

We've Just Gone to the Next Level

One version of the inside job theory requires that Crooks have previous contact with the FBI, which, twenty years ago, gained an underground reputation for pulling unhappy or unstable individuals into its clutches, presenting them with illegal activities often involving explosives, effectively entrapping them and then arresting them, as "evidence" of the "terrorist threat" (foreign or domestic).

Big Tech, Facebook, (META) Don't Want Americans to See that there Are Over 1,000 Other Presidential Candidates

Last week, I put in social media circulation how the people are being played by the powers that are tolerated when it comes to the two options given to them concerning the presidency of the United States (Ephesians 4:14).

The Deep State's Next

Assassination Attempt

If Trump is correct that God saved his life, and it sure looks that way, he understands there is something else at work in America. This is not secular politics. This is something more sinister. As such, his enemies won't stop at one attempt. I believe, based on my research, other assassination plots are already underway.

What's Next?

I think we're being given the bread and circuses version of the latest ploy of the NWO, to distract us with the glittery, shiny object of an abysmally failed Biden performance of the most RIDICULOUS debate I have ever had the great misfortune to suffer through, while the more venomous snake slithers into the room and opens its mouth to devour, once and for all, the Republic of the United States.

Assassination Attempt

After living through President Kennedy's assassination, President Reagan's attempted assassination, the murder of Robert F. Kennedy and Martin Luther King, Jr., the attempt on Trump's life looks like so many others from the past. An inside job.

Sheriff Slupe: YOU investigate Attempted Assassination of Donald Trump

Trump is a private citizen. An attempt was made on his life. An innocent attendee leaving behind a wife and daughter, was killed. Two other innocent Americans were critically injured. Sheriff Slupe is the ultimate law enforcement official in his county. A sheriff can request assistance from outside agencies like State Police, FBI, ATF, but he is top dog in his county and those felony crimes were committed in his county.

Donald Trump's America

No President in the history of the United States has achieved as much in his first three years in his first term in office as President Donald Trump. Meanwhile, no President in the history of America has been subjected to such incessant vile and unjustified attacks as President Trump.

Ominous Signs In a Godless

Nation

Satan, the dragon, the serpent, is raging. Meanwhile, our pastors are silent, like dumb dogs, and rarely, if ever, train their people for the any type of significant kingdom work. But God gave us His Word. We must use it to educate, train, prepare and equip ourselves and one another for this work and work as hard as we can, while we still can.

Who Builds the Church?

These similarities between the days of Noah and Lot and the present day indicate that humanity is moving away from God's divine order and that judgment may be imminent. Disrespect for marriage, rejection of God's Word, widespread violence, corruption, pervasive illicit sexual behavior, blasphemy, and organized satanic activities are all reminiscent of rebellion to the ways of God.

The Tangled Web Of Deceit and the Chances of a Two State Solution

When an entire population is brainwashed by lies concerning the Jews, is it any wonder that missteps by Palestinian leaders receive such vitriolic responses? The fact is that

Barghouti and other leaders of supposed Palestinian advocacy organizations must toe a very well drawn-out line of constant hatred toward Israel and the Jews.

The Consequences of Lying (to Yourself, to Others, to a Country)

Choose rationally, basing your choices on facts to the best you can ascertain them, and you'll at least survive. Maybe even thrive. Choose irrationally, basing your choices on fantasy, propaganda or lies, you'll pay a possibly very steep price.

Was the 4th July 2024 – The UK's Independence Day?

I'm not quite sure why former UK Prime Minister, Rushi Sunak decided to hold the General Election on the 4th July this year. He must have surely known that his party, the so-called Conservatives, didn't stand for liberation, and they certainly didn't stand any chance this time around of winning. Everyone knew that after their 14 years of continual oppression, betrayal and lies, winning the General Election wasn't even an option.

The American Dream, Home Ownership – an Opportunity for Government Control?

Does your family live in a home located in a single-family neighborhood of your choosing? A place where your kids are safe to play in the yard, you can enjoy the sun in your own lounge chair, the grill is ready to be fired up for dinner, and your neighbors wave hello? Best of all, are you counting on the equity value growing with each mortgage payment, preparing for your financial future? Well, get ready to lose it

Is Trump Campaign Embracing Abortion and Homosexuality?

Trump is an obvious target of many of these same forces but has decided, for reasons of political expediency, to make a deal with them. He has warned Republicans that opposition to abortion has “cost” the GOP politically. So he endorses abortion drugs and “state’s rights” on abortion, a formula that led to the first American Civil War when some states wanted to keep slaves and others wanted them to be free of bondage.

Bump Stocks – Bumping Into the Law

When does a rifle become a machine gun? That is the question asked in the Supreme Court case *Garland v. Cargill*. When the Bureau of Alcohol, Tobacco, Firearms, and Explosives suddenly decided to redefine bump stocks as machine guns, many Americans simply complied. However, when Michael Cargill surrendered his bump stocks to the ATF, he did so under protest, filing suit to challenge the rule under the Administrative Procedure Act.

Schwab: We Won't Need Elections Anymore

Let's scoot over to the annual "New Champions" (of what?) conference in China, where Klaus Schwab, head honcho of the World Economic Forum, made some pertinent remarks... about taking over the world, I think it was.

The Abortion Crisis in the

Republican Party

Its 2024 platform is weak, declaring that while the 14th Amendment to the Constitution of the United States “guarantees that no person can be denied Life or Liberty without Due Process,” the States are “free to pass Laws protecting those Rights.” By the same token, they are also “free” to deny those rights.

What Is Independence Day (4th Of July) All About?

On July 4, 1776, a group of Americans approved a document declaring the United States of America free from English rule. This document was the Declaration of Independence, and today we celebrate the 242nd birthday of this courageous action! The Declaration of Independence is the nation’s birth certificate.

TB OR NOT TB? More Than A Mere Question

Besides TB, the invaders are also bringing with them yellow fever – spread like malaria by the mosquito, a creature the US has in plenty, measles, whooping cough, diphtheria and other diseases that were on the fast road to eradication in the US a short time ago.

America's Politically Slanted Pravda Media

There are monsters in our country today. Not big grizzly bears who will crush your skull and then devour your guts, not the Frankenstein or werewolf monsters that Boris Karloff presented on his weekly late-night program, not the kind of monsters children think are in their closets or under their beds, but the kind far more dangerous than our imaginations. They are real and they embody the essence of evil.

Team Biden Lies are Off the Charts

In truth, the Clintons, Obamas and Bidens have gotten away with years of national and international crimes and the walls are closing in on them politically at this moment. The SCOTUS ruling makes certain that none of them are free from investigation or prosecution, in the event that the Department of Justice is ever returned to a constitutional agency engaged in enforcing real laws, not political persecutions.

The Collapse of the Bidenista Regime

I'm not ridiculing the man. However much I disagree with his politics and what his handlers have done to the U.S. over the past three and a half years, I can't find it in me to wish Joe Biden harm. Quite the contrary. To my way of thinking, what we've been seeing has all the markings of a form of elder abuse!

The Destroyers – Flood Congress with Calls This Week

Whose running our government? Marxist traitor Hussein Obama and Valerie Jarrett as I covered in my History Being Written column cited above. But, they are just the 'errand boys". Multitudes of those mega DNC/Biden donors are connected and work with the organizations I've listed. Americans fund them with their wallets not knowing who pulls the puppet strings

What is wrong with Biden – Jill Biden, that is

Surely, in both her education and clinical work, she was aware of, sensitive to, knowledgeable about – and protective of –

the students whose limitations rendered them incapable of higher function. Surely, she became capable of detecting, even diagnosing, thought and speech disorders, dissociative thinking, and incoherent ramblings.

Are You Living a Life Worth Remembering

He had his legs blown off in Vietnam. At that moment, he had hand-walked 936 miles in 19 months. Two years later, I heard on an NPR newscast that it took him 3 years, 8 months, 6 days to complete his coast-to-coast journey. I cried my eyes out upon hearing about his triumph. I was humbled beyond measure to be a tiny moment in his journey.

Who Are the Players in America Today and What are Their Roles?

I understand the role of the Republicans. They are in politics to get rich and pay little attention to the American People. Both of my Senators from Texas are on the Judicial Committee and neither has held anyone accountable for the J6ers and local citizens who have been harassed by the FBI in School Board Meetings.

Get Out Of the ‘Lift Chair!’

Friends, no matter what age you may be, if you are a true Christ-follower, understand that if Jesus is truly your Lord, then He has called you, and you have work to do for His kingdom. You're not too old. You're not without value. On the contrary, you have tremendous value and more to offer than you realize. Your work on this earth is not, by any means, finished – as long as you're still breathing air.

Abundant Sustenance Freely Given

As we seek to acquire beneficial food for ourselves and our families, it is difficult to catch everything that may be harmful to our health. It is good and proper for believers in the Lord Jesus to peacefully resist efforts to centralize food production in the hands of the few seeking to control and destroy us with harmful substances. We do not need to fear them because God has given His word and prayer as a means of help.

Fluorides: A Long Term Depopulation Program

When it comes to causing disease, fluorides break up the bonds that are found in our DNA, destabilizing the DNA, and this inhibits the effectiveness of the immune system anywhere from 30% to 70%. The amount of fluoride in drinking water is sufficient to lower thyroid activity. Fluorides cause the breakdown of collagen which results in the wrinkling of the skin and the weakening of ligaments and muscles.

The Conspiracy to Save Joe Biden

Dropping feces seems to be a new low, even for a communist dictatorship. They don't do that kind of thing here, in the great United States. Instead, poop is packaged as "news" emanating from the Biden White House and regurgitated by the "mainstream media." But one of the bags has exploded in their face. Biden stands exposed as a corpse, a cadaver, masquerading as president.

Surprise,

Surprise:

Michelle's Running

Miraculously, the Dems have also already determined not only that the reluctant Michelle will run, but that she'll beat Trump—though she hasn't campaigned, raised money, held any rallies, delivered any speeches, or debated the hugely popular Trump. And they assure us she'll not just squeak by, but beat him in a landslide!

They All Knew, Every Damn One of Them

They ALL knew. Every damn one of them. If a dolt like me can figure out that there is something wrong when the President of the United States is crapping his pants in public, certainly those who swim with the sharks in the Independent Nation of Washington, DC knew it as well.

Our Finest Hour

On June 18, 1940, Winston Churchill addressed the British – House of Commons with one of his most famous speeches, the legendary “Finest Hour” speech. It is one of the most inspiring and uplifting speeches of our modern era. Churchill made the claim that,

Women's Sports and Feminism; the Conflict and the Irony

Many women competing in “women’s” sports today have found themselves facing a new type of opponent: transgendered biologically-born men. This is an increasing trend that has picked up momentum since 2003 when the International Olympic Committee (IOC) allowed transgender athletes to compete in women’s sports.

Psycho Joe Turns on Dementia Joe

I am not “obsessed” with Joe Scarborough. But I am curious about his change of heart, the death of his former staffer, and his demonstrable lies about Biden’s health. This is a person with contempt for his audience and a desire to deceive them for political purposes. He went from one end of the political spectrum to the other.

What We Didn't See

In last week’s debate the world saw the president of the

United States as a doddering, confused old man. What we didn't see was whoever is pulling the old man's strings behind the scenes: invisible, and therefor unaccountable. "Transparency in government" has become LOL material.

A Quick Look at the "Debate"

Trump was brilliant, never overstepping his narrow bounds thrown down by the CNN gauntlet. Instead of bursting out and trying to talk over anyone, he stuck to the rules and USED FACIAL EXPRESSIONS TO REPLACE WORDS. Genius. His face said all that needed to be said.

I'm My Own Factchecker

As the Democrat Party controlled mass media sticks to their talking points memo, allegedly "factchecking Trump" without factchecking Biden at all, maybe it's time for YOU to do your own factchecking!

America, the Roman Empire and

Illegal Aliens

While Taylor Caldwell's books were fiction, she used them to try to educate the American people about the CFR which she used a slightly different name for. Caldwell's books sold millions. She was right on point and here we are today. Unlike William Wallace, we have the right to vote, to protest, the Internet, credible social media and through recall (can't do Congress) get rid of the destroyers.

America Will Be Lost Unless the People Wake up and Demand the Corrupt be Prosecuted

I don't understand what it is that the people in this country do not recognize. The people have the example of the Word of God and how the patriarchs of old handled crimes before the Lord, and the people. We see how our forefathers established justice by reading the Declaration of Independence and finding the injustices that they would not tolerate.

Democracies Result in Turbulence and Contention

Anyone who thinks a democratic form of government, a

republican form, a constitution, or anything else is going to save this or any other country is in for a rude surprise. The only thing that can save a people and their country are the people themselves.

Lives, Fortunes, and Sacred Honor

The Constitution marks out the form, but it is up to us to provide the substance and do the business. If we are to be the land of the free, then We the People need to be brave enough to stand and declare our independence. Independence from the illegal agencies, from the usurpation of powers, and from ignoring both the law and the oath those in government took to support it.

A Somewhat Fictional Consummate People's Representative is Consumed by "Special Interests"

In today's political climate of widespread ignorance, apathy, laziness and immorality, dominated by those with both perverse interests and nearly all the big bucks, it is very difficult to buck the system for very long before succumbing to its

prerequisites. Honest folk's terms in office are often terminated when the bad actors gang up on those trying to follow through on the right thing to do and following the Constitution.

History Being Written and It Isn't Going to be Pretty

Well, last week was a doozy to say the least. The whole world knows the Biden Audition (aka Trump/Biden debate) was a sorry spectacle. The prostitute media who've been protecting a career criminal they've known since 2020 was and is mentally gone have been in shock since Thursday night. In reality, all of those junkyard dogs really don't give a tinker's damn about Joe Biden.

The Deep State Threatens a Five-Year-Old Girl

Conservatives and Trump supporters must understand that Bannon is not a political prisoner. Yes, the J6 committee was biased, slanted, and illegitimate. But plenty of good people decided to testify, including Donald Trump Jr. and Stephen Miller. They knew it was a kangaroo court but decided to go ahead with the confrontation with the witch hunters anyway.

Biden to be Replaced on the Ticket

Under the DNC convention rules, Biden must “voluntarily withdraw” from the race to open up a “brokered convention.” Biden would have to release his delegates to open up a “brokered convention” and he’s pretty much already out of time to do that, even if he could be convinced by Obama to do so.

What Causes Kingdoms, Nations, Cities, and Houses to Fall?

Did Jesus say in Matthew 12:25, that any Kingdom divided against itself is laid to waste and any city or house divided against itself shall not stand? If Jesus did say that, then why are churches in America so divided into denominations and other groups?

Prisoners Of Past Traumas

A selfish man’s weakness draws to him what sucks him to death, and that, he perceives in his deluded mind as loving and being

loved. Man is born in sin, and sin is trauma, a failing of every father's, transmitted through every mother since Eve.

Is There a “Conspiracy” to Kill Trump?

Now that Biden is toast, the only avenue left for these agencies is to make Trump toast, too. That way, Biden and/or his replacement has a chance.

“YET I Will Rejoice”: Encouragement in Anxious Times

After David's example, we encourage ourselves in prayer, establishing right relationship with God, and meditating on His Word. In the face of impending distress, we overcome the tug of sensuality, take captive our wayward thoughts, and vigorously eschew demonic input. By thinking continually on things that are excellent

Geoengineering: A Primary Depopulation Program

As a result, our so-called scientists believe that they have all the answers and thus feel free to attempt to modify weather and climate, having confidence in the efficacy or correctness of their actions. One major element of the current geoengineering effort is the removal of carbon dioxide (CO₂) from the environment, especially as it exists in earth's atmosphere.

Never Mind the Bomb, Beware of Islamofascism

The handwriting is on the wall. Huge numbers of Muslims, overwhelmingly poor, under-educated, and deeply indoctrinated in the jihadist belief, are invading the world. It is this human bomb that must be diffused as well as keeping a vigilant eye on the other one that Iran's Mullahs are relentlessly pursuing.

One Debate, Three Movies

Tonight's the big "debate," if you want to call it that: President Donald Trump takes on Zombie Joe Biden on the official Trump-bashing nooze network, CNN. Major-league Trump-

basher Jake Tapper will (it only hurts when I laugh) “moderate.” The other moderator is actually named “Bash.” Tonight she’ll try to deserve it.

Choosing High Self-Esteem: Carrying The Mental Equivalent For Happiness

Finally, you write the next chapter of your life by your hand and by your choices. Engage your brain, heart and soul toward your highest and best outcomes. Engage the power of brave thoughts. And, enjoy the ride!

DemocRats Are Once Again Reinstating A Military Draft

This may help you understand the very reason that the United States has been at war 93% of its existence. This, is in the hopes of policing and dominating the world at the expense of the blood of America’s children (Amos 4:10).

Who's Protecting Our Children?

There has been a lot of controversy over parent's rights lately, especially related to public schools. From the teaching of Critical Race Theory to Drag Queen Story Hours, there has been situations where the relationship between parents and the school district have become outright hostile.

In God We Trust

When it comes to the matter of rulers over mankind, throughout human history, rulers over societies have in every case, proven to be the greatest threat to those societies, always in the end, abusing their power and turning on the very people they are sworn to protect. In fact, throughout human history, there has never been a government worthy of its people's trust.

Democrats Run "Gay Pride" Events

Rainbow flags were everywhere on June 22 when thousands of Democrats rallied in support of "gay pride," abortion, condoms, transgenderism, and marijuana at the annual "Frederick Pride" festival in Frederick County, Maryland. So-

called “pride” events like this one are barely disguised Democratic Party get-out-the-vote efforts to get Joe Biden back in the White House.

Will America Survive the Threat of Islam?

While former President Obama glorified Islam, the barbarians have made it inside our fortress. They have infiltrated our system of government. This time around, the people of the sword have their collaborator, Useful Idiots, inside, busily doing all they can to dismantle our republic and replace it with worse death Islamic ideology by appeasing the enemy.

Stop Non-Citizens from Voting – Here’s How

Thankfully, Willard “Mitt” Romney’s niece, Rona McDaniel, is gone from the RNC National Committee; she was head hen for four terms. One has to wonder why she wasn’t booted years ago because her record as a complete failure was there for all to see? Some changes have come about along with pledges: RNC co-chair Lara Trump promises to prosecute anyone who cheats in an election: ‘We will track you down’.

Exploring to the Edge of the Map

Since we're heading into the summer of 2024, let's turn toward some uplifting essays that instruct, inspire, and maybe, just maybe...assist you in your unique journey through this life. Whether you travel by bicycle, backpack, canoe, sailboard, kayak, skis, or other methods...this story may inspire you toward your highest and best adventure-seeking during your time on this planet.

It's Not Going to Church But Being the Church

Jesus said in Matthew 16:18 that He would build His Ekklesia and the gates of Hades will not prevail against it. The church in America has lost the way of Jesus Christ while using the Name of Jesus. Because we are not being obedient and we are not embracing the Ekklesia Jesus built, our religious systems in America are ineffective and will continue to implode.

There's No Excuse For Being Clueless

Given the work that I do, it grieves me to see so many professing Christians who are so ignorant of the days and times we're living in. Most don't know and don't want to know what's really going on in this world – or how Christ-followers are to respond to it all. Truly, those who are not Christians, or are “nominal Christians” at best, are much more well informed than those who claim to be “devout.”

Rigged for You, Not Against You

When Mr. Scratch comes to fulfill the contract, Stone, out of desperation, seeks the help of Webster to get him out of it. Though Stone's signature and the contract are clear, Webster demands a trial since this is the right of every American. Mr. Scratch agrees, as long as he can choose the judge and jury.

Why Did They Do It?

This is what Make America Great Again means. It means, as Jefferson added, that the vast majority of our country's inhabitants are too “enlightened, too well experienced in the blessings of freedom and undisturbed industry, to tolerate

long a contrary state of things.”

President Hillary Clinton 2025?

The entire democrat party is reeling from their freefall from popularity as their poll numbers nosedive to all-time record lows. The word panic isn't strong enough to describe the level of fear sweeping across the country throughout the failing democrat party.

An Open Letter to The CEO of Tractor Supply

As for me and my house, we will never shop at Tractor Supply again even if we have to go much further and pay more to purchase our needs. This letter, Mr. Lawson, is going to be posted nationwide in as many locations as possible. You have insulted the people who have patronized your business and made you a very successful entrepreneur.

The Real Matrix: New Normal Edition

I was once able to get through to a person at Hewlett-Packard, trying to troubleshoot a printer problem. Instead of helping me resolve my problem, the person tried to sell me a subscription to their technical support services! Only \$25/mo., for something I needed once, and might never need again! I turned them down flat! My wife's nephew is an engineer. He came in and fixed the problem for free!

Is Trump's "Too Big to Rig" Strategy in Trouble?

Setting the American people up for another communist "victory" at the polls, MSNBC and the liberal media are already warning of another January 6-style "assault on democracy" by those protesting vote fraud. Such a confrontation will certainly be another FBI set-up to capture, kill, and/or imprison Trump supporters.

Fraternal Twin Court Cases Point to the Death of Justice

Worldwide

Trust in our institutions has been falling fast. Based on the reactions to the Trump conviction, it appears whatever faith people had is either completely gone or eroding at an astounding rate.

With Liberty and Justice for All

But somewhere along the way, a society distracted by daily life itself, forgot to remain “forever vigilant” in the defense thereof, and politicians who refuse to abide by their Oaths to the same, allowed this most basic foundation for life in America to collapse under the weight of partisan agendas and purposeful deep and fatal divisions in the electorate.

It's Been a Hard Week

They're challenging each other to “name three drag queens” to “prove his/her/whatever's loyalty” to the LGBTQetc cause. So it seems the candidate who knows the most drag queens should run the city. Why didn't we think of that years ago? I mean, it seems so thumping obvious, doesn't it?

The Long Ride at Age 80: Trading Sofa for a Bicycle Seat

No big deal since hundreds of cyclists have ridden trans-Americas. Yes, I've done it too, but in my 30's. In your youth, the energy, strength and true grit come naturally. As you read this story, hundreds of cyclists around the world pedal into their own adventures. They're riding on six continents...trail blazers.

Why Are Americans Tolerating Injustice?

The price of freedom, in both the natural and in the spiritual, has been that of blood (1 Corinthians 2:14). First and foremost, the atonement of our souls was paid for through the blood and sacrifice of Christ that we might obtain spiritual liberty in Him (2 Corinthians 3:17).

Russia's KGB and Ours

Biden exchanged a Russian arms dealer in an American prison for an American pothead lesbian basketball player held in Russia for drug dealing. Now, according to published reports, he wants Wall Street Journal reporter Evan Gershkovich, held in Russia on phony espionage charges...

Legal Insurrection Through Lawfare, Part 2

The Department of Justice is the most heavily politicized of the U.S. government. In 2016, 91.6% gave to Democrats. Homeland Security employees came in at 75% Democrat, and the Department of Education was as high as 96% Democrat. The National Education Association has never donated to a Republican presidential candidate.

Love or Desire?

In an old episode of "My Three Sons," 18-year-old Chip Douglas elopes with a girl. Can the marriage work? Of course, it can. But it also might not. I knew a similar couple years ago and within two years they were divorced.

Vote Every Muslim Out of Office

I've said it before and I'll say it again: Muslims should never have been allowed into the U.S. Knowing their centuries of history, violence and one major goal: A world caliphate. It isn't because I hate Muslims (except the ones who want me, an infidel, dead), it's because of their goal and they will lie through their teeth to achieve world domination. The good news is a lot of American Muslims are throwing off the yoke of slavery and women being treated like chattel.

Armed Enemies Within Plot Trump's Murder

The Secret Service is a component of the Department of Homeland Security, run by Open Borders architect Alejandro Mayorkas. That means that the federal official ultimately in charge of the Secret Service "protection" for Trump is at the same time turning a blind eye to hundreds of foreign terrorists entering the country, perhaps to assassinate Trump.

Grief Is Circular: On The Long Ride

For the millions of you who lost your father or mother at an early age, or any age, we share a circular grief that others don't know, cannot understand and won't be able to relate. I remember that the Spirit of St. Louis flyer Charles Lindbergh said, "Death is the last great adventure."

Mosques and the Islamization of America

There is a glimmer of hope that the American people are finally waking up to the deceit and the menace of the creed called Islam. Their opposition to the building of the mosque shows that the creeping Islamization of America is indeed something to stand against and prevent before it is too late.

Religious System Man-Made by the Traditions of Men and Americans

What we have in this nation is a religious church system that is designed and operated by man, and for man and his pleasures and the gates of hell have overtaken this church religious

system and also this nation. On the other hand, in Matthew 16:13-16, Jesus said He will build His ekklesia (church) and the gates of Hades will not prevail against it.

We Can't Do the Work For You

Well, it's better late than never, I suppose. After nearly 60 years of allowing the homosexual agenda to move forward, claiming they just wanted "equal rights," claiming this was a legitimate civil rights issue, people are just now starting to wake up to what's really happening, and I've been getting phone calls, emails and letters from people who are outraged and panicked.

Forget "Republican" and "Democrat"

In America today, we have only two choices of affiliation: our Constitution or Communism. Know it, and live by it. This vivid dichotomy is hideously apparent, everywhere today. As we approach voting season – the most critical one in our nation's history – this is one fundamental that Americans must understand.

An Open Letter To The CEO Of Walmart

For you to support such obvious and evil, makes you completely guilty of every innocent individual, and especially children, whose innocence you have played a part in destroying! Shame on you! I would strongly urge and recommend that you read, and pay heed, to Christ's warning to you and others in Matthew 18:6!

Obama Seeks 4th Term

As everyone with an IQ above their shoe size already knows, the so-called "Biden Administration" is actually the 3rd Obama Administration. The entire Biden staff and cabinet is made up of all the Obama era Executive Branch officials and Obama has been in charge again since January 20, 2021.

Trump is a Marked Man

With right-wing parties making gains in European Union parliamentary elections, it is apparent that a global rejection of the status quo is paving the way for President Trump to win the U.S. presidency in a decisive manner. While some commentators are focused on whether Joe Biden can make it all the way to November's elections because of his senility and old age, the real question is whether the communists and

globalists decide the time is right to take out Trump by any means necessary.

What Does It Mean to Be a Conservative?, Part 2

What conservatives need, therefore, is a rational Plan B to organize themselves and separate, if need be, forming self-sufficient communities built around solid family structures and sustainable small businesses, working from the bottom up instead of from the top down, able to sustain and defend themselves when the Global Wolf attacks, as he inevitably will.

Damnably Lies and Damnably Liars

I do not know about you but I am getting pretty damn irritated by the liars who run the world. You do understand that liars run the world, don't you? Psalm 2 calls out the greatest conspiracy in world history...The kings of the earth set themselves, and the rulers take counsel together, against the Lord, and against his anointed...

They Never Saw It Coming

Nevertheless, three times on the last few weeks, these geniuses have been caught napping by events they should've foreseen a mile off. No one but a "progressive" would have been the least surprised by any of it. But then most of us aren't distracted by any need to build a pedestal and pose on top of it.

There's a Patience in the Wild: Dogged, Tireless, Persistent

Two of the guys on this journey proved themselves "day riders" for all their lives. But, at over 70, they enjoyed retirement with time to spare. All of us sported gray hair, or no hair, gray beards, high blood pressure, bad knees, sore hips, touch of diabetes, and spare tires around our mid-sections.

The Second Great Colorado Land Grab

Right now, there is a battle going on in Colorado. One side wants President Biden to use the 1906 Antiquities Act to designate over 400,000 acres of land in Mesa and Montrose

Counties as a national monument. This would, among other things, limit future oil and gas leases, mining claims, rights-of-way, and utility infrastructure.

Take Heed To Who & To What You Are Listening

The other day while listening to my intro feed on the radio broadcast, I was hearing another show host talking about what the bad guys were doing to the country. He was conveying to the American people the wicked deeds that are being committed against them by less than 1.7 percent of the population. He called them the elites, which he said, "ruled the world."

The Culmination of Marxist Infiltration, Part 1

A military coup is planned. Rosa Brooks claims that if Trump is elected in 2024, they must find a way to remove him. This is being planned through Georgetown University Law Center, the premier law school in DC. "It's a feeder school to the Justice Department, to Supreme Court clerks and to the entire intelligence community. Everything is planned there."

Rights After Conviction

According to federal law, if someone is convicted of a crime and punished with more than one year in jail, they lose their rights protected under the Second Amendment. A recent decision by the Ninth Circuit Court not only brought that federal law into question, but decided it was wrong. The court didn't find that this federal law violated the Constitution, rather they found it violated Supreme Court's Bruen decision.

The Epiphany of Zebediah Clump

"The Epiphany of Zebediah Clump" won best "Short Narrative" film, on Sunday, October 7, 2012, at the closing ceremonies of the 3rd Annual Portland Maine Film Festival. The film was written, directed and edited by Peter Falkenberg Brown, a Portland native. The short was Brown's first film and his directorial and acting debut, starring as Zebediah Clump.

Yearning For the Good Old COVID Years

Interesting that this is coming now...just in time for the most significant presidential election of our lifetimes. Just in time for them to release "Disease X" or whatever other depopulation protocol they're brewing up. Just in time for the next American civil war. Just in time for the coming mayhem and attacks by those who've invaded all Western nations. Just in time for World War 3.

One Day Every Follower of Jesus Will Influence the Culture & Nations

We know exactly what the thief is doing and because too many of us are cowards, ignorant, and apathetic, we continue to see no evil while allowing the thief and his followers to capture our nation, steal our freedoms, and degrade our culture without little to no resistance when it is our responsibility and, in our power, to do so!! This is in itself pure evil on the part of our pastors, churches, and citizens for allowing our enemies to steal our nation.

Truth Spoken Boldly Overcomes Censorship

Pro-Hamas and anti-Israel demonstrations taking place on many university campuses across the country during the 2024 graduation season have endangered the wellbeing and safety of their Jewish students. On the heels of this, the U.S. House of Representatives passed the Antisemitism Awareness Act of 2023 to prohibit “hate speech” specifically against Israel and Jewish people.

Political Brass-Knuckles

We have a lot of work ahead of us because today's ideological battles are part of a modern war. The battles we face are much more than meaningless skirmishes. Oil is Power, CO2 is Food. Globalists Want Control of Both

How often do I say everything is connected. Nothing is more evident than that. Just look at what we see going on in the world. Can you make the connection? Climate change is not about the climate it is about control. Oil is power. Cheap oil gives people power. Global elite will never give people power. That would cut into their wealth and create competition which is not acceptable.

Trump's Life is in Grave Danger

Eric Trump has told the cable channel Newsmax that his father's political enemies would like to see "real harm" done to his father because nothing else is working. Make Way for Utopia

Meanwhile, we have been trying to get the Washington Post to dig up the actual identity of the speaker, supposedly a major figure in the Biden White House (we don't believe his only job is to feed the goldfish). Unfortunately, the WaPo is in a bit of a shambles just now.

D-Day: June 6, 1944

Those who fought at Normandy on D-Day to preserve freedom from defeat by Hitler's national socialist fascists paid a terrible sacrifice. Time To Capitalize On the Left's Blatant Attack On America

The Donald Trump "Guilty" verdict has turned into a gilded one. The lemons handed Trump have been sweetened by the massive show of both monetary and other support he has received in the single day since the verdict.

What Am I Doing Wrong? Absolutely Nothing, Scripturally

Most recently, I was speaking to one of my ministry friends and he had told me of someone that he knew in the ministry that he said was a great man, and had won awards and big prize money for his works. I thought out loud and said “Good for him”, and then I thought, “What am I doing wrong?” “Of course,” I said this knowing that it was an opportunity for me to preach the Biblical Christ to him.

God's Intent for Creation and the Kingdom of God

And while we sat around and our flesh thinking of self and our inner experiences and dreaming of being raptured to the streets of gold, an alien demonic philosophy called the Chaldean spirit has moved into the soul of Christianity and America and we have a crippled Body of Christ that is stumbling across this nation leaving a crippled and destructive result.

A Fanciful or Hopeful Scenario if Trump Succeeds in Gaining a Second Term

In the arena of culture and education, Trump will advocate a revamping of school curricula to reflect our true American identity and history as well as the achievements of the nation's founders as it used to be without undue reference to race, the elimination of CRT, and the restoration of cultural memory.
