raise their candles to wish humankind peace, abundance and good will toward all. We wish the best for our loved ones who have passed. We wish our best to all faiths, all paths to God, and all spiritual energy toward the world.

# **Is The Federal Death Administration (FDA) at it Again?**

Thanksgiving is in four days. From all I've read, yes, some dog foods are turkey but not the same as you might be cooking: no spices, onions, etc. You might wish to look up feeding your furr baby turkey on Thanksgiving – especially not giving them turkey bones. While families across the nation give thanks for blessings, please pray for our fellow Americans who are suffering.

## **The Heart and the Way We Think**

So, most of the Body of Christ in America has totally missed God’s purpose for the Kingdom. Life for the modern man in the East and West needs something to give total meaning to an otherwise fragmented life. He knows everything about life except how to live it!!!! But American religion offered the American way of life instead of God’s way of life – the Kingdom of God.

## **Deep State Wins First Victory Over Trump**

With the character assassination of Matt Gaetz and his replacement by lightweight candidate Pam Bondi, MAGA’s only hope is that President Trump will himself take control of the Justice Department and order charges against former President Barack Hussein Obama and former presidential candidate Hillary Clinton for their roles in the Russia-gate scam.

# **Why We Need Freedom Pods NOW!**

This election showed us very important information – that America is, for the most part, conservative, that Americans want the government our forefathers fought for and so diligently and wisely put together for us. Trump won both the electoral vote and the popular vote, something not done since George Bush in 2004.

---

# **Unverifiable Elections are Uncertifiable**

The 2024 election victory isn't the finish line, it's the starting line of a New American Revolution to reinstate Constitutional government in D.C. and in every state and city across the country. No political leader has the power to accomplish this alone. But over 76-million Americans do, if they only will!

# **Who Will Vet the Vettors?**

Without doubt, globalist-aligned dissemblers will seek to burrow into his Cabinet and beyond, pretending to be MAGA supporters. And since we can't see into the human heart,

## **San Francisco v. EPA – Oral Arguments**

How California handles its water quality is their business. Placing a federal agency in the middle does nothing but add more bureaucracy to an already bureaucratic nightmare. Maybe that's why the framers limited Congress to only making laws necessary and proper for executing the powers vested by the Constitution in the government of the United States.

# **The Wrath Of God Abides Upon The Children Of Disobedience**

The music industry and the movie industry put up their fallen stars to promote lyrics and immoral agendas that promote murder, fornication, drug, and alcohol use. In the same statement made by Jesus of being the only way to God, He promises to prepare a place in His Father's house for all who trust in Him and come again to take them home to be with Him forever (John 14:1-3), where there will be fullness of joy and peace, and a permanent refuge from the father of lies, the devil, and all who practice his ways (Revelation 22:13-15).

We failed to become that nation because we would not keep God's commandments. We have never turned to God; we have always turned away from God. But God loves His people and is still waiting for us to come to repentance. 2 Peter 3:9. How

# America, If We Can Keep It

President Trump spoke directly to the American people. He did not divide. He didn't care who they were, what jobs they had, what color, what ethnicity, what gender. To him they are Americans who have come together to Make America Great Again. Surprisingly the people feel the same.

## Harris – Trump 2024, The Professor vs. the Prophet; Lichtman's Prediction & Clement's Prophecy

When Kamala Harris ran for president in 2020, she garnered just 2 percent of the Democrat Party vote in the Democrat primaries. This indicates that even Democrat voters did not like her and were not inspired to vote for her. Thus, Democrat voters were primarily voting against Donald Trump and not so much for Kamala Harris.

## Seismic Political Shift 2024

The global Marxist democrats in the USA are reeling from the seismic political shift underway in the 2024 elections, lashing out in all directions looking for who to blame for

their massive loss, taking crazy to a new level, as they wrestle with a clear and compelling message from American electors that they just refuse to comprehend.

## **The Murder of the Mainstream Media**

Today, Donald Trump has been re-elected as President of the United States and the Fake News National Media is on its death bed. That will go down in history as President Trump's most valuable service to America. The Murder, in broad daylight, of the Government-Media Complex that JFK warned us about in 1963.

## **What Do You Think of D.I.E., C.R.T., W.O.K.E & Men Competing in Women's Sports?**

It matters little what you think of President Trump as to his personality, but the one thing you can count on is the fact that he loves America, and he works for all Americans. God help him and his cabinet and top staff to guide this country back onto a successful path in the next four years.

## **A Constitution Catechism**

This answer is only partially correct. No, the people themselves are not the arbiters of what is constitutional, but the justices of the Supreme Court have not been delegated that power either. Since that power is not prohibited by the Constitution to the states, they retain the power to determine if a law is contrary to the Constitution.

## **It Pleased The Lord To Bruise Him!**

There's a statement in the Scriptures that is confounding to many, where it says, "It pleased the Lord to bruise Him." What can that possibly mean? On the one hand, God was heard audibly saying "This is My beloved Son in whom I am well pleased" (Matthew 3:17).

## **Heads Up, Mr. President – There are Saboteurs All**

# **Around You, Part 1**

General Michael T. Flynn told Steve Bannon, he wants Trump to stay at Mar-a-Lago until inauguration, and not venture into DC. He also wants him to hire his own security people. Trump would be wise to do both.

## **Civil War in the Republican Party**

The contenders are Minority Whip John Thune of South Dakota, John Cornyn of Texas, and Rick Scott of Florida. Scott is the more conservative candidate and is campaigning for the post as the voice of MAGA.

## **November 2024: Votes Still Being Counted Congress: Are Those Elections VOID?**

While brainwashed Marxist voters wail and cry because Trump was able to keep from being cheated a second time and pollsters and blabber mouths on cable networks or political pundits on line – who also support the goals of the Communist Party International, a number of states/counties are still counting as I write this who have yet to finish counting votes

long AFTER election DAY for federal offices.

## **Political Satire Mets Out the Hidden Truths**

As we approach Veteran's Day, my hat's off to every American who served. My hats off to my grandfather Jesse Ward Johnson who served in WWI, to my father Marine M/Sgt Howard Wooldridge, my brother Scott Navy, my brother John Air Force and Army, and to all my old Army buddies who made it through Vietnam. God bless you, and God bless America.

## **The Systematic Killing of America, Part 5**

Deception is a powerful word. One of the profound truths which most followers of Christ do not know is, "by definition, a person who is deceived does not know he or she is deceived." Once deception is cast down, there is light and revelation that amazes the one who was deceived. A major deception among the followers of Christ in America is the work of Satan in the world and in the lives of believers.

# Traitors, Haters and Demons

Friends, in the days ahead, understand that it is God who sets up and removes kings. As Christ-followers we have power, love and sound minds. Defend your family and neighbors, stand for righteousness, don't let any untruth go unchallenged – but don't let yourself get caught up into violent conflicts if there's any way you can avoid it.

## Trump's Electrifying, World-Changing Victory—He Literally Took Out the Garbage

For the past four years, hard-working Americans resented spending their 8-10-12-14-hour days—more if they have two jobs—working their butts off, only to have their taxes and food prices and gas prices and regulations raised, and crime off the charts, and for what?

## The Amish: North America's Health Control Group

It's a problem for the elites if the rest of us human lab rats and sheeple can look outside our mental cages and see that another – a better – life is possible. Act now and follow the

example of the Amish! Reclaim the wisdom of past generations and find that life outside the present dystopia is still possible.

## **The Danger to Trump is Greater Than Ever**

In addition, the Democratic Party is a member of the global Progressive Alliance together with the British Labor Party, which now governs Britain and sent “volunteers” to America to help Kamala win.

## **Importance of Jury Duty**

If We the People are not willing to sit in judgment of our fellow man, who will? Wouldn't it be the judge? The government employee acting as judge, jury, and possibly executioner? Would that be a free country? Not according to those 56 men who signed the Declaration of Independence. They recognized that freedom is not free.

# **Saving Our Republic from the Invasion**

Whatever you want to call it, the mainstream media got their butts kicked. An enormous 98 percent of their cover of Trump ran to the negative. An enormous amount of reporting for Kamala ran positive. But in the end, the American people would not take the bait. They would not swallow the Kool Aid. They would not succumb to how “dumb” the power elites thought of them.

## **TRUMP WINS! But We Can't Rest On Our Laurels**

Voters have solidly and soundly rejected the far left Democrats (Republicans have taken both the House and the Senate!), based both on the economy as they perceived it during the past four years (an inflationary disaster!), and on the immigration mess that Kamala Harris is personally blamed for having worsened, and then some!

## **Socialism—No Big Deal?**

The inimitable Dietrich Bonhoeffer reminds us, as Christians, that “silence in the face of evil is itself evil.” Fiddling while one's nation burns is not biblically defensible. When

informed Christians speak, stand and vote for issues (not personalities)–this, in alignment with God’s Word– “the lot is cast into the lap”; and “its every decision is from the LORD.” (Proverbs 16:33)

## **Radical Return to Reason Required to Rectify Economic Situation**

The above are fundamental actions I think we can agree on without the excessive arguing and debating, something frequently – and often intentionally – leads to inaction. We must conceive of practical ways to accomplish these objectives. Once we Americans get the ball rolling, things will start turning around.

## **Bradlee Asks Alex Newman To Convince Americans That Trump Is Their Man**

So, in response, I reached out to Alex about what was brought to me and asked him to jump on The Sons of Liberty (Matthew 18:15-20) to share with our audience how to convince Americans that Trump is their man, and I would reveal in the face of what Alex conveys as to what Donald Trump has done (Matthew

7:16-20).

## **Trump's War Against the Deep State**

After his 2008 election, Obama spent eight years weaponizing the entire intelligence community (IC). His top soldiers, Jarrett, Brennan, Clapper and Holder, also weaponized the entire federal government including every alphabet-soup agency. Comey, Lynch, McCabe, Weissmann, Yates, Strzok, Page and Ohr were the high-ranking officials and major players in the agencies Obama oversaw.

## **Montana Republican Traitors**

Sheehy's a Trojan horse who can't remember who he is. Zinke lies to Trump. It's insanity to give shady Sheehy six years and zombie Zinke two more years to destroy us. This is more important than who controls Congress. I'm voting for former President Donald Trump, Sen. Jon Tester and Monica Tranel.

## Is Trump Trying to Lose This Election?

This rally wasn't something he had to do. Yes, it proved he can fill the house and then some, in a notoriously left-leaning city. I don't know of any head count made that would indicate how many attendees were New Yorkers and how many were from outside the city, or even outside the state.

## Alleged GOP Losers: Immediately File to Stop Certification of Vote

Candidates: If you allegedly lost your race, don't just walk away. Immediately file to stop certification of the vote which varies from 20-30 days depending on the state. Demand a FORENSIC ANALYSIS. I guarantee you the numbers won't match and I say that after pursuing this cheating of We the People for

the past 31 years when few would listen or even look at the evidence.

# **Citizenry Participation in Times of Political Turmoil**

The political landscape of America has grown more divisive and tense over the last couple of decades. Polarizing views on government policies, social issues, and the interpretation of the Constitution have led many citizens to question the direction in which the nation is heading.
